MISCELLANEOUS

Acting Fire Chief Zak brought up a concern about the Willowick Fire Department Policy & Procedure Manual being on the book list for the upcoming captain promotional exam. He stated that the only existing paper copy of the policies & procedures only contains Series 100 through 300 and he has not been able to locate Series 400 through 700. There is shared drive that exists for viewing but is also missing Series 400 through 700. The paper copy and shared drive would need to be compared to make sure that the information on Series 100 through 300 is accurate on both.

Chairman Tobin feels that due to the discrepancies in the material that the Willowick Fire Department Policies & Procedures Manual should be removed from the exam process.

Motion made by Mr. Lazor, seconded by Mr. Wittlinger to remove from the reading list the Willowick Fire Department Policies & Procedures for the upcoming captain promotional exam.

Discussion: None.

Vote: All ayes. Motion carried.

Secretary Trend will make notification to the four candidates signed up to take the written exam and also to the exam administrator that the Willowick Fire Department Policies & Procedures Manual has been removed from the book list.
