Re: Board of Review Alternate Appointment

As you are aware, all Townships and Cities in Michigan are required to appoint Board of Review members. The Board of Review is a critical part of the property tax system. The Board of Review hears taxpayer appeals of property tax assessments, thus providing the first step of checks and balances to all White Lake taxpayers. Board of Review members must be certified by the State Tax Commission by successfully completing a training course every two years.

I am recommending that the Township Board appoints Meredith Tyack to the White Lake Township Board of Review for the remainder of the 2023-2024 term. She has been a White Lake resident for 8 years and is employed in the Home Lending / Mortgage field. Furthermore, Meredith has successfully completed the required training from the State Tax Commission and is looking forward to serving our township and its taxpayers.
