## **APPROVAL OF MEETING MINUTES**

1. Parks Board Meeting Minutes: August 6, 2024.

Minutes approved with David's comments below:

On page 2 (of 5), Agenda Items, 2. Discussion & Action: purchase of Security Camera for Cross Timbers Park.: The 4th paragraph notes a concern I raised. I think that paragraph needs to be revised to better convey the concern and resultant discussion. My concern was use of the camera to identify vandals, In that regard, I asked if signs should be emphasized less so that the cameras could capture acts of vandalism, and that the City should then prosecute such vandals. The discussion then shifted to potential efforts/concerns about prosecution. The point (by others) was that the signs may be an easier option than law enforcement actions, prosecution, etc.

My point was to avoid giving vandals too much warning. We all know destructive vandalism is wrong. The current wording implies concern about warning to "patrons" using the park facilities. The discussion was about vandals, which is only a small subset of "patrons". As I write this, I actually favor notifying park visitors about use of cameras. Seems like any form of potentially intrusive monitoring by government warrants notification to citizens.

There is also the secondary point about proactive law enforcement action in the event of vandalism. I think it is fair to say I favor it more than some others. I understand the points they noted, but do not agree with them on this particular aspect. Please note that really applies to follow up actions as opposed to use of cameras. And this can be seen in the vote, which was unanimous.

Motion made by White, Seconded by Tucker.  
Voting Yea: Wagner, Gomez, McKibben
