The Honorable David Poucher Mayor of The City of White Salmon PO Box 2139 White Salmon, WA 98672

November 8, 2019

Mayor Poucher,

I am extremely flattered that Anne Medenbach recommended me for a seat on the Planning Commission. It would be a privilege to serve, and I would enjoy the opportunity to work with the commission in guiding the City's growth and development under your leadership. I have volunteered and run civic and cultural events, aided in historic preservation, lead community and business development, and even drafted successful local legislation. I have served on the Pool Committee and was, until recently, the Pack Master of Cub Scout Pack 384. For the last two years, I have been a full time dad, and part time tinkerer. That time in the community has only grown my appreciation for the special place in which we live. I am sure I have a lot to learn about the planning process, but can assure you I will be an eager and dedicated commissioner.

Thank you for your consideration,

Greg Hohensee

Re: Planning Commission seat

To whom it may concern,

I am writing to apply for the planning commission seat advertised on the City of White Salmon website. White Salmon has been a big part of my life for more than ten years. I first lived here in 2007 as an intern at Insitu, and ever since, my family has aimed to live and work in White Salmon permanently. Since that 2007 internship, my roots in White Salmon have only grown deeper. My parents retired to White Salmon in 2014, my brother has been in Cook/Underwood and BZ Corner for 15+ years, and three years ago my wife and I bought a home in the city with the goal of moving. We made the move last year and are now preparing to build a home within the city limits. We are here to stay and I am eager to participate in the development and growth of my community. I believe that the planning commission is a good fit for my interests and skills.

From the first time I visited White Salmon 15 years ago, I saw and felt the potential. The quaint downtown, the compact neighborhoods, parks and open spaces, the engaged community: all the components needed to build a livable, walkable, and inclusive community. As an engineer, I view these components as pieces of a puzzle, one that if assembled correctly becomes more than the sum of its parts. My engineering background also affords me relevant skills. I have a technical background and can read and review technical drawings, surveys, and technical documents. I have experience presenting, having won multiple awards for conference presentations and teaching excellence, and have written multiple grants and academic papers. Communication is an important part of any civic position, and for the Planning Commission, the ability to communicate clearly about technical matters will be a particular asset.

I aspire to create and live in a close-knit, walkable community that is safe for my family and an attraction for others, and I believe that this goal is largely shared by my neighbors. I would enjoy the opportunity to help this community grow into that vision and promise that I'd give the process and decisions all the time and energy they deserve.

Regards,

- Alit

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF WHITE

SALMON DO ORDAIN AS FOLLOWS:

SECTION 1. White Salmon Municipal Code Chapter 5.02 Short-Term Rentals, is hereby

adopted as follows:

Chapter 5.02, Short-Term Rentals

5.02.005 - Findings, intent and purpose.

- A. In the adoption of these regulations, the city finds that the rental of dwelling units and lodging units for less than thirty days is an important contributor to the comprehensive plan's tourism goal. The city also finds that these short-term rentals are part of an emerging market that has the potential to be incompatible with surrounding residential uses.
- B. The regulations below are intended to create a registration of short-term rentals that will:
 - 1. Determine the impact on the local economy;
 - 2. Reduce administrative burdens and barriers to entry;
 - 3. Ensure market fairness and taxation;

- 4. Protect guests; and
- 5. Avoid unchecked neighborhood disruptions.
- C. This chapter provides an administrative framework for registering the annual operation of a short-term rental. A short-term rental permit is a limited permission to use property for short-term rental purposes. A permit may be modified or revoked if the standards of this chapter are not met.

5.02.010 - Definitions.

As used in this chapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

- A. "Contact Person." The owner or, if designated on the application for a permit, the management representative authorized to act for the owner.

