CALL TO ORDER

PLEDGE OF ALLEGIANCE FOLLOWED BY A MOMENT OF SILENT MEDITATION

ROLL CALL--Mayor to excuse any absent members

PERSONS WISHING TO ADDRESS COUNCIL--*State name, address, and subject of comments. (2 Minutes)*

CONSIDERATION - ACTION

- [1.](#) Agreement with MSA Professional Services - Storm Sewer & Street Improvements Along N. Grove Street, Park Street, Franklin Street, and Roosevelt Street within City of Waupun, WI
- [2.](#) City of Waupun New Housing Fee Report for Calendar Year 2025
- [3.](#) Authorize the purchase of a 2026 Police Interceptor Utility
- [4.](#) Authorize the purchase of a 2026 F-150 Police Responder 4x4
- [5.](#) Authorize Purchase of Drone Equipment for Police/Fire/Emergency Management
- [6.](#) License-Permit Applications, Expenses

MAYORAL CORRESPONDENCE/PRESENTATIONS

7. Schedule March Common Council Meeting Date and Time

ADJOURNMENT

Upon reasonable notice, efforts will be made to accommodate disabled individuals through appropriate aids and services. For additional information, contact the City Clerk at 920-324-7915.

AGENDA SUMMARY SHEET

MEETING DATE: 2/10/26

AGENDA SECTION: CONSIDERATION-ACTION

PRESENTER: Kathy Schlieve, Administrator

TITLE: Agreement with MSA Professional Services
- Storm Sewer & Street Improvements Along
N. Grove Street, Park Street, Franklin Street,
and Roosevelt Street within City of Waupun,
WI

DEPARMTENT GOAL(S) SUPPORTED <i>(if applicable)</i>	FISCAL IMPACT	
Future Ready	Budgeted 2025 Capital Plan	

ISSUE SUMMARY:

We intend to apply for a CDBG grant for Park and Grove Streets as part of this larger neighborhood project if our neighborhood survey results are confirmed by WI-DOA. The grant scores higher for shovel-ready projects. The attached engineering agreement is for engineering of the streets in preparation and was planned in the 2025 Capital Budget.

STAFF RECOMMENDATION:

Approve as presented

ATTACHMENTS:

MSA Engineering Agreement

RECOMMENDED MOTION:

Motion to approve the agreement, Storm Sewer & Street Improvements Along N. Grove Street, Park Street, Franklin Street, and Roosevelt Street within City of Waupun, WI, with MSA Professional Services in the amount of \$57,930.

Professional Services Agreement

MSA Project Number: 00212174

This AGREEMENT (Agreement) is made effective February 2, 2026 by and between

MSA PROFESSIONAL SERVICES, INC (MSA)

Address: 201 Corporate Drive, Beaver Dam, WI 53916

Phone: 920-392-5136

Representative: Jason Laue, MSA Project Manager

Email: jlaue@msa-ps.com

CITY OF WAUPUN, WI (OWNER)

Address: 201 E. Main Street, Waupun, WI 53963

Phone: 920-324-7912

Representative: Kathy Schlieve, City Administrator

Email: kathy@cityofwaupunwi.gov

Project Name: Storm Sewer & Street Improvements Along N. Grove Street, Park Street, Franklin Street, and Roosevelt Street within City of Waupun, WI.

The scope of the work authorized is: See Attachment A: Scope of Services

The schedule to perform the work is: See Attachment A: Scope of Services

The estimated fee for the work is: **\$57,930 (Storm & Street Design Portion)**
(See Attachment A for cost summary)

All services shall be performed in accordance with the General Terms and Conditions of MSA, which is attached and made part of this Agreement. Any attachments or exhibits referenced in this Agreement are made part of this Agreement. Payment for these services will be on a time and expense basis. Attachment B: Rate Schedule is attached and made part of this Agreement.

Approval: Authorization to proceed is acknowledged by signatures of the parties to this Agreement.

CITY OF WAUPUN, WI

MSA PROFESSIONAL SERVICES, INC.

Kathy Schlieve, City Administrator

Jason M. Laue, MSA Project Manager

Date: _____

Date: February 2, 2026

MSA PROFESSIONAL SERVICES, INC. (MSA)
GENERAL TERMS AND CONDITIONS OF SERVICES (PUBLIC) (rev 01/26)

1. **Scope and Fee.** The scope of Owner's Project (the "Project"), scope of MSA's services (the "Work"), for those services are defined in Attachment A. The scope and fee constitute a good faith estimate of the tasks and associated fees required to perform the services defined in Attachment A. This agreement upon execution by both parties hereto, can be amended only by written instrument signed by both parties. For those projects involving conceptual or process development service or involve renovation of an existing building or structure, activities often cannot be fully defined during initial planning. As the Project progresses, facts uncovered may reveal a change in direction which may alter the Work. MSA will promptly inform the OWNER in writing of such situations so that changes in this agreement can be made as required.

2. **Owner's Responsibilities.**

(a) Project Scope and Budget

The OWNER shall define the scope and budget of the Project and, when applicable, periodically update the Project budget, including that portion allocated for the cost of the Work. The Project budget shall include contingencies for design, development, and, when required by the scope of the Project, construction of the Project. The OWNER shall not significantly increase or decrease the overall Project scope or schedule, the portion of the budget allocated for the cost of the Work, or contingencies included in the overall budget or a portion of the budget, without the agreement of MSA to a corresponding change in the Project scope, quality, schedule, and compensation of MSA.

(b) Designated Owner Representative

The OWNER shall identify a Designated Representative who shall be authorized to act on behalf of the OWNER with respect to the Project. OWNER's Designated Representative shall render related decisions in a timely manner so as to avoid unreasonable delay in the orderly and sequential progress of MSA's services. MSA shall not be liable for any error or omission made by OWNER, OWNER's Designated Representative, or OWNER's consultant.

(c) Tests, Inspections, and Reports

When required by the scope of the Project, the OWNER shall furnish tests, inspections, and reports required by law or the Contract Documents, such as planning studies; preliminary designs; structural, mechanical, or chemical tests; tests for air, water, or soil pollution; and tests for hazardous materials.

(d) Additional Consultants

MSA's consultants shall be identified in Attachment A. The OWNER shall furnish the services of other consultants other than those designated in Attachment A, including such legal, financial, accounting, and insurance counseling services as may be required for the Project.

