

The Waupun Business Improvement District will meet In-person, virtual, and teleconference. Instructions to join the meeting are provided below: Virtual: https://us02web.zoom.us/j/83626747403?pwd=eTM3V2RtMjJyRDRxYTQ5TXpZdnFJZz09 Meeting ID: 836 2674 7403 Passcode: 857325 Phone: 312 626 6799 US (Chicago)

# CALL TO ORDER:

# **ROLL CALL OF BOARD MEMBERS:**

## **CONSIDERATION/ACTION:**

- 1. Approve Minutes from August 15, 2023 BID Meeting
- 2. Approve August 2023 BID Financials

## PRIOR OUTSTANDING APPLICATIONS: (if expired, possible extension or cancellation)

3. Review Outstanding Applications

## **NEW APPLICATIONS FOR REVIEW AND CONSIDERATION:**

- 4. Consider Application for 4 Fond du Lac Street (John Karsten Real Estate)
- 5. Consider Application for 42 Fond du Lac St (Maedox Accounting & Tax Service)
- 6. TABLE Application for 321 E Main St (Firefly Gifts)
- 7. Consider Application for 16 S Madison Street (Gappa Properties)

## **DISCUSSION ITEMS:**

- 8. Discuss Increase to BID Assessment Rate
- 9. Discuss 2024 BID Operating Plan
- 10. Waupun Business Alliance Update
- 11. City Administrator Update

## **ADVANCED PLANNING:**

## ADJOURNMENT:

*Upon reasonable notice, efforts will be made to accommodate disabled individuals through appropriate aids and services. For additional information, contact the City Clerk at 920-324-7915.* 

Meeting called to order at 7 a.m. by chairperson Krista Bishop.

Roll call taken. Member present: Gary DeJager, Rich Matravers, Craig Much, Jodi Mallas, Tyler Schulz, and Krista Bishop. Mitch Greenfield. Absent and excused are Teresa Ruch and Kate Bresser. Also present Administrator Schlieve, Assistant Administrator Langenfeld, as well as Janelle Kartechner, Steven Chmielewski, and CDA members Mayor Bishop, Derek Drews, Jill Vanderkin and Cassandra VerHage.

Motion Schulz, second Matravers to approve minutes of June 20, 2023 BID meeting. Carried unanimously.

Administrator Schlieve discussed current budget in relation to the work plan, noting that applications have been strong and that the BID will deplete their funds and be unable to allocate money to a pop up program this year. Schlieve notes that there is opportunity to run this program this year. Motion DeJager, second Greenfield to approve financials for June and July 2023. Carried unanimously.

Administrator Schlieve notes that all projects are in process and no extensions are needed at this time.

Administrator Schlieve notes that the application for 42 Fond du Lac St is incomplete because the property owner has been unable to get a formal quote from his vendor. Peters & Associates was recently acquired by Maedox Tax & Accounting and the owner is remodeling the building to accommodate more staff. The current monument sign and window decals will be replaced. Krista Bishop recommends tabling the agenda item until a completed application is submitted and the group reaches consensus on the recommendation. No action is taken.

BJ Yohn is present to explain the projects for 14, 16 and 20 W Main Street. The front awning will be removed and each of the three businesses (Edward Jones, State Farm, and B&B Plumbing) will add a canvas awning with their branding to improve the professional appearance of the building. Motion Schulz, second Much to approve each business application as a matching grant capped at \$2,000 each for a total of \$6,000. Carried unanimously.

No one is present from the Waupun Business Alliance to provide an update. Administrator Schlieve notes that there are several training and networking events and informs the group that information on each is shared with the Downtown Business Owner's Facebook group.

Administrator Schlieve explains the purpose of the Waupun Fire & Emergency Response Staffing study and encourages the group to complete the community survey that can be found on the City's Facebook page and website. Schlieve also announces that the ground breaking for the Senior Center will be September 26, 2023, at 2 p.m. Costs for construction exceeded the initial budget and the city has entered a fundraising campaign to fully fund the project. An overview of the facility and facility sponsorship opportunities is provided.

Jodi Mallas provides an overview of IceFest Winter Festival planned for February 2024. The festival is design to include businesses across Waupun and drive traffic during the slow months of the year. Mallas notes that businesses will be approached to sponsor ice carvings for the event.

