Whitewater Parks and Recreation Support:

At this time, we are seeking the support of the Parks and Recreation Department in the following areas:

Site Selection: We've identified three potential park locations and would appreciate your guidance and approval in selecting the most appropriate site for installation.

Installation Support: We are requesting assistance with placing the posts and signage for the trail to ensure they are securely and properly installed.

Welcome Sign: We would like to install a welcome sign that acknowledges our generous sponsors and partners and are seeking support with the creation and installation of this sign from the Whitewater Parks and Recreation department.

bornlearning®

Born Learning Trails are a series of 10 interactive signs that offer fun, active learning activities for young children and their families. They help parents, caregivers and communities create quality engagement opportunities when out on a stroll or visiting a local playground.

Children are constantly learning from their everyday experiences. To encourage this, children will see signs that say "Watch! Stop! Learn! Play!" to foster their curiosity, confidence, and learning.

A child's first 5 years of brain development are incredibly important and studies show that children facing adversity can quickly fall behind; however, this can be counteracted through "high-quality early childhood education."

Born Learning Trails encompass all 5 domains of early-childhood learning: physical, cognitive, communicative, socioemotional, and adaptive.

Park Board Agenda Item

Meeting Date:	July 16, 2025
Agenda Item:	Discussion and possible action on disbanding the Urban Forestry Commission.
Staff Contact (name, email, phone):	Kevin Boehm, kboehm@whitewater-wi.gov , 262-473-0122

BACKGROUND

(Enter the who, what when, where, why)

The Urban Forestry Commission was established as a permanent subcommittee of the Parks and Recreation Board to oversee the city's urban forestry practices. It has played a vital role in guiding tree and shrub care, developing forestry management plans, promoting public education and engagement, and ensuring compliance with Tree City USA and Wisconsin Bird City designation requirements. Among its accomplishments, the commission was instrumental in the creation of the Starin Park Arboretum—one of Whitewater's most notable urban forestry achievements.

Staff has been advised to bring forward a proposal for the Park Board to consider the dissolution of the Urban Forestry Commission. While the commission has historically served an important purpose, many of its core duties—such as landscape plan review, public outreach, and program oversight—are already within the operational scope of city staff and the Parks and Recreation Board. Consolidating these responsibilities would reduce redundancy, improve coordination, and streamline operations. The City Forester would assume direct responsibility for reviewing urban forestry and landscaping plans and forwarding technical recommendations to the Planning and Architectural Review Committee (PARC). The Parks and Recreation Board would maintain oversight of remaining duties, including sustaining Tree City USA and Bird City designations, Arbor Day observances, and community engagement initiatives.

Though not the primary driver of this recommendation, the commission's ongoing difficulties in achieving quorum have at times delayed timely responses and decisions. Consolidation offers an opportunity to improve efficiency, eliminate procedural bottlenecks, and align with broader goals of simplifying city governance.

