Item 3a (Persons to be Heard/Correspondence)

Item a.

Emailed Correspondence from John Bartlett Re: Mill Rate/Property Taxes

My name is John Bartlett owner of parcel # 01-004-307. I'm writing on behalf of the 2023 assessment notice. I've been out of town and finally checked the notice, whereas I missed the appeal deadline.

The property I own was purchased 3 years ago for \$300,000.00. I own other properties here in AK and Idaho. Usually the assessed values of those properties are less than market value. This assessment came in at 24% higher than what I purchased the property at. I can provide those assessments if need be.

My assessed value on 2 duplexes in Sitka are **much less** than market value, and my land value is over a \$100,000 more than the assessed value in Wrangell. The mil rate in Wrangell is 2X more than the mil rate in Sitka. Wrangell collects taxes on rental income, Sitka did away with that years ago. I have heard from staff in Wrangell that the assessment hasn't been updated in the past 3-5 years.

That burden should fall on the Burrough, not the home owner, and assessed progressively. The worst part of all of this is the burden of tax on rent, and huge increases in assessed values will eventually be passed on to the tenants of Wrangell, that struggle to make ends meet already. Sitka and Wrangell are both Island Communities with similar challenges with utilities, ferry's, shipping, school budgets and air transportation. Please help me understand why tax on rentals, and a mil rate double of that of Sitka is necessary in Wrangell

Sincerely,
John Bartlett.

Minutes of Regular Assembly Meeting

Held on May 23, 2023

Mayor Patricia Gilbert called the Regular Assembly meeting to order at 6:00 p.m., May 23, 2023, in the Borough Assembly Chambers. Assembly Member Robbins led the pledge of allegiance.

PRESENT - ROBBINS, POWELL, DALRYMPLE, GILBERT, HOWE, DEBORD, MORRISON

ABSENT -

Borough Mayor Good and Borough Clerk Lane were also present.

PERSONS TO BE HEARD

Bonnie Demerjian, resident read a letter of support for the library director position, expressing her concern on downgrading the library director position.

Mya DeLong, resident spoke on behalf of herself regarding the request from the Chamber of Commerce for additional funding; stating that there is a mismanagement of funds; overall mismanagement of the Chamber; pull tabs are not up because there are fractured relationships; city should not use our tax dollars to further fund the Chamber.

AMENDMENTS TO THE AGENDA

Gilbert requested that we move item 13k up to item 13a. There were no objections from the Assembly.

CONFLICT OF INTEREST

Robbins declared a conflict of interest for Items 11a & 11b since she is the Chamber's Executive Director. Gilbert agreed that she did have a conflict of interest. There were no objections from the Assembly.

Dalrymple stated that he may have a potential conflict of interest to item 11d since he is on the Economic Development Committee. Gilbert stated that she did not see that he or Assembly Member Morrison had a conflict since this Ordinance only established the Board. There were no objections from the Assembly.

CONSENT AGENDA

- 6a **RESOLUTION No. 05-23-1778** OF THE ASSEMBLY OF THE CITY & BOROUGH OF WRANGELL, ALASKA AMENDING THE FY 2023 BUDGET IN THE PORT AND HARBOR FUND BY TRANSFERRING FUNDS FROM HARBOR RESERVE ACCOUNT TO THE T-DOCK ANODE INSTALLATION PROJECT ACCOUNT IN THE AMOUNT OF \$17,340 AND AUTHORIZING ITS EXPENDITURES
- 6b Minutes from the April 25, 2023 Regular Assembly meeting
- 6c Minutes from the May 1, 2023 Special Assembly Meeting
- 6d Minutes from the May 10, 2023 Board of Equalization hearing
- 6e Presentation and Acknowledgement of the 2023 Certified Real Property Tax Roll Report
- 6f CORRESPONDENCE - School Board Action from the April 17, 2023 Regular meeting

M/S: Powell/Morrison to approve the consent agenda, as submitted. Motion approved unanimously by polled vote.

BOROUGH MANAGER'S REPORT

Manager Good gave his report and reported on the current Capital Projects.

BOROUGH CLERK'S REPORT

Clerk Lane gave her report.

MAYOR AND ASSEMBLY BUSINESS – None.

MAYOR AND ASSEMBLY APPOINTMENTS – None.

PUBLIC HEARING

11a Approval to provide additional funding, not to exceed \$25,000 to the Wrangell Chamber of Commerce for 2023 4th of July activities (*Postponed from the May 1, 2023 Special Assembly Meeting*)

Mayor Gilbert declared the Public Hearing open and asked for an administrative report.