Steve Chmielewski with UW Extension provided an update on the Design WI Project planned in Waupun on September 18 and 19. A meeting with the initial planning team will be held on August 23 at 10 a.m. via Zoom. Teams of people will be conducting business interviews from now until the event and there is a community survey launching in the near future to gather community feedback that will be used in the design process. The city is currently working with the school district to secure a group of teens to work with our group and provide input. Schlieve will publish a full schedule in the near future once a final meeting location is determined.

Krista Bishop asked that we plan to discuss increasing the assessment at a future meeting, noting that costs for projects continue to rise.

Motion Greenfield, second Matravers to adjourn the meeting. Carried unanimously. Meeting adjourned at 7:36 a.m.

Mike-

I sent a guy down there earlier this week to get a good idea of what we're dealing with and more accurate measurements.

I have printed the logos for the door and the interior wall already. I'm not sure what else you want on the door? looks like some was done already?

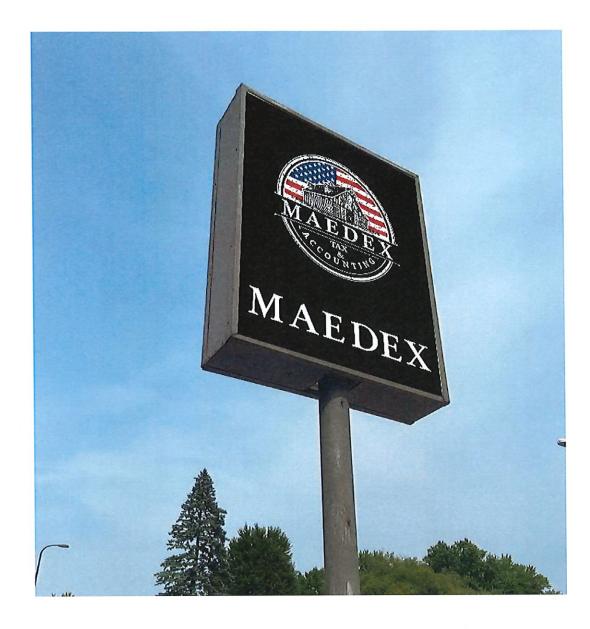

What I have printed will go on outside of door for better visibility, as in your FdL location.

For the pilon sign, re-lettered as shown & installed- \$624 For the window & door graphics and interior logo, installed \$314

The 30-4" decals have also been printed, they are \$36

+ tax.
Let me know. I expect we will be working on this next week.
As you know, you caught us at a time where we are severely backed up.
Thanks!
-John Papenheim

Business Improvement District

August 5, 1988

#### INTRODUCTION

On April 6, 1984, the State of Wisconsin passed a law (Act 184) which allows for the creation of Business Improvement Districts. The law which governs the creation, operation, and termination of business improvement districts is established under Section 66.608 of the Wisconsin Statutes. The purpose of the law is to authorize cities, villages, and towns to create one or more business improvement districts; to allow businesses within those districts to develop, manage, maintain, and promote their districts; and to establish an assessment method to fund these activities. A BID must be a geographic area within a municipality consisting of contiguous parcels which are subject to general real estate taxes.

The formation of a business improvement district allows downtowners (business people, property owners, merchants, city officials and others) to determine what needs to be done to upgrade and strengthen downtown and pay the cost of doing it, in whole or in part. It is a way for downtowners to determine what they want and to finance it. An improved business district will create a positive image for those within the district, as well as, the community as a whole.

A BID is the best available method for business people to organize, coordinate marketing and promotional efforts, provide management, and maintenance programs, and encourage business development. It affords property owners and business people a very real role in directing those activities within the district which influence their investment and environment. It also insures that all beneficiaries of District programs participate in the funding of the programs.

The creation of a business improvement district in the City of Waupun will continue the efforts of government officials, Project R.E.S.C.U.E., Inc., business and industry leaders, and community members to revitalize the central business area, thereby, ensuring economic vitality for the community.

# 1989 BID OPERATING PLAN

BID OBJECTIVES

The proposed Business Improvement District and the Initial Operating Plan are a continuation of community efforts in upgrading and advancing the downtown business area. The BID objectives set forth are those determined as necessary to achieve the goals of revitalization, thereby, ensuring the development, improvement and promotion of the downtown area for the economic benefit of all businesses within the District, as well as, the general social and economic benefit of the City of Waupun and its visitors.

