| Meeting Date: | November 10, 2021 | Meeting Title: | Planning Commission |
| Submitting Department: | Planning Department | Presenter: | Brendan Conboy, City Planner |
| Agenda Item: | Short-Term Rental (STR) Moratorium – Draft Text Amendments to WSMC 5.02 | Public Comment: | No |

Note: This item was continued from the October 27th Planning Commission public hearing on the subject ([Video](#)). Staff has included comments from Commissioners Gilchrist and Morneault which are attached (Exhibit B). Draft redlines to Chapter 5.02 Short-Term Rental attached to this report are not reflective of the most current directives from the Planning Commission and will be the subject of this meeting as well as discussions of regulations pertaining to existing licensed short-term uses moving forward. The Planning Commission's recommendations will be brought to the City Council for consideration.

Purpose and Policy Considerations

On July 21, 2021, the White Salmon City Council adopted [Ordinance 2021-07-1083](#), a Moratorium on New Short-term Rentals (STR) for a period of time not to exceed six months, unless extended for good cause pursuant to [RCW 35.63.200](#).

The ordinance requires that the Council hold a public hearing within 60 days of the of the moratorium taking effect. On September 1, 2021, the City Council held a public hearing and voted unanimously in favor of extending the moratorium until such time that regulations may be enacted. Council directed staff to begin refining the focus of proposed regulations with the Planning Commission ([Staff Report](#), [Video](#), [Minutes](#)). The intent of the moratorium is to respond to repeated and substantial complaint from members of the public citing the adverse impacts of unregulated STR uses across the community, broadly speaking. Council made key findings for the moratorium detailed in the ordinance.

Planning Commission: August 25, 2021

Staff brought the matter before the Planning Commission for a work session on August 25, 2021, to gather feedback to provide the Council prior to the public hearing on September 1, 2021 ([Staff Report](#), [Video](#)).

Planning Commission: September 22, 2021

Staff brought the matter before the Planning Commission for a second work session on September 22, 2021, to further refine outstanding issues the Planning Commission still sought consensus on. ([Video](#), [Staff Report](#))

Recommendation

Staff recommends that the Planning Commission discuss the proposed draft text amendments (Exhibit A) and provide direction to staff. Staff will then prepare any necessary reports and draft ordinances to bring back to the City Council at a public hearing.

Chapter 5.02 Short-Term Rentals

Sections:

5.02.005 Findings, intent and purpose.

- A. In the adoption of these regulations, the city finds that the rental of dwelling units and lodging units for less than thirty days is an important contributor to the comprehensive plan's tourism goal. The city also finds that these short-term rentals are part of an emerging market that has the potential to be incompatible with surrounding residential uses, ~~and exacerbates housing affordability.~~
- B. The regulations below are intended to create a registration of short-term rentals that will:
1. ~~Better balance~~ ~~Determine~~ the impact on the local economy;
 2. Reduce administrative burdens ~~and barriers to entry;~~
 3. Ensure market fairness and taxation;
 4. Protect guests; and
 5. ~~Mitigate~~ ~~Avoid unchecked~~ neighborhood disruptions.
- C. This chapter provides an administrative framework for registering the annual operation of a short-term rental. A short-term rental permit is a limited permission to use property for short-term rental purposes. A permit may be modified or revoked if the standards of this chapter are not met.

(Ord. No. 2019-12-1052, § 1, 12-4-2019)

A short-term rental permit shall be obtained and/or renewed as required in this section. This permit is in addition to the city business license required under WSMC Ch. 5.04. The ability to operate a short-term rental in the city of White Salmon shall be discontinued in the event the owner fails to obtain or renew a permit to operate as provided in this chapter.

- A. Application and Renewal Process. A person engaging in operation of a short-term rental who has not yet obtained a permit, or who is required to renew an existing operating permit, shall do so as follows:

 - a. New Permits. For new short-term rental permits, it is the responsibility of the owner or contact person to apply for and receive a permit prior to operation of a short-term rental.
 - b. Existing Short-term rentals. A completed permit renewal application and renewal fee is due for all existing short-term rentals annually by December 31.

2. Notice. Prior to the December 31 annual due date, the city shall send notice of the need for a permit or expiration of a permit to the owner of any property for which an application is due as follows:

- a. For the first permit required for any short-term rental in the city, it is the owner's obligation and responsibility to apply for a permit.
- b. For permit renewal, notice will be sent to the mailing and email addresses of the owner and contact person as provided to the city on the application.

- B. Permit Expiration. For renewals, upon expiration ~~of a thirty-day late period commencing~~ at the end of each calendar year, the ability to operate shall be conclusively presumed to be discontinued and the city will commence revocation of the permit pursuant to the procedures in WSMC 5.02.045. Following 5 consecutive years of permit operation the short-term rental permit shall be expired and subject to WSMC 5.02.025.

- B. Permit Renewal. Upon receipt of a complete application for renewal of a short-term rental permit and payment of all required fees, the city will review the application and available information to determine compliance with the operational requirements of WSMC 5.02.040. If not met, the city administrator or designee or designee will not renew the permit and the property shall not be used as a short-term rental. Alternatively, the city administrator may issue the permit subject to reasonable special operational standards. Short term rental permits are limited to a maximum of five consecutive years of renewals as defined in WSMC 5.02.025.
- C. Owner's Role. The owner has the burden of proof to demonstrate compliance with each operational requirement and special standard placed on the short-term rental permit. Staff may verify evidence submitted and the applicant shall cooperate fully in any investigation.

