

PARKS AND RECREATION COMMITTEE MEETING
LOCATION: TOWNSHIP ANNEX, 7527 HIGHLAND ROAD, WHITE LAKE, MICHIGAN 48383
WEDNESDAY, JUNE 10, 2026 – 6:30 PM

White Lake Township | 7525 Highland Rd | White Lake, MI 48383 | Phone: (248) 698-3300 | www.whitelaketwp.com

AGENDA

1. **CALL TO ORDER/ROLL CALL**
2. **PLEDGE OF ALLEGIANCE**
3. **APPROVAL OF AGENDA**
4. **APPROVAL OF MINUTES**
 - A. [Minutes of March 11, 2026](#)
5. **CALL TO PUBLIC**
6. **NEW/CONTINUING BUSINESS**
 - A. [Michigan Natural Resources Trust Fund 50th Anniversary Video](#)
 - B. [Stanley Park Playground Selection](#)
7. **OTHER BUSINESS**
8. **STAFF REPORT**
9. **COMMUNICATIONS**
 - A. Member Communications
10. **ADJOURNMENT**
 - A. NEXT MEETING DATE: **July 8, 2026**

Procedures for accommodations for persons with disabilities: The Township will follow its normal procedures for individuals with disabilities needing accommodations for effective participation in this meeting. **Please contact the Township Clerk's office at (248) 698-3300 X-7 at least five days in advance of the meeting.** An attempt will be made to provide reasonable accommodations.

**WHITE LAKE TOWNSHIP
PARKS AND RECREATION
MARCH 11, 2026**

CALL TO ORDER/ PLEDGE OF ALLEGIANCE.

Chairperson Carlock called the regular meeting to order at 6:30 p.m. and led the Pledge of Allegiance.

Roll was called.

ROLL CALL:

Rhonda Grubb

Scott Rolando

Andrea Voorheis, Township Board Liaison

Merrie Carlock, Chairperson

Absent:

Pete Piccinato

Also Present:

David Waligora, Senior Planner

Hannah Kennedy-Galley, Recording Secretary

APPROVAL OF AGENDA

Member Carlock requested removal of item 6A from the agenda.

It was MOVED by Member Voorheis, seconded by Member Rolando to approve the agenda as amended. The motion carried with a voiced vote: (4 yes votes).

APPROVAL OF MINUTES

- A. Minutes of February 11, 2026

It was MOVED by Member Grubb, seconded by Member Voorheis to approve the minutes of February 11, 2026, as presented. The motion carried with a voice vote: (4 yes votes).

CALL TO PUBLIC

None.

NEW/CONTINUING BUSINESS

- A. ~~Parks and Recreation Finances with Treasurer Roman~~
B. Discussion - Stanley Park LWCF Grant and Professional Services

Senior Planner Waligora stated that staff is looking for a motion to proceed with securing services from a design firm for the second phase of Stanley Park construction documents. It was recommended to remain with Beckett and Raeder as they are design professionals for phase one.

It was MOVED by Member Voorheis, seconded by Member Rolando to retain Beckett & Raeder for professional design services for phase two of Stanley Park construction documents. The motion carried with a voice vote: (4 yes votes).

C. Discussion - Stanley Park Playground

Senior Planner Waligora mentioned the grant he received for playground equipment. The Committee discussed having a play structure at Stanley Park, but the consensus is that a bigger play area would suit the park better, and to be constructed in the future. It was also discussed having a play area at Hidden Pines Park.

OTHER BUSINESS

None.

STAFF REPORT

Senior Planner Waligora shared his experience at the MParks Conference.

COMMUNICATIONS

A. Member Communications

Member Carlock said Hess Hathaway’s Pancake Breakfast will be held on April 25, 2026.

Member Voorheis stated the Board approved a new Jax Car Wash at the intersection of Highland Road and Bogie Lake Road.

Ms. Lang added that Quake on the Lake will be returning to Pontiac Lake this August.

ADJOURNMENT

A. NEXT MEETING DATE: May 13, 2026

It was MOVED by Member Grubb, seconded by Member Voorheis to adjourn at 7:14 P.M. The motion carried with a voice vote: (4 yes votes).

