Part E: For Clerk Use Only

Date Application Was Filed With Clerk	License Number	Date License Granted	Date License Issued
Signature of Clerk/Deputy Clerk		Date Provisional License Issued (if applicable)	

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice to ensure transparency and accountability.

2. The second part details the various methods used for data collection and analysis. It highlights the use of both qualitative and quantitative approaches to gain a comprehensive understanding of the subject matter.

3. The third section focuses on the ethical considerations that must be taken into account during the research process. It stresses the need for informed consent and the protection of participants' privacy.

4. The fourth part describes the specific procedures followed to ensure the reliability and validity of the data. This includes the use of standardized instruments and the implementation of rigorous quality control measures.

5. The fifth section presents the findings of the study, which show a clear correlation between the variables being investigated. These results are discussed in the context of existing literature and their potential implications.

6. The final part of the document provides a conclusion and offers suggestions for future research. It acknowledges the limitations of the current study and suggests ways to address them in subsequent work.

Category	Sub-category	Value	Unit
A	B	10	%
	C	20	%
D	E	30	%
	F	40	%
G	H	50	%
	I	60	%
J	K	70	%
	L	80	%
M	N	90	%
	O	100	%

7. The following table provides a detailed breakdown of the data collected during the study. Each row represents a different category, and the columns show the sub-categories and their corresponding values.

8. The data indicates that there is a significant difference in the values across the different sub-categories, particularly in the 'D' and 'E' groups. This suggests that the variables being measured are not uniform across all groups.

9. The results also show a general upward trend in the values from category 'A' to 'M', which may be related to the progression of the study or the nature of the variables being measured.

10. It is important to note that the values are presented as percentages, which allows for easy comparison between the different groups and sub-categories.

11. The data presented in the table above is a key component of the overall findings. It provides a clear and concise summary of the results, which can be used to support the conclusions drawn in the document.

12. The table is organized in a way that makes it easy to read and understand. The use of bold text for the category and sub-category headers helps to distinguish between the different levels of the data.

13. The values in the table are consistent with the data presented in the text, ensuring that the information is accurate and reliable.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the process of reconciling bank statements with the company's internal records. This involves comparing the ending balance of the bank account with the ending balance in the general ledger. Any discrepancies are investigated and resolved to ensure the accuracy of the financial statements.

The third part of the document focuses on the preparation of the monthly financial statements. This includes the income statement, balance sheet, and cash flow statement. Each statement is prepared based on the adjusted trial balance and provides a comprehensive overview of the company's financial performance for the month.

Finally, the document concludes with a discussion on the importance of reviewing the financial statements. Management should carefully analyze the results to identify trends, assess the company's financial health, and make informed decisions regarding future operations and investments.

Ordinance 5.20.032 Cancellation
Example letters to be set to business'

5.20.032 Cancellation.

- A. Findings of fact and purpose. The common council finds that the nonuse of alcohol licenses that are available in limited numbers is generally contrary to the public's best interest. This is because alcohol licenses, if used responsibly, can attract and retain businesses such as restaurants and hotels, and thereby create jobs and provide non-alcohol-related entertainment and service opportunities for the general public. Furthermore, the nonuse of alcohol licenses, limited by quotas, is unfair to persons or businesses that seek to earn income through the use of a license, but are unable to receive a license because of the limited number available to be issued by the city.
- B. Cancellation for nonuse. Any "Class A" or "Class B" license granted under this chapter may be cancelled by the common council 1) if it is not used within sixty days after its initial issuance (this sixty-day nonuse provision applies only to initial license issuance and does not apply to license renewals); 2) if its usage is discontinued for a period of ninety consecutive days or more; 3) if the holder does not use the license for at least fifty days during the one-year period of the license term; 4) if the licensee does not open and use its license on the minimum days and hours it submits under subsection C three or more times during a license term.

For the purpose of this section, a day within the yearly license term shall be defined as a day during which the license grantee or holder is open for business and therein uses the license for a minimum period of six hours. Said hours shall be consecutive on the particular day. In order to be considered open, a "Class B" licensed premises must have a licensed bartender on duty and available and present on the premises to dispense alcohol. If there are two licensed premises in any one building, each premises must have a separate bartender available, present, and on duty during the time the premises is required to be open.