(e) OWNER Provided Services and Information

MSA shall be entitled to rely on the accuracy and completeness of services and information furnished by the OWNER, Designated OWNER Representative, or Consultant. MSA shall use reasonable efforts to provide prompt written notice to the OWNER if MSA becomes aware of any errors, omissions, or inconsistencies in such services or information.

3. **Billing.** MSA will bill the OWNER monthly with net payment due upon receipt. Balances due past thirty (30) days shall be subject to an interest charge at a rate of 18% per year from said thirtieth day. In addition, MSA may, after giving seven days written notice, suspend service under any agreement until the OWNER has paid in full all amounts due for services rendered and expenses incurred, including the interest charge on past due invoices.

4. **Costs and Schedules.** Costs (including MSA's fees and reimbursable expenses) and schedule commitments shall be subject to change for delays caused by the OWNER's failure to provide specified facilities or information or for delays caused by unpredictable occurrences including, without limitation, fires, floods, riots, strikes, unavailability of labor or materials, delays or defaults, by suppliers of materials or services, process shutdowns, pandemics, acts of God or the public enemy, or acts of regulations of any governmental agency. Temporary delays of services caused by any of the above which result in additional costs beyond those outlined may require renegotiation of this agreement.

5. **Access to Site.** Owner shall furnish right-of-entry on the Project site for MSA and, if the site is not owned by Owner, warrants that permission has been granted to make planned explorations pursuant to the scope of

services. MSA will take reasonable precautions to minimize damage to the site from use of equipment, but has not included costs for restoration of damage that may result and shall not be responsible for such costs.

6. **Location of Utilities.** Owner shall supply MSA with the location of all pre-existent utilities and MSA has the right to reasonably rely on all Owner supplied information. In those instances where the scope of services require MSA to locate any buried utilities, MSA shall use reasonable means to identify the location of buried utilities in the areas of subsurface exploration and shall take reasonable precautions to avoid any damage to the utilities noted. However, Owner agrees to indemnify and defend MSA in the event of damage or injury arising from damage to or interference with subsurface structures or utilities which result from inaccuracies in information of instructions which have been furnished to MSA by others.

7. **Professional Representative.** MSA intends to serve as the OWNER's professional representative for those services as defined in this agreement, and to provide advice and consultation to the OWNER as a professional. Any opinions of probable project costs, reviews and observations, and other recommendations made by MSA for the OWNER are rendered on the basis of experience and qualifications and represents the professional judgment of MSA. However, MSA cannot and does not warrant or represent that proposals, bid or actual project or construction costs will not vary from the opinion of probable cost prepared by it.

8. **Construction.** When applicable to the scope of the Project, the OWNER shall contract with a licensed and qualified Contractor for implementation of construction work utilizing a construction contract based on an EJCDC construction contract and general conditions appropriate for the scope of the Project and for the delivery method. In the construction contract, the OWNER shall use reasonable commercial efforts to require the Contractor to (1) obtain Commercial General Liability Insurance with contractual liability coverage insuring the obligation of the Contractor, and name the OWNER, MSA and its employees and consultants as additionally insureds of that policy; (2) indemnify and hold harmless the OWNER, MSA and its employees and consultants from and against any and all claims, damages, losses, and expenses ("Claims"), including but not limited to reasonable attorney's fees and economic or consequential damages arising in whole or in part out of the negligent act or omission of the contractor, and Subcontractor or anyone directly or indirectly employed by any of them. This agreement shall not be construed as giving MSA, the responsibility or authority to direct or supervise construction means, methods, techniques, sequence, or procedures of construction selected by the contractors or subcontractors or the safety precautions and programs incident to the work, the same being the sole and exclusive responsibility of the contractors or subcontractors.

9. **Standard of Care.** In conducting the services, MSA will apply present professional, engineering and/or scientific judgment, which is known as the "standard of care". The standard of care is defined as that level of skill and care ordinarily exercised by members of the same profession practicing at the same point in time and in the same or similar locality under similar circumstances in performing the Services. The OWNER acknowledges that "current professional standards" shall mean the standard for professional services, measured as of the time those services are rendered, and not according to later standards, if such later standards purport to impose a higher degree of care upon MSA.

MSA does not make any warranty or guarantee, expressed or implied, nor have any agreement or contract for services subject to the provisions of any uniform commercial code. Similarly, MSA will not accept those terms and conditions offered by the OWNER in its purchase order, requisition, or notice of authorization to proceed, except as set forth herein or expressly agreed to in writing. Written acknowledgement of receipt, or the actual performance of services subsequent to receipt of such purchase order, requisition, or notice of authorization to proceed is specifically deemed not to constitute acceptance of any terms or conditions contrary to those set forth herein.

10. **Municipal Advisor.** MSA Professional Services, Inc. is not acting as a 'Municipal Advisor' to the owner pursuant to Section 15B of the Exchange Act. For financial advice related to the corresponding project, the client is encouraged to discuss their finances with internal and/or external advisors and experts before making decisions incurring debt and/or supporting those obligations. MSA desires to serve each client well by providing the best information publicly available and is providing information as part of its engineering responsibilities to inform client options. The information is not intended to provide financial advice or recommendations and is not bound by the formal Municipal Advisor fiduciary duty.

11. **Conduct Expectations.** Owner and MSA understand their respective obligations to provide a safe, respectful work environment for their employees. Both parties agree that harassment on the job (unwelcome verbal, physical or other behavior that is related to sex, race, age, or protected class status) will not be tolerated and will be addressed timely and in compliance with anti-harassment laws.

12. Electronic Documents and Transmittals. Owner and MSA agree to transmit and accept project related correspondence, documents, text, data, drawings and the like in digital format in accordance with MSA's Electronic Data Transmittal policy. Each party is responsible for its own cybersecurity, and both parties waive the right to pursue liability against the other for any damages that occur as a direct result of electronic data sharing.

13. Building Information Modelling (BIM). For any projects, and not limited to building projects, utilizing BIM, OWNER and MSA shall agree on the appropriate level of modelling required by the project, as well as the degree to which the BIM files may be made available to any party using the Electronic Document Transmittal provisions of section 12 of this Agreement.