 - 2. Cooking facility (including cooking stove, hot plate, range hood, microwave, or similar appliance) or wiring or venting to support same;
 - 3. Dishwashing machine;
 - 4. Sink intended for meal preparation (not including a wet bar);
 - 5. Garbage disposal;
 - 6. Toilet;
 - 7. Shower or bathtub.
- C. "Local Area." All areas in the Washington counties of Clark, Klickitat and Skamania and the Oregon counties of Hood River, Wasco and Multnomah.
- D. "Lodging Unit." Bedrooms or sleeping facilities not meeting the criteria of a Dwelling Unit set forth in paragraph B, above.
- E. "Owner. The natural person or legal entity that owns and holds legal and/or equitable title to the property.
- F. "Remuneration. Compensation, money, rent or other bargained for consideration given in return for use, rent, or occupancy of a short-term rental.
- G. "Short-Term Rental." A dwelling unit or lodging unit for which an owner receives or seeks remuneration for use or occupancy for a period of less than thirty consecutive days per rental period. Businesses with current transient accommodation licenses (e.g. hotels, motels and bed and breakfasts) under RCW Ch. 70.62 are specifically exempted from this Chapter 5.02.

H. "Short-Term Rental Permit or Permit." The regulatory permit required by WSMC 5.02.15 and described in this chapter.

5.02.015 – Short-term rental permit required.

No owner or manager of property within the White Salmon city limits may advertise, offer, operate, rent, receive remuneration for, or otherwise make available or allow any other person to make available for occupancy a short-term rental without a short-term rental permit. - C. Discretionary Fees. At the discretion of the city administrator or designee, the application fee may include the actual costs for labor, overhead, and expenses for outside consultant reviews and/or special inspections.

5.02.025 - Term of annual permit.

A short-term rental permit shall be issued for a period not to exceed one year, with its effective date running from the date the permit is issued to December 31st and may be renewed annually by the owner or contact person provided all applicable standards of this chapter are met.

5.02.030 - Permitting and renewal procedures.

A short-term rental permit shall be obtained and/or renewed as required in this section. This permit is in addition to the City business license required under WSMC Ch. 5.04. The ability to operate a short-term rental in the city of White Salmon shall be discontinued in the event the owner fails to obtain or renew a permit to operate as provided in this chapter.

- A. Application and Renewal Process. A person engaging in operation of a short-term rental who has not yet obtained a permit, or who is required to renew an existing operating permit, shall do so as follows:
- 1. Time for Application.
 - a. New Permits. For new short-term rental permits, it is the responsibility of the owner or contact person to apply for and receive a permit prior to operation of a short-term rental.
 - b. Existing Short-term rentals. A completed permit renewal application and renewal fee is due for all existing short-term rentals annually by December 31st.
 - 2. Notice. Prior to the December 31st annual due date, the city shall send notice of the need for a permit or expiration of a permit to the owner of any property for which an application is due as follows:
 - a. For the first permit required for any short-term rental in the city, it is the owner's obligation and responsibility to apply for a permit.

- b. For permit renewal, notice will be sent to the mailing and email addresses of the owner and contact person as provided to the city on the application.
- B. Permit Expiration. For renewals, upon expiration of a thirty-day late period commencing at the end of each calendar year, the ability to operate shall be conclusively presumed to be discontinued and the city will commence revocation of the permit pursuant to the procedures in WSMC 5.02.045.

5.02.035 - Criteria for approval and renewal of a permit.

- A. New Permit. Upon receipt of a complete application for a new short-term rental permit and payment of all required fees and after completing all required operational requirements of section 5.02.040, below, the city administrator or designee or designee will issue a short-term rental permit.
- B. Permit Renewal. Upon receipt of a complete application for renewal of a short-term rental permit and payment of all required fees, the city will review the application and available information to determine compliance with the operational requirements of WSMC 5.02.040. If not met, the city administrator or designee or designee will not renew the permit and the property shall not be used as a short-term rental. Alternatively, the city administrator may issue the permit subject to reasonable special operational standards.
- C. Owner's Role. The owner has the burden of proof to demonstrate compliance with each operational requirement and special standard placed on the short-term rental permit. Staff may verify evidence submitted and the applicant shall cooperate fully in any investigation.
- D. Appeals. A decision on a permit application or renewal may be appealed as provided in WSMC 5.02.055.

5.02.040 - Operational requirements.

- A. Notice to Neighbors. The owner or contact person shall provide a mailing or otherwise distribute by hand prior to the initial permit, a flier to all property owners of record and/or occupants of properties adjacent to and abutting the property permitted as a short-term rental. The notice shall include the permit number and the telephone number of the owner and contact person. The purpose of this notice is so that neighboring property owners and residents can contact a responsible person to report and request resolution of problems associated with the operation of the short-term rental. If the permanent contact information changes during the permit period, the new information must be mailed or distributed again.
- B. Public Availability. In addition, the city will make a registry publicly accessible within which any person can obtain the owner and contact person's name and telephone number. If the permanent contact information changes during the permit period, the new information must be provided to the city.

