TO: THOSE REQUESTING A VARIANCE OF ZONING REQUIREMENTS

FROM: THE BOARD OF ZONING APPEALS

THINGS YOU WILL HAVE TO PROVE TO BE GRANTED A VARIANCE

The Board of Zoning Appeals has the power *"to hear and grant applications for variances as will not be contrary to the public interest where, owing to special conditions, a literal enforcement will result in practical difficulty or unnecessary hardship, so that the spirit and purposes of the ordinance shall be observed and the public safety, welfare and justice secured."* **USE VARIANCES WILL NOT BE GRANTED**

FINDINGS PREREQUISITE TO GRANTING A VARIANCE

No variance to the provisions of this title shall be granted by the Board unless it finds beyond a reasonable doubt that **ALL** of the following facts and conditions exist, and so indicates in the minutes of its proceedings:

- A. The particular physical surroundings, shape, or topographical conditions of the specific property involved would result in a practical hardship upon the owner as distinguished from a mere inconvenience, if the strict letter of the regulations were to be carried out;
- B. The conditions upon which the application for a variance is based would be applicable generally to other property within the same zoning classifications;
- C. The purpose of the variance is not based exclusively upon a desire for economic or other material gain by the applicant or owner;

The proposed variance will not impair an adequate supply of light and air to adjacent property or substantially increase the congestion in the public streets, or increase the danger of fire, or endanger the public safety, or substantially diminish or impair property values within the neighborhood.

Please consider the above items in presenting your oral testimony, for a lack of such testimony may result in denial of the variance.

All questions in the application must be answered.

B. The conditions upon which the application for a variance are based would not be applicable generally to other property within the same Zoning classification.*

The location of the ADA apartment is at the rear of the building fronting on a courtyard, thus not visible from the public areas.

C. The purpose of the variance is not exclusively upon the desire for economic or other material gain by the applicant or owner.*

The provision of a handicapped apartment on the grade / accessible level with access to the building amenities and is new building stock that can serve handicapped residents of the community is welcome.

D. The proposed variance will not impair an adequate supply of light and air to adjacent property or substantially increase the congestion in the public streets, or increase the danger of fire or endanger the public safety, or substantially diminish or impair property values within the neighborhood.*

Windows and a door facing the rear courtyard provides a second means of egress and provides the mandated 8% light and 4% fresh air requirements with a sprinkler fire protection system, improves the

CONDITIONS

AGREEMENT OF SERVICES

REIMBURSABLE BY THE PETITIONER/APPLICANT.

The City may retain the services of professional consultants (including planners, engineers, architects, attorneys, environmental specialists, recreation specialists, and other experts) to assist in the City's review of a proposal coming before the Plan Commission, Board of Zoning Appeals and/or Common Council. The submittal of a development application or petition by a Petitioner shall be construed as an agreement to pay for such professional review services applicable to the proposal. The City may apply the charges for these services to the Petitioner and/or property owner. The City may delay acceptance of the application or petition as complete, or may delay final approval of the proposal, until the Petitioner pays such fees. Review fees which are applied to the Petitioner, but which are not paid, may be assigned by the City as a special assessment to the subject property. The Petitioner shall be required to provide the City with an executed copy of the following form as a prerequisite to the processing of the proposed application (Architectural Review, B.Z.A., Planning, Zoning Change):