STAFF RECOMMENDATION

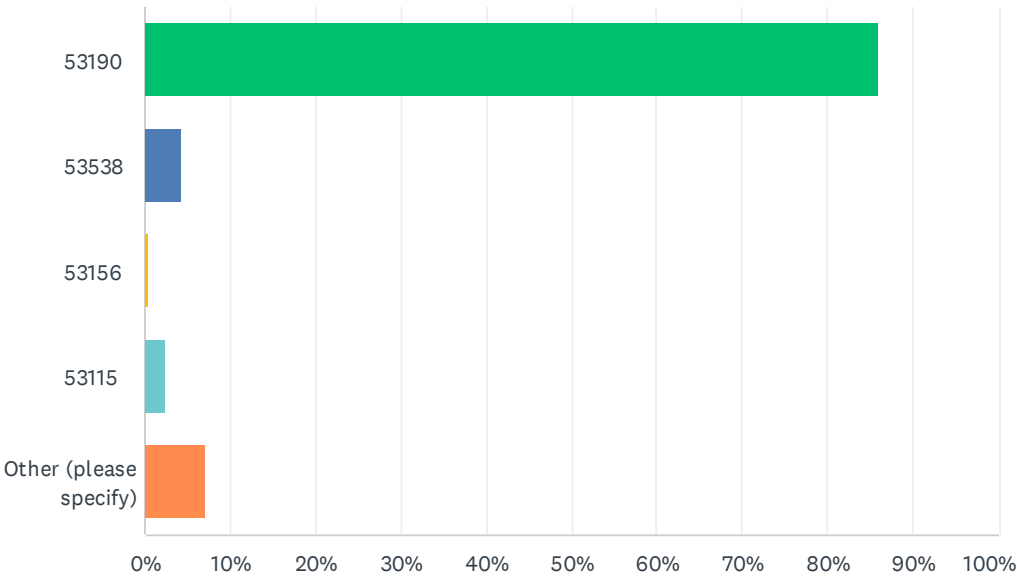

Staff recommends the Park Board discuss and consider taking formal action to support the dissolution of Urban Forestry Commission, with a transition plan to incorporate its responsibilities under the purview of the Park Board. If approved, staff would coordinate with the City Attorney and City Council to prepare the necessary ordinance amendment.

Q20 What is one improvement that would make the biggest difference in how you use Whitewater's park system?

4	Splash pad	6/21/2025 1:06 PM
5	Shaded areas at Bark Park.	6/20/2025 11:36 PM
6	This is about people, not parks. Our city does not coordinate well with youth sports. Kids do not really have programs geared to them unless it offered by the school district.	6/20/2025 3:42 PM
7	Outdoor maps at each park showing all parks in the city.	6/20/2025 2:19 PM
8	More promotion on events that are occurring at the different sites.	6/20/2025 11:27 AM
9	Trippe and Cravath lakes need to be cleaned up. Need a community pool	6/20/2025 9:55 AM
10	Think of adding paved walking trails with nature info along the way and exercise stations. This would fit people of all ages, fitness levels and could be used year round. How about walking trails through out the city. Maybe connecting the parks or the downtown. Color organize trails with different lengths. Have a sign with a map to make people aware. Maybe signs along the way "1/4 mile, 1/2 mile, 1 mile, etc... One could say to a friend, "Meet me at the green walking trailhead." Consider adding biking trail system. Preferably trails separate from cars to make one feel safe and relaxed. Consider connecting trails from Whitewater to other cities.	6/20/2025 9:46 AM

29	Bathrooms/concession stand at Moraine View park	6/15/2025 10:29 AM

35	Improving the play structures, adding more equipment. Potentially a splash pad and playgrounds that do not have wood chips and are age for children of all ages.	6/12/2025 9:32 PM
36	I would love to have a seasonal brochure sent with the offerings. The website is not user friendly either. It's difficult to find information and navigate it. Then you signup and you have to download separate apps and all this other stuff to get schedules. It should all be in one place and easy to navigate	6/12/2025 4:40 PM
37	More offerings and improved maintenance	6/12/2025 2:35 PM
38	Maybe a smaller shelter somewhere in the park, because the large one in Starin park is so often full of UWW students --no problems at all with them -- they're great! -- so I and my friends have no place to sit and snack without intruding on their events. Just a few scattered picnic tables would be nice.	6/12/2025 11:58 AM
39	Me reading up on what's going on.	6/12/2025 10:44 AM
40	I would love a splash pad for my young son. The aquatic center is great but in the summer you want to be outside.	6/12/2025 10:12 AM

44	If there were a splash pad or outdoor water park I would certainly be visiting it.	6/11/2025 10:28 PM
45	Drawing interest of fun activities, the market on Tuesdays is awesome. More live music, the quality and safety of everything that involves the 4th of July has HUGE room for improvement. Our whole town is so heavily geared towards the college and it so evident.	6/11/2025 10:09 PM
46	I am a marathon runner and would love a long system of trails	6/11/2025 9:43 PM