- C. Response to Complaints. The owner or contact person shall respond to neighborhood questions, concerns, or complaints in a reasonably timely manner depending on the circumstances.
 - 1. Owner Responsibility. Reasonable initial inquiries or complaints related to the expectations set in the Good Neighbor Guidelines may first be made to the owner or contact person. However, it is not intended that the owner or contact person act as a peace officer or code enforcement officer of the city or put themselves in an at-risk situation. In such cases, the owner or contact person should contact the city to discuss resolution of the complaint.
 - 2. Complaint Log. The owner or contact person should maintain a record of complaints and the actions taken in response to the complaint, if relevant, in a manner reasonable to document the interaction. If kept, this record can then be made available for city inspection upon request.
 - 3. City Authority. If there is a failure to respond or a clearly inadequate response by the owner or contact person, a complaint may be submitted to the city on a form provided by the city, and the city will respond or investigate as needed. The city will first seek voluntary compliance or resolution, but if the city finds substantial evidence supports further action given the complaint(s), the city will follow the warning and revocation procedures set forth in WSMC 5.02.045.
 - 4. Records. On request and in compliance with the public records law, the city shall provide the owner and/or contact person with the information in the complaint.
 - 5. Grounds for Warning. Repeated failure of the owner or representative to timely and reasonably respond to a complaint(s) relayed by neighbors or city staff is considered grounds for a warning and potential revocation under WSMC 5.02.045. Repeated noise complaints regarding tenants may be grounds for a warning to the owner, if, in the reasonable judgment of the city administrator, the circumstances indicate the owner should be held responsible. Initiating a nuisance enforcement action under WSMC Ch. 8.70 may be grounds for a warning in the appropriate circumstances.
 - 6. Administrative Rules. The city administrator may establish administrative rules to interpret, clarify, carry out, and enforce the provisions of this chapter. A copy of such administrative rules shall be on file and made available at City Hall.
- D. Health and Safety. Every short-term rental permit shall be subject to inspection by the building official or designee at the city's discretion. The purpose of the inspection is to determine conformance with the Short-Term Rental Fire Safety Checklist (fire extinguishers, smoke alarms, carbon monoxide detectors, etc.). It is the owner's responsibility to assure that deficiencies identified in the checklist are addressed and that

the short-term rental is and remains in substantial compliance with all applicable fire, building, and safety codes and other relevant laws, whether identified on the short-term rental fire safety checklist or not.

- E. Taxation. The owner shall fully comply with all applicable city and state tax reporting and payment requirements, especially lodging taxes due to the city under WSMC 3.50 and retail sales and use taxes due under WSMC 3.04.
- F. Mandatory Postings. Important information related to the permitting and use of the shortterm rental shall be displayed in a prominent location within the interior of the dwelling, either adjacent to the front door or in a highly visible rental binder. The information shall include:
 - 1. The short-term rental permit;
 - 2. Any special standards placed on the short-term rental permit;
 - 3. The property address;
 - 4. The name of the owner and contact person and a telephone number where the owner and contact person may be contacted;
 - 5. The parking diagram of the parking spaces available for use by the short-term rental. The parking diagram may include on-street parking areas, but on-street parking is not for the exclusive use of any home or short-term rental;
 - 6. The city-provided Good Neighbor Guidelines. Additionally, the city encourages all owners to incorporate the Good Neighbor Guidelines into the rental contract.
- G. Liability Insurance. The owner shall maintain liability insurance which expressly covers the property's use as a short-term rental.

5.02.045 - Revocation procedure.

- A. In addition to the penalties described in WSMC 5.02.050, the following provisions apply to violations of this chapter:
 - 1. Failure to renew a permit as set forth in WSMC 5.02.030 is grounds for revocation of the short-term rental permit.
 - 2. Failure to timely pay lodging or sales taxes required by WSMC 5.02.040(E) or to otherwise meet the operational requirements of WSMC 5.02.040 is grounds for revocation of the permit.
 - 3. The discovery of material misstatements or providing of false information in the application or renewal process is grounds for revocation of the permit.