\* To market the Waupun business district through coordinated promotional and advertising programs.

\* Upgrade the physical appearance of downtown shopping and public areas creating an attractive setting for shoppers and citizens.

\* Develop informational and educational programs to show the public of the advantages of shopping in the downtown area.

\* Coordinate programs for educational, technical and training assistance for downtown merchants to improve their retail strategies and to promote a positive image of themselves in the community.

\* To develop and implement a business recruitment plan for downtown Waupun.

ORGANIZATION

Upon creation of the Waupun Business Improvement District by the city, the Mayor shall appoint the members of the District Board subject to confirmation by the Common Council.

This plan proposes that the BID Board be composed of ten (10) members being represented by the Board of Directors of Project R.E.S.C.U.E., Inc.

6 - Representatives from the BID District4 - Representatives-At-Large

The Board of Directors shall be responsible for the management of the Business Improvement District in conjunction with the policies, programs, and activities of Project R.E.S.C.U.E., Inc. Responsibilities of the Board include implementing the operating plans and preparing annual reports on the District. The Board will also annually consider and make changes to the operating plan and submit the operating plan to the Common Council for approval. The B id will conduct its busine, consistent with the open meeting law and keep minutes as a matter of public record.

#### OPERATIONS

During its first year, the Downtown Waupun Business Improvement District will carry out the proposed program of activities as listed. Included are the expenditures associated with each activity. These projected costs include all services related to program development, materials and management. All proposed expenditures regarding physical improvements shall be spent within the Business Improvement District.

	PROPOSED	1989	B.I.D.	PROGRAM/BUDGET	 DOWNTOWN	WAUPUN
Tota	al BID Budge	et			\$13,1	75
1.	Downtown Be	eauti	ficatio	n	\$8 <b>,</b> 7	85

\*Plan/Objective\* Upgrade the physical appearance of downtown shopping and public areas creating an attractive setting for shoppers and citizens. Possible purchase of vacant lot for the development of a green area serving both to beautify the downtown area and to be used as a walkway between parking and downtown store fronts. The operating plan is part of the overall commitment of enhancing the appearance of downtown, in conjunction with future proposed projects, such as ornamental street lighting, banners, greenery, signage to create a uniquely defined business area that is appealing to shoppers.

#### 2. Marketing/Promotion

\*Plan/Objective\* In conjunction with the creation of the Downtown Business Association, a marketing strategy to promote and enhance the downtown business image and to highlight the positive effects of shopping downtown. To market the Waupun business district through coordinated promotional and advertising programs. Develop informational and educational programs to show the public of the advantages of shopping in the downtown area.

3. Business Training

\$ 878

\$ 1,756

Plan/Objective-Coordinate programs for educational, technical and training assistance for downtown merchants to improve their retail strategies and to promote a positive image of themselves in the community.

#### 4. Business Recruitment

\$ 1,756

\*Plan/Objective\* Develop a business recruitment packet for downtown. Target prospects (consists of, but not limited to, inperson and telephone business recruitments, mailings, advertisements, targeted promotions.) To develop and implement a business recruitment plan for downtown Waupun.

#### RELATIONSHIP TO DOWNTOWN PLANNING

In 1987 the Common Council adopted the City of Waupun Comprehensive Plan, as prepared by Mid-America Planning Services, Inc., Madison. The "Plan" addresses the priorities the public set forth at a public hearing listing the deterioration of the downtown as major concern. The recommendation by M.A.P.S. is to revitalize downtown under: 1.) the administration and direction of Project R.E.S.C.U.E., Inc. and 2.) the formation of a Business Improvement District (BID).

Therefore, the Business Improvement District is being created as a public-private sector initiative that is consistent with and critical to the successful implementation of the Comprehensive Plan for the City of Waupun.

# BID DESCRIPTION/ASSESSMENT METHOD/FINANCING/EXEMPTIONS

The Waupun Business Improvement District was established through the consideration of properties that would benefit from the program. The proposed District map is attached as part of the operating plan.

Assessments to meet the BID budget will be levied against each property within the District based on its assessed valuation. Those properties which are used for commercial purposes will be eligible for assessment. Real property used exclusively for residential and manufacturing purposes will not be assessed as required by Wisconsin Statute 66.608.

The method of financing of all estimated expenditures will come exclusively from the assessment method based on the assessed valuation of each property. The payment of incurred costs will be made on a cash basis when assessments are collected.

