Discussion

This memorandum summarizes the items discussed during the meeting referenced above.

1. The group reviewed and discussed the DRAFT Future Land Use Map for the City of Whitewater, and the changes made based on feedback received since the last meeting.
2. The group reviewed and discussed the DRAFT Future Mobility Map for the City of Whitewater, and proposed future connections for streets and trails.
3. The DRAFT Future Mobility Map remains preliminary, and is subject to change based on feedback.
4. The DRAFT Future Mobility Map does not show exact alignments of future streets, but rather is visionary in where future connections could be made.

Next Steps

1. City staff and Working Group members will review the DRAFT Future Mobility Map and provide feedback for refinements.
2. The next Working Group meeting will take place on September 23.