- 4. Such other violations of this chapter of sufficient severity in the reasonable judgement of the city administrator, so as to provide reasonable grounds for revocation of the permit.
- 5. Other violations of this chapter, including but not limited to city-initiated investigation/sustaining of complaints, shall be processed as follows:
 - a. For the first and second violations within a twelve-month period, the sanction shall be a warning notice.
 - b. If the same offense continues to occur or a third similar offense occurs at any time during a twelve-month period, the city may either issue a third warning, update the permit to include reasonable special operational standards, or revoke the permit.
- B. Notice of Decision/Appeal/Stay. If the short-term rental permit is updated or revoked as provided in this section, the city administrator or designee shall send written notice to the owner stating the basis for the decision. The notice shall provide a date that a short-term rental permit is to be revoked and shall be no earlier than 30 calendar days from the date of the notice. Provided, however, stays booked prior to the notice of permit revocation may be honored by the owner or manager unless the revocation was due in part to life, health or safety violations that pose a risk to the renters. The notice shall include information about the right to appeal the decision and the procedure for filing an appeal. The owner may appeal the city administrator's decision under the procedures set forth in WSMC 5.02.055. Upon receipt of an appeal, the city administrator or designee shall stay the update or revocation decision until the appeal has been finally determined by the city council.

5.02.050 - Violations—Penalties.

- A. In addition to the revocation procedures of WSMC 5.02.045, any person or owner who uses, or allows the use of, property in violation of this chapter is guilty of a class 1 civil infraction under RCW 7.80.120(1)(a) and is subject to fine or \$250 per violation. Each day a dwelling is used in violation of this chapter shall be considered a separate violation. Furthermore, the use is subject to abatement as a nuisance under WSMC Ch. 8.07.
- B. The following conduct also constitutes a violation of this chapter subject to punishment as Class I Civil Infraction:
 - 1. Renting or representing a dwelling unit or lodging unit as available for occupancy or rent as a short-term rental where the owner does not hold a valid permit issued under this chapter, or making a short-term rental available for use, occupancy or rent without first obtaining a valid operating permit;

- 2. Advertising or renting a short-term rental in a manner that does not comply with the standards of this chapter; and
- 3. Failure to comply with the operational requirements of WSMC 5.02.040.

5.02.055 - Violations—Penalties.

- A. Appellant—Standing. Only the owner or contact person shall have standing to appeal a decision by the city to deny, revoke or attach special operational standards to a short-term rental permit.
- B. Authority to Decide Appeal. The city council shall be responsible for determining an appeal of a decision brought under WSMC 5.02.055(A).
- C. Time for Filing. An appellant is required to file a written notice of appeal including the basis for the appeal within fourteen calendar days of the permit determination being appealed. This requirement is jurisdictional and late filings shall not be allowed.
- D. Fee for Appeal. The city council may establish by resolution a fee for filing an appeal, and payment of the required fee shall be jurisdictional.
- E. Hearing. After receiving written notice of appeal, the city administrator or designee shall schedule a hearing on the appeal before the city council. At the hearing, the appellant shall have the opportunity to present evidence and arguments as may be relevant. The council may direct staff to draft findings of fact and interpretations of code or law to be considered at a later Council meeting.
- F. Standard of review and decision. The council shall determine whether the city's decision was based on a preponderance of the evidence. A decision of the council shall be based on the evidence received, in writing and signed by the mayor, and issued no later than thirty calendar days after the close of the hearing.
- G. Finality. The council's decision shall be final on the date of mailing the decision to the appellant. The council's decision is the final decision of the city and is appealable only under the Land Use Petition Act (LUPA), RCW Ch. 36.70C.

5.02.060 - Discontinuance of short-term rental occupancy.

- A. After Revocation. After a short-term rental permit has been revoked, the dwelling unit may not be used or occupied as a short-term rental unless a new permit is issued, and the owner of the property to which the permit applied and whose permit has been revoked shall not be eligible to reapply for a short-term rental permit for short-term rental on the same property for a period of 12 months from the date of revocation.
- B. After Expiration. If a short-term rental permit expires, the dwelling unit may not be used or occupied as a short-term rental. The owner of the property to which the permit applied

and whose permit has expired shall be required to apply for and obtain a short-term rental permit before the property may be lawfully used or occupied as a short-term rental.