Good explained that was a request from the Wrangell Chamber of Commerce for an additional \$25,000 to help support the Fourth of July activities; if approved, would recommend cost specific items; this item was postponed from the last assembly meeting.

Gilbert asked if there anyone who wished to speak on this Public Hearing item.

Bill Burr, Chamber President briefly explained some of the funding needs.

Brittani Robbins, Chamber Executive Director also explained why the Chamber is needing additional funding; not at a high risk now of dissolving.

Gilbert closed the Public Hearing and asked for a motion.

M/S: Dalrymple/Morrison to approve up to \$25,000 in additional funding for approved expenditures to the Chamber of Commerce to support 2023 4th of July activities with the following conditions:

1. Requests shall not include any wages or prize payouts of any kind; and
2. All requests for funding must be approved by the borough manager before reimbursement; and
3. Examples of expenses are: Fourth of July fireworks, Pavilion Utilities, and Fourth of July Insurance premiums.

Powell stated that he still has a problem with this; our rates have gone up; our assessments have gone up; had one person speaking in opposition to this during Persons to be Heard.

Morrison stated that she is also concerned but feels better with the conditions in the motion.

Dalrymple stated that during the Economic Development Committee presentation, the Chamber outlined what the Chamber does for the community.

Gilberts stated that she was also struggling with this; thinking about this being forward funding; would like to take the Wrangell Chamber off the Budget for funding for FY 2024; it is the only way

to reconcile it in her mind since this would be spending taxpayer monies; would like to see the Economic Development Director and Coordinator work with the Chamber to try and partner with them for in-kind services, if possible.

Motion approved with Morrison, Howe, Dalrymple, DeBord and Gilbert voting yes; Powell voted no. Robbins did not vote.

11b RESOLUTION No. 05-23-1777 OF THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, AMENDING THE FY 2023 GENERAL FUND BUDGET BY APPROPRIATING AN ADDITIONAL \$25,000 CONTRIBUTION TO THE WRANGELL CHAMBER OF COMMERCE (*Postponed from the May 1, 2023 Special Assembly Meeting*)

Mayor Gilbert declared the Public Hearing open and asked for an administrative report.

Good explained that was the budget amendment for the \$25,000 appropriation to the Chamber; this item was also postponed from the last assembly meeting.

Gilbert asked if there was anyone who wished to speak on this Public Hearing item.

Hearing none, Gilbert closed the Public Hearing and asked for a motion.

M/S: Dalrymple/Morrison to approve Resolution No. 05-23-1777. Motion approved with Morrison, Howe, Dalrymple, DeBord and Gilbert voting yes; Powell voted no. Robbins did not vote.

11c ORDINANCE No. 1041 OF THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, AUTHORIZING THE PARTICIPATION IN THE ALASKA MUNICIPAL LEAGUE INVESTMENT POOL, INC. FOR USE BY CITIES AND BOROUGHES

Mayor Gilbert declared the Public Hearing open and asked for an administrative report.

Good explained that was required to put in our code.

Gilbert asked if there was anyone who wished to speak on this Public Hearing item.

Hearing none, Gilbert closed the Public Hearing and asked for a motion.

M/S: Powell/Robbins to approve Ordinance No. 1041. Motion approved unanimously by polled vote.

11d ORDINANCE No. 1042 OF THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, ADDING A NEW CHAPTER 3.55 TITLED "ECONOMIC DEVELOPMENT BOARD" TO THE WRANGELL MUNICIPAL CODE

Mayor Gilbert declared the Public Hearing open and asked for an administrative report.

Good explained that this formalizes the board by adding it to the municipal code.

Gilbert asked if there was anyone who wished to speak on this Public Hearing item.

Hearing none, Gilbert closed the Public Hearing and asked for a motion.

M/S: Powell/Howe to approve Ordinance No. 1042. Motion approved unanimously by polled vote.

UNFINISHED BUSINESS – None.

NEW BUSINESS

13a b RESOLUTION No. 05-23-1779 OF THE ASSEMBLY OF THE CITY & BOROUGH OF WRANGELL, ALASKA, AMENDING THE FY 2023 BUDGET IN THE PORT AND HARBOR FUND BY TRANSFERRING FUNDS FROM HARBOR RESERVE ACCOUNT TO THE HERITAGE HARBOR ANODE INSTALLATION PROJECT ACCOUNT IN THE AMOUNT OF \$27,770 AND AUTHORIZING ITS EXPENDITURES

M/S: Robbins/Howe to approve Resolution No. 05-23-1779. Motion approved unanimously by polled vote.

