## Village Administrator Monthly Report – July 2025

### General Updates

- Attended the ILCMA Regional Lunch and hosted the July session of the Winnebago Intergovernmental Planning Committee (WIPC), which included representatives from the Village, School District, and regional partners.
- Met with the Village's insurance broker to begin healthcare renewal discussions. Preliminary projections show an 8–12% premium increase for FY26.
- Had preliminary discussions with a governmental cooperative Health insurance group, offering potential for substantial savings on premiums.
- Continued work with NIU Center for Governmental Studies to review downtown overlay zoning and UDO revisions; a proposal will be provided shortly and a follow-up meeting is being scheduled.
- Coordinated Board and Committee of the Whole materials and supported meeting logistics.
- Led a July 4th event debrief and expressed appreciation to staff for preparing the Village ahead of the holiday weekend.

### Economic Development/Community Development/Zoning

- Facilitated the July 1 Zoning Board Public Hearing regarding a **text amendment to the UDO fence standards**, prompted by a resident's request and staff review of ordinance inconsistencies.
  - The Board unanimously adopted **Ordinance 2025-11**, amending Section 6.13.03 to clarify fence height and setback requirements for lots abutting alleys.
- Continued coordination with the Table Talk Supper Club development team, including review of infrastructure needs and collaboration with the Village Attorney and Public Works on a proposed development agreement.
- Conducted a site meeting with Reflections Salon to address ongoing property maintenance concerns and discuss compliance strategies.
- Continued discussions with a local entrepreneur's inquiry into opening a coffee shop; the individual is looking at a Benton Street Location.
- Participated in ongoing discussions related to the implementation of the Village's strategic and comprehensive plan updates.
- Worked with a homebuilder interested in village lots for new residential development.
- Participated in meetings with the Greater Rockford Area Chamber of Commerce regarding regional economic development initiatives.
- Hosted and facilitated a Development Team Meeting with internal and external stakeholders to assess ongoing developments and discuss strategies for addressing blighted properties in the Village.

*Please see the attached Board Brief's for a deeper view of the month's activities for the Village.*

### Traffic Speed Sign Data: July 2025

| Location                                                                                    | Average Speed | Max Speed | Car Count |
|---------------------------------------------------------------------------------------------|---------------|-----------|-----------|
| N. Elida Street                                                                             | 26.57         | 68        | 163781    |
| W. McNair Road                                                                              | 26.98         | 78        | 21158     |
| Winnebago High School                                                                       | N/A           | N/A       | N/A       |
| Cunningham Road                                                                             | 32.25         | 81        | 68496     |
| E. McNair Road                                                                              | 43.15         | 80        | 15768     |
| **These numbers also include first responders responding to calls for service**             |               |           |           |
| **These numbers also include radar interference between in-car and stationary radar units** |               |           |           |

Police radar systems are useful tools for monitoring vehicle speeds, but **they're not foolproof**—especially when multiple radar units are operating near each other. Interference between radar signals can cause **false or inaccurate readings**, such as speeds being recorded from the wrong vehicle or no vehicle at all.

This is exactly why **trained police officers are essential** when it comes to using radar for enforcement. A radar sign or unmanned unit simply displays or collects speed data—but it **cannot distinguish between vehicles**, identify the source of a speed reading, or confirm its accuracy.

A police radar unit can give false readings due to **interference from another radar unit**—this is commonly referred to as **co-channel interference** or **mutual interference**. Here's how that happens in simple terms:

#### 1. Same or Similar Frequencies

Police radar units typically operate on specific frequency bands (like X, K, or Ka bands). If two radar units are operating on the same or close frequencies in the same area, their signals can mix. One radar might accidentally **receive the signal** from the other unit instead of its own reflected signal.

#### 2. Signal Confusion

Radar units measure speed by sending out a signal and calculating the Doppler shift in the signal that bounces back from a moving vehicle. If the radar receives a signal **from another radar unit**, it might interpret that signal as a reflected signal—causing it to show a **false speed reading**, even if there's no vehicle moving at that speed.

#### 3. "Shadowing" and "Ghosting" Effects

Interference might cause the radar to display:

**Shadowing:** Detecting a vehicle behind the target vehicle, which may not exist or may be moving at a different speed.

**Ghosting:** Showing a speed reading when no vehicle is present—just the result of the interfering signal.

#### 4. Mobile vs. Stationary Radars

This is more common when **two radar-equipped vehicles are near each other**—say, two patrol cars parked near one another or passing each other with radars on. The moving radar might pick up the stationary radar's signal or vice versa. In some cases, this adds all the signals together resulting in a high number that is not accurate.

A trained officer, on the other hand:

**Visually confirms** which vehicle is speeding before acting.

Can **spot and disregard false readings** caused by interference or unusual conditions. Regularly tests the calibration of the radar to ensure it's working properly.

Documents their observations and provides credible, court-admissible evidence.

**This is why tickets are not issued based on radar sign readings alone**—those devices are for public awareness or traffic studies, not enforcement. Only a trained officer using a tested, calibrated and properly operated radar unit can issue a valid citation.

In short, the human element is what ensures speed enforcement is accurate, fair, and legally sound.

Section 16. Item #b.

**Village Engineer Report  
for  
Village of Winnebago**

**Village Board Meeting  
July 2, 2025**

THE FOLLOWING REPORT OF ACTIVITIES IS PROVIDED TO THE VILLAGE BOARD FOR INFORMATIONAL PURPOSES:

**Active Projects:**

#23-1378 Winnebago Clayton Court WM Looping Design – A final alignment was decided between the Village and Fehr Graham, and the plan set has been updated. On March 20, 2025, Village Attorney Mary Gaziano provided Fehr Graham with the required easements for the project with property owner signatures. The Village elected to perform the construction of the water main internally. Fehr Graham submitted an IEPA Permit resubmittal on June 6, 2025, as the previously issued permit had lapsed due to the unexpected time necessary to acquire easements for the project.

Total Contract Value: \$49,500.00

Invoiced to Date: \$47,050.00

24-1255 Cunningham Road Water Main Replacement—The Village executed the agreement for the project on July 16, 2024. Revised plans and specifications are set to be submitted to the IEPA for their internal review on March 3, 2025. A Funding Nomination Form (FNF) was signed by Village President Eubank on March 26, 2025, and was submitted to the IEPA on March 27. Per the DRAFT IEPA Intended Funding List released on May 28, 2025, the project did not make the funding list.

Total Contract Value: \$47,100.00

Invoiced to Date: \$33,910.00

#24-1570 Resh Farm Stormwater – Agreement for the design of a new box culvert under Westfield Road was approved by the Village on September 9, 2024. On April 18, 2025, it was determined by IDOT that the submitted project does not qualify for the “General Maintenance” section, but rather the “Construction” section. Revised materials were provided to the City for signature, and then to IDOT for approval on April 23, 2025. On May 28, 2025, it was decided by the Village to forego utilizing 2025 MFT funds for this project, but rather pursue utilizing funds in 2026 once the required ESR has been completed.

Total Contract Value: \$35,200.00

Invoiced to Date: \$29,168.00

#25-125-PH01 Winnebago General – On March 21, 2025, Village Administrator Joey Dienberg requested a meeting with Fehr Graham to discuss a potential development within the Winnebago Highlands subdivision. A meeting between Joey, Chad Insko with the Village, and Seth Gronewold and Luke Ziegler with Fehr Graham was held on March 25, 2025, where the potential development was discussed. An additional meeting was held on May 20, 2025, where further discussion was held regarding the re-platting of the subdivision and the possible sale of the parcels. On June 5, 2025, a meeting between the potential buyer, Village Staff and Fehr Graham representatives was held to discuss the next step forward in the potential sale.

Total Contract Value: \$5,000.00

Invoiced to Date: \$4,705.75

#25-1071 West Main Street Widening – On June 18, 2025, Village staff approved the proposal for professional services in regards to a project to resurface and widen a portion of W. Main Street. Fehr Graham has completed the topographic survey and is advancing design.

Total Contract Value: \$21,550.00

Invoiced to Date: N/A

#25-1162A Village of Winnebago 2025 MFT – On June 5, 2025, Fehr Graham re-submitted revised BLR documents for the Village’s 2025 MFT project to IDOT for their review and approval. Topographic survey of S. Goodling Street has been completed, and the design is advancing.

Total Contract Value: \$8,658.88

Invoiced to Date: N/A

Please note that the invoiced totals were provided at the time of completion of this report and may not reflect the most current billing cycle total(s). Those projects indicating an invoiced to date value of “N/A” have not yet had an invoice.

Respectfully Submitted,

Luke Ziegler  
Staff Engineer

## **Village of Winnebago: Building & Code Enforcement Report**

**Report Period:** Month of July 2025

**Submitted By:** Aaron Moore, Building Inspector, on behalf of Casper Manheim Building Official / Code Enforcement Officer

---

### **Building Department Summary**

- **Total Number of Projects:** 18
- **Total Valuation:** \$58,090.25
- **Total Fees Collected:** \$1,615.00

#### **Narrative:**

During this reporting period, the Building Department reviewed and processed a total of 18 building permits. The combined valuation of projects amounts to \$58,090.25, generating permit fees in the amount of \$1,615.00.

All applications were reviewed for compliance with the Village of Winnebago's adopted codes and ordinances. Inspections were performed as required, and any deficiencies noted during inspections were communicated to contractors and property owners for correction.

---

### **Code Enforcement Summary**

#### **Narrative:**

The Code Enforcement Officer attended the Development/Technical Staff meeting to discuss various ongoing development projects in the Village. Additionally, coordination was held with the WinBurSew Fire Chief regarding enforcement actions at the property located at **114 S.**

**Benton Street.** The status of this property remains under review, and enforcement measures are being pursued in accordance with Village ordinances and applicable fire and safety regulations.

| Amount:         | N/A | Budgeted: | N/A |
| List what fund: | N/A |           |     |

## EXECUTIVE SUMMARY

This ordinance updates the Village of Winnebago's existing snow removal parking regulations by granting the Village Administrator, in consultation with Public Works or the Police Department, authority to proactively declare a "Snow Emergency" based on weather forecasts or hazardous conditions. Under a declared emergency, parking restrictions will take effect regardless of the snow depth. This amendment addresses the operational challenge of plowing around parked vehicles before the two-inch accumulation threshold is met. By enabling earlier enforcement and communication through multiple public channels, the Village aims to enhance safety and snow removal efficiency. This item was discussed at the 8/13 Committee of the Whole Meeting.

**MOTION:** I MOVE TO APPROVE ORDINANCE 2025-\_\_, AN ORDINANCE AMENDING ORDINANCE NO. 2004-21 PERTAINING TO SNOW REMOVAL PARKING RESTRICTIONS

Staff: Joey Dienberg, Village Administrator Date: 8/20/2025

**ORDINANCE NO. 2025-\_\_****AN ORDINANCE AMENDING ORDINANCE NO. 2004-21 PERTAINING TO THE  
REGULATION AND CONTROL OF PARKING OF VEHICLES IN AND UPON THE  
STREETS WITHIN THE CORPORATE LIMITS OF THE VILLAGE OF WINNEBAGO,  
ILLINOIS, DURING SNOW REMOVAL**

**WHEREAS**, the increased parking of vehicles upon streets within the corporate limits of the Village of Winnebago during periods of snow removal requires reasonable and proper regulation and control to protect and safeguard against injury to persons and property and to permit efficient and effective snow removal; and

**WHEREAS**, it is in the best interests of the Village to provide the Director of Public Works with authority to declare a Snow Emergency in advance of a storm, so that proper public notice may be given and snow removal operations may be conducted in a safe and timely manner;

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of Winnebago, Illinois, as follows:

**SECTION I – SHORT TITLE**

This ordinance shall be known and may be cited as the “Snow Removal Parking Regulation Ordinance.”

**SECTION II - PARKING RESTRICTIONS DURING SNOWFALL**

No person shall park any motor vehicle on any street located within the corporate limits of the Village of Winnebago under the following conditions:

- (a) After snow has fallen to a depth of two (2) inches or more until such time as the snow has been plowed to the side of the street;
- (b) During a declared Snow Emergency, as authorized in Section III, regardless of the amount of accumulation.