14. Construction Site Visits. If the scope of services includes services during the Construction Phase, MSA shall make visits to the site as specified in Attachment A– Scope of Services. MSA shall not, during such visits or as a result of such observations of Contractor's work in progress, supervise, direct or have control over Contractor's work nor shall MSA have authority over or responsibility for the means, methods, techniques, sequences or procedures of construction selected by Contractor, for safety precautions and programs incident to the work of Contractor or for any failure of Contractor to comply with laws, rules, regulations, ordinances, codes or orders applicable to Contractor's furnishing and performing the work. Accordingly, MSA neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform its work in accordance with the Contract Documents.

15. Termination. This Agreement shall commence upon execution and shall remain in effect until terminated by either party, at such party's discretion, on not less than thirty (30) days' advance written notice. The effective date of the termination is the thirtieth day after the non-terminating party's receipt of the notice of termination. If MSA terminates the Agreement, the OWNER may, at its option, extend the terms of this Agreement to the extent necessary for MSA to complete any services that were ordered prior to the effective date of termination. If OWNER terminates this Agreement, OWNER shall pay MSA for all services performed prior to MSA's receipt of the notice of termination and for all work performed and/or expenses incurred by MSA in terminating Services begun after MSA's receipt of the termination notice. Termination hereunder shall operate to discharge only those obligations which are executory by either party on and after the effective date of termination. These General Terms and Conditions shall survive the completion of the services performed hereunder or the Termination of this Agreement for any cause.

This agreement cannot be changed or terminated orally. No waiver of compliance with any provision or condition hereof should be effective unless agreed in writing and duly executed by the parties hereto.

16. Betterment. If, due to MSA's error, any required or necessary item or component of the Project is omitted from the construction documents, MSA's liability shall be limited to the reasonable costs of correction of the construction, less what OWNER'S cost of including the omitted item or component in the original construction would have been had the item or component not been omitted. It is intended by this provision that MSA will not be responsible for any cost or expense that provides betterment, upgrade, or enhancement of the Project.

17. Hazardous Substances. OWNER acknowledges and agrees that MSA has had no role in identifying, generating, treating, storing, or disposing of hazardous substances or materials which may be present at the Project site, and MSA has not benefited from the processes that produced such hazardous substances or materials. Any hazardous substances or materials encountered by or associated with Services provided by MSA on the Project shall at no time be or become the property of MSA. MSA shall not be deemed to possess or control any hazardous substance or material at any time; arrangements for the treatment, storage, transport, or disposal of any hazardous substances or materials, which shall be made by MSA, are made solely and exclusively on OWNER's behalf for OWNER's benefit and at OWNER's direction. Nothing contained within this Agreement shall be construed or interpreted as requiring MSA to assume the status of a generator, storer, treater, or disposal facility as defined in any federal, state, or local statute, regulation, or rule governing treatment, storage, transport, and/or disposal of hazardous substances or materials.

All samples of hazardous substances, materials or contaminants are the property and responsibility of OWNER and shall be returned to OWNER at the end of a project for proper disposal. Alternate arrangements to ship such samples directly to a licensed disposal facility may be made at OWNER's request and expense and subject to this subparagraph.

18. Insurance. MSA will maintain insurance coverage for: Worker's Compensation, General Liability, and Professional Liability. MSA will provide information as to specific limits upon written request. If the OWNER requires coverages or limits in addition to those in effect as of the date of the agreement, premiums for additional

insurance shall be paid by the OWNER. The liability of MSA to the OWNER for any indemnity commitments, or for any damages arising in any way out of performance of this contract is limited to such insurance coverages and amount which MSA has in effect.

19. Reuse of Documents. Reuse of any documents and/or services pertaining to this Project by the OWNER or extensions of this Project or on any other project shall be at the OWNER's sole risk. The OWNER agrees to defend, indemnify, and hold harmless MSA for all claims, damages, and expenses including attorneys' fees and costs arising out of such reuse of the documents and/or services by the OWNER or by others acting through the OWNER.

20. Indemnification. To the fullest extent permitted by law, MSA shall indemnify and hold harmless, OWNER, and OWNER's officers, directors, members, partners, consultants, and employees (hereinafter "OWNER") from reasonable claims, costs, losses, and damages arising out of or relating to the PROJECT, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself) including the loss of use resulting therefrom but only to the extent caused by any negligent act or omission of MSA or MSA's officers, directors, members, partners, employees, or Consultants (hereinafter "MSA"). In no event shall this indemnity agreement apply to claims between the OWNER and MSA. This indemnity agreement applies solely to claims of third parties. Furthermore, in no event shall this indemnity agreement apply to claims that MSA is responsible for attorneys' fees. This agreement does not give rise to any duty on the part of MSA to defend the OWNER on any claim arising under this agreement.

To the fullest extent permitted by law, OWNER shall indemnify and hold harmless, MSA, and MSA's officers, directors, members, partners, consultants, and employees (hereinafter "MSA") from reasonable claims, costs, losses, and damages arising out of or relating to the PROJECT, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself) including the loss of use resulting therefrom but only to the extent caused by any negligent act or omission of the OWNER or the OWNER's officers, directors, members, partners, employees, or Consultants (hereinafter "OWNER"). In no event shall this indemnity agreement apply to claims between MSA and the OWNER. This indemnity agreement applies solely to claims of third parties. Furthermore, in no event shall this indemnity agreement apply to claims that the OWNER is responsible for attorneys' fees. This agreement does not give rise to any duty on the part of the OWNER to defend MSA on any claim arising under this agreement.

To the fullest extent permitted by law, MSA's total liability to OWNER and anyone claiming by, through, or under OWNER for any cost, loss or damages caused in part or by the negligence of MSA and in part by the negligence of OWNER or any other negligent entity or individual, shall not exceed the percentage share that MSA's negligence bears to the total negligence of OWNER, MSA, and all other negligent entities and individuals.

21. Accrual of Claims. To the fullest extent permitted by Laws and Regulations, all causes of action arising under this Agreement will be deemed to have accrued, and all statutory periods of limitation will commence, no later than the date of Substantial Completion; or, if MSA's services do not include Construction Phase services, or the Project is not completed, then no later than the date of Owner's last payment to MSA.

