ADJOURNMENT

Anyone requiring special arrangements is asked to call the Office of the City Manager / City Clerk (262-473-0102) at least 72 hours prior to the meeting.

The City of Whitewater's strategic goals for 2026–2028 are: Expand Housing Opportunities and Support Responsible Community Growth; Enhance Communication, Transparency, and Community Engagement; Support Economic and Downtown Development, Business Growth, and Tax Base Expansion; Foster a Vibrant, Engaged, and Welcoming Community; Ensure Long-Term Financial Stability and Strategic Investment.

This agenda may include quasi-judicial items addressing the specific outcome for an individual or property, such as zoning appeals, conditional use permits, land use decisions, licensing, or ethics decisions. For quasi-judicial items, Council Members are only able to consider information presented by interested parties or the public on the record during this meeting. Council Members should not conduct their own investigation but may request additional information from the interested parties.

You may need to move your mouse to see these controls. On a traditional telephone, dial *6 to unmute your phone and dial *9 to raise your hand.

None

CONSIDERATIONS / DISCUSSIONS / REPORTS

8. Review and Possible Action: Certified Sites application for Howard Road parcel

   Staff presented the proposed WEDC Certified Sites application for approximately 158 acres of privately owned farmland along Howard Road adjacent to the Business Park.

Staff described a $10,000 application fee, site due diligence such as environmental and soil work, and WEDC marketing assistance if the site is certified. The property was identified in the agenda packet as Jefferson County parcels 292-0515-3441-000, 292-0515-3442-000, 292-0515-3443-000, and 292-0515-3444-000.

Board members asked whether the City or CDA had an ownership interest, option, or other agreement for the property and whether the application fee could be applied to another site if this property became unavailable. Staff said no agreement was currently in place. Members expressed concern about paying for site specific work before securing rights to purchase the land.

The board authorized City staff to apply to the WEDC Certified Sites program for the Howard Road site, provided the City or CDA secures a written agreement regarding purchase of the property before the $10,000 application fee is paid.

Motion made by Board Member Kromholz, Seconded by Board Member Kachel.

Voting Yea: Board Member Coburn, Board Member Kachel, Board Member Kromholz, Board Member Christon, Council Representative Artsmith

9. Review and Possible Action: Slipstream Update

Staff reported that the CDA holds a judgment against Slipstream LLC and a lien on office furniture and equipment formerly used by the company and located at the Innovation Center. The City expressed interest in the furniture for planned Municipal Building office space. Staff recommended a sale price of $2,500.

A motion to approve the sale of furniture recovered under the Slipstream LLC judgment lien to the City of Whitewater for $2,500 was made by Board Member Coburn, Seconded by Council Representative Artsmith.

Voting Yea: Board Member Coburn, Board Member Kachel, Board Member Kromholz, Board Member Christon, Council Representative Artsmith

FUTURE AGENDA ITEMS

November Meeting will be at the Innovation Center

The chair noted that the November CDA meeting would be held at the Innovation Center. No additional future agenda item was identified.

ADJOURNMENT

Motion made by Board Member Kromholz, Seconded by Council Representative Artsmith.

Voting Yea: Board Member Coburn, Board Member Kachel, Board Member Kromholz, Board Member Christon, Council Representative Artsmith

Library Board of Trustees

Whitewater Public Library, Meeting Room 2
431 West Center St., Whitewater, WI, 53190

MINUTES

CALL TO ORDER at 6:31 pm

ROLL CALL

***Present*:** Kelly Davis, Elizabeth Miller, Steven Sahyun, Kathy Retzke, Doug Anderson, Tara McKenzie-Peotter, Camden Harlan

***Not Present*:**

***Library Staff Present*:** Diane Jaroch (Director) and Sarah French (Assistant Director), Nancy Stanford, Jess Schmid, Jeremiah Thomas (Comptroller for City of Whitewater)

APPROVAL OF AGENDA

Elizabeth Miller motioned to approve, Doug Anderson seconded, and the motion passed unanimously.

A Board member can choose to remove an item from the agenda or rearrange its order; however, introducing new items to the agenda is not allowed. Any proposed changes require a motion, a second, and approval from the Board to be implemented. The agenda shall be approved at each meeting even if no changes are being made at that meeting.

CONSENT AGENDA

Doug Anderson motioned to approve, Tara McKenzie-Peotter seconded, and the motion passed unanimously.

Items on the Consent Agenda will be approved together unless any Board member requests that an item be removed for individual consideration.

1. Approval of the minutes of the August 17, 2026 meeting
2. Approval of Payment of Invoices for August 2026
3. Acknowledgement of Receipt of August 2026 Statistical report
4. Acknowledgement of Receipt of Financial reports
5. Acknowledgement of Receipt of August 2026 Treasurer's reports

HEARING OF CITIZEN COMMENTS

No formal Board action will be taken during this meeting although issues raised may become a part of a future agenda. Participants are allotted a three-minute speaking period. Specific items listed on the agenda may not be discussed at this time; however, citizens are invited to speak to those specific issues at the time the Board discusses that particular item.

To make a comment during this period, or any agenda item: On a computer or handheld device, locate the controls on your computer to raise your hand. You may need to move your mouse to see these controls. On a traditional telephone, dial *6 to unmute your phone and dial *9 to raise your hand.

Citizens were present, but no public comment.

OLD BUSINESS

6. Library Building general update

Update on the roof. Four days for roof repairs. Breezy Hill came out to look at plants that had died. They said they will replace 15 coneflowers and 9 yews.

NEW BUSINESS

7. 2027-2028 Library Budget presentation
8. Review and Approval of the Draft 2027 budget

Kelly Davis moved to approve the Draft 2027 budget, Doug seconded, and the motion passed unanimously via roll call.

Roll Call Vote: Kelly Davis (Yes), Elizabeth Miller (Yes), Steven Sahyun (Yes), Kathy Retzke (Yes), Doug Anderson (Yes), Tara McKenzie-Peotter (Yes), Camden Harlan (Yes). The motion passed unanimously.

9. Board education trustee training video: The Library Board and Library Personnel
10. Review and approval of the updated Social Media Policy

The Friends of the Library group has some members that will help post on social media to promote library events and programs. This will be a great help to staff as they are pulled in so many different directions and stretched thin.

Elizabeth Miller moved to approve the updated Social Media Policy, Steven Sahyun seconded, and the motion passed unanimously.

CONSIDERATIONS / DISCUSSIONS / REPORTS

11. Library Director report and budget update

The library has recently seen an increase in monetary donations, some in remembrance of people who have passed.

12. Staff reports

The Young Auditorium donated 4 sets of four tickets for upcoming family shows! The library was also given some coupons for 20% off tickets for the upcoming family shows.

13. Board reports
(a) Doug: Review of the Trustee Bylaws

CONFIRMATION OF NEXT MEETING: Monday, October 19th at 6:30 pm in Whitewater Public Library, Meeting Room 2.

ADJOURNMENT at 7:45 pm

Doug Anderson motioned to adjourn, Tara McKenzie-Peotter seconded the motion, and the motion passed unanimously.

Anyone requiring special arrangements is asked to call the library (262-473-0530) at least 72 hours prior.

City of Whitewater	Council Agenda Item
Meeting Date:	11/05/2026
Agenda Item:	Monthly Flock Update
Staff Contact (name, email, phone):	Dan Meyer dmeyer@whitewater-wi.gov 262-473-1371

BACKGROUND
(Enter the who, what when, where, why)

WPD Concerns/Successes:

- On October 7, 2026, Captain Vander Steeg was able to complete the updates to our Flock sharing settings consistent with the Council's decision on September 1, 2026.

- October 2026: The owner of a construction company advised they are building a large commercial building on the east side of Whitewater. Over the weekend, someone came onto the job site and stole a fuel trailer that contained approximately 400 gallons of fuel and a generator. Officers used Flock to locate a suspect vehicle and identified the owner of the suspect vehicle. The stolen fuel trailer, generator, and fuel has an estimated value of $7,000.

- October 2026: Elmhurst PD called for an elderly male with Alzheimer's missing from their jurisdiction and his plate hit on our Flock cameras. The initial call was 26.014738. Officers checked the area all the way to the Tri-County Motel and WWSO even assigned an officer and had them look in the area. The last ping during that call had them headed out of the city and when Elmhurst called back, they were provided with Jefferson and Rock County phone numbers as he was in the tri-county area per that last ping. Shortly thereafter, dispatch received a Flock alert. Elmhurst had entered an alert on the plate, and it hit on the opposite side of the city this time. Officers were able to find the vehicle and conducted a traffic stop and brought the elderly male back to the PD until his family was able to come pick him up.

- October 2026: The City of Jefferson Police Department was attempting to locate a suspect that fled a residence in their city that was wanted for a domestic abuse incident where that had charges on the suspect for disorderly conduct and battery. It was determined that the vehicle the suspect was driving had entered the north side of Whitewater after a Flock search. The suspect and vehicle were located, and the suspect was taken into custody for the incident. The suspect was turned over to the Jefferson Police Department.

City Manager's Report
with John Weidl
11/05/2026

Construction Projects:

All projects are completed for 2026. Phase 2 of Jefferson Street and the sanitary sewer and water main work along Starin Road for the Hospital Hill sites are scheduled to start in early spring of 2027. While doing a final walk through on the street paving projects we had one car stop on Wisconsin Street and said thank you for doing the street and a resident on Amber Drive that also said thank you.

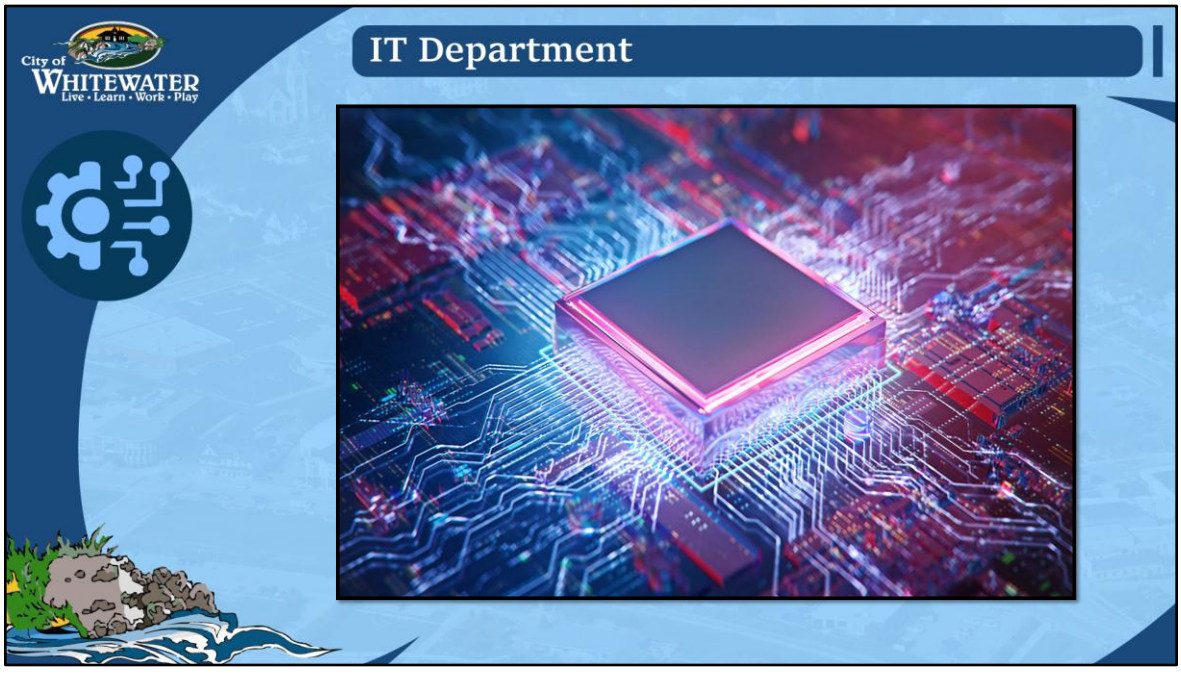

For the week of October 19:

In the Street Department staff continue to get ready for winter. Windscreens were removed at Treyton's Field. Speed bumps, delineators and pedestrian crossing signs were removed. The Birge and Horse Fountains were shut down and winterized. And the Clay Street Nature pier was removed. Other work included maintenance and rotating the piles at the compost site, clean up paint in the Cravath parking lot from pumpkin painting, asphalt paving prep and installation, tree work and brush collection, street sweeping and dealing with a streetlight knockdown. (pictured above)

In the Water Department staff worked on site restoration around Well 7 from

the stand pipe replacement and poured the concrete floor in the well house, replaced outdated fire hydrants, coordinated work to be done for the new bulk fill site on Commercial Drive, and completed backwashing and monthly sampling.

In the Wastewater Department the secondary clarifier was put back into service. Staff noticed a huge difference in the rebuilt pump versus the non-rebuilt pump. Staff will be preparing to rebuild the other two pumps to make them more efficient. Other work included biosolid hauling to farm fields, fixing the overhead crane in the drywell and had a meeting with Strand to discuss phosphorus compliance and the multi-discharger variance application.

The Information Technology Department has several projects in the works.

We are currently working with an outside vendor to replace old copper phone lines that are being phased out by AT&T.

Additionally, a site walk was performed on November 2 for fiber work to improve the connection with the Starin Park Community Building. That work should be completed over the next few weeks.

Highlights

Two new Community Service Officers started with the Police Department. Welcome to both Jaidyn (Jay-de) Mars and Raeanna (Rae- anna) Taylor as they enter their field training program. Both are currently students at UW-Whitewater pursuing their bachelor's degree in criminology.

Lieutenant Johnson, Lieutenant Martin, and Officer Valadez conducted the first round of interviews for the Police Officer vacancy. They have moved the top five candidates onto the Administrative Interview panel scheduled for next week.

Detective Lieutenant Heilberger and Detective Monson both assisted with a Prescription Round Up and Resource Day event that was held at Fairhaven Senior Services. During this event, they collected unused medication to ensure it was safely disposed of to ensure it doesn't get into the hands of our children or enter our waterways and landfills.

Construction of the Evidence/Training garage is in the final stages with siding installation, overhead doors, and interior finishings scheduled for the next

week. Upon completion, shelving will be assembled and we will plan the migration of our long-term evidence into the facility (photo above).

Details-

Chief Meyer and Dispatcher Maci Shrock attended a CVMIC sponsored Leadership Challenge Workshop training held in Wauwatosa.

Administrative interviews were held for our Patrol applicants. Two applicants will advance to the backgrounds stage of the hiring process.

Capt. Taft and Capt. Vander Steeg administered the physical fitness test for our patrol applicants advancing to the background stage.

Five sworn staff in their roles on the Walworth County Mobile Field Force Team will be assisting Milwaukee PD in securing the Brewers championship parade event.

Highlights

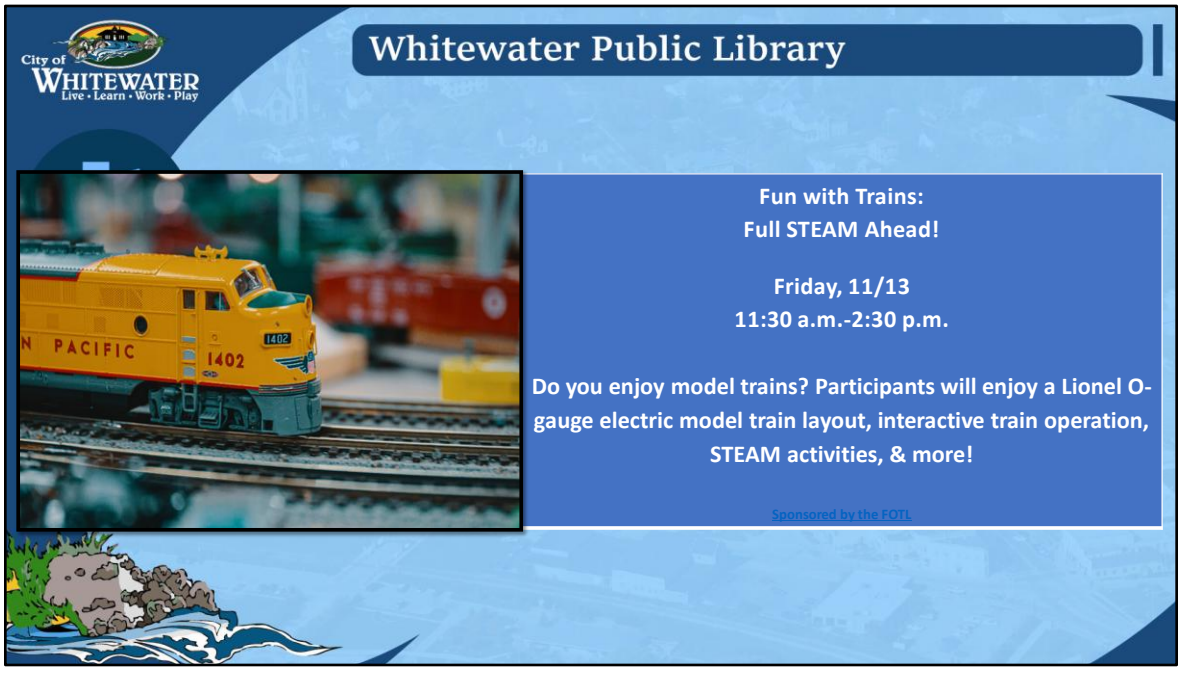

2 staff members attended the UW Homecoming parade with Engine 1222.

2 staff members provided EMS standby for the UW football game.

Staff attended the monthly EMS training hosted by Mercy. This month's topic was seizures and strokes.

Repairs to Engine1221 pump were completed and passed annual pump testing.

Highlights

"Whitewater Forward" Comprehensive Plan Update: Final review and approvals for the City's first update to the Comprehensive Plan since 2017 will be taking place next month. A presentation from RDG Planning & Design on the plan will be given at the November 9th Plan and Architectural Review Commission meeting. If recommended for final approval, the plan will be brought to the Common Council on November 17th. The Community Development Department and other City staff appreciate the robust engagement and comments from City residents that have been received on this plan update throughout this calendar year.

Downtown Event Planning: Department staff along with stakeholders from UW-Whitewater have been discussing and engaging in initial planning for a potential spring 2027 music event, to be held downtown as part of the Downtown Activation Initiative. Anyone interested in assisting with this process can find more info or sign up to assist with this project by visiting the Downtown Activation Initiative page on the City website.

Community Engagement Center: The Community Development Department

will be releasing a Request for Interest outreach form on the former Community Engagement Center property in the near future. This is being done with input from the Brookshire Company, which currently has the property listed for sale or lease. The intent of the RFI is to solicit potential businesses or developers to reactivate the property. Staff are also continuing to engage with the property's owners to discuss other potential ways to bring the site back to a highest and best use.

Highlights

Wisconsin Lake Leaders Institute Crew 16: Michelle Dujardin graduated on Friday, October 16th from the Wisconsin Lake Leaders Institute as part of Crew 16th. The Wisconsin Lake Leaders Institute is a statewide leadership program designed to equip local residents, volunteers, and professionals with the skills, knowledge, and networks needed to protect and manage Wisconsin's inland lakes.(Pictured above)

Cravath Lake Hunter's Moonlight Paddle: On Saturday, October 24, we welcomed 17 participants to our very first Moonlight on Cravath event. It was a wonderful evening of peaceful paddling, s'mores by the fire, great conversations, and new friendships. The event was a great reminder of how our lakes bring people together and encourage our community to get outdoors. We hope to continue inspiring residents to explore and enjoy both Cravath and Trippe Lakes! (pictured above)

WAFC:

Spooky Splash, held October 24, welcomed approximately 60 participants.
Fall 2 Swim Lessons currently have 71 registrations, with additional openings

available.
Dive In is scheduled for November 20 at 6:00 p.m.
SilverSneakers Classic classes will begin in November, expanding accessible fitness opportunities for individuals with mobility concerns.
Babysitting Certification Classes will be offered November 7 and 14.
Lifeguard Training is scheduled for November 20–22.

Fox 47: Michelle was invited to partnered with the Whitewater Tourism Council to film four promotional commercials highlighting four attractions, activities, and experiences the Greater Whitewater area has to offer. These videos are designed to showcase our community, attract new visitors, and encourage people to extend their visits into overnight stays, supporting local hotels, restaurants, and businesses while boosting tourism in Whitewater.

Soccer Open Gym: Starting Wednesday, October 28th, the Armory gym will be open from 5-8 PM Wednesdays and 3-7 PM Sundays for any high school aged and above community member looking to play some pick-up soccer! No need to sign up, just come and play!

Seniors In The Park: Join The Seniors in the Park for lunch as we honor and thank the brave men and women who have served our Country! We will be serving pulled chicken sandwiches, sides and refreshments. All are welcome to join us as we show our gratitude to those who have served. Deadline to register: Friday November 6. Please call the office at 262-473-0535 or email Ashley at aweber@whitewater-wi.gov to sign up or for any questions.

Highlights

Benefits

Open Enrollment is underway, with staff showing interest and curiosity in the City's new Coordinated Care Health Plan option for 2027. The new plan has sparked thoughtful questions and discussions. More information to follow in a staff report coming soon.

Recruitment

Recruitment efforts are ongoing for the Assistant Chief, Facility Maintenance, Basketball Assistant, and Lifeguard positions. Staff is also continuing the interview and selection process for the DPW Superintendent – Streets, Forestry & Parks position.

Anniversaries

Angela Sahr – PD – 19 years
Kristyn Kachel – Library – 8 years
James Jaquith (JAY-kwith) Streets – 8 years
Karen Esparza (ess-PAR-zah)– Library – 7 years
Ben Chapman – Streets – 4 years

Matt Rollins – FD – 3 years
Kristina Letson – HR – 3 years
Ryan Schroedl – Wastewater – 2 years (this time!)
Ashwini Rao – Community Development – 1 year

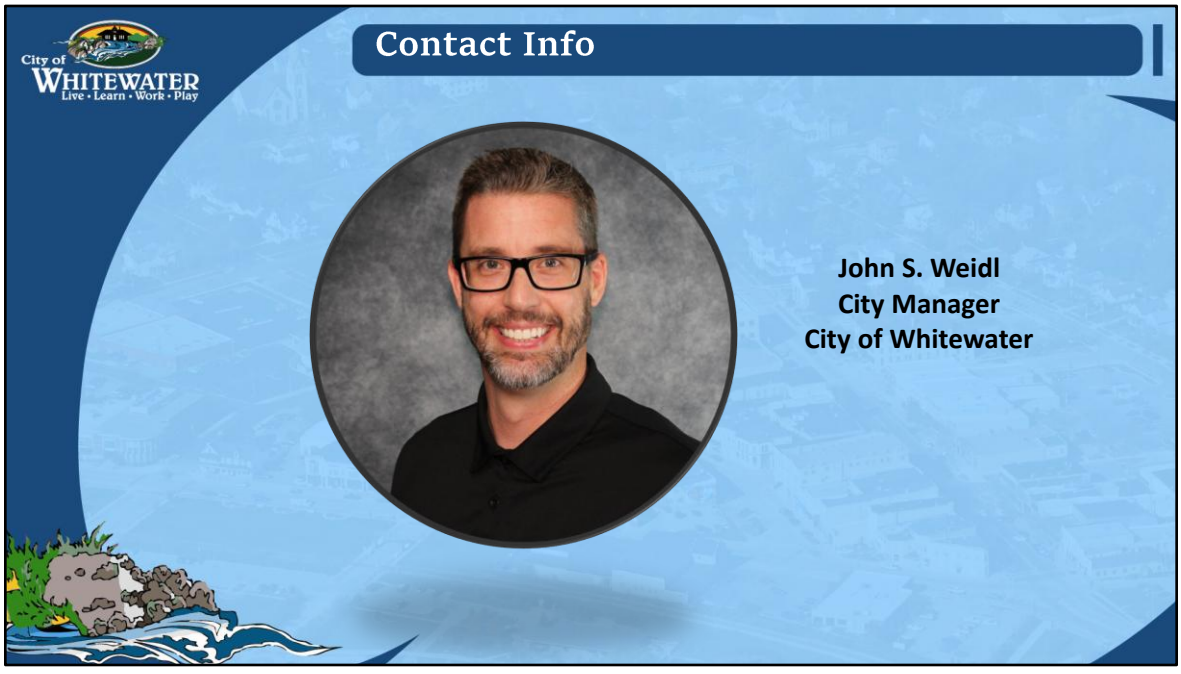

Upcoming events

Mark your calendars for these events!

For questions or concerns- reach out to Becky Magestro, Chief of Staff, 262-473-0101 or bmagestro@whitewater-wi.gov

As always, I am John Weidl, City Manager of Whitewater.

City of WHITEWATER

PROCLAMATION

WHEREAS, law enforcement officers, firefighters, emergency medical personnel, public works and transportation crews, towing and recovery operators, and other roadway responders perform critical and often lifesaving work at traffic incidents; and

WHEREAS, these responders routinely work alongside moving traffic, placing themselves at risk while assisting crash victims, clearing roadways, and protecting the traveling public; and

WHEREAS, safe and coordinated traffic incident response helps reduce secondary crashes, restore traffic flow, and improve safety for responders, crash victims, and motorists; and

WHEREAS, motorists play an important role in protecting those working along our roadways by remaining alert, avoiding distractions, slowing down, and moving over when approaching emergency and roadside response vehicles; and

WHEREAS, Crash Responder Safety Week provides an opportunity to recognize the dedication of our crash responders and remind every driver that *"Slow Down, Move Over. Lives are on the Line";*

NOW, THEREFORE, BE IT RESOLVED, that the City of Whitewater hereby recognizes November 2–6, 2026, as Crash Responder Safety Week and encourages all residents and motorists to exercise caution around traffic incidents, obey Wisconsin's Move Over Law, and help protect the men and women who work every day to keep our roadways and community safe.

Dated this 3rd day of November 2026.

John S. Weidl
City Manager for the City of Whitewater

City of WHITEWATER

Proclamation

WHEREAS, American Indian and Alaska Native Heritage Month is an opportunity to learn about the rich cultures, histories, and contemporary issues facing Native American and Alaska Native peoples; and

WHEREAS, the observation began in 1986 to have a day to honor Native Americans as a recognition of American Indian Week by President Ronald Reagan, but was expanded by President George W. Bush in 1990 as proclaiming November to be National American Indian and Alaska Native Heritage Month calling upon Federal, State and local Governments, groups and organizations and the people of the United States to observe such month with appropriate programs, ceremonies and activities; and

WHEREAS, the 2025 U.S. Census estimates that slightly over 1% of Whitewater's population are American Indian and Alaska Native residents; and

WHEREAS, .11% of the students in the Whitewater Unified School District identify as American Indian and Alaska Native; and

WHEREAS, .3% of the students at the University of Wisconsin-Whitewater in Whitewater, Wisconsin, identify as American Indian and Alaska Native; and

WHEREAS, the City of Whitewater joins the rest of the nation in recognizing the unique and vital role in our economy, workforce, education, and faith communities these American Indian and Alaska Native residents contribute.

NOW, THEREFORE, I, **John Weidl, City Manager for the City of Whitewater, Wisconsin** proclaims the month of November 2026 as National Native American Heritage Month in the City of Whitewater and encourages residents to observe this month. Presented this 5th day of November 2026.

John Weidl, City Manager of Whitewater

City of WHITEWATER

PROCLAMATION

WHEREAS, hunting is enshrined in Wisconsin's state constitution and etched into our shared history, creating oppo1tunities to bond with nature while acting as a source of healthy food for hunters, their families, and local food assistance programs; and

WHEREAS, the Wisconsin Department of Natural Resources (DNR) Deer Donation Program, administered with counties and local pa1tners, is a practical solution to combating hunger and embracing the role of hunting as a vital component of Wisconsin communities and culture; and

WHEREAS, promoting the Wisconsin tradition of sharing our wild game harvests takes on even greater significance as we strive to protect the future of hunting and promote it as a food source, a right, and an essential wildlife management tool; and

WHEREAS, Wisconsinites are encouraged to gain a greater understanding and awareness of food insecurity and how it impacts our nation, state, and local communities; and

WHEREAS, hunger is a problem we can help solve together through established donation programs, such as the Wisconsin DNR's Deer Donation Program or other independent "Hunt for the Hungry" efforts, so that one day hunger no longer exists in our state; and

Now therefore, I, John Weidl, City Manager for the City of Whitewater,
hereby proclaim November 2026 as:

Wild Game Meat Donation Month

I encourage all hunters to donate surplus wild game as private acts of generosity or through organized programs like the Wisconsin DNR 's Deer Donation Program and we ask all to financially support local donation efforts as we prepare to celebrate Thanksgiving and the season of giving.

John S. Weidl
City Manager for the City of Whitewater

City of WHITEWATER

PROCLAMATION

International Day for Tolerance

WHEREAS, on November 16, 1995, the member states of United Nations Educational, Scientific and Cultural Organization adopted the Declaration of Principles on Tolerance, and the United Nations General Assembly thereafter designated November 16 of each year as the International Day for Tolerance; and

WHEREAS, the Declaration recalls the founding call of the United Nations Charter for all peoples to practice tolerance and to live together in peace as good neighbors; and

WHEREAS, the Declaration holds that tolerance means more than putting up with difference. It is the active respect, acceptance, and appreciation of the full diversity of human cultures, expression, and ways of life, sustained by openness, honest communication, and freedom of conscience and belief; and

WHEREAS, the Declaration affirms that tolerance does not ask anyone to abandon their own convictions. It asks each person to hold their beliefs freely, to accept that others hold theirs, and to refrain from imposing their views on others; and

WHEREAS, the Declaration recognizes that people, diverse by nature, have "the right to live in peace and to be as they are"; and

WHEREAS, the Declaration warns that intolerance often appears as the marginalization of people and their exclusion from social and civic participation, and it calls on governments to administer their affairs fairly and impartially and to extend equal opportunity to every person; and

WHEREAS, the City of Whitewater's Mission is to provide efficient and high-quality services which support living, learning, working, and playing in an exceptional community; and

WHEREAS, the City's Vision commits Whitewater to remain a welcoming, safe, and dynamic community that embraces the opportunities offered by a thriving University and an increasingly diverse population, and to foster a spirit of openness and fairness that encourages individuals to participate publicly and prosper personally; and

WHEREAS Whitewater's strength has always rested on residents who, whatever their differences, recognize one another as neighbors;

NOW, THEREFORE, I, John S. Weidl, City Manager of the City of Whitewater, do hereby proclaim November 16, 2026, as INTERNATIONAL DAY FOR TOLERANCE in the City of Whitewater. I affirm that every resident, of every background, belief, and way of life, belongs in Whitewater and is welcome to take part fully in its public life. I encourage all who live, learn, work, and play here to meet one another with dignity, respect, and good faith, and to be good neighbors to one another.

MEMORANDUM

To: Common Council
From: Becky Magestro, Chief of Staff
Date: November 5, 2026
Re: Follow up on Community Survey questions and concerns.

This memo provides follow-up information from ETC Institute regarding questions raised at the October 20, 2026, Common Council meeting about the Community Survey's methodology and respondents' affiliations with the University of Wisconsin–Whitewater. It also addresses a resident's concerns during public comment about the survey's statistical validity and potential bias toward University students.

Survey Distribution and Verification

ETC administered the 2026 Community Survey to a random sample of Whitewater households. The sample was selected from a list of residential households within the City's GIS boundary. Each selected household received a seven-page survey, a cover letter, and a postage-paid return envelope. Households could respond by mail or online. Online respondents were required to provide their home address, which ETC verified against the original sample list. Responses from individuals outside the random sample were kept separate and excluded from the statistically valid results. ETC also conducted follow-ups with sampled households and used targeted social media advertisements to encourage participation.

Sample Size and Statistical Reliability

ETC's goal was to obtain at least 500 completed surveys; 512 residents responded. ETC reports a margin of error of approximately ±4.3 percentage points at the 95% confidence level. This means that, in repeated random sampling using the same method, approximately 95% of the resulting confidence intervals would contain the actual population value. The margin of error describes sampling uncertainty; it does not account for every potential source of survey error, such as differences between households that responded and those that did not. The methodology and sample size support using the survey to inform City planning and decision-making.

University Affiliation and Respondent Profile

The respondent profile does not support the specific claim that University students made up a disproportionately large share of survey respondents. Only 5% identified as students, while 50% reported no University affiliation.

Affiliation with UW–Whitewater	Percentage
No University affiliation	50%
Alumni	25%
Family member of a student	8%
Staff	6%
Other	4%
Undergraduate student	3%
Faculty	3%
Graduate student	2%

Percentages total 101% due to rounding.

Additional respondent characteristics show that 63.7% own their home, fewer than 1% live in student housing, and respondents are distributed relatively evenly across the reported age categories, at approximately 20% per category. ETC noted that the survey was conducted during the summer months, when fewer students may have been on campus or living in the area. This timing may have affected student participation. Determining whether students were underrepresented would require comparing their share of respondents with their share of the population the survey was designed to represent.

The results provide useful feedback on residents' experiences and priorities and should be considered alongside other public input as the City evaluates services and future investments. Please also see the additional memo from City Manager John Weidl, dated September 4, 2026, outlining a proposed first step for acting on the Community Survey results.

MEMORANDUM

TO: Common Council
FROM: John S. Weidl, City Manager
DATE: September 4, 2026
RE: 2026 Community Survey: Transmittal and a Proposed First Step

---

Transmitted with this memo are ETC Institute's 2026 Community Survey Findings Report and Appendix A (GIS Maps). The survey was mailed to a random sample of households in July and August; 512 completed it, giving results a precision of ±4.3% at the 95% confidence level (p. i). This is the City's first ETC survey, so the numbers are a baseline rather than a trend.

What the survey says. Whitewater rated above both the Plains and national averages in 29 of 45 benchmarked items (p. iv), with the strongest results in fire and EMS (80-84%), police response (79%), solid waste (81%), library services (80%), and wastewater (73%) (pp. ii-iii). Residents rated us lower on the condition of streets (41%) and sidewalks (45%) (p. 11); on how well the City is planning for growth (25%) and the value received for taxes and fees (31%) (p. 4); and on communication, where 39% feel the City keeps them informed, 30% are satisfied with the timeliness of information, and 23% with the level of public involvement in decision-making (p. 28). ETC's Importance-Satisfaction analysis identifies ten "very high" priorities, and every one falls into three groups: streets, sidewalks, and snow removal; water and wastewater rates and drinking-water quality; and communication and public involvement (p. v; Section 3). On longer-term questions, 69% see a need for more single-family homes, 60% support City action to increase housing availability, and a grocery store tops the list of desired retail (pp. iii-iv); those results are inputs to the comprehensive plan rewrite.

I would like Council's direction on priorities. Rather than bring you a staff agenda, I am asking that at the presentation each of you tell us what you consider most important to focus on. Staff will begin working those priorities into the budget now, and Council can carry them into the full strategic plan update planned for 2028. My own reading of the report points to streets and communication, but I would rather hear yours first.

What stood out to me. One suggestion in the open-ended comments (p. 83) asked that the City divide the community into manageable sections and hold a meeting in each. That idea lines up with several findings elsewhere in the report:

- Half of residents are interested in providing feedback to community leaders, but only about a third are aware of opportunities to do so (p. 18).
- Residents are engaged: 81% voted in a local election and 25% attended a Council meeting in the past year (p. 6). The barriers they name (pp. 63-66) are meeting times, short notice, agendas without topics, and information that does not reach them.
- Only 25% believe the City is planning well for growth (p. 4), while the comments ask for the very things our plans contain: jobs, housing, downtown investment, and better streets.

Proposal. Hold a meeting in each of the five aldermanic districts (Attachment B) ahead of the 2028 strategic plan update, using the format the comprehensive plan rewrite has already established, with two purposes: show residents, on maps of their own district, the plans already in place (capital improvements, utility replacements, plow priorities, public safety response, land use, and development districts), and collect their input for staff, Council, and the strategic plan. After each meeting, staff would publish what was heard and what was done in response. The meetings will also tell us whether the growth-planning number reflects plans residents do not see or plans they do not support. This addresses three of ETC's very-high priorities directly and supports the streets priority by making the plan visible.

What will follow. For streets, staff will bring funding and pace options, showing what the current program delivers each year and what it would take to change the trajectory, as part of the 2028 budget and CIP. For water and wastewater, staff will bring a briefing on rates, reserves, and drinking-water quality in the first quarter of 2028. Repeating the survey ahead of the strategic plan update would give it a second data point.

Attachment A lists the display boards staff would prepare for each meeting, the responsible department, and the data source. If Council supports this approach, staff will return with a schedule.

Attachment A

District Meeting Display Boards: Assignments by Department

Each board is prepared for the specific aldermanic district being visited, at a common scale on the GIS base map, and printed as a poster. Departments supply the data; Media Services designs and prints.

Display board	Data source
Public Works: Streets	
PASER pavement ratings, every street in the district	WISLR/PASER ratings submitted to WisDOT
5-year CIP for the district (reconstruct, mill/overlay, sidewalk), year labeled per segment	Adopted CIP; Engineering project list
Sidewalk gap and condition	Sidewalk inventory/inspection records
Stormwater flooding locations and planned drainage work	MS4/stormwater utility maps; complaint log; CIP
Bike/trail network and gaps (joint with Parks)	Comp plan bike-ped element; existing trail inventory
Public Works: Water & Wastewater Utility	
Main replacements coordinated with repaves, 5-year	Utility CIP cross-referenced to street CIP
Main age / lead service line status	Utility asset inventory; LSL inventory filed with DNR
Water and wastewater rate history and what a rate dollar funds (joint with Finance)	PSC rate orders (water); Council rate resolutions (wastewater); utility budgets
Police	
Police response geography, generalized	CAD/dispatch data
Calls for service by type	RMS, excluding identifying detail
Traffic and speed complaint locations with planned calming	PD complaint log; Engineering speed studies
Fire/EMS	
Fire and EMS response geography, generalized	CAD/dispatch; ePCR incident locations
Community Development	
Draft future land use for the district	Comp plan consultant working draft
Housing pipeline: approved and under construction, including the sub-$350K homes	Permit and plat records
Rental vs. owner-occupied parcels or rental-registration density	Rental licensing database; assessor class codes
Tax-exempt parcels (university, nonprofit, government)	Assessment roll exempt property list; county land records
TIF districts and proposed overlays, what each finances	TID project plans; boundary maps
Wastewater utility → TID → developer loan structure, rates at each step, homes produced	Loan agreements; development agreement
Downtown districts only: façade, streetscape, activation projects	CDA/downtown project list
Finance	
Property tax bill breakdown by taxing jurisdiction	Current tax bill apportionment; Treasurer records
Parks & Recreation	
Parks, trails, facilities with planned improvements	CORP; parks CIP
Chief of Staff / Media Services	
Design and printing of all boards	Department-supplied maps and data
Common legend template and QR codes linking each board to its digital version	Media Services
"Your district" board: alderperson and contact, meeting schedule, notification sign-up, polling place	Clerk records for polling place and meeting calendar
Sticky-note asks board; next-round "what we heard / what we did" board	Meeting log
Promotion through the Banner, Whitewater Anything, city channels	Communications plan
GIS	
Common base map, district outline, and scale for all map boards	GIS
Plow routes and priority tiers covering the district	GIS route layer; Streets division for tier policy
Overlay and mapping support for department boards (TIF, land use, response geography, parcels)	GIS, with department-supplied data

2027 BUDGET BRIEFING

	TAXES	SPECIAL ASSESSMENTS	INTERGOVT REVENUES	LICENSES & PERMITS	FINES, FORFEIT PENALTIES	PUBLIC CHARGES FOR SVCS	MISC REVENUE	OTHER FINANCING SOURCES
2023 ACTUAL	6,120,288	138	4,250,383	167,690	250,979	62,413	1,410,557	180,207
2024 ACTUAL	6,197,955	2,725	4,760,085	147,578	282,636	62,162	1,386,115	81,110
2025 ACTUAL	6,762,967	4,870	5,287,630	405,884	286,883	68,003	1,185,358	177,032
2026 BUDGET	8,077,567	500	5,547,402	752,950	291,550	56,150	1,036,870	126,160
2027 ADJ BUDGET	8,297,012	500	5,610,281	478,450	337,100	69,850	1,043,221	190,910

This slide compares 2023-2025 actual with 2026-2027 budgeted revenues.

- Taxes continue to be the City's largest and most stable revenue source.
- Intergovernmental revenues also show consistent growth over time, reflecting increases in state aid and shared revenues, which help support the general fund.
- License and Permits remain relatively stable, with only modest year to year fluctuations tied to development activity.
- Fine and Forfeitures have been increasing gradually, though they represent a small portion of overall revenues.
- Public Charges for Services remain fairly consistent, with only minor changes across the years.
- Miscellaneous Revenue drops slightly in 2026 and stabilizes in 2027. Prior years reflect a higher interest earning environment.
- Other Financing Sources vary from year to year, reflecting one-time or non-recurring funding decisions.

2027 BUDGET BRIEFING

	ADMINISTRATION	PUBLIC SAFETY	PUBLIC WORKS	PARKS AND RECREATION	NEIGHBORHOOD SVC/PLANNING	TRANSFERS	CONTINGENCIES
2023 ACTUAL	1,758,920	5,190,828	1,212,804	682,036	355,387	3,070,024	41,800
2024 ACTUAL	1,819,346	5,728,789	1,151,405	861,057	388,073	2,785,074	126,092
2025 ACTUAL	2,079,949	5,973,198	1,117,743	889,765	541,164	3,620,275	35,850
2026 BUDGET	2,064,053	7,069,774	1,342,084	922,346	851,065	3,629,830	10,000
2027 ADJ BUDGET	2,161,844	7,112,675	1,104,896	1,052,513	665,241	3,853,154	77,000

This graph compares 2023-2025 actual with 2026-2027 budgeted expenses.

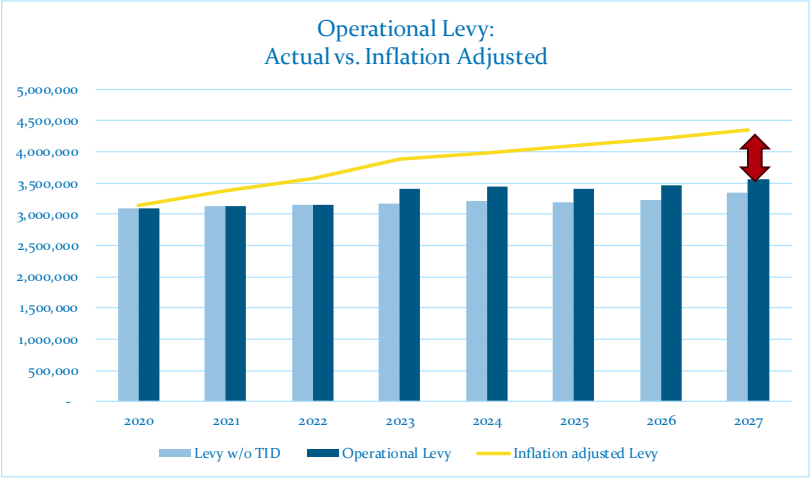

- Administration expenses remain stable with only modest growth, reflecting consistent operational needs and limited year-to-year variability.
- Public Safety continues to be the largest expense category and shows steady increases each year. This growth reflects rising personnel costs, equipment needs and service demands across police and fire/EMS operations.
- Public Works expenses fluctuate slightly but generally trend upward, driven by maintenance needs, material costs and infrastructure support.
- Parks and Recreation shows gradual annual increases as programming, maintenance and facility needs continue to expand.
- Community Development (Neighborhood Services) experiences moderate growth ties to development activity and community service demands.
- Transfers see a noticeable increase in the 2026 and 2027 budgets, representing internal funding commitments such as support for debt service, capital needs or operational support for other designated funds.

2027 BUDGET BRIEFING

- This graph compares the 2026 and 2027 budget and highlights the various cost drivers from year to year.
- Personnel & Benefits remains the largest cost driver (total dollars). While only an increase of 1.5%, it represents an overall increase of approximately $150,000.
- Commodities and other expenses increased significantly as we have adjusted the budget to reflect rising fuel prices.
- Insurance costs rise by 9.1% continuing a trend across all municipal coverage types

2027 BUDGET BRIEFING

The gap:
$788,857 -
$1,008,210

This chart compares the City's actual operational levy to what it would have been if it had grown with inflation. Referendum impacts are removed since they added staff rather than offset inflation. A separate column shows the levy without the 2023 TID-closure adjustment. The gap between the actual and inflation-adjusted levy reflects the City's loss of purchasing power over time.

2027 BUDGET BRIEFING

CAPITAL PROJECTS – GENERAL FUND

- DPW Facility Design $500,000
- Lakes Management $150,000
- Whitewater Street/Cravath Park Brick Replacement $210,000
- Air Handler Replacement (Library) $185,000
- Zoning Code Rewrite $120,000
- Design for 7 street improvement/reconstruction projects in 2028
- 2 Street improvement/overlay projects $390,000

2027 BUDGET BRIEFING

CAPITAL PROJECTS – GENERAL FUND (DEFERRALS)

- Birge Fountain
- Moraine View

These projects were recommended to be deferred to 2028 by the Finance Committee since the project details are not finalized at this time.

2027 BUDGET BRIEFING

CAPITAL PROJECTS – UTILITIES

- Starin Park Underground Detention Pond $3,625,000
- Detention basin dredging $345,000
- Starin Rd water main relocation $265,000
- Water meter replacements $225,000
- Water facility assessment $128,000
- Sludge thickener/dewatering $250,000

2027 BUDGET BRIEFING

FUND BALANCE POSITION

- City's policy 20% of operating costs
- Estimated fund balance at year end $3,197,905 or 23.2%
- How does fund balance support long-term stability?

The City's fund balance policy requires 20% of operational costs in a given year. The City estimates its fund balance to be $3,197,905 at the end of the year. This represents 23.2% of operating costs (debt levy not included in the calculation).

Having a healthy fund balance supports long-term stability in several ways:

- Protects the City from revenue volatility
- Supports cash flow throughout the year
- Stabilizes the budget over multiple years
- Improves financial flexibility
- Strengthens credit ratings and reduces borrowing costs
- Helps the City manage long-term capital planning
- Prevents disruptive service cuts

G.O. Debt Capacity

Existing Debt					Proposed Debt						
Year Ending	Projected Equalized Value (TID IN)[1]	Debt Limit 5% of EV	Existing Principal Outstanding	% of Limit	2026 STF Loan	2027 G.O. Notes	2027 CWF Loan	Combined Principal Existing & Proposed	% of Limit	Residual Capacity	Year Ending

Notes:
1) Projected TID IN EV based on 5-year average at 4.76% annual inflation.
2) Projected EV also includes Summerset Marine value

EHLERS PUBLIC FINANCE ADVISORS

6

This slide is from the City's financial advisor, Ehlers. It shows the debt capacity with the existing debt and the change when we incorporate the proposed debt. The proposed debt would move the City from 54% to 58% of the state imposed limits.

5

This slide is also from the City's financial advisors and covers the tax impact of the proposed borrowing. The current tax rate for debt service is $1.80 per $100,000 of equalized value. The proposed debt is expected to increase the tax rate for debt service to $1.85 for 2028.

2027 BUDGET BRIEFING

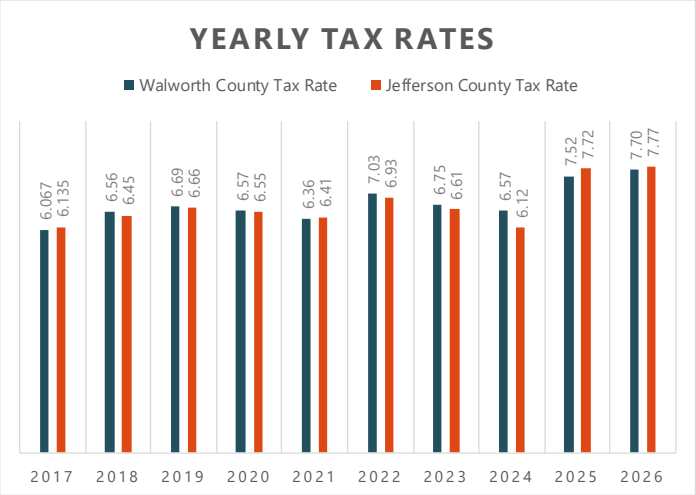

DEBT PROFILE AND TRENDS

- Current debt levels and future obligations
  - 53% of State's 5% limit
  - 75.7% of City's 3.5% policy
- Debt service as a percentage of the budget
  - 12.4%
- How does upcoming capital planning affect borrowing capacity?

GFOA recommends keeping the debt service as a percentage of the operating budget under 15%.
15-20% is considered elevated and anything over 20% is considered high risk.
Upcoming capital planning has a direct impact on the city's borrowing capacity because long-term borrowing decisions must anticipate not only what we need today but what we will need to finance over the next several years.

- Future capital projects create future debt obligations
- Helps avoid exceeding debt service targets
- A strong capital plan prevents "crowding out"
- Improves credit rating stability
- Supports timing decisions
- Enhances financial flexibility
- Ensures levy impact is manageable

2027 BUDGET BRIEFING

This chart shows the historical tax rates for Walworth and Jefferson Counties from 2017-2026.

- Both counties have generally experienced modest fluctuations over time.
- 2022 and 2025 show sharper increases from voter approved public safety referendums.

2027 BUDGET BRIEFING

MILL RATE IMPACTS – WALWORTH COUNTY

Assessed Value	2025 City Taxes	2026 City Taxes	$ Chg	% Chg
$150,000	$1,128	$1,157	$29	2.53%
$200,000	$1,504	$1,542	$38	2.53%
$250,000	$1,880	$1,928	$48	2.53%
$300,000	$2,256	$2,313	$57	2.53%
$350,000	$2,632	$2,699	$67	2.53%
$400,000	$3,008	$3,084	$76	2.53%
$450,000	$3,470	$3,470	$86	2.53%

Walworth County's mill rate increased by 0.19, which represents a 2.53% rise. For a resident with a home assessed at $350,000, this change amounts to approximately $67 more per year, or about $5.58 per month on their tax bill.

2027 BUDGET BRIEFING

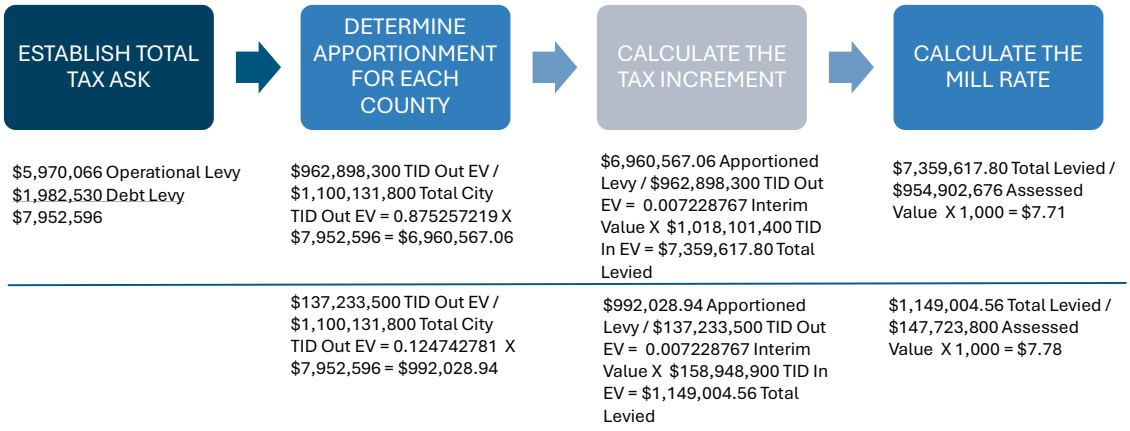

MILL RATE IMPACTS – JEFFERSON COUNTY

Assessed Value	2025 City Taxes	2026 City Taxes	$ Chg	% Chg
$150,000	$1,158	$1,167	$9	0.78%
$200,000	$1,544	$1,556	$12	0.78%
$250,000	$1,930	$1,945	$15	0.78%
$300,000	$2,316	$2,334	$18	0.78%
$350,000	$2,702	$2,723	$21	0.78%
$400,000	$3,088	$3,112	$24	0.78%
$450,000	$3,474	$3,501	$27	0.78%

Jefferson County's mill rate increased by 0.05, which represents a 0.78% rise. For a resident with a home assessed at $350,000, this change amounts to approximately $21 more per year, or about $1.75 per month on their tax bill.

2027 BUDGET BRIEFING

HOW DOES THE CITY DETERMINE THE MILL RATE?

We begin by determining the total tax ask, which is the combined amount of the operational levy and the debt levy. Next, we calculate how much of that levy should be assigned to each county. To do this, we divide each county's TID-Out equalized value by the City's total TID-Out equalized value. This gives us the percentage share each county is responsible for. We then apply that percentage to the total levy to determine the levy amount allocated to each county.

From there, we calculate the tax increment. We take the county-apportioned levy amount and divide it by the county's TID-Out equalized value to obtain an interim rate. That interim rate is then multiplied by the county's TID-In equalized value to determine the total amount of tax increment being levied.

Finally, to determine the mill rate, we take the total levy (including increment) for each county, divide it by the assessed value, and multiply by 1,000.

2027 BUDGET BRIEFING

TAXPAYER IMPACTS BEYOND THE MILL RATE

- Maintenance year for assessments
- Levy drivers
  - Personnel costs
  - Debt service payments
  - Inflation on goods and services

This year was a maintenance year for property assessments, meaning only properties that were sold or had significant permitted work received a reassessment.
Our primary cost drivers were outlined in a previous slide. The largest increases continue to come from personnel costs (in terms of total dollars) and inflation in goods and services (in terms of percentage), particularly fuel. Debt service and rising interest rates also remain significant factors affecting the budget.

2027 BUDGET BRIEFING

LONG-TERM FINANCIAL OUTLOOK

- Key risks and pressures
  - Inflation out pacing levy limits
  - Aging infrastructure and rising capital needs
- Opportunities
  - Health Insurance
- Strategic Priorities for the next budget cycle
  - Capital planning and replacement schedules
  - Revenue stability and diversification

The City continues to face structural cost pressures, particularly in personnel expenses and inflation on goods and services—both of which are growing faster than allowable revenues. This imbalance will continue to constrain future budgets. In addition, our roads, facilities, and equipment require ongoing investment, and delaying maintenance only increases long-term liabilities. Upcoming capital needs, including the DPW facility, will place additional pressure on borrowing capacity and future debt service, underscoring the importance of long-term financial planning.

Health insurance remains one of the fastest-growing employer costs; however, the structural changes implemented in 2025 are producing positive results. While 2025 saw substantial savings, the 2026 budget reflected higher utilization of the Direct Care Providers (DCP) and several plan adjustments. Continued education on benefit use and refining incentives around DCP utilization have helped limit the 2027 premium increase to just 3%. Our goal is to maintain access to high-quality care while keeping costs manageable for both employees and the City.

Strategic priorities for the next budget cycle include strengthening capital planning and debt management by updating the multi-year capital improvement plan, refining prioritization criteria, and identifying which projects should shift to cash-funding to preserve borrowing capacity. Another key priority is revenue stability and diversification.

The City will be reviewing fee structures to ensure they reflect true costs and exploring opportunities to increase non-levy revenues to reduce pressure on the tax base.

2027 BUDGET BRIEFING

ITEMS REQUIRINIG COUNCIL DIRECTION

- Potential Budget Cuts & Impact
  - Budgeting HRA for 50% utilization; $30,000
  - Mobile studio; $7,000
  - Utilize fund balance for additional Library transfer; $77,000
  - Aurelian; $31,000
  - Shop/Fleet repair line reduced by $10-$15,000
  - Equipment rental line reduced by $2,500
  - No increases to wages in 2027; $71,000 (non-union personnel only)
  - Staffing cuts

The Council and Finance Committee set a goal of keeping taxes flat for 2027. The budget being presented is balanced and has already gone through two rounds of reductions. To keep Walworth's mill rate flat, however, an additional $189,000 in cuts would be required. At this point, reductions of that size would almost certainly require holding wages flat or eliminating positions, as remaining discretionary areas are limited.

For context, the proposed increase in Walworth equates to approximately $67 per year—or $5.58 per month—for a home assessed at $350,000. Jefferson County would see a $16 annual increase on the same property.

These cuts were reviewed by the Finance Committee, and they elected to bring them to the full Council.

Potential reductions include:

- Budget the HRA at 50% utilization, saving $30,000 in the General Fund. While this would help reduce the mill rate, it would set a precedent for underfunding a liability.
- Remove the mobile studio from the budget, saving $7,000. Doing so may limit our ability to address technical needs for meetings held outside the Council Chambers.
- Use fund balance for the additional Library transfer, saving $77,000.
- Reduce the Shop/Fleet repair line by $10,000–$15,000. Although budgeted at $27,000, the City has spent only about $10,000 in each of the last two years. The risk is that major repairs can arise unexpectedly.
- Reduce an equipment rental line for snow and ice control by $2,500.

- Remove the new dispatch software (Aurelian) requested by the Police Department, saving $31,000.
- Hold wages flat for 2027, saving $71,000. Only applies to non-union personnel and is not recommended due to significant negative impacts on recruitment, retention, and morale, but it remains an option.

Anything beyond these reductions would require eliminating positions. As a reference point, every $10,000 cut reduces the mill rate by approximately $0.01, or $1 per $100,000 of assessed value.