**SECTION III – AUTHORITY TO DECLARE SNOW EMERGENCY**

The Village Administrator, or his or her designee, in consultation with the Director of Public Works or the Chief of Police, shall have the authority to declare a Snow Emergency in advance of, or during, any anticipated or ongoing winter storm event.

A Snow Emergency may be declared based on projected weather conditions, forecasted snow accumulation, or any other factors likely to impair snow removal efforts or create hazardous travel conditions.

The declaration shall be communicated to the public using the Village website, social media accounts, local media outlets, or other reasonable methods.

During a declared Snow Emergency, the parking restrictions in Section II shall be in full effect until such time as the Snow Emergency has been lifted.

#### SECTION IV – PENALTIES

A. **Fine Structure.** Any person, whether as owner, operator, or person in control of a vehicle, who violates this Ordinance shall be subject to the following fine schedule:

1. **First Offense:** Fine of twenty-five dollars (\$25.00).
2. **Second and Subsequent Offenses:** Fine of fifty dollars (\$50.00) per violation.

Each day a vehicle remains in violation constitutes a separate offense. The Village may track offenses per snow season (October 1 through April 30) for enforcement purposes. In the event there is no resolution of the ticket issued in accordance with the above schedule, the matter will then be prosecuted by the Village Attorney as an ordinance violation, and be subject to court fees and costs associated with being entered into the court system.

B. **Towing and Storage:** In addition to any applicable fine, the violator shall be responsible for the reasonable and customary towing and storage charges associated with the removal and impoundment of any vehicle parked in violation. No towing or storage fees shall be assessed for any removal determined to have been erroneous.

#### SECTION V – REMOVAL OF VEHICLES

The Police Department of the Village of Winnebago, Illinois, is hereby authorized to cause the removal from the street of any vehicle parked in violation of the provisions of this ordinance.

#### SECTION VI – REPEAL OF ORDINANCE NO. 2004-21

This ordinance revokes, supersedes, and replaces Ordinance No. 2004-21 in its entirety previously passed and approved on 12-28-2004 and published in pamphlet form on 12-29-2004. Furthermore, any other ordinance or portion of an ordinance in conflict with this ordinance is hereby repealed.

**SECTION VII. EFFECTIVE DATE.**

This Ordinance shall be in full force and effect from and after its passage, approval, and publication in pamphlet form as required by law.

## EXECUTIVE SUMMARY

The Village Board approved a resolution at the June 18, 2025 meeting, authorizing a Professional Services Agreement with Fehr Graham for the West Main Street Widening Project.

Fehr Graham, as the Village Engineer, is currently in the process of designing the project. Once the design is finalized and the loan is awarded, the Board will be asked to approve the acceptance of construction bids and complete the next steps of the loan process.

This project represents a significant investment in the Village and is a necessary step in ensuring reliable infrastructure for the community.

| List what fund: | Motor Fuel Tax (MFT) Fund |           |     |

## EXECUTIVE SUMMARY

At the September 3, 2025 bid opening for the 2025 MFT Streets Program (Section 25-00000-00-GM), the Village received four bids for the resurfacing of Goodling Street. After review and evaluation, Fehr Graham, the Village Engineer, recommends awarding the contract to the lowest responsible bidder, Martin & Company Excavating, with a bid of \$137,526.25.

This project redirects MFT funds previously allocated to the delayed Westfield Road culvert project, following the Board's approval on June 18, 2025, to prioritize the Goodling Street resurfacing. It represents a significant step forward in maintaining and improving local infrastructure. Per Illinois Department of Transportation (IDOT) regulations, no formal award will be made until eight calendar days after the bid opening to allow for any potential bid protests.

**MOTION: I MOVE TO APPROVE RESOLUTION 2025-\_\_R, A RESOLUTION ACCEPTING THE BID FOR THE GOODLING STREET PROJECT AND AWARDING THE CONTRACT TO MARTIN & COMPANY EXCAVATING IN THE AMOUNT OF \$137,526.25**

Staff: Chad Insko, Director of Public Works Date: 9/2/2025  
Joseph Dienberg, Village Administrator

**RESOLUTION NO. 2025-\_\_****A RESOLUTION ACCEPTING THE BID FOR THE GOODLING STREET PROJECT  
AND AWARDING THE CONTRACT TO MARTIN & COMPANY EXCAVATING**

**WHEREAS**, the Village of Winnebago has identified the need for street resurfacing and improvements along Goodling Street as part of its 2025 Motor Fuel Tax (MFT) Streets Program (Section 25-00000-00-GM); and

**WHEREAS**, the Village, through its engineering consultant Fehr Graham, solicited and received bids for the completion of said project; and

**WHEREAS**, bids were publicly opened on September 3, 2025, and the lowest responsible bid was submitted by Martin & Company Excavating in the amount of One Hundred Thirty-Seven Thousand Five Hundred Twenty-Six Dollars and Twenty-Five Cents (\$137,526.25); and

**WHEREAS**, Fehr Graham has recommended acceptance of this bid and the award of the contract to Martin & Company Excavating, pending the eight (8) calendar day protest period required by the Illinois Department of Transportation (IDOT);

**NOW, THEREFORE, BE IT RESOLVED** by the President and Board of Trustees of the Village of Winnebago, Winnebago County, Illinois, as follows:

**SECTION I: BID ACCEPTANCE**

The Village of Winnebago hereby accepts the bid of Martin & Company Excavating in the amount of \$137,526.25 for the Goodling Street Project, subject to all applicable requirements of the Illinois Department of Transportation.

**]SECTION II: AUTHORIZATION TO EXECUTE DOCUMENTS**

The Village President is authorized to execute all necessary documents to award and complete the contract with Martin & Company Excavating for the purposes set forth herein.

**SECTION III: EFFECTIVE DATE**

This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

**APPROVED BY:** \_\_\_\_\_

Franklin J. Eubank, Jr., President of the Board  
of Trustees of the Village of Winnebago, Illinois

Winnebago, Illinois 61088

**RE: Village of Winnebago – 2025 MFT Streets Program (25-00000-00-GM)  
Bid Tabulation and Engineer's Recommendation to Award**

Dear Village President Eubank,

Bids were opened on September 3, 2025, at 10:00 a.m. for the above-referenced project. A copy of the final bid tabulation is attached. The bids were received as follows:

|                             |              |
|-----------------------------|--------------|
| Rock Road Companies, Inc    | \$156,692.70 |
| Martin & Company Excavating | \$137,526.25 |
| Civil Constructors, Inc.    | \$146,075.00 |
| Norwest Construction, Inc.  | \$157,932.00 |

The following is noted by the Illinois Department of Transportation (IDOT) prior to bidding: *Due to the possibility of a bid complaint for your agency's project, as it relates to the "Apprentice or Training Program Certification," the Department will not concur with the award of any contract until the eight (8) calendar day following the letting; therefore, the local authority shall not proceed with the award for eight (8) calendar days.*

After full evaluation of the submitted bids, it is our recommendation that the Contract for the 2025 MFT Streets Program be awarded to the lowest responsible bidder, Martin & Company Excavating, for the amount of \$137,526.25, barring any bid protests in the eight (8) calendar days following the bid opening, as allowed by IDOT.

Enclosed please find a copy of the final Tabulation of Bids. If you have any questions, please feel free to contact me.

Sincerely,

  
Luke Ziegler  
Staff Engineer

## EXECUTIVE SUMMARY

Following a Committee of the Whole discussion on August 13, 2025, the Village of Winnebago has finalized a Development Agreement with Table Talk Supper Club, Inc., and the property owner for public improvements at 209 W. Main Street. The agreement formalizes the scope of improvements proposed by the developer, including professionally engineered site plans, alleyway enhancements for access and service, and parking accommodations in line with downtown ordinances.

### Key components include:

- Alley improvements detailed in the CES Inc. site plan, with future connectivity to Pecatonica Street.
- A modified escrow recognizing initial Village permitting oversight and waiving up to 12 hours of Fehr Graham engineering review.
- Commitments for ongoing maintenance of the improved alley by the developer until Village assumption.
- Preservation of Village ownership, utility access protections, and enforceable compliance standards.

The resolution authorizes the Village President to execute the agreement in substantially its current form, with limited authority to approve minor, non-substantive changes.

## MOTION:

Staff: Joseph Dienberg Date: 8/20/2025

**RESOLUTION NO. 2025-\_\_****A RESOLUTION AUTHORIZING THE VILLAGE PRESIDENT TO ENTER INTO A  
DEVELOPMENT AGREEMENT FOR SITE PLAN REVIEW AND PUBLIC  
IMPROVEMENTS AT 209 W. MAIN STREET**

**WHEREAS**, the Village of Winnebago (“Village”) and Table Talk Supper Club, Inc., along with the property owner, have negotiated the terms of a proposed Development Agreement for Site Plan Review and Public Improvements at 209 W. Main Street (“Agreement”), a copy of which is attached hereto as Exhibit A and incorporated herein by reference; and

**WHEREAS**, at its Committee of the Whole meeting on August 13, 2025, the Village Board discussed the terms of the proposed Agreement and the scope of improvements contemplated therein; and

**WHEREAS**, the Village Board finds that it is in the best interest of the Village to authorize the Village President to execute said Agreement in substantially the form attached hereto, with limited authority for non-substantive modifications, understanding that “substantial change” includes but is not limited to any modification that materially alters the rights and/or obligations of the Village, materially alters the obligations of the Developer or Owner in a manner that reduces their respective rights and/or commitments, changes the duration of the Agreement, increases the financial commitment of the Village, or materially changes the scope, location, or nature of the public improvements described in the Agreement; and

**NOW, THEREFORE, BE IT RESOLVED** by the President and Board of Trustees of the Village of Winnebago, Illinois, as follows:

**SECTION I: AUTHORIZATION**

The Village President is hereby authorized to execute the Development Agreement for Site Plan Review and Public Improvements at 209 W. Main Street in substantially the form attached hereto as *Exhibit A*.

**SECTION II: MINOR MODIFICATIONS**

The Village President is authorized to approve and execute minor language or formatting changes to the Agreement that do not constitute “substantial changes” as defined in the Recitals of this Resolution.

**SECTION III: FURTHER BOARD APPROVAL**

Any substantial change, as defined in the Recitals, shall require prior approval by the Village Board before execution of the modified Agreement.

**SECTION IV: EFFECTIVE DATE**

This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

## DEVELOPMENT AGREEMENT FOR SITE PLAN REVIEW AND PUBLIC IMPROVEMENTS AT 209 W. MAIN STREET

This Development Agreement ("Agreement") is entered into as of the \_\_\_\_ day of \_\_\_\_\_, 2025, by and among the Village of Winnebago, an Illinois municipal corporation ("Village") and Robert Faherty, owner of 209 W. Main St and the adjoining vacant lot ("Owner"), and Table Talk Supper Club Inc., an Illinois corporation ("Developer") for the property located at 209 W. Main Street, Winnebago, Illinois, and the adjoining vacant lot to the East.