50	Adding variety. The park by our home is ok but it's very small. Both minneska and trippe lake don't have much (or trippe lake being very outdated) and there is no shade. We do love the open field by the minneska park, though.	6/11/2025 8:32 PM

58	notification of activities.	6/11/2025 5:58 PM
59	More bathrooms, they really make the difference when venturing out during the potty training years with children. For many years our park destinations were determined by if there was a bathroom, and now, bathrooms just make the difference from us spending a couple hours to a whole afternoon.	6/11/2025 5:56 PM

61	Splash Pad	6/11/2025 5:45 PM

91	Better biking network that connects all of WW with separated not on street bike lanes	6/10/2025 9:33 PM
92	Make parks accessible for all ages. New ideas.	6/10/2025 9:17 PM

94	I do get a news letter for Seniors in the Park . It would be nice to have some free or reduced classes in the park such as yoga, walking groups, outside pickleball, etc.	6/10/2025 7:54 PM
95	Create a Lake Management District to oversee the restoration of our lakes	6/10/2025 7:53 PM

98	Keep the facade of the Barker building and turn it into public restrooms with covered area for picnic tables or benches.	6/10/2025 7:20 PM
99	Consistent schedules of when the pool is available and for what purpose. If we ever again have a shutdown like COVID, God Forbid, Assign someone to monitor for state and federal GRANTS that are available. Whitewater lost out in at least \$100,000.00 in grants because no one applied for the grants. Then the audacity to threaten the closure of the pool for lack of funds.	6/10/2025 6:14 PM
100	Splash park	6/10/2025 5:47 PM
101	Restore the fishing opportunities on trippe and cravath to what they used to be before whatever that disastrous attempt was of cleaning the weeds out by draining the lakes. I hope those involved are no longer working in a job that gives them the power to mess up that badly again. Taxpayers should be reimbursed for the money spent on that project!	6/10/2025 5:41 PM
102	More parking around sledding areas	6/10/2025 5:33 PM
103	Nothing I can think of.	6/10/2025 4:57 PM

Item 6.

117	More paved bike trails. Out door pickle ball courts.	6/10/2025 2:20 PM
118	I know I'm a broken record but the one improvement that would make the biggest difference in how I use the park system would be to restore Cravath Lake.	6/10/2025 2:13 PM
119	More public events	6/10/2025 2:09 PM
120	Try to keep them more clean. The skate park has had graffiti on everything for years, all that's done is spray paint over it. Starin park, especially in the summer, is always overflowing with garbage which then blows around in the wind. Understanding that some/majority of it comes from the university and using the shelters for their campers, but it's constant.	6/10/2025 2:04 PM
121	Cravath Lakefront Park has a lot to offer the community given its location and adjacent lake (when it is not overgrown). But as of last week, it was nearly impassable because of the goose issue. The Lakefront area park/lake could really be a community gem if cared for on a consistent basis.	6/10/2025 1:49 PM
122	Walking trails throughout Effigy Mounds, with a few benches, plus some picnic tables and such in the front area so it is more inviting and readily seen.	6/10/2025 1:29 PM
123	Maybe the newsletter more than the first of the month, twice? Or weekly. Maybe this is already being done, but information being distributed more often about events, programs, activities, via social media, email, etc.	6/10/2025 1:26 PM
124	Making sure sidewalks and paths are paved and well taken care of.	6/10/2025 1:23 PM
125	Exercise equipment at Starin	6/10/2025 12:50 PM
126	additional access for people with mobility issues.	6/10/2025 12:44 PM
127	More concerts	6/10/2025 12:38 PM
128	Bike connectivity	6/10/2025 12:24 PM
129	I really think a paved bike trail through and on the outskirts of town would be an asset.	6/10/2025 12:18 PM
130	outdoor pickleball courts in a couple of the parks would generate a lot of awareness of the park system	6/10/2025 12:17 PM
131	I kayak our lakes often and notice algae blooms already in Trippe Lake this season (early June) which were not at all present when we had the abundance of cattails in previous years. Cattails clean and filter water and I'd rather have cattails than algae blooms.	6/10/2025 12:06 PM
132	Safety, lighting, tripping hazards...volume of music can detract from enjoyment for other park users.	6/10/2025 11:54 AM
133	I'd like to see the continuation of the addition of educational signage at The Arboretum at Starin Park and children's programming there.	6/10/2025 11:54 AM
134	Starin Park should be better lit, especially on the hill.	6/10/2025 11:35 AM
135	Increased programs and awareness	6/10/2025 11:34 AM
136	more paved or marked paths to the current paths/parks	6/10/2025 11:32 AM
137	More or different playground equipment	6/10/2025 11:24 AM
138	None	6/10/2025 11:17 AM
139	We do	6/10/2025 11:15 AM
140	Repairs at the pool	6/10/2025 10:56 AM
141	Speeding on Parkside Dr. near the park is a very serious problem. You cannot let children cross the street alone for fear they will get hit and, potentially, killed.	6/10/2025 10:48 AM
142	Pickleball outdoor courts	6/10/2025 10:47 AM
143	More adult stuff equipment with the kids stuff close by	6/10/2025 10:36 AM
144	Use the city's legal power to take private land to create walking paths to connect the city. Its what the community as a whole wants, even if each land owner involved may not. Duty is to the community first.	6/10/2025 10:35 AM

