6. **Discussion & Action:** to consider a request for change in zoning from “Class II: Residential: ‘R-1’ Single-Family District” to a “Class III - Business: “LR” Local Retail District” being a .80 acre tract of land in the HAVINS SUBDIVISION Block 1 of said Havins Subdivision of Lot 7 of the C.E. Abstract 1998 all in Parker County, Texas further identified as being a portion of Parker County Appraisal District as Property ID#9527.

Chelsea presented the plans with surrounding areas of existing businesses and homes in the county on FM5. Proposed to be local retail to allow for an optometrist's office.

Ever Gomez mentioned this was straight forward, as it was the second presentation to planning and zoning commission. Michael Chandler had more questions for Mr. Eades daughter, Megan, and she came to the podium to speak to them. Michael asked if the optometrist doesn't go through then what is the back up?

She stated that would be when a new use outside of LR would have to go through the proper zoning and anything not allowed in LR would not go there. Michael spoke to the safety of the intersection and there was agreement from the podium and she stated that golf cart sales only fell through because the zoning could not happen with Council.

Motion to approve from Ever Gomez and second by Zac Walker, motion carried.

- 7. Discussion & Action:** to consider approval of a Specific Use Permit (SUP) to allow for existing pole sign to be updated to an Electronic, Informative Digital Message Sign for Trinity Christian Academy, an approximately 4.392-acre tract legally described as Lot 2 Block 1 of the Trinity Church Properties Subdivision in Parker County Appraisal District as Property ID 96818.

Discussion was had with Brian with TCA about the sign.

The sign updates and allows the school to be noticed from the interstate. Everything is computer driven and they have control over it in the school. Not to exceed 23 footcandles.

Michael Chandler asked about the sign having a timed dimmer? Brian stated yes that it will via season and works off location and time. Toni asked how often he plans for it to change?

Brian said he would have that fall under our regulations to which Toni stated we do not have any but mentioned she did not want it to change frequently but realized with it being a school and next to First Bank that we would have to be fair. He would like for it to roll every 30 seconds.

Motion to approve by Zac Walker and second by Ever Gomez, motion carried.

- 8. Discussion & Action:** to consider a request for a change in zoning from a "Class II: Residential: 'R-1' Single-Family District" to a "Class III - Business: 'C' Commercial District. for the Bar-Ko Land Company LLC, the owner of all that certain 7.290 Acre tract of land being situated in the James Oxer Survey, Abstract Number 1029, Parker County, Texas.

Chelsea presented to allow for Tractor Supply and future commercial frontage. Grant spoke to the item and future plans.

Zac asked about turn into the Tractor Supply and Grant spoke to the shared access and full emergency access.

Motion to approve by Michael Chandler and second by Zac Walker, motion carried.

- 9. Discussion & Action:** to consider approval of a request for change in rezoning from “Class II: Residential: ‘R-1’ Single-Family District” to “Class I: Special Purpose: ‘PD/CL’ Planned Development District” for the Residential Development also known as Clearion, being approximate 81.706 acre tract of land situated in Abstract No. 468, W. Franklin Survey, and in Abstract No. 910, A. McCarver Survey, Parker County, Texas, as further identified as being a portion of Parker County Appraisal District as Property ID #106134,47776, and 62893.

Bryan Holland gave an informative presentation about the Clearion Development and answered many questions and connected with the citizens who made public hearing comments.

Conversation had for emergency access and public walking access. It was an option to gate and be able to walk to the District down to Kingsgate and keep sharable walking space. Amenities will be common park restroom and parking with walking trails. Trees that line the existing lots were talked about preserving and the developer plans to keep all that they can.

Motion to approve PD as presented, made by Ever Gomez and Michael Chandler
Seconded. Motion carried.

- 10. Discussion & Action:** to consider approval of Preliminary Plat for Clearion Development.

Chelsea presented the preliminary plat and mentioned that they follow their PD zoning throughout and mentioned comments that city staff has that would be conditional of it's approval. Changes and comments are minimal. Toni requested that the preliminary plat to be approved conditionally.

Motion to approve the preliminary plat with city staff conditions make by Zac Walker, and seconded by Ever Gomez