### RECITALS

**WHEREAS**, Owner is the owner of record of the property commonly known as 209 W. Main Street, Winnebago, IL, and the adjoining vacant lot to the east ("Subject Property"); and **WHEREAS**, the Developer is a tenant of the Owner at the aforesaid premises pursuant to a written lease dated \_\_\_\_\_ for a lease term of \_\_\_\_\_ years from \_\_\_\_\_ through \_\_\_\_\_; and

**WHEREAS**, the Developer has the intention of operating a restaurant known as the Table Talk Supper Club at the aforementioned 209 W. Main St premises ("Project"); began initial renovations of the interior space in 2024, and a building permit was issued on September 30, 2024, based on architectural plans only, without undergoing a full site plan review, due to an internal oversight by Village staff; and

**WHEREAS**, the Unified Development Ordinance (UDO) of the Village requires a full site plan review for any substantial improvements or change in use, which should have been triggered by the scope of work proposed, since the operation of a supper club or restaurant at the aforesaid premises would constitute a change in use; and

**WHEREAS**, the Developer has also expressed interest in constructing and improving the public alley directly north of the subject property, within the existing Village right-of-way, to support site access and service; and

**WHEREAS**, the Village has determined that vacating the public alley would not be practical, as legally it would require splitting the right-of-way between adjacent property owners, making it unsuitable for continued or future public alley use and any needed utility placement; and

**WHEREAS**, allowing private improvements within the existing alley right-of-way is the most feasible solution to support the property owner's planned construction while preserving the Village's ability to extend the alley to Pecatonica Street in the future at a reduced cost and place any needed future utility; and

**WHEREAS**, the Village supports such private improvements provided all applicable Village standards and review procedures are met, the Village retains ownership of the alley, and the Developer provides ongoing maintenance to the alley; and

**WHEREAS**, the Village issued a letter to the developer dated April 30, 2025, outlining the need for a full site plan review in light of the expanding project scope, including drainage, parking, and site access concerns, a copy of which April 30 2025 letter marked Exhibit “A” is attached hereto and incorporated herein, and made part hereof; and

**WHEREAS**, the Developer has since engaged CES Inc, a licensed professional engineering firm, to prepare an engineered site plan for submission and review by the Village, and such engineered site plan a copy of which marked Exhibit “B” is attached hereto incorporated herein, and made a part hereof, was submitted to the village on July 7, 2025, subject to village review; and

**WHEREAS**, in recognition of the Village’s role in the initial permitting oversight, the Village agrees to provide up to twelve (12) hours of engineering review by its consultant, Fehr Graham, at no cost to the Developer; and

**WHEREAS**, Owner has no objection to the material alterations to the land or building owned by Owner that all are proposed by the Developer; and

**WHEREAS**, all parties agree that any future development, including, but not limited to, any build-out or development of the vacant lot, or any new scope of work beyond the current alley proposal, shall comply fully with the Village’s established permitting and site plan requirements, along with the required escrow as established by the Village’s Unified Development Ordinance in effect at the time.

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

#### **SECTION I: RECITAL INCORPORATION**

The recital paragraphs above shall be, and hereby are, incorporated herein by reference and made a part hereof of this agreement.

#### **SECTION II: ALLEY DEVELOPMENT AND SITE PLAN REVIEW**

- a) The Developer shall submit a formal engineered site plan, prepared and sealed by CES, depicting the proposed alley improvements and all associated site features, in accordance with Article 11 of the Village’s Unified Development Ordinance (UDO).
- b) Upon receipt of the site plan, the Village shall initiate a coordinated technical review to be conducted by the Village Engineer (Fehr Graham), Village Director of Public Works, Village Building Official, Win-Bur-Sew Fire Protection District, and Four Rivers Sanitary Authority, to ensure compliance with applicable codes, access standards, drainage requirements, and infrastructure design.
- c) The Developer must obtain a Right-of-Way (R-O-W) permit from the Village, which clearly delineates the permitted area and scope of construction activity. The permit application includes, but is not limited to, required submission of construction plans for

review (the Site Plan attached as Exhibit “B”, subject to Village review and approval, shall suffice for this purpose) and provision of a performance bond or irrevocable letter of credit, in a form and amount acceptable to the Village, to ensure proper completion of the work and restoration of the right-of-way to Village standards.

- d) In consideration of the public improvements being constructed within the Village’s right-of-way at the developer’s expense, and in recognition of a Village administrative oversight during the initial permitting process, the Village agrees to waive the cost to the Developer for up to twelve (12) hours of professional review time by Fehr Graham, generally calculated at a rate of \$141 per hour. This number of hours, as estimated in consultation with the Village Engineer, Fehr Graham, is representative of the total number of hours the site plan review should take, provided it is determined by the Village Engineer the site plan was comprehensively prepared within the provided standards of the Village’s Unified Development Ordinance. Any review time in excess of the twelve (12) hour allowance shall be paid by the Developer through the establishment of a review escrow. Taking into account the Village’s waiver of twelve (12) hours of Village Engineer review time, the Developer shall establish an escrow account with the Village in the amount of \$500.00 prior to the start of site plan review instead of the \$5,000.00 amount required under the UDO. Should the balance fall below \$250.00 during the site plan review process, the Developer agrees to deposit additional increments of \$500.00 as needed to maintain a positive escrow balance. The Village shall provide timely notice when additional funds are required to avoid delays, as further renewals shall not proceed until the required escrow balance is reached.
- e) The Developer shall be solely responsible for the physical maintenance, including but not limited to, snow and ice removal, general surface upkeep, and any necessary repairs to the constructed alley segment, in accordance with all applicable Village codes and standards. This obligation shall remain in effect until such time as the Village determines, in its sole discretion, to connect the alley to Pecatonica Street, and only then shall the Village assume full maintenance responsibilities. Until that time, the alley shall be primarily a private access drive for the benefit of the subject property, and no public maintenance obligation shall be implied or assigned to the Village.
- f) For purposes of this Agreement the terms “**Village Right-of-Way or Rights-of-Way**” shall mean any street, alley, other land or waterway, dedicated or commonly used for pedestrian or vehicular traffic or other similar purposes, including Village utility easements, in which the Village has the right and authority to authorize, regulate, or permit the location of facilities other than those of the Village.
- g) “Right-of-way” or “rights-of-way” shall not include any real or personal Village property that is not specifically described in the previous sentence, and shall not include Village buildings, fixtures, and other structures or improvements, regardless of whether or not they are situated in a Village right-of-way.

- h) For purposes of this Agreement, the term **“Public Right-of-Way” or Rights-of-Way** shall mean the area on, below, or above any street, alley, other land or waterway, dedicated or commonly used for pedestrian or vehicular traffic or other similar purposes, in which a public entity has the right and authority to authorize, regulate, or permit the location of facilities or entities other than its own.

### **SECTION III: FUTURE ESCROW REQUIREMENT**

The Developer shall deposit site plan review escrow funds in accordance with Village UDO requirements prior to any additional review commencement associated with this project or any other project on the subject premises. This escrow will cover review time exceeding the initial 12 hours, as well as any supplemental services required.

### **SECTION IV: CONSTRUCTION OF PUBLIC IMPROVEMENTS**

- a) The Developer may construct alley improvements within the Village right-of-way at the Subject Premises conditioned upon the following:
- i. The improvements must conform to all applicable Village construction standards and receive final written approval by the Village Engineer, Village Building Official, Four Rivers Sanitary Authority, Win-Bur-Ser Fire District Fire Chief, and Village Director of Public Works.
  - ii. Developer shall be responsible for repairing any damage caused during construction, and shall provide the Village with a Certificate of Insurance from the contractor in an amount not less than Two (2) million dollars for liability insurance, with the Village named as an additional insured.
  - iii. The materials used in constructing facilities within right-of-way shall be those meeting the accepted standards of the appropriate industry, the applicable portions of IDOT’s “Standard Specifications for Road and Bridge Construction”, the requirements of the Illinois Commerce Commission, or the standards established by other official regulatory agencies for the appropriate industry.
  - iv. No material shall be stored on the Right-of-Way without the prior written approval of the Director of Public Works or his or her designee. When such storage is permitted, all pipe, conduit, wire, poles, cross arms, or other materials shall be distributed along the right-of-way prior to and during installation in a manner to minimize hazards to the public or an obstacle to right-of-way maintenance, or damage to the right-of-way and other property. If material is to be stored on right-of-way, prior written approval must be obtained from the Village.
  - v. The allowing of construction within a specific portion of the Village’s Right-of-Way shall not create a property right, or grant authority for the permittee to impinge upon the rights of others who may have an interest in the public Right-of-Way.

- b) By occupying or constructing facilities in the Right-of-Way, Owner and Developer shall be deemed to agree to defend, indemnify, and hold the Village and its elected and appointed officials, and officers, employees, agents, and representatives, harmless from and against any and all injuries, claims, demands, judgments, damages, losses, and expenses, including reasonable attorney fees and costs of suit or defense, arising out of, resulting from, or alleged to arise out of, or result from, the negligent, careless, or wrongful acts, omissions, failures to act, or misconduct of the Owner and/or Developer, or their affiliates, officers, employees, agents, contractors or subcontractors in the construction of facilities or occupancy of the rights-of-way, whether such acts of omissions are authorized, allowed, or prohibited by this Agreement; provided, however, that the Owner and Developer's indemnity obligations hereunder shall not apply to any injuries, claims, demands, judgments, damages, losses, or expenses arising out of, or resulting from, the negligence, misconduct, or breach of this Agreement by the Village, its officials, officers, employees, agents, or representatives. No occupancy or use of the alley shall commence until final inspection and written acceptance by the Village.

## **SECTION V: FUTURE PROJECTS**

The Developer agrees that any future development, including any changes to the site plan, restaurant expansion, construction on the adjacent lot, or new development proposals, shall follow the Village's standard procedures, and comply with all Unified Development Ordinance requirements, as amended from time to time, including, but not limited to, site plan review, zoning compliance, building permits, and engineering approvals.

## **SECTION VI: PARKING REQUIREMENTS**

Developer is in the process of remodeling the building on the Subject Property for use as a restaurant or supper club with 48 seats, triggering a requirement under the Village's Unified Development Ordinance (UDO) for there to be 16 off-street parking spaces. The Subject Property is located within the Village's downtown core, where traditional lot widths, zero-lot-line construction, and existing infrastructure make construction of on-site off-street parking impractical at the aforesaid location. The Village recognizes the character of downtown Winnebago has historically relied on shared public parking, and no nearby businesses currently provide off-street parking, but rather instead utilize on-street and municipal lots for parking. Since Section 12.04.04 of the UDO permits the Village Board to approve alternate parking arrangements by ordinance when practical difficulties exist and public convenience is served, the Village has adopted Ordinance 2025-\_\_ an ordinance authorizing designated on-street and municipal parking to satisfy the parking requirements for any new downtown business developed, including the one on the Subject Property at 209 W. Main Street, Winnebago, IL. Therefore, the Developer will not have to provide one (1) off-street parking space for every three (3) seats of customer capacity as would otherwise be required per UDO Section 12.10, in Table 12.1: "Minimum Parking Requirements by Use". The Developer's proposed site plan includes eleven (11) on-street parking spaces adjacent

to the property within the Village right-of-way, and an additional five (5) on-street spaces are located along Benton Street near Memorial Park in the Village, which are located within approximately 250 feet of the Subject Property, effectively satisfying the sixteen (16) space requirement through nearby public accommodations.

#### **SECTION VII: SMOKER USE**

a) The Owner and Developer agree that any use of an outdoor smoker on the Property shall be conducted in a manner that minimizes unreasonable smoke or odor impacts on adjacent properties, including, but not limited to, residential dwellings or neighboring businesses. In the event the Village receives a substantiated complaint of excessive smoke or odor that materially interferes with the reasonable use and enjoyment of nearby properties, the Village may require the Developer to take commercially reasonable steps to mitigate such impacts. These steps may include, but are not limited to, altering the smoker's location, modifying its use schedule, or installing enhanced filtration or ventilation measures.

b) The Village shall notify the Developer in writing of any such complaint and allow a reasonable opportunity (not less than 5 business days of receipt of such notice) for the Developer to investigate and respond. Any determination of whether mitigation is necessary shall be made by the Village Building official or his or her designee, in consultation with applicable local code or health officials. Nothing in this section shall be construed to prohibit lawful smoking activities conducted in accordance with applicable federal, state, and local regulations, provided such use does not create a nuisance as defined under applicable law.

#### **SECTION -VIII: NO WAIVER OF ORDINANCES**

Nothing in this Agreement shall be interpreted as a waiver or amendment of the Village's UDO, building codes, or any applicable ordinance. Any variance, text amendment, or deviation must follow the appropriate statutory and procedural steps.

