Monday, November 17, 2025 at 6:00 PM

### CALL TO ORDER AND DETERMINATION OF QUORUM

Mayor Teresa Palmer called the regular meeting of the Willow Park City Council to order at 6:00 pm and confirmed a quorum of the City Council was present for this meeting.

### INVOCATION, PLEDGE OF ALLEGIANCE AND TEXAS PLEDGE

The Invocation was given by Judge Roy Kurban. Followed by the Pledge of Allegiance and the Texas Pledge given by all present.

### Mayor Comments

#### 1. Mayor Opening Comments - Billed Legal Expenses; Cork & Pig

Mayor Comments: Mayor Teresa Palmer stated that she would be discussing the billed legal expenses in an Agenda item below. The City Attorney Fees for FY 2025 was budgeted at \$50,000 and for the last 2 months the City has spent \$114,000 and that is without the month of October. This is unsustainable.

Mayor Palmer also wanted to bring to everyone's attention that we now have the Cork & Pig Tavern in the City and they have very yummy food. I would encourage everyone to go and visit their restaurant. We are very blessed to have them in our City.

### PUBLIC COMMENTS (Limited to five minutes per person)

## **REGULAR AGENDA ITEMS**

### **3. 4th Quarter Financial Update - CPA Jake Weber**

CPA Jake Weber gave the City Council a Finance Update on the 4th (Final) Quarter of the 2024-2025 Fund Year.

Jake Weber gave the Council an update on the 4th and Final quarter of the 2024-2025 Fund Year stating there were no major surprises and things came in close to projections and were pretty much a break even scenario for the General Fund. For the Water Fund there was around a \$600,000 overall deficit stating that water impact fees were around \$250,000 thousand of that. The water reserves were at \$3.1 million and will be around \$2.3 million for the close of the year. Something we need to keep an eye on. With the growth expected in the area it should not be an issue. For the Waste Water Fund this is also at break even status and we will continue to strive to boost the reserve funds.

No action was taken on this item.

### **4. Discussion and Action: Presentation by Erick Macha of Hilltop Securities; Consideration of funding for the Squaw Creek Road Project (Interim City Manager Michelle Guelker, Councilmember Buddy Wright)**

Mr. Erick Macha of Hilltop Securities was present to discuss consideration of funding options for the Squaw Creek Road Project. He discussed whether taxes can sustain any new debt. He gave a presentation to the City Council and went over the Financial information and possible scenarios to pass CO Bonds to do this project. He also went over the possibility of GO Bonds for the project, however those have to be approved by the voters. If they are not approved then the project would be on hold for at least 3 years before the Council could do anything further.

If debt is issued in FY 2026 the first payment would not be until 2027. In FY 2026/2027 the city will have a \$400,000 tax reduction so there would be flexibility in the next budget cycle for the payment. And with the expected growth it would be doable. The going interest rate would be approximately 4.33% if you move forward at the next meeting. This would impact a homeowner with about an \$80 per year increase on their property tax bill. The water project is not supported by tax money, it is supported by water rates. If the debt is issued it could be internally split. This is information to consider and only preliminary numbers. It is informational and using preliminary numbers. This can be on the next meeting, December 9th and would be funded by February 2026.

Mayor Teresa Palmer stated that \$10m is a huge ask and it should go to the voters for consideration.

Mayor Pro Tem Nathan Crummel stated that he has an issue with this if the funding mechanism can't be done for 3 years then it leaves the citizens stranded if a vote does not pass. I am more in favor of issuing Certificates of Obligation.

Councilmember Buddy Wright stated that the opportunity is now without raising rates and can cover multiple projects at one time. We are representatives of the citizens. I am in favor of issuing Certificates of Obligation. Councilmember Scott Smith and Councilmember Eric Contreras also stated they would be in favor of the Certificates of Obligation.

Motion was made to move forward on the next Agenda to take steps needed to issue Certificate of Obligation Bonds to cover the Squaw Creek project and the water project as discussed.

Motion made by Councilmember Contreras, Seconded by Councilmember Wright.

Voting Yea: Councilmember Contreras, Councilmember Wright, Councilmember Smith, Councilmember Crummel

**6. Discussion and Action: to review a process/policy approving legal work. (Mayor Teresa Palmer)**

Mayor Palmer asked if there can be some sort of process or polciy that staff would have to go by before seeking legal advise from the Attorney's office. Mayor Palmer questioned why the Attorney fees had con over the budget by \$ 64,000 in the months of August and September.

Interim City Manager Toni Fisher stated that there were several incidents that were unforeseen in the 2024-2025 Budget that required staff to utilize the attorney's office.

The July – September 2025 Messer Fort attorneys' fees are as follows:

\$20,231.50 (+ attorney's fees by Pat Chesser, Esq.) for separation of contract with Bryan Grimes whose contract would have expired in December.

\$19.00 for resignation of Council Member Greg Runnebaum

\$4,730.80 for Open Records reviews, not needed prior to May 2025

\$3,388.75 for Home Rule Charter, which was unbudgeted and unplanned

\$9,643.70 Demand Letter from Aledo

For a total of \$38,013.75 of unexpected legal expenses.

All of these items were unforeseen and would have raised the Attorney bill no matter who the Attorney is. The City Manager(s) have the authority to approve what needs to go to the Attorney for review or for advise.

There was no further discussion or action on this matter.