147	CLEAN UP CRAVATH AND TRIPP LAKES AND LANDSCAPING AREAS!	6/10/2025 10:22 AM
148	Keeping the lakes and adjoining areas clean. Perhaps have a more frequent cleaning of walkways especially when the geese descend upon the lakes. It is rather disgusting trying to dodge goose mess.	6/10/2025 10:22 AM
149	N/A	6/10/2025 10:18 AM
150	I'd like to see more native plantings. The prairie on campus is one of the most beautiful places for walking in the city. It would be nice if the city boosted the amount of natural space we have.	6/10/2025 10:17 AM
151	More shade/ways to cool down	6/10/2025 10:11 AM
152	Clean the beach! Make the lake swimmable.	6/10/2025 10:10 AM
153	I would love better bike paths all around town and out to the well and by Rice and Whitewater Lake.	6/10/2025 10:09 AM
154	One place to find location of parks and what is offered at each on a monthly calendar, so it can be checked when visiting family comes to town. Then all could participate in activities.	6/10/2025 10:08 AM
155	Splash pad for kids.	6/10/2025 10:06 AM

1	I think we currently have enough parks/park space that we need for our population. Keeping them in good shape and adding a few more amenities should be the priority.	6/30/2025 9:58 PM
2	Make badly needed repairs in Trippe Park!!	6/23/2025 9:15 AM
3	You guys are doing a great job. Thank you for asking for our input on our parks.	6/22/2025 8:19 PM
4	Lowering rental costs for facilities would help the community utilize them more. Also, the spat between WUSD and the City of Whitewater over the Aquatic Center was embarrassing; I hope all is worked out and all parties hold up their end of the contract.	6/20/2025 11:36 PM
5	The fact that I have to travel for entertainment (concerts, plays, etc) says a great deal about our situation.	6/20/2025 3:42 PM
6	Suggestion. At least one picnic shelter at each park.	6/20/2025 2:19 PM
7	More nature opportunities for youth (could be in conjunction with the school district. Working with campus and local service groups on park projects and upkeep. Would love to see something developed on the northwest side of Starin Park facing west.	6/20/2025 11:27 AM
8	Move the 4th of July celebration back to Starin Park because of safety and more space to accommodate vendors and more activities	6/20/2025 9:55 AM
9	The key is to make parks inviting for everyone, not just kids. If it appeals to adults, they will bring the kids. It should have a garden feel, be clean and maintained. There shouldn't be any advertising. You should be able to unplug and be with nature. The term "forest bathing" has been popular on the internet. Let's move towards building a place where one can relax. So many parks have sporting areas, which are great, but one can not relax in that kind of atmosphere.	6/20/2025 9:46 AM
10	None	6/20/2025 9:04 AM
11	Whitewater and its parks have a rich history plus new parks since 2000. To give families a reason or an activity of biking from park to park and learn the history, maybe a series of geocaches that take bike riders around the city visiting the parks and learning its history. Would be an activity for out of town guests, families with young kids and so on.	6/20/2025 8:38 AM
12	Thank you for soliciting community input!	6/20/2025 7:37 AM