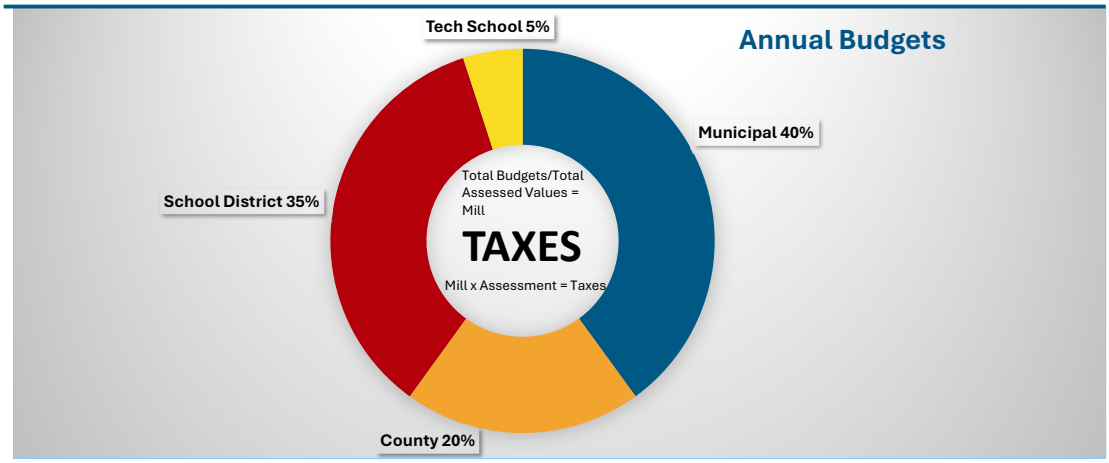

2027 BUDGET BRIEFING

WHAT TO EXPECT AT THE NEXT MEETING

- Budget hearing November 17, 2026
- Total tax rate

The budget hearing is scheduled for November 17, 2026, at which time the budget—along with any approved changes—will be presented for adoption. You can also expect to receive the total tax rate for all taxing jurisdictions, with the exception of the state tax credits, which are typically updated later in November.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

City of Whitewater
Wisconsin

For the Biennium Beginning

January 01, 2026

Christopher P. Morrill

Executive Director

We are proud to have received the GFOA Distinguished Budget Award every year since 2018, including for our 2026-2027 Operating Budget.

The award represents a significant achievement reflecting the commitment of city staff to utilize best practices within governmental budgeting. In order to receive the budget award, the City of Whitewater had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as: a policy document, financial plan, operations guide and communications device.

Budget documents must be rated as "proficient" in all four categories, and in fourteen mandatory criteria within those categories to receive the award.

Over 403 municipalities were awarded the Distinguished Budget Presentation Award across the nation for the 2026 budget year, 34 of which were in Wisconsin. Whitewater is proud to be among the Wisconsin award winners for the 2026-2027 budget years. The most recent Budget Award recipients, along with their corresponding budget documents, are posted quarterly on GFOA's website www.gfoa.org.

Dear Community Member,

On behalf of City staff, we are pleased to present the City of Whitewater's Budget for Fiscal Year 2027. Each year, the budget serves as one of the most important tools we use to plan for the services, programs, and investments that support our community. It reflects how we use public resources to maintain safety, support local businesses, enhance quality of life, and move Whitewater forward.

This budget is designed to give residents a transparent overview of how City funds are collected and spent. It shows how we allocate resources based on projected revenues, community priorities, and the long-term goals established by the Common Council. Our aim is to help community members understand not only what the City provides, but also how financial decisions are made and how those decisions impact daily life in Whitewater.

To guide this work, we have developed a set of Guiding Principles that help prioritize investments, promote accountability, and measure our progress. These principles ensure that your tax dollars are used responsibly and that the City continues to deliver essential services efficiently and effectively.

Deliver a Balanced Budget

The City will prepare and adopt a budget in which ongoing revenues are sufficient to fund ongoing operating expenditures, ensuring long-term fiscal sustainability.

Maintain a Prudent Fund Balance

The City will maintain an unassigned General Fund balance of at least 20% of annual operating expenditures to provide for cash flow stability, emergency needs, and unforeseen fiscal challenges.

Align Budget Initiatives with Strategic Goals

All budget priorities, initiatives, and resource allocations will be aligned with the City's strategic plan, ensuring that financial decisions support the community's long-term vision and objectives.

Manage Debt Responsibly

The City's general obligation (GO) debt shall remain below 70% of the statutory debt capacity, preserving borrowing flexibility for future capital needs and maintaining a strong credit position.

Sustain Infrastructure Investment

The budget should include consistent investment in maintaining and improving the City's infrastructure to support safety, reliability, and economic vitality.

Promote Transparency and Accountability

The budgeting process will be open, transparent, and data-driven, ensuring public trust and informed decision-making.

Encourage Efficiency and Innovation

Departments are encouraged to pursue cost-effective solutions and operational efficiencies, including technology and process improvements, to maximize the value of public resources.

Maintain Competitive and Fair Compensation

The budget will provide for a stable and competitive workforce by ensuring compensation and benefits are fair, fiscally responsible, and aligned with the City's ability to pay.

Budget Overview

This document presents budgeted amounts for all aspects of 2027. Staff have evaluated and updated all revenue and expenditure values for the 2027 budget year. Any revisions will be presented to Common Council for review and adoption of the Budget to establish the 2026 tax levy and appropriation of 2027 spending at a Public Hearing on November 17, 2026.

Total Budget Expenditure Summary

	2026 Adopted Budget	2027 Proposed Budget	Change Amount	Percentage Change
General Fund	15,889,151	16,027,324	138,173	0.9%
Debt Service Fund	1,895,130	2,573,783	678,654	35.8%
Special Revenue Funds	6,702,906	6,794,292	91,386	1.4%
Enterprise Funds	16,287,116	14,521,716	(1,765,400)	-10.8%
Total Operating Budget	40,774,302	39,917,115	(857,187)	-2.1%
Special Purpose Funds	2,884,726	1,759,829	(1,124,897)	-39.0%
Total Budget with Special Purpose Funds	43,659,029	41,676,944	(1,982,084)	-4.5%
Capital Improvement Budget	5,386,491	2,824,603	(2,561,888)	-47.6%
Grand Total Budget	49,045,519	44,501,547	(4,543,972)	-9.3%
Agency Funds	64,000	64,000	-	0.0%

General Fund Overview (Revenues)

All General Fund Revenues are detailed on pages 50-52. Significant Revenue elements include:

1. **Property Tax Levy**. The 2027 Budget includes a property tax levy of $7,952,596. Property tax is the single largest source of funding for local services representing 52% of total General Fund revenue. The City has become more reliant on property tax as State shared revenues have declined over time.
   This is comprised of two parts:
   a. **General Levy**: - This levy is the primary source of funding for City operations totaling $5,970,066 for 2027. This is an increase of $105,797 or 1.8% from 2026. This adjustment is the result of net new construction growth.
   b. **Debt-Service Levy**: This levy provides funding for the City's annual debt service for all capital borrowings not related to Utility or Tax Increment projects. Utilities and Tax Increment Districts support the repayment of their related debt from utility billing and Tax Increment revenue and do not receive support from property taxes. The 2027 Debt Service levy totals $1,982,530 representing an increase of $103,200 over 2026.
2. **Shared Revenue**. Several State programs are collectively referred to as Shared Revenue. We receive funding under these programs due to state efforts to provide property tax relief and compensation for services provided to electric utility properties that are exempt from property taxes. These programs represent a combined 26.2% of our total General Fund revenue. Each September, the Wisconsin Department of Revenue provides communities with an estimate of funding for these programs in the following year, pending appropriation under the State budget process.

   a. County and Municipal Aid: expected to increase by $78,517 to $3,817,502.
   b. Utility Aid: expected to slightly decrease by $385 to $387,232.
   c. Expenditure restraint: the City does not qualify for 2027 due to the passage of the referendum.

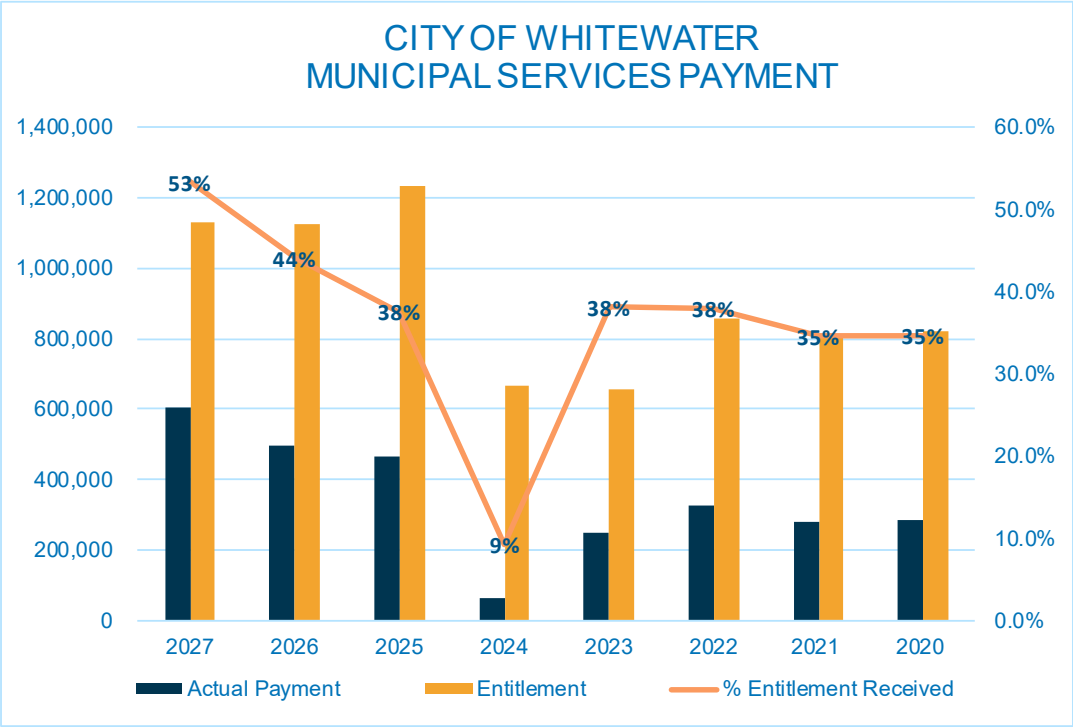

3. **General Transportation Aids (GTA)**. GTA is administered by the Wisconsin Department of Transportation (WisDOT) to defray a portion of costs incurred in constructing, maintaining, and operating roads within city limits. The GTA payment is based on a formula that includes actual local road-related spending over the past 3-6 years. WisDOT provides communities with an estimate of funding for the following year, pending appropriation under the State budget process. The 2027 GTA payment is estimated to increase from $580,479 to $617,481.

4. **Room Tax**. There is an 8% Room Tax on overnight lodging in the city. The local businesses keep 2% of the total tax collected with 70% of the remaining tax collections are paid to the Whitewater Tourism Council to promote local tourism as required under state statue. The remaining 30% of collections are retained by the General Fund to support municipal services. Collections have remained stable since 2022.

5. **Fund Transfers into the General Fund**. The General Fund receives several transfers from other Special Revenue or Enterprise funds to compensate for central services provided to those funds, i.e. Administration, accounting, payroll, planning, etc. The budgeted transfers for 2027 total $190,910, slightly higher than previous years. This is due to a $120,000 transfer from the Capital Improvement Fund to cover the cost of the Zoning Code Rewrite.

6. **Municipal Services Payment (MSP)**. The MSP payment is to compensate the City for municipal services provided to facilities in Whitewater that are owned by state or federal agencies, which are exempt from property tax. The 2027 payment from the State of Wisconsin is for services provided by the City in 2025 and is estimated to be $603,391, an increase of $106,989 from the 2026 payment received. The Police Department will receive $343,430 of that payment which is an increase of $37,816 or 11.6%. The Fire/EMS Department will receive $259,961 of that payment which is an increase of $69,294 or 36.3%. The recent state approved budget included an additional $14 million to increase the funding to cities and villages. This increase is the first in 22 years and will bring reimbursement from its current coverage of 37.6% of local costs to an estimated 50%. Whitewater will receive approximately 53% of costs recovered.

   As state-owned property represents roughly 40.452% of all property improvements in the City, this discounted payment concentrates the reliance on other local property owners to carry the cost of providing municipal services to these state facilities.

General Fund Overview (Expenditures)

1. **Fund Transfers out of the General Fund**. These transfers are summarized on page 105 in the following three groups:
   - **Special Revenue Funds**: The City maintains several Special Purpose funds to help support specific services, maintenance and replacement of infrastructure and equipment. Annual transfers from the General Fund provide funding for each of these Special Purpose funds. In recent years, state-imposed levy limits have curtailed transfers to these funds as revenues have been insufficient to fund both existing services and fully fund maintenance/replacement needs.
   - **Debt Service**: A portion of each year's General Fund budget includes transfers to support debt service principal and interest payments. The 2027 transfer for debt service will be $1,982,530, an increase of $103,200 or 1.8% compared to 2026.
   - **Transfers to Special funds**: The General Fund also supports several public services delivered through separate organizations as well as cash funding of capital projects through financial transfers.

1) Employee Health Insurance. The City has historically utilized the Wisconsin Department of Employee Trust Funds (ETF) to provide health insurance and retirement benefits to its employees. The ETF program enables local municipalities to select one of the state's health plan options, offering a streamlined and competitive benefits package for employees. For 2024, the City budgeted $1,228,736 for health insurance expenses across the organization, reflecting an increase of $302,232, or 24.6%, compared to 2023. This increase is attributed to rising premiums and the addition of 13 staff members to the plan. The General Fund's share of these costs was approximately $572,964.

To address rising healthcare costs, the City transitioned to a self-funded health insurance plan in 2025. This strategic change produced significant premium savings for both the City and its employees during the first year of implementation. However, in 2026, the City is experienced a premium increase of approximately 53 percent. Although this rise seemed significant, the total cost of coverage still remained below that of several Wisconsin Employee Trust Fund (ETF) plan options.

To help manage costs and maintain affordability, the plan design was modified, including an increase in deductible levels. The Health Reimbursement Account (HRA) was adjusted accordingly to match the new deductible structure, and the City continues to fund lifestyle accounts as part of its employee wellness initiative.

The initial projected savings from transitioning to the self-funded model totaled $385,000, with approximately $282,000 benefiting the General Fund. In December 2024, the Common Council approved allocating $100,000 of these savings to partially fund a detective position in 2025, reducing the General Fund savings to approximately $182,000. The year-end plan reconciliation ("true-up") is expected to cost between $19,000 and $52,000, leaving an estimated remaining balance of around $130,000.

While no additional savings are anticipated in 2026, any future savings will continue to be set aside until the Health Insurance Fund reaches its target balance of $700,000. Once this reserve goal is achieved, surplus funds may be redirected to other City budget priorities as determined by the Common Council.

2) Employee Wage Rates. The 2027 General Fund budget proposal includes a provision for wage increases equal to 3% of total budgeted wages. This increase will be delivered to staff under and across the board pay program raise except for Fire/EMS and police officer union members, whose compensation adjustments are determined separately through the collective bargaining process.

3) **Worker Compensation Insurance**. Our cost for worker compensation insurance is expected to slightly increase for 2027 from $158,076 to $163,061. The cost is based on premium rates determined by the state of Wisconsin plus an adjustment for our local claims experience (Experience Modification Factor). Our local claims experience improved after peaking in 2020 but has increased slightly in the last two years as outlined below.

	2021	2022	2023	2024	2025	2026	2027
Experience Modification Factor	1.10	0.97	0.73	0.73	0.83	0.95	0.94

4) **Contingencies.** The City has traditionally included a contingency expense line item equal to 1% of the General Fund budget to provide for unplanned expenses, however this wasn't possible for 2027, however, the City has set aside $77,000 to assist the Library with gap funding and the purchase of a second self-checkout kiosk and additional chairs for their meeting rooms. The City's policy objective is to maintain an unassigned fund balance of 20%, and this goal has been successfully met every year since 2019. In the most recent fiscal year, the unassigned fund balance totaled $3.1 million, representing 21.8%. Unassigned fund balance represents uncommitted savings that can be used as a cushion for unanticipated costs.

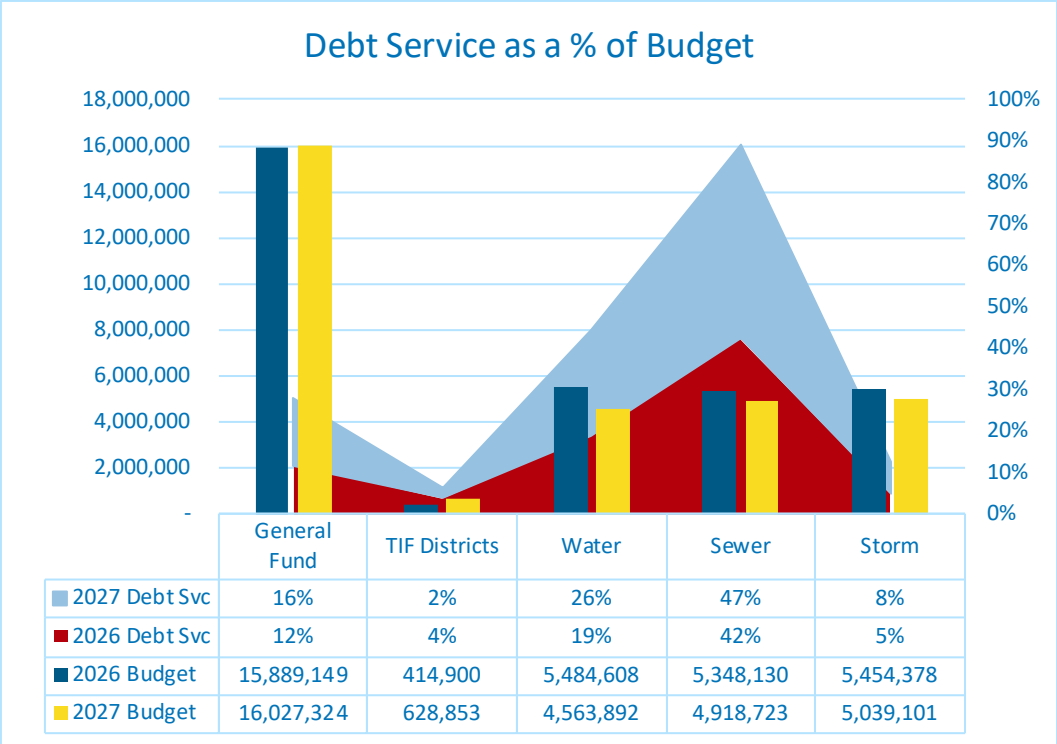

Factors Contributing to Changes in the Budget

Historical trend summaries: We've added schedules and graphics to illustrate changes in values of Tax Levies, Tax Rates, Tax Collections, Property Assessments and Equalized Values.

Capital Improvement Plan: As part of the Long-term Financial Plan project, Staff and Common Council members together reviewed and prioritized capital project initiatives proposed by each department. The majority of capital projects approved for 2027 relate directly to maintenance of existing municipal services or the planning of several multigenerational projects to commence in 2028. Projects submitted and approved for the 2027 Budget are grouped in the following graphic by payer/funding source and funding type.

2027 CIP Budget	Debt	Fundraising	Grant	Fund Balance	Total
Levy	1,640,750		100,384	641,098	2,382,232
Water	1,015,750			95,800	1,111,550
Sewer	250,000			145,550	395,550

	General Fund	TIF Districts	Water	Sewer	Storm
2027 Debt Svc	16%	2%	26%	47%	8%
2026 Debt Svc	12%	4%	19%	42%	5%
2026 Budget	15,889,149	414,900	5,484,608	5,348,130	5,454,378
2027 Budget	16,027,324	628,853	4,563,892	4,918,723	5,039,101

Long-term Debt Management: A significant amount of each annual budget is pre-determined by past borrowing.

The City completed a long-term financial analysis in 2018. Based on that analysis, the Common Council adopted a policy limiting debt-funded capital spending to the amount of principal retired on existing debt. This approach was intended to maintain fiscal discipline and ensure that new borrowing remained affordable. Affordability was further evaluated based on compliance with General Obligation debt limits established by state statute and City policy, as well as the potential impact on property taxes.

However, the borrowing constraints imposed by the prior policy have led to the deferral of many necessary capital projects. As a result, the City now faces a backlog of high-priority projects that must be addressed. In addition, the costs of completing these deferred projects have risen significantly over time due to inflation, aging infrastructure, and increased construction costs. Given these circumstances, the same affordability principles used in prior years can no longer be applied to the 2027-2036 planning period without further delaying critical investments. Approved debt-funded capital spending is summarized below.

	2027		2027 CIP	
	Principal	Replacement	Proposed	Above/(Below)
Debt Funded	Retirement	Ratio	2027	Target
Levy	1,620,817	101%	1,640,750	19,933
Water	1,201,486	85%	1,015,750	(185,736)
Sewer	3,572,375	7%	250,000	(3,322,375)
Stormwater	410,000	303%	1,241,750	831,750
	6,804,678		4,148,250	(2,656,428)

Proposed 2027 debt-funded projects are above target debt-retirement levels for Stormwater and slightly higher for the Levy but Water and Sewer are below their replacement ratio.

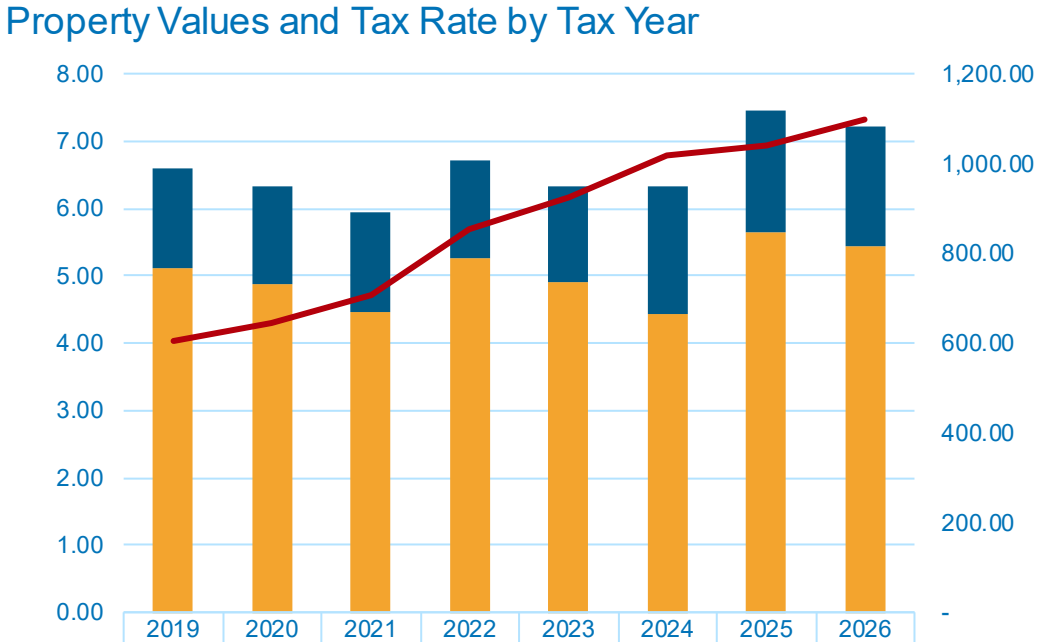

The City typically undertakes major construction projects in even-numbered years and focuses on smaller projects, planning, design, and project preparation during odd-numbered years. The Starin Park Underground Detention project was originally scheduled for construction in 2026; however, its timing depended on securing a Clean Water Fund Loan. Because the grant is competitive and the City did not score high enough on the priority list, the project was deferred to 2027. It will likely be deferred again if the grant is not awarded in the next funding cycle.

Notable projects for 2027:

a) DPW Street Facility Design: $500,000
b) Whitewater Street/Cravath Park Brick Replacement $210,000
c) Planning of 6 Street Reconstruction/Improvement Projects: $96,750
d) 2 Street Improvement Projects $127,000
e) Starin Park Underground Detention Construction total project cost $3,625,000
f) BMP Stormwater dredging: $345,000

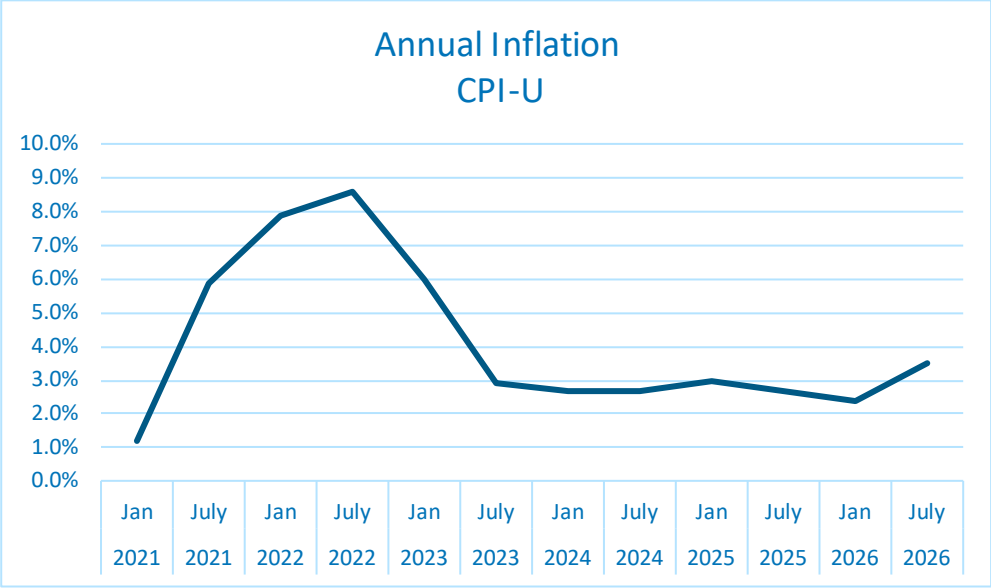

Growth of Property Tax Base and impact on Property Tax Levy. There are several significant developments in 2027 to lessen the burden of projects on residents.

TID Creations: In 2021, Whitewater created TIDs 10, 11, 12, 13 and 14. In creating these TID, the City, County, School District, and Technical Colleges have all agreed to freeze property values in these districts at 2021 levels (Base Value). All property tax revenue collected due to growth above these Base Values can be utilized to support eligible projects that foster growth. The property tax revenue on the TID increment is fully available to support project cost where absent TIDs, the city or its utilities would have to shoulder these costs independently. More simply, for each $1 collected in TID revenue, the whole $1 can be used to support eligible project costs vs. $0.40 (City levy) absent the Tax Increment District.

	2019	2020	2021	2022	2023	2024	2025	2026
Debt Service Levy	1.48	1.47	1.48	1.47	1.42	1.92	1.81	1.80
Operating Levy	5.12	4.86	4.47	5.26	4.91	4.42	5.65	5.43
Equalized Value (TID out) $Million	603.97	644.22	705.31	855.44	925.18	1,019.12	1,038.48	1,100.13

Inflation Expectations. Inflation had been at moderately low levels for a decade, remaining below 3.0% until mid-year 2011. Inflation had been trending downward since its peak of 9.1% in June 2022, but it has begun to rise again. As a result, we expect to see continued increases in the capital costs of projects due to inflation, higher financing costs driven by elevated interest rates and added pressure from rising fuel costs.

Debt Policy Maintenance: State statute limits the amount of debt municipalities can issue to 5% of the equalized value of all property in the municipality. Whitewater's policy further restricts this level to 3.5% (70% of the State 5% limitation). The projects included for funding in the 2027 Capital Improvement Plan are compliant with this policy and result in controlled debt levels.

Budget Concerns for the Future

- **Whitewater Aquatic and Fitness Center funding**. The Aquatic and Fitness Center is an asset to the community and unique for communities of our size. The School District and the City of Whitewater have been equal partners in sharing the operating and capital costs over time. However, a decade of no increase in funding left the facility with significant capital needs. Both the City and School District have stepped up funding to address these needs, and an agreement was reached in 2024 that addressed the increased need for capital contributions. With limited funding resources available for both entities, it is important to protect the value that this facility provides to area residents.
- **Shared-Ride Taxi**. The City's Shared-Ride Taxi program provides accessible public transportation within the community by allowing multiple passengers to share a single vehicle traveling in the same general area. While additional COVID-era funding temporarily stabilized the program, those reserves are now depleted, and the service will require increased General Fund support in future years.
- **Capital Financing**. Due to the rise in interest rates and inflation over the last few years the cost of capital projects has significantly increased. The costs of operations have also increased beyond what the levy limits allow, making it difficult to set monies aside in sinking funds that would lower the amount of borrowing.

We hope you find this budget to be a useful tool in understanding Whitewater's use of limited resources. Questions regarding the budget for 2027 are welcome at any time.

Sincerely,

John Weidl, City Manager and
Rachelle Blitch, Finance Director

VISION STATEMENT

Building upon our rich history, we will continue to be a welcoming, safe, and dynamic community. We will embrace the cultural and educational opportunities that the presence of a thriving university and an increasingly diverse population offers.

We will seek to continually improve and make Whitewater strong by fostering public trust and confidence in our government. We will encourage a community characterized by a spirit of openness and fairness that encourages individuals to participate publicly and prosper personally. We will maintain a high quality of life through careful stewardship of all our many resources.

MISSION STATEMENT

The City of Whitewater provides efficient and high-quality services which support living, learning, playing and working in an exceptional community.

BRIEF HISTORY

The City of Whitewater has a long history of community growth, innovation, and public investment. Originally home to the Potawatomi people, the area's early development was shaped by Whitewater Creek, whose distinctive "white water" appearance—caused by the limestone creek bed—gave the community its name.

European settlement began in the 1830s, when the region's natural resources supported the establishment of sawmills, gristmills, and early manufacturing. By the mid-19th century, Whitewater had evolved into a local center of commerce and agriculture.

A significant milestone in the city's development occurred in 1856 with the founding of the Whitewater Normal School, established to train Wisconsin's teachers. This institution ultimately became the University of Wisconsin–Whitewater, which remains a major educational, cultural, and economic anchor for the community. The presence of the university continues to shape local demographics, housing demand, employment patterns, and long-term service needs.

Throughout the late 19th and early 20th centuries, Whitewater's position as a railroad and commercial hub supported continued growth. Over time, the community transitioned from an industrial base to a more diversified economy supported by education, small business, and municipal services.

Today, Whitewater remains a dynamic city that blends historic character with modern development. Its history of public investment, civic engagement, and steady institutional growth provides important context for the City's financial planning. As the community continues to evolve, these historical foundations inform the City's long-term fiscal strategies, service delivery, and commitment to maintaining a sustainable future for residents and businesses.

GEOGRAPHIC & TRANSPORTATION PROFILE

The City of Whitewater is located in southeastern Wisconsin, spanning both Walworth and Jefferson Counties. Its position in the region provides convenient access to major population centers, educational institutions, and commercial corridors, supporting both community mobility and economic activity.

Regional Highway Access

Whitewater is served by several significant transportation routes that support regional travel and commerce:

- U.S. Highway 12 runs along the northern side of the City and serves as a key east–west transportation corridor connecting Whitewater to Madison, Lake Geneva, and the broader southeastern Wisconsin region.
- State Highway 59 provides direct access west toward Evansville and east toward Milton and Waukesha County.
- State Highway 89 offers a north–south connection through the City, linking to Jefferson and Delavan.

Interstate access is within a short driving distance:

- Interstate 43 is approximately 13 miles southeast and provides direct travel to Beloit, Milwaukee, and Green Bay.
- Interstate 90/39 is located roughly 20 miles west, offering connections to Madison, Rockford, and Chicago.

These corridors give residents and businesses efficient access to major regional destinations and national freight routes.

Public & Regional Transportation

While Whitewater does not have direct commuter rail service, it is supported by several regional transit options:

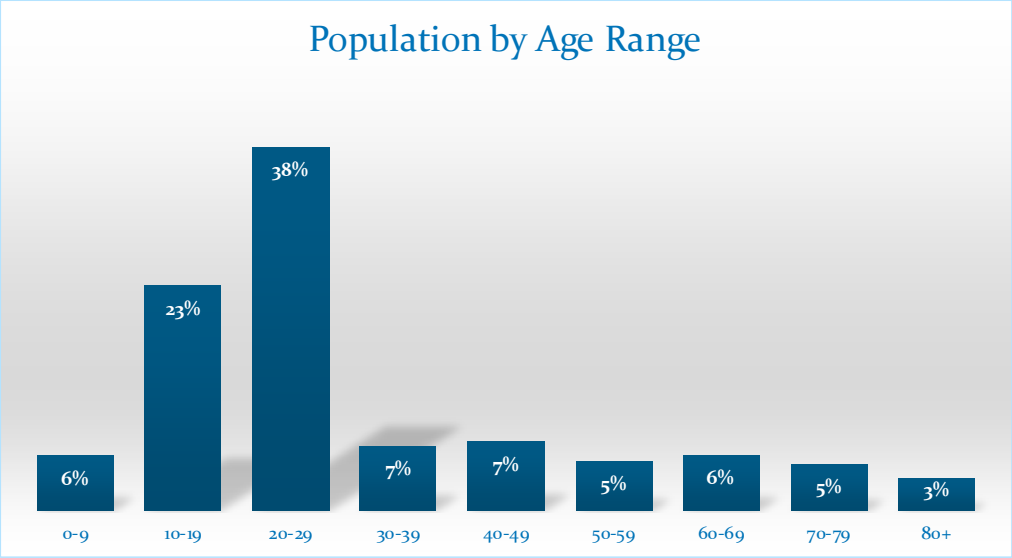

- The City operates a Shared-Ride Taxi Service, providing affordable and accessible local transportation for residents, students, elderly individuals, and those with disabilities.
- Intercity bus service is available in nearby communities, offering connections to Madison, Milwaukee, and Chicago.
- The proximity to multiple state highways ensures straightforward commuter access to surrounding employment centers.

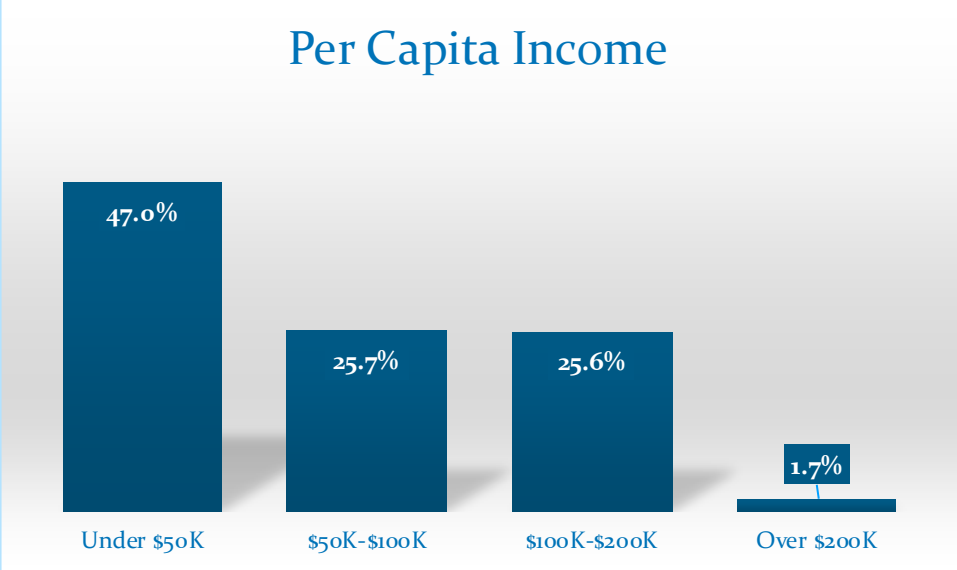

Airport Access

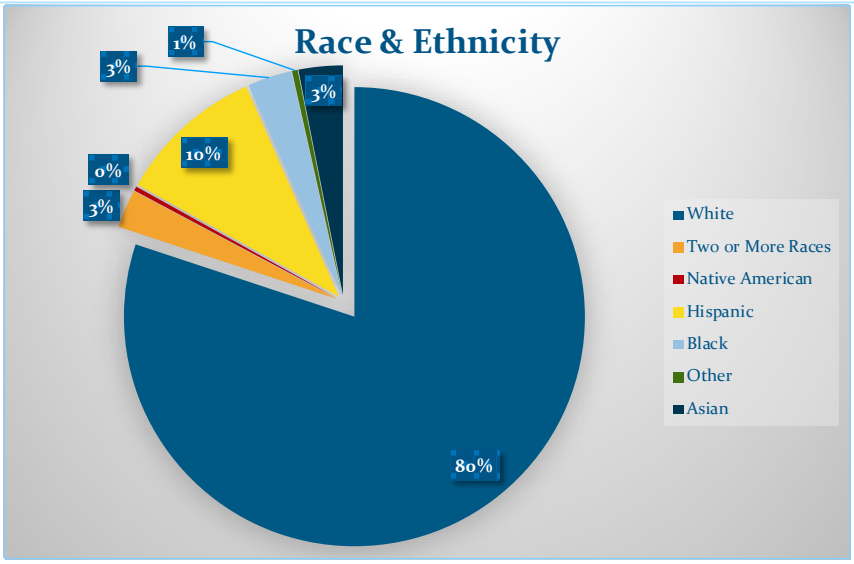

Whitewater is well-positioned relative to major airports serving southeastern Wisconsin and northern Illinois:

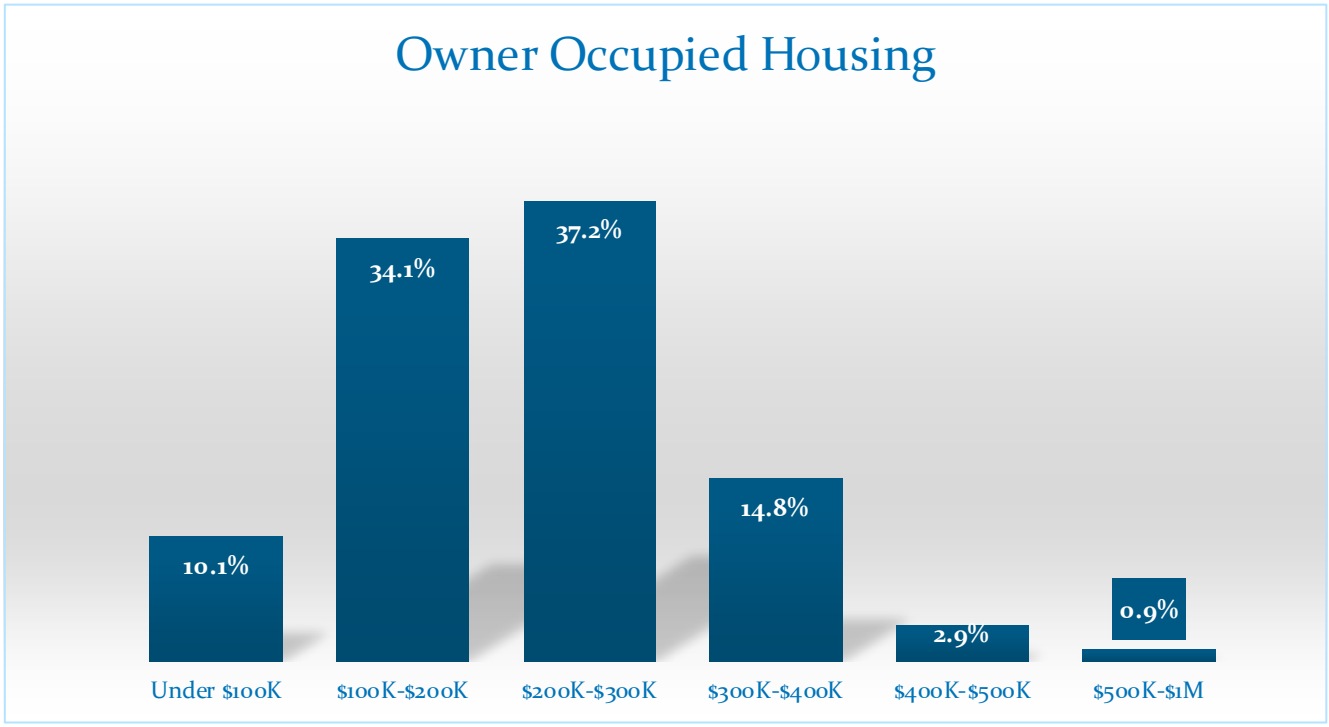

- Milwaukee Mitchell International Airport is approximately 43 miles northeast and provides extensive national and international flight options.
- Dane County Regional Airport (Madison) is approximately 45 miles northwest, offering additional commercial flight access.
- Chicago O'Hare International Airport is within approximately 75–80 miles, supporting both domestic and global travel needs.

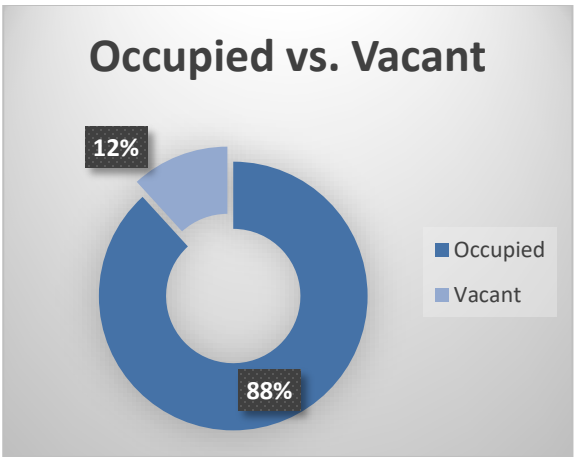

This network of nearby airports enhances the City's accessibility for businesses, students, visitors, and residents.

EVENTS AND ACTIVITIES

The Whitewater Community hosts several events throughout the year including:

- City Market (Tuesday's May-October)
- Food Truck Festival
- Free Wisconsin Fishing Weekend Event
- 4th of July celebration
- Winter Parade
- FFA Alumni Farm Toy Show
- Ghouls Night Out
- Treyton Field of Dreams Tournaments
- Ice Age Trail hiking
- Variety of cultural activities and events
- Dog Friendly Bark Park
- Family Fun Nights
- Fire Department Pancake Breakfast
- Cravath Lakefront Amphitheater Concerts & Events
- Christmas at Cravath

SCHOOLS

Whitewater is served by the Whitewater Unified School District (WWUSD), which has five schools in the city:

- Lakeview Elementary School
- Lincoln Elementary School
- Washington Elementary School
- Whitewater Middle School (WMS)
- Whitewater High School (WHS)

Other schools outside of the WWUSD:

- Kettle Moraine Baptist Academy
- The University of Wisconsin, Whitewater

RELIGION

There are many places of worship located within Whitewater including:

- Anchor Bible Church
- Community of St. Patrick Catholic Church
- Congregational United Church of Christ
- First English Lutheran Church
- First United Methodist Church
- Kettle Moraine Baptist Church
- Living Word Fellowship
- St. Luke's Episcopal Church
- Whitewater Bible Church
- Whitewater Islamic Center
- Crosspointe Community Church
- Hope Ministries
- St. John's Evangelical Lutheran Church

CITY VALUES

Our City

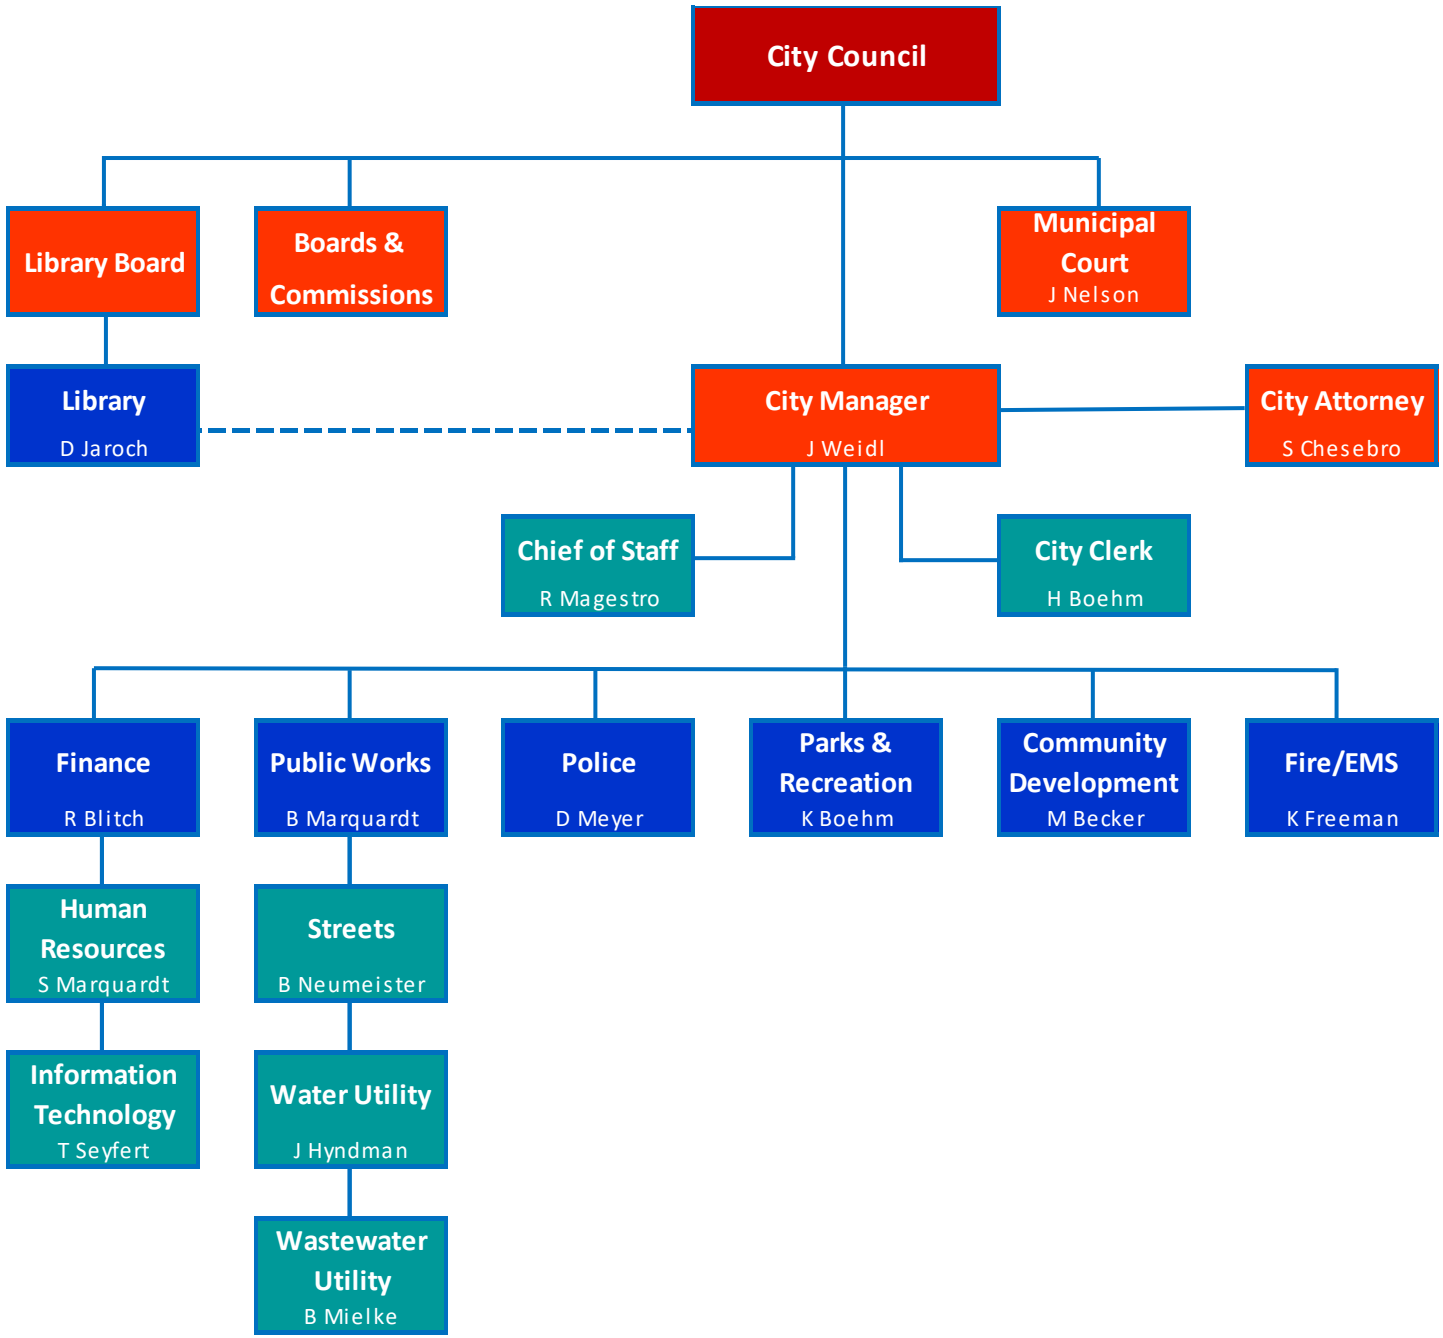

- We value history and culture.
- We support the wise and creative use of our financial, human and natural resources.
- We promote a high quality of life and place – commerce, education, housing, safe environment and sustainable growth.
- We embrace a spirit of teamwork, cooperation, collaboration, open communication and citizen involvement.
- We are a friendly, caring, diverse community.

Our Organization

- We work as a team to accomplish our mission and goals through open and honest communication, close coordination and collaboration between departments and recognition of community needs and expectations.
- We promote pride and ownership in our municipal organization and in the Whitewater community.

Each Other

- We are committed to professionalism.
- We are fully accountable to the citizens we serve and to each other.
- We are committed to the highest level of professional standards by recruiting and developing highly trained, skilled, and motivated employees.
- We are positive in our relationships and promote a positive attitude.
- We truly believe that each member of the City staff and all elected and appointed members of the Common Council, Boards and Commissions can make significant contributions.

CITY STAFF POSITION FUNCTIONS

City Council

- Elected officials to make decisions, laws, ordinances, and policies for the well-being of the City of Whitewater
- Reviews city goals, major projects and general improvements to the city
- Reviews and approves city budget to achieve overall best interest of the City

City Manager

- Directs and coordinates administration of city government in accordance with policies determined by the Common Council
- Responds to and addresses citizen's concerns and questions as a representative of the City of Whitewater
- Leadership in development of strategic plans, gathers, interprets and prepares data for studies and reports

Finance Director

- Oversees, prepares and assists in the budget preparation and execution
- Maintains data, prepares studies and reports for Common Council and assures state and national standard accounting procedures are maintained and updated appropriately
- Forecasts, estimates and monitors the financial condition of the City

City Clerk

- Meeting Coordinator
- Election Management
- Public/Open Records Management
- Licensing Administration
- Assessment Management
- Boards & Commission Management

Human Resources Manager

- Planning, development, implementation, management/administration and communication of all HR programs/projects.
- Staffing, employee relations, wage and salary administration, benefits, labor relations, employee services, and employee evaluation and development.

Information Technology Manager

- Develops and Maintains network programs
- Software & hardware updates
- Technical support
- IT employee training
- Achieve information system security and functionality

Chief of Staff

- Facilitates tasks assigned by City Manager
- Maintains and updates Social Media presence and City website
- Oversees internal and external communications
- General promotion of city and Boards/Commissions
- Facilitates operation of TV station and programming

Public Works Director

- Plans, directs and implements programs and activities for DPW
- Enforces rules, regulations and procedures
- Prepares studies, and reports about programs within streets, water and waste systems/ departments

Police Chief

- Oversee department policies and methods
- Counsel, guide and lead personnel
- Management of records, goals and objectives
- Prepare budget and attend public meetings as face of department
- Works with CSOs

Parks & Recreation Director

- Provides leadership and direction for development within department
- Collaborates with DPW for projects and events
- Promotes interest in programs and works with multiple organizations
- Prepares studies and reports for procedures and programming

*Community Development Director

- Leads economic development efforts, including business attraction and retention, housing development, neighborhood improvement and downtown revitalization
- Administers the City's zoning code and oversees land use planning
- Manages development review and permitting from application through approval
- Plans, manages and updates community development projects, using GIS data to support improvements across the city
- Oversees general operations and leasing of the Innovation Center
- Maintains current community and economic data and oversees the operations of the Community Development Authority (CDA), including its loan and grant programs

Fire & EMS Chief

- Oversee department policies and methods
- Counsel, guide and lead personnel
- Management of records, goals, and objectives
- Prepare budget and attend public meetings as face of department

Library Director

- Administers library services and operations.
- Develop and maintain library collections and programs
- Work with library board, administer budget, work as liaison to the public for items related to the library

City Attorney

- Works with City Manager, Common Council, Department Directors, commissions and committees for legal actions and advice.
- Conducts all law business in which the City is interested.
- Drafts and reviews legal documents, such as contracts, ordinances, resolutions, and deeds for the City.
- Represents the City, elected and appointed officials in a variety of judicial or quasi-judicial hearings.
- Prosecutes all municipal forfeitures.
- Provides formal legal opinions as requested by other officers of the City.
- Examine the tax and assessment rolls and provides the City advice regarding tax proceedings.

Municipal Court

- Legal Principals and procedures to execute the operation of Municipal Court including citations, scheduling conferences and plea hearings

Boards & Commissions

- **Alcohol Licensing Committee-** review of alcohol license applicants.
- **Board of Review** – Reviews taxpayer appeals related to property assessments.
- **Board of Zoning Appeals**- hearing appeals and applications and granting variances and exceptions to the provisions of this title.
- **Common Council**- the passage of laws, ordinances and policies and official management of the City's financial affairs.
- **Community Development Authority**- protect and promote the health, safety and morals of city residents.
- **Department of Public Works Committee-** reviews operations and maintenance of water and sewer service, water quality, maintenance of vehicles, streets, facilities, parks and many public projects.
- **Ethics Committee-** Meet to hear and make recommendations regarding local government ethics complaints.
- **Finance Committee-** reviews the City's annual operational budget and makes recommendations regarding the overall financing of city operations.
- **Lake Advisory Committee** – This commission oversees the beautification of the City's Lakes.
- **Landmarks Commission -** The Commission develops criteria and standards for identifying and designating landmarks and landmark sites within the city limits.
- **Library Board**- shall consist of members chosen for their fitness for public library trusteeship.
- **Parks and Recreation Board**- improving, developing and operating public parks, recreation facilities, equipment and activities.
- **Plan and Architectural Review Commission**- promoting development, aesthetics, preservation and stability of property values.
- **Police and Fire Commission**- provide basic protection and security in employment, promotion, and disciplinary practices.

- **Urban Forestry Committee**- Make recommendations concerning the care of all trees and shrubs planted in the city.
- **Whitewater University Technology Park Board** – This commission oversees the development of the technology park.

Summary of changes:

A referendum was passed for the 2026 budget that added 4 Patrol officers, 1 Dispatcher, 1 SRO and 2 Firefighter/EMT's. Neighborhood Services was renamed Community Development and FTEs were reallocated to that department.

Allocation of Shared Personnel Costs:

Many City operations rely on staff whose work supports multiple departments or funds, including General Administration, Finance, Human Resources, Information Technology, and the City Attorney's Office. To ensure an accurate and equitable distribution of costs, the City allocates salaries and benefits for these positions based on the proportion of time, services, or support each department or fund receives.

Although the **full FTE count** for a shared position appears within a home department for reporting purposes, **this does not mean the full salary and benefit costs are allocated to that department**. Instead, only the portion of costs associated with the services provided to each benefiting area is charged to that fund or department. Allocation methods may include workload analyses, service metrics, historical usage, or other defensible cost-distribution measures.

This approach improves transparency, aligns costs with service delivery, and provides a more accurate representation of the true cost of operating each municipal program. It also ensures that enterprise funds and other non-tax-supported operations pay their fair share for centralized services that enable them to function effectively.

THE VALUE OF THE BUDGET

A municipal budget may not be the first thing one might reach for when desiring an enthralling read. However, the municipal budget should be seen as a document of great importance to members of a community. This is because of the impact it can have as an effective tool for governance within the community. For example, the budget is seen as a tool for effective municipal governance in at least the following four ways:

- **A Policy Tool:** The budget is seen as a policy tool because it outlines how the desires of policy makers will be carried out in the allocation of scarce resources between many different needs over the coming year.
- **An Operational Tool:** The budget reflects how departments plan to operate for the fiscal year.
- **A Performance Tool:** The budget can be used to establish expected levels of service and provide a public accounting of department performance in providing municipal services.
- **A Strategic Planning Tool:** The budget can be a resource for both short and long-term strategic planning by mapping the use of fiscal resources and municipal service outputs over a period of several years.

To take full advantage of the municipal budget as a resource and tool for effective governance, city staff, with guidance from the Common Council, strive each year to deliver a detailed, readable budget document that provides a clear and transparent accounting of all municipal resources.

LOCAL GOVERNMENT STRUCTURE

The City of Whitewater is a Municipal Corporation operating under the Council/Manager form of government as outlined in Chapter 64 of Wisconsin State Statues. Like many other cities under the Home-Rule Charter of Wisconsin, Whitewater has the power to govern itself regarding local matters except where the State has specifically prohibited that power.