#### **SECTION IX: REMEDIES**

c) Upon a breach of this Agreement, any of the Parties, in any court of competent jurisdiction, by an action or proceeding at law or in equity, may secure the specific performance of the covenants and agreements herein contained, and may be awarded damages for failure of performance. No action taken by any party hereto pursuant to the provisions of this Section X, or pursuant to the provisions of any other Section of this Agreement shall be deemed to constitute an election of remedies, and all remedies set forth in this Agreement shall be cumulative and non-exclusive of any other remedy either set forth herein or available to any party at law or in equity.

d) In the event of a material breach of this Agreement, the parties agree that the party alleged to be in breach shall have thirty (30) days after written notice of said breach to correct the same prior to the non-breaching party's seeking of any remedy provided for herein (provided, however, that said thirty (30) day period shall be extended for not less than thirty (30) days, with

the exact time frame determined by the non-defaulting party, if the defaulting party has initiated the cure of said default, and is diligently proceeding to cure the same).

e) If any of the Parties shall fail to perform any of its obligations hereunder, and the party affected by such default shall have given written notice of such default to the defaulting party, and such defaulting party shall have failed to cure such default within thirty (30) days of such default notice (or within any extended time period allowed as provided in this Article), then, in addition to any and all other remedies that may be available, either in law or equity, the party affected by such default shall have the right (but not the obligation) to take such action as in its reasonable discretion and judgment shall be necessary to cure such default. In such event, the defaulting party hereby agrees to pay and reimburse the party affected by such default for all reasonable costs and expenses (including attorneys' fees and litigation expenses) incurred by it in connection with action taken to cure such default.

f) The failure of the Parties to insist upon the strict and prompt performance of the terms, covenants, agreements, and conditions herein contained, or any of them, upon any other party imposed, shall not constitute or be construed as a waiver or relinquishment of any party's right thereafter to enforce any such term, covenant, agreement, or condition, but rather such right shall continue in full force and effect.

g) If the performance of any covenant to be performed hereunder by any Party is delayed as a result of circumstances which are beyond the reasonable control of such Party (which circumstances may include acts of God, war, acts of civil disobedience, strikes, or similar acts) the time for such performance shall be extended by the amount of time of such delay.

## SECTION X: TERM

This Agreement shall be binding upon the Parties and their respective successors and assigns for twenty (20) years, commencing as of the date of this Agreement hereof, and for such further terms as may hereinafter be authorized by statute and by Village ordinance. If any of the terms of this Agreement are challenged in a court proceeding, then, to the extent permitted by law, the period of time during which such litigation is pending shall not be included in calculating said twenty (20) year period. The expiration of the term of this Agreement shall not affect the continuing validity of the zoning of the Property, or any ordinance enacted, or other obligations of the Village pursuant to this Agreement as to the same.

## SECTION XI: MISCELLANEOUS

a) **Amendment.** This Agreement, and any exhibits attached hereto, may be amended only by the mutual consent of the Parties, by adoption of an ordinance by the Village approving

said amendment as provided by law, and by the execution of said amendment by the Parties or their successors in interest.

**b) Entire Agreement.** This Agreement sets forth all agreements, understandings, and covenants between and among the Parties. This Agreement supersedes any and all prior agreements, negotiations, and understandings, written and oral, and is a full integration of the entire agreement of the Parties.

**c) Successors and Assigns.** This Agreement shall inure to the benefit of, and be binding upon, successor of the Owner and Developer, and their respective heirs, successors, grantees, lessees, and assigns, and upon successor corporate authorities of the Village, and successor municipalities, and shall constitute a covenant running with the land. This Agreement shall only be assigned with Village approval, and upon said assignment and acceptance by an assignee and the Village, the assignor shall have no further obligations hereunder.

**d) Notices.** Any notice required or permitted by the provisions of this Agreement shall be in writing and sent by certified mail, return receipt requested, or personally delivered, to the Parties at the following addresses, or at such other addresses as the Parties may, by notice, designate:

If to the Village:

Village of Winnebago  
108 West Main Street  
P. O. Box 557  
Winnebago, IL 61088

With a copy to:

Attorney Mary J. Gaziano  
One Court Place—Suite 200  
Rockford, IL 61101

If to Developer:

Table Talk Supper Club, Inc.  
Mr. Mike Woolbright

\_\_\_\_\_  
\_\_\_\_\_

If to Owner:

Mr. Robert Faherty

\_\_\_\_\_  
\_\_\_\_\_

Notices, if given by certified mail as aforesaid, or if personally delivered, shall be deemed given upon receipt, except if the notice is sent by certified mail, return

receipt requested and returned to sender as refused, such notice shall be deemed to have been given on the date of refusal.

- e) **Time of Essence.** Time is of the essence of this Agreement and of each and every provision hereof.
- f) **Village Approval.** Wherever any approval or consent of the Village, or any of its departments, officials, or employees, is called for under this Agreement, the same shall not be unreasonably withheld or delayed.
- g) **Validity.** The Village, Owner, and Developer all agree that this Agreement shall be effective and binding between and among them. In the event any provision of this Agreement or any part of a provision shall be deemed invalid, the invalidity of that provision or part shall not affect the validity of any other provision.

## SECTION XII: EFFECTIVE DATE AND EXECUTION

This Agreement shall become effective upon execution by all parties and may be amended only in writing with consent of all parties.

## SECTION XIII: OWNER AGREEMENT

By signature hereunder, the Owner of the 209 W Main St. premises with building contained thereon, and adjoining vacant lot to the East, affirms he has no objection to the scope of the work proposed by the Developer, and agrees to be bound by the terms and conditions of this Agreement.

**IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.**

# Agenda Item Executive Summary

Item Name A RESOLUTION AUTHORIZING THE EXTENSION OF THE LETTER OF CREDIT FOR PEAK STORAGE Committee or Board Board

## BUDGET IMPACT

|                 |     |           |     |
|-----------------|-----|-----------|-----|
| Amount:         | N/A | Budgeted: | N/A |
| List what fund: | N/A |           |     |

## EXECUTIVE SUMMARY

The proposed resolution authorizes a one-year extension of the irrevocable Letter of Credit posted by Peak Storage in the amount of \$37,570.50, which is set to expire in September 2025. This Letter of Credit was required to secure the future construction of a recreational walking path as part of the Peak Storage development.

Due to the potential for future conflicts with critical infrastructure improvements in the area, the Village was amenable to deferring construction of the path until a water main loop could be completed. However, the obligation to construct the path remains in place and continues to be secured by the Letter of Credit.

As other required site improvements remain incomplete—including landscaping installation, parking lot paving, and compliance with Winnebago County stormwater requirements—those items will be incorporated as conditions tied to the Letter of Credit extension. The extension will maintain financial security for the completion of all outstanding obligations through September 2026.

The Village Attorney will provide the final Letter of Credit extension document closer to the meeting date. This matter was last discussed at the Committee of the Whole meeting on August 13, 2025.

## ATTACHMENTS (PLEASE LIST)

Draft Resolution (Extension of Letter of Credit for Peak Storage), Exhibit A (To be provided by Village Attorney)

☒ Motion:

**MOTION:** I MOVE TO APPROVE RESOLUTION 2025-\_\_ R, A RESOLUTION AUTHORIZING THE EXTENSION OF THE LETTER OF CREDIT FOR PEAK STORAGE

Staff: Joey Dienberg, Village Administrator Date: 8/27/2025

## **A RESOLUTION AUTHORIZING THE EXTENSION OF THE LETTER OF CREDIT FOR PEAK STORAGE**

**WHEREAS,** The Village of Winnebago approved the development of Peak Storage, located on Kasch Drive, which included critical infrastructure in the vicinity of the recreational walking path; and

**WHEREAS,** From the onset of the project, the Village recognized that construction of certain improvements in this area, including the recreational path, could conflict with the Village's future critical infrastructure improvements, and therefore determined it would be prudent to avoid installing those improvements until the water main loop is completed; and

**WHEREAS,** As a condition of approval, Peak Storage provided an irrevocable Letter of Credit in the amount of **\$37,570.50** to secure the future construction of the recreational path and associated infrastructure should additional development not occur; and

**WHEREAS,** Said Letter of Credit is scheduled to expire in September 2025; and

**WHEREAS,** The Village Board finds it in the best interest of the Village to extend the Letter of Credit for an additional one (1) year period, to September 2026, to maintain security for completion of all outstanding obligations; and

**WHEREAS,** Landscaping improvements, paving of the parking lot, and compliance with Winnebago County stormwater requirements remain outstanding, and shall be conditions tied to the extended Letter of Credit; and

**WHEREAS,** Village staff has communicated these requirements to the developer, and Peak Storage has acknowledged and agreed to complete said obligations within the timeframe of the extension, as outlined in the attached Letter of Credit Extension marked as Exhibit "A."

**NOW, THEREFORE, BE IT RESOLVED,** By the President and Board of Trustees of the Village of Winnebago, Winnebago County, Illinois, as follows:

### **SECTION I: AUTHORIZATION**

- A. The Village hereby authorizes the extension of the Letter of Credit posted by Peak Storage in the amount of \$37,570.50 for one (1) additional year, through September 2026.
- B. The Village President and Village Clerk are hereby authorized to execute the Letter of Credit Extension attached hereto as Exhibit "A" on behalf of the Village.

### **SECTION II: CONDITIONS OF EXTENSION**

As a condition of this extension, the following items shall remain secured under the Letter of Credit and must be completed by Peak Storage within the extension period:

- A. Landscaping installation as required in accordance with the approved site plans.
- B. Paving of the parking lot as required in accordance with approved site plans.
- C. Compliance with Winnebago County stormwater requirements.

# BENNING GROUP, LLC

CERTIFIED PUBLIC ACCOUNTANTS

www.BenningGroup.com

To the Board of Trustees  
Village of Winnebago

We have audited the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Village of Winnebago, Illinois (Village) for the year ended December 31, 2024. Professional standards require that we provide you with the following information related to our audit.

## Our Responsibility Under U.S. Generally Accepted Auditing Standards

As stated in the engagement letter dated February 3, 2025, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is also to plan and perform our audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. Because an audit is designed to provide reasonable, but not absolute, assurance and because we did not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us.

## Significant Audit Matters

### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Village are described in Note 1 to the financial statements. During the fiscal year, GASB Statement 100, *Accounting Changes and Error Corrections*, was adopted. The statement aims to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability (see Note 14). We noted no transactions entered into by the Village during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Such significant estimates include the following:

50 W. Douglas Street, Suite 300  
Freeport, Illinois 61032  
(815) 235-3157  
Fax (815) 235-3158

6815 Weaver Road, Suite 300  
Rockford, Illinois 61114  
(815) 316-2375  
Fax (815) 316-2389

1809 10<sup>th</sup> Street  
Monroe, Wisconsin 53566  
(608) 325-5035  
Fax (608) 328-2843

Management's estimate of the accumulated depreciation on capital assets is based on estimated useful lives of assets. We evaluated the key factors and assumptions used to develop the accumulated depreciation in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the allowance for doubtful accounts (utility billings) is based on an analysis of the collectability of individual accounts. We evaluated the key factors and assumptions used to develop the allowance in determining that it is not materially misstated in relation to the financial statements taken as a whole.

Other estimates with a significant impact on the financial statements include the actuarial methods and assumptions used to determine the pension liability for the Illinois Municipal Retirement Fund. We evaluated the key factors and assumptions used to develop the pension liability in determining that it is not materially misstated in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representation*

We have requested certain representations from management that are included in the management representation letter dated August 27, 2025.

### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Village’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards with management each year prior to retention as the District’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### *Other Matters*

We applied certain limited procedures to the Management’s Discussion and Analysis and the budgetary comparison information, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were not engaged to report on the other information as listed in the table of contents, which accompany the financial statements but are not RSI. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

### *Internal Control Matters*

In planning and performing our audit of the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village as of and for the year ended December 31, 2024, in accordance with the auditing standards generally accepted in the United States of America, we considered the Village’s internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Village’s internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency at the Village to be a significant deficiency:

*Segregation of Duties*

In an environment of few staff, proper segregation of duties is virtually impossible. We acknowledge the board's ongoing involvement in reviewing the financial statements, budget vs. actual results, bank reconciliations and credit card statements by both the finance committee and the Trustees (and stress its importance). This practice greatly enhances the internal control. The hiring of an outside consultant has also improved internal processes and provided the Village with more accurate monthly financial information.