22. Dispute Resolution. OWNER and MSA desire to resolve any disputes or areas of disagreement involving the subject matter of this Agreement by a mechanism that facilitates resolution of disputes by negotiation rather than by litigation. OWNER and MSA also acknowledge that issues and problems may arise after execution of this Agreement which were not anticipated or are not resolved by specific provisions in this Agreement. Accordingly, both OWNER and MSA will endeavor to settle all controversies, claims, counterclaims, disputes, and other matters thru mediation with a mutually agreed upon mediator. Demand for mediation shall be filed in writing with the other party to this Agreement. A demand for mediation shall be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event shall the demand for mediation be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations. Neither demand for mediation nor any term of this Dispute Resolution clause shall prevent the filing of a legal action where failing to do so may bar the action because of the applicable statute of limitations. If despite the good faith efforts of OWNER and MSA any controversy, claim, counterclaim, dispute, or other matter is not resolved through negotiation or mediation, OWNER and MSA agree and consent that such matter may be resolved through legal action in the court having jurisdiction as specified in this Agreement.

23. Exclusion of Special, Indirect, Consequential and Liquidated Damages. MSA shall not be liable, in contract or tort or otherwise, for any special, indirect, consequential, or liquidated damages including specifically, but without limitation, loss of profit or revenue, loss of capital, delay damages, loss of goodwill, claim of third parties, or similar damages arising out of or connected in any way to the Project or this contract.

24. Limitation of Liability. Neither MSA, its Consultants (if any), nor their employees shall be jointly, severally, or individually liable to the OWNER in excess of the amount of the insurance proceeds available.

25. Successors and Assigns. The successors, executors, administrators, and legal representatives of Owner and MSA are hereby bound to the other party to this Agreement and to the successors, executors, administrators and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement. Neither party may assign, sublet, or transfer any rights under or interest (including, but without limitation, claims arising out of this Agreement or money that is due or may become due) in this Agreement without the written consent of the other party, which shall not be unreasonable withheld, except to the extent that any assignment, subletting, or transfer is mandated by law.

26. Notices. Any notice required under this Agreement will be in writing, and delivered: in person (by commercial courier or otherwise); by registered or certified mail; or by e-mail to the recipient, with the words "Formal Notice" or similar in the e-mail's subject line. All such notices are effective upon the date of receipt.

27. Survival. Subject to applicable Laws and Regulations, all express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.

28. Severability. Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations will be deemed stricken, and all remaining provisions will continue to be valid and binding upon Owner and MSA.

29. No Waiver. A party's non-enforcement of any provision will not constitute a waiver of that provision, nor will it affect the enforceability of that provision or of the remainder of this Agreement.

30. State Law. This agreement shall be construed and interpreted in accordance with the laws of the State in which the project is located.

31. Jurisdiction. OWNER hereby irrevocably submits to the jurisdiction of the state courts of the State in which the project is located for the purpose of any suit, action or other proceeding arising out of or based upon this Agreement. OWNER further consents that the venue for any legal proceedings related to this Agreement shall be in the County, in which the project is located.

32. Understanding. This agreement contains the entire understanding between the parties on the subject matter hereof and no representations. Inducements, promises or agreements not embodied herein (unless agreed in writing duly executed) shall be of any force or effect, and this agreement supersedes any other prior understanding entered into between the parties on the subject matter hereto.

**ATTACHMENT A:
SCOPE OF SERVICES**

PROJECT UNDERSTANDING IS:

The "Project" involves the reconstruction of public utilities (sanitary, water, and storm) and street infrastructure along N. Grove Street (Park St. to E. Franklin St.), Park Street (N. Grove St. to N. Watertown St.), E. Franklin Street (N. Grove St. to N. Grove St.), and Roosevelt Street (N. Grove St. to N. Watertown St.) in the City of Waupun. See the exhibit below for an illustration of the proposed project areas.

The project is anticipated to include the following:

N. Grove Street and Park Street

- The City is pursuing Community Block Development Grant funding for these sections of the project.
- Replace existing sanitary sewer and water main with new 8" gravity sanitary sewer and 8" water main along with approximately 21 laterals from main to r/w line.
- Install new larger storm sewer and structures along this street to eliminate the existing storm sewer (shown above in yellow) within the private properties between Franklin St. and Roosevelt St. and re-route this storm runoff along N. Grove Street and Park Street.
- Reconstruct existing street with new gravel base, asphalt pavement, curb & gutter (both sides of street), and sidewalk (both side of street). Assume 31-feet wide from back of curb to back of curb with 50-feet r/w width.

E. Franklin Street

- Note this section of the project is not eligible for Community Block Development Grant funding. Bid as separate contract with the Grove/Park Street sections.
- No sanitary sewer or water replacement work anticipated for this section.
- Install new larger storm sewer and structures along this street to eliminate the existing storm sewer (shown above in yellow) within the private properties between Franklin St. and Roosevelt St. and re-route this storm runoff along N. Grove Street and Park Street.
- Reconstruct existing street with new gravel base, asphalt pavement, curb & gutter (both sides of street), and sidewalk (both side of street). Assume 31-feet wide from back of curb to back of curb with 50-feet r/w width.

Roosevelt Street

- Note this section of the project is not eligible for Community Block Development Grant funding. Bid as separate contract with the Grove/Park Street sections.
- Replace existing sanitary sewer and water main with new 8" gravity sanitary sewer and 8" water main along with approximately 16 laterals from main to r/w line.
- Replace existing storm sewer and structures along this street and abandon the existing storm sewer (shown above in yellow) within the private properties between Franklin St. and Roosevelt St.
- Reconstruct existing street with new gravel base, asphalt pavement, curb & gutter (both sides of street), and sidewalk (both side of street). Assume 31-feet wide from back of curb to back of curb with 50-feet r/w width.

Note that the engineering design work for this project will be split between two separate agreements (one agreement with the City of Waupun for storm sewer and street related engineering services and one agreement with Waupun Utilities for sanitary and water utility related engineering services). Based on the preliminary cost estimate dated 6/26/25 for this project, the sanitary & water construction

improvements represent approximately 40% of the project costs and the storm sewer and street construction improvements represent approximately 60% of the project costs. Therefore, the engineering design work for this project has been split respectively between Waupun Utilities and the City of Waupun (see cost summary below).