WHITE LAKE TOWNSHIP PARKS & RECREATION COMMITTEE

FROM: David Waligora, AICP, Senior Planner

DATE: June 10, 2026

RE: Parks & Recreation Department Update

Upcoming Meeting

The next Parks & Recreation Committee meeting is proposed to be held at the Hawley Park Pavilion, weather permitting, and conclude with a site visit to Stanley Park. Staff is also exploring the possibility of a Township Hall tour.

Park Maintenance and Improvements

Seasonal maintenance activities have continued throughout the Township park system. At Hawley Park, new engineered wood fiber was installed in the playground area, and additional sand was added to the sandbox. Several hazardous trees were removed at Bloomer Park and on Township Hall property to address safety concerns.

Seasonal fertilization and weed control treatments have been completed at all developed Township parks. Bloomer Park was excluded due to its natural park character. Irrigation repairs are also scheduled at Vetter Park, including the replacement of approximately fifteen sprinkler heads.

Stanley Park

Phase 1 improvements at Stanley Park are expected to be completed by the end of June. Staff has also initiated a pilot deer fly mitigation program utilizing a "Horse Pal" device recommended by Michigan State University Extension.

The Township recently received a \$75,000 donation from Kroger to assist with the installation of a playground at Stanley Park. The Parks & Recreation Committee is scheduled to review playground concepts at its June meeting and provide feedback regarding a preferred design.

An opening date has not yet been decided upon.

Avalon Development Dog Park

Staff continues to coordinate with the Avalon development team regarding the proposed dog park and play area improvements, including review of playground concepts and park amenities to ensure consistency with Township standards.

Michigan Natural Resources Trust Fund 50th Anniversary

This year marks the 50th Anniversary of the Michigan Natural Resources Trust Fund (MNRTF), which assisted with the acquisition of Stanley Park and development of Bloomer Park. Staff plans to show a brief commemorative video produced by the Michigan Department of Natural Resources highlighting the Trust Fund's statewide impact and contributions to local recreation opportunities.

WHITE LAKE TOWNSHIP PARKS & RECREATION COMMITTEE

FROM: David Waligora, AICP Senior Planner
DATE: June 3, 2026
RE: **Stanley Park Playground Award and Equipment Selection**

The Township has been received a \$75,000 donation from Kroger Company of Michigan to fund the installation of a playground at Stanley Park. Staff identified a similar donation previously provided by Kroger within the Ingham County Parks system and worked to establish a partnership to benefit White Lake Township. **The donation provides an opportunity to add a family-oriented recreational amenity to Stanley Park and further expand opportunities for children and families utilizing the park, consistent with the proposed scale and vision identified in the Township Parks & Recreation Plan.**

To evaluate potential playground options, staff contacted three playground vendors and requested conceptual layouts and pricing for playground equipment that could be accommodated within, or reasonably near, the available funding level. The resulting proposals include a variety of playground styles ranging from traditional play structures to climbing-oriented and adventure-focused designs.

The purpose of this memo is to obtain feedback and direction from the Parks & Recreation Committee regarding the preferred playground concept prior to design refinement and preparation of a recommendation to the Township Board.

Staff conducted an informal review of the submitted concepts utilizing factors such as play value, age-range accommodation, visual character, anticipated user appeal, and overall compatibility with Stanley Park's character and intended function. While each proposal offers unique strengths and would provide quality recreational amenities, staff generally found the **Playcraft R502118BA** concept to provide the strongest overall balance of play opportunities, visual appeal, user capacity, future expansion

potential, and compatibility with the available funding levels. Staff found the proposal offered a strong mix of climbing, sliding, and social play opportunities while maintaining flexibility for future additions such as swings or other play features

At this time, staff is seeking Committee input regarding:

1. Which playground concept is preferred.
2. Whether the Committee favors a traditional play structure or a more climbing/adventure-oriented design.
3. Whether amenities such as swings should be included in the initial installation or considered as a future phase of park improvements.
4. Any additional features or considerations the Committee would like staff to explore prior to making a recommendation to the Township Board.

The attached playground concepts and pricing information are provided for the Committee's review and discussion.

While the Stanley Park Conceptual Master Plan identified a playground within an approximately 60-foot diameter activity node, the final park improvements differ somewhat from the original conceptual layout. Staff will work with park consultants for the optimum location.

Thank you.