5.02.040 Operational requirements.

- A. Notice to Neighbors. The owner or contact person shall provide a mailing or otherwise distribute by hand prior to ~~the initial permit commencing the use~~, a flier to all property owners of record and/or occupants of properties adjacent to and abutting the property permitted as a short-term rental. The notice shall include the permit number and the telephone number of the owner and or contact person. The purpose of this notice is so that neighboring property owners and residents can contact a responsible person to report and request resolution of problems associated with the operation of the short-term rental. If the permanent contact information changes during the permit period, the new information must be mailed or distributed again.

- B. On Premise Signage. Within 30 days of approval of a short-term rental permit, the owner shall place a sign on the premise of the short-term rental. The sign shall be located within 5' of the front property boundary, not in a right of way, and consist of either a ground sign that is free-standing, stationary, erected and supported securely from the ground, or a fence or wall mounted sign not to exceed two-square-feet (2 sq. ft.) in area. The sign shall contain the name of the short-term rental establishment, the short-term rental permit number, the name of the owner or representative and their twenty-four hour phone number, and the contact info for contacting the City and registering a complaint. All content shall be clearly legible in natural daylight conditions or by flashlight at night and shall be approved by the Planning Administrator prior to placing the sign on site.
- CB. Public Availability. In addition, the city will make a registry publicly accessible within which any person can obtain the owner and contact person's name and telephone number. If the permanent contact information changes during the permit period, the new information must be provided to the city.
- DC. Response to Complaints. The owner or contact person shall respond to neighborhood questions, concerns, or complaints in a reasonably timely manner depending on the circumstances.
1. Owner Responsibility. Reasonable initial inquiries or complaints related to the expectations set in the Good Neighbor Guidelines may first be made to the owner or contact person. However, it is not intended that the owner or contact person act as a peace officer or code enforcement officer of the city or put themselves in an at-risk situation. In such cases, the owner or contact person should contact the city to discuss resolution of the complaint.
 2. Complaint Log. The owner or contact person should maintain a record of complaints and the actions taken in response to the complaint, if relevant, in a manner reasonable to document the interaction. If kept, this record can then be made available for city inspection upon request.
 3. City Authority. If there is a failure to respond or a clearly inadequate response by the owner or contact person, a complaint may be submitted to the city on a form provided by the city, and the city will respond or investigate as needed. The city will first seek voluntary compliance or resolution, but if the city finds substantial evidence supports further action given the complaint(s), the city will follow the warning and revocation procedures set forth in WSMC 5.02.045.
 4. Records. On request and in compliance with the public records law, the city shall provide the owner and/or contact person with the information in the complaint.
 5. Grounds for Warning. ~~Repeated~~ Failure of the owner or representative to timely and reasonably respond to a complaint(s) relayed by neighbors or city staff is considered grounds for a warning and potential revocation under WSMC 5.02.045. ~~Repeated~~ ~~n~~Noise complaints regarding tenants may be grounds for a warning to the owner, if, in the reasonable judgment of the city administrator, the circumstances indicate the owner should be held responsible. Initiating a nuisance enforcement action under WSMC Ch. 8.70 may be grounds for a warning in the appropriate circumstances.
 6. Administrative Rules. The city administrator may establish administrative rules to interpret, clarify, carry out, and enforce the provisions of this chapter. A copy of such administrative rules shall be on file and made available at City Hall.
- D. Health and Safety. Every short-term rental permit shall be subject to inspection by the building official or designee at the city's discretion. The purpose of the inspection is to determine conformance with the Short-Term Rental Fire Safety Checklist (fire extinguishers, smoke alarms, carbon monoxide detectors, etc.). It is the owner's responsibility to assure that deficiencies identified in the checklist are addressed and that the short-term rental is and remains in substantial compliance with all applicable fire, building, and safety codes and other relevant laws, whether identified on the short-term rental fire safety checklist or not.

- E. Taxation. The owner shall fully comply with all applicable city and state tax reporting and payment requirements, especially lodging taxes due to the city under WSMC 3.50 and retail sales and use taxes due under WSMC 3.04.
- F. Mandatory Interior Postings. Important information related to the permitting and use of the short-term rental shall be displayed in a prominent location within the interior of the dwelling, either adjacent to the front door or in a highly visible rental binder. The information shall include:
1. The short-term rental permit;
 2. Any special standards placed on the short-term rental permit;
 3. The property address;
 4. The name of the owner and contact person and a telephone number where the owner and contact person may be contacted;
 5. The parking diagram of the parking spaces available for use by the short-term rental. The parking diagram may include on-street parking areas, but on-street parking is not for the exclusive use of any home or short-term rental; and
 6. The city-provided Good Neighbor Guidelines. Additionally, the city encourages all owners to incorporate the Good Neighbor Guidelines into the rental contract.
- G. Liability Insurance. The owner shall maintain liability insurance which expressly covers the property's use as a short-term rental.

 4. Such other violations of this chapter of sufficient severity in the reasonable judgement of the city administrator, so as to provide reasonable grounds for revocation of the permit.

Commented [P3]: Should this be one warning?

shall be no earlier than thirty calendar days from the date of the notice. Provided, however, stays booked prior to the notice of permit revocation may be honored by the owner or manager unless the revocation was due in part to life, health or safety violations that pose a risk to the renters. The notice shall include information about the right to appeal the decision and the procedure for filing an appeal. The owner may appeal the city administrator's decision under the procedures set forth in WSMC 5.02.055. | Morneault | | I am not sure if a lottery system is the way to go. Could a list be made of prospective permit holders, with the earliest permits at the top of the list. Being on the list would be free of charge and would be good for a calendar year. Renewal would be made during the month of December without losing the prospective permit holder losing the position on the list. After of the first of the year, new and renewals applications go to the bottom of the list. Openings are filled from the top of the list. If a person is chosen, then the fees are due. | | | | |