5.02.065 - Remedies not exclusive.

The remedies provided in this chapter are in addition to, and not in lieu of, all other legal remedies, criminal and civil, which may be pursued by the city to address any violation of this code.

SECTION 2 – SEVERABILITY: If any section, sentence, or phrase of this Chapter is

held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or

unconstitutionality shall not affect the validity or constitutionality of any other section, sentence

or phrase of this Chapter.

SECTION 3 – EFFECTIVE DATE. This ordinance shall take effect January 1, 2020

following the date of its publication by summary.

PASSED by the City Council of the City of White Salmon at a regular meeting this 4th

AGENDA MEMO

Needs Legal Review:	Yes
Council Meeting Date:	December 4, 2019
Agenda Item:	City Council Chamber Audio System Options
Presented By:	Jan Brending, Clerk Treasurer

ACTION REQUIRED:

Authorization to expend funds on updating the city council chamber audio system.

PROPOSED MOTION:

Motion to authorize the expenditure of \$20,000 to update the city council chamber audio system based on Radcomp's Quote 1.

Explanation of issue:

Attached are four quotes for replacement of the city council audio system provided by Radcomp.based on the Shure system. Staff focused on Option 1 and 2 at this time. The main difference between Option 1 and 2 is that Option 2 provides a system to record (non-verbally votes made by the city council). As the council is required to vote verbally, staff does not feel it is necessary to spend funds on this feature.

Options 3 and 4 provide additional enhancements including a full wireless system in option 4. The wired system quoted in Option 1 and 2 can be easily moved to a new building in the future if necessary.

Option 1 provides a microphone and speaker at each council and staff seat plus a microphone at the podium. The existing speakers would be moved to the middle of the room focused on the audience. In addition, the system records directly into a recorder. The city's phone was plug into the system so that any individuals who call in will be able to hear everyone and everyone will be able to hear the callers. The system also can be used for "assisted listening" for hearing impaired.

I am working to set up a conferencing option either through software application like Zoom or by using a teleconferencing service (i.e. you call into a telephone number and provide a meeting identification number and are connected to the conference).

I have added approximately \$2,552 to the budget for incidental things that may come in during installation.

I believe the system proposed is going to be a significant improvement to the city council's meeting, particularly for individuals who need to participate by telephone.

If the council approves the expenditures, the 2019 budget will be amended to include this item. We will place the order immediately. However, it is not likely that it will be installed in time for the first meting in January 2020. I am going to experiment (since we have at least once council member calling in) with moving the city's telephone conference speaker to the city council room for that meeting. Hopefully it will be an improvement over just using the telephone.

Staff Recommendation:

Staff recommends authorizing the expenditures of \$20,000 to update the city council chamber audio system based on Radcomp's Quote 1.

8. Approval of Meeting Minutes - November 6, 2019

CITY OF WHITE SALMON City Council Regular Meeting – Wednesday, November 6, 2019 Draft

Council and Administrative Personnel Present

Council Members:

Jason Hartmann Donna Heimke Marla Keethler Ashley Post Amy Martin

Staff Present:

Pat Munyan, City Administrator Stephanie Porter, Deputy Clerk Ken Woodrich, City Attorney Mike Hepner, Police Chief Russ Avery, Public Works Operations Manager

1. Call to Order

Mayor Dave Poucher called the meeting to order at 6:00pm. There were approximately 20 people present.

2. Roll Call

All Council members present.

3. Comments – Public and Council

Ruth Olin, White Salmon Resident said she is opposed to paving alleys and parking spaces in White Salmon. She said gravel and grassy areas are necessary for water drainage and asked the council to look at the Chicago Green Alley Program. Olin said that she thinks the Commercial Zoning should allow for unpaved parking. Olin suggested that the 12 trees slated for removal be replaced.

Kirby Erdely, White Salmon Resident said he would like to see the speed limit on Vine Street lowered to 20 mph or less. He said he lives on Vine Street and it is a major walking path for residents coming to and from Bingen, WA. Erdely said that at 25 mph drivers "rip through there at 40-45 mph" to bypass construction or traffic on Jewett Blvd. He said Jewett Blvd/Hwy 141 is being lowered to 20 mph. and feels that Vine Street should be lower than the main street.