13b c RESOLUTION No. 05-23-1780 OF THE ASSEMBLY OF THE CITY & BOROUGH OF WRANGELL, ALASKA, AMENDING THE FY 2023 BUDGET IN THE PORT AND HARBOR FUND BY TRANSFERRING FUNDS FROM HARBOR RESERVE ACCOUNT TO THE MARINE SERVICE CENTER PIER ANODE INTALLATION PROJECT ACCOUNT IN THE AMOUNT OF \$22,490 AND AUTHORIZING ITS EXPENDITURES

M/S: Powell/Robbins to approve Resolution No. 05-23-1780. Motion approved unanimously by polled vote.

13c d RESOLUTION No. 05-23-1782 OF THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, PROVIDING FOR THE AMENDMENT TO THE LIBRARY DIRECTOR POSITION AND MODIFYING THE NON-UNION WAGE AND GRADE TABLE

M/S: Powell/Dalrymple to approve Resolution No. 05-23-1782.

Good explained that the level of responsibility and work is not the same as other directors under the same grade; recommendation is to move this position to a grade 19 however, grade 22 was added as an alternative.

Gilbert stated that this was a very difficult decision to her since the library is very dear to her; library often takes hits during the budget cycle; compared the library hours with the Nolan Center and sees that the Nolan Center is open 44 hours a week and the library is open 34 hours a week.

Dalrymple and Powell stated that they depend on the manager to make recommendations to the assembly on these types of issues.

Motion approved with Robbins, Morrison, Dalrymple, Powell and DeBord voting yes; Howe and Gilbert voted no.

13d e RESOLUTION No. 05-23-1783 OF THE CITY AND BOROUGH OF WRANGELL AMENDING THE FY23 WML&P BUDGET BY TRANSFERRING \$40,000 FROM WML&PS RESERVE FUND ACCOUNT TO WML&PS FUEL & OIL – GENERATION ACCOUNT

M/S: Morrison/Powell to approve a Professional Services Agreement with PND Engineers in the Amount of \$633,190 for the Power Plant Rehabilitation Design Project.

DeBord spoke in opposition of this project; asked if this was mandated by SEAPA to have; doesn't believe that maintaining the diesel generators was cost prohibitive; don't see how this is economically viable; spending half a million dollars for something we might or might not get funding for.

Howe stated that he believed that we do need the backup power; do we have a building that we could repurpose for the generators.

There was extensive discussion and then the roll was called.

Motion approved with Robbins, Morrison, Howe, Dalrymple, Powell and Gilbert voted yes; DeBord voted no.

13h i Approval of a contract award to Johnson Construction & Supply, Inc. in the amount of \$474,497 for the Swimming Pool Siding Replacement Project

CONFLICT OF INTEREST

Student Representative Kiara Harrison referred to her report in the Board Packet and shared some highlights.

STUDENT
REPRESENTATIVE
REPORT

John Deruyter was present to give the Secondary Advisory Committee Quarterly Report. He apologized that they have not reported yet this year. He introduced himself as the committee chair and said that James Edens was elected vice-chair. Rosie Tollerud is the secretary. Mr. Deruyter said that the committee has discussed school safety, student travel, anti-bullying, covid mitigation. They've also done a deep review of their charter. He added that there is an email in place that will go directly to the committee members.

GUESTS TO BE HEARD

Kaelene Harrison gave the PTCC Advisory Committee Quarterly Report. Mrs. Harrison introduced herself as the chair and apologized for not reporting to the Board yet this year. Sarah Scheiner is the vice-chair, Chris Bunes is the Treasurer, Kendra McDougall is the secretary, and Kasee Schlotzhauer helps with communication. Kaelene said the group has developed a Facebook page to help with communication. This year they have hosted the book fair and a Friendsgiving event. They had a Cookie Extravaganza Fundraiser at Christmas time. Those funds are used as start-up cash for our teachers. Meetings are held monthly with attendance at about 7-8 people. One of their goals has been to increase the number of volunteers in the school. They are happy to report that this has been happening. They are planning the end-of-year event for May 25 on the last day of school. The next book fair will be May 5-6. They also are planning a Family Movie Night with the date to be determined in April. Committee members are concerned about the future of the elementary school as it relates to the declining budget. They appreciate all the work that is volunteered by the School Board and Borough Assembly.

There was no correspondence.

SUPERINTENDENT'S FORMATIVE EVALUATION

Reviewed the upcoming dates and meeting announcements.