# AGENDA SUMMARY SHEET

MEETING DATE: September 19, 2023

TITLE: Discuss Increase to BID Assessment Rate

AGENDA SECTION: Discussion

**PRESENTER:** Kathy Schlieve, Administrator

<b>DEPARMTENT GOAL(S) SUPPORTED</b> (if applicable)	FISCAL IMPACT	
Economic Vitality	N/A	

#### **ISSUE SUMMARY**

In follow up to advanced planning from August 15, 2023 BID meeting, this agenda item is focused on discussion to increase the assessment rate for BID, beginning in 2024. BIDs are governed under Wis. Stat. 66.1109. 66.1109 (3) (b) defines that the BID board shall annually consider and may make changes to the operating plan for its business improvement district. The board shall then submit the operating plan to the local legislative body for its approval. If the local legislative body disapproves the operating plan, the board shall consider and may make changes to the operating plan and may continue to resubmit the operating plan until local legislative body approval is obtained. <u>Any change to the special assessment method applicable to the business improvement district shall be approved by the local legislative body.</u>

**RECCOMENDED MOTION:** 

# Wisconsin Business Improvement Districts - BIDS Fact Sheet No. 9

# **Local Government Education Program**

*Charles S. Law, Ph.D., Community Planning and Design Specialist September 2012* 

# Introduction

Since 1992, the University of Wisconsin-Extension (UWEX) has requested information on assessment methods, revenues, expenditures, district programs and activities, and staffing for all of the Business Improvement Districts (BIDs) operating in Wisconsin municipalities. Fifty-seven BID (71.2%) representatives responded to the latest request. This Fact Sheet summarizes the data collected from that effort.

# What is a Business Improvement District?

Wisconsin Act 184, signed into law in 1984, gives Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Business Improvement Districts within their community and an assessment methodology that allows properties within that geographic area to contribute to programs aimed at promotion, management, maintenance and development of that district. Assessments are restricted to commercial and industrial properties within a municipality that are subject to real estate tax. Tax-exempt properties (i.e., religious, public utility or government properties) or those used exclusively as residences cannot be included in the assessment district. **§ 66.1109 of the Wisconsin Statutes regulate Business Improvement Districts.** 

# How many BIDs operate in Wisconsin?

There are currently over 85 BIDs operating in the state. The City of Milwaukee is the latest Wisconsin municipality to create a BID and now has over 30 such districts in operation.

# What is the value of BID property?

The average assessed value for all property within an individual BID (n=46) is \$ 137,856,341, with an average value per parcel (n=33) of \$1,155,485.

The total assessed value of all property has increased by 28.2% since 1998 while the average assessed value has increased by 9.6%. Multi-year comparisons should be made carefully, however, since data for all BIDs is not always available.

# How large are BIDs?

BIDs vary greatly in size. The average number of tax parcels contributing to a district is 147. The smallest BIDs, all located in Milwaukee (Downer Avenue, Schlitz Park, and Kinnickinnic River) have 9, 10, and 11 parcels, respectively. The largest BID, also located in Milwaukee (Historic King Drive) has 417 parcels.

The Wisconsin map below illustrates the location of BIDs currently operating in the state.

# How are BIDs managed?

- More than half of the reporting BIDs currently support a full-time Director/Manager, whose average salary is \$49,000 per year. Twelve BIDs (27%) have part-time managers and six BIDs (14%) do not employ either a full or part-time manager. These six BIDs are generally managed by a member of the BID Board.
- BID Administration is handled by a Board of Directors. While the State Statutes only require five

Board members, the average number of BID Board members is 9.

• Twelve BIDs currently support a Wisconsin Main Street Program.

# How are BID Assessments Determined?\*

It is important to note that the State Statutes do NOT dictate how property assessments are to be determined. BIDs use a variety of methods to determine the amount of district assessment. BID levies are generally based on a proportion of the individual property's assessed value but may also be based on parcel sizes or frontage footage.

- For those 38 BIDs responding that use a ratio methodology (based on each \$1,000 of assessed value), the average BID assessment is \$2.64/ \$1,000.
- The lowest district assessment at such a rate is Eau Claire BID #3 (Water St) at \$0.60 per \$1,000.
- The highest district assessment at such a rate is Milwaukee #32 (North Ave/ Fond du Lac Marketplace) at \$6.60 per \$1,000

# How much money do BIDs generate?

Total BID levies generate over 8.8 million dollars each year. The average district revenue generated from assessments is \$153,000 (n=57). Many districts supplement this revenue from a wide range of sources. The following table summarizes these external funding sources and average amount of extramural funds generated.