*Our comments are not intended to be critical of any individual or individuals associated with the Village.*

We wish to thank the Village's management and staff for the cooperation and courtesy extended during the performance of our services

This information is intended solely for the use of the Board of Trustees and management of the Village of Winnebago and is not intended to be and should not be used by anyone other than these specified parties.

## Independent Auditor's Report

The Honorable President and  
Members of the Board of Trustees  
Village of Winnebago  
Winnebago, Illinois

### Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Winnebago, Illinois (the Village) as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Winnebago, Illinois, as of December 31, 2024, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further discussed in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Village of Winnebago, Illinois and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedules listed in the table of contents as required supplementary information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial

reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Information**

Management is responsible for the other information included in the annual report. The other information comprises the combining and individual nonmajor fund financial statements and schedules and also the supplemental schedules as listed in the table of contents but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

**Management's Discussion and Analysis**

December 31, 2024 (Unaudited)

This section of the Village of Winnebago's Annual Financial Report presents our discussion and analysis of the Village's financial activities for the year ended December 31, 2024.

**FINANCIAL HIGHLIGHTS**

- Net position and performance in total – The Village's total net position on December 31, 2024 was \$9,483,422.
- Government activity summary – Net position for governmental activities increased by \$224,789 during fiscal 2024.
- Business-type activity summary – Net position for business-type activities increased by \$877,461 during fiscal 2024 to \$1,762,586 from \$885,125 in 2023.
- General Fund summary – The Village's General Fund reported an increase of \$200,791 in fund balance for the period.
- Budget vs. actual – The Village's actual total revenues for the General Fund were \$25,296 less than the budgeted revenues. The actual expenditures were \$400,087 less than total budgeted expenditures and the transfers out were \$174,000 more than budgeted for the General Fund.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

The basic financial statements include two kinds of statements, which present different views of the Village: government-wide financial statements and fund financial statements. The basic financial statements also include notes to the financial statements.

Government-wide financial statements provide both short and long-term information about the Village's overall financial status.

Fund financial statements focus on individual parts of the Village government, reporting Village operation in more detail than the government-wide financial statements.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by the required supplementary information section that further explains and supports the information in the financial statements.

In addition to all of the required financial statement elements, the Village has provided sections for the combining statements to provide detail on non-major funds and additional supplementary information.

Management's Discussion and Analysis

The following table summarizes the major features of the Village's financial statements:

| GOVERNMENT-WIDE STATEMENTS             |                                                                                       | FUND STATEMENTS                                                                                                                                                                                |                                                                                                                         |
|----------------------------------------|---------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
|                                        |                                                                                       | Governmental Funds                                                                                                                                                                             | Proprietary Funds                                                                                                       |
| Scope                                  | Entire Village government                                                             | Activities of the Village that are not proprietary such as public safety                                                                                                                       | Activities of the Village that operate similar to private business such as the water department                         |
| Required financial statements          | -Statement of net position<br>-Statement of activities                                | -Balance sheet<br>-Statement of revenues, expenditures and changes in fund balances                                                                                                            | -Statement of net position<br>-Statement of revenues, expenses, and changes in net position<br>-Statement of cash flows |
| Accounting basis                       | Accrual                                                                               | Modified accrual                                                                                                                                                                               | Accrual                                                                                                                 |
| Measurement focus                      | Economic resources                                                                    | Current financial resources                                                                                                                                                                    | Economic resources                                                                                                      |
| Type of assets & liability information | All assets and liabilities; both financial and capital, short and long-term           | Assets expected to be used and liabilities that come due during the year or shortly thereafter; no capital assets                                                                              | All assets and liabilities; both financial and capital, short and long-term                                             |
| Type of inflow & outflow information   | All revenues and expenses during the year regardless of when cash is received or paid | Revenues for which cash is received during the year or shortly thereafter; expenditures for goods or services that have been received and payment is due during the year or shortly thereafter | All revenues and expenses during the year regardless of when cash is received or paid                                   |

**Government-Wide Statements**

The government-wide financial statements are designed to be corporate-like in that all governmental and business-type activities are consolidated into columns, which add to a total for the Primary Government. The focus of the Statement of Net Position is designed to disclose bottom line results for the Village and its governmental and business-type activities. This statement combines and consolidates the governmental fund's current financial resources (short-term spendable resources) with capital assets and long-term obligations using the accrual basis of accounting and economic resources measurement focus.

The Statement of Activities is focused on both the gross and net cost of various activities (governmental and business-type), which are supported by the government's general taxes and other resources. This is intended to summarize and simplify the user's analysis of the cost of various governmental services and/or subsidy to various business-type activities.

## Management's Discussion and Analysis

The governmental activities reflect the Village's basic services, including administration, financial services, police, and public works. Property taxes, telecommunications taxes, and shared state tax distributions finance the majority of these services. The business-type activities reflect private sector type operations, where the fee for service typically covers all or most of the cost of operation, including depreciation.

**Fund Financial Statements**

Traditional users of governmental financial statements will find the fund financial statements presentation more familiar. The focus is on major funds, rather than fund types.

Governmental funds are presented on a sources and uses of liquid resources basis. This is the manner in which the budget is typically developed. Governmental funds provide a current resources (short-term) view that helps determine whether there are more or fewer current financial resources available to spend for Village operations.

Proprietary funds account for services that are generally fully supported by user fees charged to customers. Proprietary funds are presented on a total economic resource basis. Proprietary fund statements, like government-wide statements, provide both short and long term financial information.

While the total column on the business-type fund financial statements is the same as the business-type column on the government-wide financial statement, the governmental funds column requires reconciliation because of the different measurement focus (current financial resources/modified accrual versus total economic resources/full accrual), which is reflected on the page following each statement. The flow of current financial resources will reflect debt proceeds, proceeds from sales of capital asset disposals, and interfund transfers as other financial sources as well as capital outlay expenditures and debt principal payments as expenditures. The reconciliation will eliminate these transactions and incorporate the capital assets and long-term obligations into the government activities column in the government-wide statements.

**Infrastructure Assets**

Historically, a government's largest group of assets (infrastructure – streets, storm sewers, etc.) had not been reported nor depreciated in governmental financial statements. GASB Statement No. 34 required that these assets be valued and reported within the governmental column of the government-wide statements. Additionally, the government must elect to either (1) depreciate these assets over their estimated useful lives or (2) develop a system of asset management designed to maintain the service delivery potential to near perpetuity.

If the government develops the asset management system (the modified approach), which periodically (at least every third year), by category, measures and demonstrates its maintenance of locally established levels of service standards, the government may record its costs of maintenance in lieu of depreciation. The Village has elected to depreciate assets over their useful life. If a project is considered maintenance – a recurring cost that does not extend the asset's original useful life or

## Management's Discussion and Analysis

expand its capacity – the cost of the project will be expensed. An “overlay” of a street will be considered maintenance whereas a “rebuild” of a street will be capitalized.

**FINANCIAL ANALYSIS OF THE VILLAGE AS A WHOLE**

In accordance with GASB Statement No. 34, a comparative analysis of government-wide information is presented.

**Statement of Net Position**

The following table reflects the condensed Statement of Net Position on a comparative basis:

Table 1  
Statement of Net Position  
As of December 31, 2024 and 2023

|                                                            | Governmental Activities |                  | Business-type Activities |                  | Total Government  |                   |
|------------------------------------------------------------|-------------------------|------------------|--------------------------|------------------|-------------------|-------------------|

For more detailed information see the Statement of Net Position.

**Normal Impacts – Net Position**

There are six common (basic) types of transactions that will generally affect the comparability of the Statements of Net Position summary presentation.

Net Results of Activities – Impacts (increases/decreases) current assets and unrestricted net position.

## Management's Discussion and Analysis

Borrowing for Capital – Increases current assets and long-term debt.

Spending Borrowed Proceeds on New Capital – Reduces current assets and increases capital assets. There is a second impact, an increase in capital assets and an increase in related net debt will not change the net investment in capital assets

Spending of Non-borrowed Current Assets on New Capital – (a) Reduces current assets and increases capital assets; and (b) reduces unrestricted net position and increases net investment in capital assets.

Principal Payment on Debt – (a) Reduces current assets and reduces long-term debt; and (b) reduces unrestricted net position and increases net investment in capital assets.

Reduction of Capital Assets Through Depreciation – Reduces capital assets and net investment in capital assets.

### **Current Year Impacts – Net Position**

The Village's combined net position at December 31, 2024 was \$9,483,422 for all funds. The increase was \$1,102,250. Total assets increased from \$16,330,742 to \$16,664,074, an increase of \$333,332. Current assets increased by \$333,757. The capital assets (net) decreased by \$425. Total deferred outflows of resources increased by \$20,937.

The total liabilities and deferred inflows of resources decreased by \$747,981. The deferred inflow of resources decreased by \$67,612.

The net position of business-type activities increased by \$877,461 during the period and ended at \$1,762,586. Unrestricted net position, available to finance the continuing operation of its business-type activities, was (\$2,373,180). The operating cost of the Village's business-type activities for the year ended December 31, 2024, was \$1,354,532.

The total net position at December 31, 2024 was \$9,483,422, of which \$8,887,463 is in investment in capital assets, another \$329,869 is restricted for capital improvements and highways and streets. The remaining is a net position of \$266,090, which is an increase of \$1,697,372 from the unrestricted net position of (\$1,431,282) at December 31, 2023.

### **Statement of Changes in Net Position**

The following chart reflects the condensed Statement of Changes in Net Position. For more detailed information see the Statement of Activities.

**Normal Impact – Changes in Net Position**

Reflected below are eight common (basic) impacts on revenues and expense.

**Revenues:**

Economic Condition – Reflects a declining, stable or growing economic environment and has a substantial impact on state income, sales, telecommunications and utility tax revenues as well as public spending habits for items such as building permits and user fees including volumes of usage.

## Management's Discussion and Analysis

Increase / Decrease in Village Approval Rates – While statutes set certain tax rates, the Village Board has authority to impose and periodically increase/decrease rates (building permit fees, etc.). The Village's property taxes are subject to tax caps, which generally limit Village increases to the lesser of the change in the Consumer Price Index or 5%.

Changing Patterns in Intergovernmental and Grant Revenue (both recurring and non-recurring) – Certain recurring revenues (state shared revenues, etc.) may experience significant changes periodically while non-recurring (or one-time) grants are less predictable and often distorting in their impact on year to year comparisons.

Market Impacts on Investment Income – The Village principally has cash and cash equivalents. There were no investments at December 31, 2024.

**Expenses:**

Changes in Programs – Within the functional expense categories (General Government, Public Safety, Highway and Streets, etc.) individual programs may be added, deleted, or expanded to meet changing community needs.

Changes in Authorized Personnel – Changes in service demand may cause the Village Board to increase or decrease authorized staffing.

Salary Increases (annual adjustments and step increases) – The Village strives to maintain a competitive salary range position in the marketplace.

Inflation – While overall inflation appears to be decreasing (the CPI was approximately 2.9% at December 31, 2024), the Village is a major consumer of certain commodities and services, which typically experience inflation at a rate that can be significantly different from CPI. Examples of such items include health insurance, fuel, electricity and operating supplies.

**Current Year Impacts – Changes in Net Position****Governmental Activities****Revenues:**

Revenues from governmental activities total \$2,557,569. The largest source of revenue was from sales and use tax of \$685,514. Property tax was the next highest with revenue for the period of \$521,331. Income tax ranked third with \$506,106. The next highest source of income was motor fuel of \$130,570 then utility tax of \$110,027. The revenues from these five sources represent 76% of the governmental activity revenues. The Village also recognized \$193,685 in charges for services or 8% and \$156,244 in investment income or 6% of total revenue.

**Expenses:**

The Village's total governmental activity expenses were \$1,995,339. The four major functional areas were general government \$505,773 or 25% of the total; highway and streets \$461,948

## Management's Discussion and Analysis

or 23% of the total; public safety of \$906,970 or 45% of the total; and culture and recreation \$120,648 or 6% of the total expenses of the Village.

**Business-type Activities****Revenues:**

Operating revenues from business-type activities total \$1,221,259. The largest source of revenue was \$509,947 or 42% from charges for water. Capital charges was the next highest with revenue for the year of \$479,273 or 39%. Garbage charges was next at \$232,495 or 19%. Intergovernmental income ranked fourth with \$91,454 or 7%.