MSA proposes to provide the following scope of services. When OWNER or CITY is mentioned herein it should be construed to mean the City of Waupun, WI. When ENGINEER is mentioned herein it should be construed to mean MSA PROFESSIONAL SERVICES, INC. performing in the role of project representative for the Owner.

The Owner shall furnish any available pertinent project information for use by MSA. This may include reports, investigations, property descriptions, land use restrictions, development agreements, permits/approvals, easements, data from previous designs, concept maps, wetland delineations, architectural building plans, and any other information relative to the design and construction of the proposed improvements.

THE SCOPE OF THE WORK AUTHORIZED IS:

1. TOPOGRAPHIC DATA COLLECTION & BASE MAPPING

MSA shall provide topographic data collection of the project site to prepare a base map of existing conditions within the immediate area of the project limits (generally within 25 feet), which shall be used for all additional work. The proposed survey work includes the following basic services:

- a. Location of existing right-of-way survey markers, if visible and readily observable.
- b. Location, elevation, size, and type (as applicable) of existing public utility structures and piping systems (culverts, manholes, inlets, water valves/hydrants, storm sewer, sanitary sewer, and water main) as readily observable, as marked by contacting Digger's Hotline, or based on City system mapping. MSA will not be liable for issues resulting from mapping utilities that are not members of Digger's Hotline or from utilities that are incorrectly marked or not completely marked by the Digger's Hotline representative(s).
- c. Location of any private utility facilities within or adjacent to the project site (electric, telephone, natural gas, cable TV, fiber optic) as marked by contacting Digger's Hotline. MSA will not be liable for issues resulting from mapping utilities that are not members of Digger's Hotline or from utilities that are incorrectly marked or not completely marked by the Digger's Hotline representative(s).
- d. Location of other pertinent features such as: trees, fences, walls, poles, surface structures, driveways, and other related features as readily observable.

A base map of these existing conditions shall be prepared and shall include ground contours at a 1-foot interval across the project site as well as other pertinent features as described above. The base map of existing conditions shall be used for the subsequent design work.

2. ROAD RIGHT-OF-WAY ESTABLISHMENT

MSA shall provide research at the County Register of Deeds, field work, and drafting to establish the road right-of-way along the project areas, which shall be included in the base map of existing conditions noted above.

3. ENGINEERING PLAN PREPARATION

MSA shall prepare engineering plans for the proposed utility and street reconstruction improvements. Using the topographic data of the existing site conditions and City staff input, engineering plan sheets depicting the following shall be prepared:

- i. Existing Site Conditions & Erosion Control Plan depicting existing site conditions and proposed erosion control measures required by the applicable approval agencies.
- i. Utility Plan & Profile depicting location, size, and elevation of the proposed public sanitary sewer, water, and storm sewer utilities that will be reconstructed within the project areas. Layout and design of other utilities (electric, gas, telephone, street lighting, etc.) are assumed to be performed by others and are not included in this contract.
- ii. Street Plan & Profile depicting location, size, and elevation of proposed street improvements, including a typical cross-section. It shall also show basic (grass lawn) site restoration details. If specific landscaping plantings and a detailed landscaping plan are required as a part of regulatory approvals, the details of this work effort shall be provided by others or provided by MSA as additional services.
- iii. Construction Details Plan depicting various details for construction clarification purposes and street cross-section sheets.

MSA shall submit a copy of the preliminary engineering plans (in PDF format) to the City staff for their review and comments. MSA shall attend one meeting with the City staff to review the preliminary plans, discuss any site construction constraints, review any applicable design requirements, and discuss staff comments/concerns.

MSA shall finalize the plans based upon the comprehensive comments received. The City shall provide MSA with fire flow data for the existing water system surrounding the project area. MSA shall also coordinate the final design with affected private utilities (electric, telephone, natural gas, and cable television) as applicable. MSA shall attend one meeting with the City staff to review the final construction plans and receive final comments and approval to proceed with bidding and permitting related tasks.

Deliverables: One electronic (PDF format) version of the preliminary plan set.
One electronic (PDF format) version of the final plan set.

4. PUBLIC INFORMATIONAL MEETING

MSA shall prepare exhibits and attend one public informational meeting at a date and time mutually agreed upon with the City staff to review the proposed project with any interested businesses or property owners adjacent to the project areas. It is assumed that the City staff will handle all notification and coordination of the meeting.

5. PROJECT SPECIFICATIONS

MSA shall prepare project specifications to local requirements and reference the current State of Wisconsin Specifications for Sewer and Water Main Construction as well as the State of Wisconsin Specifications for Highway and Structure Construction. The specifications shall also include work items and estimated quantities for the site improvements, which shall be used for bidding purposes.

Deliverables: One electronic (PDF format) of the project specifications.

6. PROJECT PERMITTING

MSA proposes to complete the following permitting related services that are anticipated for this project.

- a. Submit permit applications on behalf of the City to the applicable review agencies. Anticipated permits are as follows:
 - i. WDNR WRAPP permit for site disturbance over 1-acre (City portion)
 - ii. WDNR public sanitary sewer extension permit (Utilities portion)
 - iii. WDNR public water extension permit (Utilities portion)

All permit and review fees shall be the responsibility of the client and are not included in the fees shown herein. MSA will request a check from the client for the fee amount when it has been determined prior to submittal. Any other permits not specifically listed as included within this contract are assumed to be by others or can be performed by MSA as an extra to this contract.

Deliverables: Permit applications filled out on behalf of the Owner for the permits listed above.

7. BIDDING RELATED SERVICES

Assist the Owner during the bidding process as follows.

- a. Prepare an advertisement for bid and provide to Owner for publication in official newspaper.
- b. Assist Owner in advertising for and obtaining bids or proposals for the Work and, where applicable, maintain a record of prospective bidders to whom Bidding Documents have been issued, attend pre-bid conferences, if any, and

- receive and process contractor deposits or charges for the bidding documents.
- c. Coordinate the distribution of the bid documents to perspective bidders, subcontractors and suppliers.
 - d. Answer bidder's questions and issue addenda as appropriate to clarify, correct, or change the bidding documents.
 - e. Conduct a public online bid opening, compile the bid results and make a recommendation for the award of the construction contract to the Owner.
 - f. Assist the Owner with the preparation and execution of a construction contract (including performance bonds, payment bonds, and insurance certificates).