# Are there other funding sources used to supplement the BID revenues?

The following types of sources contribute to BID activities and programs. The numbers correspond to how many BIDs obtained funding from these other sources. Many BID budgets rely solely on their BID assessments.

Investment Interest:	10
Private Donations:	4
Municipal Contributions:	11
Grants(s):	3
Member Fees:	3
Event/Program Revenue:	8
Other:	14

# What is the average operating budget for a BID?

The average annual operating budget is \$194,494. Operating budgets range from a low of \$11,500 (Eau Claire – W. Grand Avenue) to a high of \$3,133,967 (Milwaukee BID # 21- Downtown Management District). Not counting the Downtown Management District, the average annual operating budget is \$136,857.

# How are BID monies spent?

Business Improvement Districts often contract for a number of professional services to help administer BID programs and their operation.

12 (21%) of the Reporting BIDs Contracted
28 (48%) of the Reporting BIDs Contracted
9 (16%) of the Reporting BIDs Contracted
6 (10%) of the Reporting BIDs Contracted
7 (12%) of the Reporting BIDs Contracted
4 (7%) of the Reporting BIDs Contracted
33 (59%) of the Reporting BIDs Contracted

CITY OF WAUPUN

# 2023 Business Improvement District Operational Plan

Adopted

Approved by BID 11/09/22; Approved by Common Council 11/09/22

# THE WAUPUN BUSINESS IMPROVEMENT DISTRICT 2023 OPERATING PLAN

# INTRODUCTION

In 1984, the Wisconsin legislature created Sec. 66.1109 of the Statutes enabling cities to establish Business Improvement Districts (BID) upon the petition of at least one property owner within the proposed district. The purpose of the law is "to allow businesses within those proposed district to develop, manage, and promote the districts and to establish an assessment method to fund these activities". Upon petition from property owners within the Waupun Business Improvement District (hereafter "BID"), the City's Common Council created the BID and adopted its initial operating plan in 1988.

Section 66.1109(3)(b), Wis. Stats., requires that a BID Board "shall annually consider and make changes to the operating plan. The board shall then submit the operating plan to the local legislative body for approval". The Board of the Waupun BID submits this BID operating plan in fulfillment of the statutory requirement.

This plan proposes a continuation and expansion of the activities described in the initial 1988 BID operating plan. Therefore, it incorporates by reference the earlier plans as adopted by the City's Common Council. In the interest of brevity, this plan emphasizes the elements, which are required by Sec. 66.1109, Wis. Stats. and the proposed changes for 2021. This plan does not repeat the background information that is contained in the initial operating plan.

# **DISTRICT BOUNDARIES**

A calculation of the BID assessment and the original 1988 map of the district is provided in Appendix A and Appendix B.

# 2023 OPERATING PLAN

The goals, objectives, and strategies of the 2023 Operating Plan as provided in Appendix C. Estimated revenues and expenditures can be seen in Appendix D.

# PROMOTION OF ORDERLY DEVELOPMENT OF THE CITY

Under §66.1109(1)(f)(4), the Operating Plan must specify how the BID promotes the orderly development of the municipality, including its relationship to any municipal master plan.

The Waupun Business Improvement District was created through private sector initiative to further city goals. The creation of the BID is consistent with the City's plans and promotes the orderly development of the City in general and the business district in particular. This proposal is consistent with the City's Comprehensive Plan and all other City Ordinances and Plans.

# METHOD OF ASSESSMENT

## A. Assessment Rate and Method

As of December 31, 2022, the properties in the district have estimated total BID assessable

value of \$19,535.25. This plan proposes to assess the taxable property in the district at a rate of \$1.50 per \$1,000 of assessed value for the purposes of the BID. Appendix A shows the projected BID assessment for each property included in the district.

The principle behind the assessment methodology is that each property owner should contribute to the BID in proportion to the benefit derived from the BID. After consideration of the assessment methods, it was determined that the assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a uniform rate applied on the assessed value of each property was selected as the basic assessment method for the Waupun BID

Information on specific assessed values, budget amounts, and assessment amounts are based on 2022 conditions. Greater detail about subsequent years' activities will be provided in the required annual plan updates. Approval by the City's Common Council of such operating plan updates shall be conclusive evidence of compliance with this operating plan and the BID law.