**Expenses:**

The Village's total business-type activity operating expenses were \$1,354,532. The five major areas of operating expenses were wages and benefit expenses of \$331,720 (excluding IMRF-GASB 68 of \$29,628) or 24% of the total; garbage expenses of \$227,966 or 17% of the total; operating supplies of \$66,334 or 5% of the total; water sewer upgrades of \$81,290 or 6%; interest expense on loans was \$98,279 or 7% of the total; and depreciation of \$301,446 or 22% of the total.

**FINANCIAL ANALYSIS OF THE VILLAGE'S FUNDS**

At December 31, 2024, the governmental funds reported a combined fund balance of \$2,997,684, a decrease of \$154,655 from the prior period. The General Fund balance increased by \$200,791. All other funds netted a decrease of \$355,446.

The Village's cash and equivalents increased by \$333,757 for all governmental funds during the year ended December 31, 2024.

## Management's Discussion and Analysis

**ECONOMIC FACTORS**

In 2024, the Village of Winnebago continued its long-standing practice to budget revenues conservatively, while assuming 100% of the expense budget will be spent. This practice has led to a healthy Fund Balance in the General Fund, staying in compliance with the Village's fund balance policy.

The project to replace original water meters with cellular-read meters has been completed, eliminating the need for an errant water policy.

On November 6, 2018, 87% of the voters voting at the General Election voted "No" to continue to prohibit the selling and consumption at retail of alcoholic liquor in the Village of Winnebago, after a citizen referendum. The entire Village is now "wet", as opposed to just the area north of McNair Road, previously only property annexed in from Winnebago County. The Village held 7 licenses in 2024, which in addition to license fees, increases sales tax for the Village. The total license fees total \$20,750 for the year.

On March 11, 2019 the Village approved Video Gaming. The receipts have increased year over year and in 2024 were higher than predicted, coming in at \$96,323.

In 2024, The Village completed the road resurfacing project for Sheldon & Heeren Streets using funds from IDOT. The Village also began the Westfield Drainage Study project anticipated work to begin in 2025.

In February 2024 the Village created a new Village Administrator position and hired Joey Dienberg. Mr. Dienberg has worked closely with Northern Illinois University to develop a Strategic Planning Program with use of funding from the Strategic Reserve Fund created in late 2023.

The Village also began the Water Looping Project near Clayton Court. The project is estimated to be completed in 2025.

The Village completed the renovation of Memorial Park with new equipment and landscaping which opened in Spring of 2024.

The Village received a Police Camera Grant of \$19,559 with an additional \$870 in grants to help cover the costs of bullet proof vests.

**Long-Term Debt**

Sullivan's Tax Rebate Agreement began in 2012 and was paid in full in October 2024.

In December of 2011, the Village signed an inter-governmental agreement (IGA) with the Rock River Water Reclamation District, now called Four Rivers Sanitation Authority, transferring the Village's sewage collection and processing system and its operation to the District. This agreement became effective on December 21, 2011. Since December of 2021, all cash payments have been made, with remaining amortized debt payments totaling approximately \$421,000. per year, to be paid through 2039.

**Management's Discussion and Analysis**

In 2014 the Village obtained funding from the Illinois Environmental Protection Agency to build a new water tower, well house #3 and supporting SCADA system. The loan was secured at \$2.265 million with an APR of 1.995% for 20 years. The Village received loan forgiveness from the IEPA for \$650,000 of the loan. This reduced the annual payments to \$98,938 through 2035.

**CONTACTING THE VILLAGE'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens, customers, investors and creditors with a general overview of the Village's finances and to demonstrate the Village's accountability for the money it receives. Questions concerning this report or requests for additional financial information should be directed to Dana Novinson, Treasurer, Village of Winnebago, 108 West Main Street, Winnebago, Illinois, 61088.

**VILLAGE OF WINNEBAGO**

Reconciliation of Fund Balances of Governmental Funds to the  
Governmental Activities in the Statement of Net Position  
December 31, 2024

**Fund balances of governmental funds** \$ 2,997,684

Amounts reported for governmental activities in the statement of  
net assets are different because:

Capital assets used in governmental activities are not financial  
resources and therefore, are not reported in the  
governmental funds:

|                          |             |
|--------------------------|-------------|
| Capital assets           | 7,762,937   |
| Accumulated depreciation | (3,011,240) |

Long-term liabilities are not due and payable in the current  
period and therefore are not reported in  
the governmental funds:

|                      |           |
|----------------------|-----------|
| Compensated absences | (41,509)  |
| Pension liability    | (398,774) |

Other long-term assets are not available to pay current period  
expenditures and, therefore, are deferred in the funds:

|                         |              |
|-------------------------|--------------|
| Pension asset           | 352,235      |
| Telecommunication taxes | 54,753       |
| Advance license sales   | <u>4,750</u> |

**Net position of governmental activities** \$ 7,720,836

## Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances to the Governmental Activities in the Statement of Activities December 31, 2024

|                                                               |    |           |
|---------------------------------------------------------------|----|-----------|
| <b>Net change in fund balances – total governmental funds</b> | \$ | (154,656) |
|---------------------------------------------------------------|----|-----------|

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, they are capitalized and depreciated in the statement of activities:

|                                     |           |
|-------------------------------------|-----------|
| Capital asset purchases capitalized | 470,379   |
| Depreciation expense                | (226,442) |

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds:

|                         |         |
|-------------------------|---------|
| Telecommunication taxes | 5       |
| Advance license sales   | (1,500) |

Certain expenses reported in the statement of activities, such as compensated absences do not require the use of current financial resources and therefore, are not reported as expenditures in governmental funds:

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| Decrease in pension liability and deferred inflows and outflows | 124,231 |
| Increase in compensated absences                                | 12,771  |

|                                                          |    |                |
|----------------------------------------------------------|----|----------------|
| <b>Change in net position of governmental activities</b> | \$ | <u>224,788</u> |
|----------------------------------------------------------|----|----------------|

## Notes to Financial Statements

December 31, 2024

**(1) Summary of Significant Accounting Policies**

The accounting policies of the Village conform to U.S. generally accepted accounting principles as applicable to government units (herein referred to as GAAP). The Village of Winnebago's basic financial statements include the accounts of all Village operations that are controlled by or dependent on the Village. Control or dependence is determined by financial interdependency, selection of governing board, designation of management, accountability for fiscal matters and ability to significantly influence operations.

**(a) Incorporation**

The Village was incorporated in 1895. The Village of Winnebago, Illinois (Village) operates under a Board of Trustees form of government and provides services to the public such as public safety, water system, streets and general administrative services.

**(b) Financial Reporting Entity**

In evaluating how to define the government, for financial reporting purposes, the Village has considered all potential component units. The basic but not the only criterion for including a component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters. A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity is conducted within geographic boundaries of the Village and is generally available to its citizens. A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the Village is able to exercise oversight responsibilities. The Village does not have any component units. This report includes all of the funds of the Village (the primary government). It includes all activities considered to be part of (controlled by or dependent on) the Village as set forth under GAAP criteria.

**(c) Measurement Focus, Basis of Accounting and Financial Statement Presentation**

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all the non-fiduciary activities of the Village. For the most part, the effect of the interfund activity has been removed from these statements. The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods,

## Notes to Financial Statements

services, or privileges provided by a given function, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function.

Earnings on investments not properly included among program revenues are reported as general revenue.

Separate financial statements are provided for governmental funds and enterprise funds.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied (intended to finance). Grants and similar items are recognized as revenue as soon as all the eligibility requirements imposed by the provider have been met.

The financial transactions of the Village are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, fund balances, revenues and expenditures. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Village:

**Governmental Funds** – The focus of the governmental funds' measurement (in the fund statements) is upon the determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income.

Governmental fund financial statements are reported using the modified accrual basis of accounting and the current financial resources measurement focus. Under this basis revenues are recognized in the accounting period in which they become measurable and available to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. However, the 60 days has been extended for revenues received from the State of Illinois which are delayed due to cash flow constraints of the state. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable.

Those revenues susceptible to accrual are property taxes, franchise taxes, state shared sales, income, motor fuel and utility taxes, interest revenue and charges for services.

Fines and permits revenues are not susceptible to accrual because generally they are not measurable until received in cash.

The Village reports unearned and unavailable revenue on its financial statements. Unavailable revenues arise when a potential revenue does not meet both the available criteria for recognition in the current period, under the modified accrual basis of accounting. Unearned revenues arises when a revenue is measurable but not earned under the accrual basis of

## Notes to Financial Statements

accounting. Unearned revenues also arise when resources are received by the Village before it has a legal claim to them, such as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the Village has a legal claim to the resources, the liability and deferred inflows of resource for unearned and unavailable revenue are removed from the financial statements and revenue is recognized.

The following is a description of the governmental funds of the Village:

**General Fund** – The General Fund is the general operating fund of the Village. It is used for all financial resources except those required to be accounted for in another fund.

**Special Revenue Funds** – Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

**Debt Service Fund** – The Debt Service Fund is used to account for the accumulation of funds for the payment of general long-term debt principal, interest and related costs.

**Proprietary Funds** – The focus of the proprietary fund measurement is upon the determination of operating income, changes in net position, financial position and cash flows. Proprietary fund financial statements are reported using the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

A proprietary fund is a fund in which a fee is charged to external users of goods and services and the activity (a) is financed with debt that is solely secured by a pledge of the net revenues, (b) has third party requirements that the cost of providing services, including capital costs, be recovered with fees and charges (c) establishes fees and charges based on pricing policy designed to recover similar costs.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The Village reports the following major governmental funds:

**General Fund** – The general fund is the general operating fund of the Village. It is used to account for all the financial resources except those required to be accounted for in another fund.

**Motor Fuel Tax Fund** – The Motor Fuel Tax Fund accounts for the maintenance activities of the Village's roads and bridges generated by the Village's share of state Motor Fuel Tax.

## Notes to Financial Statements

**Community Development Fund** – The Community Development Fund accounts for activities related to improving the community and is driven mostly by Village imposed fee revenue.

The Motor Fuel Tax Fund and the Community Development Fund changed from non-major to major, and the Debt Service Fund changed from major to non-major in 2024 in comparison to 2023. All changes were made according to a quantitative measurement calculation to determine whether a fund should be considered major or non-major.

The major proprietary fund is:

**Water Fund** – This fund accounts for the provision of water treatment and distribution to the residential and commercial users of the Village, and accounts for trash collection services provided to the residential and some commercial users of the Village.

**(d) Cash and Cash Equivalents**

Cash and cash equivalents consist of demand deposits, savings and money market accounts. As of December 31, 2024, the Village had no other investments.

For purposes of the statement of cash flows, the Village's proprietary funds consider cash on hand, demand deposits and short-term investments with original maturities of three months or less when purchased to be cash equivalents.

**(e) Property Taxes**

The Village annually establishes a legal right to revenue from property tax assessments upon enactment of a tax levy ordinance by the Village Board. Property taxes are recognized as a receivable at the time they are levied. Revenue from property tax is recognized as the taxes are collected in the year intended to finance or when they become available to be used to pay liabilities of the current period, generally considered to be within sixty days after year-end. Revenue from those taxes, which are not considered available is deferred.

The property tax calendar for the 2023 tax levy to finance 2024 operations were as follows:

|                        |                   |
|------------------------|-------------------|
| Lien Date              | January 1, 2024   |
| Levy Date              | December 26, 2023 |
| First Installment Due  | June 14, 2024     |
| Second Installment Due | September 6, 2024 |

Tax bills were mailed at least 30 days prior to the first installment due date. Property taxes are billed and collected by the County Treasurer of Winnebago, Illinois.

