Steve Woodard (953 Schuyler) noted the Township went forward with a shrink wrap recycling program. It was \$7 a bag and he sold 30 bags in his neighborhood. The Committee members noted this was a great idea.

NEW BUSINESS:

A. Bylaw Amendment – student member

Staff Planner Quagliata thought it would be good to have a voting student member on the Committee.

Member Aseltyne moved to approve a Bylaw amendment to add a student member to the Parks and Recreation Committee. Trustee Voorheis supported and the MOTION CARRIED with a voice vote, 4 yes votes.

B. Portable Restrooms – discussion

Staff Planner Quagliata discussed portable toilets at the parks and the vandalism happening. There was graffiti and sometimes they got tipped over and the Township could be charged by the vendor for damages. There had been past discussion about placing portable toilets at Stanley Park and Bloomer Park. At Stanley Park, it was recommended to wait for the development to happen, and not move forward at Bloomer Park at this time. Chairperson Carlock wanted the school resource officer to get photos of the graffiti and see if there were signatures (certain graffiti artists had a typical signature or tag).

C. Vetter Park Irrigation Well Repair - discussion

Staff Planner Quagliata stated the Committee discussed this last year. Staff would get updated bids. This was something the Committee would like to get repaired so the irrigation system worked.

OTHER BUSINESS:

No other business.

COMMUNICATIONS:
