CONSIDERATIONS / DISCUSSIONS / REPORTS

City Comptroller, Jeremiah Thomas, presented a detailed explanation of the financial documents provided to the CDA.

Fund 900 is the Community Development Authority's (CDA) daily operations fund and Fund 910 is the CDA's primary program (loan/grants, property, etc) account. Each month there are a variety of reports prepared by Finance and provided to the CDA to serve as updates on the status of each of the funds.

The monthly financial reports consist of the following reports:

The Rev Exp report is the monthly and Year to Date (YTD) Income statement for each fund.

The Balance Sheet is the monthly and YTD balance sheet for each fund.

The Bank account Reconcile Sheet states each checking account balance for the past 12 months, notes any reconciled differences from the General Ledger system and the month end bank account balance, and the interest rate earned and actual interest paid in each account.

The Loan Balance Report provides a monthly update on all the loans currently on the books for Fund 910 and gives a running balance of the Affordable Housing Loans issued for down payment assistance.

The CDA Monthly Bank Entries Report provides a report of the payments received from CDA Fund 910 loans, other monies collected outside of loan payments and expenses paid from CDA Fund 910 monies.

The Fund 900 Checks Report lists all checks or expenses paid from the CDA Fund 900 operating budget.

Jeremiah, in collaboration with the Economic Development team, will provide recommendations/ideas on best practices regarding administration of CDA's loan programs.

4. Discussion and Possible Action on Outstanding Loans including Black Sheep

The Board asked the Community Development Division to ascertain from Stafford & Rosenbaum (attorneys) if there is a judgement in the Black Sheep case. A decision will be taken by the Board on receipt of that information.

5. Review of Tax Bill and Approval of Payment

Several months ago, the CDA and the city completed a property swap with Faith Tanis Properties, LLC. The CDA took ownership of the former "Wrap & Ship" parcel, located at 116 E Main St, in exchange for a piece of land in the Business Park located at the corner of Bluff Rd and Greenway Ct (Parcel ID /A444200003), where Tanis is currently constructing new commercial contractor buildings.

As part of the settlement statement, the city was paid for a prorated portion of the 2025 property taxes by Tanis. The CDA owes the remainder, which is reflected on the recently received 2025 tax bill.

Motion to approve to pay the taxes using funds from account 910-56500-408.

Motion made by Council Representative Schanen, Seconded by Council Representative O.Smith.

Voting Yea: Board Member Kachel, Board Member Kromholz, Board Member Price, Council Representative O.Smith, Board Member Christon, Council Representative Schanen

6. Edgerton Loan Update

Community Development Director Becker provided details of the terms and conditions of the Edgerton loan.

7. Update on the WindUp Program

The Board discussed the possibility of continuing the Wind Up program and directed the Community Development team to look at grants that could fund the program.

8. Discussion and Approval of Consolidation of Action Fund Accounts

Motion to approve consolidation of the action funds into one account which would then be used at the discretion of the Board and with the Board's approval.

Motion made by Board Member Kachel, Seconded by Council Representative O.Smith.
Voting Yea: Board Member Kachel, Board Member Kromholz, Board Member Price, Council Representative O.Smith, Board Member Christon, Council Representative Schanen

Agenda Item:	Memo on Innovation Center and partial change in use
Staff Contact (name, email, phone):	Mason Becker, mbecker@whitewater-wi.gov , 262.443.4458

BACKGROUND

(Enter the who, what when, where, why)

On December 23, 2025, Community Development Department staff transmitted a formal letter to the U.S. Department of Commerce, Economic Development Administration (EDA), Chicago Regional Office. The letter was addressed to Susan Brehm, Regional Director, and was received by the EDA on December 29, 2025. Following the initial letter, a follow-up email was sent on January 7, 2026, to Director Brehm to confirm receipt and request discussion of next steps.

The correspondence requests EDA guidance and written confirmation related to proposed changes at the Whitewater Innovation Center, a facility originally developed in 2010 using EDA Public Works grant funding. Because the property remains subject to federal grant conditions, EDA concurrence is likely required prior to any substantial change in use or potential disposition of the facility. It should be noted that on review, the city attorney did not believe such a partial change in use violates any provisions in the original grant agreement. However, city staff still wished to seek official guidance from the EDA.

Specifically, the City and CDA are seeking EDA approval for a partial remodel of the Innovation Center to accommodate an Early Childhood Education Center (ECEC) as part of a proposed Early Childhood Education Institute affiliated with UW–Whitewater. The remodel would repurpose a portion of the building while maintaining overall alignment with workforce development and economic vitality objectives. All renovation and operational costs would be funded through non-EDA sources.

In addition, the letter requests EDA guidance regarding a potential future sale of the Innovation Center to a nonprofit entity. The City seeks clarification on whether such a transaction would constitute a “disposition” under federal regulations, whether repayment of EDA’s original cost share would be required, and whether continued educational and workforce-related use by a nonprofit successor could satisfy EDA’s ongoing programmatic objectives. This information is sought only for planning purposes. No such sale is currently being considered, and the city has received no such offers to date.

As part of the broader public process, the Early Childhood Education Center (ECEC) Work Group provided a public presentation on the project at the December 16, 2025 Common Council meeting, outlining the concept, community need, and anticipated workforce and economic development benefits.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS

Subject: Request for EDA Guidance and Confirmation – Proposed Partial remodel and Potential Sale of the Whitewater Innovation Center

Dear Director Brehm,

The City of Whitewater, in partnership with the University of Wisconsin–Whitewater and the Whitewater Community Development Authority (CDA), respectfully requests the Economic Development Administration's (EDA) guidance and formal approval concerning the proposed partial remodel of the Whitewater Innovation Center and clarification regarding the potential future sale of the facility.

Background

The Innovation Center was developed in 2010 through an EDA Public Works grant (EDA Project # 06-01-05479) awarded to the University of Wisconsin–Whitewater to support business incubation, entrepreneurship, and regional economic growth. Since its completion, the Center has served as a mixed-use hub for innovation, with operations managed collaboratively by the City, University, and CDA.

The City of Whitewater holds title to the Innovation Center property, while the original EDA grant agreement remains binding on the property under 2 C.F.R. § 200.311(d). We understand that EDA consent is required prior to any change in use, disposition, or substantial modification of the property.

Proposed Partial Remodel

The City, University, and CDA are jointly developing a proposal to remodel a portion of the Innovation Center for use as an Early Childhood Education Center operated through the Early

Childhood Education Center, Inc. The center would form part of a new Early Childhood Education Institute at UW–Whitewater. The new facility would provide high quality childcare and early education, serve as a training and research site, support regional workforce participation, and continue to advance the EDA’s mission of fostering workforce development and economic vitality. This effort would also help address the “childcare desert” status in Whitewater, as identified in a 2022 study conducted by the Walworth County Economic Development Association (WCEDA).

All renovation and operational costs will be covered by separate grants and private donations, without use of EDA funds.

Request for EDA Guidance and Approval

We respectfully request the EDA’s written consent for this proposed partial remodel under 2 C.F.R. § 200.311(d)(1). Additionally, we request EDA’s guidance regarding the feasibility of a future sale of the property. The City has been approached about the possibility of selling the Innovation Center to a nonprofit entity. We seek EDA’s interpretation on whether such a sale would constitute a 'disposition' under 2 C.F.R. § 200.311(d)(2), whether repayment of EDA’s original cost share (approximately 60%) would be required, and whether continued operation for educational and workforce purposes by a nonprofit successor could satisfy EDA’s ongoing economic development objectives, thus avoiding repayment.

Supporting Materials and Next Steps

We are prepared to provide supplemental materials, including a project narrative and floor plan, a property appraisal, a memorandum of understanding among the parties, and documentation of ongoing business incubation activities. We would welcome an opportunity to meet with EDA staff to discuss this request and ensure that all requirements are met prior to implementation.

Closing

The City of Whitewater, University of Wisconsin–Whitewater, and the Whitewater CDA remain committed to furthering the EDA’s mission of economic development, workforce readiness, and innovation. We appreciate your consideration and look forward to your guidance

Respectfully submitted,

Meeting Date:	January 15, 2026
Agenda Item:	Memo regarding current status of Fine Food Arts LLC loan
Staff Contact (name, email, phone):	Mason Becker, mbecker@whitewater-wi.gov , 262.443.4458

BACKGROUND

(Enter the who, what when, where, why)

As board members are aware, the case of Fine Food Arts LLC (Jay Stinson) defaulting on their previous 2021 CDA loan has been ongoing for some time. Below is an excerpt that was provided by the City of Whitewater Comptroller Jeremiah Thomas at the December 2025 board meeting:

“The original loan to Fine Food Arts (dba Black Sheep) occurred on 12/29/2021 with a principal loan balance of \$31,810.00. Payments were to be deferred, but interest accrued for 1 year and payments were to start on 12/15/2022. Starting in May 2024 the CDA Board began incurring attorney fees on the default of the loan continuing through December 2025. To date the CDA Board has spent a total of \$24,904.44 in attorneys fee for the collection on the \$31,810 loan. It amounts to spending 78.3% of the original principal balance of the loan with little chance of recovering any costs, principle, interest or attorney’s fees. An analysis of the cost/benefit of pursuing a default judgement should be completed. The likelihood of recouping any funds should be compared to the costs to recoup the funds. This analysis would help preserve the CDA’s assets and allow for optimal use of CDA funds.”

It should be noted that at some point, Stinson (Fine Food Arts) sold the remaining business assets to another individual (KLD LLC – Daniel Rodriguez), who asserts they do not owe on the past debt, even though the CDA had a legal lien on those assets. The CDA only has an unsigned copy of that sales agreement. It is indeterminate as to what assets remain at this time.

In December 2025, the CDA received notice that Stinson had filed for bankruptcy.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS

(Dates, committees, action taken)

- The CDA board received an update on this loan at the December 16, 2025 meeting. The board asked staff to confirm if there is a judgement, and to obtain an estimate on future legal expenses related to this matter. Per the November 2025 memo from Stafford Rosenbaum, the firm that the CDA is utilizing in this case, a default judgment was made against Fine Food Arts LLC previously.

FINANCIAL IMPACT

(If none, state N/A)

- As the communication from Stafford Rosenbaum states, continuing to pursue this case could cost an estimated \$10,000-\$16,000 additionally, beyond the nearly \$25,000 (approx.) already expended, with no certainty any amount will be recovered.

STAFF RECOMMENDATION

- Staff recommendation is to not proceed with incurring further legal costs. The additional cost of \$10,000-\$16,000 outweighs any realistically expected potential benefit, considering staff feels there is no substantial collateral to recoup against the legal fees incurred already.

Hi Mason,

Iana and I have put our heads together on this. We think CDA will likely expend somewhere between \$10,000 and \$16,000 in additional attorney fees to accomplish what I laid out in my previous email. We will, of course, endeavor to be as efficient as we can. The reason that range is as broad as it is boils down to the fact that Mr. Rodriguez is pro se. Unrepresented parties are unpredictable (especially with AI being what it is right now—and given how commonly AI is abused in legal matters).

The next steps we envision taking are:

- Drafting a letter to Mr. Rodriguez explaining the situation to him.
 - He has taken the position that Mr. Stinson is responsible for any debt that accrued against Fine Food before Mr. Rodriguez purchased it. He is mistaken (that is not necessarily what their purchase agreement says). And, in any event, even if Mr. Rodriguez may have a claim for indemnification against Mr. Stinson, that does not defeat CDA's liens on its collateral.
 - The letter will also demand that Mr. Rodriguez not transfer the collateral out of Fine Food—because that would amount to conversion—and that Mr. Rodriguez cooperate in Fine Food recovering its collateral (we have judgment for replevin).
 - If CDA is interested in attempting to settle its money judgment against Fine Food, we could also propose that Mr. Rodriguez make some less-than-full payment to CDA to resolve Fine Food's debt.
 - For example, CDA could propose that, if Fine Food pays CDA's attorney fees (roughly \$21,000), CDA will forgive the remainder of its money judgment (roughly \$36,000) against Fine Food.
 - CDA would still be entitled to file a claim against Mr. Stinson for the outstanding amount under its loan agreements (see below).
- Securing default judgment against Fine Food and KLD on CDA's supplemental claims, to the extent necessary (for example, if we determine that Fine Food has transferred CDA's collateral to KLD or some other entity).
 - Mr. Rodriguez cannot speak for either entity—only an attorney can. So, they will default unless he retains counsel.
- Recovering CDA's collateral and filing a proof of claim in Mr. Stinson's bankruptcy case.
 - We see recovering CDA's collateral as the primary goal here. That ***may*** (but does not necessarily) require some discovery (written questions we would serve on Mr. Rodriguez). If Mr. Rodriguez does not cooperate, we may need to depose him.
 - However, discovery/a deposition may be unlikely as we have no reason to believe CDA's collateral has been moved—right?
 - As my previous email mentioned, we believe we should file a claim in Mr. Stinson's bankruptcy because doing so preserves CDA's rights. For example, if Mr. Stinson

comes into money between now and the conclusion of his bankruptcy, CDA is only entitled to payment on its claim if it files a proof of claim.

Item 5.

We want to stress that the ***hard part*** of recovering on CDA's rights under its loan documents is behind us. We have judgment against Fine Food and the right to recover CDA's collateral (that we just need to tee up/enforce). While we understand that CDA doesn't want to throw good money at bad money, we feel that CDA's efforts this far may be wasted if we do not see this through at least to the point that its collateral is recovered.

Please let me know if you have any questions. I'm more than happy to discuss.

Subject: Re: Jay Stinson/Fine Food Arts

You're making good points, Mason. We certainly don't want to see CDA "throw good money at bad money", as it goes.

Filing a claim in a bankruptcy is a very simple process and would preserve CDA's rights to the extent that Mr. Stinson comes into money or otherwise has more than we think he does. So, while I respect that CDA doesn't want to be heavily involved in Mr. Stinson's bankruptcy, I think filing a claim is prudent.

With respect to Mr. Rodriguez, Fine Food, and KLD, we do already have an order for replevin (against Fine Food) allowing CDA to recover its collateral. That's why we're so keen on identifying where it is and who has possession of it (which shouldn't matter too much; CDA's lien should follow the collateral if it's been transferred—it doesn't really matter whether Mr. Rodriguez wants to return it). So, my recommendation would be to stay the course at least until we can act on the order for replevin and recover CDA's collateral.

At that point, if it looks (as I think it might) that neither Mr. Stinson, Mr. Rodriguez, nor either of the entities is collectible, we can certainly talk through CDA's options to gracefully cut its losses. However, while I completely respect that differing minds may differ, and would be happy to attend a CDA meeting in closed session to discuss and answer questions, it's my opinion that these next steps are prudent and give CDA a chance of benefitting on the work that has already been done—namely, by recovering its collateral.

Like I said, I'm more than happy to discuss further.

Mason, good morning.

I think a concern we are having in this case at this point is that we have already expended, and are continuing to expend, a great deal of financial resources for a relatively small loan amount that we are uncertain we will ever be able to recover. Mr. Stinson's bankruptcy filing adds to this concern.

The past communications from Mr. Rodriguez have also failed to instill in me any assurance

that he will ever return any collateral to the CDA or pay any amount of money owed.

The current CDA board has been determined to pursue these cases whenever possible, which I think is based on past history that warranted scrutiny by the press and public. However, I also want to make sure we are wise in choosing whether or not this case should continue to be pursued.

Subject: Re: Jay Stinson/Fine Food Arts

Hi Mason, Jeremiah,

Thank you for reaching out! Yes, we did receive notice of Mr. Stinson's bankruptcy ahead of last Friday's hearing. For now, CDA's case against specifically Mr. Stinson is stayed. We will file a claim in his bankruptcy (please keep an eye out for notices from his bankruptcy attorney/the bankruptcy court) and will assess whether taking a more aggressive approach would be fruitful.

However, the case is proceeding against Fine Food Arts, Dan Rodriguez, and KLD.

On Friday, the judge granted our motion for approval of CDA's attorney fees. That means \$21,664.50 in attorney fees and \$2,123.30 in costs will be added to CDA's judgement against Fine Food. The judge also granted our request that he order Fine Food, Mr. Rodriguez, and KLD to respond to CDA's supplemental claims. Mr. Rodriguez has already answered. But now that Fine Food and KLD are required to, we can seek default judgment against them to the extent that they fail to respond within 20 days of the Court's order.

As I believe we mentioned in our last status update, CDA's attorney fee motion aside, we see the current phase of the lawsuit as focused on information gathering. Specifically, we plan to engage Mr. Rodriguez in discovery to determine (i) where CDA's collateral is; (ii) who currently has possession of CDA's collateral; and (iii) the circumstances of Mr. Stinson's alleged sale of Fine Food to Mr. Rodriguez.

Once we know more, we will be able to give CDA a clearer picture of its larger strategic options in this case to collect on its loan. On that note, we've got a scheduling conference on Friday, January 23, 2026. So, we should have an idea of the timeline for the next steps of the lawsuit after that date as well.

Please let me know if you have any questions.

Dear Mason,

This letter provides a status update on all open collection matters Stafford Rosenbaum (“Stafford”) is handling for the City of Whitewater, Community Development Authority (“CDA”) as of the date of this letter.

1. Fine Food Arts LLC/Jay Stinson/ Daniel Rodriguez/K.L.D. LLC

A. Status

Since the Court entered default judgment against Fine Food Arts LLC and granted CDA’s motion for leave to supplement its complaint to add Daniel Rodriguez and K.L.D. LLC as defendants on September 5, 2025, we have worked to serve process on Mr. Rodriguez and K.L.D. and identify the most efficient path towards recovering on the debt owed to CDA.

Our process server managed to serve K.L.D. on September 23, 2025, by delivering a copy of CDA’s supplemental summons and complaint to its registered agent in Appleton, Wisconsin. Then, as Mr. Rodriguez could not be served in person after six attempts, we engaged Southern Lakes Newspapers LLC to publish service against him, starting September 26, 2025. Though he is not yet required to, Mr. Rodriguez answered CDA’s supplemental complaint by generally denying liability on October 10, 2025.

While the Court has accepted CDA’s supplemental complaint, we are still awaiting a formal order that the defendants must respond to it. We filed a letter on September 23, 2025, asking that the Court enter such an order. We will address this request at the hearing in this matter on December 5, 2025—which was rescheduled from October 17, 2025, due to Attorney Higgins’s military leave.

At the hearing on December 5, we will also argue the appropriate amount of attorney fees and other legal expenses that CDA is entitled to from Fine Food under the terms of its agreements. That amount, once determined (we requested \$21,664.50 in fees and \$2,123.30 in expenses), will be added to CDA’s judgment against Fine Food, which is currently for \$35,939.24, plus post-judgment interest. Once we have a judgment against Mr. Stinson, we will have a basis to demand these amounts (as determined) against him, as well, under the language of CDA’s contracts with him.

Since our last update, we have also been communicating with Mr. Stinson’s counsel to gather information and determine his collectability. Mr. Stinson’s attorney has represented that Mr.

Stinson is too poor to pay the fee advance his attorney requires to file a bankruptcy petition on his behalf. While we do not have any confirmation of that representation, it is likely that Mr. Stinson may seek bankruptcy relief in the near future—once he is able to come up with the necessary advance (which his attorney represented to be \$2,000). We will assess CDA’s options, including to object to the dischargeability of the debt Mr. Stinson owes to CDA, if that comes to pass.

Our talks with Mr. Stinson’s counsel have also yielded an unsigned copy of an agreement purporting to convey Mr. Stinson’s interest in Fine Food to Mr. Rodriguez. We have not been able to confirm (other than through his counsel’s representations) that this agreement—in the form that we have it—was ever signed. However, other public records we have been able to find do suggest that Mr. Rodriguez now owns and controls Fine Food. This is also consistent with Mr. Rodriguez’s answer to CDA’s supplemental complaint, which includes, “The agreement for sale of the business clearly states that I am not responsible for any debts or liabilities incurred before sale.”

B. Next Steps

We plan to prepare limited discovery requests for both Mr. Stinson and Mr. Rodriguez in hopes of identifying (1) the ownership of CDA’s collateral; and (2) its disposition. CDA currently has the right to obtain a writ of replevin against Fine Food to recover the collateral. So, as long as it is still in Fine Food’s possession, we will be able to proceed and being the process of recovering and liquidating the collateral to offset CDA’s costs and loses from this deal.

To the extent K.L.D., not Fine Food, now has possession of the collateral, after the hearing on December 5, we will be able to move for default judgment against K.L.D. once the time period the Court grants it and Stinson to answer the supplemental complaint expires—assuming that K.L.D. does not properly answer through an attorney. A default judgment against K.L.D. would enable CDA to obtain a writ of replevin against it, as well. We will similarly seek default judgment against Mr. Stinson if he fails to respond to CDA’s supplemental claims.

If Mr. Rodriguez now has possession of the collateral, we will likely seek summary judgment for replevin against him, as his acquisition of Fine Food does not defeat CDA’s lien, once discovery is complete.

With respect to CDA’s claims against Mr. Stinson, we will continue to investigate his collectability and assess the merits of pursuing him once the collateral is recovered. While a judgment for conversion (which is an intentional tort) may be insulated from discharge in a bankruptcy proceeding, if the facts that come to light reveal that we may struggle to prove that Mr. Stinson knowingly converted CDA’s property or otherwise collect against him, we may advise that CDA’s costs and expenses in pursuing Mr. Stinson are not likely to lead to a more valuable, recoverable judgment.

2. Scanalytics Inc.

Status Update

We filed a complaint against Scanalytics Inc. on October 25, 2025. Mr. Scalin was served on October 31, 2025. His answer to the complaint is due on October 19, 2025.

On November 3, 2025, Mr. Scalin contacted Mr. Becker informing him that he is in the process of selling the business and paying the CDA in full. Per Mr. Becker, Mr. Scalin requested that the lawsuit be dismissed to not interfere with the sale transaction. We advised Mr. Becker to have Mr. Scalin's attorney contact Stafford Rosenbaum in order for us to review the sale documents and ensure that the CDA would indeed be paid in full. To date, neither Mr. Scalin nor his attorney has contacted us.

Next Steps

The next step would be to work with Mr. Scalin and his attorney to make sure the CDA is protected in case the collateral is indeed sold. Mr. Becker should follow up with Mr. Scalin again to check on status.

3. SafePro Technologies Inc.

Status Update

Loan documents were signed in August 2025.

Next Steps

Ensure timely payments and compliance with loan covenants.

4. Slipstream LLC

Status Update

We filed the complaint with the circuit court on April 16, 2025, and the defendants filed their answer on May 9, 2025. Stafford met with opposing counsel on May 29, 2025, during which we learned that Slipstream consents to judgment being entered against it in relation to both the Secured Promissory Note dated September 23, 2014 in the original amount of \$42,000, and the Business Credit Agreement dated May 27, 2015 in the original amount of \$32,000. Additionally, the defendant has indicated willingness to surrender all business assets to the CDA. Unfortunately, because Slipstream has not been operating for a few years and has no revenues, the only recovery CDA can expect is to repossess the business assets.

Stafford attended a status hearing where we informed the judge of our intent to settle the case in exchange for consent judgment and surrender of assets.

On October 28, 2025, the Court entered an Order of Consent Judgment against Slipstream LLC in the amount of \$371,860.07. Additionally, the Court ordered that Slipstream surrenders all of its assets within 30 days from entry of the order. Per Mr. Becker's request, Stafford Rosenbaum requested more information regarding Slipstream's software. Despite several follow-ups, Stafford has not received a response from counsel for Slipstream.

Next Steps

Coordinate surrender of assets and obtain more information regarding software. Slipstream has until November 27, 2025 to surrender its assets to the CDA.

5. Inventalator, Inc.

Status Update

In January 2025, Stafford prepared an Amended and Restated Promissory Note for the borrower. Pursuant to the Note, Inventalator was required to submit to the CDA by March 31, 2025:

“a balance sheet and profit and loss statement together with a statement of cash flows and applicable notes to the financial statements of Maker for each prior fiscal period, prepared in accordance with GAAP and reviewed by an independent certified public accountant. Such financial statements shall include: (i) the accountant's management letter, if any; and (ii) a written certification by Maker's chief financial officer or other executive officer that the financial statements present fairly the financial condition, results of operations, and cash flows of Maker as of the dates and for the periods indicated, in accordance with GAAP.”

Additionally, by June 30, 2025, Inventalator is required to “make a payment in an amount equal to Maker's total royalties due to Maker based on Maker's total revenues generated in 2024.”

Our review of the financial statements provided to the CDA by Inventalator show that the statements are for the 1Q of 2025, instead of the financial statements for the 2024 fiscal year. This is concerning because the payment due on June 30, 2025 will be based on the total royalties due to Inventalator based on Inventalator's total revenues generated in 2024. Without the 2024 financial statements, the CDA would be unable to verify that the payment it receives from the borrower is accurate.

Next Steps

Request the 2024 financial statements “prepared in accordance with GAAP and reviewed by an independent certified public accountant” which shall include “(i) the accountant's management letter, if any; and (ii) a written certification by Maker's chief financial officer or other executive officer that the financial statements present fairly the financial condition, results of operations, and cash flows of Maker as of the dates and for the periods indicated, in accordance with GAAP.”

Please let us know if you have any questions or concerns. We are happy to supplement this status update as needed. Per discussions with Mr. Becker, Inventalator has expressed interest in paying back the loan in full.

6. Edgerton Hospital.

Review of loan documents.

Status

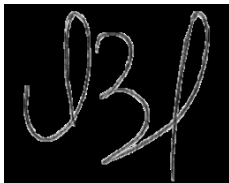

We had a meeting with the CDA team to discuss the adequacy of the loan documents and potential need for amendments. We identify certain areas for improvement, including, better defined events of default.

Next Steps

CDA needs to determine specific requirements needed for the loan to be forgiven and communicate need for amendment with borrower. Once approved, Stafford team will prepare an amendment.

Best regards,

See attached Exhibit A.

RETURN TO:

Community Development Authority
P.O. Box 178
Whitewater, WI 53190

In the event of foreclosure, Mortgagee shall be entitled to elect to proceed under the accelerated redemption periods of Section 846.101 or 103, Wisconsin Statutes.

RETENTION AGREEMENT

Mortgagor's purchase of the Property was partially funded with proceeds from the City of Whitewater Affordable Housing Fund pursuant to the Affordable Housing Fund Policy 602.01 adopted by the Common Council of the City of Whitewater on July 19, 2023 ("Downpayment Assistance Loan"). Mortgagor's receipt of the funds are conditioned on Mortgagor's agreement to restrictions on Mortgagor's ability to sell, reclassify or refinance the Property for the purpose of ensuring that the funds are used for the purchase of housing which is retained as affordable housing for at least ten (10) years from the closing date (the "Retention Period"). In addition to the Downpayment Assistance Loan, Mortgagor obtained a mortgage loan from Fort Community Credit Union ("Lender"), which loan is secured by a first mortgage lien on the Property. Accordingly, Mortgagor covenants and agrees:

This is homestead property.

This is a Purchase Money
Mortgage

/A518200003

(Parcel Identification Number)

Mortgagor covenants and agrees as follows:

1. **Covenant of Title.** Mortgagor warrants title to the Property, except restrictions and easements of record, if any and except for a first mortgage lien on the property from mortgagor to Fort Community Credit Union.
2. **Taxes.** Mortgagor promises to pay when due all taxes and assessments levied on the Property or upon Mortgagor's interest in it and to deliver to Mortgagee on demand receipts showing such payments.
3. **Insurance.** Mortgagor shall keep the improvements on the Property insured against any loss or damage occasioned by fire, extended coverage perils and such other hazards as Mortgagee may require, through insurers approved by Mortgagee in such amounts as Mortgagee shall require, but Mortgagee shall not require coverage in an amount more than the balance of the debt without co-insurance, and Mortgagor shall pay the premiums when due. The policies shall contain the standard mortgage clause in favor of the Mortgagee and, unless Mortgagee otherwise agrees in writing, the original of all policies covering the Property shall be deposited with Mortgagee. Mortgagor shall promptly give notice of loss to insurance companies and Mortgagee. Unless Mortgagor and Mortgagee otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided the Mortgagee deems the restoration or repair to be economically feasible.
4. **OTHER COVENANTS.** Mortgagor covenants not to commit waste or suffer waste to be committed on the Property, to keep the Property in good condition and repair, to keep the Property free from liens superior to the lien of this Mortgage, and to comply with all laws, ordinances and regulations affecting the Property. Mortgagor shall pay when due all indebtedness which may be or become secured at any time by a mortgage or other lien on the Property superior to this Mortgage and any failure to do so shall constitute a default under this Mortgage.
5. **Defense of Security.** Mortgagor shall appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Mortgagee, and shall pay all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Mortgagee may appear.
6. Except as expressly set forth in Section 6, Mortgagor shall not transfer, sell or convey any legal or equitable interest in the Property (by deed, land contract, long-term lease or in any other way) without the prior written consent of Mortgagee, unless either the indebtedness secured by this Mortgage is first paid in full or the interest conveyed is a mortgage or other security interest in the Property, subordinate to the lien of this Mortgage. The entire indebtedness due under the Promissory Note secured by this Mortgage shall become due and payable in full at the option of Mortgagee without notice, which notice is hereby waived, upon any transfer, sale or conveyance made in violation of this Section 5. A violation of the provisions of this Section 5 will be considered a default under the terms of this Mortgage and the Promissory Note it secures.
7. If Mortgagor refinances the First Mortgage on the Property, provided the Property remains subject to the encumbrance created by this Agreement, then Mortgagor shall not be required

to repay any portion of the Downpayment Assistance Loan at closing of the refinance transaction provided Mortgagor continues to own and occupy the Property.

8. To further secure the payment and performance of the Promissory Note, Mortgagor hereby grants to Mortgagee a security interest in all fixtures and personal property located on or related to the operations of the Property whether now owned or hereafter acquired. This Mortgage shall constitute a security agreement within the meaning of the Uniform Commercial Code with respect to those parts of the Property indicated above. This Mortgage constitutes a fixture filing and financing statement as those terms are used in the Uniform Commercial Code. This Mortgage is to be filed and recorded in the real estate records of the county in which the Property is located, and the following information is included: (1) Mortgagor shall be deemed the “debtor”; (2) Mortgagee shall be deemed to be the “secured party” and shall have all of the right of a secured party under the Uniform Commercial Code; (3) this Mortgage covers goods which are or are to become fixtures; (4) the name of the record owner of the land is the debtor; (5) the legal name and address of the debtor are: Manuel Mendez Montes De Oca, 215 E Clay Street Unit 37, Whitewater, WI 53190. The address of the secured party is: 312 West Whitewater Street, Whitewater, WI.
9. The term Mortgagor shall include all Mortgagors whether one or more, and the provisions hereof for reimbursement shall not apply as long as any named Mortgagor continues to both own and occupy the Property. Any individual Mortgagor who is married represents that the obligation evidenced by this instrument was incurred in the interest of Mortgagor’s marriage or family. The covenants of this Mortgage set forth herein shall be deemed joint and several among the Mortgagors.
10. Events of Default. Each of the following shall constitute an event of default under this Mortgage:
 - a. Failure to pay the indebtedness secured by this Mortgage when due;
 - b. Failure to perform any obligation contained in this Mortgage;
 - c. Any breach of any warranty or material misrepresentation made by Mortgagor in connection with this Mortgage or the Note;
 - d. The occurrence of a default under the Primary Mortgage; or
 - e. The transfer, sale, leasing, or conveyance of the Property, or any interest therein, within ten (10) years from the date of the Note.
11. In the event of default under the terms of this Mortgage, Mortgagee may, at its option, declare the whole amount of the unpaid principal due and payable, and collect it in a suit at law or by foreclosure of this Mortgage or by the exercise of any other remedy at law or equity. A default under the First Mortgage constitutes a default under this Mortgage. In case of default, all costs and expenses, including but not limited to, reasonable attorney fees, to the extent not prohibited by law shall be added to the principal, become due as incurred, and in the event of foreclosure included in the judgment.

12. Mortgagee may waive any default without waiving any other subsequent or prior default by Mortgagor.
13. In case of default, whether abated or not, all costs and expenses including reasonable attorneys' fees and expenses of title evidence to the extent not prohibited by law shall be added to the principal, become due as incurred, and, in the event of foreclosure, be included in the judgment.
14. In the event of any default by Mortgagor of any kind under this Mortgage or any note(s) secured by this Mortgage, Mortgagee may cure the default and all sums paid by Mortgagee for such purpose shall immediately be repaid by Mortgagor with interest at the rate then in effect under the note secured by this Mortgage and shall constitute a lien upon the Property.

SUBORDINATION AGREEMENT

Lender is Mortgagor's primary lender for Mortgagor's purchase of the Property and is the holder of a mortgage against the Property recorded on or about the closing date. To induce Lender to advance funds under its mortgage, Mortgagee does hereby unconditionally subordinate the lien created by this Agreement to the lien of Lender's mortgage.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the above date.

DRAFT

PROMISSORY NOTE

\$ 25, 0000

Date: _____, 202__

The undersigned, Kyle B and Hailey L Swalheim ("Maker"), hereby jointly and severally promise to pay to the order of the Community Development Authority of the City of Whitewater ("Payee") at 455 Howard Road, Whitewater 53190, or at such other place as Payee may from time to time designate in writing, the sum of Twenty-Five Thousand and no/100 Dollars (\$25,000).

This Promissory Note ("Note") bears no interest on the unpaid balance before maturity. All unpaid principal outstanding under this Note shall be due and payable on the earlier of (i) Maker's transfer, sale, leasing, or conveyance of the Property (as defined in Exhibit A, incorporated herein by reference) or (ii) the time at which the Property is no longer the Maker's primary residence (the "Maturity Date"). The funds loaned to Maker by Payee pursuant to this Note shall be used solely for the purchase of the real property commonly known as 455 Howard Road, City of Whitewater, Walworth County, Wisconsin and legally described on Exhibit A attached hereto and incorporated herein (the "Property").

If payment is not made on or before the Maturity Date, or Payee violates any term, condition or provision of this Note or the Mortgage (defined below), Maker shall be in default and Payee may give Maker written notice thereof. If Maker fails to cure said default within ten (10) days of the date of such notice, the unpaid balance shall, at the option of Payee and without further notice, mature and become immediately payable. The unpaid balance shall automatically mature and become immediately payable in the event Maker becomes the subject of bankruptcy or other insolvency proceedings. Payee's receipt of any payment under this Note after the occurrence of an event of default shall not constitute a waiver of the default or the Payee's rights and remedies upon such default. Principal not paid when due shall bear interest after the Maturity Date at the then current Applicable Federal Rate for long term notes, compounding annually, set forth under IRC Sec. 7520 from time to time.

Without affecting the liability of Maker, Payee may, without notice, renew or extend the time for payment, accept partial payments, release or impair any collateral security for the payment of this Note or agree not to sue any party liable on it.

Maker agrees to pay all costs of collection, including reasonable attorneys' fees incurred by Payee in enforcing this Note. Maker hereby waives presentment, protest, demand and notice of dishonor. Maker may at any time and from time to time prepay all or any part of the unpaid principal of this Note, without penalty.

300 (2) _____
 301 _____ [Specify documentation Buyer agrees to deliver to Seller].

302 If such written verification or documentation is not delivered, Seller has the right to terminate this Offer by delivering written
 303 notice to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written verification. Buyer may or may not obtain
 304 mortgage financing but does not need the protection of a financing commitment contingency. Seller agrees to allow Buyer's
 305 appraiser access to the Property for purposes of an appraisal. Buyer understands and agrees that this Offer is not subject
 306 to the appraisal meeting any particular value, unless this Offer is subject to an appraisal contingency, nor does the right of
 307 access for an appraisal constitute a financing commitment contingency.

308 ☒ **APPRAISAL CONTINGENCY:** This Offer is contingent upon Buyer or Buyer's lender having the Property appraised
 309 at Buyer's expense by a Wisconsin licensed or certified independent appraiser who issues an appraisal report dated
 310 subsequent to the date stated on line 1 of this Offer, indicating an appraised value for the Property equal to or greater than
 311 the agreed upon purchase price.

312 This contingency shall be deemed satisfied unless Buyer, within **21** days after acceptance, delivers to Seller a copy
 313 of the appraisal report indicating an appraised value less than the agreed upon purchase price, and a written notice objecting
 314 to the appraised value.

315 ☐ **RIGHT TO CURE:** Seller (shall)(shall not) **STRIKE ONE** ("shall" if neither is stricken) have the right to cure.

316 If Seller has the right to cure, Seller may satisfy this contingency by delivering written notice to Buyer adjusting the purchase
 317 price to the value shown on the appraisal report within _____ days ("5" if left blank) after Buyer's delivery of the appraisal
 318 report and the notice objecting to the appraised value. Seller and Buyer agree to promptly execute an amendment initiated
 319 by either Party after delivery of Seller's notice, solely to reflect the adjusted purchase price.

320 This Offer shall be null and void if Buyer makes timely delivery of the notice objecting to appraised value and the written
 321 appraisal report and:

322 (1) Seller does not have the right to cure; or

323 (2) Seller has the right to cure but:

324 (a) Seller delivers written notice that Seller will not adjust the purchase price; or

325 (b) Seller does not timely deliver the written notice adjusting the purchase price to the value shown on the appraisal
 326 report.

327 **NOTE: An executed FHA, VA or USDA Amendatory clause may supersede this contingency.**

328 ☐ **CLOSING OF BUYER'S PROPERTY CONTINGENCY:** This Offer is contingent upon the closing of the sale of
 329 Buyer's property located at _____

330 no later than _____ (the Deadline). If closing does not occur by the Deadline, this
 331 Offer shall become null and void unless Buyer delivers to Seller, on or before the Deadline, reasonable written verification
 332 from a financial institution or third party in control of Buyer's funds that Buyer has, at the time of verification, sufficient funds
 333 to close or proof of bridge loan financing, along with a written notice waiving this contingency. Delivery of verification or
 334 proof of bridge loan shall not extend the closing date for this Offer.

335 ☐ **BUMP CLAUSE:** If Seller accepts a bona fide secondary offer, Seller may give written notice to Buyer that another
 336 offer has been accepted. If Buyer does not deliver to Seller the documentation listed below within _____ hours ("72" if
 337 left blank) after Buyer's Actual Receipt of said notice, this Offer shall be null and void. Buyer must deliver the following:

338 (1) Written waiver of the Closing of Buyer's Property Contingency if line 328 is marked;

339 (2) Written waiver of _____
 340 _____ (name other contingencies, if any); and

341 (3) Any of the following checked below:

342 ☐ Proof of bridge loan financing.

343 ☐ Proof of ability to close from a financial institution or third party in control of Buyer's funds which shall provide
 344 Seller with reasonable written verification that Buyer has, at the time of verification, sufficient funds to close.

345 Other: _____
 346 _____

347 [insert other requirements, if any (e.g., payment of additional earnest money, etc.)]

348 ☐ **SECONDARY OFFER:** This Offer is secondary to a prior accepted offer. This Offer shall become primary upon
 349 delivery of written notice to Buyer that this Offer is primary. Unless otherwise provided, Seller is not obligated to give Buyer
 350 notice prior to any Deadline, nor is any particular secondary buyer given the right to be made primary ahead of other
 351 secondary buyers. Buyer may declare this Offer null and void by delivering written notice of withdrawal to Seller prior to
 352 delivery of Seller's notice that this Offer is primary. Buyer may not deliver notice of withdrawal earlier than _____ days ("7"
 353 if left blank) after acceptance of this Offer. All other Offer Deadlines that run from acceptance shall run from the time this
 354 Offer becomes primary.

355 **HOMEOWNERS ASSOCIATION** If this Property is subject to a homeowners association, Buyer is aware the Property may
 356 be subject to periodic association fees after closing and one-time fees resulting from transfer of the Property. Any one-time

Property Address: 455 Howard Road, Whitewater, WI 53190

Page 7 of 11, WB-11

357 fees resulting from transfer of the Property shall be paid at closing by (Seller) (Buyer) **STRIKE ONE** ("Buyer" if neither is
358 stricken).

359 **CLOSING PRORATIONS** The following items, if applicable, shall be prorated at closing, based upon date of closing values:
360 real estate taxes, rents, prepaid insurance (if assumed), private and municipal charges, property owners or homeowners
361 association assessments, fuel and _____

363 **CAUTION: Provide basis for utility charges, fuel or other prorations if date of closing value will not be used.**

364 Any income, taxes or expenses shall accrue to Seller, and be prorated at closing, through the day prior to closing.

365 Real estate taxes shall be prorated at closing based on **CHECK BOX FOR APPLICABLE PRORATION FORMULA**:

366 ☐ The net general real estate taxes for the preceding year, or the current year if available (Net general real estate
367 taxes are defined as general property taxes after state tax credits and lottery credits are deducted). NOTE: THIS CHOICE
368 APPLIES IF NO BOX IS CHECKED.

369 ☒ Current assessment times current mill rate (current means as of the date of closing).

370 ☐ Sale price, multiplied by the municipality area-wide percent of fair market value used by the assessor in the prior
371 year, or current year if known, multiplied by current mill rate (current means as of the date of closing).

373 **CAUTION: Buyer is informed that the actual real estate taxes for the year of closing and subsequent years may be**
374 **substantially different than the amount used for proration especially in transactions involving new construction,**
375 **extensive rehabilitation, remodeling or area-wide re-assessment. Buyer is encouraged to contact the local**
376 **assessor regarding possible tax changes.**

377 ☐ Buyer and Seller agree to re-prorate the real estate taxes, through the day prior to closing based upon the taxes on
378 the actual tax bill for the year of closing, with Buyer and Seller each owing his or her pro-rata share. Buyer shall, within 5
379 days of receipt, forward a copy of the bill to the forwarding address Seller agrees to provide at closing. The Parties shall
380 re-prorate within 30 days of Buyer's receipt of the actual tax bill. Buyer and Seller agree this is a post-closing obligation
381 and is the responsibility of the Parties to complete, not the responsibility of the real estate Firms in this transaction.

382 **TITLE EVIDENCE**

383 **■ CONVEYANCE OF TITLE: Upon payment of the purchase price, Seller shall convey the Property by warranty deed**
384 **(trustee's deed if Seller is a trust, personal representative's deed if Seller is an estate or other conveyance as**
385 **provided herein), free and clear of all liens and encumbrances, except: municipal and zoning ordinances and agreements**
386 **entered under them, recorded easements for the distribution of utility and municipal services, recorded building and use**
387 **restrictions and covenants, present uses of the Property in violation of the foregoing disclosed in Seller's Real Estate**
388 **Condition Report and in this Offer, general taxes levied in the year of closing and _____**

389 _____ (insert other allowable exceptions from title, if any)
390 that constitutes merchantable title for purposes of this transaction. Seller, at Seller's cost, shall complete and execute the
391 documents necessary to record the conveyance and pay the Wisconsin Real Estate Transfer Fee.

393 **WARNING: Municipal and zoning ordinances, recorded building and use restrictions, covenants and easements**
394 **may prohibit certain improvements or uses and therefore should be reviewed, particularly if Buyer contemplates**
395 **making improvements to Property or a use other than the current use.**

396 **■ TITLE EVIDENCE:** Seller shall give evidence of title in the form of an owner's policy of title insurance in the amount of
397 the purchase price on a current ALTA form issued by an insurer licensed to write title insurance in Wisconsin. Seller shall
398 pay all costs of providing title evidence to Buyer. Buyer shall pay the costs of providing the title evidence required by Buyer's
399 lender and recording the deed or other conveyance.

400 **■ GAP ENDORSEMENT:** Seller shall provide a "gap" endorsement or equivalent gap coverage at (Seller's)(Buyer's)
401 **STRIKE ONE** ("Seller's" if neither stricken) cost to provide coverage for any liens or encumbrances first filed or recorded
402 after the commitment date of the title insurance commitment and before the deed is recorded, subject to the title insurance
403 policy conditions, exclusions and exceptions, provided the title company will issue the coverage. If a gap endorsement or
404 equivalent gap coverage is not available, Buyer may give written notice that title is not acceptable for closing (see lines 410-
405 415).

406 **■ DELIVERY OF MERCHANTABLE TITLE:** The required title insurance commitment shall be delivered to Buyer's attorney
407 or Buyer not less than 5 business days before closing, showing title to the Property as of a date no more than 15 days
408 before delivery of such title evidence to be merchantable per lines 383-391, subject only to liens that will be paid out of the
409 proceeds of closing and standard title insurance requirements and exceptions.

410 **■ TITLE NOT ACCEPTABLE FOR CLOSING:** If title is not acceptable for closing, Buyer shall notify Seller in writing of
411 objections to title by the time set for closing. Seller shall have a reasonable time, but not exceeding 15 days, to remove the
412 objections, and the time for closing shall be extended as necessary for this purpose. If Seller is unable to remove said
413 objections, Buyer shall have five days from receipt of notice thereof, to deliver written notice waiving the objections, and the
414 time for closing shall be extended accordingly. If Buyer does not waive the objections, this Offer shall be null and void.
415 Providing title evidence acceptable for closing does not extinguish Seller's obligations to give merchantable title to Buyer.

416 **■ SPECIAL ASSESSMENTS/OTHER EXPENSES:** Special assessments, if any, levied or for work actually commenced
417 prior to the date stated on line 1 of this Offer shall be paid by Seller no later than closing. All other special assessments

Property Address: **455 Howard Road, Whitewater, WI 53190**

Page 8 of 11, WB-11

418 shall be paid by Buyer. "Levied" means the local municipal governing body has adopted and published a final resolution
 419 describing the planned improvements and the assessment of benefits.

420 **CAUTION: Consider a special agreement if area assessments, property owners association assessments, special**
 421 **charges for current services under Wis. Stat. § 66.0627 or other expenses are contemplated. "Other expenses" are**
 422 **one-time charges or ongoing use fees for public improvements (other than those resulting in special assessments)**
 423 **relating to curb, gutter, street, sidewalk, municipal water, sanitary and storm water and storm sewer (including all**
 424 **sewer mains and hook-up/connection and interceptor charges), parks, street lighting and street trees, and impact**
 425 **fees for other public facilities, as defined in Wis. Stat. § 66.0617(1)(f).**

426 **LEASED PROPERTY** If Property is currently leased and lease(s) extend beyond closing, Seller shall assign Seller's rights
 427 under said lease(s) and transfer all security deposits and prepaid rents thereunder to Buyer at closing. The terms of the
 428 (written) (oral) **STRIKE ONE** lease(s), if any, are _____

429 _____
 430 _____ . Insert additional terms, if any, at lines 548-570 or attach as an addendum per line 592.

431 **DEFINITIONS**

432 ■ **ACTUAL RECEIPT:** "Actual Receipt" means that a Party, not the Party's recipient for delivery, if any, has the document
 433 or written notice physically in the Party's possession, regardless of the method of delivery. If the document or written notice
 434 is electronically delivered, Actual Receipt shall occur when the Party opens the electronic transmission.

435 ■ **BUSINESS DAY:** "Business Day" means a calendar day other than Saturday, Sunday, any legal public holiday under
 436 Wisconsin or Federal law, and any other day designated by the President such that the postal service does not receive
 437 registered mail or make regular deliveries on that day.

438 ■ **DEADLINES:** "Deadlines" expressed as a number of "days" from an event, such as acceptance, are calculated by
 439 excluding the day the event occurred and by counting subsequent calendar days. The Deadline expires at Midnight on the
 440 last day. Additionally, Deadlines expressed as a specific number of Business Days are calculated in the same manner
 441 except that only Business Days are counted while other days are excluded. Deadlines expressed as a specific number of
 442 "hours" from the occurrence of an event, such as receipt of a notice, are calculated from the exact time of the event, and by
 443 counting 24 hours per calendar day. Deadlines expressed as a specific day of the calendar year or as the day of a specific
 444 event, such as closing, expire at Midnight of that day. "Midnight" is defined as 11:59 p.m. Central Time.

445 ■ **DEFECT:** "Defect" means a condition that would have a significant adverse effect on the value of the Property; that would
 446 significantly impair the health or safety of future occupants of the Property; or that if not repaired, removed or replaced would
 447 significantly shorten or adversely affect the expected normal life of the premises.

448 ■ **FIRM:** "Firm" means a licensed sole proprietor broker or a licensed broker business entity.

449 ■ **PARTY:** "Party" means the Buyer or the Seller; "Parties" refers to both Buyer and Seller.

450 ■ **PROPERTY:** Unless otherwise stated, "Property" means the real estate described at lines 4-8.

451 **INCLUSION OF OPTIONAL PROVISIONS** Terms of this Offer that are preceded by an OPEN BOX (☐) are part of
 452 this offer ONLY if the box is marked such as with an "X". They are not part of this offer if marked "N/A" or are left blank.

453 **PROPERTY DIMENSIONS AND SURVEYS** Buyer acknowledges that any land, building or room dimensions, or total
 454 acreage or building square footage figures, provided to Buyer by Seller or by a Firm or its agents, may be approximate
 455 because of rounding, formulas used or other reasons, unless verified by survey or other means.

456 **CAUTION: Buyer should verify total square footage formula, total square footage/acreage figures, and land,**
 457 **building or room dimensions, if material.**

458 **DISTRIBUTION OF INFORMATION** Buyer and Seller authorize the agents of Buyer and Seller to: (i) distribute copies of
 459 the Offer to Buyer's lender, appraisers, title insurance companies and any other settlement service providers for the
 460 transaction as defined by the Real Estate Settlement Procedures Act (RESPA); (ii) report sales and financing concession
 461 data to multiple listing service sold databases; (iii) provide active listing, pending sale, closed sale and financing concession
 462 information and data, and related information regarding seller contributions, incentives or assistance, and third party gifts,
 463 to appraisers researching comparable sales, market conditions and listings, upon inquiry; and (iv) distribute copies of this
 464 Offer to the seller, or seller's agent, of another property that Seller intends on purchasing.

465 **MAINTENANCE** Seller shall maintain the Property and all personal property included in the purchase price until the earlier
 466 of closing or Buyer's occupancy, in materially the same condition it was in as of the date on line 1 of this Offer, except for
 467 ordinary wear and tear and changes agreed upon by Parties.

468 **PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING** If, prior to closing, the Property is damaged in an
 469 amount not more than five percent of the purchase price, other than normal wear and tear, Seller shall promptly notify Buyer
 470 in writing, and will be obligated to restore the Property to materially the same condition it was in as of the date on line 1 of
 471 this Offer. Seller shall provide Buyer with copies of all required permits and lien waivers for the lienable repairs no later than
 472 closing. If the amount of damage exceeds five percent of the purchase price, Seller shall promptly notify Buyer in writing of
 473 the damage and this Offer may be terminated at option of Buyer. Should Buyer elect to carry out this Offer despite such
 474 damage, Buyer shall be entitled to the insurance proceeds, if any, relating to the damage to the Property, plus a credit
 475 towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However, if this sale is financed
 476 by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring

477 the Property.

478 **BUYER'S PRE-CLOSING WALK-THROUGH** Within three days prior to closing, at a reasonable time pre-approved by
479 Seller or Seller's agent, Buyer shall have the right to walk through the Property to determine that there has been no
480 significant change in the condition of the Property, except for ordinary wear and tear and changes agreed upon by Parties,
481 and that any defects Seller has agreed to cure have been repaired in the manner agreed to by the Parties.

482 **OCCUPANCY** Occupancy of the entire Property shall be given to Buyer at time of closing unless otherwise provided in
483 this Offer at lines 548-570 or in an addendum attached per line 592, or lines 426-430 if the Property is leased. At time of
484 Buyer's occupancy, Property shall be in broom swept condition and free of all debris, refuse, and personal property except
485 for personal property belonging to current tenants, or sold to Buyer or left with Buyer's consent. Occupancy shall be given
486 subject to tenant's rights, if any.

487 **DEFAULT** Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and
488 conditions of this Offer. A material failure to perform any obligation under this Offer is a default that may subject the defaulting
489 party to liability for damages or other legal remedies.

490 If **Buyer defaults**, Seller may:

- 491 (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or
492 (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for actual
493 damages.

494 If **Seller defaults**, Buyer may:

- 495 (1) sue for specific performance; or
496 (2) terminate the Offer and request the return of the earnest money, sue for actual damages, or both.

497 In addition, the Parties may seek any other remedies available in law or equity. The Parties understand that the availability
498 of any judicial remedy will depend upon the circumstances of the situation and the discretion of the courts. If either Party
499 defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution instead of the remedies outlined above.
500 By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of law those disputes covered by the
501 arbitration agreement.

502 **NOTE: IF ACCEPTED, THIS OFFER CAN CREATE A LEGALLY ENFORCEABLE CONTRACT. BOTH PARTIES**

507 **ENTIRE CONTRACT** This Offer, including any amendments to it, contains the entire agreement of the Buyer and Seller
508 regarding the transaction. All prior negotiations and discussions have been merged into this Offer. This agreement binds
509 and inures to the benefit of the Parties to this Offer and their successors in interest.

510 **NOTICE ABOUT SEX OFFENDER REGISTRY** You may obtain information about the sex offender registry and persons
511 registered with the registry by contacting the Wisconsin Department of Corrections on the Internet at <http://www.doc.wi.gov>
512 or by telephone at (608) 240-5830.

513 **FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA)** Section 1445 of the Internal Revenue Code (IRC)
514 provides that a transferee (Buyer) of a United States real property interest must pay or withhold as a tax up to 15% of the
515 total "Amount Realized" in the sale if the transferor (Seller) is a "Foreign Person" and no exception from FIRPTA withholding
516 applies. A "Foreign Person" is a nonresident alien individual, foreign corporation, foreign partnership, foreign trust, or foreign
517 estate. The "Amount Realized" is the sum of the cash paid, the fair market value of other property transferred, and the
518 amount of any liability assumed by Buyer.

519 **CAUTION: Under this law if Seller is a Foreign Person, and Buyer does not pay or withhold the tax amount, Buyer**
520 **may be held directly liable by the U.S. Internal Revenue Service for the unpaid tax and a tax lien may be placed**
521 **upon the Property.**

522 Seller hereby represents that Seller is a non-Foreign Person, unless (1) Seller represents Seller is a Foreign Person in a
523 condition report incorporated in this Offer per lines 105-108, or (2) no later than 10 days after acceptance, Seller delivers
524 notice to Buyer that Seller is a Foreign Person, in which cases the provisions on lines 530-532 apply.

525 **IF SELLER IS A NON-FOREIGN PERSON.** Seller shall, no later than closing, execute and deliver to Buyer, or a qualified
526 substitute (attorney or title company as stated in IRC § 1445), a sworn certification under penalties of perjury of Seller's
527 non-foreign status in accordance with IRC § 1445. If Seller fails to timely deliver certification of Seller's non-foreign status,
528 Buyer shall: (1) withhold the amount required to be withheld pursuant to IRC § 1445; or, (2) declare Seller in default of this
529 Offer and proceed under lines 494-501.

530 **IF SELLER IS A FOREIGN PERSON.** If Seller has represented that Seller is a Foreign Person, Buyer shall withhold the
531 amount required to be withheld pursuant to IRC § 1445 at closing unless the Parties have amended this Offer regarding
532 amounts to be withheld, any withholding exemption to be applied, or other resolution of this provision.

533 **COMPLIANCE WITH FIRPTA.** Buyer and Seller shall complete, execute, and deliver, on or before closing, any instrument,
534 affidavit, or statement needed to comply with FIRPTA, including withholding forms. If withholding is required under IRC §
535 1445, and the net proceeds due Seller are not sufficient to satisfy the withholding required in this transaction, Seller shall

536 deliver to Buyer, at closing, the additional funds necessary to satisfy the applicable withholding requirement. Seller also
 537 shall pay to Buyer an amount not to exceed \$1,000 for actual costs associated with the filing and administration of forms,
 538 affidavits, and certificates necessary for FIRPTA withholding and any withholding agent fees.

539 **Any representations made by Seller with respect to FIRPTA shall survive the closing and delivery of the deed.**

540 Firms, Agents, and Title Companies are not responsible for determining FIRPTA status or whether any FIRPTA exemption
 541 applies. The Parties are advised to consult with their respective independent legal counsel and tax advisors regarding
 542 FIRPTA.

543 ☒ **SELLER PAYMENT OF COMPENSATION TO BUYER'S FIRM:** Seller agrees to pay to Buyer's Firm the amount of
 544 1.5% (e.g., dollar amount, % of purchase price, etc.), toward Buyer's brokerage
 545 fees at closing. Payment made under this provision represents an economic adjustment only and does not create any
 546 agency relationship between Buyer's Firm and Seller, and the Parties agree Buyer's Firm is a direct and intended third party
 547 beneficiary of this contract.

548 **ADDITIONAL PROVISIONS/CONTINGENCIES**

550 This Offer is contingent upon Buyer securing final approval of a \$25,000 down payment
 551 grant from the City of Whitewater within 10 days of acceptance. If the grant is denied or
 552 not approved within this period, Buyer may terminate the Offer, and all earnest money
 553 shall be returned.

61 (2) curing the Defects in a good and workmanlike manner; and

 101 equal allocation of all operation and maintenance expenses to each property sharing the well, limits use of the well to
 102 residential purposes, allows reasonable access to the well as needed for necessary maintenance and repairs, and
 103 prohibits use for filling a swimming pool serving the Property, except for "topping off" for loss from evaporation. This
 104 contingency shall be deemed satisfied unless Buyer, within 5 days of the deadline for Seller's delivery of the agreement

 110 to Seller, within 5 days of the delivery deadline, stating Seller failed to deliver a copy of the shared well agreement.

RETENTION AGREEMENT

Mortgagor's purchase of the Property was partially funded with proceeds from the City of Whitewater Affordable Housing Fund pursuant to the Affordable Housing Fund Policy 602.01 adopted by the Common Council of the City of Whitewater on July 19, 2023 ("Downpayment Assistance Loan"). Mortgagor's receipt of the funds are conditioned on Mortgagor's agreement to restrictions on Mortgagor's ability to sell, reclassify or refinance the Property for the purpose of ensuring that the funds are used for the purchase of housing which is retained as affordable housing for at least ten (10) years from the closing date (the "Retention Period"). In addition to the Downpayment Assistance Loan, Mortgagor obtained a mortgage loan from Fort Community Credit Union ("Lender"), which loan is secured by a first mortgage lien on the Property. Accordingly, Mortgagor covenants and agrees:

This is homestead property.

This is a Purchase Money
Mortgage

Mortgagor covenants and agrees as follows:

1. **Covenant of Title.** Mortgagor warrants title to the Property, except restrictions and easements of record, if any and except for a first mortgage lien on the property from mortgagor to Fort Community Credit Union.
2. **Taxes.** Mortgagor promises to pay when due all taxes and assessments levied on the Property or upon Mortgagor's interest in it and to deliver to Mortgagee on demand receipts showing such payments.
3. **Insurance.** Mortgagor shall keep the improvements on the Property insured against any loss or damage occasioned by fire, extended coverage perils and such other hazards as Mortgagee may require, through insurers approved by Mortgagee in such amounts as Mortgagee shall require, but Mortgagee shall not require coverage in an amount more than the balance of the debt without co-insurance, and Mortgagor shall pay the premiums when due. The policies shall contain the standard mortgage clause in favor of the Mortgagee and, unless Mortgagee otherwise agrees in writing, the original of all policies covering the Property shall be deposited with Mortgagee. Mortgagor shall promptly give notice of loss to insurance companies and Mortgagee. Unless Mortgagor and Mortgagee otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided the Mortgagee deems the restoration or repair to be economically feasible.
4. **OTHER COVENANTS.** Mortgagor covenants not to commit waste or suffer waste to be committed on the Property, to keep the Property in good condition and repair, to keep the Property free from liens superior to the lien of this Mortgage, and to comply with all laws, ordinances and regulations affecting the Property. Mortgagor shall pay when due all indebtedness which may be or become secured at any time by a mortgage or other lien on the Property superior to this Mortgage and any failure to do so shall constitute a default under this Mortgage.
5. **Defense of Security.** Mortgagor shall appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Mortgagee, and shall pay all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Mortgagee may appear.
6. Except as expressly set forth in Section 6, Mortgagor shall not transfer, sell or convey any legal or equitable interest in the Property (by deed, land contract, long-term lease or in any other way) without the prior written consent of Mortgagee, unless either the indebtedness secured by this Mortgage is first paid in full or the interest conveyed is a mortgage or other security interest in the Property, subordinate to the lien of this Mortgage. The entire indebtedness due under the Promissory Note secured by this Mortgage shall become due and payable in full at the option of Mortgagee without notice, which notice is hereby waived, upon any transfer, sale or conveyance made in violation of this Section 5. A violation of the provisions of this Section 5 will be considered a default under the terms of this Mortgage and the Promissory Note it secures.
7. If Mortgagor refinances the First Mortgage on the Property, provided the Property remains subject to the encumbrance created by this Agreement, then Mortgagor shall not be required

to repay any portion of the Downpayment Assistance Loan at closing of the refinance transaction provided Mortgagor continues to own and occupy the Property.

8. To further secure the payment and performance of the Promissory Note, Mortgagor hereby grants to Mortgagee a security interest in all fixtures and personal property located on or related to the operations of the Property whether now owned or hereafter acquired. This Mortgage shall constitute a security agreement within the meaning of the Uniform Commercial Code with respect to those parts of the Property indicated above. This Mortgage constitutes a fixture filing and financing statement as those terms are used in the Uniform Commercial Code. This Mortgage is to be filed and recorded in the real estate records of the county in which the Property is located, and the following information is included: (1) Mortgagor shall be deemed the “debtor”; (2) Mortgagee shall be deemed to be the “secured party” and shall have all of the right of a secured party under the Uniform Commercial Code; (3) this Mortgage covers goods which are or are to become fixtures; (4) the name of the record owner of the land is the debtor; (5) the legal name and address of the debtor are: Manuel Mendez Montes De Oca, 215 E Clay Street Unit 37, Whitewater, WI 53190. The address of the secured party is: 312 West Whitewater Street, Whitewater, WI.
9. The term Mortgagor shall include all Mortgagors whether one or more, and the provisions hereof for reimbursement shall not apply as long as any named Mortgagor continues to both own and occupy the Property. Any individual Mortgagor who is married represents that the obligation evidenced by this instrument was incurred in the interest of Mortgagor’s marriage or family. The covenants of this Mortgage set forth herein shall be deemed joint and several among the Mortgagors.
10. Events of Default. Each of the following shall constitute an event of default under this Mortgage:
 - a. Failure to pay the indebtedness secured by this Mortgage when due;
 - b. Failure to perform any obligation contained in this Mortgage;
 - c. Any breach of any warranty or material misrepresentation made by Mortgagor in connection with this Mortgage or the Note;
 - d. The occurrence of a default under the Primary Mortgage; or
 - e. The transfer, sale, leasing, or conveyance of the Property, or any interest therein, within ten (10) years from the date of the Note.
11. In the event of default under the terms of this Mortgage, Mortgagee may, at its option, declare the whole amount of the unpaid principal due and payable, and collect it in a suit at law or by foreclosure of this Mortgage or by the exercise of any other remedy at law or equity. A default under the First Mortgage constitutes a default under this Mortgage. In case of default, all costs and expenses, including but not limited to, reasonable attorney fees, to

the extent not prohibited by law shall be added to the principal, become due as incurred, and in the event of foreclosure be included in the judgment.

12. Mortgagee may waive any default without waiving any other subsequent or prior default by Mortgagor.
13. In case of default, whether abated or not, all costs and expenses including reasonable attorneys' fees and expenses of title evidence to the extent not prohibited by law shall be added to the principal, become due as incurred, and, in the event of foreclosure, be included in the judgment.
14. In the event of any default by Mortgagor of any kind under this Mortgage or any note(s) secured by this Mortgage, Mortgagee may cure the default and all sums paid by Mortgagee for such purpose shall immediately be repaid by Mortgagor with interest at the rate then in effect under the note secured by this Mortgage and shall constitute a lien upon the Property.

SUBORDINATION AGREEMENT

Lender is Mortgagor's primary lender for Mortgagor's purchase of the Property and is the holder of a mortgage against the Property recorded on or about the closing date. To induce Lender to advance funds under its mortgage, Mortgagee does hereby unconditionally subordinate the lien created by this Agreement to the lien of Lender's mortgage.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the above date.

Without affecting the liability of Maker, Payee may, without notice, renew or extend the time for payment, accept partial payments, release or impair any collateral security for the payment of this Note or agree not to sue any party liable on it.

Maker agrees to pay all costs of collection, including reasonable attorneys' fees incurred by Payee in enforcing this Note. Maker hereby waives presentment, protest, demand and notice of dishonor. Maker may at any time and from time to time prepay all or any part of the unpaid principal of this Note, without penalty.

REAL ESTATE CONDITION REPORT Wisconsin law requires owners of property that includes one-to-four dwelling units to provide Buyers with a Real Estate Condition Report. Excluded from this requirement are sales of property that has never been inhabited, sales exempt from the real estate transfer fee, and sales by certain court-appointed fiduciaries, (for example, personal representatives who have never occupied the Property). The form of the Report is found in Wis. Stat. § 709.03. The law provides: "§ 709.02 Disclosure . . . the owner of the property shall furnish, not later than 10 days after acceptance of the contract of sale . . . to the prospective Buyer of the property a completed copy of the report . . . A prospective Buyer who does not receive a report within the 10 days may, within two business days after the end of that 10-day period, rescind the contract of sale . . . by delivering a written notice of rescission to the owner or the owner's agent." Buyer may also have certain rescission rights if a Real Estate Condition Report disclosing defects is furnished before expiration of the 10 days, but after the Offer is submitted to Seller. Buyer should review the report form or consult with an attorney for additional information regarding rescission rights.

199 to be separately inspected, e.g., swimming pool, roof, foundation, chimney, etc.) which discloses no Defects.

200 (3) Buyer may have follow-up inspections recommended in a written report resulting from an authorized inspection, provided
201 they occur prior to the Deadline specified at line 206. Inspection(s) shall be performed by a qualified independent
202 inspector or independent qualified third party.

203 Buyer shall order the inspection(s) and be responsible for all costs of inspection(s).

204 **CAUTION: Buyer should provide sufficient time for the home inspection and/or any specialized inspection(s), as**

211 of which Buyer had actual knowledge or written notice before signing this Offer.

212 **NOTE: "Defect" as defined on lines 445-447 means a condition that would have a significant adverse effect on the**

219 stating Seller's election to cure Defects;

220 (2) curing the Defects in a good and workmanlike manner; and

221 (3) delivering to Buyer a written report detailing the work done no later than three days prior to closing.

222 This Offer shall be null and void if Buyer makes timely delivery of the Notice of Defects and written inspection report(s) and:

223 (1) Seller does not have the right to cure; or

224 (2) Seller has the right to cure but:

225 (a) Seller delivers written notice that Seller will not cure; or

226 (b) Seller does not timely deliver the written notice of election to cure.

227 **NA RADON TESTING CONTINGENCY:** This Offer is contingent upon Buyer obtaining a current written report of the
228 results of a radon test at the Property performed by a qualified third party in a manner consistent with applicable
229 Environmental Protection Agency (EPA) and Wisconsin Department of Health Services (DHS) protocols and standards
230 indicating an EPA average radon level of less than 4.0 picoCuries per liter (pCi/L), at (Buyer's) (Seller's) **STRIKE ONE**
231 ("Buyer's" if neither is stricken) expense.

232 This contingency shall be deemed satisfied unless Buyer, within _____ days ("20" if left blank) after acceptance delivers
233 to Seller a written copy of the radon test results indicating a radon level of 4.0 pCi or higher and written notice objecting to
234 the radon level in the report.

235 ■ **RIGHT TO CURE:** Seller (shall)(shall not) **STRIKE ONE** ("shall" if neither is stricken) have the right to cure.

236 If Seller has the right to cure, Seller may satisfy this contingency by:

238 (2) installing a radon mitigation system in conformance with EPA standards in a good and workmanlike manner and by
239 giving Buyer a report of the work done and a post remediation test report indicating a radon level of less than 4.0 pCi/L
240 no later than three days prior to closing.

241 This Offer shall be null and void if Buyer timely delivers the above written notice and report to Seller and:

242 (1) Seller does not have the right to cure; or

243 (2) Seller has the right to cure but:

244 (a) Seller delivers written notice that Seller will not cure; or

245 (b) Seller does not timely deliver the notice of election to cure.

246 **NOTE: For radon information refer to the EPA at epa.gov/radon or the DHS at dhs.wisconsin.gov/radon.**

247 **IF LINE 248 IS NOT MARKED OR IS MARKED N/A LINES 296-307 APPLY.**

248 ☒ **FINANCING COMMITMENT CONTINGENCY:** This Offer is contingent upon Buyer being able to obtain a written
249 **Conventional** [loan type or specific lender, if any] first mortgage loan commitment as described
250 below, within 30 days after acceptance of this Offer. The financing selected shall be in an amount of not less than \$
251 129,000.00 for a term of not less than 30 years, amortized over not less than 30 years. Initial
252 monthly payments of principal and interest shall not exceed \$ 783.82. Buyer acknowledges that lender's
253 required monthly payments may also include 1/12th of the estimated net annual real estate taxes, hazard insurance
254 premiums, and private mortgage insurance premiums. The mortgage shall not include a prepayment premium. Buyer agrees
255 to pay discount points in an amount not to exceed _____% ("0" if left blank) of the loan. If Buyer is using multiple loan
256 sources or obtaining a construction loan or land contract financing, describe at lines 548-570 or in an addendum attached
257 per line 592. Buyer agrees to pay all customary loan and closing costs, wire fees, and loan origination fees, to promptly
258 apply for a mortgage loan, and to provide evidence of application promptly upon request of Seller. Seller agrees to allow
259 lender's appraiser access to the Property.

260 ■ **LOAN AMOUNT ADJUSTMENT:** If the purchase price under this Offer is modified, any financed amount, unless otherwise
261 provided, shall be adjusted to the same percentage of the purchase price as in this contingency and the monthly payments
262 shall be adjusted as necessary to maintain the term and amortization stated above.

263 **CHECK AND COMPLETE APPLICABLE FINANCING PROVISION AT LINE 264 or 265.**

264 ☒ **FIXED RATE FINANCING:** The annual rate of interest shall not exceed 6.125 %.

265 ☐ **ADJUSTABLE RATE FINANCING:** The initial interest rate shall not exceed _____%. The initial interest rate
266 shall be fixed for _____ months, at which time the interest rate may be increased not more than _____% ("2" if

268 The maximum interest rate during the mortgage term shall not exceed the initial interest rate plus _____% ("6" if
269 left blank). Monthly payments of principal and interest may be adjusted to reflect interest changes.

270 ■ **SATISFACTION OF FINANCING COMMITMENT CONTINGENCY:** If Buyer qualifies for the loan described in this Offer
271 or another loan acceptable to Buyer, Buyer agrees to deliver to Seller a copy of a written loan commitment.

272 This contingency shall be satisfied if, after Buyer's review, Buyer delivers to Seller a copy of a written loan commitment
273 (even if subject to conditions) that is:

274 (1) signed by Buyer; or

275 (2) accompanied by Buyer's written direction for delivery.

276 Delivery of a loan commitment by Buyer's lender or delivery accompanied by a notice of unacceptability shall not satisfy
277 this contingency.

278 **CAUTION: The delivered loan commitment may contain conditions Buyer must yet satisfy to obligate the lender to
279 provide the loan. Buyer understands delivery of a loan commitment removes the Financing Commitment
280 Contingency from the Offer and shifts the risk to Buyer if the loan is not funded.**

281 ■ **SELLER TERMINATION RIGHTS:** If Buyer does not deliver a loan commitment on or before the Deadline on line 250.
282 Seller may terminate this Offer if Seller delivers a written notice of termination to Buyer prior to Seller's Actual Receipt of
283 written loan commitment from Buyer.

284 ■ **FINANCING COMMITMENT UNAVAILABILITY:** If a financing commitment is not available on the terms stated in this
285 Offer (and Buyer has not already delivered an acceptable loan commitment for other financing to Seller), Buyer shall
286 promptly deliver written notice to Seller of same including copies of lender(s)' rejection letter(s) or other evidence of
287 unavailability.

288 ☒ **SELLER FINANCING:** Seller shall have 10 days after the earlier of:

289 (1) Buyer delivery of written notice of evidence of unavailability as noted in lines 284-287; or

290 (2) the Deadline for delivery of the loan commitment set on line 250

291 to deliver to Buyer written notice of Seller's decision to finance this transaction with a note and mortgage under the same
292 terms set forth in this Offer, and this Offer shall remain in full force and effect, with the time for closing extended accordingly.

293 If Seller's notice is not timely given, the option for Seller to provide financing shall be considered waived. Buyer agrees to
294 cooperate with and authorizes Seller to obtain any credit information reasonably appropriate to determine Buyer's credit
295 worthiness for Seller financing.

296 **IF THIS OFFER IS NOT CONTINGENT ON FINANCING COMMITMENT** Within _____ days ("7" if left blank)

297 acceptance, Buyer shall deliver to Seller either:

298 (1) reasonable written verification from a financial institution or third party in control of Buyer's funds that Buyer has, at
299 the time of verification, sufficient funds to close; or

300 (2) _____
301 _____ [Specify documentation Buyer agrees to deliver to Seller].

302 If such written verification or documentation is not delivered, Seller has the right to terminate this Offer by delivering written
303 notice to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written verification. Buyer may or may not obtain
304 mortgage financing but does not need the protection of a financing commitment contingency. Seller agrees to allow Buyer's
305 appraiser access to the Property for purposes of an appraisal. Buyer understands and agrees that this Offer is not subject
306 to the appraisal meeting any particular value, unless this Offer is subject to an appraisal contingency, nor does the right of
307 access for an appraisal constitute a financing commitment contingency.

308 **N/A APPRAISAL CONTINGENCY:** This Offer is contingent upon Buyer or Buyer's lender having the Property appraised
309 at Buyer's expense by a Wisconsin licensed or certified independent appraiser who issues an appraisal report dated

311 the agreed upon purchase price.

312 This contingency shall be deemed satisfied unless Buyer, within _____ days after acceptance, delivers to Seller a copy
313 of the appraisal report indicating an appraised value less than the agreed upon purchase price, and a written notice objecting
314 to the appraised value.

315 **RIGHT TO CURE:** Seller (shall) (shall not) **STRIKE ONE** ("shall" if neither is stricken) have the right to cure.

316 If Seller has the right to cure, Seller may satisfy this contingency by delivering written notice to Buyer adjusting the purchase
317 price to the value shown on the appraisal report within 5 days ("5" if left blank) after Buyer's delivery of the appraisal
318 report and the notice objecting to the appraised value. Seller and Buyer agree to promptly execute an amendment initiated
319 by either Party after delivery of Seller's notice, solely to reflect the adjusted purchase price.

320 This Offer shall be null and void if Buyer makes timely delivery of the notice objecting to appraised value and the written
321 appraisal report and:

322 (1) Seller does not have the right to cure; or

323 (2) Seller has the right to cure but:

324 (a) Seller delivers written notice that Seller will not adjust the purchase price; or

325 (b) Seller does not timely deliver the written notice adjusting the purchase price to the value shown on the appraisal
326 report.

327 **NOTE: An executed FHA, VA or USDA Amendatory clause may supersede this contingency.**

328 **N/A CLOSING OF BUYER'S PROPERTY CONTINGENCY:** This Offer is contingent upon the closing of the sale of
329 Buyer's property located at _____
330 no later than _____ (the Deadline). If closing does not occur by the Deadline, this

331 Offer shall become null and void unless Buyer delivers to Seller, on or before the Deadline, reasonable written verification
332 from a financial institution or third party in control of Buyer's funds that Buyer has, at the time of verification, sufficient funds
333 to close or proof of bridge loan financing, along with a written notice waiving this contingency. Delivery of verification or
334 proof of bridge loan shall not extend the closing date for this Offer.

335 **N/A BUMP CLAUSE:** If Seller accepts a bona fide secondary offer, Seller may give written notice to Buyer that another
336 offer has been accepted. If Buyer does not deliver to Seller the documentation listed below within 72 hours ("72" if
337 left blank) after Buyer's Actual Receipt of said notice, this Offer shall be null and void. Buyer must deliver the following:

338 (1) Written waiver of the Closing of Buyer's Property Contingency if line 328 is marked;

339 (2) Written waiver of N/A _____ (name other contingencies, if any); and

340 (3) Any of the following checked below:

341 ☒ Proof of bridge loan financing.

342 ☒ Proof of ability to close from a financial institution or third party in control of Buyer's funds which shall provide
343 Seller with reasonable written verification that Buyer has, at the time of verification, sufficient funds to close.

344 Other: _____
345 _____

346 [insert other requirements, if any (e.g., payment of additional earnest money, etc.)]

347 **N/A SECONDARY OFFER:** This Offer is secondary to a prior accepted offer. This Offer shall become primary upon
348 delivery of written notice to Buyer that this Offer is primary. Unless otherwise provided, Seller is not obligated to give Buyer
349 notice prior to any Deadline, nor is any particular secondary buyer given the right to be made primary ahead of other
350 secondary buyers. Buyer may declare this Offer null and void by delivering written notice of withdrawal to Seller prior to
351 delivery of Seller's notice that this Offer is primary. Buyer may not deliver notice of withdrawal earlier than 7 days ("7"
352 if left blank) after acceptance of this Offer. All other Offer Deadlines that run from acceptance shall run from the time this
353 Offer becomes primary.

354 **HOMEOWNERS ASSOCIATION** If this Property is subject to a homeowners association, Buyer is aware the Property may
355 be subject to periodic association fees after closing and one-time fees resulting from transfer of the Property. Any one-time

fees resulting from transfer of the Property shall be paid at closing by (Seller) (~~Buyer~~) **STRIKE ONE** ("Buyer" if ne
stricken).

CLOSING PRORATIONS The following items, if applicable, shall be prorated at closing, based upon date of closing values:
real estate taxes, rents, prepaid insurance (if assumed), private and municipal charges, property owners or homeowners
association assessments, fuel and No exceptions

CAUTION: Provide basis for utility charges, fuel or other prorations if date of closing value will not be used.

Any income, taxes or expenses shall accrue to Seller, and be prorated at closing, through the day prior to closing.

Real estate taxes shall be prorated at closing based on CHECK BOX FOR APPLICABLE PRORATION FORMULA:

☒ The net general real estate taxes for the preceding year, or the current year if available (Net general real estate
taxes are defined as general property taxes after state tax credits and lottery credits are deducted). NOTE: THIS CHOICE
APPLIES IF NO BOX IS CHECKED.

☐ Current assessment times current mill rate (current means as of the date of closing).

☐ Sale price, multiplied by the municipality area-wide percent of fair market value used by the assessor in the prior
year, or current year if known, multiplied by current mill rate (current means as of the date of closing).

**CAUTION: Buyer is informed that the actual real estate taxes for the year of closing and subsequent years may be
substantially different than the amount used for proration especially in transactions involving new construction,
extensive rehabilitation, remodeling or area-wide re-assessment. Buyer is encouraged to contact the local
assessor regarding possible tax changes.**

☐ Buyer and Seller agree to re-prorate the real estate taxes, through the day prior to closing based upon the taxes on
the actual tax bill for the year of closing, with Buyer and Seller each owing his or her pro-rata share. Buyer shall, within 5
days of receipt, forward a copy of the bill to the forwarding address Seller agrees to provide at closing. The Parties shall
re-prorate within 30 days of Buyer's receipt of the actual tax bill. Buyer and Seller agree this is a post-closing obligation
and is the responsibility of the Parties to complete, not the responsibility of the real estate Firms in this transaction.

TITLE EVIDENCE

■ **CONVEYANCE OF TITLE:** Upon payment of the purchase price, Seller shall convey the Property by warranty deed
(trustee's deed if Seller is a trust, personal representative's deed if Seller is an estate or other conveyance as
provided herein), free and clear of all liens and encumbrances, except: municipal and zoning ordinances and agreements
entered under them, recorded easements for the distribution of utility and municipal services, recorded building and use
restrictions and covenants, present uses of the Property in violation of the foregoing disclosed in Seller's Real Estate
Condition Report and in this Offer, general taxes levied in the year of closing and None Other

(insert other allowable exceptions from title, if any)
that constitutes merchantable title for purposes of this transaction. Seller, at Seller's cost, shall complete and execute the
documents necessary to record the conveyance and pay the Wisconsin Real Estate Transfer Fee.

**WARNING: Municipal and zoning ordinances, recorded building and use restrictions, covenants and easements
may prohibit certain improvements or uses and therefore should be reviewed, particularly if Buyer contemplates
making improvements to Property or a use other than the current use.**

■ **TITLE EVIDENCE:** Seller shall give evidence of title in the form of an owner's policy of title insurance in the amount of
the purchase price on a current ALTA form issued by an insurer licensed to write title insurance in Wisconsin. Seller shall
pay all costs of providing title evidence to Buyer. Buyer shall pay the costs of providing the title evidence required by Buyer's
lender and recording the deed or other conveyance.

■ **GAP ENDORSEMENT:** Seller shall provide a "gap" endorsement or equivalent gap coverage at (Seller's)(Buyer's)
STRIKE ONE ("Seller's" if neither stricken) cost to provide coverage for any liens or encumbrances first filed or recorded
after the commitment date of the title insurance commitment and before the deed is recorded, subject to the title insurance
policy conditions, exclusions and exceptions, provided the title company will issue the coverage. If a gap endorsement or
equivalent gap coverage is not available, Buyer may give written notice that title is not acceptable for closing (see lines 410-
415).

■ **DELIVERY OF MERCHANTABLE TITLE:** The required title insurance commitment shall be delivered to Buyer's attorney
or Buyer not less than 5 business days before closing, showing title to the Property as of a date no more than 15 days
before delivery of such title evidence to be merchantable per lines 383-391, subject only to liens that will be paid out of the
proceeds of closing and standard title insurance requirements and exceptions.

■ **TITLE NOT ACCEPTABLE FOR CLOSING:** If title is not acceptable for closing, Buyer shall notify Seller in writing of
objections to title by the time set for closing. Seller shall have a reasonable time, but not exceeding 15 days, to remove the
objections, and the time for closing shall be extended as necessary for this purpose. If Seller is unable to remove said
objections, Buyer shall have five days from receipt of notice thereof, to deliver written notice waiving the objections, and the
time for closing shall be extended accordingly. If Buyer does not waive the objections, this Offer shall be null and void.
Providing title evidence acceptable for closing does not extinguish Seller's obligations to give merchantable title to Buyer.

■ **SPECIAL ASSESSMENTS/OTHER EXPENSES:** Special assessments, if any, levied or for work actually commenced
prior to the date stated on line 1 of this Offer shall be paid by Seller no later than closing. All other special assessments

418 shall be paid by Buyer. "Levied" means the local municipal governing body has adopted and published a final res
419 describing the planned improvements and the assessment of benefits. Item 7.

420 **CAUTION: Consider a special agreement if area assessments, property owners association assessments, special**
421 **charges for current services under Wis. Stat. § 66.0627 or other expenses are contemplated. "Other expenses" are**
422 **one-time charges or ongoing use fees for public improvements (other than those resulting in special assessments)**
423 **relating to curb, gutter, street, sidewalk, municipal water, sanitary and storm water and storm sewer (including all**
424 **sewer mains and hook-up/connection and interceptor charges), parks, street lighting and street trees, and impact**
425 **fees for other public facilities, as defined in Wis. Stat. § 66.0617(1)(f).**

426 **LEASED PROPERTY** If Property is currently leased and lease(s) extend beyond closing, Seller shall assign Seller's rights
427 under said lease(s) and transfer all security deposits and prepaid rents thereunder to Buyer at closing. The terms of the
428 (written) (oral) **STRIKE ONE** lease(s), if any, are N/A

429 _____
430 _____. Insert additional terms, if any, at lines 548-570 or attach as an addendum per line 592.

431 **DEFINITIONS**

432 ■ **ACTUAL RECEIPT:** "Actual Receipt" means that a Party, not the Party's recipient for delivery, if any, has the document
433 or written notice physically in the Party's possession, regardless of the method of delivery. If the document or written notice
434 is electronically delivered, Actual Receipt shall occur when the Party opens the electronic transmission.

435 ■ **BUSINESS DAY:** "Business Day" means a calendar day other than Saturday, Sunday, any legal public holiday under
436 Wisconsin or Federal law, and any other day designated by the President such that the postal service does not receive
437 registered mail or make regular deliveries on that day.

438 ■ **DEADLINES:** "Deadlines" expressed as a number of "days" from an event, such as acceptance, are calculated by
439 excluding the day the event occurred and by counting subsequent calendar days. The Deadline expires at Midnight on the
440 last day. Additionally, Deadlines expressed as a specific number of Business Days are calculated in the same manner
441 except that only Business Days are counted while other days are excluded. Deadlines expressed as a specific number of
442 "hours" from the occurrence of an event, such as receipt of a notice, are calculated from the exact time of the event, and by
443 counting 24 hours per calendar day. Deadlines expressed as a specific day of the calendar year or as the day of a specific
444 event, such as closing, expire at Midnight of that day. "Midnight" is defined as 11:59 p.m. Central Time.

445 ■ **DEFECT:** "Defect" means a condition that would have a significant adverse effect on the value of the Property; that would
446 significantly impair the health or safety of future occupants of the Property; or that if not repaired, removed or replaced would
447 significantly shorten or adversely affect the expected normal life of the premises.

448 ■ **FIRM:** "Firm" means a licensed sole proprietor broker or a licensed broker business entity.

449 ■ **PARTY:** "Party" means the Buyer or the Seller; "Parties" refers to both Buyer and Seller.

450 ■ **PROPERTY:** Unless otherwise stated, "Property" means the real estate described at lines 4-8.

451 **INCLUSION OF OPTIONAL PROVISIONS** Terms of this Offer that are preceded by an OPEN BOX (☐) are part of
452 this Offer ONLY if the box is marked such as with an "X". They are not part of this offer if marked "N/A" or are left blank.

453 **PROPERTY DIMENSIONS AND SURVEYS** Buyer acknowledges that any land, building or room dimensions, or total
454 acreage or building square footage figures, provided to Buyer by Seller or by a Firm or its agents, may be approximate
455 because of rounding, formulas used or other reasons, unless verified by survey or other means.

456 **CAUTION: Buyer should verify total square footage formula, total square footage/acreage figures, and land,**
457 **building or room dimensions, if material.**

458 **DISTRIBUTION OF INFORMATION** Buyer and Seller authorize the agents of Buyer and Seller to: (i) distribute copies of
459 the Offer to Buyer's lender, appraisers, title insurance companies and any other settlement service providers for the
460 transaction as defined by the Real Estate Settlement Procedures Act (RESPA); (ii) report sales and financing concession
461 data to multiple listing service sold databases; (iii) provide active listing, pending sale, closed sale and financing concession
462 information and data, and related information regarding seller contributions, incentives or assistance, and third party gifts,
463 to appraisers researching comparable sales, market conditions and listings, upon inquiry; and (iv) distribute copies of this
464 Offer to the seller, or seller's agent, of another property that Seller intends on purchasing.

465 **MAINTENANCE** Seller shall maintain the Property and all personal property included in the purchase price until the earlier
466 of closing or Buyer's occupancy, in materially the same condition it was in as of the date on line 1 of this Offer, except for
467 ordinary wear and tear and changes agreed upon by Parties.

468 **PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING** If, prior to closing, the Property is damaged in an
469 amount not more than five percent of the purchase price, other than normal wear and tear, Seller shall promptly notify Buyer
470 in writing, and will be obligated to restore the Property to materially the same condition it was in as of the date on line 1 of
471 this Offer. Seller shall provide Buyer with copies of all required permits and lien waivers for the lienable repairs no later than
472 closing. If the amount of damage exceeds five percent of the purchase price, Seller shall promptly notify Buyer in writing of
473 the damage and this Offer may be terminated at option of Buyer. Should Buyer elect to carry out this Offer despite such
474 damage, Buyer shall be entitled to the insurance proceeds, if any, relating to the damage to the Property, plus a credit
475 towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However, if this sale is financed
476 by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring

477 the Property.

478 **BUYER'S PRE-CLOSING WALK-THROUGH** Within three days prior to closing, at a reasonable time pre-approved by
479 Seller or Seller's agent, Buyer shall have the right to walk through the Property to determine that there has been no
480 significant change in the condition of the Property, except for ordinary wear and tear and changes agreed upon by Parties,
481 and that any defects Seller has agreed to cure have been repaired in the manner agreed to by the Parties.

482 **OCCUPANCY** Occupancy of the entire Property shall be given to Buyer at time of closing unless otherwise provided in
483 this Offer at lines 548-570 or in an addendum attached per line 592, or lines 426-430 if the Property is leased. At time of
484 Buyer's occupancy, Property shall be in broom swept condition and free of all debris, refuse, and personal property except
485 for personal property belonging to current tenants, or sold to Buyer or left with Buyer's consent. Occupancy shall be given
486 subject to tenant's rights, if any.

487 **DEFAULT** Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and
488 conditions of this Offer. A material failure to perform any obligation under this Offer is a default that may subject the defaulting
489 party to liability for damages or other legal remedies.

490 If Buyer defaults, Seller may:

- 491 (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or
492 (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for actual
493 damages.

494 If Seller defaults, Buyer may:

- 495 (1) sue for specific performance; or
496 (2) terminate the Offer and request the return of the earnest money, sue for actual damages, or both.

497 In addition, the Parties may seek any other remedies available in law or equity. The Parties understand that the availability
498 of any judicial remedy will depend upon the circumstances of the situation and the discretion of the courts. If either Party
499 defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution instead of the remedies outlined above.
500 By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of law those disputes covered by the
501 arbitration agreement.

507 **ENTIRE CONTRACT** This Offer, including any amendments to it, contains the entire agreement of the Buyer and Seller
508 regarding the transaction. All prior negotiations and discussions have been merged into this Offer. This agreement binds
509 and inures to the benefit of the Parties to this Offer and their successors in interest.

512 or by telephone at (608) 240-5830.

513 **FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA)** Section 1445 of the Internal Revenue Code (IRC)
514 provides that a transferee (Buyer) of a United States real property interest must pay or withhold as a tax up to 15% of the
515 total "Amount Realized" in the sale if the transferor (Seller) is a "Foreign Person" and no exception from FIRPTA withholding
516 applies. A "Foreign Person" is a nonresident alien individual, foreign corporation, foreign partnership, foreign trust, or foreign
517 estate. The "Amount Realized" is the sum of the cash paid, the fair market value of other property transferred, and the
518 amount of any liability assumed by Buyer.

519 **CAUTION: Under this law if Seller is a Foreign Person, and Buyer does not pay or withhold the tax amount, Buyer**
520 **may be held directly liable by the U.S. Internal Revenue Service for the unpaid tax and a tax lien may be placed**
521 **upon the Property.**

522 Seller hereby represents that Seller is a non-Foreign Person, unless (1) Seller represents Seller is a Foreign Person in a
523 condition report incorporated in this Offer per lines 105-108, or (2) no later than 10 days after acceptance, Seller delivers
524 notice to Buyer that Seller is a Foreign Person, in which cases the provisions on lines 530-532 apply.

525 **IF SELLER IS A NON-FOREIGN PERSON.** Seller shall, no later than closing, execute and deliver to Buyer, or a qualified
526 substitute (attorney or title company as stated in IRC § 1445), a sworn certification under penalties of perjury of Seller's
527 non-foreign status in accordance with IRC § 1445. If Seller fails to timely deliver certification of Seller's non-foreign status,
528 Buyer shall: (1) withhold the amount required to be withheld pursuant to IRC § 1445; or, (2) declare Seller in default of this
529 Offer and proceed under lines 494-501.

530 **IF SELLER IS A FOREIGN PERSON.** If Seller has represented that Seller is a Foreign Person, Buyer shall withhold the
531 amount required to be withheld pursuant to IRC § 1445 at closing unless the Parties have amended this Offer regarding
532 amounts to be withheld, any withholding exemption to be applied, or other resolution of this provision.

533 **COMPLIANCE WITH FIRPTA.** Buyer and Seller shall complete, execute, and deliver, on or before closing, any instrument,
534 affidavit, or statement needed to comply with FIRPTA, including withholding forms. If withholding is required under IRC §
535 1445, and the net proceeds due Seller are not sufficient to satisfy the withholding required in this transaction, Seller shall

538 affidavits, and certificates necessary for FIRPTA withholding and any withholding agent fees.

539 **Any representations made by Seller with respect to FIRPTA shall survive the closing and delivery of the deed.**
540 Firms, Agents, and Title Companies are not responsible for determining FIRPTA status or whether any FIRPTA exemption
541 applies. The Parties are advised to consult with their respective independent legal counsel and tax advisors regarding
542 FIRPTA.

543 ☒ **SELLER PAYMENT OF COMPENSATION TO BUYER'S FIRM:** Seller agrees to pay to Buyer's Firm the amount of
544 3% (e.g., dollar amount, % of purchase price, etc.), toward Buyer's brokerage
545 fees at closing. Payment made under this provision represents an economic adjustment only and does not create any
546 agency relationship between Buyer's Firm and Seller, and the Parties agree Buyer's Firm is a direct and intended third party
547 beneficiary of this contract.

Agenda Item: Memo regarding status of CDA-owned parcels BIRW 00003A, BIRW 00002, & BIRW 00001 on Jefferson St

Staff Contact (name, email, phone): Mason Becker, mbecker@whitewater-wi.gov, 262.443.4458

BACKGROUND

(Enter the who, what when, where, why)

Several months ago, the CDA and the city completed a property swap with Faith Tanis Properties, LLC. The CDA took ownership of the former “Wrap & Ship” parcel, located at 116 E Main St, which adjoins other land already owned by the CDA, in exchange for a piece of land in the Business Park located at the corner of Bluff Rd and Greenway Ct (Parcel ID /A444200003), where Tanis is currently constructing new commercial contractor buildings.

City staff have been having internal discussions regarding the property. The current building is small, and unlikely to attract significant interest from potential commercial tenants. At the same time, the site is well positioned on the edge of the city’s downtown, and could make for an attractive site for a redevelopment project.

The Community Development Department has begun soliciting bids for possible demo of the building. It is likely that a selected bid will come to the CDA board for approval at a future meeting.

The city has also engaged with Redevelopment Resources to evaluate the site, in order to make an informed opinion on likely future “highest and best use” of the site. After that recommendation is made, city staff intend to solicit Requests for Proposal from appropriate private developers.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS

(Dates, committees, action taken)

- The Common Council and CDA board both previously approved the property swap agreement and a subsequent amendment which clarified the timing and other details of the transaction

Update on Status of Whitewater's Downtown Prepared for the CDA Board and Common Council

Introduction

The Community Development Department has been requested by council members and the city manager to provide a status update on the City of Whitewater's downtown area. This memo is prepared to inform the CDA board, Common Council, and residents about current efforts to continue sustaining and improving the city's downtown area.

It should be noted that the city is not the sole entity responsible for maintaining the downtown. Local organizations such as the Whitewater Area Chamber of Commerce and Downtown Whitewater, Inc also play a leading role in ensuring the downtown area remains a resilient focal point of the community in terms of the local economy, maintaining a quality of life for residents, and being attractive to visitors.

Downtown area definition

This report takes a focused examination of the downtown area, which approximates with the current boundary of Tax Incremental District (TID) #12, which was created in 2021. TID #12 is displayed here in green.

The Community Development Department recently conducted a visual survey of the above area on January 5, 2026. This snapshot of the downtown area showed the following:

Occupancy Table:

Category	Occupied	Occupancy Rate (%) (Occupied/Total*100)
Food & Beverage	23	33%
Retail & Specialty Shops	9	13%
Health & Wellness	4	5%
Professional Services	9	13%
Beauty & Personal Care	7	10%
Arts & Design	2	3%
Other	3	4%
Total	57	

Currently Vacant Downtown Storefronts:

- 147 W Whitewater
- 106 W Center
- 166 W Center
- 160 W Center
- 139 W Center
- 137 W Center
- 183, 185, 187 W Main (Bower's House, currently for sale)
- 161 W Main Street
- 147 W Main Street
- 113 E Main Street Suite C

Vacancy Rate: 15% (10 of 68 ground floor storefronts)

Occupancy Mix by Type – Downtown Whitewater (Jan 2026)

National benchmarks for small to mid-sized communities often cite 5%–10% as ideal for retail corridors, allowing for normal turnover and flexibility. Wisconsin Main Street program guidance and similar economic development sources generally consider under 10% as healthy.

Seasonal fluctuations and redevelopment projects can temporarily push rates higher, but sustained vacancy above 12% usually indicates structural challenges (e.g., demand gaps, building conditions, or zoning issues).

The vacancy rate of $\approx 15\%$ is above the typical healthy range, suggesting an opportunity for targeted strategies like business recruitment, pop-up programs, or adaptive reuse initiatives.

Habitat for Humanity development

A recent positive development for the area immediately adjacent to the downtown area is the recent approval of Habitat for Humanity of Walworth County’s redevelopment project of the 212 E Main St site. Habitat recently received a Conditional Use Permit, which will allow for the construction of two new duplex buildings (four units total), of owner-occupied single-family attached housing.

This redevelopment of a formerly blighted parcel will result in a formerly assessed property of \$60,700.00 (2024 assessment) to be assessed at a projected \$1.2 million once construction is finished. Bringing more working individuals and families living within close proximity to the downtown is a logical way to help ensure businesses see a steady flow of customers throughout the year.

Jefferson Street redevelopment

The Community Development Authority currently owns three separate parcels that comprise approximately 1.4 acres within the eastern boundary of TID #12, including the now vacant “Wrap & Ship” building (116 E Main St), which was part of a property swap agreement with Faith Tanis Properties, LLC for land in the Business Park.

The building currently located on the property has a small footprint and is unlikely to attract strong commercial business interest. Further, there are other more attractive available first-floor spaces available for lease or sale downtown. At the same time, the site is well located and could be considered a future focal point of the downtown, given its high visibility near the intersection of E Main St and E Milwaukee St. Given those factors, staff believe that this is an obvious site for a CDA-initiated catalytic redevelopment project, with an aim of bringing the property back on the tax rolls at a much higher use.

With that in mind, the Community Development Department has begun soliciting bids for possible demolition of the “Wrap & Ship” building. It is likely that a selected bid will come to the CDA board for approval at a future meeting.

City staff have also engaged with Redevelopment Resources (a recognized Wisconsin-based firm that has done work for the city in the past) to evaluate the site, in order to make an informed opinion on likely future “highest and best use” of the site. After that recommendation is made, city staff intend to solicit Requests for Proposal from appropriate private developers.

Possible Future Veteran’s Park

Another CDA-owned property within the downtown area is a small 0.15 acre parcel located at 108 W Main St. This was the former location of the “Baker’s Building”, which was torn down in the later part of 2025. This location has been suggested as a future home of a small city park, which could include a new veteran’s memorial, or possibly relocation of an existing monument. Given the small size of the parcel and its close proximity to Whitewater Creek, a park is a sensible use of this location.

The Community Development Department has contacted the University of Wisconsin – Madison’s Bachelor of Landscape Architecture program, to solicit design services for this park. Once site design is completed, future site construction could be funded through the Parks & Recreation Department budget, TID #12 funds, donations, or applicable grants.

Code Enforcement Activities

The Community Development Department contracts with Municipal Code Enforcement for code enforcement activities as well as zoning administration. In 2025, a total of 19 permits, Conditional Use Permits, and property maintenance orders were issued within the downtown area. One letter was sent out to all property owners in the downtown regarding removal of pet waste.

In general, city staff intend to continue working with Municipal Code Enforcement to take a more proactive and less reactive approach to code enforcement throughout the city, including in the downtown area. Proper code enforcement can help ensure properties are maintained, property values are preserved, and economically vital areas like the downtown remain attractive to both residents and visitors.

Business Retention & Expansion (BRE) visits

The city recently resumed its BRE visit program and conducted three initial visits in late 2025. This program will continue throughout 2026, with a goal of 24 visits total. Two visits have already been scheduled for January 2026. Visits are conducted in coordination with the Whitewater Area Chamber of Commerce's Executive Director.

BRE visits are a recognized "best practice" in economic development and are an opportunity to learn about local business needs, future opportunities, and to maintain positive public-private relationships. Business specific information is maintained confidentially.

While the BRE program is not currently focusing specifically on the downtown, one recent visit was to Premier Bank's location in downtown Whitewater. Any business located within the City of Whitewater can request a BRE visit by contacting the city's Economic Development Coordinator, Ashwini Rao (arao@whitewater-wi.gov).

CDA Façade Loan Program

Since 1991, the Community Development Authority has maintained a Commercial Façade Loan Program, which operates on a revolving basis (i.e. monies loaned out are repaid and go back into the loan fund). The goal of the program is to maintain and preserve commercial properties, increase retail foot traffic, preserve current businesses, and attract new businesses. Funds may be used for items such as exterior painting, masonry work, awnings, exterior lighting, entrance enhancement, etc.

Currently, two downtown borrowers are utilizing this program. Bower's House (187 W Main St) received a loan of \$75,000 in 2022 and Shabani Investments (136 W Main St) received a loan of \$50,000 in 2024.

A total of just over \$42,000.00 currently remains available to loan out. At the January 15, 2026 meeting, the CDA board will be presented with some suggested policy recommendations to continue preserving the program into the future, and staff plan to re-publicize the program as we approach Spring 2026.

Other CDA Loan Programs

Action Fund Loan Program

The primary purpose of the program is to provide stop gap financing to startup businesses. The Action Fund has been typically used to match the Capital Catalyst funds and currently has a balance of \$465,000 in two separate accounts. At the December CDA meeting, the Board agreed to consolidate the two Action fund accounts into a single account to ensure efficiency. The Action Fund has three loans in active repayment- Pauquette Center, Learning Depot and SafePro Tech. Loans in default are Fine Food Arts and Slipstream under this funding. Edgerton Hospital loan is a forgivable loan and so is in deferral. SafePro Technologies is also in deferral as it is a new loan.

Capital Catalyst Loan Program

As of Nov 30, the Capital Catalyst Loan Fund has a balance of approximately \$141,346. The Capital Catalyst Fund makes grants, debt and equity investments in startup and early-stage businesses. Funds are typically invested into innovation-based businesses located in, or those that will locate within, the City of Whitewater or those businesses having a direct effect upon the local economic well-being of the City. Capital Catalyst has two loans provided to Slipstream and one to Scanalytics that are in default.

Moving Forward, City Staff and Finance Dept. will collaborate on best practices and agreeable terms and conditions for these loans. City Staff will also develop a framework and recommendations for the use of Catalyst/Action fund monies, which may be used to assist existing downtown businesses and start-ups.

Infrastructure

In limited instances, the city has provided direct infrastructure support, when needed, to downtown local businesses. In August 2024, John Beres Builders, Inc conducted sanitary sewer and water lateral installation for the “Bower’s House” property (187 W Main St). This was done in order to replace the previous lead lateral, upsize to a more appropriately sized water lateral, and maintain a critical downtown property, which is currently for sale.

Along with other organizations, the Community Development Department maintains a positive relationship with the Wisconsin Economic Development Corporation (WEDC) and

recently met with their staff in November 2025 to discuss potential future opportunities for assistance and collaboration.

WEDC offers several programs that can assist with downtown property development, revitalization, and expansion. One example is the Community Development Investment (CDI) program. The City of Whitewater previously utilized a CDI grant in FY 2022 to assist with renovations of the Bower's House property. Other WEDC programs can assist with small business training, innovation, and brownfield remediation and redevelopment.

The city is also able to utilize Tax Increment Financing (TIF) dollars to support infrastructure projects in the downtown, which may directly or indirectly support local businesses. Further, the Community Development Authority's loan programs are also a source of assistance for downtown businesses, as noted previously in this memo.

Partner Organizations

It should be noted that the Community Development Department team remains engaged with stakeholder groups within the downtown area, including the Whitewater Area Chamber of Commerce, which the Community Development Director is a meeting-attending board member of.

Further, as council members received a memo update on in the December 16, 2025 Common Council meeting packet, staff are working with Downtown Whitewater, Inc on a new Memorandum of Understanding (MOU), which will be brought to council at a later date. The MOU will cover mutually agreed upon expectations regarding events, downtown beautification, reporting, marketing, and other efforts, in consideration of the city's continued annual investment in the organization. Downtown Whitewater, Inc is currently in the process of forming a new board, and the Community Development Director will be meeting with them later this month.

Summary

Whitewater's downtown remains a central economic and community asset, supported by a diverse mix of businesses, but current data shows a ground-floor vacancy rate of approximately 15 percent—above generally accepted benchmarks for a healthy downtown corridor. In response, the City of Whitewater, through the Community Development Department and Community Development Authority, is actively pursuing targeted redevelopment of underutilized properties, reinvestment through long-standing loan programs, nearby housing development, infrastructure support, resumed business retention efforts, and strengthened partnerships with local and state organizations. These actions reflect a deliberate strategy to stabilize occupancy, return properties to productive use, and position the downtown for sustained reinvestment and long-term vitality rather than relying on market forces alone.

Meeting Date:	January 15, 2026
Agenda Item:	TIF request for Pre/3 multifamily residential development on Lot 10B
Staff Contact (name, email, phone):	Mason Becker, mbecker@whitewater-wi.gov , 262.443.4458

BACKGROUND

(Enter the who, what when, where, why)

As board members may be aware, the Plan and Architectural Review Commission has recently reviewed and approved requests to rezone and amend the Future Land Use Map for Parcel A444200001, located at the terminus of E. Main Street. The parcel is currently under contract, and the proposed development consists of a 5 building, 60-unit multifamily residential project.

Ehlers, the City's tax incremental financing (TIF) advisors, has completed a review of the developer's request for TIF assistance associated with this proposal. Representatives from Ehlers will be present at this meeting to summarize their findings, discuss fiscal considerations, and respond to questions from the CDA board.

From a land use perspective, staff continue to believe that this parcel is no longer well-positioned for industrial development. While job-creation and industrial growth remain an important City objective, other City-owned or strategically located sites with superior access, infrastructure, and market visibility have continued to generate stronger interest from potential industrial users. In contrast, housing, both rental and owner-occupied, has been consistently identified as a community need through multiple local and regional studies.

Given its location, surrounding development pattern, and proximity to existing infrastructure, staff views this site as a strong candidate for infill residential development that aligns with current housing needs and adopted planning objectives.

PREVIOUS ACTIONS – COMMITTEE RECOMMENDATIONS

(Dates, committees, action taken)

- The CDA approved sale of the property to the developer on February 26, 2025
- The rezoning and plan amendment requests were approved at PARC on October 13, 2025

FINANCIAL IMPACT

(If none, state N/A)

Development of this currently tax-exempt parcel will generate new property tax revenue, as well as providing needed workforce type housing in the city, which will fit in with the surrounding neighborhood.

STAFF RECOMMENDATION

No formal action is needed at this time. The Common Council will be reviewing the TIF request along with the rezoning and plan amendment recommendations from the PARC at the January 20, 2026 Common Council meeting. If approved at that time, staff will continue working on a full Development Agreement which will come back to the CDA board for review and approval.

MEMORANDUM - DRAFT

TO: John Weidl – City Manager, City of Whitewater
Mason Becker, Economic Development Director, City of Whitewater

FROM: Schane Rudlang - Ehlers

DATE: January 8, 2026

SUBJECT: Financial Review – Pre3 Multifamily Development

The City of Whitewater (“City”) received a request of public assistance for \$1,800,000 of Tax Increment Financing (“TIF”) from Pre3 Development (“Developer”) for the construction of a 60-unit market rate multifamily development that would be located at APN/A444200001 (“Project”). This memo summarizes the review of the financial request and makes recommendations for the assistance to be provided to the Project.

Project Background

Draft site and architectural plans were provided. The Project is five, two-story, 12-unit multifamily buildings with attached garages. All units would be market rate and would not be restricted by income or rent limits. The units are similar in size and rent, as shown on the table below.

Unit Type	Monthly Rent	Unit Count	Size Sq. Ft.
2BR (Upper)	\$1,650	20	1,144
2BR (Upper Split)	\$1,650	20	1,075
2BR (Lower)	\$1,650	20	1,067

The Project would be financed by a standard equity and debt model as outlined below.

SOURCES			
	Amount	Pct.	Per Unit
First Mortgage	8,958,950	75%	149,316
Equity	2,986,317	25%	49,772
TOTAL SOURCES	11,945,266	100%	199,088

USES			
	Amount	Pct.	Per Unit
Acquisition Costs	182,000	2%	3,033
Construction Costs	10,869,406	91%	181,157
Financing Costs	337,499	3%	5,625
Developer Fee	556,361	5%	9,273
TOTAL USES	11,945,266	100%	199,088

Financial Review

The Developer submitted financial information (“Proforma”) for the Project to the City. Ehlers entered that information into an Ehlers Proforma model and reviewed the financials in the context of similar projects and relevant market information. Ehlers then makes adjustments to the Proforma to ‘stress test’ whether the requested TIF is warranted. Ehlers also calculates the amount of TIF that would be

generated by the Project using information from the assessor for the jurisdiction. Projects should perform well enough to receive bank financing and make a normal market profit on the equity invested, but the public assistance should not result in above-market profits.

Total Development Cost - The cost per unit is \$199,088 and \$181 per rentable square foot. These prices are typical for the market.

Rent, Revenue, and Operating Expenses – Market rents average \$1.51 per square foot, which is within the market for this area and supported by Ehlers' review of rents in the market using CoStar, a real estate data analytics aggregator. The development fee is 4.7%, which is within the normal range of 3-5%. The operating cost per unit before taxes, management and reserves is \$3,915 per year, and the operating cost ratio is 39%; both are within normal market ranges.

Debt and Equity – Equity is the consideration (usually cash) that a Developer or investor provides as a 'down payment' on the total development cost. For this Project, the Developer is providing 25% equity and financing the remainder with a traditional mortgage. Equity contributions for similar projects range from 20-45%.

Financial Performance – Three financial performance metrics are reviewed, which are typical in the industry. A summary of how they are calculated and how this Project performs (with the recommended TIF) is as follows.

Metric	Calculation	Project Performance	Notes
Yield on Cost	Net Operating Income ("NOI") divided by the total development costs (less any grants)	7.0% at stabilization	6.5 - 7.0% is typical, banks want to see 7.0%
Cash on Cash	NOI less debt service divided by equity	11.7% average annual Cash on Cash when TIF ends	Ehlers prefers to see this metric at ~10% when TIF ends
Internal Rate of Return ("IRR")	Annualized return on equity from annual cashflow and sale value, calculated in year 10	13.9% at year 10	12-15% is typical, currently

Overall, the Project performs within normal market ranges with the TIF recommended below.

Developer TIF Request and Ehlers TIF Calculations

The Developer requested TIF in the gross amount (no present value or interest payments) of \$1,800,000 paid over 15 years and from 80% of gross increment created annually via a pay-as-you-go ("PayGo") municipal revenue obligation ("MRO"). PayGo MROs have little to no risk for the City.

Ehlers, using data from the assessor, calculates the gross TIF generated by the Project over 15 years using 80% annually to be \$1,687,000, which is equal to \$979,000 expressed as a present value. This is 7.9% of the total development cost. This amount is warranted to support market rate levels of financial returns.

Further details on the recommended structure of the MRO is as follows:

- **Amount:** \$979,000 (Principal TIF amount, financed at 6.25% or the developers first mortgage rate, whichever is less)
- **Annual Share:** Paid out from 80% of TIF annually generated by the Project above the base value, City will retain 20% annually
- **Term:** Last possible payment year is 2042, no payments will be made after 2042
- **Pay as you go:** City would agree to pay TIF generated by the Project to the Developer as outlined above, but is not borrowing or obligating other taxes or tax base to the Project

Lookback on Construction Cost

Ehlers recommends, and the Developer has agreed to in concept, a lookback on Total Development Costs. Once the Project is completed, the Developer will submit all their costs and invoices to the City. If the Actual Total Development Cost is less than 95% of the Estimated Total Development Cost, then the MRO principal will be reduced by 50% of the amount of the difference if the MRO is a present value MRO; if the MRO obligation is a gross pledge then the reduction will be dollar for dollar (which has the effect of a ~50% reduction in today's dollars). The 50% reduction is a method for the City and the Developer to share in the cost underruns.

Development Agreement

The recommendations contained in this memo are based on the most current information available. However, new information can become available during the drafting and final negotiations of a TIF/development agreement. As such, some details can change during that process.

Summary

Based on the review, the Development would not reasonably be expected to proceed without TIF assistance in the principal amount of \$979,000. The assistance should be provided via a PayGo MRO with a lookback as detailed above.

"But For" Test Evaluation Worksheet for the City of Whitewater and the CDA

This worksheet is designed to help the City of Whitewater and the Community Development Authority (CDA) evaluate whether a proposed development project meets the "but for" standard for Tax Increment Financing (TIF) in Wisconsin. Each criterion is rated on a scale of 1 to 10. The total possible score is 100 points.

Minimum Threshold

A project must score at least 70 points out of 100 to be considered meeting the "but for" standard.

Evaluation Criteria and Examples

1. Necessity of TIF for Development

Description: This criterion assesses whether the proposed development would proceed without TIF support. It is crucial because TIF is intended to stimulate projects that would not otherwise happen due to financial infeasibility.