REVIEWED DATES & MTG ANNOUNCEMENTS

Board Member Roundtree said that the Girl Scouts will be selling cookies for two more weeks. She reported that she got her first taste of basketball during the AAU tournament this past weekend and loved it. The Wrangell Girls' A Team took 1st place, and the B Team took 3rd place. Ms. Roundtree also said that the Annual Chamber Dinner will take place on May 6. The theme will be "Toast and Roast." There will be games, entertainment, and a best-dressed contest. She is collecting photos of volunteers for a slideshow.

BOARD MEMBER COMMUNITY ACTIVITY REPORTS

Brittani Robbins added to Ms. Roundtree's announcement and said that the Chamber Dinner will be an outdoor event in front of the Stikine Inn if the weather allows. If the weather is bad, the dinner will move into the Stikine. Seating will be limited so she encouraged everyone to buy tickets as soon as they go on sale.

Angela Allen reminded everyone that a traditional Health Fair will be held on April 1. Blood draws will be offered at the event at a discounted rate. She said a link for more information has been shared on social media.

Esther Ashton said that WCA has hired a domestic violence prevention specialist. They received a grant for \$877,000.00 to fund the position. The person will be contacting the district to see how we can partner in providing support and education. Ms. Ashton also said that the WCA is moving forward with totem carving and are looking for funding to provide art classes so that we can grow our own master carvers. She said she was contacted by the Polynesian Voyage Society. A group of navigators and crew will be originating in Hawaii and traveling 41,000 miles over five years. They plan to stop in Wrangell over the 4th of July for an exchange of cultural traditions. They will be bringing their traditional vessels. WCA is planning a welcome committee and hope to greet them in their own canoes. She will share more information as it becomes available.

President Wilson said that the Curriculum Committee is encouraging everyone to give feedback on the math curriculum available in EES Room 101. He mentioned that the Policy Committee meetings are also going well and encouraged all committee members to attend the meetings. Mr. Wilson also said we had a good work session with the Borough Assembly and thanked those who were in attendance.

ECONOMIC DEVELOPMENT DEPARTMENT REPORT

To: Planning and Zoning Commission;
Economic Development Board; and,
Wrangell Convention and Visitors Bureau

Cc: Borough Manager
Borough Assembly

From: Kate Thomas, Economic Development Director

Date: May 26th, 2023

ECONOMIC DEVELOPMENT

- The next Economic Development Board meeting will be held on Thursday, June 15th, 2023, at 5:30PM in the Assembly Chambers. The Board will recess for the months of July and August, resuming their regular meetings and workshops in September.
- Staff have developed a public survey in conjunction with the Economic Development Board to obtain resident opinions and interests related to the development of the Six-Mile-Deep Water Port site. The survey will be released to the public on June 5th. Preliminary results of the survey will be reviewed by the Board at its June 15th meeting.
- The Economic Development Board held a productive workshop at its May 17th meeting. The workshop provided the Board an opportunity to listen to the insights and experience of Ryan Naylor, a PhD student who has been conducting research on the perceived impacts of tourism. More specifically, Mr. Naylor is exploring 1) how tourism impacts the local culture of the community, 2) how tourism integrates into existing livelihoods, and 3) how the community can manipulate tourism to ensure appropriate forms of community development. He is repeating this process in Ketchikan and Petersburg to understand how differences in cruise tourism volume influence each community and identify community- and region-specific patterns. Mr. Naylor is trying to ensure his research can inform local decision-making and has now returned for a community engagement trip to explore preliminary ideas and explore ways to give back to the community.
- Staff and Board Members have invited Julie Decker of the Alaska Fisheries Development Foundation (AFDF), Inc, to a workshop on June 15th. AFDF is dedicated to identifying opportunities common to the Alaska seafood industry and developing efficient, sustainable outcomes that provide benefits to the economy, environment, and communities. The Economic Development department is interested in learning about potential developments that could take place in Wrangell, creating a niche industry to bolster our fishing economies, while positioning the community to be a leader in the Alaska Mariculture initiative.
- Interdepartmental collaboration is underway with the planning of the Alaska Recreation and Parks Association Conference to be held in Wrangell in September of 2023 and 2024. The Economic Development, Nolan Center and Parks and Recreation departments are working cohesively to plan, organize and facilitate the statewide conference, which falls on the 20 and 21 of September. The conference includes an e-Sports expert as the Keynote Speaker. The speaker will facilitate a workshop for recreation professionals to learn how to facilitate electronic sports activities and competition. A live public event will be held at the Nolan Center. Staff are working to coordinate the event to include students and faculty from Wrangell Public Schools.

