WORKSHOP AGENDA

A. Presentation and Discussion Regarding the Citibot AI Resident Communication Platform

Submitted By: Mayor O'Connor / City Manager

Mayor O'Connor introduced Citibot as a discussion item for potential budget planning. After learning about Citibot at a conference, he shared how it helps integrate an AI-powered assistant into the city's website to provide instant responses to residents questions, freeing up the minimal staff.

The platform also offers a chat interface and a phone service, effectively handling misrouted calls. Mayor O'Connor emphasized its multilingual and ADA compliance features as proactive legal safeguards.

Mayor O'Connor clarified he wasn't specifically advocating for Citibot but called for allocating a budget line item for such technology.