- **Rating (1-10):**
 - **1-3:** Development would proceed without TIF support.
 - *Example:* A developer has multiple funding sources and the project is already planned regardless of TIF assistance.
 - **4-6:** Development might proceed on a smaller scale or delayed timeline without TIF.
 - *Example:* A developer is hesitant and indicates some parts of the project may be cut or postponed without TIF.
 - **7+:** Development would not proceed at all without TIF.
 - *Example:* The developer explicitly states that without TIF, the project is financially unfeasible and will be abandoned.
 - **10:** Comprehensive analysis shows the development is impossible without TIF and all other funding avenues have been exhausted.
 - *Example:* The developer provides detailed financial reports and evidence showing that without TIF, the project will not proceed and alternative funding sources have been explored and exhausted.
- **Rater Comments:**

2. Economic and Community Impact

Description: This criterion evaluates how the development fits into the municipality's overall economic strategy and land-use plans. It is important because the development should offer significant long-term benefits to the community.

- **Rating (1-10):**
 - **1-3:** The development does not align with the comprehensive land-use plan and has minimal community benefits.
 - *Example:* The project conflicts with the city's zoning plans and offers little long-term economic benefit.
 - **4-6:** The development partially aligns with the comprehensive land-use plan and provides moderate community benefits.
 - *Example:* The project generally fits the city's plans but may need zoning adjustments; it brings some economic advantages but with trade-offs.
 - **7+:** The development aligns with the comprehensive land-use plan and offers significant long-term benefits.
 - *Example:* The project is zoned correctly, supports or creates jobs, and creates meaningful economic growth.
 - **10:** The project is a cornerstone of the city's future economic development plans, with widespread community support and high anticipated economic returns.
 - *Example:* The project not only aligns perfectly with the city's plans but also has endorsements from key stakeholders and detailed projections showing major economic benefits.
- **Rater Comments:**

3. Benefits to Taxpayers

Description: This criterion measures whether the TID expenditure is feasible and beneficial to taxpayers. It ensures that the project is financially sound and offers tangible benefits to the community.

- **Rating (1-10):**
 - **1-3:** The expenditure for project costs is not feasible, and taxpayers see minimal benefit.
 - *Example:* The project's costs far outweigh the potential returns, and it burdens taxpayers.
 - **4-6:** The expenditure is feasible but with moderate risk; taxpayers see some benefit.
 - *Example:* The project is costly but manageable, with some expected return in the form of increased tax increment.
 - **7+:** The expenditure is feasible and offers clear benefits to taxpayers.
 - *Example:* The project is well-budgeted, expected to sustain property values, and generate sustained tax increment.
 - **10:** The project is projected to significantly increase tax revenues while also reducing costs for taxpayers in other areas.
 - *Example:* Detailed financial models show substantial returns on investment, leading to decreased tax rates or increased public services.
- **Rater Comments:**

4. Management and Oversight

Description: This criterion looks at the clarity of roles and responsibilities for managing the TID. Effective management and oversight are crucial for ensuring the project's success and compliance with regulations.

- **Rating (1-10):**
 - **1-3:** Responsibility for the TID's management is unclear.
 - *Example:* No specific person or department is designated to manage the TID.
 - **4-6:** Responsibility is somewhat clear but may lack comprehensive oversight.
 - *Example:* Management roles are assigned but lack detail in execution plans.
 - **7+:** Clear, well-defined management and oversight roles are in place.
 - *Example:* Specific roles and responsibilities are assigned to experienced personnel with a solid management plan.
 - **10:** There is an exceptionally detailed management plan with clear accountability and robust oversight mechanisms.
 - *Example:* The project includes a detailed management structure with experienced managers and comprehensive oversight protocols.
- **Rater Comments:**

5. Impact on Local Services

Description: This criterion evaluates the potential strain on local services and how well the project plans to address these impacts. It is important to ensure that the development does not negatively affect existing services.

- **Rating (1-10):**
 - **1-3:** The TID significantly strains local services without adequate planning.
 - *Example:* The project creates significant demand on schools, emergency services, and infrastructure without planned support.
 - **4-6:** The TID moderately impacts local services, but plans are in place to manage these impacts.
 - *Example:* There are some strains on services, but mitigation strategies are partially developed.
 - **7+:** The TID has minimal impact on local services and includes planning to manage any increase in demand.
 - *Example:* Comprehensive planning ensures that local services can handle the increased demand effectively.
 - **10:** The project not only minimizes impact on local services but also enhances them.
 - *Example:* The development includes funding for expanding local services, ensuring they improve alongside the project.
- **Rater Comments:**

6. Risk Assessment

Description: This criterion assesses the financial and operational risks associated with the project and the effectiveness of mitigation strategies. It ensures that the project is resilient to potential challenges.

- **Rating (1-10):**
 - **1-3:** High financial and operational risks with little mitigation.
 - *Example:* The project faces significant financial instability with no risk management plan.
 - **4-6:** Moderate risks with some mitigation strategies in place.

- *Example:* The project has identified risks with partial mitigation strategies, such as minimum assessed value (MAV) or clawbacks but remains somewhat vulnerable.
 - **7+:** Low risks with comprehensive mitigation strategies in place.
 - *Example:* All potential risks are well-managed with robust mitigation plans. MAV, Pay-go subsidy, and construction timelines in place.
 - **10:** The project has been thoroughly assessed with extensive risk mitigation strategies ensuring its stability.
 - *Example:* Detailed risk management plans are in place, addressing all foreseeable risks comprehensively.
- **Rater Comments:**

7. Job Creation

Description: This criterion evaluates the number and quality of jobs the project will create. Job creation is a key benefit of TIF projects, contributing to local employment and economic growth.

- **Rating (1-10):**
 - **1-3:** The project creates few or low-quality jobs.
 - *Example:* Only a small number of temporary or low-paying jobs are expected.
 - **4-6:** The project creates a moderate number of jobs with mixed quality.
 - *Example:* A fair number of jobs are sustained or created, but many are part-time or low-wage positions.
 - **7+:** The project creates or sustains a significant number of high-quality jobs.
 - *Example:* The development promises to sustain numerous well-paying, stable job opportunities, such as trades, manufacturing, etc.
 - **10:** The project creates a large number of high-quality jobs with strong career prospects and benefits.
 - *Example:* Detailed employment plans show significant, sustained job creation with excellent working conditions and benefits.
- **Rater Comments:**

8. Developer's Public Subsidy Needs

Description: This criterion assesses the justification for the developer's need for public subsidy. It is important to ensure that public funds are used effectively and that the subsidy is necessary for the project's success.

- **Rating (1-10):**
 - **1-3:** The need for public subsidy is poorly justified.
 - *Example:* The developer has not clearly demonstrated the necessity of the subsidy.
 - **4-6:** The need for subsidy is moderately justified with some analysis.
 - *Example:* There is some evidence supporting the subsidy need, but it lacks depth.
 - **7+:** The need for public subsidy is clearly justified with thorough analysis.
 - *Example:* Detailed market analysis and financial documentation strongly support the necessity of the subsidy.

- **10:** The subsidy need is exceptionally well-justified, with extensive analysis and community support.
 - *Example:* Multiple comprehensive studies and community endorsements back the need for the subsidy.

9. Assurances and Guarantees

Description: This criterion looks at the assurances and guarantees provided by the developer to ensure the project will proceed as planned. Strong guarantees are crucial for mitigating risks and ensuring project success.

- **Rating (1-10):**
 - **1-3:** Few or no assurances that the development will proceed as planned.
 - *Example:* The developer provides little commitment or guarantees.
 - **4-6:** Some assurances and moderate guarantees.
 - *Example:* The developer offers some commitments, but they are not comprehensive.
 - **7+:** Strong assurances and guarantees that the development will proceed as planned.
 - *Example:* The developer provides detailed minimum assessed value (MAV) commitments or similar and guarantees for project completion with clawbacks.
 - **10:** The developer provides extensive assurances and legally binding guarantees that the project will proceed as planned, including performance bonds or other financial instruments.
 - *Example:* The project includes detailed, legally binding guarantees and performance bonds or personal guarantees to ensure completion.
- **Rater Comments:**

10. Documentation and Compliance

Description: Proper documentation and adherence to statutory requirements are necessary throughout the process. This includes conducting public hearings, adopting resolutions, and obtaining approvals from the Planning Commission and Joint Review Board. Memorandum

To: Economic Development Director, City Manager, Community Development Authority, and Common Council

From: Kristen Parks/Anderson Commercial Group LLC

Date: October 30, 2025

Subject: Recommendation to Rezone Parcel A444200001 from M-1 (General Manufacturing) to R-3 (Multi-Family Residence District)

This memorandum is in response to the rezoning efforts of Parcel A444200001. Our professional assessment concludes that Parcel A444200001 is not a viable long-term manufacturing site due to its landlocked configuration, environmental limitations, and adjacency to established residential neighborhoods.

The City of Whitewater already controls more suitable industrial sites, including Lots 1T (25 acres), 2T (8.8 acres), 8B (14.9 acres), and 9B (17.1 acres)—each offering clearer, more accessible opportunities for industrial growth. Current market conditions also show ample available industrial space, with multiple existing properties exceeding 20,000 square feet for lease. This indicates no immediate need for additional industrial land, particularly one constrained by access and environmental features.

In contrast, Parcel A444200001 is ideally positioned for multi-family residential development, given its proximity to employment opportunities in the industrial park, existing sidewalks, and nearby neighborhood retail such as Dollar General and Kwik Trip. The proposed development would fill a critical gap in Whitewater's housing inventory by introducing "missing middle" housing—medium-density, family-oriented units distinct from the larger apartment projects recently approved.

Approving the rezoning from M-1 to R-3 will allow the parcel to achieve its highest and best use, while enabling the City to concentrate industrial recruitment and infrastructure investment on stronger, more competitive sites.

As the broker representing the City of Whitewater and the Community Development Authority's (CDA) development portfolio, our firm routinely evaluates land holdings for alignment with market demand and long-term strategic goals. Based on our independent review, we support the proposed rezoning of Parcel A444200001 from M-1 (General Manufacturing) to R-3 (Multi-Family Residence District).

Although the parcel is similar in size to other City-owned sites, its physical configuration and surroundings severely limit its industrial potential. The property is landlocked on multiple sides, bordered by residential uses and a rail line, and lacks adequate access or flexibility for modern manufacturing operations. These conditions, combined with environmental constraints, render the site unsuitable for industrial use.

The City's other parcels—Lots 1T, 2T, 8B, and 9B—are far stronger candidates for future manufacturing. They feature open acreage that can be easily improved through site preparation activities such as clearing vegetation and removing stored materials. Once those improvements are completed and electrical capacity issues are addressed through coordination with, WE Energies, these sites will be highly competitive for advanced manufacturing investment.

Our review of the local industrial market also indicates substantial available inventory, with multiple existing properties offering more than 20,000 square feet for lease. This supply suggests that the immediate market demand for new industrial land is limited, and the City's focus should remain on preparing its best, most market-ready parcels rather than attempting to reposition a constrained site like Parcel A444200001.

From a residential perspective, the parcel offers significant advantages:

- Proximity to neighborhood retail and employment, including the industrial park.
- Established sidewalk network supporting pedestrian access; and
- Adjacency to the Stonehaven development, which provides a clear precedent for transitioning nearby industrial parcels to residential use.

This proposal would provide the medium-density, family-oriented housing that Whitewater currently lacks. Demand for such housing will persist until it is met. Advancing this project would not only fulfill current housing needs but also allow the City to refocus future residential efforts on single-family subdivisions and smaller-scale multi-family infill where appropriate.

Rezoning Parcel A444200001 to R-3 aligns with current market realities, best planning practices, and the City's long-term economic strategy. This action positions the parcel for its most productive use, supports Whitewater's evolving housing needs, and enables the City to dedicate industrial recruitment efforts toward stronger, more competitive sites such as Lots 1T, 2T, 8B, and 9B.

We welcome the opportunity to discuss these findings with the CDA, City Manager, and Common Council and to continue supporting the City's broader development strategy.

WHITEWATER SITE EVALUATION (Various) (Amended 2/20/2025)

January 29, 2025

The City of Whitewater (CITY) has identified three parcels as potential rail-served development sites. All three parcels have property boundaries with frontage along a similar railroad corridor Right-of-Way. The operating railroad in this ROW is the Wisconsin & Southern Railroad (WSOR), a subsidiary of WATCO. Having railroad frontage on the WSOR does not necessarily correspond to viable rail access or provide assurances that WSOR will provide rail service. Other factors for an approved rail site will be considered beyond the physical ability to connect to the WSOR mainline corridor. When a potential rail shipper has been identified, WSOR will undoubtedly review a conceptual rail design for compliance with engineering standards, but more importantly, WSOR will want to know the commodity being shipped, estimated rail car volumes, origins and destinations, and the shippers' operating plan.

However, this evaluation aims to conduct each site's high-level engineering and development analysis to identify rail access opportunities and encumbrances more clearly. Having been in the rail industry for over 40 years, I've referenced my site development experience to assist the CITY in determining which sites may be better suited for rail service and possibly included in economic development marketing efforts. A pros and cons approach has been utilized, reviewing rail and roadway access, building and rail capacity, and probable site challenges and encumbrances. Finally, I have included a lump sum cost for each site to further the analysis and prepare a conceptual design and opinion of probable construction cost. This level of work is in line with a rail-served site marketing initiative.

LOT 10B

Pros:

- Vertical rail alignment is favorable
- Rail corridor has tangent rail alignment for switch connection
- Existing roadway access to the site
- Adjacent to an existing industry
- Potential 100K SF industrial footprint

Cons:

- Horizontal rail alignment may encumber the building layout
- Non-uniform parcel boundary
- Private road crossing is required

In my opinion, this site does have rail service potential but is limited to a 100K SF building. The railroad connection and the transition through the parcel will be critical in determining the best fit for an industrial facility. In addition, ten acres are on the low end of a typical rail-served industrial property. Therefore, this site has marginal rail-served value.

CITY PROPERTY

Pros:

- Both vertical and horizontal rail alignment are favorable
- Uniform parcel boundary
- 40-acre development site
- Potential for mid-size industrial footprint

Cons:

- Cumbersome roadway access to the site
- Adjacent to residential development

Rail corridor tangent track for switch connection on west half of parcel

Page 2 of 2

This site has good rail service potential, given its 40-acre size and parcel configuration. Development sites of this size can typically accommodate a 400 – 500K SF industrial building footprint. This site has good access to the WSOR mainline; however, due to the curved mainline along the east half, the switch connection is limited to the west half of the parcel. The significant encumbrance is the existing roadway access through the residential area on what appears to be a shared driveway. Otherwise, a new roadway easement will be required at a separate location. I would consider this site to be adequate for rail service.

HOFFMANN

Pros:

- Vertical and horizontal rail alignment is excellent
- Ideal rectangular parcel boundary configuration
- Unencumbered 100-acre development site
- Potential for large-size industrial footprint
- Existing industrial park roadway access
- Excellent access to US Hwy 12

Cons:

- Wetlands encumber the remaining two parcels

This site has excellent rail service potential due to the westerly 100-acre parcel and rectangular configuration. Development sites of this size can typically accommodate a 1MM SF industrial building, warehouse, or distribution facility. The parcel has good access to the WSOR mainline and existing roadway, with excellent access to US Hwy 12. The only encumbrance that comes into play is with the easterly two parcels, which are extensively impacted by wetlands and small. The westerly Hoffmann parcel is the most attractive parcel for rail-served development.

Conceptual Design Effort

Each site design will have multiple iterations for review and consideration. After the CITY has identified the most acceptable iteration, it will be formatted for WSOR review and feedback. We will incorporate any feedback, make necessary revisions, and then prepare a final exhibit layout and an associated opinion of probable construction costs for each site. Upon WSOR acceptance, these layouts can be utilized for economic development and marketing purposes.

Amendment 1:

Following my initial site assessment and as directed by the CITY, Conceptual Designs were prepared for the Hoffman site and the JC-Kow Farms parcel. Upon review by the CITY, both building site layouts were submitted to WSOR for informal review and feedback. The following response was received via email on February 13, 2025, from Brent Marsh, PE, WSOR Project Engineer. It should be noted that no markups or design comments were received from the WSOR reviewers.

“Thanks for sending these over. The layouts look good to us; we’d be happy to discuss these sites further with future developers and/or the City of Whitewater. It is good to note that these layouts will likely be tailored further to suit the needs of the sites once a buyer/user for the land is determined.”

“I stopped by to brief our Marketing Department on these layouts. Brad advised that WATCO could maybe help with advertising the parcels if they are publicly owned and the City of Whitewater would be interested. Please reach out to Brad if this would be something that Whitewater would like to look into.”