- Marketing and Community Development Coordinator, Matt Henson has been working on content creation to build story telling capacity for the Borough as it relates to projects, funding decisions, staff performance, agency stakeholders, partnerships and more. In addition to social media deliverables, staff will publish a Borough wide newsletter every four months. The first newsletter is subject to be released this month.
- After a period of respite due to competing schedules and priorities, the Borough plans to resume monthly partnership meetings with the Wrangell Cooperative Association beginning on June 8th, 2023.
- Staff have been working with high school graduate, Nikolai Siekawitch to create drone footage for the Marine Service Center. Footage will be merged into short and long form video content which will be utilized to promote the available and high caliber services in Wrangell. Footage has also been obtained for the Six-Mile-Deep Port property to promote development potential as the Borough moves to create more industry for the community and region.
- Borough staff met to review Real Estate proposals for Broker Services related to the sale of the (old) Wrangell Medical Center. Once the selection process is finalized all proposing firms will be notified and the next steps in establishing a contract agreement will take place. Management of the real estate contract will fall in the Economic Development Department. Staff will work closely with the Borough Manager and Attorney to ensure a positive and productive process is achieved for all parties.
- Staff are currently working with the State of Alaska Department of Transportation and the Wrangell Golf Club, inc. on the transfer of leased land from the golf club to the Borough. The impetus for this comes from recent developments whereby the golf club was required to undergo property appraisals at their expense and commit to an annual lease agreement which would be cost prohibitive for the golf club to sustain. The golf club has leased and maintained the land since 1995 for an annual fee with the most recent lease agreement set to expire on June 30th, 2023. Given that government to government land use agreements do not require a fee to be exchanged, the Borough is working to assume the prime lease and sub-lease the land back to the golf club. There are mutual economics as it allows the Borough to partner with the golf club for future recreation opportunities.
- Saint Frances Animal Shelter was approved for conditional use specifically to erect and maintain a cat-shelter on the Boroughs impound lot in the industrial yard. With the approval of the Conditional Use permit, the next steps include establishing a lease agreement with the organization to enable them to proceed with site developments. The establishment of the shelter supports the needs of the community and offsets the burden to the Borough of managing feral cats or other animal issues that could arise from a lack of owner accountability and/or poor management.
- Kate Thomas was able to attend the end of the year advisory board meeting in support of the Wrangell Fabrication and Shop class. Wrangell has an extraordinary shop program, which has long since been a model for other communities. Recently, faculty members of other communities have visited Wrangell to learn more about the marine fabrication program within the school district. The department hopes to strengthen relationships with teacher, Winston Davies to continue building community projects, opportunities for students and to promote the unique niche offerings of our district within the trades industries.

TOURISM

- The Travel Wrangell website is currently hosted by Contentful. There are serious limitations on what staff can manipulate and update without technical support from the webhost. Due to the need for staff to be able to make necessary changes independently and in a reasonable timeframe, the website is being

moved to Square space. The new web host will allow for easy access and routine updates. The design format and content mirrors that of the original site. All domain hosts are being consolidated and will be directed to the new site.

- Marketing and Community Development coordinator, Matt Henson, has been working on a re-design project for the street banners that are mounted on the lamp posts along the Front Street corridor. It has been approximately 15 years since the last design efforts took place. The current street banners are aging and due for replacement. With that comes an opportunity to approach new themes and design. There are six different themes including a cultural heritage design that is intended to represent the rich and vibrant culture of the Tlingit people. Staff are currently working with the Wrangell Cooperative Association to gain approval for the cultural heritage themed design.
- The Wrangell Convention and Visitors Bureau approved an expenditure for the department to obtain mobile mapping software with Wander Maps. Wander Maps is a user-friendly mapping software designed for State Parks, Private Destinations, and Destination Marketing Organizations. Their platform allows users to navigate a 3D interactive map on a web browser, as well as access an offline version downloadable through their app. Primarily catering to outdoor recreation and attractions. The map will serve as on-the-ground infrastructure for visitors, while allowing for one central place to find points of interest. Staff are working on an on-boarding plan to ensure proper implementation with outreach to stakeholders who would be listed in the software as a point of interest. Points of interest can be restaurants, accommodations, historical landmarks, parks, cabins, trails and more.
- Staff are planning a community tour for Matt Henson. The purpose is to visit communities that have comparable tourism programs with more advanced practices and systems in place to learn more about the approach and necessary tools Wrangell can deploy to refine its tourism management program and policies. Communities of interest include Sitka, Juneau, Cordova and Haines.
- The Tourism Best Management Practices have been released to the public. Several businesses along Front Street and within the Visitor Industry have signed on to the program. Any business that has taken the step to participate should have a TBMP decal posted in the window at the front entrance of their establishment. Staff will continue to promote and encourage participation in the program. Soon social media highlights will be posted to further community engagement and understanding behind the purpose of the program. To date no negative interactions have been reported.
- The Alaska Travel Industry Association has organized a regional tour with Mile Partnership to obtain video and photo content from each community for media and publications to bolster tourism marketing in Southeast Alaska. A team from Miles Partnership will be in Wrangell on June 15th. Matt Henson has been working with the team to plan out a Wrangell itinerary that allows the crew to capture dynamic content from a variety of offerings unique to our area. Wrangell Public School has been generous enough to allow use of their vehicles. The Wrangell visit will include a tour of the Marine Service Center, harbor boat tour, Petroglyph Beach stop, Mount Dewey hike- followed by a tour up the Stikine River with Alaska Charter and Adventures.