Ashley Post, Council Member responded saying that the speed limit decrease on Highway 141 will be at Dock Grade Road. She said the speed limit on Highway 141 at the base of Vine Street will remain at 35 mph.

4. Changes to the Agenda

None.

5. Washington Gorge Action Programs, Youth Center

Leslie Naramore, Executive Director for Washington Gorge Action Programs and Autumn Williams, Director for the Youth Center said they are requesting additional funds for 2020. Autumn Williams said that she has 90 registered children that attend the Youth Center on a regular basis. She said they now accept children from age 6 up to age 12. Williams said they

have seen a significant increase in attendance due to the childcare shortage in White Salmon. She said that she is the only full-time employee and there is one other part time employee. Williams said they are always looking for volunteers. She said that at the Youth Center they help children with their homework, provide resources for schoolwork including computers, and activities for the kids. Williams said they provide a hot meal for the kids two times a week, which is funded by United Way. She said these meals are frequently the only hot meal the kids get.

Leslie Naramore said that this year Washington Gorge Action Programs is asking for \$12,000 to help fund the Youth Center. She said that they also requested an increase in funding from the City of Bingen as well. She said this increase would fund a second full-time position at the Youth Center.

Marla Keethler, Council Member asked if there has been any conversation about making improvements to the building.

Autumn Williams said she believes that the building is generally safe, it just is old and not aesthetically pleasing. Leslie Naramore said that she does not believe it would be worth it to do any major aesthetic updates to the building. She said there has not been any safety concerns. Williams said the size of the building is almost 4,000 square feet and that is a huge advantage. She said it has a full commercial kitchen and 2 bathrooms which allow for great functionality.

Leslie Naramore said she would be open to conversations about pursuing grants for a new Community Center. She said she has not been approached by the city regarding that opportunity yet.

Mayor David Poucher said the city will need to look at the budget with some upcoming expenditures. He said that the city is waiting for a final decision for the location of the new pool before discussions about a Community Center can move forward.

Leslie Naramore thanked the council for lowering the speed limit through town to 20 mph. She said they are always concerned for the children who walk home on that road.

6. Big River Land Trust, Presentation

David Poucher recused himself from the presentation because he is on the Board of Directors for Big River Land Trust.

Donna Heimke stepped in as Mayor Pro Tempe.

Becky Williams introduced Anne Medenbach to speak about the Big River Community Land Trust.

Anne Medenbach said there is a lack of middle-income affordable housing in White Salmon. She said roughly 70% of the population of White Salmon cannot afford the median house price of \$445,000. Medenbach said she believes a community land trust is a vital step in moving towards solving the housing crisis. She explained that a community land trust is a private, non-profit organization that acquires and holds land for the benefit of the community. Medenbach said it

provides secure and affordable access to land and housing for community residents. She explained how a community land trust works. She said the current affordable median home price for White Salmon according to HUD standards is \$215,000, which is calculated as 30% of the average gross income for the community which is \$59,200 in White Salmon. Medenbach said Big River Land Trust is focused on single-family residents. She said there is support for community land trusts. Medenbach said they have been in contact with other land trusts in the area to get ideas and knowledge of what works and what does not work. Medenbach said Big River Community Land Trust is incorporated in Washington State and registered in Oregon. She said they are applying for 501(c)3 status in the next month and have an active board with members from both sides on the river. Medenbach said the specific goals of the Big River Community Land Trust are: 1) to provide homes for sale at 60-120% median family income (\$36,000-\$71,000), 2) cultivate sustainable development, 3) to have an inventory of 200 affordable homes in the next 10 years. She said the Trust's role is to be stewards the land. Medenbach said the Trust will acquire and develop the land, hire the contractors to build the homes, market the homes, sell the homes and build the long-term relationships with the members. She said initial funding will come from community partners and donations. Medenbach said that after the initial start-up they will be looking for loans. She said as a nonprofit they will be eligible for more kinds of financing. She said the best way the City of White Salmon can help at this stage is with a letter of support for the Big River Community Land Trus's IRS 501(c)3 application.

Council members discussed the opportunities for a community land trust with Anne Medenbach.

Moved by Jason Hartmann. Seconded by Amy Martin.

Motion to authorize the Mayor to sign the provided letter of support from the White Salmon City Council for the Big River Land Trust's 501(c)3 non-profit application to the Internal Revenue Service.