The Whitewater Common Council is the chief governing body for the City of Whitewater. While the City Manager in the Council/Manager form of government is typically given executive authority for the day-to-day operations of the city, the Common Council is ultimately responsible for the effective management and control of city property, finances, highways, streets, utilities, and other public services. The Common Council usually exercises its authority by providing direction to the City Manager and through the establishment of municipal policy.

The 7-member Common Council includes five aldermanic district seats and two Councilmember-at-Large seats. Council members serve two (2) year terms with odd number district seats up for election in odd years and even-numbered district seats up for election in even-numbered years. One Councilmember-at-Large seat is open each calendar year.

BASIS OF BUDGETING

The Governmental Funds (General, Special Revenue, Debt Service, and Capital Projects Funds) are budgeted and accounted for in accordance with Generally Accepted Accounting Principles (GAAP), using the current financial resources measurement focus and the modified accrual basis of accounting. The audited financial statements also use the modified accrual basis of accounting. This means revenues are recorded when they are both measurable and available, and expenditures are recorded when they are expected to draw on current spendable resources. The City considers revenues to be available if they are collected within sixty days of the end of the current fiscal period.

Proprietary and Fiduciary Funds (Enterprise, Agency Trust) are accounted for in accordance with GAAP, on an accrual basis. Revenues and expenses are recorded at the time they are earned or incurred rather than when cash is received or spent. In most cases, these funds are budgeted on the same basis with the following exceptions:

- Principal payments on long-term debt are applied to the outstanding liability for accounting purposes but expended for budget purposes.
- Capital items in the enterprise fund are recorded as capital assets for accounting purposes, but are treated as expense in the budget

BUDGET OVERVIEW

The Whitewater Biennial Budget, when adopted by the Common Council, becomes the official financial plan for the City's operating departments for the coming two years. Accordingly, preparation of the budget is one of the most important administrative functions performed every two years. The information included below is designed to provide residents, elected officials and employees with an overview of the budget formulation process. Since the budgetary process involves all operating departments, the Common Council, and several advisory boards and commissions, this summary does not include every aspect of the budget formulation process. It can, however, be used as a guide in understanding how the City creates its biennial budget.

The City of Whitewater takes a collaborative approach to budget development that begins each spring when the Management Team and the Common Council review the budget timeline and the budget format. The process continues through the summer when staff and elected officials meet to discuss issues related to the coming fiscal year and consider city goals and objectives. The budget process concludes with the presentation of a proposed budget by the city manager to the public, with a section-by-section review of the document by the Common Council prior to a formal public hearing and adoption in November. Below is a schedule for the preparation of the budget:

1	2	3	4	5	6	7	8	9
April/May	June/July	July/August	August/September	August/September	October	October	November	After Adoption
Process Planning and Design	Goal Setting/Strategic Planning	Development of Ten-Year Capital Improvement Plan (CIP)	Departments Submit Proposed Budgets for Review	Review of Ten-Year Capital Improvement Program (CIP)	Budget presented to the Finance Committee	Refresh of the Long-Range Financial Plan Forecasts	Adoption of the Annual Budget Resolution	Amendments to the Adopted Budget
The Common Council evaluates the proposed budget process schedule for the coming year and the proposed format for the document. This is an opportunity for all involved in budget process to provide input on possible changes or improvements.	The Common Council, department directors, and managers meet to discuss the status of goals and objectives for the current year and to establish goals for the coming years. Through this planning process, several goals for the biennial budget are identified.	The CIP is a planning tool for city staff and for the Common Council. Each year, the condition of the City's infrastructure, buildings and equipment need to be evaluated to ensure that service can be maintained at the highest level. Expected outlays greater than $5,000 are reflected in the CIP and considered in the budget planning process.	Departments submit their proposed budgets to the City Manager and Finance Director for review. At this point in the process, budgets will include any identified output measures, goals and accomplishments, projects or equipment less than $5,000 in cost, justification, and revenue projections. After reviewing the submitted budgets, the City Manager and Finance Director meet with Department Directors individually to discuss proposed budgets and make any necessary changes.	The Common Council reviews the CIP as proposed by staff and provides feedback as to the prioritization of projects for the proposed budget.	Once the City Manager and Finance Director complete their review of proposed department budgets and make appropriate revisions, a detailed review of all budgeted amounts is conducted with the Finance Committee. The Finance Committee then recommends a proposed budget to the Common Council once all requested changes are incorporated.	The Long-Range Financial Plan forecasts are refreshed based on the Proposed Budget following the review of the Finance Committee.	The Finance Committee recommended budget is presented to the Common Council. This proposed budget is made available for public inspection on the City's website. The adoption of the budget ordinance is a two-step process. The Common Council holds a public hearing as required by State statute. The hearing is the final opportunity to receive public budget input. Following the hearing, the budget is passed into law by the adoption of a budget ordinance. Following adoption, the final budget is made available for public viewing online as well as at the Municipal Building and the Irvin L. Young Memorial Library.	The biennial budget may be revised by a majority vote of the City Council by deleting, adding to or changing budgeted items. No revision to budget items shall be made which increases the total budget unless funds are available to effectuate the purpose of the revision.

FINANCIAL POLICIES

These policies assist the City Council and management in preparing the budget and managing the City's fiscal affairs throughout the year. The policies are to be reviewed during the budget process, and modified as appropriate, to accommodate changing fiscal conditions, environmental challenges and City Councils policy initiatives. In addition to these Financial Policies the City has separately issued and approved comprehensive policies on Purchasing, Investments and Fixed Assets.

FINANCIAL PLANNING POLICIES

FUND BALANCE POLICY

Fund Balance is the difference between the assets and liabilities of a governmental fund.

The Fund Balance Policy is designed to:

1. ensure adequate working capital to manage seasonal cash flows,
2. minimize need to borrow,
3. provide for unanticipated expenses, and
4. retain adequate liquidity to maintain a stable or improved credit rating to minimize cost of borrowing.

The primary reserve shall be held in the General Fund (#100). Any excess of revenues and other financing sources over expenditure and other financing uses at the end of a fiscal year will be added to the General Fund balance. Governmental fund balances will be segmented in annual reporting in conformance with generally accepted accounting principles as follows:

- Non-spendable: includes amounts that cannot be spent as they are
  - not in a spendable form or
  - legally or contractually required to be held intact.
    (Examples are items not expected to convert to cash such as inventories and prepaid amounts as well as long term receivables or equity held in another fund.)
- Restricted: includes amounts constrained by:
  - External creditors, grantors, or other government units.
  - Constitutional provisions or enabling legislation.
- Committed: includes amounts constrained by:
  - Formal action of the Common Council. Such action shall occur through open meeting and require a majority vote of the Council. Commitments of fund balance, once made, can only be modified by majority vote of the Council.
- Assigned: includes amounts constrained by:
  - City intent to be used for specific purposes. The Common Council authorizes and directs the Finance Director through the City Manager to assign the fund balance, to the extent such assignment does not create a negative unassigned fund balance.
- Unassigned: any residual General Fund amount that does not fall into one of the above groups.

The City will strive to maintain a minimum reserve in Unassigned Fund Balance of 20% of current year operating expenditures for the General Fund. The definition of current year operating expenditures will mean the grand total of the General Fund Budget which includes Debt Service transfers, Revolving Fund transfers, and Capital Improvement Project transfers but excludes proceeds from bond sales, refunding of bonds issued, and loans.
Unassigned Fund Balance more than 20% may be used only for the funding of non-recurring expenditures. The Assigned Fund Balance shall not be included in the calculation of the 20% minimum reserve.

REVENUE POLICY

The revenue policy is designed to ensure:

1. Diversified and stable revenue sources,
2. Adequate long-term funding by using specific revenue sources to fund related programs and services
3. Funding levels to accommodate all City services and programs equitably.
   - The City will strive to maintain a diversified and stable revenue system to avoid short-term fluctuations in single revenue sources.
   - The City will strive to collect revenues in a timely and fair manner.
   - The City will conservatively estimate its annual line-item revenues through an objective, analytical process.

- The City will establish all fees and charges at a level related to the cost of providing the services, or as adjusted for program goals. Periodically, the City will review the full cost of activities supported by fees and charges to identify the impact of inflation and other cost increases.
- The City will strive to balance its property tax base through support of a sound mix of residential, commercial, and industrial development.
- The City will set enterprise fund fees at a level that fully supports the total direct and indirect cost of the activity (net of any grants or similar revenues), including depreciation of capital assets and debt service, to maintain a positive cash flow and provide adequate working capital. Replacement (or bonding for replacement) of enterprise infrastructure will be paid for from accumulated (or annual) earnings of the fund.

DEBT POLICY

The debt policy ensures that the City's debt:

1. Does not weaken the City's financial structure; and
2. Provide limits on debt to avoid problems in servicing debt.

This policy is critical for maintaining the best possible credit rating.

- The City will use regularly occurring revenues to fund current operation costs; long-term debt will not be used for operating costs.
- The City will confine long-term borrowing to capital improvements and development that have a life of more than 5 years and cannot be financed from current revenues.
- The City will pay back debt within a period not to exceed the expected life of the improvements.
- The City will not exceed 5 percent of the assessed value of taxable property for general obligation debt per state statutes. The City recognizes that bond anticipation notes are not general obligation debts per state statutes, however, it is a policy to include the bond anticipation notes when calculating the 5% debt service-borrowing limit.
- The City will maintain good communications with bond rating agencies about its financial condition and will follow a policy of full disclosure in every financial report and bond prospectus. The City will comply with Securities Exchange Commission (SEC) reporting requirements and the Municipal Securities Rulemaking Board (MSRB).
- The City will follow a policy of full disclosure on financial reports and bond prospectus.
- The City will refinance or call any debt issue when beneficial for future savings. It is recognized that General Obligation (G.O.) Debt issued to support the Capital Improvement Program (CIP) carries the full faith and credit of the City, however, the utility portion of State Shared Revenues, which is recognized in the General Fund, shall be used to offset the associated debt service and cash flow requirements of the Capital Improvements Program.

FISCAL/BUDGET POLICY

Financial Management:

- An independent audit will be conducted annually. The City will produce annual financial statements in accordance with generally accepted accounting procedures (GAAP) as outlined by the Governmental Accounting Standards Board (GASB) required by state statute.
- The City will maintain physical assets at a level adequate to protect the City's capital investment and minimize future maintenance and replacement costs.
- One-time revenue sources shall not be utilized to fund ongoing operational expenses.
- Revenues derived through the general operations of the City shall be utilized to offset the associated operational cost.
- The utility portion of Shared Revenues shall be utilized for Capital Expenditures identified in the 10-year Capital Improvement Plan. The debt service associated with the CIP will be a component of these expenditures.

Budgeting:

- The City will project revenues on a conservative basis so that actual revenues will consistently meet or exceed budgeted revenues.
- The General Fund should be compensated by other funds for general and administrative services provided, including management, finance, personnel, and maintenance.
- The City shall have an equipment revolving fund to cover rolling stock more than $10,000 for the Department of Public Works/Parks.
- The City shall have an equipment revolving fund to cover rolling stock more than $10,000 for the Fire/Rescue Department.
- The City shall set aside in the Sick Leave Severance Fund expected amounts to cover the anticipated payout of the future sick leave liability.
- The City shall maintain an annual budget allocation to cover non-recurring or unanticipated expenditures, as well as to reserve funds for known contingencies with uncertain costs. The level of the General Fund Contingency (Acct #100.51110.910) will not be less than 1% of the General Fund Operating Expenditures annually when possible.
- The City will adopt a balanced budget, by fund, for all funds maintained by the City, in which total anticipated revenues must equal or exceed the budgeted expenditures for each fund. However, if this cannot be attained, the City will utilize unallocated fund reserves, which have been carried forward from prior years.
- The City will maintain a balanced budget per State Statute §65.05 Par. 1, Sub. 8.

Cash Flow:

- The City will strive to maintain a broad and diversified revenue base that will equitably distribute the burden of supporting City services and will protect the City from short-term fluctuations in any individual revenue source.
- The City will maintain timely collection systems and implement necessary enforcement strategies to collect revenues from available sources.

Tax Base:

- The City will actively support economic and industrial development recruitment and retention efforts to provide for expansion of the revenue base.

CAPITAL IMPROVEMENTS PROGRAM POLICY

Effective financial management of the City's resources requires that the budgetary plans for any one fiscal year be consistent with intermediate and long-range plans. As capital acquisitions and programs usually require a consistent application of effort and funds over a span of years, a capital improvements program and budget, as well as annual revenue and expenditure operating budgets, are developed and presented to the City Council for approval and adoption.

Capital expenditures may generally be defined as those used to purchase land or equipment and/or to construct facilities or other improvements that are expected to provide services over a considerable period. For inclusion in the CIP, a project must cost more than $5,000 and have a useful life of more than five years. In contrast, current or operating expenditures are generally those for an item or service that is used for a short time or require recurring funding each year at a consistent level. Moreover, capital expenditures are usually relatively large when compared with items in the annual operating budget. Capital budgeting, therefore, is based upon distinctions between expenditures that have only short-term or current benefits (operating) and those that have long-term benefits (capital).

The City's Capital Improvement Program (CIP) identifies projected capital expenditures in the next 10 years necessary to accomplish the City's long-range objectives. The CIP will be used for financial planning and for prioritization of capital needs. The first year of the City's Capital Improvement Plan is a plan of proposed capital outlays or expenditures, and the means of financing same, for the current fiscal year. As such, it is included in the operating budget for the current fiscal year and represents the first year of the Capital Improvements Plan. Years two through 10 are presented for planning purposes and each project will need to be approved in future budget years.

The City's Capital Improvement Plan is also categorized by types of capital improvements as follows: Core or Non-Core. These categories will be used to help differentiate needs and act as a basis for Elected Officials and staff to prioritize projects for commitment of limited resources.

- Core projects are those that are required to maintain existing basic municipal services at current levels and quality. Residents may lose a current service if project not completed. Examples include Police/Fire/Rescue equipment replacement, maintenance of public roads/property, etc.
- Non-Core projects are those that expand or enhance an existing municipal service or establish a new service. Residents will not lose a current service if project not completed. These may relate to improving quality of life vs. serving a core function of local government. Examples may include new park amenities, new or improved public facilities, enhancements to capacity, reliability or quality of existing services.

The City will prepare annually and update the Capital Improvement Plan (CIP), which will provide for the orderly maintenance, replacement, and expansion of capital needs.

The City through the CIP will identify long-range capital projects and capital improvements of all types, which will be coordinated with the annual operating budget to maintain full utilization of available revenue sources.

The City will coordinate development of the Capital Improvement budget with development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts. The CIP acts as a cash flow and general fund management tool.

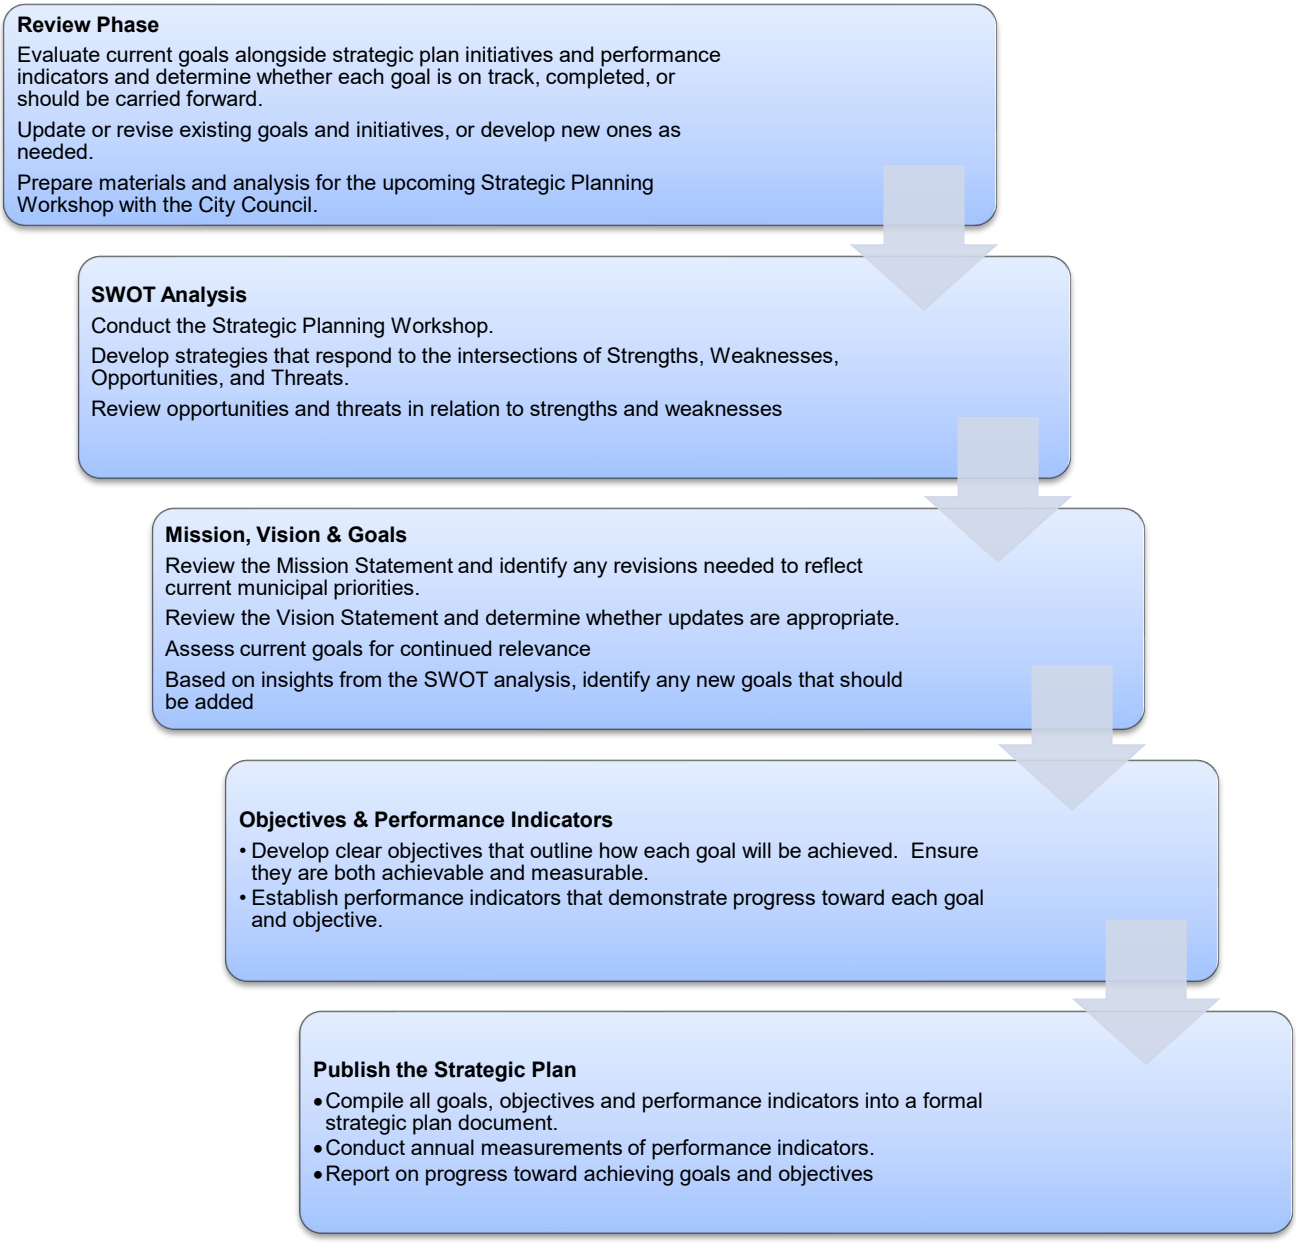

The City will use intergovernmental assistance (Federal, state, and other), to finance only those capital improvements that are consistent with the capital improvement plan and city priorities and whose operating and maintenance costs have been included in operating budget forecasts.

The City will maintain its physical assets at a level adequate to protect the City's capital investment, and to minimize future maintenance and replacement costs. The budget will provide adequate maintenance and the orderly replacement of capital plant and equipment from current revenues where possible.

A portion of funding for each year's CIP projects comes from the utility component of the state shared revenues. This allocation represents an equity contribution towards the approved projects and reduces the balance that requires debt financing. The City's ability to support the cumulative annual debt service requirements is primary in determining each year's CIP project approval.

Strategic planning and goal setting are processes by which a community can plan for its future. Planning and setting effective goals is an excellent strategy for utilizing limited resources effectively and efficiently. The Whitewater Common Council and the City's Management Team meet periodically for a workshop meeting to set goals for the coming year and to modify existing long-term goals.

STRATEGIC PLANNING PROCESS OVERVIEW

STRATEGIC GOALS OVERVIEW

Strategic planning and goal setting are essential processes that enable a community to proactively shape its future. By establishing clear priorities and measurable objectives, the City can allocate limited resources more effectively and ensure that organizational efforts align with community needs.

The Whitewater Common Council, in partnership with the City's management team, meets periodically in workshop settings to review progress, update long-term priorities, and set goals for the upcoming year. Throughout 2023, the Council and staff participated in a series of strategic planning workshops that resulted in the development of a comprehensive new five-year strategic plan. During this process, elected officials and staff collaboratively identified the key issues facing Whitewater and established strategic goals to address them. Each broad, long-range goal was then broken down into key initiatives designed to guide progress and measure success over the five-year period. In 2026, the goals were updated.

GOAL 1: INCREASE AFFORDABLE HOUSING

Increase and sustain affordable housing by expanding access to diverse, quality housing through community partnerships, targeted investment, and policies that support long-term affordability and neighborhood stability. Strengthen the housing continuum by encouraging responsible development, revitalizing existing housing stock, and ensuring that all residents can live in safe, stable, and economically attainable homes.

GOAL 2: INCREASE COMMUNICATION WITHOUT A "NEWSPAPER"

Increase and strengthen communication by expanding digital platforms and community outreach to provide timely, accessible, and consistent information that keeps residents informed and engaged.

GOAL 3: SUPPORT THRIVING BUSINESSES AND GROW THE TAX BASE

Strengthen economic vitality through business retention and recruitment, targeted investment, and supportive partnerships, while streamlining processes, revitalizing commercial areas, and expanding diverse economic opportunities to sustain long-term community stability.

GOAL 4: IMPROVE THE CITY'S RECRUITMENT, RETENTION AND DIVERSITY

Enhance the City's ability to attract and retain talent through equitable hiring, competitive compensation, and professional growth, while fostering a diverse, engaged, and resilient workforce prepared to deliver high-quality public services.

GOAL 5: ALIGN FUTURE EXPENDITURES WITH AVAILABLE RESOURCES

Align future expenditures with available resources by using responsible budgeting, data-driven planning, and prudent fiscal management to balance service demands, support transparent decision-making, and maintain long-term financial stability.

GOAL 6: CREATE AND SUSTAIN HEALTHCARE PARTNERSHIPS TO EXPAND EMERGENT SERVICE ACCESS

Identify and strengthen healthcare partnerships to expand access to timely, high-quality emergent care. Support a healthier, more resilient community through coordinated planning and collaboration with regional providers.

GOAL 7: INCREASE ACCESS TO TRANSPORTATION

Increase access to transportation by expanding mobility options, strengthening service reliability, and enhancing connectivity for all residents. Support an inclusive and connected community through strategic transit planning, regional partnerships, and efforts to modernize and improve transportation services.

The strategic goals and key initiatives presented below reflect the priorities during the 2026-2027 budget cycle.

Increase Affordable Housing for Families

- Facilitate the creation of an additional 50+ new family-style units slated to be constructed within the following 36 months.
- Reassess family housing needs in a follow-up study

Increase Communication without a newspaper

- Continue to expand and innovate the content library
- Develop partnerships with local organizations and media outlets to broaden the reach and impact of community efforts
- Establish Whitewater as a model city for transparent and responsive communication with residents

Support Thriving Businesses and Grow tax base

- Establish and conduct business recruitment, retention and expansion meetings with 25 businesses
- Assist the CDA in revamping loan programs and implementing affordable housing policy
- Create an onboarding and expansion process for new businesses including points-of-contacts, FAQ's, and available resources

Improve City's Recrtuitment, Retention and Diversity

- Complete stay interviews with all staff hired 2023 and prior and establish metrics (2026) for successful retention targets.
- Make online onboarding department-specific and available to all new employees
- Hit retention targets established in 2027
- 100% employee participation with at least one stay interview

Align Future expenditures with available resources

- Begin planning for a new Public Works garage
- Develop and fully implement funding strategies or revenue sources to support increased compensation for staff recruitment and retention

BUILDING OUR FUTURE: STRATEGIC ACCOMPLISHMENTS

The accomplishments summarized below highlight the measurable progress made throughout 2024-2025, demonstrating disciplined execution, alignment with Council direction, and a continued commitment to addressing Whitewater's long-term priorities.

1. **Increase Affordable Housing for Families**
   Whitewater experienced a record year of residential development in 2025, significantly advancing the City's long-term goal of expanding family-focused and attainable housing. Key achievements include:
   - Advancement of 51 new single-family homes, including
     - 19 detached homes by Harbor Homes
     - 20 of 38 attached dwellings by US Shelter
   - Facilitation of the first phase of 128 new multifamily family-style units, each designed with private entries and garages to meet workforce housing demand.
   - Positioning of a 100-home subdivision with Bielinski Homes, representing approximately $50 million in new private investment.
   - Continued partnership with Habitat for Humanity, preparing CDA-owned land for four additional affordable units.
   - Advancement of the Stonehaven small-lot concept along Bluff Road, expected to produce 12–15 attainable, entry-level homes.

   These efforts expand the range of ownership and family-oriented housing available in the community and maintain a multi-year development pipeline, which is essential for long-term affordability.

2. **Enhance Communication Without a "Newspaper"**
   Since adopting this goal, Whitewater has dramatically expanded its digital communication capacity, ensuring residents remain well-informed even in the absence of a traditional newspaper.
   In 2025, the City achieved:
   - A 960% increase in social media engagement (from 562 to 5,974 interactions).
   - More than 102,000 video views across all platforms, utilizing short-form content, reels, and multimedia to broaden reach.
   - Deployment of departmental dashboards, improving consistency, transparency, and data-driven reporting.
   - Continued production of City Manager Reports for every Council meeting, providing operational, financial, and project updates.
   - Growth of a library of evergreen educational videos for 24/7 community access.

   These investments ensure reliable, modern public communication without relying on print media, strengthening engagement across all demographics.

3. **Support Thriving Business and Grow Tax Base**
   Whitewater's economic base strengthened considerably in 2025 through coordinated business support, infrastructure planning, and long-range tax-base strategy.
   Key accomplishments include:
   - A major manufacturer (Lavelle) advancing a 50,000-square-foot expansion, adding over $5 million in new industrial tax base.
   - Construction of three new industrial/commercial condominium buildings, creating space for business expansion and new tenants.
   - Active recruitment activity, including engagement with a company considering relocation.
   - Partnership with WE Energies to plan long-term power upgrades in the industrial park, ensuring future readiness for modern manufacturers.
   - Support for the Whitewater Community Foundation's $10 million early childhood education center, doubling local childcare capacity through 100 new slots—directly supporting workforce participation.

   These efforts strengthen the long-term tax base, increase employment opportunities, and ensure Whitewater remains competitive for economic investment.

4. **Improve the City's Recruitment, Retention and Diversity**

Organizational stability and workforce quality improved significantly in 2025.
Key metrics include:

- Turnover reduced to 12.4%, down from nearly 30% in 2022–2023.
- Average employee tenure increased to 6.97 years.
- Employee engagement results reported:
  - 87% employee happiness
  - 61% employee-reported appreciation
  - 4.0 score for workplace culture

Additional advancements included:

- Implementation of leadership development tools, stay interviews, and professional pathways.
- Modernized internal communications and recruitment materials.
- Completion of multiple high-level credentials by the City Manager, strengthening leadership capacity: CPM, CEcD, ICMA-CM (effective 2026), and ongoing DBA progress.

These combined efforts have created a more competitive, stable, and high-performing municipal workforce.

5. **Align future Expenditures with Available Resources**

Whitewater strengthened its fiscal position in 2025 while making major capital progress without compromising financial stability.
Key accomplishments include:

- Maintaining a 24% fund balance, exceeding policy guidelines.
- Pre-funding roughly $500,000 toward future capital equipment needs, reducing levy impact.
- Implementing the Police & Fire referendum as planned, without budgetary disruption.
- Completion of multi-million-dollar reconstruction projects (Ann St., Fremont St., Forest Ave.) on time and without cost overruns.
- Securing 100% principal forgiveness for private-side lead service replacements and 0.25% financing for public-side replacements.
- Advancing planning and financing for a new $12–15 million Public Works facility.
- Beginning initial work on a $3 million WAFC endowment and applying for $500,000 in grant funding for a splash pad at Starin Park.

These achievements demonstrate disciplined financial management, strategic investment planning, and an ongoing effort to leverage outside resources and minimize long-term levy impact.

Long Term Financial Planning

The City is committed to long-term financial planning to ensure stable and sustainable public services. Accordingly, city staff and elected officials collaborate to complete the following long-term planning milestones during the budget process:

- Review existing goals and identify short and long-term goals for the coming year(s)
- Conduct an analysis of financial trends and discuss future projections
- Development of a ten-year capital improvement program
- Review of the City's capital equipment replacement funds and other sinking funds

Supporting the strategic plan developed by the city in 2023 (summarized on preceding page), the City prepared a Financial Management Plan with the assistance of our Municipal Advisor, Ehlers, Inc. to ensure we can continue to provide quality municipal services responsibly on a sound financial footing. This plan developed a comprehensive model to forecast operating and capital needs within one model. This model is periodically updated. The 2023 update focused on the impact of the proposed CIP on property tax levy and utility rates. Detailed results are presented in the links below:

1. 2024-2028 Preliminary Financing Plan
2. 2024-2028 Water & Sewer Preliminary Financing Plan
3. 2020 Financial Management Plan Update (2022-2026)

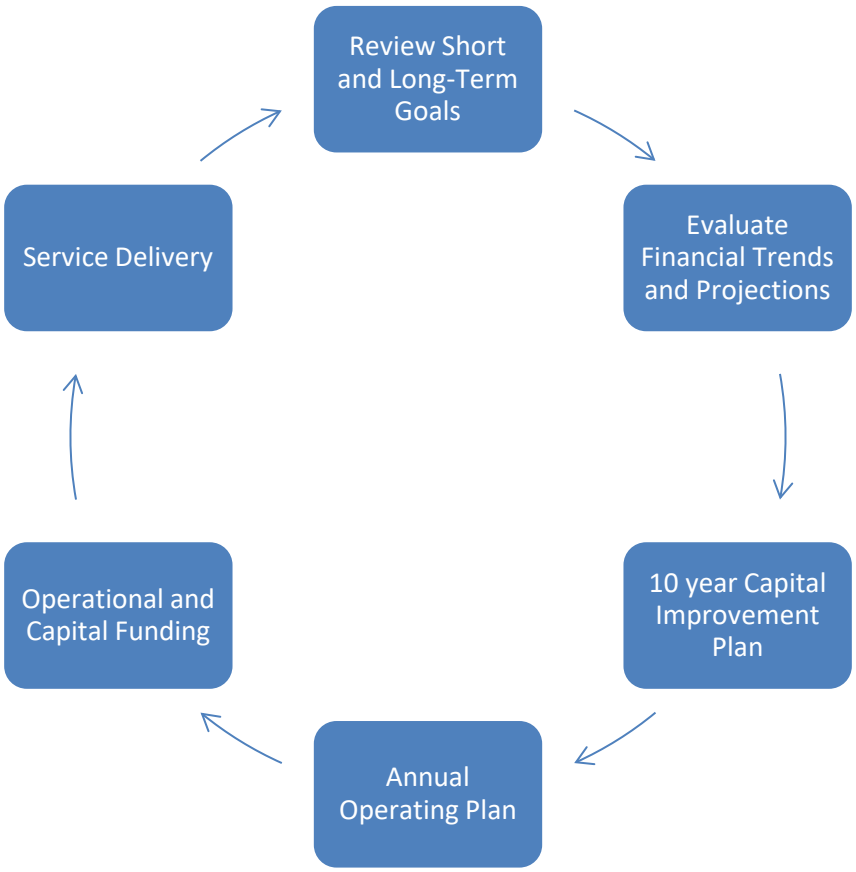

One significant change underlying these plans is the shift from a preference to use exclusively General Obligation debt to finance capital projects. Future financing will rely on Revenue debt for Utility projects and General Obligation debt for remaining projects. Additionally, the Water and Sewer utilities will jointly pledge their revenues to secure a single bond issue for their combined projects. This single pledge and single issue will enable an offer that is large enough to efficiently spread the issuance costs as well as offer investors an improved pledge that should help improve pricing compared to using separate bond issues for each utility.

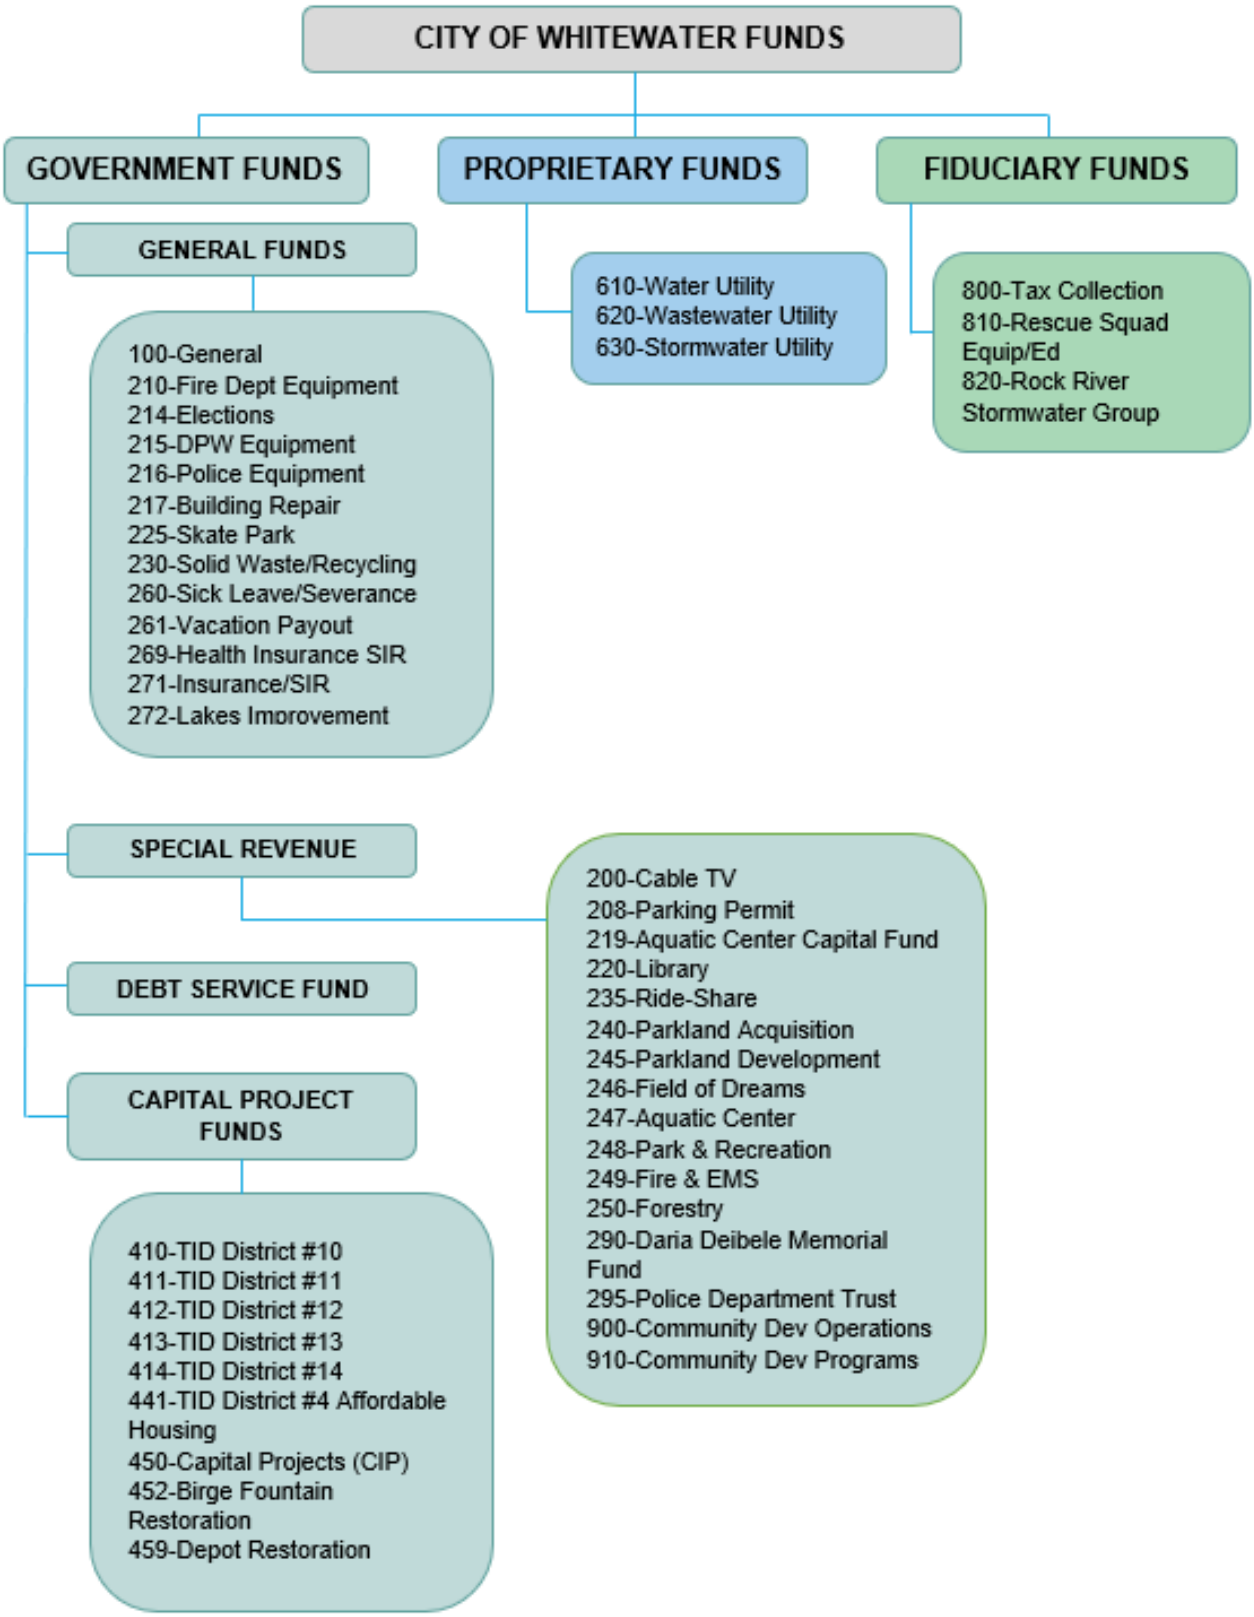

- Operational Revenues and Expenditures:
  - Non-levy revenue sources were forecasted to increase over next two years and then remain flat. This increases the City's reliance on the property tax levy to fund any budget growth to maintain a balanced budget. Current projections show annual increases in total levy from 2022 – 2026 between 2% and 8%.
  - Expenditures were classified into groups based on anticipated growth rates over time. Insurance and employee benefit costs were anticipated to outpace the rate of inflation. Wages were forecast to keep pace with inflation and commodities/services were forecast to grow slower than the rate of inflation.
- Capital Spending:
  - Use of debt financing: One of the most significant draws on the annual budget are debt principal and interest payments. The burden of these payments is carried by the annual budget of the General Fund, Tax Increment Districts, and Water, Sewer, and Stormwater utilities based on the projects paid for with the borrowed funds. These payments limit annual budget options as a significant portion of annual revenues are already committed to pay for these historical projects.
  - Constraining spending levels: A guideline was developed to limit new borrowing to the rate at which existing debt is retired. Limiting new debt-funded capital projects in this manner is intended to keep debt levels stable over time however, the borrowing constraints imposed by the prior policy have led to the deferral of many necessary capital projects and the City now faces a backlog of high priority projects. Use of Fund Balance for capital project is limited to amounts that will not jeopardize liquidity, 20% target Unassigned Fund Balance or credit ratings.
  - Prioritization of projects: A classification system was developed to differentiate Core vs. Non-Core projects ensuring that projects essential to maintaining existing City services are prioritized before new initiatives. Each department ranks its projects as high, medium or low priority. These rankings, along with input from

Common Council members and staff, are combined into a composite rating score that guides project selection and funding decisions.

- Utility rates:
  - Rate increases: A guideline was developed to favor smaller increases on a more frequent basis over large increases that occur less frequently. This stems from the past decade in which several large increases were necessary to fund treatment plant and underground reconstruction projects.
  - Rate Forecasting: A rate forecasting framework is being established to ensure rates in effect are adequate to support current operations of each utility, replacement of aging infrastructure and maintaining adequate capital reserves.

Building on our historical strengths, we will improve our ability to prioritize our resources in line with the broader community interests as well as anticipate and develop solutions as issues arise.

FUND STRUCTURE

The financial transactions of the City are reported in individual funds. Each fund includes a self-balancing set of accounts that record annual revenues, expenditures, and changes in net position. Funds are organized into three categories: governmental, proprietary, and fiduciary funds. Additionally, under GASB Statement No. 34, funds within these categories are considered major or non-major. The following major funds are budgeted:

Governmental Funds
General Fund (100)
Special Revenue Funds (200's)
Debt Service Fund (300)
Capital Project Funds (400's)

Proprietary Funds
Water Utility Fund (610)
Wastewater Utility Fund (620)
Storm water Utility Fund (630)

A fund is considered major if it is the primary operating fund of the City and meets the following criteria:

Total assets, liabilities, revenues, or expenditures / expenses of an individual governmental or enterprise fund are at least 10% of the corresponding total for all funds of that category or type, and Total assets, liabilities, revenues, or expenditures / expenses of an individual governmental or enterprise fund are at least 5% of the corresponding total for all governmental and enterprise funds combined.

GOVERNMENTAL FUNDS

The City maintains the following governmental funds:

- **General Fund**
  The General Fund (100) accounts for resources traditionally associated with the City's operations which are not required legally or by sound financial management to be accounted for in another fund including Administration, Police, Finance, Court, Neighborhood Services, Park & Recreation and Public Works.

  Special Purpose Funds: Special Purpose Funds are used to set money aside periodically for the gradual repayment of a debt or replacement of a wasting asset. The City has created twelve special purpose funds to address aspects of city operations that are either irregular in value, uncertain in timing or span multiple budget cycles. The use of these funds provides stable funding and visibility to manage these aspects of city operations. For audit purposes, these special purpose funds are a discrete sub-set of the General Fund. These include Fire Dept Equipment, Elections, DPW Equipment, Police Vehicle, Building Repair, Skate Park, Solid Waste/Recycling, Sick Leave Severance, Health Insurance-SIR, Insurance-SIR, Lakes Improvement, and Street Repair.

- **Special Revenue Funds**
  Special Revenue Funds are used to account for specific revenues that are legally restricted to expenditures for specific purposes or are restricted by decision of the City Council. The City has several Special Revenue Funds. Examples are Cable Television, Library, Parkland Development, Parking Permits, Community Development Funds, Parkland Acquisition, Treyton's Field of Dreams, Aquatic Center, Forestry, Rideshare Grant Program, Fire/EMS, Innovation Center and Park & Recreation.

- **Debt Service Fund**
  Debt Service Funds are used to account for the accumulation of resources and payment of bond principal and interest. The City maintains one Debt Service Fund (300) which is used to account for the accumulation of resources for the payment of all General Obligation Bonds. The Debt Service fund consists of obligations of the General Fund and TIDs 10-14. Financing is provided by property taxes, tax increments and PILOT payment agreements.

- **Capital Projects Funds**
  Capital Project Funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds. The Capital Projects Fund is used to account for improvements to City streets, curb & gutters, sidewalks, bridges, bike paths, bike lanes, parks and capital items otherwise required to provide city services. Tax Increment Financing (TIF) District Funds #10-14 are used to finance development within each of the TID districts.

PROPRIETARY FUNDS

The City maintains the following proprietary funds:

- **Enterprise Fund**
  Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the City Council is that the cost of providing these services be financed or recovered through user charges. The City maintains three enterprise funds:
  - Water Utility
  - Wastewater Utility
  - Stormwater Utility

  Each account for the provision of water services, wastewater services, and stormwater management to all customers within the City of Whitewater. All activities necessary to provide such services are accounted for in each fund including, but not limited to, administration, operations, billing and collection, maintenance and capital improvements.

FIDUCIARY FUNDS

The City maintains the following fiduciary funds:

- **Trust/Agency Funds**
  Trust/Agency funds are used to account for assets held by the City in a trustee capacity. The City accounts for the following funds as Trust/Agency funds:
  - Tax Collection (Fund 800)
  - Rescue Squad Equipment/Education (Fund 810)
  - Rock River Stormwater Group (Fund 820)

FUND BALANCE

(See the Fund Description section located on individual fund pages for specific fund balance uses and restrictions.)
Fund balance is the difference between assets and liabilities.

- Unassigned fund balance—amounts that are available for any purpose; these amounts are reported only in the general fund.
- Nonspendable fund balance—amounts that are not in a spendable form (such as inventory) or are required to be maintained intact (such as the corpus of an endowment fund)
- Restricted fund balance—amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation
- Committed fund balance—amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint
- Assigned fund balance—amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority too.

Understanding Expenditures by Fund

The City reports expenditures on a fund-by-fund basis to provide transparency into how resources are used within each functional area of government. In some cases, funds transfer dollars to other funds to support specific programs, capital projects, or operational needs. These transfers are recorded as **expenditures in the fund providing the resources** and as **revenues in the receiving fund**.

Because of this structure, certain dollars may appear more than once within the budget document—once when they leave the originating fund, and again when they are spent by the receiving fund. This accounting treatment does **not** represent double-spending; rather, it reflects the movement of resources through the City's fund structure and ensures that each fund accurately reports the true cost of the services it supports.

This approach follows governmental accounting standards and helps the City clearly demonstrate how programs are financed, the extent to which specific funds rely on interfund support, and the full cost of delivering services across departments and operating units.

City of WHITEWATER

DEPARTMENT/FUNCTION

GENERAL ADMINISTRATION

General Administration is responsible for oversight and administration of the day-to-day operations of city government and includes the offices of the City Manager, City Clerk, Human Resources, Municipal Court, City Attorney, Information Technology, Finance, and Emergency Preparedness.

CITY MANAGER

The City Manager is the Chief Executive Officer for the City and is appointed by the Common Council. The City Manager is responsible for overseeing day-to-day operations, directing the staff work, making policy recommendations to the Common Council and bringing forward strategic plans and initiatives for the future improvement and betterment of the City.

CITY CLERK

The City Clerk acts as the legal custodian of the City's official records and is responsible for the administration of elections, legal notifications to the public, the issuance of licenses and permits, and the preparation of official minutes. The City Clerk provides administrative support to the Common Council as well as other municipal boards, commissions, and committees. The Clerk also responds to informational and record requests from the public.

HUMAN RESOURCES

The HR Manager is responsible for the planning, development, implementation, management/administration and communication of all HR programs and projects and is under the direction of the Finance & Administrative Services Director. Human Resources functions include staffing, employee relations, wage and salary administration, benefits, labor relations, employee services, and employee evaluation and development.

MUNICIPAL COURT

The Municipal Court conducts a variety of court actions that are too small for county, state, district, or federal courts. The municipal court maintains exclusive jurisdiction over ordinance violations within the City of Whitewater. The court also hears cases involving traffic, parking, and other violations as outlined in Wisconsin Statutes Chapter 755 and 800.

CITY ATTORNEY

The City Attorney is responsible for conducting all legal services for the City. The City Attorney serves as legal advisor to the Common Council, City Manager, and all City commissions, committees, departments and offices. The City Attorney prosecutes all municipal forfeitures and performs such other duties as may be required by the City manager or Common Council or as required by state law or local ordinance.

MISSION

Provide outstanding leadership and oversight to the City of Whitewater organization, preserve the democratic process, ensure transparency and accountability related to the use of public resources and provision of municipal services.

DEPARTMENT SERVICE METRICS

CITY CLERK

- **Licenses/Permits Issued:** Tracks the total number of licenses and permits issued by the City Clerk for the year.
- **Total Registered Voters:** Number of residents legally registered to vote in the City of Whitewater
- **Percent Change in Registered Voters:** Measures the change in the number of registered voters per year displayed as a percentage of total registered voters.
- **Voter Turnout per Election:** Measures the number of voters turning out for elections during the course of the year. The measure is presented as an average.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

CITY MANAGER

- Follow the Goals Set forth in the Strategic Plan
    - The City Manager values the time, energy, and resources that went into developing the strategic plan. This plan speaks to the wants and needs set by the community.
- Affordable Housing
    - As a part of the strategic goals the city's priority is to increase affordable single-family housing to all residents. The City Manager will assist the Economic Development Director and CDA in taking strategic steps to help achieve the desired goal of single-family housing set forth in the strategic plan.
- Increase Communication
    - As a part of the strategic goals the City would like to focus its energy on increasing communication within the community. The City Manager will assist the Media Services department in producing weekly content to help update the community about recent events, upcoming events, and additional information.
- Support Thriving Business
    - As a part of the strategic goals the City would like to focus its energy on supporting thriving businesses. The City Manager will continue their roles with Thrive ED, JCDEC, CDA, developers, and other local organizations to understand and advocate for the business community.
- Improve recruitment, retention, and diversity
    - As a part of the strategic goals the City would like to focus its energy on improving recruitment, retention, and diversity. The City Manager will assist in this process by continuing to work with the emerging leader's group. This group has been acknowledged by department heads as individuals who have exceptional leadership skills and the ability to make change. The City Manager currently meets with them on a quarterly basis and will continue to do so. During these meetings, the City Manager is able to get an in-depth understanding of the perception that all staff have, what struggles the organization faces, and what impactful changes can be made.
- Prioritize Expenditures with Available Resources
    - As part of the strategic goals the City would like to focus its energy on prioritizing expenditures with available resources. The City manager will assist in this process by continuing to meet with the finance director. The City Manager is currently meeting with the Finance Director on a bi-monthly basis to assess the current spending and discuss the budget as a whole.

CITY CLERK

- **Modernize Licensing Processes**: Transition of the alcohol licensing renewal process from paper packets to electronic forms distributed via email, improving efficiency and reducing costs.
- **Enhance Records Management**: Develop and implement a comprehensive City-wide Records Retention Policy, while advancing the Laserfiche initiative to digitize and preserve historical records.
- **Strengthen Election Workforce**: Expand the pool of trained Election Inspectors, with a targeted increase in recruitment and participation of UW-Whitewater students.
- **Promote Voter Engagement**: Expand voter education and registration initiatives through active participation in community and campus information sessions.

HUMAN RESOURCES

The Human Resources Department will continue to focus on initiatives that strengthen organizational efficiency, fiscal responsibility, and employee engagement. Key goals for the 2026-2027 budget cycle include:

- **Optimize Employee Benefit Costs** – Conduct a comprehensive review of all employee benefit plans to identify opportunities for cost savings and improved plan design. The goal is to present recommendations for potential benefit enhancements or efficiencies to the Finance Department by September 2026, supporting sustainable budgeting and employee satisfaction.
- **Implement Data-Driven Compensation Planning -** Develop and adopt a comprehensive Compensation Plan Policy to guide equitable, competitive, and fiscally sound pay practices. The policy will define methodology, review frequency, and procedures for reclassification and adjustments, ensuring consistent and transparent compensation management.
- **Strengthen Recruitment and Retention Efficiency –** Establish baseline data for the City's recruitment costs and retention rates to better understand current trends and future improvement opportunities. Once baseline information has been gathered, HR will develop strategies to enhance efficiency and reduce costs through improved onboarding tools, digital outreach, and workforce planning.
- **Implement a Performance Evaluation System with Budget Impact –** Launch a standardized city-wide performance evaluation process that links individual performance to compensation and professional development opportunities. Results from the 2026 evaluation cycle will inform 2027 personnel budget decisions related to merit increases and training investments.

CITY ATTORNEY

- Create templates for Ordinances, Resolutions, common contracts and other forms used by the City.
- Create and utilize electronic filing system for the City Attorney's Office.
- Create SOP for City Attorney's Office.
- Begin tracking data relevant to Department Service Metrics.
- Improve process and procedures for Municipal Court Violations.
- Hire and train a legal assistant to further improve services provided by the City Attorney's Office.

DEPARTMENT/FUNCTION

The IT Department is responsible for planning, organizing, developing, administering network and city information technology policies, procedures, and programs. Work requires technical advice and decision making in all areas of information technology administration, including hardware/software selection and implementation, and maintenance, system upgrades/enhancements, personal computer (PC) technical support, information technology employee training programs, and managing the annual information technology budget. Support duties include responding to and resolving hardware, software and network problems, collaborating with vendors, consultants and service providers to achieve highest possible standards of information system security, integrity and functionality. Maintains effective communication, facilitates knowledge transfer, and fosters environment of development with co-workers, vendors and service providers throughout the performance of duties.

MISSION

The IT Department will provide the highest quality technology-based services, in the most cost-effective manner, to facilitate City of Whitewater services.

To meet this mission IT will:

- Provide effective technology support for all City departments.
- Promote and facilitate the effective integration of technology.
- Develop, enhance, and manage the City's enterprise networks to provide high speed, transparent, and highly functional connectivity among all information resources.
- Develop and maintain highly effective, reliable, secure, and innovative information systems to support all City functions.
- Facilitate the collection, storage, security and integrity of electronic data while ensuring appropriate access.
- Promote new uses of information technology within the city.
- Provide leadership for effective strategic and tactical planning in the use of technology
- Provide fast & reliable access to all information systems.

GOALS & OBJECTIVES

2026 OUTLOOK

- Conduct annual evaluation of IT assets for replacement (per Computer Systems Hardware Replacement Standards Policy)
- Deploy optical fiber connection to STIP facility to improve bandwidth and resiliency
- Replace Wastewater L3 network switch to enhance SCADA reliability
- Replace surveillance DVR and integrate with citywide monitoring network
- Replace email archiver (end-of-life hardware)
- Replace TV broadcast PC to improve and maintain local government channel reliability
- Conduct third part web application and vulnerability testing

2027 OUTLOOK

- Conduct annual evaluation of IT assets for replacement (per Computer Systems Hardware Replacement Standards Policy)
- Conduct third party Cybersecurity Penetration Test
- Evaluate Veeam backup server for 2028/2029 replacement and DR optimization
- Evaluate TV station NAS for 2028/2029 replacement
- Replace “Sherri” Synology NAS and re-evaluate long-term backup strategy
- Develop 5-year infrastructure roadmap to guide IT lifecycle funding and reduce reliance on CIP
- Implement citywide Official Records Management Solution to improve retention and compliance
- Replace administration switch stack (end-of-life hardware)
- Upgrade city cellular devices and evaluate Mobile Device Management (MDM) solutions
- Develop and implement a City IT Governance & Compliance Framework

INFORMATION TECHNOLOGY EXPENSE NOTES

GIS was moved under IT for the 2027 Budget

DEPARTMENT/FUNCTION

The Finance Department is responsible for all accounting, internal auditing, and financial control for all city government activities. The department manages billing and collections for all city services including utilities and taxes. The Finance Department also handles accounts payable, payroll, fixed assets, investments, cash flow management, and borrowing needs. The development of the city's annual Operating and Capital Improvements Plan (CIP) is the responsibility of the Finance Department. An external auditor conducts an audit of all financial transactions annually to ensure the proper and ethical accounting of public funds.

MISSION

The mission of the Finance Department is to safeguard the City's financial integrity by providing transparent, accountable, and strategic management of public funds that supports effective decision-making and long-term fiscal sustainability.

PERSONNEL SUMMARY

	2022	2023	2024	2025	2026	2027
Finance Director	1	1	1	1	1	1
Comptroller	1	1	1	1	1	1
Accounting Technician II, Utilities	1	1	1	1	1	1
Accountant	1	1	1	0	0	0
Accounts Payable/Payroll Clerk	0	0	0	1	1	1

The Finance Director position emphasizes the financial planning needs of the City and to assume oversight of IT and Human Resources from the City Manager. Accounting and financial reporting are the primary responsibility of the comptroller.

DEPARTMENT SERVICE METRICS

Several metrics have been identified to gauge the scope, scale and quality of services provided by the department.

- **Budget Enhancement:** Development/delivery of enhanced annual budget document. Measured through receipt of GFOA Distinguished Budget Award. Our objective is to methodically improve the document by incorporating feedback from each of the three reviewers each year. We also translate reviewer ratings for each criterion into a point score where: 1 = Information not present; 2 = Does not satisfy criteria; 3 = Proficient; 4 = Outstanding
  - 2018 Budget: First time submission, GFOA Award received with composite score of 3.06
  - 2019 Budget: GFOA Award received with composite score of 2.93
  - 2020 Budget: GFOA Award received with composite score of 3.10
  - 2021 Budget: GFOA Award received with composite score of 3.10
  - 2022 Budget: GFOA Award received with composite score of 3.00
  - 2023 Budget: GFOA Award received with composite score of 3.00
  - 2024 Budget: GFOA Award received with composite score of 3.10
  - 2025 Budget: GFOA Award received with composite score of 3.10
  - 2026 Budget: GFOA Award received with composite score of 3.20
  - 2027 Budget: GFOA Award received with composite score of 3.20
- **Accounting:** Accounting and reporting of financial resources of City and supported organizations. Measured through completion of Financial Audit with unqualified audit opinion and resolution of any concerns raised in prior year audit.
  - All Financial Audits completed in recent years have received unqualified opinions. Staff continue to improve procedures and strengthen practices as identified by auditors.
- **Debt Management:** Limit General Obligation debt levels to remain below 70% of statutory limit. Measured annually by total debt balance as percent of prior year equalized property value. Detailed under Debt Service Fund 300.

Provide:

- Accounts receivable and collections services for City and supported organizations. Measured by total payments processed (count and value as workload indicator).
- Payment services across City and supported organizations. Measured by total payments processed (count and value as workload indicator) and rebate value realized.
- Payroll services across City and supported organizations. Measured by total payments issued (count and value as workload indicator), percentage paid through direct deposit (target 100%) and errors/rework count (target zero).
- Improve earnings on managed cash. Measured by returning above benchmark within channels permitted by Investment Policy. Average of Annualized monthly yield.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- **Policy Review and Redevelopment**
  - Conduct a comprehensive review and modernization of existing financial and administrative policy documents.
  - Standardize policy formatting, approval, and review procedures to ensure clarity, accessibility, and alignment with current best practices.
  - Establish a regular policy review cycle to maintain relevance and compliance with evolving regulations and organizational needs.
- **Operational and Capital Budgeting**
  - Continue refining both operational and capital budgeting processes to enhance efficiency, transparency, and long-term planning.
  - Submit the 2026–2027 biennial budget for consideration in the GFOA Distinguished Budget Award Program.
  - Improve the City's GFOA composite score through stronger linkage between performance metrics, fiscal policies, and community outcomes.
  - Expand multi-year financial forecasting tools to improve decision-making and support strategic capital investment planning.
- **Housing Initiatives**
  - Develop a comprehensive financial model for affordable housing initiatives, including an analysis of potential tax increment financing (TIF) impacts.
  - Conduct fiscal impact analysis for all proposed housing developments to ensure long-term financial sustainability and community benefit.
  - Collaborate with Community Development and CDA to align housing strategies with financial capacity and policy objectives.
- **Public Communication and Transparency**
  - Enhance public communication regarding financial initiatives and policies through digital engagement tools such as a dedicated finance webpage and periodic social media updates.
  - Publicize key information—such as the new water credit policy and water usage monitoring options—to promote transparency and resident awareness.
  - Develop a quarterly "Finance in Focus" update summarizing key fiscal activities, budget highlights, and performance metrics.
- **Recruitment and Retention**
  - Collaborate with Human Resources to evaluate the cost-effectiveness of various employee retention strategies.
  - Use data-driven analysis to determine which initiatives (e.g., benefits, flexible work arrangements, training investments) yield the highest impact on retention and morale.
  - Integrate financial modeling into workforce planning to ensure sustainable staffing levels and competitive compensation structures.
- **Business and Institutional Partnerships**
  - Perform regular financial reviews of CDA programs to ensure optimal resource utilization, accountability, and alignment with community development goals.
  - Explore shared service or cost-sharing opportunities to enhance efficiency across partner organizations.
- **Financial Prudence and Risk Management**
  - Implement periodic financial stress tests to assess the City's resilience under various economic and revenue scenarios.
  - Develop a proactive departmental budget monitoring system to identify and mitigate issues early preventing overruns like those previously encountered with WAFC.
  - Strengthen internal controls and reporting mechanisms to ensure budget categories align with approved funding levels and policy intent.
  - Continue promoting a culture of fiscal responsibility, long-term sustainability, and data-informed financial management.

DEPARTMENT/FUNCTION

The Emergency Operations Coordinator and Deputy Coordinators, under direction of the City Manager, ensures that the City's emergency operations plan remains current and that all emergency operations resources remain functional and ready for use in the event of a significant emergency or disaster. In the event of an emergency, the Emergency Operations Coordinator maintains effective communication between local and state agencies to ensure the proper safety and education of Whitewater residents.

DEPARTMENT/FUNCTION

Streets/Parks/Forestry and Stormwater Utility is responsible for the maintenance and upkeep of all City owned streets, sidewalks, street lights, traffic signals, street signage, City owned parks including all entities associated within all parks, all maintenance of City owned trees along with making sure our stormwater system is maintained and to meet the requirements of the DNR issued Municipal Separate Storm Sewer System (MS4) Permit.

MISSION

To provide and maintain all aspects of the operations that this department provides to the Citizens of the City of Whitewater along with making sure all visitors to our city have a safe and enjoyable visit. We will continue to respond in a prompt, courteous and professional manner when dealing with any concern of all City residents or visitors.

PERSONNEL SUMMARY	2022	2023	2024	2025	2026	2027
St./Parks/Forestry/Stormwater Superintendent	1	1	1	1	1	1
Lead Laborer	1	1	1	1	1	1
Full Time Staff	8	8	8	8	8	8
GIS Analyst	-	1	0	0	0	0
Administrative Assistant (15%)	1	1	1	1	1	1

Full-time staff levels have remained steady. The major concern of staffing is that there has not been any increase in full-time staff, but additional miles of streets, additional bike/walking paths, additional park lands as well as additional stormwater ponds with maintenance needs have all increased over the time frame listed. GIS Analyst was reallocated from Neighborhood Services to DPW as of the 3rd quarter of 2023, however the position is being moved to IT in 2027.

DEPARTMENT SERVICE METRICS

The Department of Public Works Streets/Parks/Forestry division and the Stormwater Utility is responsible for 50.5 miles of streets (45.5 miles in Walworth County and 5.0 miles in Jefferson County) and 21 parks encompassing 242 acres. Additionally, the division is also responsible for the number of off-street bike/pedestrian paths throughout the city. Data will be collected to help identify the efforts in maintaining these facilities.

Ballfield Maintenance

Description	2023 Hrs	2024 Hrs	2025 Hrs	2026/thru Sept

Total	**51,042.68**	**35,358.62**	**41,135.29**	**25,806.20**

The Streets Department is responsible to repair damage to City property. This measure illustrates the value and timing of damage incurred.

DEPARTMENT SERVICE METRICS

Annual Tree City Report

Description	2023	2024	2025	2026/thru Sept
Trees Removed	52 (15 Ash)	39 (12 Ash)	83 (14 Ash)	95 (5 Ash)
Trees Treated	0	181	0	181
Trees Planted	83	47	72	57
Trees Trimmed	300	300	780	860
Stumps Removed	125	22	32	26

The City has several Ash trees on city owned land. This measure will track the number of Ash trees that exist, the number of Ash trees removed in the year, and the number of new trees planted.

Annual Mowing Report

Location	2023	2024	2025	2026/thru Sept
Big Brick Park	15	18	20.5	12.5

Total Hours	**986.0**	**1216.25**	**1171.75**	**1063.5**

The City mows grass on City owned property (not park), parks and properties that are fined for not mowing. During wet weather, grass mowing is completed more frequently compared to drier weather. This measure collects the number of hours of mowing.

DEPARTMENT SERVICE METRICS

Annual Winter Report

Description	2023	2024	2025	2026/thru Sept
Number of Events	25	17	22	11
Total Inches of Snowfall	45.5	40.5	53	27
Hours Worked	1,286.25	1,421	2,041	744
Tons of Salt	298	241	428	306
Tons of Sand	70.25	82.3	172	104
Gallons of Brine Made	19,335	21,875	35,000	8,400
Gallons of Brine Applied	22,095	17,625	34,847	11,402
Gallons of Calcium Chloride Used	450	0	0	0

This measure includes the number of events in which crews are sent out to plow, along with the number of hours associated with snow removal (including pre-salting, snow removal and sanding).

Street Condition
Paser Ratings

Rating	Quality	2023	2025
10	Excellent	5.35	7.18
9	Excellent	2.70	3.27
8	Good	7.62	8.65
7	Good	7.36	6.63
6	Fair	9.31	12.85
5	Fair	11.33	7.05
4	Poor	4.42	2.62
3	Poor	2.06	2.02
2	Failed	0.34	0.23
	Total Miles of Streets	**50.5**	**50.5**

The City is required to self-rate our streets every two years (odd numbered years). The City uses the PASER rating system with a ranking of 1 -10 with 10 being the best. The rating considers the City's efforts in conducting street maintenance activities including crack filling, sealcoating, asphalt overlay and street reconstruction.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Develop 5 Year Street Maintenance Plan (2028 – 2032) – Determine streets, with associated costs, for the next five years for improvements. Projects to include reconstruction, asphalt overlay, seal coating and crack filling.
- Develop Sidewalk Replacement Plan – Identify defective sidewalk throughout the City and develop a plan to replace a desired amount each year.
- Equipment Replacement Fund – Continue to define a schedule to replace vehicles and equipment in the street department to provide employees with better and up to date equipment.
- Construction of Jefferson Street, Putnam Street, and Franklin Street/W. Main Street Intersection – Coordinate with Strand Associates in oversight of the reconstruction of Jefferson Street from E. Main Street to north of Starin Road, including one block of North Street east of Jefferson Street and extending sanitary sewer on the north side of Starin Road east of Jefferson Street; Putnam Street from Walworth Avenue to Janesville Street; and improving the southeast turning movement for semis at the Franklin Street and W. Main Street intersection.
- Biennial Street Projects - Together with Superintendents and Strand, develop construction plans in 2027 for street reconstruction projects in 2028.
- Continue to reduce the amount of salt and sand applied to streets during winter operations by incorporating additional brine applications as snowplow trucks are updated.
- Continue cross training of new staff to prepare for upcoming retirements.

- Working together with GIS to update storm sewer maps and street lighting.
- Continue to address the maintenance of existing City owned stormwater BMP's.

DEPARTMENT/FUNCTION

The Administrative component of the police department provides overall management, logistical support, policy setting, and decision making relative to all aspects of the organization. The Patrol component provides for the protection of life and property through a proactive approach to policing and public safety by uniformed patrol officers. The Investigative component of the Department provides follow-up investigation of various crimes by plain-clothes detectives. The Support Services component provides clerical and record keeping functions. The Communications component handles emergency and non-emergency radio and telephone service for the Whitewater Police Department, Whitewater Fire Department/EMS, UW-Whitewater Police Services, and LaGrange Fire and Rescue.

MISSION

We strive to be leaders in policing for our community and models of character, honor, service, and excellence. We resolve to develop a creative problem-solving workforce dedicated to innovation and meeting the challenges of tomorrow. In times of crisis, we strive to defend public safety, maintain order, and restore a sense of personal wholeness. Our goal is to protect and serve our diverse and dynamic community with integrity, dignity, and respect.

DEPARTMENT SERVICE METRICS

Offense counts are calculated based on the number of offenses for each victim (per incident) for Crimes Against Persons and the number of unique offense types (per incident) for Crimes Against Property and Crimes Against Society. For burglary and motor vehicle theft, offense counts are based on the number of premises entered and the number of vehicles stolen, respectively.

These counts are generated on the Wisconsin Department of Justice - Uniform Crime Reporting website. Counts are based on the month of the incident, rather than the month the incident was submitted. If the incident date is unknown, the report date is used. Counts are subject to change as data is updated.

DEPARTMENT SERVICE METRICS

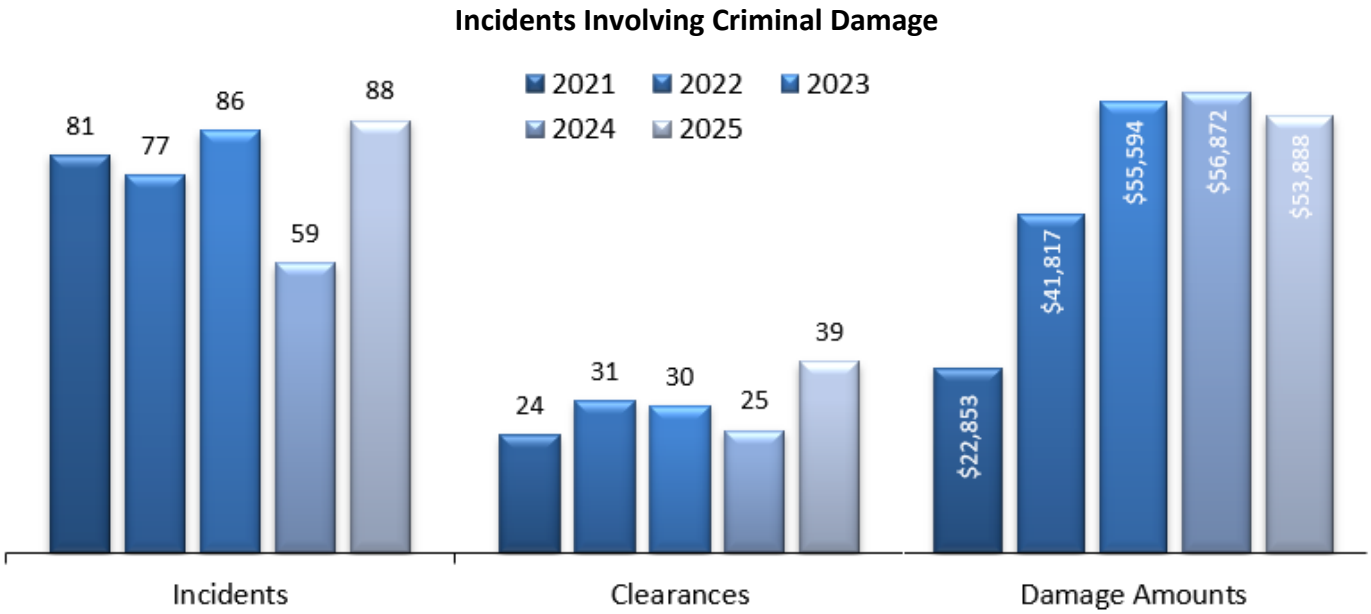

Property Stolen vs. Property Recovered

Total/Offense	Stolen dollar amount	Recovered dollar amount	Recovery Rate percentage
2021 Total	**$95,182**	**$37,575**	**39%**
2022 Total	**$163,085**	**$57,477**	**35%**
2023 Total	**$128,258**	**$48,863**	**38%**
2024 Total	**$205,844**	**$78,043**	**38%**
2025 Total	**$156,575**	**$111,058**	**71%**

** From 2021 - 2024, the recovery rate reflects the recovered property procedure change that was implemented in 2021.*

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- **Complete design work and begin construction on a new PD Evidence/Training building.**
  Action Plan:
  WPD's current long-term evidence storage garage is in very poor condition creating a high risk of liability for the City. The current garage is not temperature controlled and has had problems with rodent intrusion. The ideal plan is to build an approximately 50' x 100' pole shed structure that will serve the purpose of long-term evidence storage, evidentiary vehicle storage, as well as a training environment. An RFP will be completed for design work, and based on the design, a construction bid will be published. Prior to 2025, $180,000 was borrowed and dedicated to this project.

- **Implement a new policy and accreditation management system (PowerDMS).**
  Action Plan:
  WPD currently utilizes a combination of Microsoft Word and Adobe Acrobat for both policy management as well as management of accreditation documents. This is inefficient, causing a great deal of unnecessary staff time to be tied up in editing documents, especially regarding the creation of accreditation proofs. On the policy management side, the use of word documents makes it very difficult to utilize the expertise of all staff members as the documents don't act as "living" documents that track suggested updates. The PowerDMS software addresses those shortcomings and will be a significant improvement for the agency.

- **Create a model of specialization within the Detective Bureau.**
  Action Plan:
  Historically the WPD detective bureau has operated in a way where each detective serves as a generalist handling a large variety of cases. This is mostly due to the caseload and limited number of detectives. However, in 2025, an additional detective was hired. Concurrently, the agreement permitting use of the Waukesha Police Department provides us with an opportunity for forensic analysis of electronics. This gives us an opportunity to create a more efficient and specialized detective bureau.

- **Increase our department's clerical staff capacity by transitioning the part-time Records Technician position to full-time.**
  Action Plan:
  This action will assist us in keeping up with the increasing demands of our clerical staff related to records requests and related redaction. The cost will be supported by a video redaction fee system put in place in 2025 as well as an increase in the cost of parking tickets enacted by the Common Council in 2025. The anticipated timeline of the transition is July 1, 2025.

- **Partner with Media Services to create a promotional video that will be utilized for future hiring processes.**
  Action Plan:
  With the passage of the Police and Fire/EMS referendum, the police department will be hiring an additional five patrol officers. To best position the department as an attractive employer, we will promote the agency through the creation of a promotional video. The plan will be to invite Media Services staff to PD training throughout the summer to obtain footage of our staff training, attending special events, and completing routine tasks. We plan to post the completed video on social media and on the city website.

DEPARTMENT/FUNCTION

The Community Development Department, formerly known as the Neighborhood Services Department, in combination with the Office of Economic Development, is responsible for land use planning / enforcement, and coordinating Geographic Information System mapping projects, which are handled by the city's GIS Analyst (which is now within the Information Technology Department). The department also maintains oversight for fire inspections.

Land use planning/enforcement duties include:

- Oversight and enforcement of zoning and building codes.
- Issuance of building permits and oversight of building inspections.
- Maintenance of the City's Comprehensive Land Use Plan; maintenance of city-wide Geographic Information System (GIS) mapping.

Community Development coordinates these responsibilities with input and oversight from the Plan and Architectural Review Commission. Community Development also provides administrative support to the Landmarks Commission and Urban Forestry Commission and serves as the liaison to the Whitewater's Historical Society in matters concerning maintenance of buildings in the Main Street Historic District, on the National Register of Historic Places and those considered Whitewater Local Landmarks.

MISSION

The Community Development Department helps Whitewater build and grow. The department issues building and zoning permits, enforces the municipal code, maintains mapping data and engages in short- and long-term land use planning.

PERSONNEL SUMMARY

	2022	2023	2024	2025	2026	2027
Neighborhood Service Director	1	1	-	-	-	-
Administrative Assistant I	1	1	1	1	-	-
Fire Inspector/Code Enforcement	-	1	-	-	-	-
GIS Analyst (moved to DPW)	1	1	-	-	-	-
GIS Intern	.5	.5	-	-	-	-
Neighborhood Services Officer	1	.5	-	-	-	-
Zoning Specialist	-	-	-	-	1	1

In 2023, with the departure of the Neighborhood Services Director and the Neighborhood Service Officer, the City began outsourcing Zoning Compliance and Code Enforcement. In addition, the GIS Analyst position was reallocated to DPW. In 2026, the Administrative Assistant I position was reclassified and retitled as a Zoning Specialist to better align with the duties and technical expertise required for zoning administration.

2020	290	8
2019	289	12
2018	320	13
2017	302	10

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Assist Developers through the site selection and permitting process by providing timely information and guiding them to the appropriate committees. Anticipate any Future Land Use changes or rezonings that may need to be made to allow for residential units to be built, as well as to support future business growth.
- Continue the marketing of city and CDA-owned properties for development and redevelopment opportunities. Continue to explore additional land opportunities to support future growth.
- Determine if the outsourcing of zoning and code enforcement hours is appropriate for the budgeted amount compared to providing services in house. Assuming selection of a firm following the 2026 Request for Proposal, use of a third-party firm is planned to continue in 2027.
- Begin implementation of the 2026 “Whitewater Forward” Comprehensive Plan Update. This will include reviewing the implementation schedule within the document, and breaking initiatives and goals down into realistic task-oriented timelines.
- Begin process of Zoning Code Re-Write in conjunction with the City’s selected vendor. Ensure that the zoning code is rewritten in a way that is modernized and meets the goals of the City outlined in the Comprehensive Plan.
- Continue implementation of the Downtown Activation Initiative as well as high-priority downtown development and redevelopment opportunities.

DEPARTMENT/FUNCTION

Recreation is responsible for providing a comprehensive offering of programs for all ages and abilities. Programs vary from recreational to competitive sports, to exercise wellness, to arts and culture, enrichment programs and community special events. The initiative for growth in programming comes directly from citizens requests. Administrative costs are funded by tax dollars, but direct program expenses are supported by a variety of user fees. The department staff work closely with community groups and organizations to promote, deliver, and administer a comprehensive program while attempting to not duplicate services.

MISSION

The City of Whitewater Parks and Recreation Department provides efficient and high-quality programs and services which support living, learning, playing and working in an exceptional community.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Develop Lakes District to create a comprehensive approach integrating environmental conservation and enhancing the health of Trippe and Cravath Lakes.
- Update the Comprehensive Lakes Management Plan to consider current conditions, advances in knowledge and evolving community needs to ensure a long-term health and sustainability plan of Trippe and Cravath Lakes.
- Secure additional grant funding, including the DNR Lakes Protection Grant and other relevant programs, to support ongoing efforts in revitalizing the lakes' fishing habitat and aquatic vegetation, thereby promoting the sustainability and ecological health of Trippe and Cravath Lakes.
- Strengthen partnerships and enhance communication with community groups, non-profit organizations, and others to support the promotion of the city and local businesses, ultimately fostering economic growth and a stronger sense of community.
- Complete an energy audit of city facilities and use the results to implement improvements that reduce utility costs, lower the City’s environmental footprint, and promote sustainable operations.
- Enhance communication and diversify the offerings of the Parks Department to better serve the needs and interests of a diverse range of cultures and demographics within our community to create a more inclusive, welcoming, and responsive Parks Department that serves to foster a stronger sense of belonging for all residents.
- Increase community events and engagement by creating events that reflect and celebrate the City’s ever-evolving diversity of population.
- Complete the Parks and Open Space Plan to establish an updated inventory, assessment, and set of recommendations that align with community needs and maintain eligibility for state and federal grants.
- Develop a comprehensive and forward-looking Parks and Recreation Strategic Plan that establishes a robust framework for departmental planning and development, guiding the department's initiatives and projects through 2030 and beyond.

FUND DESCRIPTION
FUND 214

The Elections Fund (#214) was established in the 2017 budget year to account for election expenses and normalize the irregular annual funding needs of a varied number of elections conducted each year.

- **Fund Balance** is designated to be retained at a level necessary to fund higher election expenses in those years with more elections.
- **Primary Funding Source** is annual transfer from the General Fund.
- **Audit Classification:** Governmental; Non-Major.

POLICE

FUND DESCRIPTION
FUND 216

The Police Vehicle Revolving Fund (#216) was established in 2004 to account for the purchase of police marked and unmarked squad cars based on an approved schedule. Emergency vehicles are used 24/7 and must be in good working order. Older, high mileage vehicles are susceptible to more frequent breakdowns, time out of service for repairs, and are less reliable. Prior to fund 216, vehicles were reflected in the capital portion of the Police Patrol and/or Police Investigations budgets. Due to some past budget restraints, there have been years when no vehicles were purchased.

- **Fund Balance** is designated to be retained to fund the annual replacement of police vehicles.
- **Primary Funding Source** is annual transfer from the General Fund and proceeds from sales of retired vehicles.
- **Audit Classification:** Governmental; Non-Major.

FUND DESCRIPTION
FUND 260

The Sick Leave Severance Fund (#260) was established to fund the General Fund portion of the accumulated sick leave benefit liability. This benefit pays eligible staff for their accumulated, but unused sick leave at retirement or separation. Payment is limited to the lesser of one-half of accumulated sick leave hours or 720 hours. The benefit was eliminated for new non-union staff who join the City after June 30, 2011. Accumulated liability on 12/31/2025 is projected to be $332,00 for 15 eligible General Fund staff members. WPPA & WPPSA union members continue to be eligible for a retirement payout of one half of their accumulated sick leave up to a maximum of 742.5 hours.

- **Fund Balance** is designated to be retained for funding anticipated benefit payments in the subsequent four-year period. This estimate is to be reviewed annually as part of the budget process. After 2026/27 transfer and depletion of current Fund Balance, an annual $48,250 transfer is expected to fund projected retirements through 2048.
- **Primary Funding Source** is annual transfer from the General Fund.
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION
FUND 261

The Vacation Payout Fund (#261) was established in 2026 to fund the General Fund portion of the accumulated vacation benefit liability. This benefit pays eligible staff for up to 40 hours of unused vacation at the end of the year. The policy includes several safeguards designed to ensure vacation continues to be used for its intended purpose while providing flexibility to employees with larger accumulated balances. The policy focuses on reducing accrued vacation liability while maintaining the City's philosophy that vacation should be used for rest and wellness rather than routinely converted to compensation.

- **Fund Balance** is designated to be retained for funding anticipated benefit payments in the subsequent year. This estimate is to be reviewed annually as part of the budget process.
- **Primary Funding Source** is an annual transfer from the General Fund
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION
FUND 269

The Health Insurance SIR Fund (#269) was established in 2025 to capture the General Fund's projected savings resulting from the City's transition to a self-funded employee healthcare program. Previously, the City participated in the Employee Trust Fund (ETF) health insurance plan; however, escalating premium rates made the self-funded model a more sustainable option. Because municipalities face a three-year waiting period and an estimated $700,000 penalty to rejoin the ETF, this fund was created to set aside annual savings until the targeted fund balance of $700,000 is achieved. The fund also provides resources for the annual reconciliation ("true-up") of the self-funded plan. Once the target fund balance has been reached, amu additional savings may be transferred back to the General Fund.

- **Fund Balance** is designated to be retained to help offset future increases to premiums, provide funding for year-end reconciliation and/or funds to pay the penalty should the city decide to return to ETF in the future.
- **Primary Funding Source** is annual transfer from the General Fund.
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION
FUND 271

The Insurance-SIR (Self Insured Retention) Fund (#271) was established in 2015 to fund exposure to loss retained by the City under its General Liability insurance policy. Under the policy terms, the City retains the first $25,000 loss exposure to each liability claim.

- **Fund Balance** is designated to be retained until it reaches a value of $100,000. Once this target level is reached, annual General Fund transfers may be suspended until claim losses require replenishment.
- **Primary Funding Source** is annual transfer from the General Fund.
- **Audit Classification:** Governmental, Non-Major.

POLICE

FUND DESCRIPTION
FUND 295

The Police Trust Fund (#295) was established to account for four separate activities: Donations, Crime Prevention, Seizures and Evidence/Found Property.

- **Audit Classification:** Governmental, Non-Major.

DONATIONS

The K9 Unit was established in 2013 with a "By the Community, For the Community" initiative and funds were acquired through the K9 5K/10K Run (held 2014, 2015, and 2016), K9 t-shirt sales, coin jar donations and donations from businesses and citizens. This fund is to account for the revenue and expenses associated with the K9 Unit.

- **Fund Balance** is designated to be retained for costs associated with establishing and maintaining a K9 Unit.
- **Primary Funding Source** is donations.

CRIME PREVENTION

Accounts for the revenue and expense of safety awareness programs and supplies including Identification kits, safety pamphlets, coloring books, etc.

- **Fund Balance** is designated to be retained for costs associated with crime prevention initiatives.
- **Primary Funding** is from Police Department sales of Wisconsin Department of Transportation vehicle registrations. Two-thirds of the convenience fee of $10 is retained by this fund.

SEIZURES

Accounts for the revenue and expense from federal and state seizures. Approved expenditures of these funds have included an electronic fingerprinting system, undercover vehicle, surveillance camera, tactical equipment and funds for undercover drug operations.

- **Fund Balance** is restricted for uses permissible by state and federal law. Portions of state-seized funds are submitted to the Wisconsin Common School Fund. Portions of federally seized funds are retained by the U.S. Marshals Service.
- **Primary Funding Source** is derived from federal and state seizures of cash and/or vehicles used in the commission of a felony. This funding is expected to be reduced or eliminated with future changes to federal and state seizure laws.

Evidence/FOUND PROPERTY

Accounts for seized and lost/found currency.

- **Fund Balance** is designated to be retained until the property can be returned to the rightful owner.
- **Primary Funding Source** is evidence from investigations and/or found property.

ASSOCIATED DEPARTMENT
COMMUNITY DEVELOPMENT

FUND DESCRIPTION — FUND 900

The Economic Development Operating Fund (#900) accounts for all operating revenues and expenses necessary to maintain the Whitewater CDA office and its presence for the benefit of community and economic development.

The office is charged with creating, coordinating, and/or executing all city community and economic development efforts The office serves as the main contact point for business growth, retention, expansion, and community development activities. Together with the City Manager, other municipal departments, the Executive Director is instrumental in the creation of and development of Tax Incremental Districts (TID's) for the city.

- **Fund Balance.** At year-end, any remaining balance not subject to Tax Increment Finance (TIF) rules or restrictions on other revenue sources will be made available for transfer back to the General Fund.
- **Primary Funding Source** is from Tax Incremental Financing (TIF) Districts per their respective project plans with support from the City's General Fund. As increment in the TID districts grow the resulting TIF revenues are designated to be used as the primary source of funding to the community and economic development operations. The General Fund intends to provide secondary support to ensure that the office of the Whitewater CDA is appropriately funded to fulfil its Mission to serve as the community economic development entity for the City.
- **Expenditures**. Expenditures are to be funded first by Tax Increment contributions, followed by other revenues and lastly by General Fund contributions.
- **Audit Classification:** Governmental, Component Unit.

DEPARTMENT SERVICE METRICS

Equalized Value. Positive economic growth results in new and expanding businesses as well as new residential construction which ultimately increases the local tax base and can reduce overall property taxes for individual property owners. Equalized value can be a helpful indicator of the growth in commercial and residential development over time. Regional, state, or federal shifts outside of the community can also have an impact on equalized values.

GOALS & OBJECTIVES
2027 OUTLOOK

Enhancing Housing Development Strategies

- Support the City's efforts to expand housing opportunities, with a focus on owner-occupied detached and family-style units, targeting the creation of at least 20 new units annually over the next five years. This will include finding and matching developers with either public or privately owned property to support the City's next new subdivision opportunity.
- Advance housing development through proactive initiatives such as development incentives, creative land assembly, and strategic partnerships with private developers.
- Promote Whitewater's available sites through targeted marketing, highlighting opportunities for both traditional and innovative housing projects, and collaborate with state and regional partners on these efforts.

Business Attraction and Growth

- Strengthen Whitewater's economic base by attracting and retaining businesses, supported by an enhanced business recruitment and expansion platform.
- Continue to engage in activities at the Innovation Center to support a robust and collaborative environment for business and start-up development.
- Execute a robust business retention and expansion (BRE) program, by working with the local Chamber of Commerce and other partners.
- Provide resources and outreach opportunities tailored to entrepreneurs, startups, and small businesses.

Downtown Revitalization

- Address commercial vacancies and encourage reinvestment in underutilized and blighted properties within the downtown district.

- Modernize CDA loan and grant programs by lowering interest rates where possible, introducing flexible grant options, and aligning with best practices that spur private-sector investment.
- Promote the use of existing local, regional, and state resources to support business retention, property rehabilitation, and residential reinvestment in the downtown core.
- Continue to advance the Downtown Activation Initiative with a goal of creating events, programming, and beautification efforts that will support the downtown as a leveraged community asset and amenity.

Collaborative Community Development

- Foster community growth through coordinated efforts between CDA members, City staff, and external partners, with a focus on both business sectors (new, existing, and startups) and the residential market (family-style and multifamily housing).
- Emphasize team-oriented approach in committee discussions, prioritizing inclusive decision-making, diverse perspectives, and shared problem-solving.
- Ensure that CDA actions and priorities remain aligned with the City's Strategic Plan and broader community goals, consistently placing public benefit above individual or private interests.

COMMUNITY DEVELOPMENT

FUND DESCRIPTION
FUND 910

The fund accounts for the revenue and expenses related to community and economic development initiatives and/or programs that are managed by the Whitewater CDA. This fund includes monies provided by State, Federal and/or local sources to promote community and economic development benefit or the entire City of Whitewater.

It is the policy of the Whitewater CDA to promote housing and community development throughout the entire City of Whitewater. The CDA is responsible for assisting initiatives and programs that:

- Provide and retain gainful employment opportunities for citizens of the city.
- Provide affordable housing in the city.
- Encourage growth of the City's tax base.
- Stimulate the flow of investment capital into the City resulting in beneficial effects upon the economy in the City.

Further, the CDA is responsible for the general economic health of the city by preventing and eliminating blight, substandard, and deteriorated areas and properties through the utilization of all appropriate means. This encourages well planned, integrated, stable, safe, and healthy neighborhoods, the provisions of healthful homes, a decent living environment, and adequate places of employment for the people of the City of Whitewater.

- **Fund Balance** is designated to fund incentives and assistance to businesses who reside with the City limits of Whitewater.
- **Primary Funding Sources** are interest payments on loans paid by borrowers and funding by State, Federal or local sources.
- **Audit Classification:** Governmental, Component Unit

This fund is not budgeted, but accounts for all revenue and expenditures.

ASSOCIATED DEPARTMENT
MEDIA SERVICES

DEPARTMENT/FUNCTION

FUND 200

The Media Services (previously Cable TV) Fund (#200) accounts for revenue and expense related to providing media services to the Whitewater community. These services include programming for Whitewater Community Television Channel 990 as well as communications and public relations information for citizens delivered through the City's social media presence, website and outside media outlets.

- **Fund Balance** is designated to be retained to fund services provided by the department. Prior to 2017, funds were transferred out to the General Fund for general purposes. Due to declining annual franchise fee revenue, these transfers have been discontinued in favor of retaining all funds within Fund 200 with a goal to establish self-sufficiency of the department.
- **Primary Funding Source** is franchise fee revenue received under a cable television Franchise Agreement with Charter Communications, paid for by local television subscribers. Operating shortfalls will be supplemented by transfers from the General Fund.
- **Audit Classification:** Governmental, Non-Major.

Services for the City of Whitewater reach customers and citizens in many ways including television, social media, the city website, and outside media outlets to provide information and updates about the City of Whitewater.

The Media Coordinator oversees the department. Whitewater Community TV 990 is a Public, Education and Government Access (PEG) cable television station operating on Charter Communications' Digital Channel 990 in the City of Whitewater and surrounding communities. Whitewater TV broadcasts locally produced television programs 365 days per year and is fully funded by franchise fees paid by local cable television subscribers.

The City of Whitewater currently uses Facebook and Instagram to gain a social media following and share information through these outlets with regular posts and alerts.

The City also has a website containing vital information about city government, agendas and minutes for city meetings, video broadcasting of events and meetings within the city, along with contact and hiring information. Media Services oversees the updates of individual departments to the website and oversees the overall layout and upkeep.

Media Services also works directly with internal staff, citizens and local media to gather and distribute necessary information to the community.

MISSION

Media Services' mission is to enhance and expand access to local government for Whitewater citizens, provide a medium for the Whitewater Unified School District, share update information to citizens in the fashion they desire and to provide equal access to local citizens interested in using video as an outlet for expressing their creative and intellectual freedoms. The purpose of Media Services is to provide informational, educational and entertaining media and knowledge reflective of the Whitewater communities' desires and interests.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- **Expand PEG TV Content**
  - **Ongoing efforts**: Continue developing programming for the PEG TV station (relaunched August 2023) in partnership with the University of Wisconsin-Whitewater (UW-W) and community organizations such as The Community Space
  - **Bilingual Engagement**: Expand episodes of Bridging Whitewater, strengthening outreach and inclusion for Spanish and English-speaking residents.
  - **Targets (2026-2027)**: Add at least 5 new pieces of UW-W content for broadcast and produce 3 new community-partner episodes, including bilingual programming.
- **Highlight Local Businesses and Activities**
  - **Ongoing efforts**: Produce video spotlights on local businesses and community activities, distributing content via city social media and PEG TV to enhance community visibility.
  - **Progress (2024-2025)**: Completed 4 business spotlights and 1 activity video.
  - **Targets (2026-2027)**: Complete 3 new business spotlights and 5 new activity videos.
- **Create Departmental "How-To" Videos**
  - **Ongoing efforts**: Partner with city departments to produce instructional videos that support staff training, continuity during absences and onboarding of new employees. These resources also provide accessible guidance for residents and visitors.
  - **Progress (2024-2025)**: Produced 8 "How-To" videos.
  - **Target (2026-2027)**: Produce 8 new "How-To" videos.
- **Increase Facebook/Instagram Presence**
  - **Background**: In May 2025, the Common Council approved the decision to turn off comments on the City's main Facebook page. This change prompted the creation of a City of Whitewater Facebook Group, designed to provide a more engaging and community driven platform for residents.

- **Current status**: The group is in its early stages with 758 members as of late 2025. Media Services is actively working to encourage residents to transition from the City of Whitewater page to the new group page, while also enhancing the City's visibility on Instagram.
- **Targets**: Grow the City of Whitewater Facebook Group membership by 20% in 2026 and an additional 20% in 2027. Continue developing Instagram presence to increase reach and engagement with younger demographics.

FUND DESCRIPTION
FUND 208

The Parking Permit Fund (#208) was established in the early 2000's to account for the revenues and expenses from the sale of parking permits for use of designated public parking areas and provide primary funding for operation and maintenance of public parking facilities.

- **Fund Balance** is being retained until it reaches a target balance of $385,000, an increase from the previous target of $120,000. This change reflects the anticipated resurfacing costs planned for 2035. Any funds accumulated in the account are designated specifically for parking lot maintenance, permit sales, and surface replacement expenses. Beginning in 2026, transfers to the General Fund will be reduced by $5,000 each year. Prior to 2018, annual transfers were made to the General Fund for general use. That practice has been discontinued to build and maintain a sufficient reserve, ensuring that public parking operations are self-sustaining and reducing the need for future borrowing—ultimately saving taxpayers money on interest costs.
- **Primary Funding Source** is revenue from the sale of public parking permits.
- **Audit Classification:** Governmental, Non-Major.

SPECIAL PURPOSE FUND

ASSOCIATED DEPARTMENT
FIRE-EMS

FUND DESCRIPTION
FUND 210

The Fire/Rescue Equipment Fund (#210) is used to accumulate the funding needed to replace Fire and Rescue vehicles used within the City on a scheduled basis. Although the volunteer fire department formally organized itself as a separate organization in 2016, it continues to offer Fire and Emergency services to the City on a contract basis. The City continues to provide equipment for these services but retains ownership of the equipment.

- **Fund Balance** is designated to be retained to fund replacement of equipment and vehicles on a planned replacement schedule.
- **Primary Funding Source** is from General Fund transfers and debt issuance.
- **Audit Classification:** Governmental, Non-Major.

ASSOCIATED DEPARTMENT
LIBRARY

DEPARTMENT/FUNCTION
FUND 220

The Library Special Revenue Fund (#220) was established to account for the revenue and expense associated with providing a local public library. Whitewater Public Library serves people of all ages in Whitewater and surrounding areas and tailors' public services based on the needs and requests of the community. Along with books, movies, magazines, audiobooks, music, STEM kits, a Library of Things, and other physical items available for checkout, the library offers dynamic and flexible spaces to learn, play, work, relax, and socialize. Spaces include an early learning area, children's activity room, teen space, makerspace, study rooms, meeting rooms, and social seating. Technological offerings include computers for public use, hotspots for checkout, Wi-Fi, assistance with devices, makerspace equipment including a 3D printer, and online apps and databases, including eBooks and eAudiobooks. The library offers a wide variety of programming and events for all age groups. In addition, the library conducts outreach including home delivery of library items to people who can't physically visit the library and provides library services off-site at community events. All library materials, programs, and services are free and open to the public.

- **Fund Balance** is designated to be retained for funding of the Library's operational and capital needs under the direction of the Library Board.
- **Primary Funding Source** is from four major sources including the City of Whitewater and the Counties of Jefferson, Walworth, and Rock.
- **Audit Classification:** Governmental, Non-Major.

The Whitewater Public Library is open to serve the community 61 hours per week, Monday through Thursday, 9:00 a.m.-8:30 p.m.; Friday, 9:00 a.m.-5:30 p.m.; and Saturday, 9:00 a.m.-3:00 p.m.

The library is governed by a seven-member board of trustees appointed by the City Council to stagger three-year terms. One member of the board is a City Council member, and one is appointed as a representative of the Whitewater Unified School District by the district superintendent.

MISSION
We will have the space and the stuff to do the things that you want.

GOALS & OBJECTIVES

2026/2027 GOALS

Library Expansion and Renovation: The library's expansion and renovation project has increased and revitalized the spaces available to the public. 4,420 square feet have been added including a large atrium with social seating and workspace, a teen area, and three additional study rooms equipped with AV. The project has also expanded the early learning area, the makerspace, and meeting rooms including upgraded AV equipment and a full kitchen with serving windows. The library is looking forward to welcoming more visitors, providing reservable meeting and study rooms, and offering additional programming and events to ensure that the new library spaces are being utilized to their full potential.

Staffing Goals: The current staffing model allows for very limited help with technology and in-depth reference questions and research requests as staff time is tight. As a result of the library's expansion and renovation, we expect to see an increase in visitors, materials circulation, program attendance, reference requests, computer use and assistance with technology, meeting room use, study room use, makerspace use, and traffic especially in the children and teen areas.

With these projections in mind, the director and assistant director conducted a workflow study in 2025 to determine an effective staffing model for the library moving forward. The study determined the following needs:

- Add one additional part-time position (20 hours/week) that would split their time between public service clerk duties and programming duties. This would provide additional staff for core public services as well as provide additional programming, which is the main overall goal.
- Allocate staff time to ensure security in the larger library and monitor the expanded areas, especially high-risk areas including the teen area and atrium.
- Allocate at least 1 hour per week per employee (public services clerks) for focused work, special projects, training, and development. This will ensure that our front-line staff continues to stay current with best practices, trends, and technology to continue providing excellent library services to the community.

FUND TYPE
SPECIAL REVENUE

ASSOCIATED DEPARTMENT
FINANCE

FUND DESCRIPTION
FUND 235

The Ride Share Fund (#235) is used to account for the revenue and expenses related to the shared ride taxi program offered in the City. The Federal and State departments of transportation provide financial support to small communities where fare revenue is not sufficient to maintain public transport options for residents. The City outsources the operation of this service but provides vehicles and operational funding to maintain the service. Brown Cab Service is the current provider; however, the City is exploring alternative service delivery options when the contract is re-bid in 2027 for 2028 service.

- **Fund Balance** is designated for annual operating budget and vehicle replacement.
- **Primary Funding Source** is Federal/State grants, fare revenue and General Fund transfers.
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION
FUND 246

The Field of Dreams Fund (#246) was established in 2014 to fund Treyton's Field of Dreams Project. Revenues generated by the programming of this facility are used to fund the facility and its operation.

- **Fund Balance** is designated for annual operating and capital costs including replacement of the facility turf every 10-15 years. Turf replacement is expected to cost $65,000. Any balance over this target value can be made available for transfer to the General Fund for general purposes.
- **Primary Funding Source** is in conjunction with The Treyton Kilar Field Endowment fund which is administered by 1st Citizens State Bank (John Erickson) and is housed under the Whitewater Community Foundation.
- **Audit Classification:** Governmental, Non-Major.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Increase awareness of our organization's capability to host baseball and softball tournaments while actively promoting outside tournaments on social media platforms, tournament-specific websites, and our own website.
- Develop a consistent field turf maintenance plan that streamlines maintenance efforts, enhances the quality of playing surfaces, and reduces the risk of injury to ensure safe and reliable playability for athletes.
- Improve field surfaces through upgrades, repairs, and enhanced maintenance practices to guarantee high-quality conditions that meet tournament-level expectations.
- Continuously improve the overall quality of the facilities, including seating, amenities, and infrastructure to create a premier destination for athletes, families, and visitors.
- Increase the number of hosted tournaments to generate greater economic impact for the City of Whitewater by attracting more visiting teams, spectators, and families.

PARK & RECREATION

FUND DESCRIPTION — FUND 247

The Aquatic Center Fund (#247) was established in 2016 for the operation of the Whitewater Aquatic and Fitness Center (WAFC). The WAFC facility is located on the Whitewater High School Campus and is a partnership between the City of Whitewater and the Whitewater School District governed by the Parks and Recreation Advisory Board (Park Board). The City and School district each contribute financially to the facility for the benefit of the community. The City assumed responsibility to operate the facility on July 1, 2016.

- **Fund Balance** is designated to be retained for funding of the facility's operational and capital needs under the direction of the Park Board.
- **Primary Funding Source** is program fees with annual operating and capital contributions from the City of Whitewater and the Whitewater Unified School District.
- **Audit Classification:** Governmental, Non-Major.

DEPARTMENT SERVICE METRICS

The Whitewater Aquatic and fitness center provides the City and School district use of the aquatic and fitness facility. The facility primary intended to serve the recreational and programmatic needs of the general public. It also provides for the High School's curricular and extracurricular activities.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Continuously assess staffing levels, program offerings and facility schedules to identify and implement cost-saving measures, ensuring that we reduce expenses without compromising the quality of services.
- Develop a comprehensive membership recruitment and retention strategy that effectively engages a diverse audience, encompassing corporate stakeholders, students, healthcare providers, and other segments of our population, to enhance the organization's growth and sustainability.
- Develop a variety of programs that cater to the diverse needs, age groups, and skill levels of our community patrons, ensuring affordability, relevance to current trends, and efficient utilization of available resources.
- Utilize marketing plan to enhance communication effectiveness and maximize marketing impact, resulting in increased engagement, brand consistency, and customer-centric strategies.
- Develop and revise a comprehensive 5-year Capital Improvements Plan that addresses the facility needs of our organization and initiate a successful Capital Campaign to secure the necessary funding for implementation.
- Enhance communication and diversify the offerings of the Aquatic Center to better serve the needs and interests of a diverse range of cultures and demographics within our community to create a more inclusive, welcoming, and responsive facility that serves to foster a stronger sense of belonging for all residents.
- Strengthen aquatic safety by enhancing lifeguard training, expanding water safety programs, and offering certifications that benefit both staff and community members.

FUND TYPE
SPECIAL REVENUE

ASSOCIATED DEPARTMENT
PARKS & RECREATION

FUND DESCRIPTION
FUND 248

The Parks & Recreation Special Revenues Fund (#248) was established in 2015 to track revenues and expenditures specific to recreational programs offered by the department. This fund helps pay for staffing and other program related expenses. The fund has now absorbed (account 55210,56120 and 55310) to show the total cost of recreation programs and services provided to the community.

- **Fund Balance** is designated to be retained for program use as needed.
- **Primary Funding Source** is generated by various Parks & Recreation Program Fees with secondary support from the General Fund as necessary. The stated goal of this fund is to be self-sufficient.
- **Audit Classification:** Governmental, Non-Major.

FUND TYPE
SPECIAL REVENUE

ASSOCIATED DEPARTMENT
FIRE-EMS

FUND DESCRIPTION
FUND 249

Fund 249 was established on July 30, 2022, to account for the provision of Fire and Emergency Medical Services to the City and neighboring Townships. Prior to July 30, 2022, Fire and EMS services had been contracted through WFD, Inc., a third-party non-profit organization with a 150-year tradition of volunteer service.
All revenues and expenditures related to Fire and EMS services are accounted for within Fund 249. A budgeted annual transfer from Fund 249 to Fund 210 provides for future Fire/EMS capital replacement needs and to segregate capital planning from operational needs.

- **Fund Balance** is designated to be retained for Fire/EMS purposes. Surplus fund balance may be transferred to the Fire/EMS Capital Equipment Fund 210 with approval of the Common Council.
- **Primary Funding Source** City of Whitewater General Fund transfer, Township contract billings, insurance/ patient billing for services, and grants.
- **Audit Classification:**. Governmental, Major.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- **Community Safety:** Enhance overall community safety through prevention, education, and emergency response.
- **Training and Development:** Provide ongoing, high-quality training to ensure personnel remain current with firefighting and emergency medical techniques, technologies, and standards. The new training facility, placed into service in September 2026, will support expanded skill development and readiness.
- **Emergency Response Time:** Continuously improve emergency response times and optimize operational efficiency to better serve the community during critical incidents.
- **Equipment Maintenance and Upgrades:** Maintain the department's fleet to meet modern safety and performance standards. In addition to regular maintenance, several major apparatus upgrades occurred in 2026, including the addition of a new Tower Ladder (March), a new Ambulance (June), and a new UTV/Equipment trailer (October). A new F350 is anticipated to be in service before yearend.
- **Community Outreach and Education:** Strengthen community engagement through fire and life safety education programs, public events, and fundraising initiatives such as the annual pancake breakfast. Promote awareness and preparedness for emergencies.
- **Collaboration with Other Agencies:** Enhance interagency cooperation by actively participating in the MABAS system and county-level meetings and trainings. Work closely with City and County law enforcement as well as local government partners to support coordinated emergency response capabilities.
- **Budget Management:** Manage departmental resources responsibly to ensure adequate funding for operations, equipment, training, and staffing needs.
- **Technology Integration:** Leverage newly installed MDCs in frontline apparatus to receive real-time dispatch information, streamline response processes, and reduce turnout times by allowing personnel to update their status enroute and on scene directly through the system.

FUND DESCRIPTION
FUND 290

The Daria Deibele Memorial Fund (#290) was established in 2025 in memory of Daria through donations from her family. The purpose of this fund is to support the professional advancement of EMTs by helping cover the cost of schooling required to obtain a paramedic license. Revenues contributed to this fund are dedicated to assisting future paramedics as they pursue their training.

FUND DESCRIPTION
FUND 459

The Depot Restoration Fund (#459) supports an agreement between the City of Whitewater and Whitewater Historical Society to fund the costs for Restoration and improvements of the Depot and surrounding buildings. These shared costs are to be split 50/50 between the two organizations. The two organizations work together to identify areas of restoration and plan accordingly to fund those projects.

- **Fund Balance** Any accumulated balance is designated for facility upgrades.
- **Primary Funding Source** is public donations and transfers from General Fund.
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION — FUND 810

The Rescue Squad Equipment & Education (#810) was established to account for receipt and use of donated funds held in trust by the City for the purpose of a municipal hospital in the City of Whitewater. A court order in 1989 determined that a municipal hospital was 'impossible and impractical' and that these funds could be used to benefit the Whitewater Rescue Squad as a close alternative to a municipal hospital benefiting the community by:

A. Purchasing technologically advanced equipment for lifesaving purposes' and
B. Providing 'education, for Whitewater Rescue Squad members and Whitewater citizenry'.

- **Fund Balance** is held in trust to fund expenses limited to the above court guidance. While general education of the public by the Rescue Squad is permissible, Rescue Squad member training is further limited to 'advanced training such that they can become certified to use further advanced techniques and medical equipment which is now available to such specially trained individuals.
- **Primary Funding Source** is from a bequest and subsequent donations to the Rescue Squad.
- **Audit Classification:** Fiduciary, Non-Major.

FUND DESCRIPTION
FUND 820

The Rock River Stormwater Group (RRSG) Fund (#820) was established in 2008 to account for the revenue and expenses related to this group and is separate from the City budget. It is detailed here as the City provides accounting support and serves as custodian for these funds. Wisconsin DNR MS4 permits require a public education and outreach program. Member communities in the Rock River basin found that collaborating was much more time and cost effective than attempting to administer this outreach program individually. The RRSG member communities include Waupun, Beaver Dam, Jefferson, Fort Atkinson, Whitewater, UW-Whitewater, Milton, Janesville, City of Beloit and Town of Beloit. These member communities pay annual dues based on permit requirements which are based on population. Membership dues for Whitewater totaled $5,000 in 2018. The RRSG typically hires a consultant to assist in administering the program which currently includes outreach on social media, in newspapers, at community festivals and at local schools. Training for member communities is also conducted by professional firms.

- **Fund Balance** is designated for program expenses.
- **Primary Funding Sources** is member community dues, currently totaling $49,000 annually. Occasional grant program funds are also obtained.
- **Audit Classification:** Fiduciary, Non-Major.

FUND DESCRIPTION
FUND 920

The Innovation Center Operations Fund (#920) was established to account for revenues and expenses related to the operation of the Innovation Center, a part of the Whitewater University Technology Park (WUTP). WUTP is a joint venture between the City of Whitewater and the University of Wisconsin-Whitewater whose mission is to create and foster durable businesses and jobs through a close alignment of UW-Whitewater's research and educational competencies and the resources of the City of Whitewater. WUTP serves as a foundation for a diversified and robust regional economy through the attraction of new residents, utilization of UW-Whitewater faculty, staff and student expertise and the retention of alumni talent. Future use of this facility is currently being evaluated by city staff, university personnel, and other local stakeholders.

- **Fund Balance** is to be retained and be available in future years to meet any shortfalls in revenues or unexpected expenses.
- **Primary Funding Sources** is rental income from leased space in the Innovation Center supplemented by contributions from UW-Whitewater and the City of Whitewater.
- **Audit Classification:** Governmental, Component Unit.

FUND TYPE
DEBT SERVICE

ASSOCIATED DEPARTMENT
FINANCE

FUND DESCRIPTION
FUND 300

The Debt Service (#300) was established to account for the annual debt service requirements supported by the General Fund.

- **Fund Balance** is used to fund annual debt repayments.
- **Primary Funding Source** is annual transfer from the General Fund as well as property tax levied by the City and Tax incremental districts (TIDs) within the City. Debt service payments are funded by the areas within the City that generated the debt and utilized the debt proceeds, i.e. Debt incurred by TIDs for development are funded through TID property tax collections, while the City's property tax levy and general revenues support the City's capital projects.
- **Audit Classification:** Governmental, Major.

Debt is issued to fund Capital Projects. Bonds are issued for eligible long-lived projects specified by state stature and typically amortized over a twenty-year period. Projects that are not bond-eligible are financed through notes or direct borrowings over terms tied to their useful lives. General Obligation debt is the preferred type of debt utilized as the lowest interest cost option available. Revenue debt is normally used for Utility projects only when attractive rates are available, typically through state or federal government loan programs.

DEBT CAPACITY

Wisconsin State Statue restricts the amount of debt municipalities may incur to 5% of the Equalized Value of the taxable property within their borders. In 2026, the total Equalized value of property in Whitewater is $1,177,050,300 an increase of $74,993,700 from 2025 values. This permits the City to incur $58,852,515 of General Obligation debt. The City's actual unpaid General Obligation Debt as of 12/31/2026 totals $31,186,009 or 53% of the maximum permitted by law. To preserve financial flexibility and a strong credit profile, the City has established guidelines to further limit debt levels to 70% of the legal limit (equates to 3.5% of Equalized Value). Under this more restrictive Guideline, the City retains approximately $10,010,752 of additional debt capacity as of 12/31/2026.

FUND TYPE
CAPITAL PROJECT

ASSOCIATED DEPARTMENT
FINANCE

FUND DESCRIPTION
FUND 450

The Capital Projects Fund (#450) is used to provide visibility to funding and expenses related to discrete capital projects in the City. Historically, the City has earmarked Utility Shared Revenue payments the City receives by virtue of having a local power generating facility to fund these projects. These payments have declined over time as the facility depreciates increasing the reliance on other sources of funding including debt.

- **Fund Balance** represents funding allocated to specific projects listed.
- **Primary Funding Source** is annual transfers from the General Fund and debt issuance.
- **Audit Classification:** Governmental, Major.

FUND DESCRIPTION — FUND 441

TID District #4 Fund (#441) on the west side of Whitewater, was continued for year 2022 through an affordable extension. TIDs allow the creating municipality to capture all the taxes (City, County and Schools) on the increased value (known as "increment") created after adoption of the TID and use it for expenses outlined in the TID plan, such as payment for infrastructure costs, development incentives, marketing and administration of the TID. TID #4 was closed in 2023.

- **Fund Balance** is permanently retained by the TID to be used to pay for eligible expenses in the TID as authorized by the TID plan.
- **Primary Funding Source** is property tax payments collected on the increased valuation of land and building improvements because of development in the TID.
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION
FUND 413

TID District #13 Fund (#413) is a mixed-use district comprising of 450 acres created in 2021. This TID is located around the city's southwest side and includes agricultural land that could possibly be developed in the future. TIDs allow the creating municipality to capture all the taxes (City, County and Schools) on the increased value (known as "increment") created after adoption of the TID and use it for expenses outlined in the TID plan, such as payment for infrastructure costs, development incentives, marketing and administration of the TID. TID #13 is required to close by 2041 or when all TID obligations are paid in full, whichever occurs first.

- **Fund Balance** is permanently retained by the TID to be used to pay for eligible expenses in the TID as authorized by the TID plan.
- **Primary Funding Source** is property tax payments collected on the increased valuation of land and building improvements because of development in the TID.
- **Audit Classification:** Governmental, Non-Major.

FUND DESCRIPTION
FUND 414

TID District #14 Fund (#414) is a mixed-use district comprising of 390 acres created in 2021. This TID is located generally within the city's northwest side and includes areas for potential future residential development. TIDs allow the creating municipality to capture all the taxes (City, County and Schools) on the increased value (known as "increment") created after adoption of the TID and use it for expenses outlined in the TID plan, such as payment for infrastructure costs, development incentives, marketing and administration of the TID. TID #414 is required to close by 2041 or when all TID obligations are paid in full, whichever occurs first.

- **Fund Balance** is permanently retained by the TID to be used to pay for eligible expenses in the TID as authorized by the TID plan.
- **Primary Funding Source** is property tax payments collected on the increased valuation of land and building improvements because of development in the TID.
- **Audit Classification:** Governmental, Non-Major.

ASSOCIATED DEPARTMENT
WATER UTILITY

FUND DESCRIPTION
FUND 610

The Water Utility Fund (#610) was established to account for the revenues, expenses and capital planning necessary to meet State and Federal regulations in the pursuit of delivering safe drinking water and adequate fire protection to the residents of the City.

- **Fund Balance** is retained to be used for future maintenance, equipment replacements and upgrades to the water distribution system.
- **Primary Funding Source** is through User Fees based on the amount of water used per customer.
- **Audit Classification:** Proprietary; Major.

DEPARTMENT/FUNCTION
The Water Utility is responsible for the daily operation, maintenance, repair and construction of wells, pumping operations, water mains, water storage vessels, hydrants and metering for the City's potable water system all while meeting and exceeding State and Federal regulations in an environmentally friendly manner.

MISSION
To provide water and superior customer service to the Utility's ratepayers with safe drinking water and an adequate supply for fire protection. To meet and exceed all WDNR/EPA/PSC standard practices and to comply with all testing requirements set forth by environmental regulatory agencies.

DEPARTMENT SERVICE METRICS

The Wisconsin DNR, The Federal EPA and The Wisconsin PSC dictate the water utilities performance measures. These measures are demonstrated by WDNR inspections, WDNR Sanitary Surveys, compliance to all Federal and State mandated testing and procedures, WPDES permitting compliance, Consumer Confidence Reports and the annual PSC report to show compliance in all aspects of the water utility. Our monthly WDNR report shows compliance for all daily pumpage, kilowatt, chemical addition readings as well as daily compliance water testing and filter backwashing procedures. The water utility responds to all customer complaints and emergencies in a timely fashion 24/7, 365 days a year with the best service and knowledge of procedures possible. Additionally, we maintain the City's entire water infrastructure to include wells, pumps, distribution system, hydrants, services lines and curb stops with maintenance procedures in place for best practices. The water utility's staff are Wisconsin Certified Operators and must maintain their certification by demonstrating their skills with testing and continuous education CEU's throughout the year.

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Continue in-house residential meter replacement program and cross-connection inspections. Review ways for better communication with customers on scheduling appointments.
- Continue with an outside firm to do our non-residential cross-connection program. Provide better communication to businesses on the reason for these inspections.
- Look into upgrading residential water meters to water meters that will allow us to help track leaks and check the temperature of the water. This will help homeowners save money and will help the water utility pump less water and use less chemicals.
- Look into upgrading our meter reading system. Meter reading costs are going up per read. Look into other systems that will read our meters and give us the same information at a set price.
- Investigae turning the bulk water fill station from manual operation and billing to an automatic system to make it more efficient for the companies who use it.
- Monitor and review new water test standards and containment levels (like PFAS) from the EPA.
- Scada System upgrade needed in 2026. Windows 10 will not back up after October 2025. Scada allows us to monitor our wells, pumpage, and tower levels from the office. Scada also calls us out when there is an issue with the wells or towers.
- Start a water system leak study for the whole city.
- Upgrade maintenance to back up generators at each well. The upgrade will be for a full 2-hour load test with fluids changed and looked over.

ASSOCIATED DEPARTMENT
WASTEWATER UTILITY

FUND DESCRIPTION — FUND 620
The Wastewater Utility Fund (#620) was established to account for the revenues, expenses and capital planning necessary to meet State and Federal regulations in the pursuit of treating consumed water from residents, businesses and industrial facilities and returning the cleaned water back to the environment.

- **Fund Balance** is retained to use for future maintenance, equipment replacements and upgrades to the wastewater collection and treatment system.
- **Primary Funding Source** is through User Fees based on the amount of water used per customer.
- **Audit Classification:** Proprietary; Major.
- **Sewer Operating Fund:** This fund is used for paying all the expenses for the operation of the Wastewater Utility. It is recommended that the Utility maintain a cash balance of three to six months of the annual O&M budget.
- **Sewer Connection Fund:** This fund was established when sanitary sewer connection fees were implemented in the 80's. The sanitary connection fee that is collected from building permits is placed in this fund. The monies from this fund are to be used for the repair or construction of interceptor sanitary sewers, lift station construction and plant improvements.
- **Equipment Replacement Fund (ERF):** This fund is mandated by the WDNR based on the Clean Water Fund loan program. The Utility will fund the ERF using the WDNR method of maintaining a balance equal to 10% of mechanical equipment assets as determined by the City's annual audit. The required minimum ERF balance is evaluated each.
- **Sewer Repair & Replacement Fund (SRRF):** This fund was established in 2009 in conjunction with the Strand sewer rate study. The fund is used for the repair and replacement of collecting sewers for infiltration/inflow improvements and can also be used for Capital Improvement Project sewer replacement. This is a discretionary fund; thus, the balance is to be determined by management. Annual transfers to this fund can be determined every year during the budgeting process based on the prior year's expenditures from the fund and planned Capital Projects. Any funding left over from large Capital Improvement Projects that required borrowing can be placed in this fund for future projects.

DEPARTMENT/FUNCTION
The Wastewater Utility is responsible for returning all consumed water within the City of Whitewater back into the environment in a responsible fashion that meets or exceeds state and federal regulations. To do so, utility staff is tasked with maintaining and operating the public conveyance system or the "collection system" along with the treatment facility and its associated programs.

MISSION
To efficiently operate and maintain all aspects of the Wastewater Utility in a manner that is consistent with best environmental practices while also meeting or exceeding regulatory compliance standards. Our additional duty is to respond in a prompt, courteous and professional manner when dealing with the sanitary customers of the City of Whitewater.

DEPARTMENT SERVICE METRICS

The primary performance measures that guide utility management are written into our 5-year Wisconsin Pollutant Discharge Elimination System (WPDES) permit. We have daily, weekly, monthly and annual regulatory limits which require compliance. This is accomplished through sound process operation and verified with laboratory analysis. If a violation were to occur it must be reported to WDNR representatives within 24 hours. Annually, operational success (i.e. greater pollutant removal) is reviewed and submitted as the electronic Compliance Maintenance Annual Report (eCMAR). The eCMAR ranks compliance in a grade point format. Items receiving a "C" or below requires a written response for documentation. Additionally, we compile, track and respond to all collection system complaints, monitor grease trap and dental amalgam separator ordinance compliance and maintain a testing program for septage and holding waste. All utility staff have completed or are working towards advanced level wastewater certifications. This educational component helps drive continual interest, improvements and excellence at the utility.

Yearly Phosphorus Average	.184 mg/l	.142 mg/l	.182 mg/l	.137 mg/l	.182 mg/l	.119 mg/l

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- For phosphorus compliance, the utility continues to work towards the end goal of 0.075 mg/l. Currently, the utility is reaching compliance via the Multi Discharger Variance. However, this variance is scheduled to end in 2027 (it may get extended pending EPA approval). Compliance options after the termination of the MDV program vary and will continue to be evaluated. The utility will continue to work towards evaluating nutrient trading and construction options. Regardless of the chosen compliance option, there will be increased costs to reach the permitted phosphorus limits.
- Improve upon our "in-house" training program by targeting needed programs as suggested by staff and by empowering staff to lead trainings in their area of interest and knowledge. With the addition of many new staff members at the Wastewater Utility it is crucial to develop a knowledge base within staff members that provides sound succession planning as well as efficient operation of the utility.
- As an ongoing need, we will continue to plan for and verify that we can access all off-road sanitary structures in the event of emergencies. Interceptor sewer mains will be the first lines targeted. As a part of this, we will be exploring utilizing 3rd party inspections to assess the need for potential maintenance.
- Continue to evaluate bio-solids handling processes and long-term planning as it relates to increased biosolids regulations and land application availability.

FUND TYPE
ENTERPRISE

ASSOCIATED DEPARTMENT
STORMWATER UTILITY

FUND DESCRIPTION
FUND 630

The Stormwater Utility Fund (#630) was established to account for the revenues, expenses and capital planning necessary to comply with the State's stormwater regulations, prevent flooding and to maintain the stormwater infrastructure and equipment.

- **Fund Balance** is retained to use for stormwater improvements throughout the City.
- **Primary Funding Source** is primarily through assessing fees for all properties throughout the City. Fees are based upon Equivalent Runoff Units (ERU's), which represent a standardized unit of impervious area for each property as reasonably determined by the city.
- **Audit Classification:** Proprietary; Non-Major.

DEPARTMENT/FUNCTION

The Stormwater Utility provides for the operation, maintenance, repair and construction of catch basis, storm sewers, detention ponds, street sweeping, compost management, and lakes management.

MISSION

To provide efficient and effective operation, maintenance, repair, and construction of stormwater utility components and lake management for the citizens of Whitewater.

DEPARTMENT SERVICE METRICS

SERVICE TYPE	2022	2023	2024	2025	2026/thru Sept
Structural Storm Water Facilities	19	31	31	35	35
Street Sweeping Miles & Tons*	471 Miles / 332 Tons	2356 Miles / 539 Tons	2777 Miles / 504 Tons	2676 Miles / 568 Tons	1521 Miles / 439 Tons
Street Sweeping Hours*	104	615.5	699	729	366
*To help control pollutants from entering the storm sewer system and ultimately discharging into the lakes and streams, the City routinely sweeps the streets. This measure will collect the number of miles and hours the street sweeping machine is in use.					
Catch Basins/Inlets Cleaned**	309 / 34.8 Tons	293 / 18.6 Tons	305 / 15.8 Tons	850 / 11.0 Tons	975 / 9.0 Tons
**To help control pollutants from entering the storm sewer system and ultimately discharging into the lakes and streams, catch basins have been installed with 2' sumps. These sumps need to be routinely cleaned out. This measure will collect the number of catch basins cleaned and the tonnage of sediment removed.					

GOALS & OBJECTIVES
2026/2027 OUTLOOK

- Storm Sewer Maintenance Tracking – Working with GIS staff, develop protocols to determine and track maintenance requirements on storm sewer related devices, including items such as, detention pond maintenance, inlet cleaning, inlet reconstruction, and outfall inspections.
- Storm Sewer Map Update – Working with GIS staff, update the storm sewer system map to reflect past changes to infrastructure from street reconstruction projects.
- Communicate with Private Post-Storm Water Management Device property owners on the need to clean and maintain their devices to be in compliance with City and DNR requirements.

ADMINISTRATION
This department of the City of Whitewater is responsible for implementing City Council policies. The administration department is headed by the City Manager who has been appointed by the City Council. The City Manager makes all personnel appointments, directs the work of the city departments, ensures enforcement of laws, and makes recommendations for Council consideration.

ACCRUAL BASIS OF ACCOUNTING
Revenues such as user fees are recognized in the accounting period in which they are earned, expenses are recognized in the period incurred. Unbilled receivables are not recorded as the amount is not material.

AGENCY FUNDS
A fund used to account for assets held by the village as an agent for other organizations. The City of Whitewater's agency fund is the Tax Collection Fund.

AMORTIZATION
Accounting procedure that gradually reduces the cost value of a limited life or intangible asset through periodic charges to the Statement of Activities.

ANNUAL BUDGET
A statement of planned city expenditures that match with expected revenues for a one-year period.

APPROPRIATION
An authorization made by the City Council, which permits officials to incur obligations against and to make expenditures of governmental resources for specific purposes. Appropriations are usually made for fixed amounts and are typically granted for a one-year period.

ASSESSED VALUATION
A valuation set upon real estate and certain personal property by the city's contracted assessor for a basis for levying property taxes.

ASSETS
Property owned by a government which has a monetary value.

AUDIT
A type of formal accounting review completed by a third party Certified Public Accountant. Audits are commissioned to provide the public with an informed and independent opinion of the integrity and reliability of financial reporting.

BALANCED BUDGET
A plan of financial operation where total revenues match total expenditures. It is a goal of the city to propose and approve a balanced budget annually.

BOND (DEBT INSTRUMENT)
A written promise to pay a specified sum of money (called the principal amount or face value) at a specified future due date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (called the interest rate). Bonds are typically used to pay for specified capital expenditures. The difference between a note and a bond is that the latter is issued for a longer period (over 10 years) and requires greater legal formality.

BUDGET ADJUSTMENT
A legal procedure requiring Council action to revise a budget appropriation

CAFR
Comprehensive Annual Financial Report. The Governmental Accounting Standards Board requires this report as a matter of public record.

CAPITAL EXPENDITURES
Expenditures resulting in the acquisition of fixed assets. The city places a threshold of items individually exceeding $5,000.

CAPITAL PROJECT FUND
A fund used to account for the acquisition or construction of major capital facilities other than those financed by proprietary funds. The City of Whitewater capital project funds are: Tax Incremental District No. 4, Tax Incremental District No. 5, Tax Incremental District No. 6, Tax Incremental District No. 7, Tax Incremental District No. 8, Tax Incremental District No. 9 Capital Improvements Fund-450.

CHARGE FOR SERVICE
User charge for services provided by the city.

CITY CLERK
Responsible for maintenance of all records of the city, as well as elections, assessments and City Council proceedings.

COMPREHENSIVE PLAN
A defined land use and zoning plan that was developed and placed into Whitewater's City ordinances.

CVMIC
Cities & Villages Mutual Insurance Company. This is the insurance company that provides insurance, loss control, risk management and training services to the city. Whitewater is a member community of this cooperative organization.

DEBT
A financial obligation resulting from the borrowing of money. Debts of governments include bonds, notes, capital leases and land contracts.

DEBT SERVICE
Amount necessary for the payment of principal, interest and related costs of general long-term debt.

DEBT SERVICE FUND
A fund used to account for the payment of principal and interest on various types of general obligation debt other than those payable from proprietary funds.

DEFICIT
The excess of an entity's liabilities over its assets (see fund balance). Excess of expenditure or expenses over revenues during a single accounting period.

DEPARTMENT
A major administrative subset of the city indicates overall management responsibility for an operation or a group of related operations within a functional area.

DEPRECIATION
The systematic allocation of the cost of an asset over its useful life.

ENTERPRISE FUND
A fund used to account for operations that provide goods or services to the public and are financed primarily through user charges. The City of Whitewater enterprise funds are Water, Wastewater and Stormwater.

EQUALIZED VALUE
The State's estimate of the full value of property; used to apportion property tax levies of counties, school districts and municipalities among tax districts.

ESRI-GIS
Environmental Systems Research Institute (ESRI) is the company that provides the Geographical Information System (GIS) software used by the city. We use this GIS system to record property information including locations of easements, utilities, and property boundaries.

EXPENDITURE
Use of financial resources for current operations, debt service and capital outlay.

FIDUCIARY FUND
A separate fund used to account for resources held by a government acting as a trustee or agent for entities external to the governmental unit, including individuals, organizations, and other governmental units.

FINANCE DEPARTMENT
The department of the City of Whitewater is responsible for: accounting for all city financial transactions, administering bond indebtedness, investing idle funds, preparing the city's annual budget and preparing the city's annual financial reports. The finance department also oversees the daily operations of the city's Municipal Court Clerk and the billing and collection of all municipal utility operations.

FIRE/CRASH CREW/RESCUE
The Fire/Crash Crew/Rescue Department is responsible for vehicle accident clean up and extrication, rescue/ambulance services for the city and six surrounding townships and for protection of life and property from the hazards of fire, including suppression and prevention. The Department is made up of fully trained volunteers.

FIXED ASSET
Long-lived, tangible assets that include infrastructure, buildings, equipment, and improvements other than building and land.

FSP
Fiscal Sustainability Plan (http://dnr.wi.gov/aid/documents/eif/guide/fsp.html) The Clean Water Fund loan program requires loan recipients to develop and submit a financial plan that demonstrates that the utility is adequately planning and pricing for both operating and capital costs. We have a contract with Baker Tilly of Madison to complete this task by the time we reach substantial completion of our Wastewater treatment plant construction project.

FUND
An accounting entity with a self-balancing set of accounts containing its own assets, liabilities and fund balance. A fund is established for the purpose of carrying out specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

FUND BALANCE
The difference between the assets and liabilities of a governmental fund.

G. I. S.
Geographic Information System. G. I. S. is a computer mapping facility enabling the village to manage resources & plan. It can be used to print maps and reports on demand based on different criteria.

GAAFR
Generally Accepted Accounting and Auditing Financial Reporting

GENERAL FUND
A fund used to account for basic governmental activities such as general government, public safety, public works, health and human services, leisure activities and development related activities.

GENERAL GOVERNMENTAL EXPENDITURES
A broad category of expenditures that include all funds except proprietary funds.

GENERAL GOVERNMENTAL REVENUES
A broad category of revenues that include all funds except proprietary funds

GENERAL OBLIGATION BONDS (DEBT)
Bonds that are backed by the full faith and credit of the city.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)
Criteria used by auditors to determine if financial statements of the city are fairly presented.

GFOA
Government Finance Officers Association. A professional organization which provides guidance and training to government accounting, auditing and financial management.

GOVERNMENTAL FUNDS
Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities - except those accounted for in proprietary and fiduciary funds. In essence, these funds are accounting segregations of financial resources. Expendable assets are assigned to a particular governmental fund type according to the purposes for which they may or must be used. Current liabilities are assigned to the fund type from which they are to be paid. The difference between the assets and liabilities of governmental fund types is referred to as fund balance. The measurement focus in these fund types is on the determination of financial position and changes in financial position (sources, uses and balances of financial resources), rather than on net income determination. The statement of revenues, expenditures and changes in fund balance is the primary governmental fund type operating statement. It may be supported or supplemented by more detailed schedules of revenues, expenditures, transfers and other changes in fund balance. Under current GAAP, there are four governmental fund types: general, special revenue, debt service and capital projects.

INVESTMENT INCOME
Income earned on idle funds which are not immediately needed by the city.

INTERGOVERNMENTAL REVENUE
Revenue received from another government in the form of grants and shared revenues. Typically, these contributions are made to local governments from the State and Federal governments and are made for specified purposes.

ISDN PRI
Integrated Services Digital Network Primary Rate Interface is the base digital connection for voice and data between our internal telephone and information systems, and the public switched telephone network.

LEGAL DEBT LIMIT
The maximum amount of debt a municipality may incur. The limit equals five percent of the equalized value of the taxable property in the city. Debt such as revenue bonds and tax increment bonds are excluded.

LEGAL DEBT MARGIN
The difference between the legal debt limit and the debt that counts toward the legal debt limit. In other words, the amount of debt that the city may issue before it reaches its legal debt limit.

LEVY
(1) Verb: To impose taxes, special assessments, or service charges for the support of government activities. (2) Noun: The total amount of taxes, special assessments, or service charges imposed by government.

LIABILITY
Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded at some future date.

MAJOR FUND
A Fund is designated as a Major Fund if it is the primary operating fund of the City or

- Its Assets, Liabilities, Revenues or Expenditures represent at least 10% of its fund type (governmental or proprietary) or
- Its Assets, Liabilities, Revenues or Expenditures represent at least 5% of the corresponding total for all governmental or proprietary funds combined or
- the City believes the fund is particularly important to financial statement users.

MARKET VALUE
The value of an asset determined by its supply and demand.

MEG
Municipal Environmental Group (https://megwastewater.org/) Whitewater's wastewater utility has been a member of this organization for approximately 10 years. MEG provides a voice to the Wisconsin wastewater community regarding regulatory updates and proposals. Additionally, as members, we receive permit review by their legal counsel and they serve as a resource on numerous regulatory concerns that wastewater facilities have with federal, state and local regulators.

MISCELLANEOUS REVENUES
Revenues which are not required to be accounted for elsewhere.

MODIFIED ACCRUAL BASIS OF ACCOUNTING
Revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on long-term debt, claims, judgments, compensated absences, and pension expenditures, which are recorded as a fund liability when expected to be paid with expendable available financial resources.

NON-MAJOR FUND
A fund that is not identified as a Major Fund.

OPERATING TRANSFER
Routine and/or recurring transfers of assets between funds.

OTHER CONTRACTUAL SERVICES
Services rendered to the city by private firms, individuals or other government agencies.

PASER
Pavement Surface Evaluation and Rating. An objective system used to assist local officials in understanding and rating the surface condition of asphalt pavement. It describes types of defects and provides a simple system to visually rate pavement condition and prioritize road maintenance needs.

PILOT (PAYMENT IN LIEU OF TAXES)
A contribution by benefactors of city services who are tax exempt, (i.e. certain utilities, non-profit organizations) who chose or must pay a "tax equivalent amount."

PERSONAL SERVICES
Items of expenditures in the operating budget for salaries, wages and associated benefits for services performed by city employees.

PARKS AND RECREATION DEPARTMENT
The department of the City of Whitewater that is responsible for providing leisure-time activities for the citizens of Whitewater. The department also operates and maintains the city's parks.

PARKS AND RECREATION FEE ACTIVITIES
Recreation programs whose direct costs are funded by fees paid by participants.

PARKS AND RECREATION NON-FEE ACTIVITIES
Recreation programs whose direct costs are funded by a combination of fees, donations, and public funding.

POLICE DEPARTMENT
The department of the City of Whitewater that is responsible for protection of life and property. The department is made up of sworn officers, support staff, and community service officers.

PROPRIETARY FUNDS
Funds that are used to account for a government 's activities that are similar to those found in the private sector. Proprietary funds include enterprise and internal service funds.

PUBLIC WORKS DEPARTMENT
The department of the City of Whitewater that provides for the construction and maintenance of public facilities and recycling. Operations performed by the Public Works Department include:

- All engineering related to the design and construction of physical facilities in the city's including preparation of plans, supervision and inspection.
- Maintenance of streets, including sweeping, traffic signs, signal maintenance, patching, snow removal and storm sewer maintenance.
- Recycling activities such as leaf and brush removal.

REVENUES
Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues and interest income, ordinance violations, ambulance revenues, transfers.

SALARIES
Items of expenditure in the operating budget for salaries and wages paid for services performed by village employees.

SAFE
Systematic Analysis and Factor Evaluation System is developed by Springsted Incorporated to evaluate the relative value of positions within a local government or non-profit organization. This is one component of a broader Human Resources compensation and benefits framework.

SCADA
Supervisory Control and Data Acquisition. An industrial control system used to monitor and control otherwise independent subsystems. The Water and Wastewater utilities use SCADA systems to ensure the various processes with their utilities are functioning properly. These systems send status notifications to alert operators of problems within the system to ensure they can find and correct issues before they affect services.

SHARED REVENUES
Revenues levied by one government but shared on a predetermined basis, often in proportion to the amount collected at the local level, with another government or class of government.

SPECIAL PURPOSE FUND
Special Purpose Funds are used to set money aside periodically for the gradual repayment of a debt or replacement of a wasting asset. The City has created a number of special purpose funds as separate components of the General Fund. Each serves an aspect of city operations that are either irregular in value, uncertain in timing or larger than can be funded within a single budget cycle. The use of these special purpose funds provide stable funding and financial visibility to manage specific aspects of city operations.

SPECIAL ASSESSMENT
A levy made against certain properties to defray all or part of the cost of a specific capital improvement that benefits primarily those properties.

SPECIAL REVENUE FUND
A fund used to account for the revenues from specific sources. They are usually required by statute, ordinance, or administrative action to finance particular activities of government. The City of Whitewater's special revenue funds include: Cable TV, Parking Permits, Equipment Revolving Funds, Parkland Acquisition, Development, Forestry, Library Special Funds, Sick Leave Severance, Street Repair, Park & Rec Fund 248.

STREET OVERLAY
Resurfacing a street by grinding off the top layer and laying down new asphalt.

STREETSCAPES
Beautification of streets through landscaping, raised medians, or street lighting.

STORM WATER MANAGEMENT PLAN
A plan required by the State to provide for adequate drainage in the city to prevent flooding problems and to preserve water quality.

TAXES
Compulsory charges levied by a government for the purpose of financing services performed for the common benefit of the people.

TAX INCREMENT
The amount of tax levied on industrial and commercial land within defined Tax Incremental District boundaries that is generated from incremental value growth compared to a base value.

TAX Increment BONDS (DEBT)
Bonds that the City of Whitewater could issue to finance the economic, industrial and commercial growth projects.

TAX INCREMENT DISTRICTS (TID)
A geographic area defined by the local government in accordance with state statutes. The area will be subject to redevelopment as a tax increment project.

TAX Increment FINANCING (TIF)
A method of financing by which improvements made in a designated area are paid by the taxes generated from the added taxable value of the improvements.

TAX LEVY
See Levy

TAX RATE
The amount of tax levied for each $1,000 of valuation. The equalized (full) value tax rate is calculated using the equalized value of the city. The assessed value tax rate is calculated using the assessed value.

TIME
The TIME System is a law enforcement network that provides law enforcement with critical information on wants and warrants, driver's license and vehicle registration information, criminal histories, protection order and injunction files, sex offender and corrections information, stolen property, missing persons, and more. The TIME System connects over 10,700 criminal justice computers in Wisconsin to over 400,000 criminal justice computers across the nation and Canada. This is a core system used by the Communications Center to obtain and disseminate necessary information pertaining to police, fire, and rescue incidents.

TiPSS Courts
This is the software used by our Municipal Court to manage their activity. Titan Public Safety Solutions (TiPSS) is the company that provides the software.

UNASSIGNED FUND BALANCE
In a governmental fund, the balance of net financial resources that are spendable or available for appropriation.

City of Whitewater, WI

Capital Improvement Program

FY 2027 – 2030

For the 2027 budget cycle, departments submitted more than $8 million in funding requests; however, this is a relatively light year for large construction projects. One of the most significant items included is the Starin Park Underground Detention Pond, a collaborative effort between the City and the University of Wisconsin–Whitewater. The project will be supported by a $1.6 million Clean Water Fund Grant, an $800,000 Clean Water Fund Loan, and a $1.2 million contribution from the University. This partnership allows us to advance critical stormwater infrastructure while minimizing the impact on local ratepayers and taxpayers.

Below is a summary of projects by funding type and repayment source, which helps illustrate both the scale of the investments and how the associated costs are distributed.

2027 CIP Budget	Debt	Fundraising	Grant	Fund Balance	Total
Levy	1,990,750	100,000	300,384	641,098	3,032,232
Water	1,015,750			95,800	1,111,550
Sewer	250,000			145,550	395,550
Stormwater	1,241,750		2,825,000	-	4,066,750
	4,498,250	100,000	3,125,384	882,448	8,606,082

Project #:			
Project Title:	W Main Street Asphalt Overlay		
Project Year:	2027	**Category:**	Infrastructure
Department:	DPW	**Priority:**	

Description:	Mill and repave 2 1/2 inches of asphalt on W. Main Street from Warner Road to Cold Spring Road, including section on Old Highway 12 from W. Main Street to the city limits. Project includes restriping W Main Street from Warner Road to 2nd Street.
Justification:	Surface of asphalt pavement is deteriorated with rutting, raveling and alligator cracking.

Project #:			
Project Title:	Ambulance 1282 Replacement		
Project Year:	2027	**Category:**	Machinery & Equipment
Department:	Fire / Rescue	**Priority:**	

Description:	Ambulance 1282 is a 2015 and is currently used as out reserve ambulance when one of our 2 front line ambulances are out of service for repairs. Ambulance 1282 also serves as an additional ambulance when calls for service are beyond what the first 2 ambulances can cover and additional staffing is available. The chassis will need to be paid for in 2027 approximately $75,000 and the balance is due at delivery Q1 of 2028.
Justification:	N/A

Project #:			
Project Title:	Network Infrastructure Replacement		
Project Year:	2027	**Category:**	IT Software/Hardware
Department:	IT	**Priority:**	

Description:	This is to replace 4 Admin switches in City Hall, the UPS at City Hall and Wireless Access Points throughout City buildings. The switches route traffic throughout the building as well as to other sites. Uninterruptable Power Systems (UPS) provide backup power for switching and servers in the event of an outage or surge. The wireless access points provide wireless interest throughout city buildings to ensure business continuity.
Justification:	All items outlined in this project are end of life and/or support.

Project #:			
Project Title:	Zoning Code Re-Write		
Project Year:	2027	**Category:**	Intangibles
Department:	Neighborhood Services	**Priority:**	

Description:	Re-write of the City of Whitewater's Zoning Code to modernize the code to enable better land use and development options. This will follow the Comprehensive Plan Update which will be conducted from late 2026 through the majority of 2027. An RFP should be issued for this project, as city staff will need outside advisement and expertise to complete this project in a quality fashion. The selected firm should be expected to have awareness of current zoning policies and be able to bring in best practices from other communities.
Justification:	The city's current Zoning Code is out of date and needs modernization and refinement to reflect current zoning trends, and to match the goals and priorities of the community. The new Zoning Code will be modeled to match the updated Future Land Use table, following the completion of the Comprehensive Plan Update.

Project #:	128		
Project Title:	Bike and Pedestrian Pathways		
Project Year:	2027	**Category:**	Infrastructure
Department:	Park & Rec - Facilities	**Priority:**	

Description:	This project will add additional pathway to the area in front of the parking area at Moraine View Park.
Justification:	At Moraine View Park the addition of a parking lot has added concerns of bike safety since the existing bike path runs behind the street parking. This proposed project would move the bike lane in front of the parking lot area in order to provide a safer route for bicyclists to ride. (See attached photo)

Project Title:	Armory Boiler Replacement		
Project Year:	2027	**Category:**	
Department:	Park & Rec - Facilities	**Priority:**	

Description:	The boiler system at the Old Armory is beyond its expected service life and in urgent need of replacement. As a heavily used multi-purpose facility that supports recreation programming, facility rentals, and community services such as the food pantry, maintaining reliable and efficient heating is essential to the building's continued operation. The current boiler has become increasingly unreliable, with rising maintenance costs and a growing risk of failure during the heating season. Replacement parts are becoming difficult to source, and staff have had to perform frequent service to keep the system operational. Continued use of this aging system poses a risk of unplanned outages, which could disrupt services, cause building damage during cold weather, and affect revenue-generating rentals and programming. A new boiler will provide greater energy efficiency, lower utility costs, and improve temperature regulation throughout the building. Modern systems also offer better compatibility with programmable controls, allowing for improved scheduling, maintenance tracking, and energy management. In addition, the upgrade aligns with the City's long-term goals of improving building performance and reducing energy consumption across all facilities. This capital investment is necessary to ensure occupant comfort, protect the building's infrastructure, and sustain essential public services housed within the Old Armory.
Justification:	N/A

Project #:			
Project Title:	WAFC Slide inspection and repairs		
Project Year:		**Category:**	
Department:	Park & Rec - Other	**Priority:**	

Description:	The water slide at the Whitewater Aquatic & Fitness Center (WAFC) is a signature feature of the facility and a major draw for youth programming, family recreation, and swim events. In 2023, an inspection of the slide identified several areas in need of repair, including surface wear, seal deterioration, and potential structural concerns. While temporary measures have been taken, the recommended repairs were not completed and should now be addressed as a capital priority. Given the time that has passed and the continued use of the slide, it is reasonable to assume that the issues identified have worsened. Prolonged exposure to moisture, temperature changes, and chemical treatments common to pool environments can accelerate the breakdown of slide components and increase the risk of safety hazards, including leaks, cracks, or user injury. This project will fund a full professional inspection of the slide structure, joints, and surface condition, followed by the implementation of all necessary repairs. These may include resurfacing, fiberglass patching, re-caulking of seams, and reconditioning of access stairs or platforms. Addressing these concerns is vital not only for user safety and regulatory compliance but also for maintaining the reputation and operational integrity of the WAFC. Failure to act could lead to forced closure of the slide, reduced facility usage, and greater long-term repair costs. This investment will ensure the continued safe operation of a high-use amenity and help sustain the WAFC as a premier recreation destination for the Whitewater community and surrounding region.
Justification:	N/A

Project #:			
Project Title:	Lakes Management		
Project Year:	2027	**Category:**	Facilities & Other Improvements
Department:	Park & Rec - Other	**Priority:**	

Description:	Cravath Lake and Trippe Lake are vital environmental, recreational, and economic assets for the City of Whitewater. The continued management of these lakes is essential to preserving water quality, supporting ecological health, and ensuring they remain safe, attractive, and functional for public use. Since the drawdown and dredging projects, active lake management is required to maintain the progress achieved and prevent a return to poor water conditions. Ongoing management efforts may include aquatic plant control, sediment monitoring, shoreline stabilization, invasive species mitigation, and coordinated nutrient reduction strategies within the watershed. These lakes serve as central features for local recreation, fishing, paddling, and community events such as the Polar Plunge and Fourth of July festivities. Without active management, the lakes risk degradation that could limit recreational use, harm wildlife habitats, reduce property values, and deter tourism and special events. Investing in lake management also positions the City to leverage state and federal grant programs, many of which require an established maintenance and monitoring plan to qualify. In addition, consistent management will help us respond to emerging challenges such as algal blooms, aquatic invasives, or stormwater runoff impacts. This capital investment ensures that Cravath and Trippe Lakes continue to serve as clean, accessible, and sustainable resources for generations to come, supporting both community well-being and the city's environmental stewardship goals.

Project #:	58		
Project Title:	Squad Car and Changeover		
Project Year:	2027	**Category:**	Licensed Vehicles
Department:	Police	**Priority:**	

Description:	Squad cars are the primary mode of transportation to every call for service, rescue call, investigation, proactive patrol and community event. The vehicles are critical to the safety of our officers and the community as they carry the vast majority of protective and emergency response equipment. Beginning in 2026, squad cars will be purchased outright using a set replacement cycle rather than purchasing vehicles with borrowed funds. However, this replacement cycle requires an initial borrowing in 2026 to kickstart the process, which will be self-sustaining thereafter. Each year a predetermined group of department vehicles will be replaced. The replacement cycle for each vehicle will depend on how it was utilized in the fleet (i.e. training car, unmarked squad, marked patrol squad, etc.). The funds received from the sale of used vehicles will increase the balance of the sinking fund (216) to ensure that the account remains funded into the future.
Justification:	A vast majority of our squad cars are used 24/7, in all weather conditions. The vehicles must be in excellent working order due to the inherent nature of police work; the possibility of critical incidents, vehicle pursuits and life threatening emergencies. The vehicles identified for replacement are beginning to incur more frequent repairs. The cost includes change-over costs for both vehicles along with all required internal and external equipment.

Project #:	14		
Project Title:	Lift Station pump rebuild		
Project Year:	2027	**Category:**	Machinery & Equipment
Department:	Sewer	**Priority:**	

Description:	The pump will be removed and re-installed by Utility staff. Rebuilds will be handled by the pump manufacturer. Repairs will be scheduled to avoid wet weather or high flow periods. Turn around time for repair is approximately one week. Only necessary repairs will be made to avoid unnecessary costs. Price estimates capture costs for complete rebuild with new impeller.
Justification:	The Utility maintains 14 lift station pumps located at 7 lift stations throughout the community. The pumps are robust and are called to run based on level throughout the day. Two pump installations are standard to promote redundancy and safety for residents. In order to maintain reliable operations the pumps are rebuilt as performance or mechanical tolerances indicate.

Project #:	25		
Project Title:	Sludge Thickener/Dewatering		
Project Year:	2027	**Category:**	Machinery & Equipment
Department:	Sewer	**Priority:**	

Description:	The current sludge thickening device which is a centrifuge has been extremally maintenance intensive. This is costly in terms of dollars and operational issues. The acquisition of a new sludge thickener largely depends on the results of the on going solids study, but it is anticipated this would likely serve as a dual purpose machine (similar to the current centrifuge). The replacement for the current centrifuge will likely be decided on based on the results from the long term solids planning effort currently underway. The costs incurred in 2025 would be apart of the planning/engineering efforts that would be needed to plan the installation of the proposed new thickener.
Justification:	The sludge thickener is run every single day. It thickens the wasted microorganisms from the aeration basins before going to digestion which is crucial for sound plant operation. Additionally, the sludge thickener thickens the digested sludge which reduces biosolids volume needing to be land applied. This results in reduced hauling costs as well as increased biosolids holding capacity.

Project #:			
Project Title:	Aeration Basin Diffuser Replacement		
Project Year:	2027	**Category:**	Infrastructure
Department:	Sewer	**Priority:**	

Description:	In the aeration basins there are rubber membrane diffusers which have small holes that allow air to be blown into the tanks to maintain proper mixing and efficient oxygen transfer into the water. This project would consist of systematically draining the aeration basins and then replacing the original diffusers with new diffusers. It is not anticipated that any of the air piping will need replacement.
Justification:	These diffusers have a lifespan of 7-10 years. They are currently 8 years old and are due for replacement.

Project Title:	RAS PUMP Rebuild		
Project Year:	2027	**Category:**	Facilities & Other Improvements
Department:	Sewer	**Priority:**	

Description:	RAS pumps have started to have seal failures/leaks.
Justification:	RAS pumps are crucial pumps that run 24/7. These pumps are responsible for returning the bacteria out of the secondary clarifiers back to the aeration basin so that can continue treatment of the wastewater. The pumps are about 9 years old and have been starting to have seal failures/ leaks. Upon replacing the seal in one of the RAS pumps we noticed significant wear on the pump impeller. As a result, we are choosing to proactively rebuild the remaining RAS pumps due to their crucial role they play in the treatment process.

Project #:	13		
Project Title:	Centrifuge Cake Pump Rebuild		
Project Year:	2028	**Category:**	Machinery & Equipment
Department:	Sewer	**Priority:**	

Description:	Due to wear this pump will require a new rotor, stator and sealing shaft section in addition to packing and joint seals. Work will be performed by a qualified repair shop with the removal and re-installation being completed by Utility staff. This job is time sensitive. Therefore, all repairs will be based off of a planned shutdown period.
Justification:	The centrifuge processes both thickened digested sludge and waste activated sludge. During both run cycles the cake pump moves the thickened product to either the storage tank or to the anaerobic digester. The unit has been in operation since 2017 and we have witnessed decreased efficiencies in pump flow. Periodic maintenance, such as this, is necessary to continue with reliable process operations.

Project Title:	2027 Detention Basin Dredging		
Project Year:	2027	**Category:**	Infrastructure
Department:	Stormwater	**Priority:**	

Description:	Dredging and other maintenance on existing stormwater BMP's like detention ponds.
Justification:	The City is required to remove Total Suspended Solids and Phosphorus from stormwater before it enters waters of the state. To do this, wet detention ponds were constructed. Over time these ponds can fill up with sediment and get overgrown with invasives and trees. Maintenance is eventually required to keep these facilities working properly.

Project #:	23		
Project Title:	DPW Street Facility		
Project Year:	2027	**Category:**	Buildings
Department:	Streets	**Priority:**	

Description:	Design of a new street facility in 2027 with construction in 2028-2029.
Justification:	A Space Needs Assessment & Master Plan was completed in 2020 of the Public Works Facility. According to the report "Due to the extensive number of upgrades needed to bring these facilities up to current standards, we do not recommend spending additional funds on main building and most of the outbuildings. These facilities have outlived their expected life cycle. We do Reco commend that the northern main vehicle storage facility that was built in early 2000's be kept and designing the new building footprint around that facility. " The vehicle storage building needs to be constructed first so items can be relocated in order for other buildings to be removed. The wash bay, shop area, maintenance area and office area would be designed and constructed after the vehicle storage building is completed.

Project #:	102		
Project Title:	Hydrant installation at East tower		
Project Year:	2027	**Category:**	Infrastructure
Department:	Water	**Priority:**	

Description:	Install new hydrant at the East tower for drain down. This will allow us to get the water tower offline with less issues. Right now, we are able to shut down the water main and drain the tower down the road. If the area is developed, we will not have this option without adding the hydrant. We now have a residence that was added to the water line. We will not be able to shut down without contact of the homeowner.
Justification:	When we are scheduled for complete tower drain down by installing a hydrant it allows us to keep the water main live in front of the tower by isolation of new valves near the hydrant. Present time we have to isolate two valves in the road and drain the tower by opening a hydrant downstream. We use around 60' of fire hose to discharge water to the nearest storm drain. This hose crosses a resident's driveway which means contact must be made with them to keep them inform.

Project #:			
Project Title:	Backup Generator Maintenance		
Project Year:	2027	**Category:**	Machinery & Equipment
Department:	Water	**Priority:**	

Description:	We have backup generators at each well. The service contracts have gone up. With maintenance like batteries, fluids and testing I would like to have this as a budget item to keep track of the costs. I am asking for $25,000 a year for maintenance. This includes load testing of the generators.
Justification:	Without the backup generators we may not be able to pump water. If there is a fire or if the water towers get low, we would have to issue a boil water notice. With the backup generators running like they should this will allow us to be able to pump water into the system in the event that we lose power in the city.

Project #:			
Project Title:	Water Meter replacements		
Project Year:	2027	**Category:**	Infrastructure
Department:	Water	**Priority:**	

Description:	We need to raise the cost of meters and readers. We are switching out water meters to the E Series. With switching water meters, we should be able to capture more revenue with no moving parts inside the water meters. This is a better meter than what we used in the past, and won't slow down with the iron that we have in the water. Cost of an E Series water meter with the head (one unit) is $215 for each water meter. If we are looking at 350 water meters for the year to stay up with the PSC requirements the dollar amount for this will be $75,250. We will need to add cellular end point readers parts to this, so the cost will go up. If we change out all 350 Cellular end points at the same time, it will be $57,750. The 2025 cost for Cellular end points is $165 X 350= $57,750. The total dollar amount we will need for meter replacements is $133,000. Let's round that up for raising prices and growth to $150,000.
Justification:	We need to stay up on meter replacements for the DNR and the PSC. With changing over 350 Water meters a year, and rising cost we need to up the budget to cover the raising costs.

Project Title:	Leak Study		
Project Year:	2027	**Category:**	Infrastructure
Department:	Water	**Priority:**	

Description:	I would like to start having a leak study done for the City of Whitewater. We have been lucky with our water loss. But I would like to have all the leaks found and fixed. I have had this done in the past and we didn't always have leaks, but when we had a leak or a main break, we could not find the company was always ready to step in and help. I think we could get this done for $7,500. This would be a 1-time year study. If we have a leak that we cannot find and have to call them in to help find a leak it would be another $7,500. This cost estimate is high and think we can have it done less than $7,500. But I wanted to stay on the higher side to be safe.
Justification:	N/A

Project Title:	Police Department Carpet Replacement		
Project Year:	2028	**Category:**	
Department:	Park & Rec - Facilities	**Priority:**	

Description:	The carpeting throughout the Municipal Building has reached the end of its functional life and is in need of replacement. This building houses critical city operations—including City Hall, the Police Department, and Municipal Court—and serves as a central point of contact for residents, businesses, and visitors. The existing carpet is heavily worn, stained, and fraying in multiple areas due to decades of high foot traffic. In some locations, seams are lifting and backing is deteriorating, creating trip hazards and presenting both safety and liability concerns. Frequent cleaning and patching efforts are no longer effective or cost-efficient. Replacing the carpeting will improve the safety, appearance, and overall functionality of the Municipal Building. It will also enhance the professional image of the facility, reflecting the City's commitment to maintaining a clean, accessible, and welcoming environment for staff and the public. This investment will help preserve the integrity of the building, support employee productivity, and provide a more comfortable and safe experience for all who use the facility. Selection of durable, commercial-grade carpet tile will also allow for easier future maintenance and longer-term cost savings.
Justification:	N/A

Project Title:	Cravath Lakefront Carpet Replacement		
Project Year:	2028	**Category:**	
Department:	Park & Rec - Facilities	**Priority:**	

Description:	he carpeting at the Cravath Lakefront Community Building is worn, stained, and has exceeded its expected lifespan. This facility is heavily utilized for private rentals, community gatherings, programming, and special events year-round. Maintaining its appearance and functionality is essential to ensuring continued use and generating revenue. Years of foot traffic, furniture movement, and event use have led to visible wear, fraying edges, and persistent staining that cannot be fully remedied through cleaning. In some areas, the condition of the carpet presents a potential safety concern due to uneven surfaces or loose seams. Replacing the carpet will enhance the building's appearance, safety, and overall experience for users. It will also reinforce the City's commitment to maintaining quality public facilities and support ongoing efforts to market the space as a desirable location for events and community use. The installation of commercial-grade, durable carpet tiles will improve long-term maintenance efficiency, as damaged sections can be easily replaced without requiring full reinstallation. This investment protects the City's asset, promotes community pride, and ensures the building remains a welcoming and well-maintained venue for years to come.
Justification:	N/A

Project #:			
Project Title:	Cravath Lakefront Park Picnic Shelter		
Project Year:	2028	**Category:**	
Department:	Park & Rec - Facilities	**Priority:**	

Description:	The picnic shelter roof at Cravath Lakefront Park is in deteriorating condition and in need of full replacement. While the shelter itself may see moderate use, it is located within one of Whitewater's most high-visibility and heavily visited parks. The structure is prominently situated near the lake, amphitheater, and other community gathering areas, making its appearance and condition highly noticeable to park users and visitors. The existing roof shows signs of significant weathering, with missing or damaged shingles and structural aging that detracts from the overall appearance of the park. If left unaddressed, the damage may lead to leaks or further deterioration that could impact safety and result in higher repair costs. Replacing the roof will preserve the shelter's structural integrity and improve the visual quality of the surrounding park environment. The investment will also ensure the shelter remains a functional and attractive option for small gatherings and rentals, supporting overall park usability and aesthetics. As Cravath Lakefront Park continues to serve as a focal point for community events, tourism, and year-round recreation, maintaining the condition of all structures—including those with lower direct use—is essential to preserving a clean, safe, and welcoming public space.
Justification:	N/A

Project #:			
Project Title:	Starin Park Restroom Replacement		
Project Year:	2028	**Category:**	
Department:	Park & Rec - Facilities	**Priority:**	

Description:	The public restrooms at Starin Park, located within and attached to the Starin Park Community Building and Senior Center, are in need of significant renovation. These facilities are unique in that they serve both internal users of the Senior Center and external park users, including athletes, spectators, event attendees, and visitors year-round. The restrooms have aged considerably and no longer meet modern standards for accessibility, efficiency, or user comfort. Fixtures, finishes, and surfaces are outdated and show signs of heavy wear. In addition to aesthetics, the current layout and design do not fully align with current ADA requirements, and some plumbing and ventilation components are inefficient or approaching failure. Renovating the restrooms will improve cleanliness, accessibility, and reliability—ensuring that both seniors and the general public have access to safe, functional, and dignified facilities. Given the volume and variety of users, this investment is critical to supporting the building's programming, park events, and year-round community use. Upgrades will include energy-efficient fixtures, improved accessibility, vandal-resistant materials, and modern finishes that enhance both usability and ease of maintenance. This project reflects the City's commitment to providing well-maintained, inclusive, and welcoming public infrastructure.

Project Title:	Starin Park Playground Equipment Replacement		
Project Year:	2028	**Category:**	Facilities & Other Improvements
Department:	Park & Rec - Other	**Priority:**	

Description:	The playground at Starin Park is in need of replacement due to the age, condition, and extensive use of the current equipment. Several components are over 25 years old and are showing significant signs of wear and deterioration. As one of the most frequently used playgrounds in the community, Starin Park serves a diverse range of families and children year-round, making it a key recreational asset within our park system. While the equipment has been well maintained, many of its components no longer meet current safety and accessibility standards. Continued patchwork repairs are no longer cost-effective and limit the functionality and inclusivity of the space. Replacing the playground will allow the City to install a modern, ADA-compliant structure that meets the recreational needs of today's users and addresses long-term safety and maintenance concerns. A new playground will not only improve safety and accessibility but also increase the appeal of Starin Park as a gathering place for families, child care providers, and community events. Investing in this replacement will demonstrate the City's commitment to maintaining high-quality park infrastructure and enhancing the quality of life for residents of all ages and abilities. This project is a necessary investment in public health, safety, and community well-being.
Justification:	N/A

Project Title:	Trippe Lake Playground Replacement		
Project Year:	2028	**Category:**	Facilities & Other Improvements
Department:	Park & Rec - Other	**Priority:**	

Description:	The playground equipment at Trippe Lake Park is aging and in need of replacement to ensure continued safe and enjoyable use by the community. Much of the equipment is outdated, with the play equipment is exceeding 20 years in age. These components no longer meet modern safety or accessibility standards and are showing visible signs of wear due to years of heavy use and environmental exposure. Trippe Lake Park is a key destination for families, daycares, and visitors throughout the year due to its scenic setting and amenities. The playground is a focal point of activity, especially during community events and park rentals. However, aging infrastructure is becoming increasingly difficult and costly to maintain, and some elements may soon need to be removed entirely for safety reasons if not addressed. Replacing the existing equipment with a modern, inclusive, and ADA-compliant playground structure will enhance the park experience for children of all abilities and encourage increased use of the facility. New equipment will improve safety, reduce maintenance costs, and support the City's broader goals of equitable and accessible recreation for all residents. An investment in the Trippe Lake Park playground is an investment in community wellness, family-friendly infrastructure, and the long-term vitality of one of Whitewater's most beloved parks.

Project Title:	Trippe Lake Dam Repairs		
Project Year:	2028	**Category:**	
Department:	Park & Rec - Other	**Priority:**	

Description:	The Trippe Lake Dam is a critical piece of public infrastructure that plays a vital role in maintaining water levels, managing stormwater, and preserving the ecological balance of Trippe Lake and its surrounding environment. Regular inspections and timely repairs are essential to ensure the dam remains structurally sound, compliant with state regulations, and capable of safely serving its intended functions. An updated inspection is now due, and preliminary assessments indicate that repairs may be necessary to address aging components and prevent further deterioration. Deferred maintenance of the dam could result in safety hazards, regulatory non-compliance, environmental damage, and increased repair costs in the future. This capital investment will fund a professional dam inspection, including structural evaluation, hydrologic and hydraulic analysis, and compliance review under Wisconsin Department of Natural Resources (WDNR) guidelines. Any recommended repairs identified through this process will be prioritized and addressed to prevent risk of failure, erosion, or operational inefficiency. Maintaining the Trippe Lake Dam is also essential to protecting the adjacent parkland, recreational use of the lake, and downstream water quality. By proactively inspecting and repairing the dam, the City ensures public safety, protects environmental resources, and upholds its responsibilities as a dam owner under state law.

Project #:	56		
Project Title:	Surveillance Cameras		
Project Year:	2028	**Category:**	IT Software/Hardware
Department:	Police	**Priority:**	

Description:	Installation of surveillance cameras four strategic intersections in the city. Each camera setup costs approximately $1,250 for the camera and wireless access points to get the data back to the municipal building. The surveillance cameras would be mounted to existing traffic lights with video wirelessly sent to existing city servers utilizing wireless access points through line-of-sight.
Justification:	The surveillance cameras provide the community with increased investigative capability. Previous high priority cases have been solved through use of surveillance footage that was captured by citizens and voluntarily turned over to police, however this type of footage is rarely from an ideal perspective and is not always voluntarily supplied. The surveillance cameras would provide higher quality video footage and would also provide the ability to monitor this busy intersection in real-time if needed.

Project Title:	Lean-to Carport for PD Squads		
Project Year:	2028	**Category:**	Building Improvements
Department:	Police	**Priority:**	

Description:	The lean-to carport would be constructed where the PD vehicles are currently parked outside on the north side of the police department.
Justification:	Currently we have only two parking stalls in the PD garage and have no way to protect additional squad cars from the elements. In the winter especially, this poses problems with buildup of snow, and at times has made our response time to emergency calls slower.

Project #:			
Project Title:	Phosphorus Compliance (Tertiary Filtration)		
Project Year:	2028	**Category:**	Infrastructure
Department:	Sewer	**Priority:**	

Description:	Currently the Wastewater Utility is achieving phosphorus compliance through the Multi Discharger Variance (MDV). This program is currently set to expire in 2027. There is an effort to possibly extend the MDV. However, the Utility must be proactive in planning in the event that the MDV does not get extended. One option to achieve phosphorus compliance is by constructing tertiary filtration. The newly constructed filters would be able to achieve the upcoming effluent phosphorus limit of 0.075 mg/l
Justification:	The current infrastructure at the WWTP is incapable of achieving the upcoming limit of 0.075 mg/l for total phosphorus. Once the MDV has expired, the WWTP will need to find alternative compliance methods to meet the strict phosphorus requirements.

Project Title:	2028 Detention Basin Dredging		
Project Year:	2028	**Category:**	Infrastructure
Department:	Stormwater	**Priority:**	

Description:	Dredging and other maintenance on existing stormwater BMP's like wet detention ponds.
Justification:	The City is required to remove Total Suspended Solids and Phosphorus from stormwater before it enters the waters of the State. To do this, wet detention ponds were constructed. Over time, these ponds fill up with sediment and get overgrown with trees and invasives. Maintenance is eventually required to keep these facilities in working order.

Project #:			
Project Title:	Starin Road Water Main Relocation		
Project Year:	2027	**Category:**	Infrastructure
Department:	Water	**Priority:**	

Description:	Relocate existing 14" watermain through private property on the north side of Starin Road east of Jefferson Street (previously known as Hospital Hill and now owned by Jon Tanis).
Justification:	The previously owned City property has been sold to Jon Tanis for the development of single family houses. The water main currently exists where the homes would be built. If the water main is not moved, the land cannot be developed as envisioned and the City will lose out on 5 -7 single family houses and the related tax revenue. Water main will also be extended across Starin Road to the south side to help serve the remaining undeveloped portion of Hospital Hill.

Project Title:	Water System Planning, Modeling, Facility Assessment		
Project Year:	2027	**Category:**	Facilities & Other Improvements
Department:	Water	**Priority:**	

Description:	Project will update 2017 water system modeling and master planning and look at long term needs with the facility at Starin Road and Fremont Street.
Justification:	Since the last system study in 2017, a number of changes have occurred throughout the water system, including a new tower, removing an existing tower and ground reservoir, rehabbing wells, and new development. the modeling will tell us our current capabilities to serve new development and if a future well will be required. It will also look at the existing facility at Starin and Fremont and provide an overall assessment and long term planning that would tie in with the future water needs of the city.

Project Title:	Hand rail for East Tower outside on top of the tank		
Project Year:	2028	**Category:**	Facilities & Other Improvements
Department:	Water	**Priority:**	

Description:	This is a 2028 request- I would like to add a handrail or safety rail around the East Tower. This would be so if we need to get on top of the tower for maintenance that we will not fall off. I have talked to USG about doing it when they are cleaning the tower. Once installed I would have the tower painted on the outside, to cover up the welding marks. The cost today was $75,000.

Project Title:	Municipal Building Carpet Replacement 2nd Floor		
Project Year:	2028	**Category:**	
Department:	Park & Rec - Facilities	**Priority:**	

Description:	The carpeting throughout the Municipal Building has reached the end of its functional life and is in need of replacement. This building houses critical city operations—including City Hall, the Police Department, and Municipal Court—and serves as a central point of contact for residents, businesses, and visitors. The existing carpet is heavily worn, stained, and fraying in multiple areas due to high foot traffic. In some locations, seams are lifting and backing is deteriorating, creating trip hazards and presenting both safety and liability concerns. Frequent cleaning and patching efforts are no longer effective or cost-efficient. Replacing the carpeting will improve the safety, appearance, and overall functionality of the Municipal Building. It will also enhance the professional image of the facility, reflecting the City's commitment to maintaining a clean, accessible, and welcoming environment for staff and the public. This investment will help preserve the integrity of the building, support employee productivity, and provide a more comfortable and safe experience for all who use the facility. Selection of durable, commercial-grade carpet tile will also allow for easier future maintenance and longer-term cost savings.

Project #:			
Project Title:	Tanker Truck Replacement		
Project Year:	2028	**Category:**	Machinery & Equipment
Department:	Sewer	**Priority:**	

Description:	Replace existing tanker truck with a newer used truck.
Justification:	The current tanker truck is a 1980 Auto Car. The truck is in need of significant repairs such as the transmission and the tank. Additionally, the vacuum pump does not work. Given the age of the truck, and the extent of the repairs that are required, we feel it is warranted to purchase a newer used truck. Originally this truck was primarily used for sludge application. However, since 2018 the Utility has contracted biosolids hauling. The tanker truck is still used primarily as an emergency response vehicle and some collection system maintenance. Some areas of the collections system are inaccessible with our combo truck. Due to the smaller size of the tanker truck we can utilize this truck to "flush" lines. Additionally, we have utilized the truck in emergency situations such as force main breaks. Having a truck with a functional vacuum pump would eliminate the need to have a 2nd vehicle to bring portable pumps.

Project Title:	2027 Chrysler Voyager LX Side Load Ramp		
Project Year:	2027	**Category:**	Licensed Vehicles
Department:	General Admin	**Priority:**	

Description:	The City's Shared Ride Taxi program has three vehicles in service. The 2016 E-Bus is currently at it's end of useful life and needs to be replaced. It has been determined that another E-Bus would not be useful in Whitewater and should be replaced with a side load minivan.
Justification:	The current 2016 E-Bus is at the end of it's useful life and needs to be replaced per guidelines from the Wisconsin Department of Transportation.

Funding Sources	Prior	FY 2026	FY 2027	FY 2028	FY 2029	FY 2030	Future	Project Total

Capital Improvement Project

FY 2026 through FY 2030

Project #:			
Project Title:	600 Blowers Rebuild/Inspection		
Project Year:	2027	**Category:**	Machinery & Equipment
Department:	Sewer	**Priority:**	

Description:	The post aeration blowers are at a hour count in which manufacturer recommends inspection and some degree of maintenance depending on the findings of the maintenance.
Justification:	The wastewater utility has an effluent dissolved oxygen limit. These blowers are responsible for aerating the effluent before it is discharged to WW Creek. Due to a constant effluent flow, at least one blower needs to be running 24/7. Although one blower is generally enough to aerate the effluent to an acceptable level, it is not uncommon for two blowers to be running. Therefore, it is essential that maintenance for these pieces of equipment is pre-planned and schedule for conditions in which it is least likely that two blowers will be running.

Funding Sources	Prior	FY 2026	FY 2027	FY 2028	FY 2029	FY 2030	Future	Project Total

Capital Improvement Project

FY 2026 through FY 2030

Project #:			
Project Title:	Building 800 Blower Maintenance		
Project Year:	2028	**Category:**	Machinery & Equipment
Department:	Sewer	**Priority:**	

Description:	The blowers in 800 are at an hour count in which the manufacturer recommends and equipment assessment and likely a standard overhaul.
Justification:	These blowers run 24/7 and are needed to blow oxygen into the aeration basins for the bacteria to utilize. If these blowers do not function, the plant is unable to treat the wastewater and would be in violation of its permit. Additionally, aeration costs are among the highest utility energy costs in the plant. So well maintained blowers are critical in minimizing energy usage.

Capital Improvement Project

FY 2026 through FY 2030

Project #:			
Project Title:	Facilities Plan		
Project Year:	2030	**Category:**	Intangibles
Department:	Sewer	**Priority:**	

Description:	A facilities plan is a document that provides a long-term, comprehensive engineering and financial study which is required before building, expanding, or modifying a municipal sewerage system.
Justification:	The last facilities plan was completed in 2014. Therefore in 2030, the facilities plan will be approaching 20 years old. By performing this facilities plan (slightly early) it will ensure the study is completed before the Multi Discharger Variance ends. The findings of this facilities plan will be used to determine the best solution for phosphorus compliance. Additionally, it will evaluate other areas in the plant that may need significant repair or replacement.

City of WHITEWATER	Council Agenda Item
Meeting Date:	November 5, 2026
Agenda Item:	Brown Cab Service Contract for Shared-Ride Taxi
Staff Contact (name, email, phone):	Rachelle Blitch, rblitch@whitewater-wi.gov , 262-473-1380

BACKGROUND
(Enter the who, what when, where, why)

The City's Shared-Ride Taxi program operates under state and federal subsidy programs. In 2023, the City issued a Request for Proposals (RFP) for service providers and received only one response—from Brown Cab Service. The resulting contract is for five years, with optional renewals in years three through five, and the City is now entering into the fourth year of that agreement.

While the City continues to assess other potential options for the future, no replacement service has been identified at this time. The Shared-Ride Taxi remains a vital transportation service for our community and will continue to operate under the current contract.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS
(Dates, committees, action taken)

11/21/2023- Council awarded the Ride-Share contract to Brown Cab Service
10/27/2026 – Finance Committee recommends approval of the 2027 service contract

FINANCIAL IMPACT
(If none, state N/A)

The increase in costs is going from $41.43 to $42.84 per driver hour. The increase is the allowable 3.4% inflation factor that WisDOT approved and will add an additional cost of up to $11,145 for 2027.

STAFF RECOMMENDATION

While the City continues to evaluate potential future service options, no alternative program has been identified at this time. Therefore, staff recommends approval of the one-year contract extension with Brown Cab Service. The Shared-Ride Taxi program remains a vital transportation resource that supports mobility and accessibility for residents, and maintaining uninterrupted service is essential to meeting the community's transportation needs.

ATTACHMENT(S) INCLUDED

1. Shared-Ride contract for 2027

RESOLUTION NO. __2026-R-60__

A RESOLUTION APPROVING THE 2027 SHARED RIDE TAXI SERVICE CONTRACT WITH RUNNING INC./BROWN CAB

WHEREAS, this resolution was reviewed by the Finance Committee and is recommended for approval by said committee; and,

WHEREAS, the City of Whitewater operates a Shared Ride Taxi Service; and,

WHEREAS, the current contract for services expires on December 31, 2026,

NOW, THEREFORE BE IT RESOLVED, by the Common Council of the City of Whitewater, Wisconsin that it hereby approves the Shared Ride Taxi Service contract with Running Inc/Brown Cab for the 2027 calendar year.

Resolution was introduced by Council Member _____, who moved for its adoption.

Seconded by Council Member _____.

EXERCISE OF OPTIONS FOR SHARED-RIDE TAXI (SRT) SERVICES

Instructions: Transit Systems must complete all yellow/blue sections of this form. The federal clauses (separate attachment) must also be signed by the supplier and submitted to **Joe Turchi**.

Please note: Transit systems that have a 2-year base contract and do not require an exercise of options do not need to complete and submit this form.

Transit Name	City of Whitewater		
Contract Number	Whitewater SRT 2024-2028	In what year was the solicitation of this contract completed?	2023

Shared-Ride Taxi (SRT) contracts include options to ensure the future availability of services, so long as the Transit System is able to justify those options as needed for its public transportation or project purposes. An option is a unilateral right in a contract by which, for a specified time, a recipient may acquire additional equipment, supplies, or services than originally procured.

As required by Federal Transit Administration's (FTA) Circular 4220.1G, Transit Systems must complete a price analysis for every mutually agreed upon Shared Ride Taxi contract option.

Exercise of Options

Transit system must notate a check next to the appropriate cell:

☐	CY2027 will be the second year of the contract and it needs an exercise of options.
☐	CY2027 will be the third year of the contract and it needs an exercise of options.
☒	CY2027 will be the fourth year of the contract and it needs an exercise of options.
☐	CY2027 will be the fifth year of the contract and it needs an exercise of options.

Updated Vendor's Hourly Rate

To calculate your vendor's updated hourly rate for the next year, add the annual inflation rate percentage points (from August 2026) to the vendor's current rate.

The Consumer Price Index for all items as published on the Bureau of Labor Statistics web site can be found here.

The current rate (CPI-U) for all items used for this calculation is **3.4%** based on the annual rate from August 2026 in the Transit System's RFP.

City of Whitewater current rate per hour **(A)**	Current Rate of Inflation (To reflect the increase this rate is presented as "1+percent") **(B)**	Rate that will be paid in 2027 **(Sum of Cell A multiplied by Cell B)**
$41.43	1.034	$42.84

Transit System must compare the 2027 rate with the spreadsheet of Shared-Ride Taxi service costs for systems statewide (taking into account similar percentage increases for inflation as calculated above).

Contract Max Amount

The maximum amount of funding for this contract extension shall be $338,607.36 based on __7,904__ hours of service at the rate of $___42.84_ per hour.

(Note: Hours of service were identified in the original procurement)

Fair and Reasonable Justification

Transit System must provide a written justification, with **specific information,** why the Vendor's 2027 hourly rate is *fair and reasonable* (Stating "per contract" is not an adequate response to comply with FTA requirements).

The Vendor's rate is fair and reasonable because: the cost is less than providing the service in-house. Reviewing the other comparable rates that other agencies are paying, Whitewater can confirm that the price is fair and reasonable.

By signing this form, *the City of Whitewater* agrees to a one-year extension of shared ride taxi service contract with Brown Cab Service, Inc. that is in accordance with the original contract, Request for Proposal solicitation, all attachments, addenda and revisions, the contractor's proposal, and all applicable federal certifications and clauses. This extension is valid for January 1st, 2027 to December 31st, 2027.

Please have this document signed by the supplier and a transit system signatory authority, email the signed document to **Joe Turchi** josepho.turchi@dot.wi.gov **608-267-3568**

The federal clauses (separate attachment) must also be signed by the supplier and submitted to **Joe Turchi.**

City of WHITEWATER	Common Council Agenda Item
Meeting Date:	November 25, 2026
Agenda Item:	Discussion and Possible Action to Recommend Funding for the Purchase of New Fitness Equipment at the Whitewater Aquatic and Fitness Center (WAFC).
Staff Contact (name, email, phone):	Kevin Boehm, kboehm@whitewater-wi.gov, 262-473-0122

BACKGROUND

(Enter the who, what when, where, why)

The Whitewater Aquatic & Fitness Center (WAFC) has several pieces of strength training equipment that are approximately 20 years old and are recommended for replacement due to their age, condition, and limited availability of manufacturer replacement parts.

The existing five-stack pulley system has reached an age where direct replacement components are no longer readily available, making continued long-term maintenance increasingly challenging. Additionally, the existing squat rack is approximately the same age, with certain replacement components no longer manufactured and visible signs of aging on portions of the structure.

Staff recommend replacing these pieces of equipment as part of a proactive effort to maintain a modern, functional, and reliable fitness center for our members and patrons.

Staff recommend purchasing a new five-stack pulley system and power racks. The proposed power racks would replace not only the existing squat rack but also the current bench press stations.

The new power racks offer greater adjustability and exercise versatility, allowing users to perform a wider range of strength training exercises within a single station. Consolidating these pieces of equipment would also create additional usable floor space in the free weight area and improve the overall layout of the fitness center.

Equipment Comparison and Recommendation

Staff contacted three commercial fitness equipment vendors to obtain pricing for the proposed replacements:

- **Direct Fitness Solutions:** Submitted a proposal for Precor fitness equipment.
- **Johnson Fitness & Wellness:** Submitted a proposal for replacement fitness equipment.
- **Summit Commercial Fitness:** Contacted by both telephone and email requesting a proposal; no quote was received.

The majority of WAFC's existing cardio and strength equipment is manufactured by Precor. Staff have had excellent experiences with durability, reliability, and relatively low maintenance requirements of this equipment.

While the equipment proposed by Direct Fitness Solutions carries a higher initial purchase price, staff believe the additional investment is justified based on our experience with Precor's long-term performance in a heavily used fitness center environment.

Purchasing commercial-grade equipment with an established history of reliability at WAFC represents a responsible long-term investment. Staff recommend prioritizing equipment quality, durability, and anticipated service life rather than selecting equipment based solely on the lowest initial purchase price.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS

(Dates, committees, action taken)

On October 21, 2026, the Parks & Recreation Advisory Board recommended approval of the proposed purchase of replacement fitness equipment for the Whitewater Aquatic and Fitness Center (WAFC) and forwarding the request to the Finance Committee for consideration and recommendation to the Common Council for final approval.

On October 27, 2026, the Finance Committee approved forwarding a favorable recommendation to the Common Council for the purchase of replacement fitness equipment from Direct Fitness Solutions (Precor) at a total cost of $22,707, using dedicated WAFC CIP funds.

FINANCIAL IMPACT

(If none, state N/A)

The recommended Precor equipment represents an additional investment of $7,835 compared to the Johnson Fitness & Wellness proposal. Staff believe this additional cost is justified by the City's positive experience with Precor equipment, its demonstrated reliability, and anticipated long-term durability in a high-use municipal fitness facility.

Funding for the proposed $22,707 purchase would come from the dedicated Capital Improvement Program (CIP) funds for the Whitewater Aquatic & Fitness Center. The purchase would utilize existing funds designated for capital improvements at the facility.

Equipment	Direct Fitness Solutions	Johnson Fitness & Wellness
Five-stack pulley system	$13,760	$10,282
Power rack replacements	$8,947	$4,590
Total	**$22,707**	**$14,872**
Difference	**+$7,835**	**—**

STAFF RECOMMENDATION

Staff recommends that the Common Council approve the purchase of replacement fitness equipment for the Whitewater Aquatic and Fitness Center (WAFC) from Direct Fitness Solutions (Precor) at a total cost of $22,707, utilizing dedicated WAFC Capital Improvement Plan (CIP) funds, as recommended by the Finance Committee on October 27, 2026

- Johnson Fitness & Wellness Equipment Proposal

RESOLUTION NO. 2026-R-61

A RESOLUTION AUTHORIZING THE PURCHASE OF REPLACEMENT FITNESS EQUIPMENT FOR THE WHITEWATER AQUATIC AND FITNESS CENTER

WHEREAS, the Whitewater Aquatic and Fitness Center (WAFC) has strength training equipment that is approximately 20 years old, including a five-stack pulley system and squat rack, for which replacement parts are increasingly difficult to obtain; and,

WHEREAS, replacement of this equipment will support reliable fitness center operations, provide greater exercise versatility, and improve the use of available floor space; and,

WHEREAS, staff solicited proposals from Direct Fitness Solutions, Johnson Fitness & Wellness, and Summit Commercial Fitness, with proposals received from the first two vendors; and,

WHEREAS, Direct Fitness Solutions submitted a proposal for Precor equipment totaling $22,707, consisting of a five-stack pulley system for $13,760 and replacement power racks for $8,947; and,

WHEREAS, the proposal from Johnson Fitness & Wellness totaled $14,872, and staff recommends the Precor equipment based on the City's positive experience with its durability, reliability, and maintenance performance; and,

WHEREAS, the proposed purchase will be funded through dedicated Whitewater Aquatic and Fitness Center Capital Improvement Plan (CIP) funds; and,

WHEREAS, on October 21, 2026, the Parks & Recreation Advisory Board recommended approval of the proposed equipment purchase; and,

WHEREAS, on October 27, 2026, the Finance Committee recommended approval of the purchase and forwarding the matter to the Common Council for final action;

NOW, THEREFORE BE IT RESOLVED, That the Common Council of the City of Whitewater hereby authorizes the purchase of replacement fitness equipment from Direct Fitness Solutions (Precor) for a total amount of $22,707, using dedicated WAFC CIP funds.

BE IT FURTHER RESOLVED, That the appropriate City officials are authorized to execute the necessary purchasing documents and take actions required to complete the purchase.

Resolution was introduced by Council Member _____, who moved for its adoption.

Seconded by Council Member _____.

City of WHITEWATER	# Common Council Agenda Item
Meeting Date:	November 5, 2026
Agenda Item:	Discussion and possible action to recommend funding for construction of three additional offices at the Whitewater Municipal Building to the Finance Committee.
Staff Contact (name, email, phone):	Kevin Boehm, kboehm@whitewater-wi.gov, 262-473-0122

BACKGROUND
(Enter the who, what when, where, why)

Additional enclosed office space is needed at the Whitewater Municipal Building. Several employees currently work in open cubicles where sensitive conversations and confidential information can be overheard. Constructing three enclosed offices on the second floor, in the Zoning and Department of Public Works area, would improve privacy and daily operations.

Lepak Wall and Ceiling, which successfully completed the City's previous office construction project, provided a quote of $22,250. During the previous project, nine contractors were contacted, resulting in only two quotes. Based on that experience and the contractor's performance, staff requests approval to waive additional competitive quotation requirements.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS
(Dates, committees, action taken)

In March 2025, the Parks & Recreation Advisory Board and Finance Committee recommended approval of two offices constructed by Lepak Wall and Ceiling for $12,900. The project was subsequently approved and completed.

On October 21, 2026, the Parks & Recreation Advisory Board recommended reallocating remaining City Hall Roofing Project CIP funds for the construction of three additional offices.

On October 27, 2026, the Finance Committee approved forwarding a favorable recommendation to the Common Council as presented, with direction to place the item on the Consent Agenda.

FINANCIAL IMPACT
(If none, state N/A)

Staff proposes using remaining funds from the City Hall Roofing Project CIP, originally funded through $400,000 in borrowing.

Description	**Amount**
Office Construction	$22,250
Electrical, HVAC and Permit Fees	$5,000
Total Project Cost	**$27,250**
Available Roofing CIP Funds	$41,644
Remaining Balance	**$14,394**

Electrical and HVAC improvements would be completed in-house. Use of the remaining CIP funds would be subject to Finance confirming that they may be reallocated.

STAFF RECOMMENDATION

Staff recommends that the Common Council approve the resolution authorizing the reallocation of $27,250 from the City Hall Roofing Project CIP funds for the construction of three additional offices, awarding a $22,250 construction contract to Lepak Wall and Ceiling, and allocating $5,000 for associated electrical, HVAC, and permit expenses.

Staff further recommends waiving additional competitive quotation requirements, where legally permissible, consistent with the Finance Committee's October 27, 2026, recommendation.

ATTACHMENT(S) INCLUDED
(If none, state N/A)

Proposal from Lepak Wall and Ceiling.

Proposed Resolution

RESOLUTION NO. 2026-R-62

A RESOLUTION AUTHORIZING THE REALLOCATION OF CAPITAL IMPROVEMENT FUNDS AND CONSTRUCTION OF THREE ADDITIONAL OFFICES AT THE WHITEWATER MUNICIPAL BUILDING

WHEREAS, the City of Whitewater has identified a need for additional enclosed office space to provide privacy for employees conducting confidential business; and,

WHEREAS, the City has identified available space on the second floor of the Municipal Building in the Zoning and Department of Public Works area for the construction of three offices; and,

WHEREAS, Lepak Wall and Ceiling successfully completed the City's previous office construction project and has submitted a proposal of $22,250 for the additional offices; and,

WHEREAS, an additional $5,000 is estimated for electrical, HVAC, and permit expenses, resulting in a total project cost not to exceed $27,250; and,

WHEREAS, approximately $41,644 remains in the City Hall Roofing Project Capital Improvement Plan (CIP) funds, subject to confirmation that these funds may be used for this purpose; and,

WHEREAS, on October 21, 2026, the Parks & Recreation Advisory Board recommended reallocating remaining City Hall Roofing Project CIP funds for the construction of three additional offices; and,

WHEREAS, on October 27, 2026, the Finance Committee recommended approval of the project as presented and forwarding the matter to the Common Council on its consent agenda; and,

WHEREAS, during the previous office project, nine contractors were contacted and only two quotes were received, and staff has requested a waiver of additional competitive quotation requirements;

NOW, THEREFORE BE IT RESOLVED, That the Common Council of the City of Whitewater hereby authorizes the reallocation of up to $27,250 from the remaining City Hall Roofing Project CIP funds for the construction of three additional offices, subject to confirmation that the funds may legally and financially be used for this purpose.

BE IT FURTHER RESOLVED, That the Common Council approves awarding a construction contract to Lepak Wall and Ceiling in the amount of $22,250 and allocating up to $5,000 for associated electrical, HVAC, and permit expenses.

BE IT FURTHER RESOLVED, That the Common Council authorizes the waiver of additional competitive quotation requirements.

BE IT FURTHER RESOLVED, That the appropriate City officials are authorized to execute the necessary documents and take actions required to complete the project.

Resolution was introduced by Council Member _____, who moved for its adoption.

Seconded by Council Member _____.

City of WHITEWATER	**Common Council Agenda Item**
Meeting Date:	November 5, 2026
Agenda Item:	Discussion and Possible Action to Authorize Continuation of the Whitewater Aquatic and Fitness Center (WAFC) Capital Campaign and Consulting Agreement with The Sweeney Group.
Staff Contact (name, email, phone):	Kevin Boehm, kboehm@whitewater-wi.gov, 262-473-0122

BACKGROUND
(Enter the who, what when, where, why)

The Whitewater Aquatic and Fitness Center (WAFC) is an important community asset providing recreational, fitness, aquatic, and wellness opportunities for residents of all ages. As the facility continues to age, significant investments will be necessary to maintain its infrastructure, modernize amenities, and ensure its long-term sustainability.

The City has been working with Jodi Sweeney of The Sweeney Group to develop a capital campaign with an overall fundraising goal of $3 million through private contributions, grants, community partnerships, and potential future City participation.

The City recently received a comprehensive facility analysis from ADCI identifying maintenance needs and recommended improvements. Staff has developed an accompanying priority matrix, which will be further reviewed with the Aquatic Center Committee to help determine which improvements may be appropriate for traditional Capital Improvement Plan (CIP) funding and which may be supported through the capital campaign.

Preliminary campaign planning has progressed to the point where staff is ready to begin actively soliciting donations, developing partnerships, and pursuing additional funding opportunities.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS
(Dates, committees, action taken)

In 2023, the Common Council approved engaging The Sweeney Group to conduct an exploratory capital campaign planning study for the WAFC. The study evaluated fundraising potential, community support, and opportunities for public-private partnerships.

Jodi Sweeney presented the completed study to the Common Council on January 20, 2026. Following this work, staff continued preliminary campaign development, including fundraising strategies, donor identification, and establishing a campaign planning committee.

The ADCI Facility Analysis has also been completed to assist in identifying and prioritizing future facility improvements.

On October 27, 2026, the Finance Committee recommended approval of continuing the WAFC capital campaign and authorizing a consulting agreement with Jodi Sweeney of The Sweeney Group, forwarding the matter to the Common Council for final consideration.

FINANCIAL IMPACT
(If none, state N/A)

The Sweeney Group has proposed continuing capital campaign consulting services at a cost not to exceed $35,000, plus associated expenses. Staff proposes that these costs be paid from funds raised through the WAFC capital campaign.

Staff anticipates returning to the Finance Committee and Common Council with fundraising progress, identified project priorities, and any future requests for City financial participation.

No City funding commitment toward WAFC capital improvements is being requested at this time.

STAFF RECOMMENDATION

Staff recommends that the Common Council, consistent with the Finance Committee's October 27, 2026, recommendation, authorize the continuation of the WAFC capital campaign and approve consulting services with Jodi Sweeney of The Sweeney Group at a cost not to exceed $35,000, plus associated expenses, to be funded through campaign proceeds.

This authorization would allow staff to proceed with active fundraising, donor solicitation, grant opportunities, and community partnerships toward the $3 million fundraising goal.

ATTACHMENT(S) INCLUDED

(If none, state N/A)

- WAFC Facility Analysis – Priority Matrix

RESOLUTION NO. 2026-R-63

A RESOLUTION AUTHORIZING CONTINUATION OF THE WHITEWATER AQUATIC AND FITNESS CENTER CAPITAL CAMPAIGN AND CONSULTING SERVICES WITH THE SWEENEY GROUP

WHEREAS, the Whitewater Aquatic and Fitness Center (WAFC) is an important community asset providing recreational, aquatic, fitness, and wellness opportunities; and,

WHEREAS, the City is developing a capital campaign with a fundraising goal of $3 million to support future facility improvements through private contributions, grants, and community partnerships; and,

WHEREAS, the Common Council previously authorized The Sweeney Group to conduct an exploratory capital campaign planning study, and Jodi Sweeney presented the completed study to the Common Council on January 20, 2026; and,

WHEREAS, the City has received an ADCI facility analysis and developed a priority matrix to help identify future capital needs and potential campaign-supported improvements; and,

WHEREAS, preliminary campaign planning has progressed to the point where staff is prepared to actively solicit donations, develop partnerships, and pursue additional funding opportunities; and,

WHEREAS, staff requests authorization for continued consulting services with Jodi Sweeney of The Sweeney Group at a cost not to exceed $35,000, plus associated expenses, to be paid from WAFC capital campaign proceeds; and,

WHEREAS, on October 27, 2026, the Finance Committee recommended approval of continuing the WAFC capital campaign and the proposed consulting services; and,

WHEREAS, no City funding commitment toward WAFC capital improvements is requested at this time;

NOW, THEREFORE BE IT RESOLVED, That the Common Council of the City of Whitewater hereby authorizes continuation of the WAFC capital campaign, including active fundraising, donor solicitation, grant opportunities, and community partnerships toward the $3 million fundraising goal.

BE IT FURTHER RESOLVED, That the Common Council approves consulting services with Jodi Sweeney of The Sweeney Group at a cost not to exceed $35,000, plus associated expenses, to be funded through WAFC capital campaign proceeds, and authorizes appropriate City officials to execute the necessary agreement and related documents.

Resolution was introduced by Council Member _____, who moved for its adoption.

Seconded by Council Member _____.

Whitewater Aquatic & Fitness Center

Capital Improvements Priority Matrix | Detailed Breakdown

Facility Analysis: October 20, 2026 • Appendix 1

Priority 1: Immediate | Priority 2: High (1–3 years) | Priority 3: Moderate (3–5 years) | Priority 4: Long-Term (5–10 years)

Priority 1 — Immediate

Improvement	Location	Estimated cost
Floor repair	Leisure Pool	$500
Install exterior door sweeps	Leisure Pool	$1,400
Stair rail for ADA access	Leisure Pool	$4,500
Pool finish replacement	Leisure Pool	$280,000
Drain sump and cover	Leisure Pool	$125,000
Cup anchors	Lap Pool	$8,000
Floor inlet	Lap Pool	$5,000
Pool finish replacement	Lap Pool	$250,000
Filter media	Pool Equipment Room	$5,000
Boiler shutdown switches (2)	Mechanical Systems	$30,000
Lighting replacement	Lap Pool	$90,000
Lighting replacement	Leisure Pool	$110,000
Lighting replacement	Aquatics MEP Spaces	$25,000

Priced subtotal: $934,400

Priority 2 — High (1–3 years)

Improvement	Location	Estimated cost
Flooring replacement	Lap Pool	$139,860
Rail at ramp	Leisure Pool	$16,000
Level concrete stoop	North Elevation	$500
Depth markers	Lap Pool / Leisure Pool	$6,500
Activity tower	Leisure Pool	$150,000
Gutter grating (AQ16)	Leisure Pool	$50,000
Gutter grating (AQ14)	Leisure Pool	$65,000
Pool pumps	Pool Equipment Room	$180,000
Return ductwork and grilles	Leisure Pool	$30,000
Boilers and boiler pumps (original, 2)	Mechanical Systems	$200,000
Wiring devices	Lap Pool	$2,500
Wiring devices	Leisure Pool	$2,500
Electrical gear	Aquatics MEP Spaces	$160,000
Inspect / clear weeps	South Elevation	$0
Inspect / clear weeps	Southwest Elevation	$0
Inspect / clear weeps	East Elevation	$0
Re-seal control joints	East Elevation	$0

Priced subtotal: $1,002,860

Zero-dollar entries may require City staff labor.

Priority 3 — Moderate (3–5 years)

Improvement	Location	Estimated cost
Sealants	Lap Pool	Not estimated
Door hardware	Lap Pool	Not estimated
Sealants	Leisure Pool	Not estimated
Strip and refinish slide tower	Leisure Pool	$50,000
Door hardware	Leisure Pool	$6,000
Door transition repair	Leisure Pool	Included
Investigate leak above TV	Fitness	Not estimated
Upgrade exterior sealants	General Facility	Not estimated
Repaint lintels	East Elevation	Not estimated
Slide refurbishment	Leisure Pool	$90,000
In-pool lighting	Lap / Leisure Pool	$15,000
Starting blocks	Lap Pool	$50,000

Return ductwork	Lap Pool	$15,000
Electric water cooler	Lap Pool	$7,500
AHU-B3	Mechanical Room	$175,000
Electric unit heaters (4)	Leisure Pool	$4,000
Pool water heat exchangers (3)	Pool Equipment Room	$30,000
Fire alarm	Lap Pool	$14,000
Fire alarm	Leisure Pool	$14,000
Lighting	General Facility	$100,000
Lighting	Fitness	$75,000
Wiring devices	Exterior	$35,000

Priced subtotal: $680,500

Priority 4 — Long-Term (5–10 years)

Improvement	Location	Estimated cost
Masonry cracks	Lap Pool	$1,200
Tile floors in locker rooms	General Facility	Not estimated
Ceilings in locker rooms	General Facility	Not estimated
Guard chairs	Lap / Leisure Pool	$15,000
Glycol heat reclaim coil loop	Lap Pool	$40,000
Deck drain sump	Aquatics Mechanical	$15,000
Sanitary sump	Aquatics Mechanical	$10,000
Paging speakers	Lap Pool	$7,000
Sound system	Lap Pool	$50,000
Paging speakers	Leisure Pool	$7,000
Sound system	Leisure Pool	$50,000

Priced subtotal: $195,200

Locker room flooring and ceiling replacements are identified but not priced.

Unassigned Priority

Improvement	Location	Estimated cost
AHU-B5	Mechanical Room	$175,000
Energy recovery unit	Fitness	$50,000
AHU-B2	Mechanical Room	$40,000
Security system	General Facility	$70,000

Priced subtotal: $335,000

These items have costs but no designated priority in the matrix.

Overall Capital Improvement Cost Summary

Category	Estimated cost
Priority 1 — Immediate	$934,400
Priority 2 — High	$1,002,860
Priority 3 — Moderate	$680,500
Priority 4 — Long-Term	$195,200
Prioritized subtotal	$2,812,960
Unassigned priority	$335,000
Total estimated improvements	$3,147,960

Notes: Amounts are rough-order-of-magnitude estimates. Projects without assigned costs are excluded from totals.

PROPOSAL AND AGREEMENT FOR CONSULTING SERVICES

Prepared for

Whitewater Aquatic and Fitness Center

- **Capital Campaign Planning**
- **Campaign Implementation**

Phase II
August 1, 2026

46 Oak Creek Trail, Madison, WI
53717
office: 608 203-8484 | cell: 608 239-0862 |
jodibsweeney@gmail.com | www.sweeney-group.com

PROPOSAL AND AGREEMENT FOR SERVICES RE:
City of Whitewater Aquatic and Fitness Center

It is a pleasure to present the following Proposal and Agreement for Services to the City of Whitewater City Manager and the Director of Parks, Recreation and Facilities re: raising the funds needed for the planned renovations and improvements to the municipal pool and fitness center, and to build an endowment fund.

I. OVERVIEW

This agreement follows the initial campaign planning work to prepare strategies and materials that was done in May, June, and July 2026. We now have a Campaign Planning Committee in place and need to proceed with final planning and full implementation of the campaign, the corresponding community education component, and the 100 Extraordinary Women segment. NOTE: The fee for the use of the *100EW* platform will be waived by Jodi Sweeney. www.100extraordinarywomen.com.

II. SPECIFIC AREA OF CONSULTATION RE: CAMPAIGN PLANNING WITH THE COMMITTEE; CAMPAIGN IMPLEMENTATION; *100 Extraordinary Women* – PHASE II

The following is a list of deliverables needed for a successful campaign to meet or exceed the private goal of a minimum of $1,500,000, and to develop the talking points and materials to approach the City for an additional $1,500,000. The Sweeney Group will provide the following services under this contract:

- Determine the best strategies and timing to approach the City of whitewater for a financial commitment of $1,500,000 for the project. Ideally, this would be positioned as a challenge grant to people and organizations across the area to raise the additional $1,500,000 as a match;

- Finalize the agreement with the Whitewater Community Foundation (WWCF) to serve as fiscal agent and hold the endowment fund;

- Develop a Campaign Planning Committee to strategize the specifics of the campaign – facilitate all meetings of the committee;

- Prepare all strategies identified in the study to be presented to the Campaign Planning Committee for discussion and decision;

- Prepare recommendations regarding campaign policies, such as campaign goal, pledge terms and now the pledges will be covered, recognition opportunities, etc. These will be prepared by the Sweeney Group for review and approval by the City. The WWCF's policies will be included;

- Develop and manage the Campaign Action Plan and Timeline, with responsibilities and a month to month work plan;

- Develop campaign materials based on the issues identified in the study; these materials will include the plan for the recognition of all gifts and naming opportunities for major gifts, coordinated with the recognition from the SWIM campaign. The Campaign Planning Committee will have input and the City will approve;

- Form an Honorary Committee of influential people from throughout the area who endorse the project and the campaign. Roles and responsibilities and recruitment strategies will be developed by The Sweeney Group for review and approval by The Campaign Planning Committee;

- Implement ***100 Extraordinary Women*** as a campaign segment at a time to be determined by the Campaign Planning Committee. This is often done at the beginning of the campaign to create excitement and raise funding to be used to implement the campaign. www.100extraordinarywomen.com
  NOTE: ***100 Extraordinary Families*** uses the same format and is typically used to complete the campaign;

- Develop and implement a community education component to market the facility and the campaign;

- Determine cultivation event(s) to inform prospective donors about the design and plans for the renovations and the new building, and the campaign;

- Finalize the Campaign Organization Chart presented in the study to determine committees needed, timeline for their work and determining segment goals for each;

- Identify 3-5 visionary/cornerstone donors with strategies to approach them;

- Solicit these donors, including development of the talking points, team for the call and strategies. Jodi Sweeney can accompany volunteers on calls, as appropriate;

- Train volunteers on solicitation of major donors and assistance in solicitation calls as needed. This will be prepared and presented by The Sweeney Group; all volunteers will be asked to participate;

- Strategize the timing and amount of the major gift requests, including challenge grant(s) for various segments of the campaign. Solicit these donors by category. This will be led by The Sweeney Group with the involvement of all parties involved in the campaign;

- Research additional local, regional and national foundations and public funding; assistance with preparation of proposals;

- Develop and implement specific elements of the public phase at the appropriate points in the campaign, including planning for collective giving, a paver or tile program, direct mail/social media campaign and special events specifically designed to raise smaller gifts. (see note re: 100 Extraordinary Families, above.) This will be led by The Sweeney Group

with the involvement of all parties involved in the campaign. The timing for this segment will be dependent on the success of the segments above;

- Facilitation of meetings;
- Advice to City staff and volunteers, as requested.

All work detailed above will be performed by Jodi Bender Sweeney, other than administrative and scheduling which is performed by Sweeney Group staff member. All work will be managed and supervised by Jodi Bender Sweeney.

III. REPORTING AND CONFIDENTIALITY

The Sweeney Group will report to the City of Whitewater, with direct reporting to Kevin A. Boehm, Director of Parks, Recreation and Facilities.

The Sweeney Group shall be held harmless against any financial or legal liability arising out of this agreement and related activities provided that the Sweeney Group acts lawfully and in compliance with this proposal.

IV. PERIOD OF CONSULTATION

It is anticipated that this phase of campaign planning and implementation will begin on August 1 2026 and last for 10 months.

This Agreement may be canceled by either party upon 14 days written notice and may be modified by written agreement signed by both parties. In the event of cancellation by either party, The Sweeney Group will be promptly paid for time and expenses incurred.

Neither party may assign this contract without written consent of the other party.

This contract is to be interpreted according to Wisconsin law and all actions related to this contract are to be brought in Dane County Circuit Court.

V. COMPENSATION

Campaign fees will be $5,000 per month for 10 months to conduct the aspects of campaign planning and implementation identified above. This is a total of $50,000 in fees to raise $1,500,000.

Expenses include mileage, at $.50 per mile. Expenses for meals will be incurred only if needed. All expenses are billed at direct cost; there is no up-charge on expenses.

Fees and expenses will be invoiced by the 5th of each month; invoices will be sent to Kevin Boehm. Payment is due by the 15th of that month.

If you agree with the terms of this Proposal and Agreement for Services, please sign and return one copy to the Sweeney Group with a retainer of $5,000, which is the August fee. Please retain one copy for your files.

Thank you.

City of WHITEWATER	Common Council Agenda Item
Meeting Date:	November 5, 2026
Agenda Item:	Discussion and Possible Action to Authorize Further Development of a Proposed Restroom and Concession Facility on City-Owned Property at Moraine View Park.
Staff Contact (name, email, phone):	Kevin Boehm, kboehm@whitewater-wi.gov, 262-473-0122

BACKGROUND
(Enter the who, what when, where, why)

The Whitewater Youth Soccer Club is pursuing a proposed public restroom and concession facility at Moraine View Park. The project would provide permanent restrooms for park users and athletic programs, with a potential concession component funded through partnerships and fundraising.

The City's adopted 2026-2031 Parks and Recreation Open Space Plan identifies a restroom and concession building at Moraine View Park as an immediate priority for 2026-2027. The City has an existing five-year Facility Use Agreement with the Soccer Club. Preliminary plans have been reviewed by Strand Associates, with an estimated overall project cost of approximately $635,000.

Council authorization of the proposed project concept and its location on City-owned park property would allow staff and project partners to pursue grants, fundraising, and other funding opportunities. This action would not authorize construction to begin or approve final plans, contracts, or new City expenditures.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS
(Dates, committees, action taken)

On October 21, 2026, the Parks and Recreation Advisory Board approved the concept of a proposed restroom and concession facility on City-owned property at Moraine View Park and recommended that the matter proceed to the Common Council for consideration.

FINANCIAL IMPACT
(If none, state N/A)

The preliminary project estimate is approximately $635,000. The City has previously identified $100,000 in CIP funding toward the project. The Soccer Club is pursuing fundraising and donations, and the City may pursue grant funding, including the Land and Water Conservation Fund. No additional City funding or expenditure authorization is requested at this time. Any future funding commitment would require separate approval.

STAFF RECOMMENDATION

Staff recommends that the Common Council authorize continued development of the proposed public restroom and potential concession facility at Moraine View Park on City-owned property for purposes of grant applications, fundraising, and project planning.

This is conceptual site authorization only. It does not authorize commencement of construction, approval of final design or a construction contract, or any additional City financial commitment. Any concession component, funding arrangement, maintenance obligations, and agreement governing revenues and use would require subsequent Council consideration.

RESOLUTION NO. 2026-R-64

A RESOLUTION AUTHORIZING CONTINUED DEVELOPMENT OF A PROPOSED RESTROOM AND CONCESSION FACILITY ON CITY-OWNED PROPERTY AT MORAINE VIEW PARK

WHEREAS, the Whitewater Youth Soccer Club has proposed a restroom and concession facility at Moraine View Park to serve park visitors and athletic programs; and,

WHEREAS, the City's adopted 2026-2031 Parks and Recreation Open Space Plan identifies the proposed improvement at Moraine View Park; and,

WHEREAS, on October 21, 2026, the Parks and Recreation Advisory Board supported the project concept and recommended its consideration by the Common Council; and,

WHEREAS, authorization of the proposed use of City-owned property will assist staff and project partners in pursuing grants, fundraising, and other potential funding sources;

NOW, THEREFORE BE IT RESOLVED, That the Common Council of the City of Whitewater supports the proposed restroom and concession facility at Moraine View Park and authorizes staff and project partners to continue project planning and pursue grant applications, fundraising, and other funding opportunities for construction on City-owned park property.

BE IT FURTHER RESOLVED, That this authorization does not approve final construction plans, award a construction contract, authorize commencement of construction, or commit additional City funds. Any such approvals shall be considered separately by the Common Council.

Resolution was introduced by Council Member _____, who moved for its adoption.

Seconded by Council Member _____.

CITY OF WHITEWATER

City of WHITEWATER	Council Agenda Item
Meeting Date:	November 5, 2026
Agenda Item:	Resolution to Amend F.D. Union Agreement
Staff Contact (name, email, phone):	Steven T. Chesebro, schesebro@whitewater-wi.gov, 262-458-2780

BACKGROUND
(Enter the who, what, when, where, why)

The City of Whitewater and Whitewater Fire Department Local 580 are parties to a collective bargaining agreement dated August 26, 2026, covering employees in the City's fire service bargaining unit. The agreement adjusted pay rates for 2026 – 2028 for firefighter employees. Firefighters who are part of the union did not receive a pay raise in 2025 due to ongoing negotiations. The original expectation was that the union agreement would have incorporated that 2025 pay raise into it. It was not included due to how long into 2026 it took to finalize the agreement. The proposed Addendum provides qualifying current bargaining-unit employees with a one-time retroactive wage adjustment for eligible compensable time worked from January 1 through December 31, 2025.

Under the Addendum, an employee is eligible if the employee was represented by Local 580 when the applicable compensable time was worked, worked compensable time for the City during the retroactive payment period, and remains employed by the City in a bargaining-unit position when the Addendum is last signed, including while on an approved leave of absence.

The proposed adjusted 2025 hourly rates are as follows:

Classification	**2025 Hourly Rate**	**New 1/1/25 – 6/30/25 Hourly Rate**	**New 7/1/25 – 12/31/25 Hourly Rate**
Firefighter/EMT	$17.519	$17.782	$18.049
Firefighter/AMET	$20.605	$20.914	$21.228
Firefighter/Paramedic	$22.665	$23.005	$23.350

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS
(Dates, committees, action taken)

The Council budgeted the Fire Department's union employees wages in 2025 at the new rates in anticipation of the rates being changed in 2025 upon adoption of the union agreement. As the union agreement was not adopted in 2025, but instead in 2026, the funds have remained a budgeted expense in the fire department's budget.

FINANCIAL IMPACT
(If none, state N/A)

It is anticipated this will result in a total cost of $13,537.00 spread among nine employees within the fire department who were employed by the fire department in 2025 and continue to work for the fire department as of drafting this memo. This amount is less than was originally budgeted for the pay increase of Fire department union members in 2025 and can be absorbed by the existing salary expense within the fire department's budget.

STAFF RECOMMENDATION

Staff recommends approval of the Resolution as presented.

ATTACHMENT(S) INCLUDED
(If none, state N/A)

1. Addendum to IAFF AFL-CIO Local 580 Union Agreement
2. Resolution _____

RESOLUTION NO. _____

A RESOLUTION TO AMEND THE FIRE DEPARTMENT UNION AGREEMENT

WHEREAS, the City entered into a union agreement with Local 580 of the International Association of Fire Fighters, AFL-CIO, CLC on August 26, 2026, which set the pay rates for 2026 – 2028 for the fire department union employees.

WHEREAS, the fire department employees did not receive a pay increase in 2025 due to ongoing union negotiations; and,

WHEREAS, the City intended for the fire department employees to have received the same pay increase as all other City employees in 2025

NOW, THEREFORE BE IT RESOLVED, That the Common Council of the City of Whitewater authorizes the appropriate city officials to negotiate and enter into the amendment to the Union Agreement a copy of which is attached hereto as Exhibit A.

Resolution was introduced by Council Member _____, who moved for its adoption.

ADDENDUM TO IAFF AFL-CIO LOCAL 580 UNION AGREEMENT

This Addendum to the Union Agreement (this "Addendum") is entered into by and between City of Whitewater, Wisconsin hereinafter referred to as the "Employer" or "City", and Local 580 of the International Association of Fire Fighters, AFL-CIO, CLC, hereinafter, on behalf of the bargaining unit employees it represents hereinafter referred to as the "Union". The Employer and the Union are referred to collectively as the "Parties."

Recitals

A. The Parties are parties to that certain Agreement, dated August 26, 2026, covering employees in the Employer's fire service bargaining unit (the "Collective Bargaining Agreement").

B. The Parties desire to provide eligible current employees with a one-time payment equal to the difference between the hourly rates actually paid to those employees and the applicable new hourly rates identified in this Addendum for compensable time worked during the period beginning January 1, 2025, and ending December 31, 2025.

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

Article 1 — Definitions

I. New 2025 Hourly Rate. "New 2025 Hourly Rate" means the hourly rate specified below for the classification and, if applicable, rank, step, or assignment held by an Eligible Employee when the compensable time was worked:

Classification	2025 Hourly Rate	1/1/25 – 6/30/25 Hourly Rate	7/1/25 – 12/31/25 Hourly Rate
FF/EMT	$17.519	$17.782	$18.049
FF/AEMT	$20.605	$20.914	$21.228
FF/Para	$22.665	$23.005	$23.350

II. Eligible Employee. "Eligible Employee" means an employee who:

A. Was included in the bargaining unit represented by the Union when the applicable compensable time was worked;

B. Worked compensable time for the Employer during the Retroactive Payment Period; and

C. Remains employed by the Employer in a bargaining unit position on the date this amendment is last signed, including an employee then absent on an approved leave of absence.

III. Paid Hourly Rate. "Paid Hourly Rate" means the base hourly rate actually paid to an Eligible Employee for the applicable compensable time, excluding overtime premiums, assignment premiums, longevity pay, stipends, reimbursements, and other supplemental compensation, except to the extent the Collective Bargaining Agreement expressly treats such compensation as part of the employee's base hourly rate.

IV. Retroactive Payment Period. "Retroactive Payment Period" means the period beginning at 12:00 a.m. on January 1, 2025, and ending at 11:59 p.m. on December 31, 2025.

V. One-Time Payment. "One-Time Payment" means the payment calculated under Article 2 of this Addendum.

Article 2 — One-Time Payment

I. Payment Obligation. Subject to the terms of this Addendum, the Employer shall pay each Eligible Employee a One-Time Payment equal to the aggregate difference between the employee's Paid Hourly Rate and the employee's Applicable New Hourly Rate for all compensable time actually worked by the employee during the Retroactive Payment Period.

II. Calculation. The Employer shall calculate each Eligible Employee's One-Time Payment as follows:

A. For each hour of compensable time paid at straight time, the Employer shall multiply the number of hours worked by the difference between the Applicable New Hourly Rate and the Paid Hourly Rate.

B. For each hour of compensable time paid at an overtime or other premium-rate multiplier, the Employer shall multiply the number of hours worked by the difference between the Applicable New Hourly Rate and the Paid Hourly Rate and then apply the same multiplier that applied when the work was performed.

C. If an Eligible Employee changed classifications, ranks, steps, assignments, or base hourly rates during the Retroactive Payment Period, the calculation shall be performed separately for each period using the classification, rank, step, assignment, and Paid Hourly Rate applicable when the compensable time was worked.

D. The separate amounts calculated under this Section shall be added together to determine the employee's gross One-Time Payment.

III. Compensable Time Covered. The calculation shall include all hours actually worked during the Retroactive Payment Period for which the Eligible Employee was entitled to compensation, including regular hours, overtime hours, callback hours, holdover hours, Vacation, sick leave, holiday leave, compensatory time used, and other hours actually worked and compensated under the Collective Bargaining Agreement.

IV. **Excluded Time and Compensation.** Unless otherwise required by the Collective Bargaining Agreement, the One-Time Payment shall not be calculated on:

- **A.** Unpaid leave or other noncompensable time;
- **B.** Reimbursements, allowances, stipends, lump-sum payments, or other payments not based on hours actually worked; or
- **C.** Any hours worked outside the Retroactive Payment Period.

V. **No Negative Adjustment.** If an Eligible Employee's Paid Hourly Rate for any compensable time was equal to or greater than the Applicable New Hourly Rate, no amount shall be due for that time, and no negative amount shall be used to reduce the employee's One-Time Payment.

VI. **No Duplicate Payment.** Amounts previously paid to an Eligible Employee as a retroactive wage adjustment for the same compensable time and attributable to the same difference in hourly rates shall be credited against the One-Time Payment to prevent duplicate payment.

Article 3 — Payment Administration

I. **Payment Date.** The Employer shall pay the One-Time Payment no later than December 4, 2026, provided all approvals identified in Article 6 have been completed.

II. **Payment Method and Statement.** The One-Time Payment shall be made through the Employer's regular payroll system. The Employer shall provide each Eligible Employee with a wage statement identifying the gross amount of the One-Time Payment and all applicable deductions.

III. **Withholding and Deductions.** The One-Time Payment constitutes wages and shall be subject to all applicable payroll tax withholdings, employee benefit contributions, retirement contributions, garnishments, and other deductions required or authorized by law or the Collective Bargaining Agreement.

IV. **Benefit and Retirement Treatment.** The One-Time Payment shall be treated for benefit, pension, and retirement purposes in accordance with the Collective Bargaining Agreement and the requirements and determinations of the applicable benefit or retirement plan administrator.

V. **Payroll Records.** The Employer shall use its payroll and timekeeping records to determine each Eligible Employee's classification, Paid Hourly Rate, compensable hours worked, applicable premium multipliers, and resulting One-Time Payment.

VI. **Calculation Questions.** An Eligible Employee who believes the One-Time Payment was calculated incorrectly may submit a written request for review to the Finance Department within 14 calendar days after receiving the payment. The request must identify the alleged discrepancy with reasonable specificity. Any unresolved dispute concerning the interpretation or application of this Addendum shall be subject to the grievance and arbitration procedure in the Collective Bargaining Agreement.

Article 4 — Limited Scope

I. **One-Time Payment Only.** The payment provided by this Addendum is a one-time retroactive wage adjustment for the Retroactive Payment Period. Except as expressly stated in this Addendum or otherwise agreed by the Parties in writing, this Addendum does not establish or modify wage rates for work performed before January 1, 2025, or after December 31, 2025.

II. **No Guarantee of Payment Amount.** No Eligible Employee is guaranteed a minimum payment. The amount payable to each Eligible Employee shall depend on the employee's compensable time worked, Paid Hourly Rate, Applicable New Hourly Rate, and applicable premium-rate multipliers during the Retroactive Payment Period.

III. **No Modification of Hours.** This Addendum does not alter the Parties' treatment of hours worked, overtime eligibility, work periods, schedules, paid leave, or premium compensation under the Collective Bargaining Agreement, except that the Applicable New Hourly Rate shall be used to calculate the One-Time Payment as expressly provided herein.

IV. **No Precedent.** This Addendum addresses the specific one-time payment described herein and shall not establish a binding past practice or precedent concerning future wage adjustments, retroactive payments, eligibility requirements, or bargaining proposals.

Article 5 — Relationship to Collective Bargaining Agreement

I. **Incorporation.** This Addendum is incorporated into and made part of the Collective Bargaining Agreement.

II. **Continuing Effect.** Except as expressly modified by this Addendum, the Collective Bargaining Agreement remains unchanged and in full force and effect.

III. **Conflict.** If a provision of this Addendum conflicts with a provision of the Collective Bargaining Agreement concerning the calculation or payment of the One-Time Payment, this Addendum shall control solely with respect to that conflict.

IV. **Entire Agreement on One-Time Payment.** This Addendum constitutes the Parties' entire agreement concerning the One-Time Payment and supersedes all prior or contemporaneous oral or written discussions, proposals, and understandings concerning that payment.

V. **No Waiver.** Nothing in this Addendum waives any right of the Employer, the Union, or any bargaining unit employee under the Collective Bargaining Agreement, except to the limited extent expressly stated herein.

Article 6 — Approval and Effective Date

I. **Required Approvals.** This Addendum is subject to approval by Common Council and ratification or approval by the Union.

II. **Effective Date.** This Addendum shall become effective on the date it has been signed by all authorized signatories following completion of the approvals described in Section I of this Article (the "Effective Date").

III. **Authority.** Each individual signing this Addendum represents that the individual is duly authorized to execute it on behalf of the Party identified below.

Article 7 — Miscellaneous

I. **Governing Law.** This Addendum shall be governed by and construed in accordance with the laws of the State of Wisconsin.

II. **Severability.** If any provision of this Addendum is determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect, and the Parties shall meet promptly to negotiate a valid provision that most closely effectuates their original intent.

III. **Counterparts and Electronic Signatures.** This Addendum may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument. Signatures transmitted or applied electronically shall have the same force and effect as original signatures.

AN ORDINANCE AMENDING CHAPTER 7.04 CODE OF ETHICS TO CREATE DISCLOSURES OF FINANCIAL AND ECONOMIC INTERESTS AND REVISING THE PROCESS FOR REVIEWING ETHICS COMPLAINTS.

WHEREAS, this ordinance was reviewed by the Ethics Board and is recommended for adoption by said committee; and,

WHEREAS, the Common Council has expressed an interest in requiring disclosures of financial and economic interests by all parties who may have a conflict of interest; and,

WHEREAS, the City has had difficulty in convening an ethics board without conflicts of interest to timely address ethics complaints in the past.

The Common Council of the City of Whitewater, Walworth and Jefferson Counties, Wisconsin, does ordain as follows:

SECTION 1: Whitewater Municipal Code Section 7.04.020 is hereby amended to read as follows:

7.04.020 Definitions.

As used in this chapter:

(a) "~~Public employee~~ Employee" means any person excluded from the definition of a public officer who is employed by the city.

(b) "Financial interest" means any interest which shall yield, directly or indirectly, a monetary or other material benefit to the officer or employee or to any person employing or retaining the services of the officer or employee.

(c) "Official" means all city officers as defined in Section 62.09 under Wisconsin Statutes and all members of boards and commissions and agencies established or appointed by the city manager or common council, whether paid or unpaid.

(d) "Personal interest" means any interest arising from blood or marriage relationships or from close business or political associations, whether or not any financial interest is involved.

(e) "Person" means any person, corporation, partnership or joint venture.

(f) "Official required to file" means the following individuals:

i. Common Council Members

ii. Municipal Judge

iii. Members of any Board, Committee, or Commission created by a City of Whitewater resolution or ordinance.

iv. City Manager

v. Chief of Staff

vi. City Attorney or any Deputy or Assistant City Attorney

vii. Community Development Director

viii. Economic Development Coordinator

ix. Director of Finance and Administrative Services

x. Comptroller or Payroll/AP Technician

xi. Clerk of Courts

xii. Library Director and Assistant Director

xiii. Department of Public Works Director

xiv. IT Director

xv. Parks and Recreation Director

xvi. Fire Chief

xvii. Police Chief

xviii. Water Superintendent

xix. Streets, Parks & Forestry Superintendent

xx. Wastewater Superintendent

xxi. Any position created on or after October 20, 2026 within the City of Whitewater which has responsibilities or exercises discretion in a similar manner as any of the above positions.

SECTION 2: Whitewater Municipal Code Subsection 7.04.070(b) is hereby amended to read as follows:

Specific Conflicts Enumerated.

(1) ~~Incompatible~~ Employment. No official or employee shall engage in or accept private employment or render service for private interest when such employment or service is incompatible with the proper discharge of official duties or would tend to impair independence of judgment or action in the performance of official duties, unless otherwise permitted by law and unless disclosure is made as hereinafter provided.

(2) Contracting. An official or employee of a business in which an official or employee holds a 10% or greater interest, may not enter into a contract with the City involving a payment or payments of more than $1,000.00 within a 12-month period unless the official or employee has made a written disclosure of the nature and extent of such relationship or interest to the City Clerk and reported such interest to the Common Council. Further, pursuant to Section 946.13, Wis. Stats., an official or employee is prohibited from participating in the formation of a contract or contracts with the City of Whitewater involving the receipts or disbursements of more than $1,000.00 in any year.

(3) Gifts and Favors.

(A) No official or employee shall accept any gift whether in the form of service, loan, thing or promise, from any person which may tend to impair his independence of judgment or action in the performance of his duties or grant in the discharge of his

duties any improper favor, service or thing of value. EXCEPTION: Advertising or promotional items having a value of ten dollars or less per gift shall be exempt.

(B) No official or employee may solicit or accept, either directly or indirectly, from any person or organization, money or anything of value if it could reasonably be expected to influence the employee's official actions or judgments or be considered a reward for any action or inaction on the part of the official or employee.

(C) An official or employee is not to accept hospitality if, after consideration of the surrounding circumstances, it could reasonably be concluded that such hospitality would not be extended were it not for the fact that the guest, or a member of the guest's immediate family, was a city official or employee. Participation in celebrations, grand openings, open houses, informational meetings and similar events are extended from this prohibition. This paragraph further shall not be construed to prevent candidates for elective office from accepting hospitality from citizens for the purpose of supporting the candidate's campaign.

(D) Gifts received by an official or employee under unusual circumstances should be referred to the ethics board within ten days of receipt for recommended disposition.

SECTION 3: Whitewater Municipal Code Subsection 7.04.070(d) is hereby amended to read as follows:

(d) Disclosure of Interest in Legislation.

(1) Any member of the common council who has a financial interest or personal interest in any proposed legislation before the common council, shall disclose on the records of the common council, the nature and extent of such interest and shall refrain from participating, in the discussion of and/or voting on such action. A member of the Common Council shall request to be excused by the Common Council or committee chairperson for the duration of any deliberations concerning such action in which the member has a financial interest.

(2) A member of a City board, commission, or committee who has a financial interest in any proposed action before the board, commission, or committee on which said member serves, shall disclose the nature to the board, committee, or commission prior to or during the initial discussion of such action and shall refrain from participating in any discussions, deliberations, and/or voting on such action. The members shall request to be excused by the committee, commission, or board or its chairperson for the duration of any discussions, deliberations, or voting concerning the action in which the member has a financial interest.

(3) Any other official or employee who has a financial interest or personal interest in any proposed legislative action of the common council or any board, commission or committee upon which the official or employee has any influence or input or of which the official or employee is a member that is to make a recommendation or decision upon any item which is the subject of the proposed legislative action shall disclose on the records of the common council or the appropriate board, commission or committee the nature and extent of such interest.

SECTION 4: Whitewater Municipal Code Subsection 7.04.070(e) is hereby created to read as follows:

(e) Disclosure of Financial and Economic Interests

(1) For the purpose of this section, reporting may occur via Economic Disclosure forms (e.g. ETH-1, ETH-1A, ETH-2, & ETH-3) provided by the Wisconsin Ethics Commission.

(2) Each individual who on January 1 of any year is an official required to file, and who is an official required to file for at least 14 days of that year shall file with the Municipal Clerk, or their designee, no later then January 31 of that year a statement of economic interests meeting the requirements of Wis Stat. §19.44(1), §19.44(2), §19.44(3), and §19.44(4). The information shall be current as of December 31 of the preceding year.

(3) An official required to file shall file with the Municipal Clerk, or their designee, a statement of economic interests meeting each of the requirements of Wis Stat. §19.44(1), §19.44(2), §19.44(3), and §19.44(4) no later than 30 days following the date they assume office if the official has not previously filed a statement of economic interests with the clerk during that year. The information on the statement shall be current as the date they assume office.

(4) Each individual who is an official required to file shall file with the Municipal Clerk, or their designee, a statement of economic interests meeting each of the requirements of s. 19.44 (1) no later than 30 days following the date on which the individual's term of office ends or the individual leaves the office. The information contained on the statement shall be current as of the date on which the individual's term of office ends or the individual leaves the office. An individual who files a statement as provided under this subsection is not required to file another statement of economic interests until such time as the individual again becomes an official required to file.

(5) An official required to file shall file with the Municipal Clerk, or their designee, a statement of economic interests meeting each of the requirements of §19.44(1), §19.44(2), §19.44(3), and §19.44(4) no later than 60 days following the adoption of 7.04.070(e), if the official has not previously filed a statement of economic interests with the clerk during that year. The information on the statement shall be current as the date they file the statement.