Deliverables: One electronic (PDF format) version of the ad for bid.
One electronic (PDF format) version of the bid summary and the recommendation for award of the construction contract.

8. CONSTRUCTION ADMINISTRATION SERVICES

Provide construction administration services as directed by the City staff, which may include (but is not limited to) the following:

- a. Conduct a preconstruction conference with the contractor(s), representatives of the Owner, resident field engineer, project manager, and other affected service utilities as applicable. (assume one 1-hour meeting)
- b. Review and approve shop drawings and submittals as applicable.
- c. Confer with the Owner in preparing, administering and accepting change orders and field modifications. (assume 1 change order)
- d. Review the contractor's periodic payment requests and make a recommendation to the Owner for payment. (assume 4 pay requests)
- e. Assist the Owner with the construction contract closeout documentation.
- f. Prepare construction record drawings of the completed utility improvements (sanitary sewer, water, and/or storm sewer).

9. CONSTRUCTION STAKING SERVICES

Provide construction staking for alignment and grade for the proposed site improvements as directed by the City staff on a time and expense basis.

Assume staking for sanitary sewer utility work, water utility work, storm sewer utility work, and street curb & gutter only. Additional staking required because of lost or damaged stakes during construction or staking in addition to what is described above can be provided as an additional cost. Staking will require a 72-hour prior notice.

10. CONSTRUCTION OBSERVATION SERVICES

Provide the services of a Resident Project Representative (RPR) to observe the activities of the construction contractor, provide quality assurance testing, etc. as directed by the City staff on a time and expense basis. Services include travel time to/from the site, onsite observation time, documentation, record keeping, and reimbursable expenses). Also conduct a final site visit with the City staff and the Contractor. Prepare a punch list of items to be corrected and/or completed. Provide a follow-up check to see that all punch list items are successfully completed.

ASSUMPTIONS & CONDITIONS OF SERVICE:

1. MSA is not responsible for the timeliness or outcome of agency reviews or approvals.
2. Fees charged by agencies for plan review, inspection, or other purposes are the sole responsibility of the client including fees for bid advertisement and public notices, if required.
3. Payment is expected in accordance with the "Prices and Terms of Payment" section of our standard contract. In addition to the provisions set forth therein, MSA Professional Services, Inc. reserves the right to stop work any time after balances are more than 30 days past due and all other efforts are exhausted to resolve any conflicts or disputes.
4. If work is requested of MSA that is not included in the Scope of Services herein, or is a change to work in progress, MSA shall notify the Owner of the change in scope and the Owner shall provide written (letter, email, contract amendment, etc.) authorization to proceed prior to starting the work.
5. All work will be done in accordance with the terms and conditions set forth in the contract. Items not specifically mentioned in the scope of services are not a part of this contract.
6. Additional meetings not mentioned in the enclosed scope of services will be attended by MSA staff when requested by the client on a time and expense basis as additional work.
7. It is assumed that MSA will not be involved in acquisition of any additional property from adjacent land owners and that the project area does not impact any wetlands, floodplains, environmentally sensitive areas, contaminated soils, hazardous materials, endangered species habitat, cultural/historical sensitive areas, or involve high bedrock, and/or groundwater issues unless specifically indicated in the scope of work. If additional investigation into any of these items or if testing performed by a sub-consultant is required, it shall be provided by others or provided by MSA as additional services.
8. MSA assumes no liability for the project's compliance with local zoning, land use, and shoreland ordinances. No platting, parcel subdividing, easement description preparation, etc. is included in this contract. These items shall be provided by others or provided by MSA as additional services.
9. This proposal assumes that the layout and location of the improvements will be

adhered to throughout the project once provided (or approved) by the Owner and that no major changes will be made during the course of the work. If changes are made, MSA will provide the client with an estimated fee for inclusion of the changes into the plans and will require the client's authorization of the additional fee prior to making any change.

10. Other design services (storm water management ponds, earthwork calculations, retaining walls, site lighting, cross-section sheets, etc.) not specifically mentioned in this proposal or any offsite design will be completed by others or by MSA as additional services.
11. This scope of service is premised upon one prime contract for the construction. If more than one prime contract is awarded, or the work phased or segmented somehow, MSA shall be entitled to an equitable increase in compensation.

FEE SCHEDULE SUMMARY:

<u>TASK</u>	City of Waupun <u>Eng. Fee Split</u>	Waupun Utilities <u>Eng. Fee Split</u>
1. Topographic Data Collection & Base Map	\$ 9,910	\$ 6,610
2. Road Right-of-Way Establishment	\$ 2,380	\$ 1,580
3. Engineering Plan Preparation	\$ 38,170	\$ 25,450
4. Public Informational Meeting	\$ 2,170	\$ 1,450
5. Project Specifications	\$ 2,390	\$ 1,590
6. Project Permitting	\$ 1,090	\$ 2,740
7. Bidding Related Services	\$ 1,820	\$ 1,210
8. Construction Administration Services	Per Diem As Directed By City Staff

10. Construction Observation Services	Per Diem As Directed By City Staff	
=====		
SUBTOTAL	\$ 57,930	\$ 40,630

The retainer amount required is: None

THE SCHEDULE TO PERFORM THE WORK IS:

Once authorization to proceed is provided by a signed agreement (assume in early Feb. 2026), MSA can begin work related to this project immediately. The anticipated project schedule is as follows:

- Topo survey, soil boring, preliminary design work: Feb. – April 2026
- Preliminary design meeting with City staff: Late April 2026
- C.D.B.G. application submittal: Mid-May 2026
- C.D.B.G. application results received: Aug. – Sept. 2026
- If awarded, proceed with final design engineering: Jan. – Oct. 2027
- Public Info Meeting: Oct. 2027
- Bidding related services: Dec. 2027
- Construction of project: Spring – Fall 2028

AGENDA SUMMARY SHEET

MEETING DATE: 2/10/26

TITLE: City of Waupun New Housing Fee Report for Calendar Year 2025

AGENDA SECTION: CONSIDERATION-ACTION

PRESENTER: Kathy Schlieve, Administrator

DEPARMTENT GOAL(S) SUPPORTED <i>(if applicable)</i>	FISCAL IMPACT	
Economic Vitality	--	

ISSUE SUMMARY:

Section 66.10014 of the Wisconsin Statutes requires that we annually publish a Housing Fees Report to our website. The attached is the report compiled by staff for 2025.