Discussion:

Marla Keethler said the current proposed letter of support contains some things may be misleading specifically the mention of density bonus. She said that she wants to be sure the letter does not set precedents regarding density bonuses that cannot be fulfilled. Keethler said she wants to be sure that what the letter does not suggest preferential treatment of an organization over other groups.

Ken Woodrich recommended that the last sentence of the fourth paragraph be removed that states "The City Council is researching density bonuses, limits on short term housing and looking to partner with local housing organizations that can develop and keep housing affordable for our residents in the long term".

Marla Keethler said she would like the fifth paragraph to read, "The City strongly supports the current goals of the Big River Land Trust and requests that their application for 501(c)3 status be approved".

Motion to amend the original motion to authorize the Mayor to sign the provided letter of support from the White Salmon City Council for the Big River Land Trust's 501(c)3 non-profit application to the Internal Revenue Service with the discussed changes. (The maker of the original motion and seconder agreed to the proposed amendment).

7. 2020 Preliminary Budget

Mayor David Poucher said that the full presentation from Jan Brending will be given at the next council meeting on November 20, 2019. He said if there are any questions, to direct them to City Hall staff.

Stephanie Porter said that there will be a public hearing for the 2020 Budget at the November 20, 2019 meeting.

Ashley Post said the City Operations Committee has been talking about replacing the park equipment in Rheingarten Park. She said that she would like to see the 2020 park budget include \$60,000 to \$80,000 for a park designer.

8. Ordinance 2019-11-1052, Adopting WSMC 5.02 Short-Term Rentals

Marla Keethler presented information regarding the changes in the proposed ordinance. She said the ordinance now provides a annual fee of \$75 for registering all short-term rentals. Keethler noted the fee would be adopted by resolution. She said the ordinance now states that inspection of short-term rentals will be at the city's discretion when warranted rather than required at registration. Keethler said the ordinance is emphasizing a registration process rather than a regulatory process. She said in the case a short-term rental registration is revoked, owners will be allowed to honor any reservations on the books at the time of revocation unless the revocation is the result of a health or safety issue.

Mayor David Poucher opened the public hearing.

Lisa Evans, Klickitat County Resident said thanked the city for the changes made so far. She said that she wants to point out the second whereas clause in the ordinance that states "the City feels it to regulate" and thinks the word "regulate" should be changed to "register." Evans said she feels some of the wording needs to be reviewed for consistency. She asked if there will be public hearings on any changes to the fee in the future.

Mayor Poucher closed the public hearing.

Discussion

Amy Martin said the ordinance and resolution does not have an expiration date. She said they can be reviewed and revised by the council at any future date.

Marla Keethler said the fee will be documented through a resolution so the ordinance will not have to be updated every time the fee changes.

Ashley Post said there will not be a public hearing when changes are made to the resolution.

Jason Hartmann asked if short-term rental owners would need to have both a business/rental license and the short-term registration, or just the short-term registration.

Marla Keethler said they will need to have both. She said the rental license is for the business and the short-term rental registration has a different set of requirements. Keethler said the language was reviewed in an attempt to update the ordinance to reflect the intent of registration. She said she would like to change the whereas clause to use the word "registration" instead of "regulation."

Ken Woodrich said the process is more than just a registration in that there will be regulations for safety and health issues. He said the language is in the recitals is not technically part of the ordinance.

Jason Hartmann asked if there is a different consideration for short-term rentals in commercial zones.

Ken Woodrich said no.

Jason Hartmann said his concern is that with the current definition of a dwelling unit, if a hotel puts a microwave in their units, do they become a short-term rental and then need to register each unit separately.

Ken Woodrich said hotels are exempt.

The city council discussed the need for an exemption for hotels and discussed the definition of dwelling unit. Marla Keethler noted that each listing requires a \$75 registration fee.

Ashley Post said that the second whereas clause says "feel" and should say "finds". She said that under Finding, intent and purpose 5.02.005A needs to say, "In the adoption of these regulations, the city <u>finds</u>" instead of "the city find".

There was a consensus of the council to table action on the proposed ordinance until the November 20, 2019 council meeting.