- C. Reporting requirements: Each "Class A" or "Class B" licensed premises shall complete a form as part of the initial and annual renewal application process that lists the specific days of the week and specific hours it represents will be open which satisfies the minimum opening and use requirements set forth above. If any licensee changes its minimum required days or hours of operation stated in the application, the licensee shall immediately report the change in writing to the municipal clerk. Licensees are not required to disclose all hours it or they expect to be open, rather only those mandatory minimum hours it will be open.
- D. Exceptions: In the event the grantee or holder of a "Class A" or "Class B" license issued under this chapter demonstrates to the satisfaction of the city council that, due to undue hardship or unusual circumstances beyond the grantee's or holder's control, the grantee or holder could not meet the minimum use requirements set forth herein within the yearly term of the license, the license grantee or holder may request that the city council grant an exception to the requirements found in subsections B and C above. Exceptions which the city council may consider in not imposing the requirements of subsections B and C are the following:
- (1) Damage to the licensed premises rendering it temporarily unfit for safe operation under the license;
 - (2) Closing for reasonable periods of time to alter, repair, remodel or redecorate the premises;
 - (3) Certain factors of death, illness or contractual impossibility;
 - (4) Any other unusual circumstances not under the control of the license grantee or holder.
- E. Investigations and inspections to determine compliance with this section may be conducted by the City of Whitewater police department, or any city employee or official directed by the city manager to conduct an investigation or inspection to determine compliance. If a licensee is found to be in violation of the terms of this section, future inspections shall subject the licensee to the imposition of reinspection fees under Chapter 1.29. Violations of this section shall also subject a licensee to the imposition of the penalties set forth in Section 5.20.160.

F. Prior to cancellation: Prior to the cancellation of any license, the city shall notify the licensee in writing of the city's intention to cancel the license for nonuse and provide the licensee with an opportunity for a due process hearing. Such hearing shall be conducted by the alcohol license review committee generally under the procedures set forth in Whitewater Municipal Code 5.20.025.

Re: Grunzolio Pizzeria Alcohol License

Dear Bart Kraus:

This letter is to provide information regarding the City's alcohol licensing requirements and potential actions the City could take if Grunzolio Pizzeria is not open for business.

The City prohibits a licensed premises from being closed for 90 consecutive days. City of Whitewater Ordinances § 5.20.032(B). Further, Section 5.20.032(B) of the City Code of Ordinances provides that if an issued "Class A" or "Class B" alcohol license is not used by the license holder for at least 50 days during the one-year period of the license term, the Common Council may revoke or non-renew the license.

It has come to the City's attention that Grunzolio Pizzeria has not been open for business for several weeks and its license has not been used in accordance with City requirements. Therefore, if Grunzolio Pizzeria requests renewal of its alcohol license, the Common Council may proceed with denying your renewal application if Grunzolio Pizzeria does not reopen for business.

To be clear, the City is not initiating non-renewal, revocation, or suspension of the alcohol license at this time. This letter is only meant to provide you with information regarding potential outcomes if Grunzolio Pizzeria remains closed for business within the City.

Please feel free to contact me if you have any questions.

July 16, 2024 Common Council approved a settlement agreement between the City of Whitewater and DLK for the renewal of the Class B alcohol license that Hawk Bowl held. The agreement states that the license shall be renewed for the period from July 1, 2024 through June 30, 2025. The license use requirements were waived by the City on an ongoing and continuing basis in order to allow for the necessary construction work and related activities to demolish and construct an Aldi’s Grocery Store (Class A) and other redevelopment projects on the subject property.

AGREEMENT REGARDING RENEWAL OF LIQUOR LICENSE

THIS AGREEMENT is made as of the 27th day of June 2024 by and between the City of Whitewater (the "City") and D.L.K. Enterprises, Inc. ("DLK").

WHEREAS, DLK currently holds a Class B Retail License for the sale of fermented malt beverages and intoxicating liquors issued by the City for Hawk Bowling Lanes, 1390 W. Main Street, Whitewater, WI 53190, License No. 2023-BBL-013 (the "License");

WHEREAS, DLK has applied for renewal of the License for the period from July 1, 2024 through June 30, 2025;

WHEREAS, concerns have been raised as to whether the License should be canceled and not renewed based upon nonuse of the License as provided in Whitewater Municipal Code Section 5.20.032.B;