PLANNING AND ZONING

- Planning and Zoning Secretary (staff), Matt Henson completed a backlog of meeting minutes by formatting, printing, and obtaining all necessary signatures for record keeping. All records are published online and in the records book at present.
- Staff have been working with ESRI to plan for the transition to ArcGIS Pro Essentials and ArcGIS Pro Online programs including training for three borough staff including the Economic Development Director, Public Works Director, and the Capital Facilities Director. Training is scheduled for late June

and will take place virtually to achieve greater cost savings. The transition to the new platform will be underway shortly after the training is complete.

- Kate Thomas has responded to a slew of public inquiries related to planning and zoning. Issues that have been addressed include but are not limited to; zoning district restrictions on commercial use, variance permit application, encroachment permit application, preliminary and final plats, land sales, deed of trust, debt payments, right of way access and permissions.
- With support from the exiting department director, staff have written the first draft of the Accessory Dwelling Unit code to go before the Planning and Zoning Commission at the June 8th Meeting. Further review of the Planned Unit Development code will need to take place. To reduce staff time and create efficiencies it is the goal to bring forward the Accessory Dwelling Unit and Planned Unit Development codes at the same time for Attorney review and Assembly approval.

BOROUGH CLERK'S REPORT

SUBMITTED BY: Kim Lane, MMC, Borough Clerk

Upcoming Meetings & Other Informational dates:

Other City Boards/Commissions:

Community Events:

Meetings and Other events of the Borough Assembly:

Please see below for the list of upcoming meetings for the Assembly.

I am traveling this week to Tacoma for the Northwest Clerks Association (NCI) (Professional Development 4). Robbie will act as Clerk for the June 13th Assembly meeting.

This conference will focus on “Critical vs. Creative Thinking: Problem Solving for the Modern Leader”. I am excited to attend this training conference this year. Normally, I would not go to both the IIMC (International Clerk Conference) and the Northwest Clerks Conference however, I did not attend the Alaska Clerk Conference in December. I have attended several of the NCI conferences in the past and they are extremely useful!

Upcoming 2023 Work Sessions (scheduled), Public Hearings (scheduled), Regular Assembly Meetings, and Other Meetings (scheduled)

Date	Time	Purpose
<i>June 13 (no work session scheduled)</i>	6pm	Regular Assembly Meeting (Mill Levy Adoption & Public Hearing for Budget)

<i>December 12 (no work session) scheduled)</i>	6pm	Regular Assembly Meeting

Parliamentary Tid-bits!

Suspension of the rules. Wrangell Municipal Code 3.05.090 states that “The rules of order and the order of business shall be observed in all cases unless temporarily suspended for a special purpose by a two-thirds vote of the authorized membership of the assembly.

When matters are to be taken out of order, or a particular task can be better handled without formal rules in place, this motion can be approved by a two-thirds vote of the group. However, until the rules are restored, only discussion can occur; no decisions can be made. A Second is required, it is not debatable, and it is not amendable.

You can't suspend all of Robert's Rules. There have been cases where a person says, “Let's suspend all of Robert's Rules!” No, no and no again. This cannot be done. The motion Suspend the Rules is not an invitation to ignore the parameters set by your organization and do whatever you want.

Here are a few other examples of when you cannot suspend the rules:

- The assembly wants to take up two motions at once. ***No because - One thing must be considered at a time.***
- The assembly had started their meeting with a quorum, but several people had to leave so the quorum was lost. The assembly voted to suspend the rules and take action anyway. ***No because - Quorum requirements cannot be suspended.***
- ***You can't suspend notice requirements, rules protecting absentees, rule protecting a minority, or rules of decorum.***

When can you suspend the rules? In some situations, it is fine to suspend the rules. A member must be recognized to make this motion, it needs a second, it cannot be debated or amended, and it usually takes a two-thirds vote. The usual form of the motion is that the member moves “to suspend the rules in order to do [whatever action is desired].”

