1. Garfield No Parking Zones

## Establishing a No Parking zone on NW Garfield Ave. Between NW Lincoln and W Jewett

Staff is proposing in accordance with WSMC 10.24.010 B a NO PARKING ZONE on either side of NW Garfield between NW Lincoln and W Jewett.

WSMC 10.24.010 B. "Additional time limits and no parking zones may be imposed upon certain designated streets and locations within the city."

The reconstruct and installation of a sidewalk on the west side of Garfield has made the travel lanes significantly narrower than the previous road (roughly 24 feet of travel lane.) Eliminating parking will allow vehicles to safely pass in both directions and room for plows in the winter.

Visually inspecting the progress of the project will clearly indicate the need for this new NO PARKING area.

If approved, staff will need to order NO Parking signs to be installed per WSMC 10.24.010 D.

WSMC 10.24.010 D. "Additional time limits and no parking zones imposed shall be clearly posted."