In later years, the BID operating plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. The method of assessing shall not be materially altered, except with the consent of the City of Waupun.

# **B. Excluded and Exempt Property**

Wisconsin law specifies certain properties, which are exempt from the assessment, and allows the municipality to determine whether businesses operating specifically for manufacturing purposes are exempt.

- Wisconsin Statutes § 66.1109(1)(f) 1m: This section details what must be included in a Standard Operating Plan. "Whether real property used exclusively for manufacturing purposes will be specially assessed." Property used exclusively for manufacturing purposes will not be assessed.
- Wisconsin Statutes §66.1109(5)(a): "Property used exclusively for residential purposes will not be assessed."
- Wisconsin Statutes § 66.1109(5)(a): "Real property that is exempted from general property taxes under §70.11 will not be assessed." Owners of property that is exempt from the special assessment may not receive the direct financial benefits of the Business Improvement District, such as in the case of a façade improvement grant or any other grant.

Owners of property that is exempt from the special assessment may not be receive the direct financial benefits of the BID, such as in the case of the Façade Improvement Program.

# **CITY ROLE IN DISTRICT OPERATION**

The City of Waupun is committed to helping private property owners in the district promote its development. To this end, the City has played a significant role in the creation of the BID and in the implementation of its operating plan. In particular, the City will continue to:

- Provide funding to the BID for administration and promotion of the Façade Improvement Grant program, business and development recruitment, and other initiatives. This is updated on an annual basis and is reviewed each budget year.
- Monitor and, when appropriate, apply for outside funds, which could be used in support of the district.

- Collect and disperse BID assessments to the district.
- Receive annual audits, as required per Sec. 66.1109(3)(c) of the BID law.
- Encourage partners to support the activities of the district.

# BOARD MEMBERS AND STAFF

The Mayor shall appoint the members of the BID Board subject to confirmation by the Common Council. Upon confirmation, board members serve a 3-year term expiring April 30<sup>th</sup>.

The Board is comprised of six (6) representatives from the BID District and four (4) representatives at-large. The current BID Board and staff are comprised as follows:

Deenal Menshere

Board Members										
REPRESENTATIVE FROM BID DISTRICT		4/30/2025	Tyler Schulz							
REPRESENTATIVE FROM BID DISTRICT		4/30/2025	Rich Matravers

Rohn Bishop	Mayor – Ex-Officio Member					
Kathy Schlieve	City Administrator/Director of Economic Development					

Ex Officio

Responsibilities of the Board include implementation of this operating plan and preparing annual reports of the District. The Board will also annually consider and make changes to the operating plan and submit the operating plan to the Common Council for approval. The Board will conduct its business consistent with the open meeting law and keep minutes as a matter of public record.

## FUTURE YEARS' OPERATING PLANS

It is anticipated that the BID will continue to revise and develop the operating plan annually in response to changing development needs and opportunities in the district, in accordance with the purpose and goals in this operating plan.

Section 66.1109(3)(a) of the BID law requires the BID Board and the City to annually review and make changes as appropriate in the operating plan. Therefore, while this document outlines in general terms the complete development project, it focuses upon 2022 activities. Information on specific assessed values, budget amounts, and assessment amounts are based on 2021 conditions. Greater detail about subsequent years' activities will be provided in the required annual plan updates. Approval by the City Common council of such operating plan updates shall be conclusive evidence of compliance with this operating plan and the BID law.

In later years, the BID operation plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. The method of assessing shall not be materially altered, except with the consent of the City of Waupun.

# AMENDMENT, SEVERABILITY, AND EXPANSION

The BID has been created under the authority of Section 66.1109 of the Statutes of the Statues of the State of Wisconsin. Should any court find any portion of the statue invalid or unconstitutional, its decision will not be invalidate or terminate the BID and this BID operating plan shall be amended to conform to the law without need of re-establishment.

Should the legislature amend the statue to narrow or broaden the process of a BID to exclude or include as assessable properties of a certain class or classes of properties, as and when it conducts its annual review and approval of the operating plan and without necessity to undertake any other act. This is specifically authorized under Se. 66.1109(3)(b)