If your assembly has a 30-minute limit for public comment, a member could move to suspend the rules to give 15 minutes more, so citizens who are waiting can speak. If the assembly needs a few minutes to finish up a pending item, it could suspend the rules to extend the meeting.

Another significant use of Suspend the Rules can occur when the person running the meeting refuses to follow Robert's Rules, abuses their power, or acts in an arbitrary manner. The group may temporarily replace the chair, for that meeting only, with another presiding officer expected to act in accord with the will of the assembly.

Okay so in short, there will be little to no instances where Suspension of the Rules will be used. As you read above, this option is used for extending meeting times or time in which persons can be heard however, we do not typically have strict rules for this.

The assembly cannot suspend fundamental parliamentary rules (as also stated above). There are set rules of procedure that cannot be suspended.

Appointments are to be made by the Mayor, with the consent of the Assembly for the following vacancy:

<i>Board/Committee/Commission</i>	<i>Letter of Interest from:</i>
Southeast Alaska Solid Waste Authority	<i>Alex Angerman</i>

Procedure – Mayor: “With the consent of the Assembly, I will appoint _____ to fill the vacancy of Southeast Alaska Solid Waste Authority Alternate Member.”

As per WMC 3.30.090 (C)(3): Appointment – filling Vacancies.

Alternate Directors. Each municipality shall appoint one alternate director to attend and participate in the board of directors' meetings in the event a participating municipality director appointed by that municipality is or will be absent from the meeting. The alternate director, if called to service, shall have the same powers, authority, and duties as the other directors.

- Alex Angerman is the new IGAP Coordinator for the Wrangell Cooperative Association. She has spoken with Tom Wetor, Public Works Director and the Participating Municipality Director for Wrangell and he is in favor of having Ms. Angerman assume the position of Alternate Director.

At present, Kim Wickman is the Alternate Director. Ms. Angerman has replaced Ms. Wickman as IGAP Coordinator.

CITY AND BOROUGH OF WRANGELL

ORGANIZATIONAL CHART

Item a.

General Fund Departments:
Highlighted in green are the Borough's General Fund departments. The General Fund is the primary governmental fund that is used to record all resource inflows and outflows that are not associated with special-purposes funds.

Enterprise Funds & Departments:
Highlighted in yellow are the City & Borough of Wrangell's five enterprise funds, which by Charter are operated in funds separate from the General Fund. Enterprise funds are used to account for "business-type" activities conducted by the Borough. Each enterprise funds' operations are supported by user charges as opposed to non-voluntary exchanges (i.e., taxation). The enterprise funds of the Borough should be self-sustaining.

Special Revenue Funds & Departments:
The Nolan Center and Parks & Recreation are the two special revenue funds of the Borough which maintain staff and are supported by specific revenue sources (i.e., the James and Elsie Nolan Trust and the Permanent Fund). Additionally, the Nolan Center and Parks and Recreation generate supplementary revenues to help support operations. The Nolan Center operates a theater, museum and civic center that generate program revenues. Parks and recreation earns various program revenues through the pool, the Borough's parks, and the community center.

Mission Statement

The City and Borough of Wrangell will maximize opportunities for economic development while retaining an attractive, sustainable, and secure environment ensuring the prosperity of businesses, residents and visitors alike. We are committed to providing quality services in a cost-effective manner through responsible and professional leadership.

Vision Statement

The City and Borough of Wrangell is dedicated to providing a secure and vibrant community environment that fosters recreational, education and economic prosperity while preserving and maintaining neighborhoods and public amenities, generating community pride, and encouraging active citizen participation. It is a community that embraces its rich history and culture.

Code of Ethics

We, the employees of the City and Borough of Wrangell are committed to the highest standards of ethical conduct that reflect:

Accountability: Provide quality services. Deliver results that make a positive difference, be accountable for the decisions we make, and fulfill personal commitments to others. Deploy the public process to ensure engagement from community members and agency partners.

Honesty: Be open and truthful in our relationships with our co-workers and customers. Exercise the utmost care as representative of Wrangell.

Integrity: Hold as confidential all information accepted in trust. Exhibit conduct that inspires public confidence. Seek no favor or personal gain. Avoid conflicts of interest. Avoid improper influence. Make decisions/take actions in the best interest of the community.

BOROUGH MANAGER'S NOTE ON THE ANNUAL BUDGET

The approved Fiscal Year 2024 Budget was adopted on June 27, 2023, through RESOLUTION 06-23-17## . The budget development process included a public hearing held on June 13, 2023, to offer a mode for public input.

