4. City Manager Employment Agreement

Andrea Villagrana, Human Resource Manager and GMP Consultant Richard Meyers presented two draft employment agreements (Options 1 & 2) for the hiring of Jeanna Troha as the next City Manager.

Staff noted the two draft employment agreements were the same besides the clause below included in Option 2:

Section 4.04: Severance

A. Severance shall be paid to the Employee when employment is terminated as defined in Section 4.02.

- b. Notwithstanding the foregoing, the City Council shall not terminate the Employee within 180 days of the seating of a new city council member after an election, except for violations as defined in 4.04 B. In the event the City Council chooses to terminate during this period the Employee will be granted one and a half the Severance as outlined in 4.04 A (a).

Staff explained that the applicant requested the provision to "maintain the stability of the professional manager that's not tied to politics, the non-political professional ability to perform the duties and responsibilities."