STAFF RECOMMENDATION:

Adopt as presented

ATTACHMENTS:

2025 Housing Fees Report

RECOMMENDED MOTION:

Motion to adopt the City of Waupun New Housing Fee Report for Calendar Year 2025

City of Waupun New Housing Fee Report

For 2025 Calendar Year

Adopted: XX/XX/2026

Background

This report is written to satisfy the requirements as outlined in Section 66.10014 of the Wisconsin Statutes. Section 66.10014 reads as follows:

- (1) In this section, “municipality” means a city or village with a population of 10,000 or more.
- (2) Not later than January 1, 2020, a municipality shall prepare a report of the municipality's residential development fees. The report shall contain all of the following:
 - (a) Whether the municipality imposes any of the following fees or other requirements for purposes related to residential construction, remodeling, or development and, if so, the amount of each fee:
 1. Building permit fee.
 2. Impact fee.
 3. Park fee.
 4. Land dedication or fee in lieu of land dedication requirement.
 5. Plat approval fee.
 6. Storm water management fee.
 7. Water or sewer hook-up fee.
 - (b) The total amount of fees under par. (a) that the municipality imposed for purposes related to residential construction, remodeling, or development in the prior year and an amount calculated by dividing the total amount of fees under this paragraph by the number of new residential dwelling units approved in the municipality in the prior year.
- (3)
 - (a) A municipality shall post the report under sub. (2) on the municipality's Internet site on a web page dedicated solely to the report and titled “New Housing Fee Report.” If a municipality does not have an Internet site, the county in which the municipality is located shall post the information under this paragraph on its Internet site on a web page dedicated solely to development fee information for the municipality.
 - (b) A municipality shall provide a copy of the report under sub. (2) to each member of the governing body of the municipality.
- (4) If a fee or the amount of a fee under sub. (2) (a) is not properly posted as required under sub. (3) (a), the municipality may not charge the fee.

Process and Data Sources

Community & Economic Development staff prepared this report for the calendar year ending December 31, 2025 using the adopted City of Waupun Fee Schedule, permit/development records maintained by the Building Inspector and the Department of Public Works, and adopted City of Waupun Ordinances. This report has been posted on the City's website (www.cityofwaupun.org) and has been shared with the City of Waupun City Council. For record keeping purposes, projects are reported in the year in which they were permitted (approved). Projects approved in prior calendar years but completed and occupied in 2025 are not included in this report.

Residential Fee List

The City of Waupun imposes the following fees or other requirements for purposes related to residential construction, remodeling, or development. Only fees the City sets/collects are included in this report. Fees set by others, such as sanitary and utility districts, county, etc., are not included in this report. A complete copy of the municipal fee schedule is included in Appendix A. Table 1 lists the residential development fees collected for 2025.

Table 1: Residential Development Fees (2025)

Building permit fee	Impact fee	Park fee	Land dedication or fee in lieu of land dedication requirement	Plat approval fee	Final plat approval fee	Storm water management fee	Water or sewer hook-up fee
\$500.00 Base + \$0.28/SF (Minimum \$1,000.00)	N/A	N/A	N/A	N/A	N/A	No fee. Developer uses their own contractor to make connections. Waupun Utilities inspects connections.	No fee. Developer uses their own contractor to make connections. Waupun Utilities inspects connections.

Calculations

Section 66.10014(2)(b) states, “The total amount of fees under par. (a) that the municipality imposed for purposes related to residential construction, remodeling, or development in the prior year and an amount calculated by dividing the total amount of fees under this paragraph by the number of new residential dwelling units approved in the municipality in the prior year.”

The total amount of fees that the City of Waupun imposed for residential construction, remodeling, or development in 2025 is listed in Table 2. The average fee collected per permit has been calculated by dividing the total amount of fees collected by the number of permits issued. A full listing of all permits issued in 2025 can be found in Appendix B.

Table 2: Residential Development Fees Collected in 2025

Permit Type	# of Permits Issued	Total Permit Fees Collected	Avg. Fee Collected /Permit
Single Family Dwelling Units	4	\$8,721.84	\$2,180.46
Multi-Family Dwelling Units	5	\$39,746.30	\$7,949.26
Mobile Home Units	0	\$0	\$0
Residential Housing Additions & Remodel	153	\$31,294.76	\$204.54
Total Fees Permit Fees Collected		\$79,792.90	

Exclusions

This report was prepared in order to meet requirements enacted by 2017 WI Act 243 in Wis. Stat. 66.10014. As such, it does not include the most significant costs of residential development, including the cost of land, the cost of infrastructure, the cost of labor, and the cost of building materials.

Appendix A – Municipal Fee Schedule

FEE SCHEDULE (EFFECTIVE 1/1/2023)	
City of Waupun Will include a \$45 Administrative Fee on all building permits	
Permit fees double if work commenced without permit.	
MINIMUM FEE	\$50.00
RESIDENTIAL - NEW 1 & 2 FAMILY DWELLINGS	
Building, Plumbing, Electric, & HVAC	\$500.00 Base + \$0.28/SF (Minimum \$1,000.00)
UDC Seal	\$40.00 (Fee subject to Change)
Bond (Returned after Occupancy)	\$1,000.00
Erosion Control	\$50.00
Plan Review	INCLUDED
Occupancy Permit	\$50.00
Zoning	\$100.00
RESIDENTIAL ADDITIONS	
Building (Ftg, Fndn, Floor, Frame, Insul, Final)	\$0.16/SF (Minimum \$300.00)
Plumbing	\$0.04/SF (Minimum \$80.00)
Electric	\$0.04/SF (Minimum \$80.00)
HVAC	\$0.04/SF (Minimum \$80.00)
Erosion Control	\$50.00
Plan Review	INCLUDED
Bond (Returned after Occupancy) (Required for Additions over 500 SF)	\$1,000.00
Occupancy Permit	\$50.00
Zoning	\$75.00
RESIDENTIAL REMODELS	\$6.00 Per \$1,000 Construction Cost
RESIDENTIAL GARAGES/ACCESSORY (NEW & ADDITIONS)	
Building	\$0.14/SF (Minimum \$100.00)
Plumbing	\$0.04/SF (Minimum \$80.00)
Electric	\$0.04/SF (Minimum \$80.00)
HVAC	\$0.04/SF (Minimum \$80.00)
Erosion Control	\$50.00
Plan Review	INCLUDED
Occupancy Permit	\$50.00
Zoning	\$50.00
MISCELLANEOUS	
Electrical Service	\$80.00
Laterals	\$60.00
Replace Furnace or AC	\$50.00
Plumbing Remodel	\$50.00 or \$8.00 per fixture
Early Start (Footings & Foundation Only)	\$100.00 or \$0.03/SF (whichever is greater)
Decks (2-3 Inspections @ \$50 Each)	\$100.00 - \$150.00