(6) All annual disclosure reports shall be provided to council as an agenda item no later than March 31 of each year. Any such disclosures the result of 7.04.070(e)(3), 7.04.070(e)(4), or 7.04.070(e)(5) shall be included as an agenda item no later than 30 days after the Municipal Clerk, or their designee's, receipt of the disclosure.

SECTION 5: Whitewater Municipal Code Section 7.04.076 is hereby created to read as follows:

7.04.076 Advisory Opinions Provided by City Attorney

Any person covered by this subchapter as provided in 7.04.020(c) may request of the City Attorney and advisory opinion regarding the propriety of any matter to which the person

is or may become a party. The City Attorney shall review such a request for an advisory opinion and may advise the person making the request. Advisory opinions and requests, therefore, shall be in writing and shall state all material facts. It shall be prima facie evidence of intent to comply with this subchapter when a person refers a matter to the City Attorney and abides by the advisory opinion if the material facts are as stated in the opinion request. Records of the City Attorney's opinions, opinions requests and investigations of violations shall be closed to public inspection as required by Chapter 19, Wis. Stats. Except as provided by Section 19.59(5)(b), Wis. Stats., the City Attorney shall not make public the identity of any person requesting an advisory opinion or of persons or organizations mentioned in the opinion.

SECTION 6: Whitewater Municipal Code Section 7.04.080 is hereby amended to read as follows:

7.04.080 Ethics Board.

(a) At anytime an ethics complaint is received and a fact finding hearing is necessary ~~There is hereby created~~ an Eethics Bboard to consist of five members and one alternate, all residents of the city shall be empaneled. Elected officials or employees will not be eligible for appointment on the Ethics Board. The city manager shall provide necessary staff assistance to the board. The city attorney shall routinely furnish the board whatever legal assistance is necessary to carry out its functions. However, if a possible, apparent, or actual conflict of interest involving the city attorney should occur, legal counsel shall be furnished the board through the city manager's appointment of other legal counsel after consultation with the chair of the ethics board.

(b) The members of the ethics board shall be ~~appointed by the city manager subject to confirmation by the Common Council.~~ selected by the City Clerk randomly drawing 11 names from all individuals who serve on any committee, board, or commission of the City removing any person related to the complainant or respondent or who serves on a committee with the parties or any other known conflicts. The 11 names will then be provided to the complainant and respondent who shall each strike 2 names so that seven are empaneled. The first five names drawn that remain after the strikes are completed shall comprise the board, and the remaining two individuals shall be alternates should any of the five be conflicted out for unknown reasons or unavailable during the fact finding hearing. Terms of office shall be until the matter is resolved. ~~three years except that when the initial appointments are made, one member shall be appointed for one year, two for two years, and two for three years. The term of the alternate shall be for three years, except that the initial appointment shall coincide with the ending of the terms of the emmber appointed for one year.~~

(c) The ethics board shall elect its own chair, vice-chair and secretary. ~~and shall develop written rules of procedure which shall be filed with the City Clerk.~~

(d) The ethics board may make recommendations to the Common Council with respect to amendments to the code of ethics ordinance.

SECTION 7: Whitewater Municipal Code Section 7.04.090 is hereby amended to read as follows:

7.04.090 ~~Duties of the ethics board.~~ Ethics Complaints.

(a) Upon receipt at the City Clerk's office of a notarized complaint in writing, which shall state the name of the elected or appointed official or employee alleged to have committed a violation of this chapter and which shall set forth the particulars thereof, the C~~e~~ity C~~e~~lerk or designee shall distribute a copy of the complaint along with a copy of the code of ethics ordinance to the respondent within ten working days (i.e., Monday through Friday, excluding holidays). The C~~e~~ity C~~e~~lerk or designee also shall send a copy of the complaint to ~~each member of the ethics board~~ the City Attorney. The information contained in the verified complaint shall be kept confidential until a proper disposition of the case occurs.

(b) ~~The board shall meet in closed session and~~ Within 5 business days of receiving the Complaint the City Attorney shall determine whether the complaint, if true, may constitute a violation of the chapter. If ~~four or more of the members of the board vote to dismiss the verified complaint, a formal dismissal action adopted in open session shall~~ the allegations in the complaint do not allege any violations, the City Attorney shall draft a letter dismissing the complaint within 15 days of receiving the complaint. A copy of the letter shall be filed with the City Clerk and ~~a copy~~ sent to the complainant and the respondent. If the matter is not dismissed, the action shall proceed as provided in subsection (c) of this section.

(c) If the action is not dismissed under subsection (b) of this section, the ~~board~~ City Attorney shall make a preliminary investigation~~s~~ with respect to the alleged violation of the ethics chapter. The preliminary investigation shall include an opportunity for the respondent to file a written response to the allegations. No preliminary investigation of the activities of any elected or appointed official or employee may be initiated unless such official or employee is notified in writing. The notice shall state the nature and purpose of this preliminary investigation. Information gathered during the preliminary investigation shall be kept confidential until a ~~finding is made by the board~~ proper disposition of the case occurs.

(d) If, after the preliminary investigation, ~~three or more of the members of the board vote in open session that no probable cause exists, the board shall issue a formal finding to that effect and dismiss the case.~~ the City Attorney determines that no probable cause exists that the alleged violation occurred, the City Attorney shall prepare a report outlining the investigation that occurred and the reason for dismissing the complaint. A copy of the formal finding shall be filed with the city clerk and a copy distributed to the complainant and the respondent.

~~(e) If the board is unable to come to a conclusion o n the subject of probable cause due to abstentions or the voting of "present," the board shall have further discussion and vote again. If the stalemate continues, the board shall treat it as a dismissal and proceed as in subsection (d) of this section.~~

(~~f~~e) If, after the preliminary investigation, ~~three or more of the members of the board vote~~ the City Attorney determines that there is probable cause that a violation took place, ~~the board~~ the City Attorney shall file formal findings to that effect with the City Clerk and request the City Clerk

empanel an Ethics Board to ~~proceed toward the~~ conduct ~~of~~ a fact-finding hearing. ~~The vote shall be taken in open session.~~

(~~g~~f) In the case of a probable cause finding, the ~~board~~ City Clerk shall send a notice of due process rights and a notice of hearing on the matter to the respondent. The complainant shall also be notified of the hearing.

(~~h~~g) The ~~board~~ Ethics Board shall then conduct a hearing on the verified complaint, which hearing shall be held not more than thirty days after such finding of probable cause. The board shall give the respondent at least twenty days notice of the hearing date. Such hearings shall be at open session unless the respondent petitions for a hearing closed to the public. The rules of ~~criminal~~ evidence under Wis. Stat. Sec. 227.45 shall apply to such hearings. All evidence considered by the board, including certified copies of records and documents, shall be fully offered and made part of the record. Every party shall be afforded adequate opportunity to rebut or offer countervailing evidence.

(~~i~~h) During all stages of the proceeding conducted under this section, the elected or appointed official or employee whose activities are under investigation shall be entitled to be represented by counsel of ~~his or her~~ their own choosing.

(~~j~~i) The respondent or ~~his/her~~ their attorney shall have an opportunity to examine all documents and records to be used at the hearing under subsection (g) of this section at a reasonable time before the date of the hearing; as well as during the hearing, to bring witnesses, to establish all pertinent facts and circumstances, and to question or refute any testimony or evidence, including opportunity to confront and cross-examine adverse witnesses.

(~~k~~j) The Ethics B~~b~~oard shall have the power to compel the attendance of witnesses and to issue subpoenas granted other boards and commissioners under Section 885.01(3) of the Wisconsin Statutes.

(~~l~~k) Determination. Upon conclusion of the hearing the board shall make a decision agreed to by at least four members. It shall file the decision in writing within ten working days after the vote, signed by at least four participating board members stating findings of fact, conclusions of law concerning the propriety of the conduct of the elected or appointed official or employee, and if appropriate, referring the matter to the city council or other proper authority with a recommendation for censure or other disciplinary action. A member of council censured may be subject to recall pursuant to Section 9.10, Wisconsin Statutes, or any other legal process authorized by law. If four or more members are not able to reach an agreement, the complaint shall be dismissed.

(l) Should the Complaint allege violations of this chapter by the City Attorney, the City Manager shall fulfill the responsibilities of the City Attorney under this Section. Should the Complaint allege violations of this chapter by the City Manager, the Common Council President shall fulfill the responsibilities of the City Attorney under this Section.

SECTION 8: All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 9: Section 4 of this Ordinance shall take effect and be in force as of January 1, 2027 and notice shall be provided to all Official's required to file, of their obligations under this ordinance with a copy of an approved form for filing.

SECTION 10: Sections 1 – 3, and 5 – 8 of this Ordinance shall take effect and be in force as of the day after its passage and publication.

This Ordinance was introduced by Council Member _____, who moved its adoption.

Seconded by Council Member _____.

City of WHITEWATER	Council Agenda Item
Meeting Date:	11/05/2026
Agenda Item:	Immigration Liaison
Staff Contact (name, email, phone):	Dan Meyer dmeyer@whitewater-wi.gov 262-473-1371

BACKGROUND
(Enter the who, what when, where, why)

The posting for an Immigration Liaison position yielded no qualified applicants even after extending the timeline of the posting. Human Resources staff received one applicant, but based on the submitted application materials, the applicant did not meet the minimum qualifications of the position and did not respond when we reached out. With no qualified applicants, we are unable to move forward with filling to position currently.

The grant manager confirmed that we do have the ability to request a revision to the funding request. One option discussed was potentially requesting that the funding be reallocated for contracting services of an immigration attorney. It is recognized that some of the expected benefits of an Immigration Liaison such as community safety, trust building, and outreach may be challenging to emphasize. However, an immigration attorney could be utilized to hold educational seminars focusing on business formation and creation of forms and documents that could be utilized beyond their contracted term which would still address the underlying goal of the grant funding to reduce poverty. We are requesting direction from the Council on how to move forward at this point.

On September 1, 2026, the City of Whitewater received the Notice of Award for FY26 Congressionally Directed Community Projects funds from the Department of Health and Human Services - Administration for Children and Families (ACF). The $85,000 federal grant will be used to fund an LTE Immigration Liaison position. The position will be supervised by the City Attorney, and anticipated duties are listed in the attached job description.

The following timeline is expected for the hiring process:

- Applications due: October 7, 2026
- Interviews: October 13-16, 2026
- Anticipated hire date: November 2, 2026

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS
(Dates, committees, action taken)

06/02/2026: Council was provided with the grant application guidance document and preliminary plan.
10/14/2026: Immigration Liaison posting yielded no qualified applicants.

Terms and Conditions

1. STANDARD TERMS

This award is subject to the requirements listed in the terms and conditions. The use of Federal funds from this award constitutes the grantee's acceptance of the listed terms and conditions. The electronic copy of Award Terms and Conditions to support this program can be found on the website at:

https://acf.gov/grants/manage-grant/grant-award/award-terms

AWARD CONDITIONS

Required Alignment with ACF Vision, Mission, Values, Priorities and Guiding Principles

The recipient of this award must implement any funds awarded under this NOA to effectuate program goals or agency priorities in accordance with the ACF's vision, mission, values, priorities, & guiding principles (**https://acf.gov/about/acf-vision-mission-values**) when authorized. Funded activities must advance ACF's vision of resilient, safe, healthy, and economically secure children, youth, families, and communities, and support ACF's mission to foster health and well-being through effective, accountable, and compassionate human services when awarded in any programs that authorize these priorities.

Consistent with ACF's values, in carrying out any project that is funded under this NOA, the recipient is required to adhere to the following principle:

Program Integrity and Fiscal Stewardship: Administer funds in accordance with all applicable federal statutes, regulations, and award conditions; maintain strong internal controls; and prevent waste, fraud, and abuse.

The recipient is also required to adhere to the following principles when consistent with the authority and scope of the award and its activities:

1. **Evidence-Based and Outcome-Focused Practices**: Design and deliver services using evidence-based or evidence-informed approaches, establish measurable performance goals, and use data to monitor outcomes and drive continuous improvement.

2. **Partnership and Local Leadership**: Coordinate with state, tribal, territorial, local, and community partners, as appropriate, and tailor services to meet community-identified needs while respecting local decision-making authority.

In addition, in keeping with ACF's priorities, the recipient must administer any project that is awarded under this NOA in accordance with the following objectives when consistent with the scope of the award and its activities in programs that are authorized to advance them:

3. **Family Stability and Child Well-Being**: Strengthen families, promote safe and stable home environments, and improve outcomes for children and youth through prevention-focused and developmentally appropriate services.

4. **Work, Self-Sufficiency, and Economic Mobility**: Support pathways to employment, job retention, and economic independence for individuals and families, including through workforce development, education, and supportive services.

5. **High-Quality Early Care and Learning**: Where applicable, invest in high-quality early childhood programs that support school readiness, healthy development, and long-term success.

The recipient must demonstrate ongoing compliance with these values and priorities, in all programs that are authorized to advance them, through program design, implementation, reporting, and evaluation. Failure to meaningfully align funded activities with the applicable requirements may result in corrective action, additional reporting requirements, or other enforcement actions consistent with federal grant regulations found at 2 C.F.R. Part 200 and the terms and conditions of this award.

Instructions for Requesting Payment of Federal Awards

This award will be paid through the Department of Health and Human Services, Payment Management Services, formerly known as the Division of Payment Management, operating under the Program Support Center (PSC). The PSC provides automated grant payment and cash management services from grants issued by Federal Government Awarding Agencies. PSC operates the centralized payment system, Payment Management System (PMS), acts as a liaison between the Administration for Children and Families to resolve any discrepancies. For additional information, please visit their Website at https://pms.psc.gov/.

If this is your first award paid through the Payment Management System, it is recommended that you review the information provided at https://pms.psc.gov/. The Grant Recipients information section provides basic information and addresses both funding and reporting requirements necessary to receiving your awarded funds. All banking requests must include a copy of the SF-1199A Direct Deposit Sign-Up Form. You must complete and upload a new SF-1199A form for each banking request. It is mandatory that all new recipients obtain access to the Payment Management system prior to providing your banking information (see Access -New User Request). If you already have access to the Payment Management System you will need to submit a request to update your privileges in PMS to add the role "add/update banking" (see Access - Make Changes) prior to submitting banking information.

The Payment Management System is a web-based system, and funds are electronically deposited into the designated bank account on the next business day. Funds may be drawn down as a reimbursement or to accommodate your immediate needs and must not be held in excess of three (3) working days. The payment method for state agencies shall be consistent with Treasury/State CMIA agreements or default procedures codified under 31 CFR Part 205. The PMS User Guide provides instructions on how you can obtain, change or deactivate access, withdraw funds and file your Federal Financial Report electronically in PMS.

Grantees are assigned to a PSC Liaison Accountant based on their organization type and geographic location. The liaison accountants will provide instructions on the procedures for receiving your funding and any reporting requirements in the Payment Management System. You can find the name and contact information for the Liaison Accountant that handles your account at https://pms.psc.gov/find-pms-liaison-accountant.html. If you have general questions or need a password reset, please contact their helpdesk at 1- 877-614-5533 or PMSSupport@pcs.hhs.gov or FAQs at the Self-Help Portal. The helpdesk is open Monday-Friday from 7a.m. to 9p.m. ET except for Federal Holidays.

ADMINISTRATION FOR
CHILDREN & FAMILIES
330 C Street, S.W., Switzer Building Washington, DC 20201

NOTICE TO ALL GRANT RECIPIENTS

SUBJECT: PROGRAMMATIC REPORTING REQUIREMENTS

Dear ACF Grant Recipient:

PROGRAMMATIC REPORTING

Recipients are required to submit their Program Progress Report (PPR) on a semi-annual or quarterly basis. If applicable, please refer to your Notice of Award (NOA) for any Award Conditions related to your grant. Recipients will upload their PPR in the new Performance Progress Report (PPR) tool in GrantSolutions. This new process will replace the prior process of uploading the PPR as a Grant Note.

Failure to submit reports when due will be indicative of non-compliance.

ADMINISTRATION FOR CHILDREN & FAMILIES
330 C Street, S.W., Switzer Building Washington, DC 20201

NOTICE TO ALL GRANT RECIPIENTS

SUBJECT: FINANCIAL MANAGEMENT REPORTING REQUIREMENTS

Dear ACF Grant Recipient:

FEDERAL FINANCIAL REPORTING

The Administration for Children and Families, Office of Grants Management (OGM) requires recipients to submit Federal Financial Report (SF-425) into a single reporting system, the HHS Payment Management System (PMS) as follows:

- **Semi-annual or quarterly** interim reports shall be submitted no later than 30 days after the end of each reporting period. The following reporting period end date for projects that have a 8/31 start date is 2/29 for the 1st semi-annual report.

- **Annual** reports shall be submitted no later than 90 days after the end of the budget period. Final reports shall be submitted no later than 90 days after the project or grant period end date. The Annual Federal Financial Report (SF-425) must reflect final accounting for the budget period and ensure that any cost share has been met in proportion to the amount of Federal funds expended. The Annual Federal Financial Report (SF-425) must reflect $-0- unliquidated obligations online 10(F). The Federal Financial Report (SF-425) and the Payment Management System (PMS) expenditures report for the reporting period must reconcile.

- **Final** reports shall be submitted no later than 120 days and must reflect cumulative totals for the entire project period, reflect $-0- unliquidated obligations on line I0(F) and ensure the cost share has been met proportionally.

Effective April 1, 2022, Department of Health and Human Services (HHS) grant recipients will no longer complete the quarterly Federal Cash Transaction Report (FCTR). Additional information is available.

Below is a table for Federal Financial Report (SF-425) submissions for PMS and ACF, using a semi-annual and frequencies 8/31- 8/30.

August 31 Start Date

Semi-Annual Reporting Period	**Report Due Date**
1st Reporting Period August 31 – February 29	March 31
2nd Semi-Annual Reporting Period March 1 – August 31	September 30
Annual (1 year) August 31 – August 30	November 30
Final (1+ year) August 31 – August 30	December 30

Every recipient should already have a PMS account to allow access to complete Federal Financial Report (SF-425). If your office needs additional user access, please contact your PMS Liaison Accountant found at: https://pms.psc.gov/find-pms-liaison-accountant.html.

Questions related to fiscal reporting and other administrative requirements should be directed to the assigned Grants Management Specialist identified in your Notice of Award.

Failure to submit reports when due will be indicative of non-compliance with award terms and conditions. The awarding agency reserves the right to withdraw obligational authority on any unobligated balance reported on the Annual Federal Financial Report (SF-425).

NOTICE TO ALL ACF GRANT RECIPIENTS

SUBJECT: NEW PROPERTY REPORTING REQUIREMENTS

STANDARD FORM -428 TANGIBLE

PERSONAL PROPERTY REPORTSTANDARD FORM -429 REAL PROPERTY STATUS REPORT

Dear ACF Grant Recipient:

Effective April 2013, the Administration for Children and Families began requiring the use of the SF-428 (Tangible Personal Property Form) as well as the SF-429 (Real Property Status Report).

Grantees are required to submit the SF-428 and SF-429 annually at the end of each budget period. The annual report must be non-cumulative, i.e. the report should cover one budget period only. In addition, a final SF-428 and SF-429 is due 90 days after the completion of the multi-year project period or any authorized extension of the project period as indicated on your Notice of Award. This final report must be cumulative covering all years of the grant term.

The SF-428 is a standard form used to collect information related to tangible personal property. The form consists of the cover sheet and three attachments to be used as required: Annual Report; Final (Award Closeout) Report and a Disposition Request/Report. A Supplemental Sheet, SF-428S, may be used to provide detailed individual item information.

The SF-429 is a standard report to be used by recipients of Federal financial assistant to report real property status (Attachment A) or to request agency instructions on real property (Attachments B, C) that was/will be provided as Government Furnished Property (GFP) or acquired (i.e. purchased or constructed) in whole or in part under a Federal financial assistance award (i.e. grant, cooperative agreement, etc.). This includes real property that was improved using Federal funds and real property that was donated to a Federal project in the form of a match or cost share donation. This report is used for awards that establish a Federal Interest on real property.

The SF-428 and SF-429 fillable forms are available at https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html

If not applicable, submission is not required.

NOTICE TO ALL ACF GRANT RECIPIENTS

SUBJECT: GRANTSOLUTIONS (GS)

Dear ACF Grant Recipient:

GS is an online grant management system that provides a venue for ACF and the Office of Grants Management (OGM) to electronically work with grantees to manage awards. It is a web-based system that is accessible through the internet.

Recipient User Account Request Form

Recipients must submit one form for each of the officially designated Authorizing Official (AO) and thePrincipal Investigator/Project Director (PI/PD) to receive login information. An account has already been set-up for the AO and PI/PD with the issuance of the NOA. However, you are required to submit the completed forms via GS for documentation and to ensure continued access.

Each user will receive two (2) auto-generated email from GrantSolutions; the first email will contain your Username, which the second email will contain your Password. The following is a direct link to the GrantSolutions system: https://home.grantsolutions.gov/home/

Once you have received your initial login, please fill out and sign the Grantee User Account Request Form and US Data Access Request/Security Compliance Statement and submit as a Grant Note using the following naming conventions:

Subject:	User Account Request Form
Category:	Other
Grant Note Type:	Correspondence

Information concerning GrantSolutions User Account Requests and the User Account Request form can be found in the following link: https://home.grantsolutions.gov/home/getting-started-request-a-user-account/

WHAT WE DO

The Office of Inspector General (OIG) fights waste, fraud, and abuse in Medicare, Medicaid, and more than 300 programs of the Department of Health and Human Services. The result? Taxpayer and patients save money; quality of health care is protected.

The Hotline processes tens of thousands of tips each year from HHS employees, seniors, health care providers, and others. Those tips, along with other OIG initiatives, result in:

- **Hundreds of enforcement actions annually**
- **Thousands of criminals excluded as providers from Federal health programs**
- **Billions levied in fines, penalties, and settlements**

REPORT FRAUD

Report fraud, waste, and abuse in HHS programs.

U.S. Department of Health and Human Services
Office of Inspector General

FRAUD

MEDICARE & MEDICAID FRAUD

Medicare and Medicaid provide health insurance to 1 in 3 Americans: the elderly, those with low incomes, and people with certain disabilities. The programs' sheer size makes them a **CRIMINAL TARGET**.

Types of Health Care Fraud and Abuse

- Billing for services, prescriptions, supplies, or equipment that were not needed or provided
- Submitting duplicate claims for the same service
- Charging for a more expensive or complex service than what was actually provided
- Billing a service as covered by Medicare or Medicaid—when it actually isn't
- Failing to meet quality of care standards, resulting in patient abuse and neglect
- Misrepresenting the service provided

FRAUD

GRANT OR CONTRACT FRAUD

Grant or contract fraud occurs when Federal funds are misused by those who receive them or when taxpayer dollars are awarded under **FALSE PRETENSES**.

Types of Grant or Contract Fraud

- Falsifying information in grant applications or contract proposals
- Using Federal funds to purchase items that are not for Government use
- Billing more than one grant or contract for the same work
- Billing for expenses not incurred as part of the grant or contract
- Billing for work that was never performed
- Falsifying test results or other data
- Substituting approved materials with unauthorized products

FRAUD

EMPLOYEE CRIMES & MISCONDUCT

HHS employees are expected to adhere to certain **STANDARDS OF CONDUCT**, which, if **VIOLATED**, could reflect poorly on the U.S. Department of Health and Human Services and on the Federal Government.

Types of Employee Crimes & Misconduct

- Stealing or embezzling Government property or money
- Mismanaging or wasting Federal funds extravagantly, carelessly, or needlessly
- Misusing Government property because of deficient practices, systems, or controls
- Soliciting or accepting gifts from outside sources
- Committing official or moral misconduct, on or off duty
- Influencing the award of a grant or contract to benefit a particular company, friend, or family member
- Violating conflict of interest standards
- Involving yourself in alleged or suspected situations
- Abusing authority
- Misusing Government time, equipment, or information

City of WHITEWATER

JOB DESCRIPTION

Title:	Immigration Liaison	**Department(s)**:	General Administration
Reports to:	City Attorney	**Location:**	Municipal Building
FLSA:	Non-Exempt	**Pay Grade:**	$42,000, benefit eligible
Shift:	Day, may attend evening meetings or events	**Status**:	Full-Time; Limited-Term (Grant Funded)
Bargaining Unit:	None	**Date:**	September 2026

JOB SUMMARY

The Immigration Liaison supports immigrant and newcomer residents by helping them access employment, small business opportunities, housing stability, City services, youth programs, public safety resources, and other community supports. The position strengthens trust between residents, City departments, and community partners, with special collaboration across Police, schools, housing providers, libraries, employers, and local nonprofits. The position identifies barriers to access, connects residents with appropriate resources, and supports City efforts to promote economic mobility, community inclusion, and public safety.

Limited-Term Position: This is a grant-funded, limited-term position anticipated to last up to one year. The duration of employment is dependent upon continued grant funding and program needs. This position is not guaranteed to continue beyond the grant-funded term.

ESSENTIAL DUTIES AND RESPONSIBILITIES

This list of duties and responsibilities is not all inclusive and may be expanded to include other duties and responsibilities as management may deem necessary.

Workforce and Skills Navigation

- Assist residents in understanding credential evaluation processes, gathering documentation, and locating affordable credential evaluation resources.
- Maintain resource information regarding local employers, workforce programs, training opportunities, and pathways for individuals with international education or experience.
- Deliver or coordinate job-readiness workshops, including resume preparation, interview preparation, workplace expectations, and referrals to workforce-development resources.
- Develop partnerships with employers and workforce organizations to identify and reduce unnecessary barriers to employment for immigrant and newcomer residents.

Small Business and Entrepreneurship Support

- Provide navigation assistance regarding business licensing and permitting processes and refer residents to appropriate City, county, state, federal, or nonprofit resources.
- Connect residents with nonprofit organizations, community development financial institutions, lenders, technical-assistance providers, and other small-business resources.
- Coordinate or support entrepreneurship opportunities, community markets, vendor opportunities, and other initiatives that reduce barriers to small-business participation.

- Develop relationships with financial institutions and community partners to improve access to appropriate banking and financial resources.

Housing Stability and Legal Resource Navigation

- Provide or coordinate educational information regarding tenant rights, responsibilities, housing resources, and available community supports.
- Support communication and referrals between landlords, tenants, and appropriate service providers when cultural or communication barriers arise.
- Coordinate access to qualified immigration legal services, legal clinics, and other legal-resource providers through universities, nonprofits, legal-aid organizations, and other partners.
- Assist residents in locating appropriate resources for essential documentation, including consular identification, birth certificates, and Individual Taxpayer Identification Number (ITIN) information.
- Provide information, referrals, and navigation assistance but do not provide legal advice, determine legal status, or represent individuals in legal or immigration proceedings.

Access to Benefits and City Services

- Coordinate enrollment and resource events with interpretation or language-access support for available public and community programs.
- Maintain and update multilingual information regarding City services, healthcare resources, adult education, libraries, and other community resources.
- Connect families with emergency assistance and other resources available through governmental agencies and nonprofit partners.
- Assist residents in understanding how to access programs and services but do not determine eligibility for benefits or make eligibility representations on behalf of another agency.

Education and Youth Support

- Assist families in navigating school enrollment requirements, records, forms, transportation questions, and referrals to appropriate school personnel.
- Coordinate educational opportunities for parents and caregivers regarding school expectations, special education resources, family engagement, and other relevant topics.
- Partner with Parks & Recreation, schools, employers, and community organizations to connect youth with employment, recreation, mentoring, and enrichment opportunities.

Community Safety and Trust Building

- Collaborate with the Police Department and qualified community partners to provide educational and non-enforcement information sessions, including information regarding individual rights and available resources.
- Connect victims of crime with appropriate victim compensation, domestic violence, trafficking, advocacy, and other support services.
- Support language access in public safety interactions by developing or identifying practical communication resources and coordinating qualified interpretation when appropriate.
- Support City efforts to reduce exploitation, increase appropriate crime reporting, and strengthen trust between vulnerable communities and public safety agencies.
- Use sound judgment and appropriate boundaries when handling sensitive matters and refer legal, law-enforcement, clinical, or other specialized issues to qualified professionals.

Community Outreach, Partnerships and Program Development

- Conduct outreach and participate in community meetings, events, workshops, and other activities to build relationships with immigrant and newcomer residents.
- Develop and maintain collaborative relationships with City departments, schools, nonprofits, faith communities, employers, housing providers, healthcare organizations, law enforcement, and other community partners.
- Identify recurring barriers, service gaps, and emerging needs affecting immigrant and newcomer residents; communicate findings and recommendations to the City Attorney and appropriate City departments.
- Assist in developing policies, procedures, programs, and partnerships that improve access to City services and community resources.
- Provide routine language assistance within the scope of the position and coordinate qualified interpretation or translation services when appropriate.

Records, Reporting and Confidentiality

- Maintain appropriate records of resident contacts, referrals, outreach activities, partnerships, and program outcomes in accordance with City policies and applicable law.
- Prepare reports, summaries, resource materials, and other information to evaluate activities, identify service gaps, and support program planning.
- Safeguard personally identifiable, confidential, and sensitive information and comply with City policies regarding records retention, access, disclosure, and confidentiality.
- Understand and follow applicable public-records requirements and consult with the City Attorney or other appropriate staff when questions arise regarding disclosure or retention.

SUPERVISION RECEIVED AND/OR EXERCISED

Works under the general supervision of the City Attorney. Frequent communication and information sharing will occur with law enforcement personnel and other City departments. Performs recurring job duties independently and exercises judgment within established policies, procedures, and professional boundaries. This position does not exercise direct supervisory authority unless specifically assigned.

QUALIFICATIONS

The requirements below are representative of the knowledge, skill, and ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the job.

Education and Experience

- Associate degree or higher in social work, human services, public administration, community development, education, criminal justice, or a related field; or an equivalent combination of education, training, and relevant experience.
- Experience working with immigrant, refugee, newcomer, or multilingual communities is strongly preferred.
- Experience with community outreach, resource navigation, case coordination, public service, or partnership development is preferred.

Knowledge, Skills and Abilities

- Knowledge of social services, workforce programs, housing resources, educational systems, community resources, and public-service systems.
- Strong verbal and written communication skills and the ability to communicate effectively with individuals from varied cultural and educational backgrounds.
- Professional proficiency in English and Spanish sufficient to communicate verbally and in writing with residents is required.
- Ability to navigate complex systems involving housing, education, business licensing, benefits, and community resources.
- Demonstrated cultural competency and ability to use trauma-informed approaches when appropriate.
- Ability to build productive partnerships with nonprofits, schools, law enforcement, employers, governmental agencies, and community organizations.
- Ability to remain neutral, de-escalate conflict, establish professional boundaries, and interact effectively with individuals experiencing stressful or sensitive circumstances.
- Demonstrated professionalism, integrity, sound judgment, reliability, and ability to maintain strict confidentiality.
- Proficiency with standard office technology and the ability to learn City databases and other technology used in the position.

Other Requirements

- Ability to learn and comply with City policies, records-retention requirements, public-records requirements, confidentiality requirements, and applicable laws and regulations.
- Ability to attend occasional evening or weekend meetings, programs, and community events.
- Ability to travel locally between City worksites and partner organizations. A valid driver license or other reliable means of transportation is required when travel is necessary to perform assigned duties.
- Regular and reliable attendance is required.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the principal functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the job.

- Work is primarily performed in an office and community setting and generally requires sitting, standing, walking, speaking, hearing, and using hands to operate standard office equipment.
- The employee must be able to move between work areas and community locations and occasionally lift or carry materials and supplies associated with meetings, outreach activities, and community events.
- The position requires the ability to communicate in person, by telephone, electronically, and in community settings.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the principal functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the job.

- Occasional evening or weekend work for community events, meetings, or programs.
- Local travel between City worksites and partner organizations.
- Work in community settings, City offices, schools, businesses, and outreach environments.
- Regular interaction with members of the public, including individuals who may be experiencing stressful, sensitive, or difficult circumstances.

The City of Whitewater is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the City will provide reasonable accommodations to qualified individuals with disabilities and encourages prospective and current employees to discuss potential accommodations with the employer.

SELECTION GUIDELINES

Formal application; rating of education, experience, and qualifications; oral interview; reference check; and job-related tests or assessments may be required. Language-proficiency assessment may be included when appropriate to verify required communication skills.

The duties listed above are intended as illustrations of the various types of work that may be performed. The omission of specific duties does not exclude them from the position when the work is similar, related, or a logical assignment to the position.

Nothing in this job description limits management's right to assign or reassign duties and responsibilities. This job description does not constitute an employment agreement and is subject to change as the needs of the City and requirements of the job change.

EMPLOYEE ACKNOWLEDGMENT

The above statements reflect the general details necessary to describe the primary functions of the occupation and shall not be construed as a detailed description of all work requirements that may be inherent in the occupation.

City of WHITEWATER	Council Agenda Item
Meeting Date:	11/05/2026
Agenda Item:	Aurelian AI-assisted Dispatch
Staff Contact (name, email, phone):	Dan Meyer dmeyer@whitewater-wi.gov 262-473-1371

BACKGROUND
(Enter the who, what when, where, why)

In late 2024, Fitch and Associates completed a comprehensive organizational and workload study of the Whitewater Police Department. One of the key recommendations of that study was:

"Strengthen dispatch technology to avoid shutdowns and consider hiring additional resources or partnering with other agencies for shared back-up/relief."

Since the completion of that study, the total calls for service dispatched by the Communications Center (shown below) have continued to increase, increasing the importance of utilizing technological enhancements:

- **2024**: 21,831 calls
- **2025**: 24,955 calls
- **2026 *(projection)***: *25,356 calls*

Currently, providing true double coverage with two dispatchers working 24/7 is not realistic due to cost. Instead, AI-assisted dispatch technology is designed to take some of the volume off the shoulders of our existing staff, by handling routine non-emergency calls, allowing dispatchers to focus on the most important calls that require human interaction. 911 calls would remain 100% handled by live dispatchers. Currently, Aurelian is the most well-suited option for AI-assisted dispatch and is the only option that we found that would be feasible to implement now.

In July 2026, SSM Ojibway provided Aurelian with a sample of roughly 1,400 calls from our Communications Center. Aurelian analyzed the calls and estimates that 60-80% of our call volume could be handled by Aurelian's AI product, "Ava." Ava handles calls through pre-programmed call routes and transcribes the verbal interaction producing a written log of the call. It should be noted that all call logs handled without human intervention are reviewed by dispatchers for quality control.

PD staff conducted an on-site observation of the Waukesha County Communications Center which utilizes Aurelian and has been using it for approximately one year. Staff there were happy with the product and expect to continue to use Aurelian into the future. In reviewing their roll-out of Aurelian, their recommendation was to create the AI call routes slowly at first to make sure they are as accurate as

possible before expanding too quickly. We listened to calls handled by Ava from earlier that day and we were impressed with the accuracy and efficiency of the product.

A key benefit to Aurelian is that Ava automatically recognizes various languages and will respond to the caller in their native language. However, the call logs created are transcribed in English so our dispatchers can review them without issue. There are also measures in place to ensure critical calls are not getting bogged down by the AI component of Aurelian. There are certain calls that will automatically be routed to our live dispatcher. This occurs whenever a key word (i.e. gun, knife, punch, etc.) is spoken by the caller, or if Ava detects yelling in the background of the call for example. Recordings of calls handled by Ava are stored by Aurelian using Microsoft Azure cloud storage with a retention period set by the police department. That data would be owned by the police department and would be exported to us if we ever canceled the service.

The cost of Aurelian is $31,500 annually. That price would be locked in for three years if the contract is signed by November 30, 2026.

03 The Most Common Non-Emergency Call Types

04 Rethinking Dispatcher Involvement in Non-Emergency Calls

05 Do You Know What's Filling Your PSAPs Non-Emergency Line?

06 Methodology & Credits

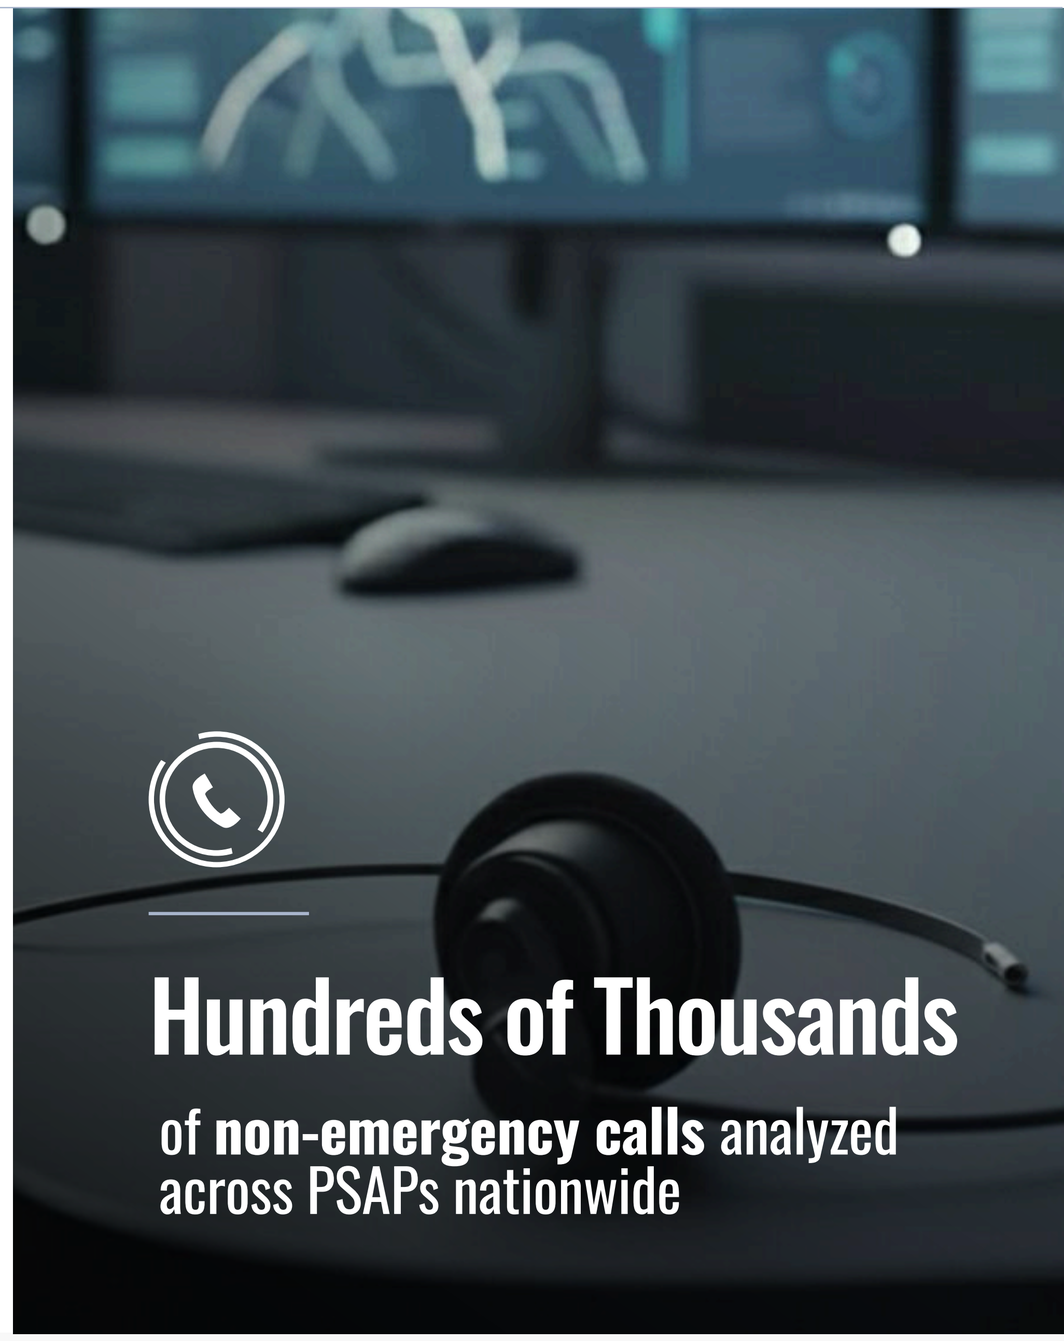

Aurelian

Aurelian

Executive Summary

Aurelian recently analyzed hundreds of thousands of non-emergency calls from PSAPs across the country to better understand the types of calls, and levels of complexity, that make up the majority of a call taker's workload.

The data reveals a clear operational reality: **NON-EMERGENCY demand now represents the majority of the average PSAP's workload.**

The consequences?

- Decreased job satisfaction
- Longer 911 answer times
- Lower answer rate compliance
- Less focus on radio and critical incidents

The data also points to a solution

70%+

non-emergency calls were able to be fully automated **without dispatcher intervention**

Aurelian

THE REALITY Behind Non-Emergency Demand in 2026

64%

of PSAP call volume is **non-emergency**

Telecommunicators spend the majority of their time on non-emergencies

70%

of non-emergency calls can be **resolved without dispatcher transfer**

Most non-emergency calls do not require live call-taker involvement

16%

of **non-emergency** calls come from other agencies and first responders

Routine coordination and information requests from partner agencies consume valuable call-taker capacity

10%

of non-emergency calls require emergency escalation

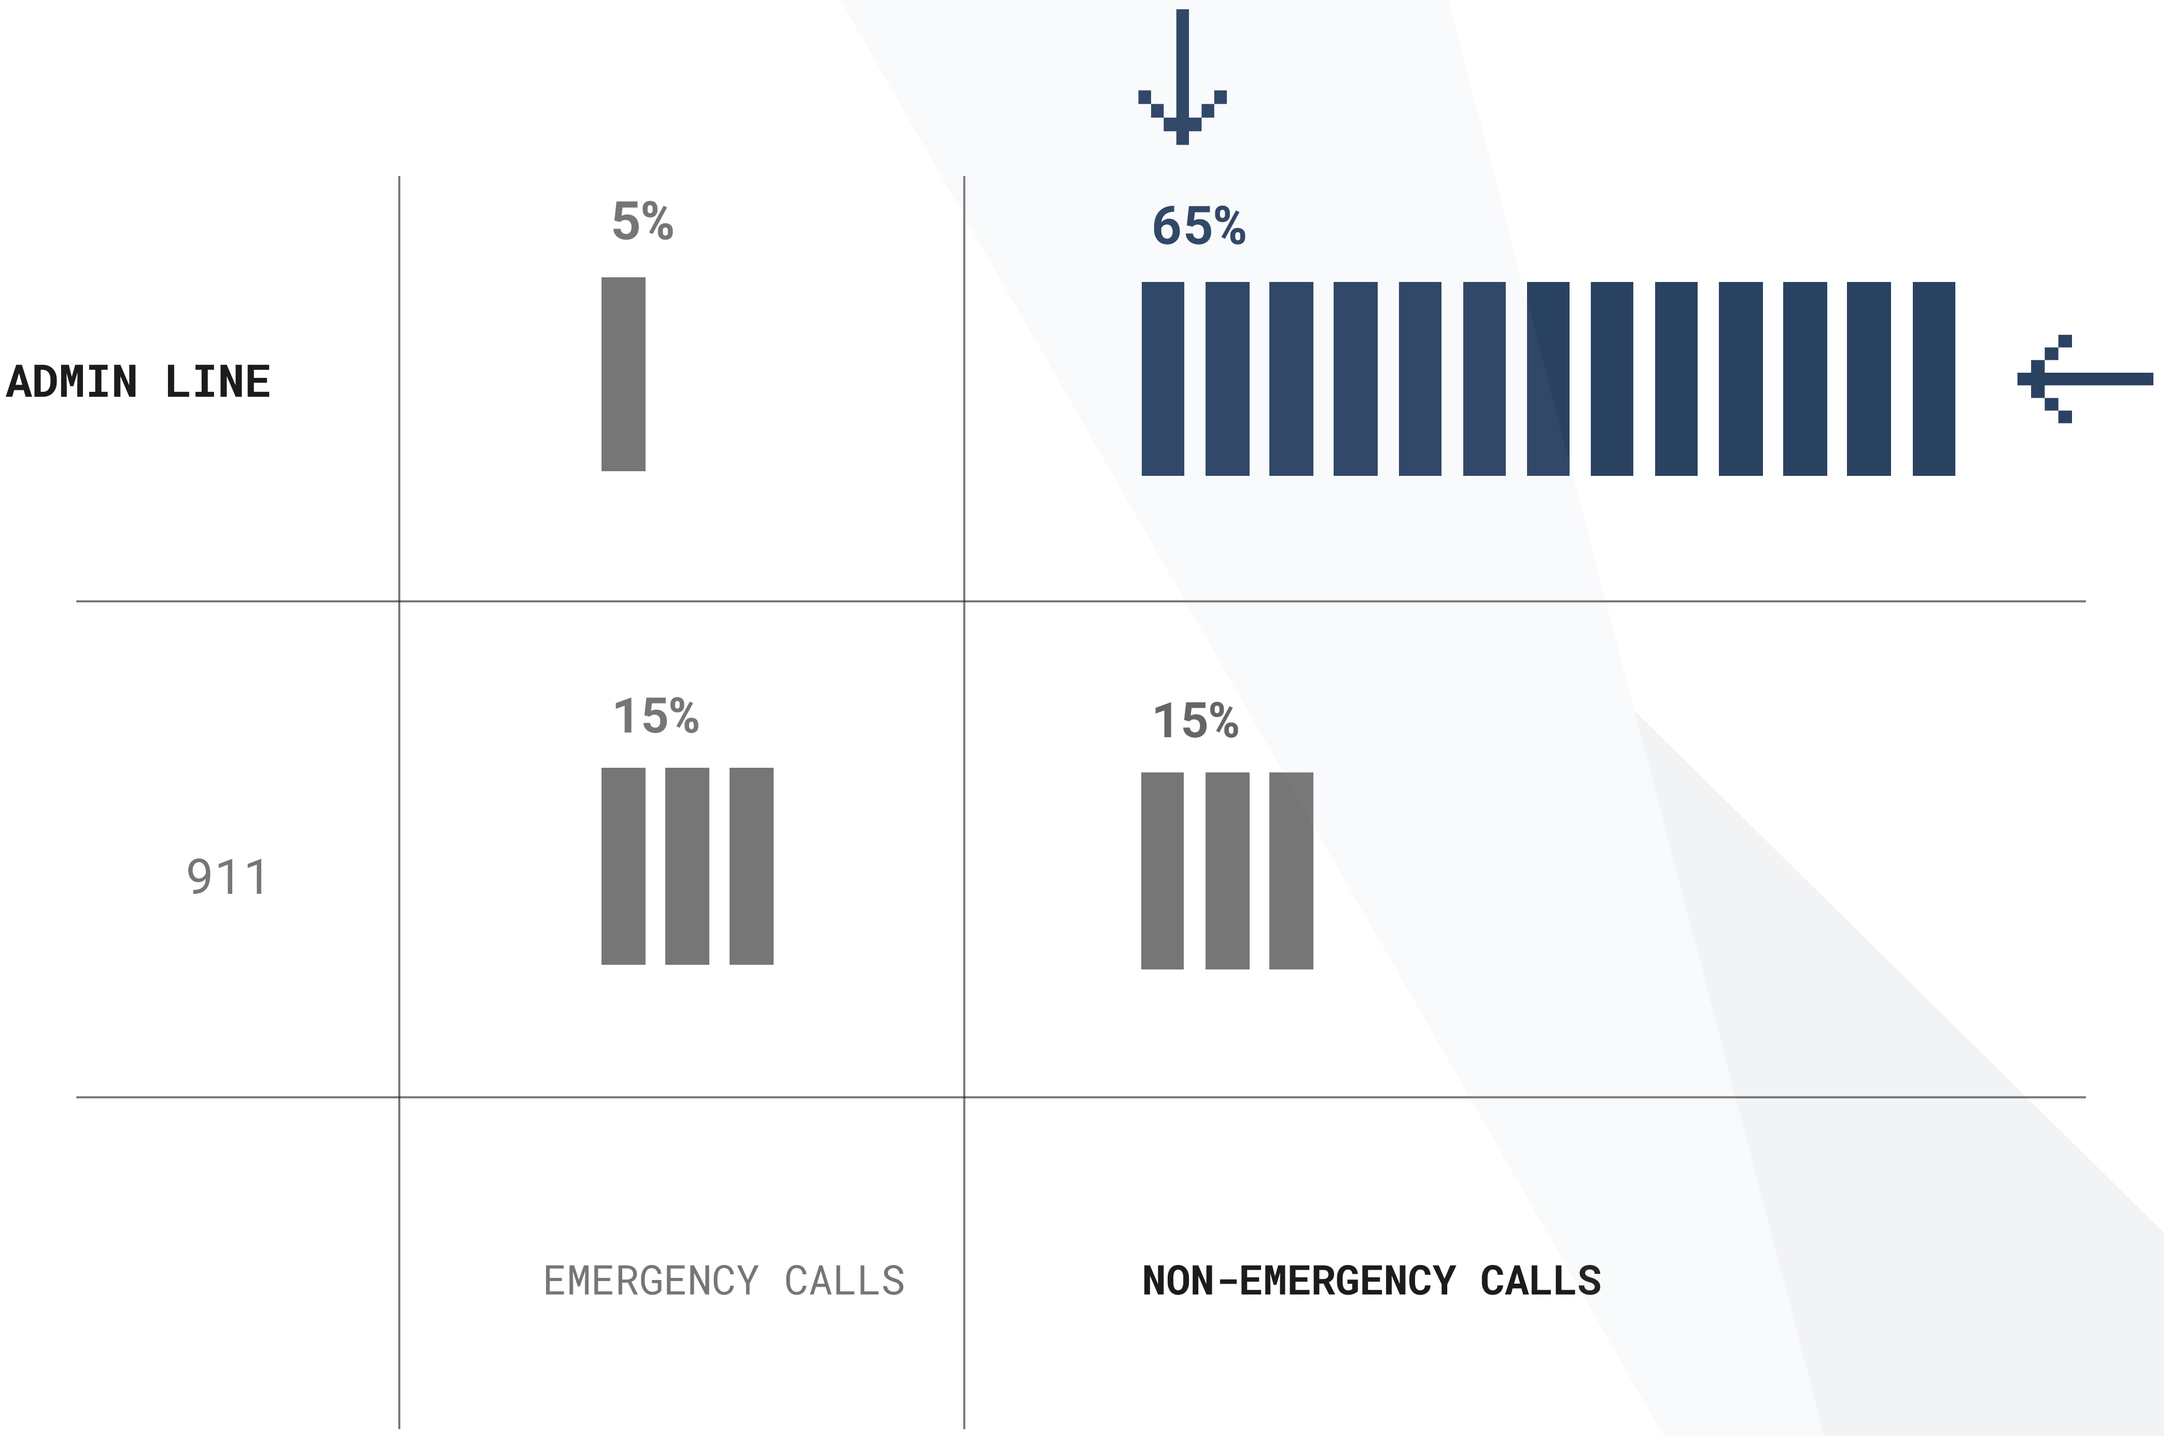

Emergencies don't always start as emergency calls and escalation must happen without delay

Aurelian

The Scale of Non-Emergency Demand

Non-emergency calls are often misunderstood as low priority.

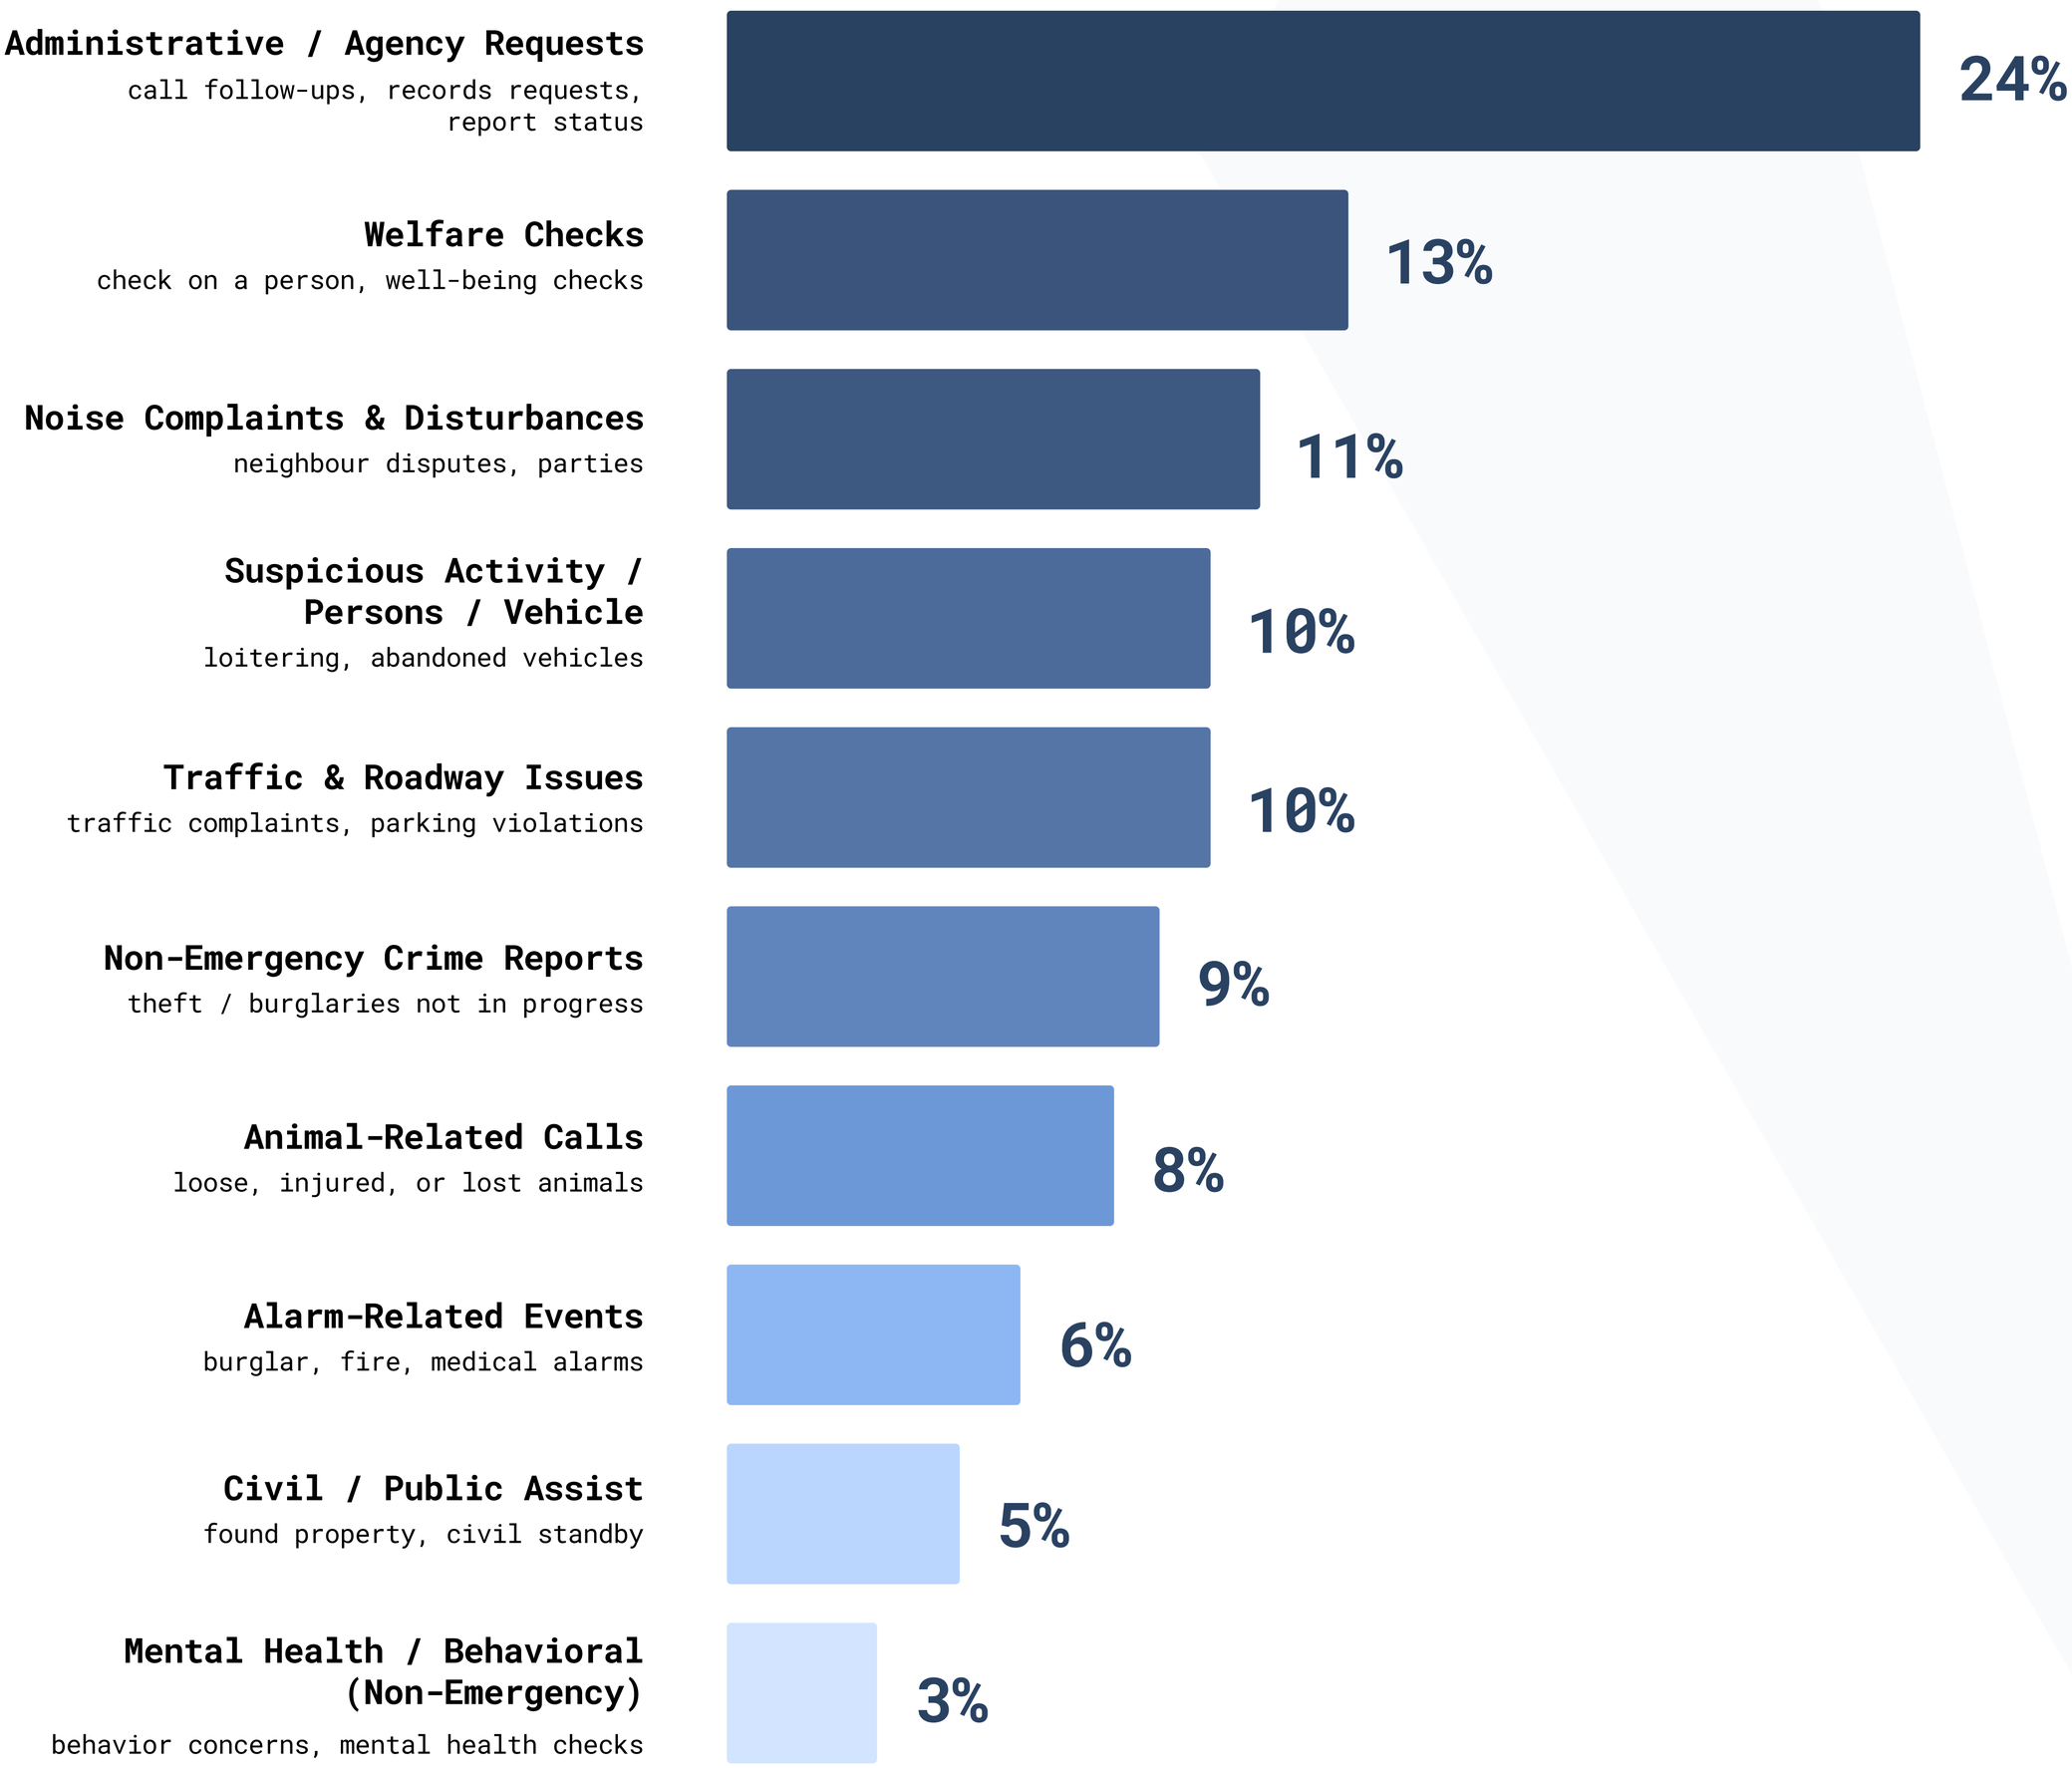

They represent a continuous, high-volume, stream of demand that competes directly with emergency response for limited telecommunicator capacity.

