COMMITTEE DISCUSSION & RECOMMENDATION

Lecture Series Title, Topics and Format

- The committee started to discuss a title and tabled the conversation until the next meeting.
- There was much discussion about the format. Should it include social, facilitated conversation, or speaker?
 - Discussion on not going over an hour to make it more attractive. Timeframe needs to be determined.
 - Multiple formats – night out, etc.
 - Having food and beverage provided, or available, to make the event more attractive.
 - Subcommittee wants to explore non-city facilities.
- Topics – The committee wants community input but there is not time for the pilot program. This will be done for future lecture events, since the committee’s opportunity grant needs to be complete by June 30, 2023.
 - Could have a survey at the end of each session to understand formats and topics of interest to the community.
 - Subcommittee to come up with speaker ideas and bring them to next meeting.
- Discussion about possible movie or documentary events.
- Staff will reach out to event facilities in town and provide options at the next meeting.