Permanent Swimming Pools (Provide site plan)	\$50.00
Prefabricated Sheds (Provide site plan)	\$50.00
Fences (Provide site plan)	\$50.00
Signs	Base \$50.00 + \$0.50/SF Each Face
Zoning (Swimming Pools, Fences, Signs, Decks, Sheds)	\$50.00
Chicken Coop & Run	\$50.00
AGRICULTURAL	
Building	\$0.14/SF (Minimum \$100.00)
Plumbing	\$0.04/SF (Minimum \$80.00)
Electric	\$0.04/SF (Minimum \$80.00)
HVAC	\$0.04/SF (Minimum \$80.00)
Erosion Control	\$50.00
Plan Review	INCLUDED
Occupancy Permit	\$50.00
Zoning	\$50.00
MULTI-FAMILY, ASSISTED LIVING, NURSING HOMES, COMMERCIAL & INDUSTRIAL (NEW, ADDITIONS, AND REMODELS)	
Building	Base Fee \$100.00 + \$0.20/SF (Min. \$500.00)
Plumbing	Base Fee \$60.00 + \$0.06/SF (Min. \$80.00) OR \$8.00 per Fixture (whichever is greater)
Electric	Base Fee \$60.00 + \$0.06/SF (Min. \$80.00) Or \$1.25 per Opening (whichever is greater)
HVAC	Base Fee \$60.00 + \$0.06/SF (Min. \$80.00)
Fire Protection - Sprinkler	Base Fee \$60.00 + \$0.04/SF (Min. \$80.00) OR \$1.00 per Head (whichever is greater)
Erosion Control	See DPW Fee Schedule
Bond (Returned after Occupancy)	Under 10,000 SF - \$1,500.00 Over 10,001 SF - \$3,000.00
Remodels	\$6.00 per \$1,000 Construction Cost
Occupancy Permit	\$100.00
Plan Review	Under 10,000 SF - \$100.00 Over 10,001 SF - \$200.00
Zoning	\$200.00
Building Plan Review for Approval - Under 50,000 CF	Per DSPS Fees
Note: Over 50,000 CF, Plan Approval must be completed by DSPS	
DEMOLITION	
Residential Dwelling	\$100.00
Accessory/Garage/Agricultural	\$50.00
Commercial/Industrial Building	\$300.00
MOVING	
Principal Building	\$200.00
Garage/Accessory/Agricultural	\$100.00

City of Waupun Municipal Ordinance

Chapter 7 – STREETS AND SIDEWALKS

Section 7.05 STREETS AND SIDEWALKS EXCAVATIONS AND OPENINGS

(1) PERMIT REQUIRED

- (a) No person shall make, direct or cause to be made any excavation or opening in any street, alley, highway, sidewalk or other public way within the City without first obtaining a permit from the Director of Public Works.
- (b) Except as otherwise provided here, the City shall charge an application fee of \$15.00 for each permit issued under this section. A permit shall be required but no permit fee shall be charged if the permit is obtained pursuant to an order of the City of Waupun requiring sidewalk replacement or reconstruction. A permit shall be required but no separate or additional permit fee shall be charged if the permit is issued in conjunction with a building permit where the excavation or opening is ancillary to the project for which the building permit is issued.
- (c) Any person who violates any provision of this section shall be subject to the forfeiture provisions identified in Section 18.04 of this Code. In addition, any contractor who makes an excavation or opening in violation of this subsection without first ensuring that the appropriate permit has been issued shall be subject to the forfeiture provisions identified in Section 18.04 of this Code.

About this item

- 🔧 **【AUTEL ROBOTICS USA AUTHORIZED】** We are the longest and largest distributors of Autel Robotics. Over the years, we have maintained a close partnership with Autel, providing customers with high-quality products and excellent tech service. With extensive experience and strong technical expertise in this industry, we are able to offer customized solutions and professional technical support to our customers. All the products we offer include FULL USA WARRANTY. Pls contact autelofficial@outlook.com
- 🏆 **【2026 NEWEST VERSION 3】** Compared to Version 2, 2026 NEW Version 3 of Autel EVO II Dual 640t enterprise has a fully improved high-quality imaging system, upgraded 15km (9.3 miles) image transmission range, and additional modular accessories(strobe/spotlight/loudspeaker) help you meet a variety of use cases including inspection, search and rescue, mapping, public safety, firefighting and more.
- 🔥 **【A NEW GENERATION OF THERMAL IMAGING SENSOR FOR MULTIPLE TEMP MODES】** Autel EVO II Dual 640T Enterprise V3 thermal imaging sensor has a resolution of up to 640x512@30 fps. It also comes with a 13mm lens, 16x digital zoom, and is capable of recognizing subjects at distant. The built-in infra-red sensors and high-speed processors, provides a variety of temperature measurement functions, easy to catch data: Spot/Regional/Central/Temperature Alarm/Isotherm/Image Enhancement.
- 📷 **【ALL DETAILS CAPTURED BY VISIBLE CAMERA】** The 0.8-inch RYYB CMOS sensor and Moonlight Algorithm 2.0 suppress image noise in limited-lighting conditions, making target location, identification, and classification easier than ever. Also paired with the 50 megapixel camera, EVO II Dual 640T ENT V3 helps you capture every picture detail.
- 🎮 **【SKYLINK 2.0 PLUS 7.9-INCH TOUCH SCREEN V3 SMART CONTROLLER】** Autel EVO II Dual 640t Enterprise V3 is