26	We need a splash pad!	6/13/2025 10:12 PM
27	Only use aquatic center	6/13/2025 7:18 PM
28	Last minute or total lack of communication by Ethan has drag this city into the toilet. Parents left wondering timelines/locations. Reaching out to volunteer coaches who are equally left in the dark until last minute if informed at all. Sometimes even visiting teams know more than our own. It's embarrassing how bad it is. Field planning and availability is a frequent issue often getting sorted out in the moment because it was not planned or communicated better. Hold the coordinator responsible for this mess accountable for his failure to do his job. Families have left what Whitewater has to offer because of this poor management.	6/13/2025 11:40 AM
29	I love rec youth sports. We need more of them in whitewater.	6/12/2025 4:40 PM
30	I am really delighted to find so many activities offered, and I do take advantage of many of them. For myself and my friends, as retirees, some very early morning classes would require my dog walking and breakfast to be finished before 8 am, and in winter it's not even light yet. Nine o'clock or later would be great and I think would attract more of us "senior citizens."	6/12/2025 11:58 AM
31	Nope	6/12/2025 10:44 AM
32	Put a playground in at Cravath	6/12/2025 10:12 AM

34	Thanks for all you do!	6/12/2025 7:32 AM
35	Our children are the future. Offering more activities, and entertainment for the kids and or families that live in this town would be so nice to see. I understand that our economy is dependent on the college. But the biased budget decisions inhibit the permanent residents. It would be so cool to see more funding and attention into the family life in whitewater.	6/11/2025 10:09 PM

40	Please consider doing a dance program like Main Street. I'm not a dancer anymore but I would love to help out with this	6/11/2025 6:36 PM
41	Make the community stronger	6/11/2025 6:11 PM
42	better dog park bathrooms at all parks	6/11/2025 5:58 PM
43	Please replace the benches at the skate park, they are rusting and not as comfortable as other park's benches	6/11/2025 5:56 PM
44	More programs for kids (elementary-middle school)	6/11/2025 5:45 PM
45	Everything in whitewater revolves around the college. I dont care about the college my children are involved in the schools there but whitewater it self is not about family. Make it about community and family oriented leave the college out of it this would help the most	6/11/2025 5:39 PM
46	More nature programs for the area are needed	6/11/2025 5:29 PM
47	Wish we had Meals on Wheels out here. I like that there are so many wonderful opportunities for all ages. we are very lucky to have such quality experiences available in Whitewater. Thank you!	6/11/2025 5:28 PM

55	Jennifer does a great job with the Senior Center activities! She really cares about the patrons. Let's have a Park carp tournament each summer (not catch & release). Create a "destination" labyrinth at Minneiska Park similar to West Bend, WI. Create more places for people to sit at Tripp Lake.	6/11/2025 9:28 AM
56	Keep up the good work!	6/11/2025 8:45 AM
57	I no longer have transportation to the east side. I use to walk the trails by Tripp Lake. It was a very nice, relaxing place to walk, minus the bicycle, scooter traffic.	6/11/2025 8:11 AM
58	The slide that was removed at Starin Park should have had the stairs removed too. I saw two small children go into the area (climbed over orange tape) and climb the stairs. I told them to get off the stairs.	6/11/2025 7:42 AM
59	Put shade up at Craveth until the trees get bigger, and clean up (and deter) the goose poop!! It is so sickening!	6/11/2025 7:23 AM