## Notes to Financial Statements

The Village's 2024 tax rates per \$100 of assessed valuation together with the related maximum tax rates are as follows:

| Type of Levy          | Rates Per \$100<br>of Assessed Valuation |               |
|-----------------------|------------------------------------------|---------------|
|                       | Rates Per \$100                          | Legal Maximum |
| Village:              |                                          |               |
| Corporate             | 0.3312                                   | 0.4375        |
| Police Protection     | 0.4246                                   | 0.6000        |
| Chlorination          | 0.0000                                   | 0.0200        |
| IMRF                  | 0.0005                                   | None          |
| Audit                 | 0.0005                                   | None          |
| Liability Insurance   | 0.0005                                   | None          |
| Revenue Recapture Adj | 0.0023                                   | None          |
| Total Village         | 0.8047                                   |               |

The 2024 tax levy, which attached as an enforceable lien on property as of January 1, 2025, has been recorded as a receivable as of December 31, 2024 as the tax had been levied by the Village and extended by the County but would not collect until fiscal year 2025.

**(f) Capital Assets**

Capital assets, which include property, plant, equipment and infrastructure assets, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. The Village defines capital assets as assets with an estimated useful life in excess of one year and an initial and individual cost in excess of the following:

Equipment – \$2,500  
Buildings and improvement – \$10,000  
Infrastructure expenses – \$50,000

Infrastructure includes roads, bridges, curbs, sidewalks, lighting systems, gutters, draining systems, and the water and sewer system. The cost of infrastructure has been capitalized and depreciated beginning in fiscal year 2005. Such assets are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

## Notes to Financial Statements

Major outlays for capital assets and improvements are capitalized as projects are constructed. Capital assets are depreciated using the straight-line method over the following estimated useful lives:

| Assets                    | Years   |
|---------------------------|---------|
| Land improvements         | 10 - 20 |
| Building and improvements | 10 - 40 |
| Equipment and vehicles    | 4 - 7   |
| Road improvements         | 10      |

**(g) Budgets and Budgetary Accounting**

Budgeted amounts are as originally adopted, or as amended by the Village Board of Trustees.

Unexpended budgeted amounts lapse at the end of each year. Spending control is established by the amount of expenditures budgeted for the fund, but management control is exercised at budgetary line items.

Budgeted amounts are shown on the GAAP basis.

**(h) Receivables – Utility Users**

Cycle billing procedures are followed in charging consumers for water and trash collection. Billings are issued on a monthly basis. Receivables at year-end consist of amounts actually billed less payments received plus an estimate of the unbilled amount due from the date of the last cycle billing to year-end.

**(i) Prepaid Items**

Payments made to vendors for services which will benefit periods beyond December 31, 2024 are recorded as prepaid items. Prepaid items recorded in governmental funds do not represent current resources that are available for appropriation and, thus, an equivalent portion of fund balance is reserved.

**(j) Compensated Absences**

Village employees are granted personal time for compensated absences in varying amounts. Accumulation of personal time is allowed. Upon termination, the employee is compensated for the unused personal time to a maximum of 40 hours for part-time employees and 80 hours for full-time employees.

**(k) Interfund Activity**

Interfund activity is reported either as loans, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon

## Notes to Financial Statements

consolidation. Reimbursements are reported when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental or proprietary funds are netted as part of the reconciliation to the government wide-financial statements.

**(l) Long-Term Obligations**

In the Government-Wide Financial Statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities financial statements.

**(m) Deferred Outflows / Inflows of Resources**

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

The Village's deferred inflows relates to property taxes levied in 2024 which will be collected during 2025 and deferred amounts to be recognized as reductions in pension expense over the next five years.

**(n) Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**(o) Fund Balances / Net Position**

In the fund financial statements GASB Statement No. 54 defined and requires the fund balance amounts to be reported within one of the following fund balance categories:

1. **Non-spendable** – amounts that cannot be spent either because they are in non-spendable form or because they are legally or contractually required to be maintained intact.
2. **Restricted** – amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are

## Notes to Financial Statements

externally imposed by creditors, grantors, contributions, or the laws or regulations of other governments. The Village does not have a policy in place when both restricted and unrestricted resources are available for use.

3. **Committed** – amounts that can be used only for specified purposes determined by a formal action of the Village Board. The Village Board is the highest level of decision-making authority for the Village. Commitments may be modified, or rescinded only through the same type of action it employed to previously commit those amounts.
4. **Assigned** – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. The Village does not have a policy, to assign amounts for specific purposes.
5. **Unassigned** – all other spendable amounts

In the Government-Wide Financial Statements, restricted net assets are legally restricted by outside parties for a specific purpose. Invested in capital assets, net of related debt represents the book value of capital assets less any long-term debt issued to acquire or construct the capital assets. All other net assets that do not meet the definition of “restricted” or “invested in capital assets, net of related debt” are classified as unrestricted net assets.

The Village has not established fund balance reserve policies for their governmental funds.

**(p) Subsequent Events**

The Village has assessed events that have occurred subsequent to December 31, 2024 through August 27, 2025, the date the financial statements were available to be issued for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements.

**(2) Deposits**

At December 31, 2024, the carrying amount of the Village’s deposits was \$932,622 and the bank balance was \$954,961. The primary difference between the book and bank balances was due to outstanding checks. As of December 31, 2024, the government’s bank balance of \$954,961 was covered by federal depository insurance or collateral held by the Village’s agent in the Village’s name.

Statutes authorize the Village to invest in:

- 1) securities guaranteed by the full faith and credit of the United States of America
- 2) deposits or other investments constituting direct obligations of any bank as defined by the Illinois Banking Act;
- 3) short-term restrictions as defined in Illinois Revised Statutes Chapter 35, Paragraph 902, as amended;

## Notes to Financial Statements

- 4) money market funds registered under the Investment Company Act of 1940;
- 5) short-term discount obligations of the Federal National Mortgage Association;
- 6) shares or other forms of securities legally issuable by savings and loan associations;
- 7) various share accounts of a credit union chartered under the laws of the State of Illinois or the laws of the United States provided the principal office of any such credit union is located within the State of Illinois;
- 8) a Public Treasurer's Investment Pool created under Section 17 of "An Act to revise the law in relation to the State Treasurer", approved April 23, 1873, as amended. Bank and savings and loan investments may only be in institutions, which are insured by the Federal Deposit Insurance Corporation.

Illinois Funds is an investment pool managed by the State of Illinois, Office of the Treasurer, which allows governments within the State to pool their funds for investment purposes. Illinois Funds is not registered with the SEC as an investment company, but operates in a manner consistent with Rule 2a7 of the Investment Act of 1940. Investments in Illinois Funds are valued at the share price, the price for which the investment could be sold. The Illinois Funds bank balance as of December 31, 2024 was \$4,808,186.

#### *Deposits with Financial Institutions*

Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the Village's deposits may not be returned to it. The Village does not have a deposit policy regarding custodial credit risk. As of December 31, 2024, none of the Village's deposits were exposed to custodial credit risk or uninsured and uncollateralized.

The Village investment policy does not specifically address concentration of credit risk.

### **(3) Property Taxes Receivable**

Property taxes for 2023 attached as an enforceable lien on January 1, 2024, on property values assessed as of the same date. Taxes are levied by December of the same fiscal year (by passage of a Tax Levy Ordinance). Tax bills were prepared by Winnebago County and issued on or about May 10, 2024, and were payable in two installments on June 14, 2024 and September 6, 2024. Winnebago County collects such taxes and remits them to the Village periodically.

The Village has elected, under governmental accounting standards, to match its property tax revenues with the fiscal year that the tax levy is intended to finance. Therefore the entire 2024 tax levy has been recorded as a receivable and deferred revenue on the financial statements.

### **(4) Deferred Revenue**

Governmental funds report deferred revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned.

## Notes to Financial Statements

At the end of the current fiscal year, the various components of deferred inflows, revenue and unearned revenue reported in governmental funds were as follows:

|                             | <u>Unavailable</u> | <u>Unearned</u> | <u>Total</u>   |
|-----------------------------|--------------------|-----------------|----------------|
| Property taxes receivable - |                    |                 |                |
| General Fund                | \$ 528,237         | -               | 528,237        |
| Other governmental units:   |                    |                 |                |
| General Fund                | 54,343             | -               | 54,343         |
| Other governmental funds    | <u>5,160</u>       | <u>-</u>        | <u>5,160</u>   |
| Total deferred revenue      | <u>\$ 587,740</u>  | <u>-</u>        | <u>587,740</u> |

**(5) Capital Assets**

The governmental activities capital asset activity for year ended December 31, 2024 is as follows:

|                                             | <u>Beginning<br/>Balance</u> | <u>Additions</u> | <u>Deletions</u> | <u>Ending<br/>Balance</u> |
|---------------------------------------------|------------------------------|------------------|------------------|---------------------------|
| <b>Governmental activities:</b>             |                              |                  |                  |                           |
| Capital assets not being depreciated:       |                              |                  |                  |                           |
| Land                                        | \$ 88,625                    | -                | -                | 88,625                    |
| Construction in progress                    | <u>6,993</u>                 | <u>-</u>         | <u>6,993</u>     | <u>-</u>                  |
| Total capital assets not being depreciated  | <u>95,618</u>                | <u>-</u>         | <u>6,993</u>     | <u>88,625</u>             |
| Capital assets being depreciated:           |                              |                  |                  |                           |
| Buildings and improvements                  | 359,604                      | 167,010          | -                | 526,614                   |
| Equipment and vehicles                      | 805,158                      | 27,100           | -                | 832,258                   |
| Software                                    | 21,564                       | -                | -                | 21,564                    |
| Infrastructure                              | <u>6,010,612</u>             | <u>283,264</u>   | <u>-</u>         | <u>6,293,876</u>          |
| Total capital assets being depreciated      | <u>7,196,938</u>             | <u>477,374</u>   | <u>-</u>         | <u>7,674,312</u>          |
| Accumulated depreciation                    | <u>(2,784,798)</u>           | <u>(226,442)</u> | <u>-</u>         | <u>(3,011,240)</u>        |
| Total capital assets being depreciated, net | <u>4,412,140</u>             | <u>250,932</u>   | <u>-</u>         | <u>4,663,072</u>          |
| Governmental activities capital assets, net | <u>\$ 4,507,758</u>          | <u>250,932</u>   | <u>6,993</u>     | <u>4,751,697</u>          |

## Notes to Financial Statements

The business-type activities capital asset activity for the year ended December 31, 2024 is as follows:

|                                              | <u>Beginning<br/>Balance</u> | <u>Additions</u> | <u>Deletions</u> | <u>Ending<br/>Balance</u> |
|----------------------------------------------|------------------------------|------------------|------------------|---------------------------|

#### (6) Inter-Fund Transfers

Transfers and payments within the reporting entity are substantially for the purpose of subsidizing operating functions, funding capital projects and assets acquisitions, or maintaining debt service on a routine basis. The following transfers occurred during the fiscal year:

| <u>Transfer From</u>  | <u>Transfer To</u>        | <u>Amount</u> | <u>Purpose</u>                |
|-----------------------|---------------------------|---------------|-------------------------------|
| General Fund          | Water Fund                | \$ 143,000    | Move hail damage funds        |
| Community Development | Fourth of July            | \$ 17,700     | Fireworks event & UTV permits |
| Debt Service Fund     | Strategic Reserve Capital | \$ 346,000    | Move hail damage & ARPA funds |
| Debt Service Fund     | Water Fund                | \$ 194,441    | To close fund                 |

## Notes to Financial Statements

**(7) Illinois Municipal Retirement Fund***Plan Description*

The Village's defined benefit pension plan for Regular employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The employer plan is managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of a multiple-employer public pension fund. A summary of IMRF's pension benefits is provided in the "Benefits Provided" section of this document. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Annual Comprehensive Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information. That report is available for download at [www.imrf.org](http://www.imrf.org).

*Benefits Provided*

IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired **before** January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired **on or after** January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96.

Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the *lesser* of (a) 3% of the original pension amount, or (b) 1/2 of the increase in the Consumer Price Index of the original pension amount.