Aurelian

The Most Common Non-Emergency Call Types

Most non-emergency calls to PSAPs fall into just a few categories.

Most non-emergency calls are administrative and quality-of-life related

Aurelian

Rethinking Dispatcher Involvement in Non-Emergency Calls

Across hundreds of thousands of calls analyzed, the majority follow clear, repeatable patterns that can be handled without dispatcher involvement.

Non-emergency calls grouped by the level of support they typically require:

TIER 1

AUTOMATED WITHOUT DISPATCHER INVOLVEMENT

Transactional calls with clear intent, predictable handling, highly automatable

TIER 2

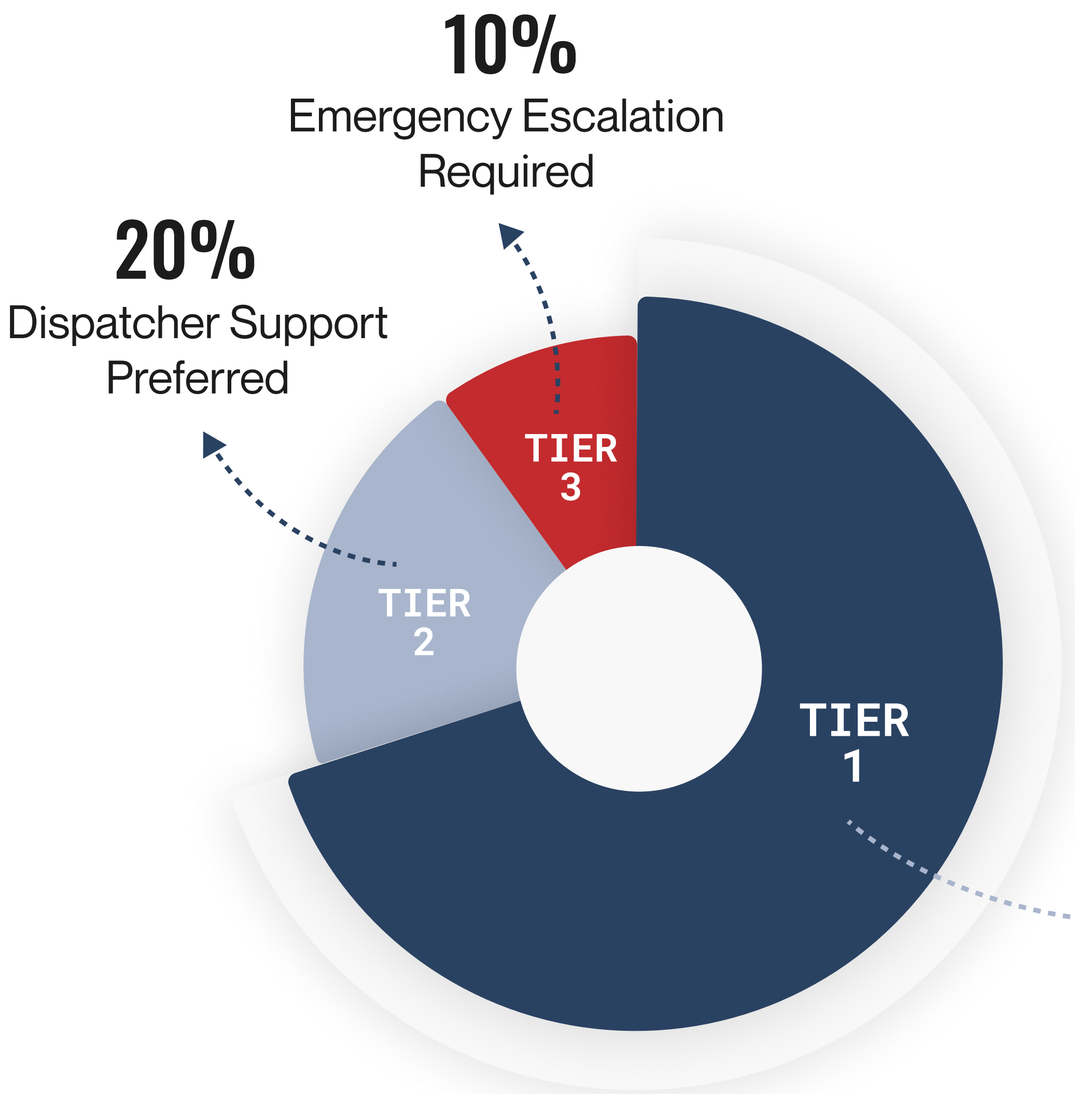

DISPATCHER SUPPORT PREFERRED

Contextual calls where outcomes depend on policy, details, or situational judgment

TIER 3

EMERGENCY ESCALATION REQUIRED

Emergencies calls that are time-critical and must be immediately human-led

Only 3 of 10 non-emergency calls require dispatcher involvement.

Mr. Weidl,

We understand that Whitewater PD is considering a sole source procurement of Aurelian's non-emergency call automation software, and we would like to provide the following information to assist in your justification.

Unique Suite of Features
Aurelian is purpose-built for public safety and offers a unique suite of complementary features to provide conversational & generative AI in a safe, secure, and productive manner. While a more complete list of our features are shown in the scope of work, I wanted to highlight a few that are unique to us:

- **Omnichannel support:** Beyond voice calls, callers can text directly into the AI agent or interact with it directly on your website.
- **Geolocation validation (patented):** Aurelian can take caller-provided addresses, businesses, intersections, and roads and augment them with secondary questions, e.g., direction of travel, nearest mile marker, to find actionable locations.
- **Jurisdictional understanding:** Aurelian can leverage geo-validated locations to perform specific actions based on that location, e.g., qualifying callers for online reporting or routing callers to the correct PSAP.
- **Mid-sentence emergency interruption:** Aurelian is the only AI call automation solution that will interrupt callers while they are in the middle of their sentence if they have an emergency situation. Every other system will wait until the caller is finished speaking to realize it is an emergency.
- **Leverage agency-specific GIS data:** Aurelian can use your agency's GIS data to ensure we're using the correct geographic data to validate locations versus generic mapping data.
- **Integrate with almost any CAD:** Aurelian's unique method of CAD integrations allows us to work with nearly any CAD without the CAD's direct integrations.
- **Racial discrimination monitoring:** Aurelian's models are constantly monitored and tested for any instances of potential racial discrimination.
- **Hallucination detection and prevention module:** Aurelian has a proprietary hallucination detection & prevention module to ensure safe deployment of generative AI.
- **Dynamic handling of unclear requests:** Aurelian is able to handle requests beyond the understanding laid out in the SOPs by acting reactively and predictively to the needs of your team.

Confidential; Include trade secrets
Not for Outside Distribution

- **Sentiment analysis:** Aurelian understands callers tone, particularly in situations of fear, stress, or anxiety, and alters transfer and emergency criteria reactively to ensure appropriate handling.
- **Automatic testing suite:** Aurelian offers a deeply integrated and robust automatic testing suite to ensure the proper handling and routing of calls that mimics human callers with AI
- **Emergency operations mode:** Aurelian can be toggled into a separate, preconfigured state, to handle storms, fires, etc. that may traditionally overwhelm PSAPs.
- **Azure Government Cloud availability:** Aurelian is the only non-emergency call automation vendor built on Azure Gov Cloud, enabling the usage of OpenAI's best in-class AI models in a secure and data-compliant fashion

Product Exclusivity
The Aurelian software solution is exclusively designed, developed, and supported by Aurelian. Our company holds proprietary rights and licensing agreements that prevent any other vendors from producing or distributing this solution. We are the sole authorized provider of software and this is a fully managed solution.

We appreciate you considering Aurelian to automate your non-emergency calls. We look forward to supporting your team and helping your 9-1-1 telecommunicators focus their time and energy on what they do best — handling actual emergencies.

Respectfully,

Max Keenan
CEO
Aurelian

Products & Services

Item & Description	Unit price	Total
AVA + Web Chat — Non-emergency AI call taking		
Year 1	$31,500.00/year	**$31,500.00**
Due at signing (Net 30)		
Year 2	$31,500.00/year	**$31,500.00**
Invoiced 365 days from effective date of signature (Net 30)		
Year 3	$31,500.00/year	**$31,500.00**
Invoiced 730 days from effective date of signature (Net 30)		

Pricing is based on an estimated annual volume of 25,000 inbound non-emergency calls per year.

Annual Subtotal	$31,500.00/year
3-Year Agreement Total	$94,500.00
Due at signing (Net 30)	**$31,500.00**

Aurelian

QUOTE

Summary & Purchase Terms

Summary	Total
Contract term 3 years — Year 1 due at signing; Years 2 and 3 invoiced annually on the anniversary of the effective date (Net 30)	3 years
Annual subscription AVA + Web Chat — same price each year, no annual escalator	$31,500.00/year
3-year agreement total 3 × $31,500.00	$94,500.00

PURCHASE TERMS

- **3-year agreement. The annual subscription of $31,500.00 is fixed for all three years.**
- **Pricing is based on an estimated annual volume of 25,000 inbound non-emergency calls per year.**
- **Includes all product implementation, support, and a CAD integration (not including the cost your CAD vendor may charge you).**
- **Contract is cancellable with a 30-day notice for a pro-rated refund during the first term.**

What You Get

AURELIAN | PARTNERSHIP

AVA, the fully managed services model behind it, and what partnering with Aurelian looks like for Whitewater Police Department — from signature to go-live and beyond.

Aurelian

PRODUCTS

AVA

AVA

NON-EMERGENCY CALL AUTOMATION

Answers Whitewater PD's non-emergency line the moment it rings — no hold, no menus. AVA routes routine inquiries, collects complete details and writes calls for service straight into CAD, and listens for emergencies on every call, escalating to a live dispatcher in seconds with everything it has gathered.

- **Immediate answer on every non-emergency call, 24x7**
- **Handles only the call types Whitewater PD approves**
- **Calls for service written directly into CAD**
- **Automatic triage of true emergencies to a 911 call taker**
- **Voice, text, and web chat in 45+ languages**

Aurelian

FULLY MANAGED

Fully managed, taken literally

Most public safety software hands you a platform and a login, then leaves the work of making it useful to your staff. Aurelian hands you a working system — and carries the configuration, integration, training, tuning, change management, and community communications with it, for the life of the contract.

AURELIAN OWNS

- **Baseline build from Whitewater Police Department's own call recordings and SOPs**
- **Configuration of every call route, escalation threshold, protocol, checklist, and scoring criterion — written from your procedures**
- **Phone-system audio, CAD integration, and non-emergency call forwarding, including coordination with your vendors**
- **Onsite and remote training for every shift and supervisor — travel included**
- **Every route change, protocol change, and tuning pass for the life of the contract**
- **Hosting, scaling, patching, monitoring, and security updates — CJIS, SOC 2 Type II**
- **Internal change management and community communications support so the floor and the public see relief, not replacement**

WHITEWATER PD PROVIDES

- **A designated point of contact**
- **Access to staff who know your workflows and protocols**
- **IT support for firewall, carrier, and CAD access**
- **Visible executive sponsorship**

All of it is included in one all-inclusive annual fee; no per-call, per-minute, per-seat, or change-request charges.

Aurelian

IMPLEMENTATION

Signature to go-live, week by week

01

CONFIGURATION

AVA · WEEKS 1–3

Kickoff, then you hand us your SOPs, work rules, and scoring criteria. We build Whitewater PD's call routes and escalation rules for AVA — from your procedures and your own call recordings, to fit how your floor actually works.

02

INTEGRATION

AVA · WEEKS 2–5

Secure phone-system audio, CAD sync, and non-emergency call forwarding, coordinated directly with your phone and CAD vendors. Aurelian runs the vendor calls and the testing; your IT team's role is firewall, carrier, and CAD access — nothing to build.

03

TRAINING

AVA · WEEKS 5–6

Two days onsite plus remote sessions, for every shift and every supervisor. The team sees exactly what AVA handles and what it doesn't — with clear boundaries and no surprises on day one.

04

TEST & GO-LIVE

AVA · WEEKS 6–9

Live and simulated calls in a controlled rollout, then a phased release — AVA call routes opened a few at a time — so confidence is built before full volume. Aurelian's implementation team is on the floor for go-live.

8–10 WEEKS

expected implementation timeline for AVA (signed to live)

15–18 HOURS

expected time commitment from Whitewater PD's internal team, per product implementation

MASTER SERVICES AGREEMENT (Saas)

This **MASTER SERVICES AGREEMENT** ("**Agreement**") is dated _____ ("**Effective Date**") and entered into between Needl, Inc. dba Aurelian, a Delaware corporation ("**Aurelian**") and the Whitewater Police Department (WI) ("**Customer**"). Customer desires to use Aurelian's software platform, pursuant to the terms and conditions of this Agreement. The parties agree as follows:

1. DEFINITIONS.

1.1 "**Affiliate**" means, with respect to a party, any other entity that directly or indirectly controls, is controlled by or is under common control with such entity, where "control" means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of such entity through the ownership of 50% or more of the outstanding voting securities (but only for as long as such entity meets these requirements).

1.2 "**Caller**" means any caller that calls into Customer's non-emergency or emergency number (depending on the Service used) that utilizes the Platform.

1.3 "**Caller Data**" means any data and information made available by a Caller to Aurelian in connection with Aurelian's performance of the Services.

1.4 "**Content**" means content, data, and information that is owned by Aurelian or any of its licensors that is provided or made available by Aurelian through use of the Platform or as part of or in connection with Aurelian's provision of Services. Content does not include Customer Data.

1.5 "**Customer Data**" means the electronic data and information input into the Platform by or on behalf of Customer. Customer Data includes Caller Data but does not include Usage Data or Aggregated Data.

1.6 "**Documentation**" means any user materials, instructions, and specifications made available by Aurelian to Customer for the Services.

1.7 "**Implementation Services**" means Aurelian's standard implementation and set up services for the Platform.

1.8 "**Order**" means any written ordering document referencing Aurelian and Customer which sets forth the terms and conditions for Aurelian's provision of the Services to Customer (e.g., in the form of the template "Order" attached to this Agreement, a written purchase order approved by Aurelian, or another form of ordering document approved by Aurelian). Each Order is incorporated by reference into this Agreement and governed by the terms hereof.

1.9 "**Personal Information**" means Customer Data that constitutes "personal information," "personal data," or "personally identifiable information" as such terms are defined under applicable law.

1.10 "**Platform**" means the Aurelian's proprietary platform utilized by Aurelian to provide the Software to Customer under this Agreement. The Platform does not include Customer's connectivity equipment, internet and network connections, hardware, software and other equipment as may be necessary for Customer and its Users to connect to and obtain access to the Platform or to utilize the Services.

1.11 "**Services**" means, collectively, Implementation Services, access to the Platform, Support Services, and the other services made available on, by, or through the Platform by Aurelian under this Agreement.

1.12 "**Software**" means Aurelian's proprietary software as a service offering as set forth in the applicable Order and made available through remote access by Aurelian to Customer and Users as part of the Platform, including any modifications, updates, improvements, configurations, and enhancements thereto.

1.13 "**Support Services**" means Aurelian's standard technical support and Software maintenance.

1.14 "**Usage Data**" means any content, data, or information that is collected or produced by the Platform in connection with use of the Services that does not identify Customer, its Users, or Callers, and may include, but is not limited to, usage patterns, traffic logs, and user conduct associated with the Platform.

1.15 "**Users**" means Customer's employees, independent contractors, and other individuals who are authorized by Customer to use the Services on behalf of Customer.

1.16 "**Force Majeure**" means any event or circumstance beyond the reasonable control of a party, including but not limited to acts of God, natural disasters, war, terrorism, civil unrest, strikes or other labor disturbances, embargoes, government orders or regulations, epidemics, pandemics, or failures of suppliers, subcontractors, or carriers, which prevents or delays the affected party from performing its obligations under this Agreement.

2. SERVICES.

2.1 Provision of Services. Subject to the terms and conditions of this Agreement, Aurelian shall provide the Services to Customer and its Users. Aurelian has valid and effective agreements with all vendors and providers of technology (including AI platforms) ("**Vendor Systems**") sufficient to allow Aurelian to use the Vendor Systems as part of the Services.

2.2 Cooperation. Customer shall supply to Aurelian the Customer Data along with access and personnel resources that Aurelian reasonably requests in order for Aurelian to provide the Services.

2.3 Resources. Customer is solely responsible for, at its own expense, acquiring, installing, and maintaining all connectivity equipment, internet and network connections, hardware, software, and other equipment as may be necessary for its Users to connect to and access the Platform.

2.4 Third Party Offerings. Aurelian may make access to or use of third-party software services, applications, or functionality that link to, interoperate with, or are incorporated into the Platform available to Customer (collectively, "**Third-Party Offerings**"). Customer acknowledges that Aurelian does not own or control such Third-Party Offerings, they are made available as a convenience only, and are not part of the Platform or subject to any of the warranties, service commitments, or other obligations with respect to the Platform under this Agreement and that such Third-Party Offerings are subject to their own terms and conditions. Any acquisition by Customer of Third-Party Offerings, and any exchange of data between Customer and its Users and any Third-Party Offering is solely between Customer and its Users and the applicable Third-Party Offering provider. Access to and use of any Third-Party Offering is at Customer's own risk and is solely determined by the relevant third-party provider and is subject to such additional terms and conditions applicable to such Third-Party Offering. Aurelian may disable or restrict access to any Third-Party Offerings on the Platform at any time without notice. Aurelian is not liable for Third-Party Offerings or any Customer Data provided to a third party via a Third-Party Offering.

2.5 Artificial Intelligence. Aurelian may use artificial intelligence technologies, including but not limited to generative AI, machine learning, natural language processing, large language models (LLMs), and other AI tools (collectively, "**AI**") in connection with the Services, including to analyze Customer Data such as call recordings and to generate outputs, recommendations, or insights for Users. Aurelian's use of AI, including any third-party AI tools, will comply with all applicable laws. All outputs, results, recommendations, and insights generated by AI from Customer Data are owned by Customer and are deemed Customer Data under this Agreement. Aurelian shall not use Customer Data to train, test, or improve any third-party AI models without Customer's express written consent. AI is used solely to assist in providing the Services and is not intended to replace human judgment or decision-making by Customer's personnel. Customer is responsible for evaluating and verifying the accuracy of any AI-generated outputs, recommendations, or insights through human review before taking any action based on such outputs. Aurelian disclaims any responsibility for decisions or actions taken by Customer based on AI-generated outputs, and Customer is solely responsible for all such decisions and actions.

3. GRANT OF RIGHTS.

3.1 Access Rights; Customer's Use of the Platform. Subject to the terms and conditions of this Agreement, Aurelian hereby grants to Customer, during the Term (as defined below), a non-exclusive, non-transferable (except as permitted by Section 13.3 (Assignment)), non-sublicensable right to access and use the Platform for Customer's and its Affiliates' internal business purposes in accordance with the Documentation and the terms and conditions of this Agreement and subject to the usage limitations set forth in the applicable Order (the "**Usage Limitations**"). Aurelian and its licensors reserve all rights in and to the Platform and the Services not expressly granted to Customer under this Agreement.

3.2 Restrictions on Use. Customer shall not (a) reproduce, display, download, modify, create derivative works of or distribute the Platform, or attempt to reverse engineer, decompile, disassemble or access the source code for the Platform or any component thereof; (b) use the Platform, or any component thereof, in the operation of a service bureau to support or process any content, data, or information of any party other than Customer or Customer Affiliates; (c) permit any party, other than the then-currently authorized Users to independently access the Platform; (d) use the Platform in any manner or for any purpose that infringes, misappropriates, or otherwise violates any intellectual property right or other right of any third-party, or that violates any applicable law; (e) exceed the Usage Limitations; (f) use the Platform to store or transmit any code, files, scripts, agents, or programs intended to do harm, including, for example, viruses, worms, time bombs and Trojan horses; or (g) use the Platform, including any AI features contained therein, for making decisions that could produce legal or similarly significant effects without review by and involvement of Users.

3.3 Users. Under the rights granted to Customer under this Agreement, Customer may permit its and its Affiliates' independent contractors and employees to become Users in order to access and use the Platform in accordance with this Agreement; provided that Customer will be liable for the acts and omissions of all Customer Affiliates and Users to the extent any of such acts or omissions, if performed by Customer, would constitute a breach of, or otherwise give rise to liability to Customer under, this Agreement. Customer shall not, and shall not permit any User to, use the Platform, Software or Documentation except as expressly permitted under this Agreement. Customer is responsible for Users' compliance with this Agreement.

3.4 Callers. Customer is responsible for: (a) giving adequate notice and making any required disclosures to Callers regarding Aurelian's processing of Caller Data as contemplated under this Agreement; and (b) obtaining all necessary rights, permissions, and valid consents, which may be required in order to permit: (i) Aurelian's performance of its obligations and exercise of its rights under this Agreement; and (ii) Customer's and its Users' access to and use of any Caller Data.

3.5 Prohibited Data. Notwithstanding anything to the contrary in this Agreement, Customer shall not, and shall take commercially reasonable efforts to ensure that its Users and Callers do not, upload or provide to the Platform or otherwise submit or make accessible to Aurelian any financial account or government issued identifiers (e.g., social security numbers, credit card information, or bank information), protected health information, or other types of sensitive data that is subject to specific or elevated data protection requirements (other than personal data) (collectively, "**Prohibited Data**"). Notwithstanding anything to the contrary in this Agreement, Customer acknowledges that: (i) the Software and Platform are not intended for the management or protection of Prohibited Data and may not provide adequate or legally required security for Prohibited Data; and (ii) Aurelian will have no liability for any failure to provide protections set forth in any laws, rules, regulations, or standards applicable to such Prohibited Data or to otherwise protect the Prohibited Data. If Customer, any Users, or any Callers upload or provided any Prohibited Data to the Platform in violation of this Section 3.5 (Prohibited Data), Aurelian may, without limiting any of its other rights and remedies, delete such Prohibited Data.

4. FEES AND PAYMENT TERMS.

4.1 Price. Customer shall pay Aurelian the fees set forth in the applicable Order ("**Fees**") in accordance with the terms of this Agreement. Fees are exclusive of, and Customer shall pay all taxes, fees, duties, and other governmental charges arising from the payment of any Fees or any amounts owed to Aurelian under this Agreement (excluding any taxes arising from Aurelian's income or any employment taxes). Fees for any Services requested by Customer that are not set forth in an Order will be charged as mutually agreed to by the parties in writing.

4.2 Payment. Customer shall pay to Aurelian all Fees within 30 days after Customer's receipt of the applicable invoice for such Services. If Customer disagrees with any Fees set forth in an invoice, Customer must notify Aurelian of the dispute within 30 days after receipt of such invoice. If Aurelian does not receive notice of a dispute during such 30 day period, Customer will be deemed to have accepted the Fees set forth in the invoice. All payments received by Aurelian are non-refundable except as otherwise expressly provided in this Agreement. Customer shall make all payments in United States dollars.

5. TERM AND TERMINATION.

5.1 Term. Unless otherwise provided in an Order, this Agreement commences on the Effective Date and, unless terminated earlier in accordance with this Agreement, continues until all Orders have terminated ("**Term**").

5.2 Order Term. The initial term of an Order begins on the date set forth in the Order ("**Initial Term**"), unless otherwise terminated as provided for in the Agreement or applicable Order. The term of each Order will automatically extend for successive one-year periods at fees 7% higher than the immediately preceding year (each, a "**Renewal Term**"), unless either party provides written notice to the other party of its intent not to extend such Order at least thirty (30) days prior to the end of the Initial Term or then-current Renewal Term.

5.3 Termination.

A party may terminate this Agreement or an Order upon notice if the other party breaches any material provision of this Agreement and (provided that such breach is capable of cure) does not cure such breach within 30 days after being provided with written notice of such breach. Customer may terminate any Order for convenience upon 30 days' written notice to Aurelian until the first anniversary of an Order's effective date and will be given a pro-rated refund for the remaining contract value.

5.4 Effects of Termination. Upon termination of this Agreement and all Orders: (a) all amounts owed to Aurelian under this Agreement before such termination will be due and payable in accordance with Section 4 (Fees and Payment Terms); (b) Customer's rights granted in this Agreement will immediately cease; (c) Customer shall promptly discontinue all access to and use of the Platform and Documentation; and (d) Aurelian shall promptly return or erase all Customer Data, except that Aurelian may retain Customer Data in Aurelian's archived backup files. Sections 4, 5.4, 6, 7.3, 8, 9, 10, 11, 12, and 13 survive expiration or termination of this Agreement.

5.5 Suspension. Notwithstanding anything to the contrary in this Agreement, Aurelian may suspend Customer's access to the Platform if Aurelian determines that: (a) there is an attack on the Platform; (b) Customer's or any of its Users' use of the Platform poses a reasonable risk of harm or liability to Aurelian and, if capable of being cured, Customer is not taking appropriate action to cure such risk; (c) Customer has breached Sections 3.2 (Restrictions on Use) or 12 (Confidentiality) ; (d) Customer's or its Users' use of the Platform violates applicable law; or (e) Customer has failed to pay any undisputed amounts owed under this Agreement when due and has failed to cure such late payment within 15 days after Aurelian has provided Customer with written notice of such late payment. Aurelian shall use commercially reasonable efforts to provide Customer with notice of such suspension. Aurelian may suspend Customer's access to the Platform until the situation giving rise to the suspension has been remedied to Aurelian's reasonable satisfaction. Aurelian's suspension of Customer's access to the Platform will not relieve Customer of its payment obligations under this Agreement.

6. PROPRIETARY RIGHTS.

6.1 Customer Data. As between the parties, Customer owns all right, title, and interest in Customer Data, including all intellectual property rights therein.

6.2 Customer Data License Grant. Customer hereby grants to Aurelian and its authorized representatives and contractors, during the Term, a limited, non-exclusive, non-transferable (except as permitted by Section 13.3 (Assignment)) license to use the Customer

Data solely for the limited purpose of performing the Services for Customer and fulfilling its other obligations and exercising its rights under this Agreement.

6.3 The Services. All proprietary technology utilized by Aurelian to perform its obligations under this Agreement, and all intellectual property rights in and to the foregoing, as between the parties, are the exclusive property of Aurelian. Aurelian or its third party licensors retain ownership of all right, title, and interest to all copyrights, patents, trademarks, trade secrets, and other intellectual property rights in and to the Content and the Platform, including without limitation the Software, Documentation, customizations, and enhancements, and all processes, know-how, and the like utilized by or created by Aurelian in performing under this Agreement. Any rights not expressly granted to Customer hereunder are reserved by Aurelian.

6.4 Aggregated Data. Notwithstanding anything in this Agreement to the contrary, Aurelian may analyze Customer Data to create a de-identified or aggregated data set that does not identify Customer, its Users, or Callers (collectively, "**Aggregated Data**"). Aurelian retains ownership of all right, title, and interest in and to Aggregated Data. Aurelian may use Aggregated Data for any lawful purpose, including, but not limited to, to improve, market, and provide the Services.

6.5 Usage Data. Aurelian retains ownership of all right, title, and interest in and to the Usage Data. Aurelian may use Usage Data in connection with its performance of its obligations in this Agreement and for any other lawful business purpose, including, but not limited to, benchmarking, data analysis, and to improve Aurelian's services, systems, and algorithms.

7. WARRANTY; DISCLAIMERS.

7.1 Access to the Platform. Aurelian warrants that the Platform will perform materially in accordance with the Documentation and this Agreement. Aurelian does not warrant that the Platform will be completely error-free or uninterrupted. If Customer notifies Aurelian of a reproducible error in the Platform that indicates a breach of the foregoing warranty (each, an "**Error**") within 30 days after Customer experiences such Error, Aurelian shall, at its own expense and as its sole obligation and Customer's exclusive remedy for breach of the foregoing warranty : (a) use commercially reasonable efforts to correct or provide a workaround for such Error; or (b) if Aurelian is unable to correct or provide a workaround for such Error within 60 days after receiving notice of such Error from Customer, Customer may terminate this Agreement upon notice to Aurelian and, Aurelian shall refund the amounts paid by Customer for access to the Platform for the period during which the Platform was not usable by Customer. The warranties set forth in this Section 7.1 (Access to the Platform) do not apply to any Third Party Offerings or cover any Error caused by: (i) Customer or its Users; (ii) use of the Platform in any manner or in any environment inconsistent with its intended purpose; (iii) Customer's hardware or software if modified or repaired in any manner which materially adversely affects the operation or reliability of the Platform, or (iv) any equipment, software, or other material utilized by Customer in connection with the Platform contrary to the provider's instructions.

7.2 Right to Customer Data. Customer represents and warrants that it has the right to: (a) use the Customer Data as contemplated by this Agreement; and (b) grant Aurelian the license in Section 6.2 (Customer Data License Grant).

7.3 Disclaimer. EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 7 (WARRANTY DISCLAIMERS), NEITHER PARTY MAKES ANY WARRANTIES OF ANY KIND AND EACH PARTY SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE. WITHOUT LIMITING THE FOREGOING, CUSTOMER ACKNOWLEDGES THAT THE SERVICES ARE NOT INTENDED FOR USE FOR EMERGENCIES. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, AURELIAN MAKES NO WARRANTIES OF ANY KIND REGARDING THE SERVICES' ABILITY TO PROPERLY REROUTE CALLERS TO EMERGENCY SERVICES, AND CUSTOMER ACKNOWLEDGES THAT THE SERVICES MAY NOT PROPERLY IDENTIFY CALLS AS EMERGENCIES AND MAY NOT PROPERLY REROUTE EMERGENCY CALLS TO EMERGENCY SERVICES. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, IN NO EVENT WILL AURELIAN BE LIABLE TO CUSTOMER FOR ANY DAMAGES OR LIABILITY THAT CUSTOMER MAY INCUR THAT ARISE OUT OF THE USE OF THE SERVICES IN CONNECTION WITH EMERGENCIES.

8. INDEMNIFICATION.

Aurelian shall defend, indemnify, and hold the Customer, its officers, officials, employees, and volunteers harmless from any and all third-party claims, injuries, damages, losses, or suits, including attorney fees (each a "**Claim**"), to the extent arising out of or resulting from: (a) the gross negligence or willful misconduct of Aurelian in performance of this Agreement; (b) violation of applicable law; and (c) an allegation that the Software used in accordance with this Agreement infringes any intellectual property rights, including copyright, of such third party (an "Infringement Claim"). The foregoing obligations are conditioned on Customer: (A) promptly notifying Aurelian in writing of such Claim; (B) giving Aurelian sole control of the defense thereof and any related settlement negotiations; and (C) cooperating and, at Aurelian's request and expense, assisting in such defense. In the event that the use of the Platform is enjoined as a result of an Infringement Claim, Aurelian shall, at Customer's option and at Aurelian's expense, either: (i) procure for Customer the right to continue using the Platform; (ii) replace the Software with a non-infringing but functionally equivalent product; (iii) modify the Software so it becomes non-infringing; or (iv) terminate this Agreement and refund the amounts Customer paid for access to the Platform that relate to the period during which Customer was not able to use the Platform. Notwithstanding the foregoing, Aurelian will have no obligation under this Section 8 (Indemnification) to the extent an Infringement Claim is based upon: (1) any use of the Platform not in accordance with this Agreement; (2) any use of the Platform in combination with products, equipment, software, or data that is not

contemplated by the Documentation or that Aurelian did not supply or approve of, if such infringement would have been avoided without the combination with such other products, equipment, software, or data; (3) any modification of the Platform by any person other than Aurelian or its authorized agents or subcontractors; or (4) any Third-Party Offering. This Section 8 (Indemnification) states Aurelian's entire liability and Customer's sole and exclusive remedy for Infringement Claims.

Customer shall defend, indemnify, and hold Aurelian harmless from any Claim brought by a third party (including Callers) to the extent that such claim, suit, or action is based upon: (a) Aurelian's use of any Customer Data in accordance with this Agreement; (b) Customer's use of any Customer Data; or (c) Customer's use of the Services, including, but not limited to, a claim that the Services failed to reroute a Caller to emergency services. The foregoing obligations are conditioned on Aurelian: (a) promptly notifying Customer in writing of such Claim; (b) giving Customer sole control of the defense thereof and any related settlement negotiations; and (c) cooperating and, at Customer's request and expense, assisting in such defense.

9. INSURANCE.

9.1 During the term of the Agreement, Aurelian shall obtain insurance of the types and coverage described below:

1. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be written at least as broad as Insurance Services Office (ISO) form CA 00 01.
2. Commercial General Liability insurance shall be at least as broad as ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, stop-gap, independent contractors and personal injury and advertising injury. The Customer shall be named as an additional insured under Aurelian's Commercial General Liability insurance policy with respect to the work performed for the Customer using an additional insured endorsement at least as broad as ISO endorsement form CG 20 26.
3. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.
4. Technology Errors & Omissions (E&O)
5. Network Security (Cyber) and Privacy Insurance shall include, but not be limited to, coverage, including defense, for the following losses or services:

Liability arising from theft, dissemination, and/or use of Customer confidential and personally identifiable information, including but not limited to, any information about an individual maintained by the Customer, including (i) any information that can be used to distinguish or trace an individual's identity, such as name, social security number, date and place of birth, mother's maiden name, or biometric records; and (ii) any other information that is linked or linkable to an individual, such as medical, educational, financial, and employment information regardless of how or where the information is stored or transmitted.

Network security liability arising from (i) the unauthorized access to, use of, or tampering with computer systems, including hacker attacks; or (ii) the inability of an authorized third party to gain access to supplier systems and/or Customer data, including denial of service, unless caused by a mechanical or electrical failure; (iii) introduction of any unauthorized software computer code or virus causing damage to the Customer or any other third party data.

Lawfully insurable fines and penalties resulting or alleging from a data breach.

Event management services and first-party loss expenses for a data breach response including crisis management services, credit monitoring for individuals, public relations, legal service advice, notification of affected parties, independent information security forensics firm, and costs to re-secure, re-create and restore data or systems.

9.2 During the term of the Agreement, Aurelian shall maintain the following insurance limits:

1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of $1,000,000 per accident.
2. Commercial General Liability insurance shall be written with limits no less than $2,000,000 each occurrence, $2,000,000 general aggregate.
3. Technology Errors & Omissions (E&O) shall be written with limits no less than $1,000,000 per claim and $1,000,000 policy aggregate limit.
4. Network Security (Cyber) and Privacy Insurance shall be written with limits no less than $2,000.000 per claim $2,000,000 policy aggregate for network security and privacy coverage, $100,000 per claim for regulatory action (fines and penalties), and $100,000 per claim for event management services.

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII. Upon written request from Customer, Aurelian shall furnish the Customer with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Agreement before commencement of the work. Aurelian shall provide the Customer with written notice of any policy cancellation within two business days of its receipt of such notice.

10. SAFEGUARDING OF PERSONAL INFORMATION. Aurelian shall not use or disclose Personal Information except in accordance with Customer's documented instructions or to perform Aurelian's obligations or exercise Aurelian's rights under this Agreement. Aurelian agrees to comply with applicable federal and state laws and regulations, as currently enacted or revised, regarding

data security and electronic data interchange of Personal Information. Aurelian shall ensure its directors, officers, employees, subcontractors or agents use Personal Information solely for the purposes set forth in this Agreement. Aurelian shall implement and maintain information security measures designed to protect Personal Information against unauthorized use, disclosure, modification or loss. Upon becoming aware of unauthorized access to or acquisition of Personal Information in Aurelian's possession or control, Aurelian will promptly inform Customer in writing and take reasonable steps designed to mitigate the harmful effects of such access or acquisition.

11. LIMITATIONS OF LIABILITY. IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, EXEMPLARY, SPECIAL, OR INCIDENTAL DAMAGES, OR FOR ANY LOST DATA, LOST PROFITS OR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, ARISING FROM OR RELATING TO THIS AGREEMENT., HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY (INCLUDING NEGLIGENCE), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EACH PARTY'S TOTAL CUMULATIVE LIABILITY IN CONNECTION WITH THIS AGREEMENT, WHETHER IN CONTRACT OR TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT OF FEES PAID OR OWED BY CUSTOMER TO AURELIAN UNDER THIS AGREEMENT DURING THE TWELVE MONTH PERIOD PRECEDING THE CLAIM, AS THE CASE MAY BE, DURING WHICH THE EVENTS GIVING RISE TO SUCH LIABILITY OCCURRED. THE EXCLUSIONS AND LIMITATIONS OF LIABILITY SET FORTH IN THIS SECTION 11 (LIMITATIONS OF LIABILITY) DO NOT APPLY TO A PARTY'S OBLIGATIONS UNDER SECTION 8 (INDEMNIFICATION), TO LIABILITY ARISING FROM A PARTY'S BREACH OF SECTION 12 (CONFIDENTIALITY), OR TO LIABILITY ARISING FROM CUSTOMER'S BREACH OF ANY ONE OR MORE OF THE FOLLOWING: SECTIONS 3.2 (RESTRICTIONS ON USE) OR 7.2 (RIGHT TO CUSTOMER DATA).

12. CONFIDENTIALITY.

12.1 Definitions. "Confidential Information" means all information disclosed by one party ("**Discloser**") to the other party ("**Recipient**") under this Agreement during the Term. Confidential Information includes information that is marked or identified as confidential and, if not marked or identified as confidential, information that should reasonably have been understood by Recipient to be proprietary and confidential to Discloser or to a third party. Aurelian's Confidential Information includes Software and Documentation. Customer's Confidential Information includes Customer Data.

12.2 Protection. Recipient shall not use any Confidential Information for any purpose not expressly permitted by this Agreement and shall not disclose Confidential Information to anyone other than Recipient's employees and independent contractors who have a need to know such Confidential Information for purposes of this Agreement and who are subject to confidentiality obligations no less restrictive than Recipient's obligations under this Section 12 (Confidentiality). Recipient will be liable to the Discloser for any of its employees' and independent contractors' acts or omissions, which, if performed by Recipient, would constitute a breach of this Section 12 (Confidentiality). Recipient shall protect Confidential Information from unauthorized use, access, and disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

12.3 Exceptions. Recipient will have no confidentiality obligations under Section 12 (Confidentiality) above with respect to any information of Discloser that Recipient can document: (a) was already known to Recipient prior to Discloser's disclosure; (b) is disclosed to Recipient by a third party who had the right to make such disclosure without violating any confidentiality agreement with or other obligation to the party who disclosed the information; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) is independently developed by Recipient without access to or use of Confidential Information. Recipient may disclose Confidential Information if required to as part of a judicial process, government investigation, legal proceeding, response to a public records request, or other similar process on the condition that, to the extent permitted by applicable law, Recipient gives prior written notice of such requirement to Discloser. Recipient shall take reasonable efforts to provide this notice in sufficient time to allow Discloser to seek an appropriate confidentiality agreement, protective order, or modification of any disclosure.

13. GENERAL.

13.1 Independent Contractor. The relationship of the parties established under this Agreement is that of independent contractors and neither party is a partner, employee, agent, or joint venture partner of or with the other, and neither party has the right or authority to assume or create any obligation on behalf of the other party.

13.2 Subcontractors. Aurelian may utilize subcontractors, subprocessors, and other third-party service providers (collectively, "**Subcontractors**") in the performance of its obligations, provided that Aurelian will remain liable and responsible for the Subcontractors' acts and omissions to the extent any of such acts or omissions, if performed by Aurelian, would constitute a breach of, or otherwise give rise to liability to Aurelian under, this Agreement when they are performing for or on behalf of Aurelian.

13.3 Assignment. Neither party may assign this Agreement or any of its rights under this Agreement to any third party without the other party's prior written consent; except that a party may assign this Agreement without consent from the other party to (a) an Affiliate; or (b) any successor to its business or assets to which this Agreement relates, whether by merger, acquisition, or sale of all or substantially all of its assets, or otherwise. Any attempted assignment in violation of the foregoing will be void and of no force or effect.

13.4 Use by Other Government Agencies. The parties acknowledge that this Agreement has been negotiated by and entered into between Customer and Aurelian for the provision of Services described herein. Subject to Aurelian's approval, which shall not be unreasonably withheld, other government entities, including, but not limited to, other municipalities, counties, special districts, school districts, federal/state/local agencies, and other political subdivisions ("**Participating Agencies**"), may, to the extent permitted by law, procure the same Services and related services under the terms and conditions of this Agreement by entering into a fully-executed written order form with Contractor that references this Agreement (each, an "Order Form"), through a process commonly referred to as "piggybacking". Each Participating Agency that enters into such an Order Form shall be deemed a separate and independent licensee and party to this Agreement solely for the purposes of its use of the Services, and Contractor shall contract directly with each Participating Agency. Nothing herein shall obligate any Participating Agency to utilize this Agreement, nor shall it obligate Aurelian to provide goods or services beyond the scope of this Agreement, except to the extent agreed in an Order Form between Aurelian and such Participating Agency. The Customer shall have no liability or responsibility for the actions, obligations, or payments of any Participating Agency. Any dispute, obligation, or enforcement action arising from a Participating Agency's use of this Agreement shall be handled solely between Aurelian and the relevant Participating Agency.

13.5 Force Majeure. Except for payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.

13.6 Notices. All notices or communications required or permitted under this Agreement, including but not limited to notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and delivered by courier, certified or registered mail (postage prepaid and return receipt requested), or by email (with confirmation of delivery) to the other party at the address set forth on the signature page or such other address as the party may have designated by proper notice. Notices will be deemed delivered upon the earlier of: (a) actual receipt by the receiving party; (b) receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party. E-mail may be used for routine communications and to obtain operational approvals and consents but may not be used for any other notices unless otherwise specified herein.

13.7 Governing Law; Venue. The laws of the State of Washington govern this Agreement and any matters related to this Agreement, without regard to any conflicts of laws principles that would require the application of the laws of a different jurisdiction. The parties hereby submit to the exclusive jurisdiction of, and waive any venue objections against, the state or federal courts located in the State of Washington, in the county where the Customer is located, for any litigation arising out of or relating to this Agreement or the Services.

13.8 Remedies. Each party acknowledges that any actual or threatened breach of Sections 3.2 (Restrictions on Use) or 12 (Confidentiality) will constitute immediate, irreparable harm to the non-breaching party for which monetary damages would be an inadequate remedy and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought by a party to enforce this Agreement, the prevailing party will be entitled to receive its attorneys' fees, court costs, and other legal expenses, in addition to any other relief it may receive from the non-prevailing party.

13.9 Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of, either Customer's or Aurelian's successor(s) or permitted assign(s).

13.10 No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of Customer and Aurelian. No third party will be deemed a beneficiary of this Agreement, and no third party will have the right to make any claim or assert any right under this Agreement.

13.11 Waivers. To be effective, any waivers must be in writing and signed by the party to be charged. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

13.12 Dispute Resolution. Customer agrees to provide us with written notice within thirty (30) days of becoming aware of a dispute. Customer agrees to cooperate with Aurelian in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule.

13.13 Severability. If any provision of this Agreement is unenforceable, the other provisions of this Agreement will be unimpaired, and the unenforceable provision will be deemed modified so that it is enforceable to the maximum extent permitted by law (unless such modification is not permitted by law, in which case such provision will be disregarded).

13.14 Counterparts. This Agreement may be executed in counterparts, each of which will be considered an original, but all of which together will constitute the same instrument.

13.15 Entire Agreement. This Agreement, including any Order and any exhibits or attachments thereto (including any Executive Summary), constitutes the final and entire agreement between the parties regarding the subject hereof and supersedes all other agreements, whether written or oral, between the parties concerning such subject matter. No modifications to this Agreement will be binding on the other party unless accepted in writing by both parties. To the extent of any conflict between the provisions of this Agreement and the provisions of any Order, the provisions of this Agreement will govern and control unless the Order specifically references one or more sections of this Agreement and expressly modifies the terms hereof. No amendment to this Agreement will be effective unless in writing and signed by the party to be charged.

The parties by their authorized representatives have entered into this Master Services Agreement as of the Effective Date.

AURELIAN

ORDER #1

This **ORDER** ("**Order**") is dated _____ (the "**Order Effective Date**") and is between **Needl, Inc.**, a Delaware corporation ("**Aurelian**") and the customer identified below ("**Customer**") and governs Customer's access to and use of the Platform and Aurelian's provision of the Services under the Master Services Agreement between the parties dated _____ (the "**MSA**"). Capitalized terms used in this Order but not defined have the meanings given to them in the MSA.

CUSTOMER INFORMATION					
Name:	Whitewater PD (WI)	**Address:**			
City		**State:**		**Zip Code:**	
CUSTOMER PRIMARY CONTACT INFORMATION					
Full Name:		**Title:**			
Phone Number:		**Email:**			

TERM

- The Initial Term of this Order begins on the Order Effective Date and continues for three (3) years, subject to autorenewal as set forth in the MSA.

SOFTWARE PURCHASED

- Standard hosted software service offering of Aurelian, inclusive of all call routing, call automation services, and Web Chat feature (referred to as the "Service" in the MSA).

FEES

- Customer's use of the Services under this Order will be subject to the following fees:
  Year 1: $31,500 due on the Order Effective Date
  Year 2: $31,500 due 12 months after the due Order Effective Date
  Year 3: $31,500 due 24 months after the due Order Effective Date

  Fees include implementation, support, and CAD integration services (excluding any charges your CAD provider may apply). The contract may be canceled with 30 days' notice for a pro-rated refund within the first year or as otherwise provided by the MSA.

USAGE LIMITS

- The Services may be accessed and used by the Customer only. The Customer shall not permit any other affiliates, subsidiaries, agencies, or parties to access or use the Services under this Order.

This Order is governed by, and subject to, the MSA. This Order may be executed in counterparts, each of which will be considered an original, but all of which together will constitute the same instrument.

City of WHITEWATER	Council Agenda Item
Meeting Date:	11/05/2026
Agenda Item:	K9 Program Request
Staff Contact (name, email, phone):	Dan Meyer dmeyer@whitewater-wi.gov 262-473-1371

BACKGROUND
(Enter the who, what when, where, why)

The Whitewater Police Department is requesting to reintroduce the K9 program. WPD has had three K9s previously (Boomer, Russo and Tilla), and the current drug trends and service needs justify reintroducing the program. There is a total of $22,944.38 in K9 donations available to use for this purpose. These funds were designated specifically for the K9 unit and as such are only able to be used for a K9 program. The following information will state the reasoning for the program, anticipated start-up costs in 2026, and anticipated ongoing year-over-year costs of the program.

The primary benefits of a dual purpose K9 unit are tracking, apprehension of dangerous criminals, and drug interdiction. The intent would be to utilize a K9 trained in alerting to illicit drugs other than marijuana which will ensure that the K9 is still able to work if marijuana is legalized in Wisconsin. WPD staff responded to a total of three overdose deaths in 2026. This recently led to the arrest of an individual in Madison for 1st degree reckless homicide, with the suspect found to be in possession of a significant amount of fentanyl, cocaine base and cocaine.

Having a K9 immediately available to our staff provides us with a greater ability to proactively find drugs in our community, create leads for drug investigations, and ultimately reduce the inflow of drugs to Whitewater due to increased enforcement. Wisconsin case law now prohibits officers from lengthening the time of a traffic stop for even a second for a K9 sniff without reasonable suspicion that drugs are present in the vehicle. This means that proactive K9 sniffs are almost impossible unless we have a K9 on patrol in our city where they are immediately available to assist in the time it takes to complete the required tasks of a traffic stop. Our partnership with the Whitewater Unified School District also continues to evolve, leading to increasing requests for K9 sniffs, which we currently rely entirely on outside agencies to provide. Finally, the K9 program has also historically been an excellent tool for recruitment and retention.

The fact that WPD has had a K9 program previously provides significant benefits. Our former policy and procedures will easily be refreshed and rolled out. Certain equipment such as our bite suit will still be able to be used for training. Additionally, the previously established K9 donation fund has also remained intact as donors intended the financial gifts to be used specifically for a K9 program. The K9 fund balance is currently $22,944.38 which would offset a large amount of the startup costs. The attached spreadsheet provides a detailed accounting of anticipated startup and ongoing costs for the K9 program which will be summarized below.

Startup Costs

The startup costs include two primary one-time costs – K9 purchase/training and K9 Squad outfitting. It is recommended that the cost of K9 purchase/training be paid for with the balance of the K9 fund to offset the bulk of the cost, and that K9 squad outfitting be paid for with unspent funds in the squad car sinking fund.

K9 Purchase/Training

K9 purchase/training includes the cost of purchasing the K9, initial outfitting of a crate and bedding, as well as handler training and fuel costs. The costs of K9 purchase/training are straightforward with fairly set costs. A variety of quotes were obtained for K9 providers/trainers, with the following being the recommended option:

- **Total Cost: $27,838.52** (utilizing F.M. K9 out of Berrien Center, MI)

F.M. K9 provides a two-year warranty related to issues with hips, back, spine, elbow and major illness, as well as a one-year warranty on workability and trainability with qualified handler and training. Assuming the K9 donation fund (current balance: $22,944.38) is utilized for this purpose, the balance would be $4,894.14 which is an amount that the PD budget can absorb.

K9 Squad Outfitting

K9 squad outfitting includes the cost of outfitting a squad car for a K9 as there is very specific equipment needed to ensure the safety of the dog. Due to the cost associated with purchasing and outfitting a new squad, our plan is to outfit an existing vehicle (a current low-mileage Tahoe in the fleet currently assigned to either a Detective or Captain) for a K9.

- **Total Cost: $20,369.35**

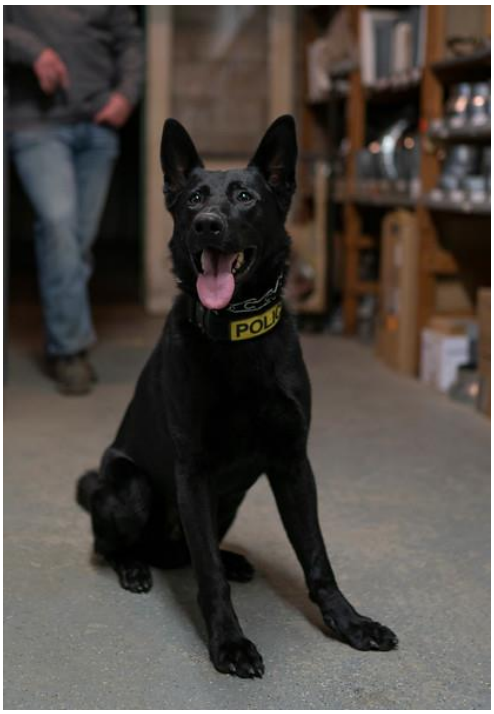

This cost could be paid using unspent funds in the sinking squad fund. A total of $164,774 was allocated to that fund for 2027, but approximately $37,000 will be unspent due to purchasing a Ford Transit van rather than a fully outfitted Chevy Tahoe patrol vehicle. That approximately $37,000 balance will cover the costs of outfitting the K9 squad.

Ongoing Annual K9 Operating Costs beginning in 2027

The annual K9 program cost is conservatively estimated to be approximately $8,120.

The ongoing annual costs of operating a K9 program include the estimated ongoing costs to keep the program functioning and would become a part of the PD's annual line-item budget in 2027 and beyond. The specific costs associated include bedding, bowls, dog toys, dog food, veterinary costs, boarding, K9 record keeping software, handler training meals, and handler overtime cost estimates. The annual K9 program cost is conservatively estimated to be approximately $8,120. However, we believe the actual costs will be significantly lower as food and veterinary services have historically been donated to the K9

program, and we have received verbal confirmation that those items will be donated now and into the future.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS (Dates, committees, action taken)
Reviewed by Finance Committee 10/27/26.

FINANCIAL IMPACT (If none, state N/A)

Startup costs:

$27,838.52. However, this is reduced to **$4,894.14** if the K9 donation fund is utilized for the purchase. The cost of squad changeover (**$20,369.35**) will not impact the budget as the balance in the squad sinking fund will cover the cost.

2027 and subsequent years' cost:

Approximately $8,120 per year

STAFF RECOMMENDATION
Staff recommend moving forward with purchase through F.M. K9 utilizing the K9 donation fund.