63	None	6/10/2025 10:05 PM
64	I would like to see the soccer fields developed. There are many families and children that use the soccer fields and they could use at least have a water fountain and decent bathroom for the children. It seems soccer is at the bottom of the list to be developed compared to other sports in the city.	6/10/2025 9:49 PM
65	Find ways to allow families with young kids that work to participate. Mornings on weekends would be great	6/10/2025 9:33 PM
66	Keep up the great work.	6/10/2025 9:08 PM

70	Save Our Lakes!!!!	6/10/2025 7:53 PM
71	Would love to see more community spaces for kids. Trampoline park, gymnastics or climbing, splash pad, etc	6/10/2025 7:25 PM
72	We would like to see more summer seasonal help to make park maintenance possible.	6/10/2025 7:20 PM
73	You seriously need person's over age 65 on your planning boards to give insight into the history of scheduling, flooring and wall materials that last, gardening, trees, the use of mulch so trees are not killed and proper cleaning of bathrooms and locker rooms including ceiling air vents, signage of bathrooms from, "Men," "Women," to single toilet/sink bathrooms to "All Gender" with Wheelchair icon- especially in high traffic areas."	6/10/2025 6:14 PM

78	Let's have a public health promotion program for children, families, singles, professionals, and seniors	6/10/2025 3:25 PM
79	When there are enough players to field a team (example Softball). Communicate with families letting them know that there will be two teams. For example the 3rd/4th Grade softball. You fielded two teams and didn't mention it to parents. According to the coaches, teams were decided by Ethan (Park and Rec Program Director). Teams were NOT split evenly based on ability or experience. What Brian de la Torenta (previous director) would do is have all players and coaches practice together for a week or so. THEN coaches and him would divide teams evenly based on what they observed. This year the teams were NOT divide equally and then to find out that some parents emailed that there child better be switched to the team they wanted or they wouldn't play, isn't okay. You really NEED to communicate better with families.	6/10/2025 3:06 PM
80	Pamphlet highlighting parks available at city hall	6/10/2025 2:47 PM
81	I think openly surveying the community is always a good start. I think the parks are fine the way they are for the most part. I agree though with the thought that the parks can be utilized lots more in this day and age.	6/10/2025 2:37 PM
82	Don't try to expand and add more to all of the parks, just focus on improving what we currently have. "More" isn't always better, make everything nice before we get "More."	6/10/2025 2:04 PM
83	See 20	6/10/2025 1:49 PM
84	Cravath Lakefront is coming along nicely, but I would suggest updating/rehabing wood walkways and piers. Benches along side them also facing the lake.	6/10/2025 1:29 PM
85	Thanks for all you do for the city. I live in the township, but am in Whitewater often. We do a lot of cycling, and some road surfaces in Whitewater are horrible, and we avoid going to town due to this. We realize some are state and county roads, not all the city's responsibility, but we would support more bike lanes, and better surfaces for safe riding.	6/10/2025 1:26 PM

87	Couples Dance Classes, salsa, etc	6/10/2025 12:43 PM
88	Stop using the lap pool in the morning for aquatic classes-it takes away most times 3 lanes! Put them in the rec pool where they have the same depth and other classes are held. Do not aloud youth swimmers (below 16) to swim in lap lanes before 12 noon!! They have their team practice and the rest of the day!	6/10/2025 12:41 PM

103	create dedicated bike paths through public land (not necessarily a lane on a road) south of high school to tripp lake, easy path from cravath to starin, through UWW, Behind walmart, from Melrose/Elizabeth through middle school/lincoln and that old Jr high space. Walking paths at end of cul-de-sacs to make walking easier.	6/10/2025 10:35 AM
104	It would be nice if Whitewater had a true Rec Center that combined different interests similar to a YMCA, where mom could be taking a water aerobics class and the kids could be supervised in a different area or enrolled in their own class of basketball , dance , or swim.	6/10/2025 10:34 AM
105	Please add more programs for youth. We should not have to go to surrounding communities, who have more to offer for opportunities.	6/10/2025 10:33 AM