## Notes to Financial Statements

*Employees Covered by Benefit Terms*

As of December 31, 2024, the following employees were covered by the benefit terms:

|                                                                  |           |
|------------------------------------------------------------------|-----------|
| Retirees and beneficiaries currently receiving benefits          | 11        |
| Inactive plan members entitled to but not yet receiving benefits | 14        |
| Active plan members                                              | <u>17</u> |
|                                                                  | <u>42</u> |

*Contributions*

As set by statute, the Village's Regular Plan Members are required to contribute 4.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The Village's annual contribution rate for calendar year 2024 was 8.30%. For the fiscal year ended December 31, 2024, the Village contributed \$96,279 to the plan. The Village also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by IMRF's Board of Trustees, while the supplemental retirement benefits rate is set by statute.

*Net Pension Liability*

The Village's net pension liability was measured as of December 31, 2024. The total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

*Actuarial Assumptions*

The following are the methods and assumptions used to determine total pension liability at December 31, 2024:

- The actuarial cost method used was Entry Age Normal.
- The asset valuation method used was Market Value of Assets.
- The inflation rate was assumed to be 2.25%.
- Salary increases were expected to be 2.85% to 13.75%, including inflation.
- The investment rate of return was assumed to be 7.25%.
- Projected retirement age was from the Experience-based Table of Rates, specific to the type of eligibility condition. Last updated for the 2020 valuation according to an experience study of the period 2017-2019.
- For non-disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Retiree, Male (adjusted 106%), and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020.

## Notes to Financial Statements

- For disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.
- For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.
- The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return to the target asset allocation percentage and adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

| Asset Class             | Portfolio Target Percentage | Long-Term Expected Real Rate of Return |
|-------------------------|-----------------------------|----------------------------------------|
| Domestic equity         | 34.50%                      | 5.00%                                  |
| International equity    | 18.00%                      | 6.35%                                  |
| Fixed income            | 24.50%                      | 4.75%                                  |
| Real estate             | 10.50%                      | 6.30%                                  |
| Alternative investments | 11.50%                      | 6.05-12.35%                            |
| Cash equivalents        | 1.00%                       | 3.80%                                  |
| Total                   | 100.00%                     |                                        |

*Single Discount Rate*

A Single Discount Rate of 7.25% was used to measure the total pension liability. The projection of cash flow used to determine the Single Discount Rate assumed that the plan members' contributions will be made at the current contribution rate, and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. The Single Discount Rate reflects:

1. The long-term expected rate of return on pension plan investments (during the period in which the fiduciary net position is projected to be sufficient to pay benefits), and
2. The tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating (which is published by the Federal Reserve) as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met).

For the purpose of the most recent valuation, the expected rate of return on plan investments is 7.25%, the municipal bond rate is 4.08%, and the resulting single discount rate is 7.25%.

| Balances at December 31, 2024                                                           | \$ 4,426,275                         | 4,058,447                             | 367,828                               |

*Sensitivity of the Net Pension Liability to Changes in the Discount Rate*

The following presents the plan's net pension liability, calculated using a Single Discount Rate of 7.25%, as well as what the plan's net pension liability would be if it were calculated using a Single Discount Rate that is 1% lower or 1% higher:

|                               | Single Discount Rate Assumption |           |             |
|-------------------------------|---------------------------------|-----------|-------------|
|                               | 1% Decrease                     | Current   | 1% Increase |
|                               | 6.25%                           | 7.25%     | 8.25%       |
| Total pension liability       | \$ 5,026,617                    | 4,426,275 | 3,981,160   |
| Plan fiduciary net position   | 4,058,447                       | 4,058,447 | 4,058,447   |
| Net pension liability (asset) | \$ 968,170                      | 367,828   | (77,287)    |

## Notes to Financial Statements

*Pension Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to Pensions*

For the year ended December 31, 2024, the Village recognized pension expense of \$1,676. At December 31, 2024, the Village reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

|                                                                                  | <u>Deferred<br/>Outflows of<br/>Resources</u> | <u>Deferred<br/>Inflows of<br/>Resources</u> |
|----------------------------------------------------------------------------------|-----------------------------------------------|----------------------------------------------|
| Deferred amounts to be recognized in pension expense in future periods:          |                                               |                                              |
| Differences between expected and actual experience                               | \$ 241,339                                    | 14,826                                       |
| Changes of assumptions                                                           | 201                                           | -                                            |
| Net difference between projected and actual earnings on pension plan investments | <u>253,578</u>                                | <u>168,124</u>                               |
| Total deferred amounts to be recognized in pension expense in future periods     | <u>495,118</u>                                | <u>182,950</u>                               |
| Pension contributions made subsequent to the measurement date                    | <u>-</u>                                      | <u>-</u>                                     |
|                                                                                  | <u><u>\$ 495,118</u></u>                      | <u><u>182,950</u></u>                        |

Deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense in future periods as follows:

| <u>Year Ending<br/>December 31</u> | <u>Net Deferred Outflows<br/>(Inflows) of Resources</u> |
|------------------------------------|---------------------------------------------------------|
| 2025                               | \$ 125,781                                              |
| 2026                               | 185,342                                                 |
| 2027                               | 14,209                                                  |
| 2028                               | <u>(13,163)</u>                                         |
|                                    | <u><u>\$ 312,169</u></u>                                |

**(8) Other Postemployment Benefits (OPEB)**

The Village has determined the effects of OPEB are immaterial to the financial statements and therefore has not presented the OPEB liability.

**(9) Risk Management**

The Village is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; error and omissions; injuries to employees; and natural disasters. The

## Notes to Financial Statements

Village is a member of the Illinois Municipal League Risk Management Association, (IMLRMA) joint risk management pool of Illinois municipalities through which property, general liability, automobile liability, crime, boiler and machinery, public officials' and workers' compensation coverage is provided in excess of specified limits for the members, acting as a single insurable unit. For insured programs, there have been no significant reductions in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

**(10) Long-term Obligations**

The outstanding obligations as of December 31, 2024 consist of the following:

|                                                                                                                                                                                                                                               | 2024                | Current<br>Portion |

## Notes to Financial Statements

**(11) Legal Debt Margin**

Illinois Compiled Statutes limits the amount of outstanding general obligation bonded debt of the municipality to no more than 8.625% of net assessed valuation. Based on total assessed valuation of \$69,653,376, the Village's legal debt margin is as follows:

|                                                             |                     |
|-------------------------------------------------------------|---------------------|
| Assessed Valuation                                          | \$ 69,653,376       |
| Statutory Debt Limitation<br>(8.625% of Assessed Valuation) | \$ 6,007,604        |
| Total Long-Term Debt:                                       |                     |
| Four Rivers Loan                                            | (5,361,686)         |
| IEPA Loans                                                  | (923,688)           |
| Exception to Indebtedness:                                  |                     |
| Four Rivers Loan*                                           | 5,361,686           |
| IEPA Loans*                                                 | 923,688             |
| Legal Debt Margin                                           | <u>\$ 6,007,604</u> |

\* The Illinois General Assembly, pursuant to the Illinois Compiled Statutes (30 ILCS 350/15), does not consider alternate revenue source bonds in its computation of indebtedness as it relates to any statutory debt limitation. As of Dec. 31, 2024, all of the Village's outstanding debt meets this definition.

**(12) Sales Tax Rebate**

The Village has entered into an agreement with a developer within the Village. The agreement requires the Village to rebate a portion of the retail sales tax equal to 35% of annual retail sales tax revenue collected during the year by the Village as a result of sales generated by all businesses in the development commencing on sales made during November 2012 until \$600,000 has been rebated. Payment is to be made by December 18 each year. Rebates expensed were \$27,788 for the year ended December 31, 2024. All rebates have been paid back to the developer as of December 31, 2024.

**(13) Intergovernmental Agreement with Four Rivers Sanitation Authority**

In December of 2011, the Village entered into an intergovernmental agreement (IGA) with the Four Rivers Sanitation Authority (Four Rivers), formerly known as the Rock River Water Reclamation District, to transfer the Village's sewerage collection system processing plant and its operation to Four Rivers. Four Rivers assumed operational control and financial responsibility on February 6, 2012, with final legal approval of conveyance and transfer, given by the circuit court in Rockford on June 13, 2012.

Under terms of the IGA, Four Rivers will extend its Fuller Creek trunk to Winnebago, connect to the Village's collection system, and eliminate Village's sewage processing plant. In addition, Four

## Notes to Financial Statements

Rivers will rehabilitate and upgrade the Village's collection system within the first seven years of the agreement. All operational costs associated with the current system are the responsibility of Four Rivers. All costs related to rehabilitation and upgrade of the Village's collection system, extension and upsizing of the Fuller Creek trunkline, and elimination/demolition of the Village's sewerage treatment facility (capital costs) are the responsibility of the Village. The Village relinquished all sewer related assets to Four Rivers on January 1, 2012.

In addition the Village must pay Four Rivers a one-time plant buy in fee of \$676,371 covering 1415 properties currently "served" by the Village's system. This fee was paid during fiscal year 2016 when the construction contract for extension of the Fuller Creek trunkline west of Meridian Road was awarded. Total costs to complete this project, including plant buy in fee, as indicated in the IGA is approximately \$10.6 million with a maximum cost not to exceed \$11.4 million. During 2018, the trunkline (\$4,675,725) and parallel trunk upgrades (\$1,374,543) were completed and recognized as a special item in the accompanying financial statements. Other costs will be accrued as work is completed through 2022.

All costs associated with the IGA, including debt service, are expected to be paid from current reserves, one percent municipal sales tax revenue, and sewer capital fees billed by the Village to sewer customers on their monthly water bills. All costs associated with operation of the current sewer system are billed by Four Rivers quarterly based on water usage information from the Village water department.

The Village is responsible for obtaining financing for the project; however, Four Rivers has applied for low interest loans through the Illinois EPA covering associated costs. Principal and interest costs for loans secured by Four Rivers for the project will be passed on to the Village. Additional financing, as needed, will be obtained by the Village. The IGA also delineates future connection fees are to be collected from property owners who wish to connect to the Fuller Creek Trunk extension, a percentage of which will be reimbursed to the Village.

**(14) Change in Accounting Principle**

During the year ended December 31, 2024, the Village adopted new accounting guidance by implementing the provisions of GASB Statement No. 100, *Accounting Changes and Error Corrections* (GASB 100). The guidance under GASB 100 enhances accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. This Statement requires that changes in accounting principles and error corrections be reported retroactively by restating prior periods, changes to or within the financial reporting entity be reported by adjusting beginning balances of the current period, and changes in accounting estimates be reported prospectively by recognizing the change in the current period. This Statement also requires that the aggregate amount of adjustments to and restatements of beginning net position, fund balance, or fund net position, as applicable, be displayed by reporting unit in the financial statements. For further information, see Note 1 (c), *Measurement Focus, Basis of Accounting and Financial Statement Presentation*.

## Notes to Required Supplementary Information

December 31, 2024

**Legal Compliance and Accountability**

Budgets are adopted on a basis consistent with generally accepted accounting principles. Annual appropriated budgets are adopted (at the fund level) for the General and major Special Revenue funds – Motor Fuel Tax and Community Development Fund, non-major Special Revenue funds – Debt Service, Fourth of July Fund, and Strategic Reserve Capital Fund on the modified accrual basis and Enterprise Fund – Water and Sewer on the accrual basis by line item within the fund. The annual appropriated budget is legally enacted and provides for a legal level of control at the fund level. All annual appropriations lapse at fiscal year-end.

The Village follows these procedures in establishing the budgetary data reflected in the financial statements:

- A. The Village Finance Committee submits to the Village Board a proposed operating budget for the fiscal year commencing the following January 1. The operating budget includes proposed expenditures and the means for financing them.
- B. Public hearings are conducted to obtain taxpayer comments.
- C. Prior to January 1, the budget is legally enacted by Village Board action. This is the amount reported as original budget.
- D. The Village Board is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total appropriation of any fund must be approved by the Village Board as a supplemental appropriation ordinance.
- E. Budgets are adopted and formal budgetary integration is employed as management control device during the year for general, special revenue funds and enterprise funds.
- F. All budgets for these funds are adopted on a basis consistent with generally accepted accounting principles.
- G. Budgetary authority lapses at year-end.
- H. State law requires that “expenditures be made in conformity with appropriations/budget.” As under the budget act, transfers between line items, departments and funds may be made by administrative action. The final budget reflects all amendments made. The level of legal control is at the fund level.