David Waligora, AICP

GENERAL NOTES

This Preliminary Site Plan is based on measurements that were provided in the initial planning phase. All dimensions must be verified prior to the submission of a purchase order. Playcraft Systems will not be held responsible for any discrepancies between actual dimensions and dimensions submitted in the planning phase.

The Minimum Use Zone for a play structure is based on the product design at the time of proposal. Components and structure designs may be subject to change which may affect dimensions. Therefore, before preparing the site, we strongly recommend obtaining final drawings from the factory (available after the order is placed and included in the Assembly Manual).

WARNING: Accessible safety surfacing material is required beneath and around this equipment that has a critical height value (Fall Height) appropriate for the highest accessible part of this equipment. Refer to the CPSC'S Handbook For Public Playground Safety, Section 4: Surfacing.

White Lake Township
Stanley Park

Intellectual property of GameTime, a PlayCore Company. The site shown in rendering is an interpretation and may not reflect exact site conditions.

Rendered in Custom Evening Elegance Palette

White Lake Township Stanley Park

Intellectual property of GameTime, a PlayCore Company. The site shown in rendering is an interpretation and may not reflect exact site conditions.

Rendered in Custom Evening Elegance Palette

White Lake Township
Stanley Park

The proposed design encourages youth physical fitness through the six essential elements of play (swinging, spinning, sliding, climbing, balancing, and brachiating). Playground site is eligible to become a National Demonstration Site for PlayOn - designed following research from Playcore's Scholar Network - at no additional charge.

Minimum Area Required:

This play equipment is recommended for children ages 5-12

Comments

Funding assistance provided by GameTime must be used towards the purchase of a qualified playground structure. Other freestanding play products are available at our best pricing through Omnia Partners. Representatives from mParks, GameTime, and PlayCore will select qualifying projects to be considered for funding assistance. Funding can only be applied to additional GameTime playground equipment purchases and only in conjunction with the original purchase. GameTime standard policies and warranties as listed in the 2026 Catalog apply. Freight, installation, surfacing, material surcharges, and applicable sales tax are extra and not included as part of the funding program. To qualify for a 100% matching funds assistance, this project must be purchased with a check/cash with order of \$42,047.48

This quotation is subject to policies in the current GameTime Playground Catalog and the following terms and conditions. Our quotation is based on shipment of all items at one time to a single destination, unless noted, and changes are subject to price adjustment. Purchases to be supported by your written purchase order made out to GAMETIME C/O SINCLAIR RECREATION. **A 2.5% PROCESSING FEE WILL BE ADDED TO ALL ORDERS PAID VIA CREDIT CARD.**

Item B.

Rendered in Custom Evening Elegance Palette

White Lake Township
Stanley Park

IMPORTANT: Soft resilient surfacing should be placed in the use zones of all equipment, as specified for each type of equipment, and at depths to meet the critical fall heights as specified by the U.S. consumer Product Safety Commission, ASTM standard F 1487 and Canadian Standard CAN/CSA-Z-614

The proposed design encourages youth physical fitness through the six essential elements of play (swinging, spinning, sliding, climbing, balancing, and brachiating). Playground site is eligible to become a National Demonstration Site for PlayOn - designed following research from Playcore's Scholar Network - at no additional charge.

Minimum Area Required:

This play equipment is recommended for children ages 5-12

Comments

Funding assistance provided by GameTime must be used towards the purchase of a qualified playground structure. Other freestanding play products are available at our best pricing through Omnia Partners. Representatives from mParks, GameTime, and PlayCore will select qualifying projects to be considered for funding assistance. Funding can only be applied to additional GameTime playground equipment purchases and only in conjunction with the original purchase. GameTime standard policies and warranties as listed in the 2026 Catalog apply. Freight, installation, surfacing, material surcharges, and applicable sales tax are extra and not included as part of the funding program. To qualify for a 100% matching funds assistance, this project must be purchased with a check/cash with order of \$42,047.48

This quotation is subject to policies in the current GameTime Playground Catalog and the following terms and conditions. Our quotation is based on shipment of all items at one time to a single destination, unless noted, and changes are subject to price adjustment. Purchases to be supported by your written purchase order made out to GAMETIME C/O SINCLAIR RECREATION. **A 2.5% PROCESSING FEE WILL BE ADDED TO ALL ORDERS PAID VIA CREDIT CARD.**