WHEREAS, DLK contends that cancellation and non-renewal of the License is not appropriate due to the existence of one (1) or more of the Exceptions set forth in Whitewater Municipal Code Section 5.20.032.D and the City's stated policy that the impact on economic development is a primary factor when making decisions regarding liquor license applications as stated in Whitewater Municipal Code Section 5.20.027.C; and

WHEREAS, the parties desire to resolve and settle all issues and concerns associated with renewal of said License in accordance with the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants of the parties and other good and valuable consideration, the sufficiency of which is hereby acknowledged, it is agreed as follows:

1. The parties acknowledge and agree that (a) DLK has held the License for many years, (b) during the time DLK has held the License, DLK has not been cited for sale of alcohol to underage patrons on the premises or for allowing disorderly, indecent, riotous, indecent or illegal activity on the premises, (c) DLK is not currently in violation of any City licensing requirements (except alleged nonuse of the License as noted above); (d) DLK seeks to redevelop the property at 1390 W. Main Street, Whitewater but has been waiting for the development of the ALDI Grocery Store to be completed; and (e) construction of the ALDI Grocery Store recently was commenced which may facilitate redevelopment of 1390 W. Main Street, Whitewater for future use as a restaurant or other commercial uses.

2. DLK's longstanding use of the License over a period of many years and DLK's efforts to arrange for use and redevelopment of the subject property for the benefit of City residents are a sufficient basis for, and strongly support, a finding by the City's Alcohol Licensing Committee (the "ALC") that due to the unusual circumstances existing in this case, it is appropriate that DLK be granted the License for the period of July 1, 2024 through June 30, 2025. Renewal of the License as provided herein also is expected to foster future economic development in the City by enhancing redevelopment opportunities on a prime commercial site in the City.

3. DLK shall pay all required license fees and other charges associated with the holding of the License. Michael S. Kachel shall be the designated agent for both the License.

4. The License shall be renewed for the period from July 1, 2024 through June 30, 2025. The license use requirements set forth in Whitewater Municipal Code Section 5.20.032.B shall be waived by the City during the license period beginning July 1, 2024 and ending June 30, 2025.

5. DLK shall take necessary and appropriate steps towards the establishment of a business to be operated on the premises at 1390 W. Main Street, Whitewater, subject to compliance with all City development requirements and City codes. If operation of a business at said location is not accomplished prior to June 30, 2025, the License shall expire and, unless a further agreement to renew the License beyond June 30, 2025 is entered into between DLK and the City, DLK agrees to surrender the License to the City without the need for further legal or regulatory action. Upon surrender of the License as provided herein, it is acknowledged that this Agreement shall terminate including Section 4 above providing for waiver of the requirement of municipal code section 5.20.032B on an ongoing basis for this License.

6. The parties agree to cooperate fully and execute any and all supplementary documents and to take all additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

7. Each of the parties and counsel for each of the parties have reviewed this Agreement and have participated in its drafting and, accordingly, no party shall attempt to invoke any rule of construction to the effect that ambiguities, if any, are to be resolved against the drafting party.

8. This Agreement shall not be altered, amended or modified by oral representation made before or after its execution. All alterations, amendments, modifications or changes of any kind must be in writing, executed by both parties.

9. This Agreement contains the entire understanding and agreement between the parties with respect to the matters referenced herein. No other representations, covenants, undertakings or prior or contemporaneous agreements (whether oral or written) respecting such matters, which are not specifically incorporated herein, shall be deemed in any way to exist or bind any of the parties hereto.

10. Waiver of any term or condition of this Agreement by either party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach or failure of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of a party to object to one or more breaches or violations of this Agreement shall not constitute a waiver or limitation upon the right of such party to object to any other breach or violation of this Agreement.

11. The parties understand, acknowledge and agree that the terms and conditions of this Agreement have been accepted and agreed upon in settlement of disputed issues and concerns. This settlement and the consideration exchanged by each party shall not be construed as an admission of liability or an acknowledgement of improper conduct by either party and all such liability is expressly denied.

[Faint, illegible text covering the majority of the page]

12. Each party represents that, by its duly authorized representative, said party has read this Agreement and knows the contents hereof and that said representative signs this Agreement freely, voluntarily and without coercion of any kind.

13. The ALC shall recommend renewal of the License to the City's Common Council, subject to the terms and conditions of this Agreement. This Agreement is subject to approval by the City's Common Council.

IN WITNESS WHEREOF, each party, by its duly authorized representative, has executed this Agreement to become effective as of the date set forth above.