9. Resolution 2019-11-593, Establishing Fee for Short-Term Rental Registration per WSMC 5.02.020

Page 6

separate contractor. Munyan said the city received one proposal from Bartlett Tree Services in the amount of \$1,569.60. He said the Tree Board recommends signing a contract with Bartlett Tree Services to oversee tree maintenance and removal

Discussion

Ashley Post said that she did not see an option for addressing the Sweet Gum tree in front of The Enterprise building.

Pat Munyan said it can be addressed through a change order.

Marla Keethler noted that the Tree Board requested the two companies -- the arborist and the tree maintenance company work together to verify the plan of action.

Moved by Marla Keethler. Seconded by Jason Hartmann. Motion to authorize the Mayor to sign contract with Bartlett Tree Services for arborist oversight of tree maintenance and removal in the amount of \$1.569.60. CARRIED 5-0.

11. Request for Bids, Tree Maintenance and Removal – Award of Contract

Pat Munyan said the city issued a Request for Bids for tree maintenance and removal. He said the contractor selected for conduction the maintenance and removal will be overseen by an arborist hired by the city through a separate contract. Munyan said the city received three bids for tree maintenance and removal. He said the Tree Board is recommending selection of Klickitat Tree with the lowest bid.

Discussion

Donna Heimke asked why there was such a drastic discrepancy in bid amounts.

Patrick Munyan said Jan Brending contacted Klickitat Tree to verify they understood the scope of work and they said yes.

Moved by Jason Hartmann. Seconded by Amy Martin. Motion to authorize the Mayor to sign contract with Klickitat Tree for tree maintenance and removal in the amount of \$4,676.25. CARRIED 5-0.

12. Small Works Roster Bid, Concrete Work Police Department – Award of Contract

Pat Munyan said the City Council had previously authorized concrete work to be done at the police department with an estimated cost of \$80,000. He said the project includes some underground work as well. Munyan said the city issued a Small Works Roster sealed bid for the work and received three bids. He said the staff recommends authorizing the mayor to sign a contract with Artistic Excavation who was the lower bidder for the concrete work in the amount of \$44,715.16.

Discussion

Ashley Post asked if the front door is going to be on the concrete landing.

Pat Munyan said yes. He said a ramp and stairs are required for ADA compliance.

Ashley Post asked if the sidewalk wrapping around the side of the building would be done.

Pat Munyan said yes and a change order has been placed to run a conduit under the sidewalk to the flower bed. He said this will allow the city to tie into the Police Station power for seasonal decorations.

Moved by Amy Martin. Seconded by Amy Martin. Motion to authorize the Mayor to sign contract with Artistic Excavation for concrete work at the police department in the amount of \$44,715.16. CARRIED 5-0.

13. Downtown Parking Overlay Ordinance

Ken Woodrich said ordinance is not ready for adoption. He said staff is seeking direction from the city council order to present a proposed ordinance to the planning commission. Woodrich said the proposed ordinance adds a new chapter to the city's zoning code providing for a downtown parking overlay zone. He said the downtown parking overlay zone addresses the issue of limited parking in the downtown area and provides additional flexibility in the downtown area. Woodrich suggested the proposed ordinance should go to both the City Operations Committee and the Community Development Committee for input and review.

The city council discussed the proposed ordinance noting that local business owners should be involved; that transient, residential and business parking needs to be considered; how to reduce the need for parking; and the need for bicycle parking and bicycle lanes.

There was a consensus of the council to table further discussion to a future council meeting to be determined.

14. Center Place – Water and Sewer Utility Upgrades - Agreement

Pat Munyan said the proposed Environmental Mitigation Agreement allows for the city to waive short plat fees, wastewater connection fees and water connection fees for Andrew Harmon Construction, in agreement that he provides the installation of utilities, dedication of easements and the construction of utility improvements. He said the agreement provides the city will design and prepare the plan and specifications for utility improvements located within NE Center Place and NE Pioneer Place and will use an engineer to inspect and supervise the construction and utility improvements. Munyan said the agreement provides Andrew Harmon Construction will construct and install the utility improvements. He said that staff recommends the council authorize the mayor to sign the agreement with Andrew Harmon Construction. Munyan said the city will be waiving \$30,000 in fees for \$150,000 worth of improvements. He said this a good deal for the city in that the city will gain better infrastructure and fix some poor planning in the area.

Moved by Jason Hartmann. Seconded by Amy Martin.