The four main sources of funding in our General Fund include State Revenue Sharing, Federal Payment in Lieu of Taxes (PILT), Property Taxes, and Sales Taxes. It continues to be our goal to optimize the use of our General Revenues to maintain and improve infrastructure and services. In the 2023 calendar year we realized that a city-wide assessment for all the properties would need to take place in order to account for the increase in property values over the past few years. This allowed us to correct disparities between like properties while adequately adjusting property assessments to current values. If the Borough had gone with the traditional cycle of only assessing a third of the properties, a third of the population would have been disproportionately affected and would not have provided us the opportunity to account for this with a mill rate adjustment. With recent decreases in oil prices, the condition of the State budget is not as promising as expected. As a result, the State is looking at balancing an increase to the school allotment with a decrease to the permanent fund distribution. There was also limited funding for capital projects in the State budget.

In addition to the five main sources of funding, the CBW makes a significant effort going after grant funding. These efforts have proven beneficial with the current value of ongoing grant money awarded at \$17,372,383 for capital projects and personnel cost reimbursement.

In FY 2023 we made a commitment to address the infrastructure needs of the community that include major projects like the Water Treatment Facility, the Wastewater Treatment Plant, and the Public Safety Building. In addition, our budget accounted for the required routine maintenance and capitalization of our roads, utilities, and buildings. Examples of some of our progress include:

- 1) For Public Works:
 - a) In FY 2023 we completed the design for the Water Treatment Facility and will have the RFP out in June. We worked with our State Representatives and received an additional \$4.1M appropriation that will go towards our Water Treatment plant construction and can also be utilized for the Federal cost match.
 - b) Received \$2.08 million for the upper reservoir bypass project.
 - c) Completed the upper dam stabilization analysis.
 - d) Completed a slope analysis on 3rd street.
- 2) At Wrangell Municipal Light and Power:

- a) Completed an overhaul of Generator 1, Generator 5, and controls upgrade to Generator 5.
- b) Awarded the AMI metering project to replace all the meters and provide new automated meter reading.
- 3) In the Ports & Harbor we conducted:
 - a) Maintenance to the barge ramp float.
 - b) Repaired the Meyers Chuck airplane float and design of the harbor floats.
- 4) Purchased a new columbarium and design for the cemetery expansion.
- 5) At Parks and Recreation:
 - a) Completed the pool lighting project.
 - b) The pool siding project is currently under construction.
 - c) The recreation facility HVAC upgrade is currently under construction.
 - d) The Mt. Dewey Trail expansion is currently under construction.

With the signing of the Infrastructure, Investment, and Jobs Act (IIJA), the City and Borough of Wrangell (CBW) have been actively engaging with the state, federal, and nonprofit agencies that have been tasked with awarding and distributing the funding. Because the IIJA will be distributed over a five-year period, the CBW has focused on planning and designing efforts for our capital projects that will enable us to effectively compete for available funds.

A thorough review of our enterprise funds has been conducted to ensure current rates are keeping up with inflation as well as ensuring that our capitalized costs are being addressed. As a result of that analysis adjustments have been made to our enterprise funds:

- Ports and Harbors: 11.1 percent increase of all rate categories.
- Sanitation: 5.5 percent increase of all rate categories.
- Sewer: 15 percent increase of all rate categories.
- Water: 10 percent increase for all water rates.
- Light and Power: 1 cent increase for all user groups.

From a personnel perspective, we have updated the job description for the maintenance mechanic in Public Works and we have combined the lead and assistant mechanic positions in the Wrangell Municipal Light and Power department to a maintenance and operations position for more flexibility. Additionally, we have budgeted in a Construction Manager and Controller. With respect to temporary labor, we are currently evaluating all of our departments leveraging temporary help to ensure this provides the best value to the public.

The Economic Development Committee and the Planning and Zoning Committee developed preliminary plans for a portion of the entitlement land for the Borough of

Wrangell. We will need to dedicate funding for the surveying of the entitlement land to begin potential sale of identified areas.

Key elements to this year’s budget:

- Property Tax Mill Levy to go from 12.75 mills to 9.75 mills for in-service areas and remain at 4.0 mills for outside service areas.
- Current levels of service will remain the same and/or improve.
- As noted above, we have had increases to Water, Sewer, Harbor, Sanitation and Light and Power rates.

This past year, we completed audits for the past two years, which was a significant effort. We have gone from eight findings to three findings, and if we are able to fill the Controller position, we are on track to zero findings for FY 2024.

I would like to thank the public, staff, and Assembly for their efforts in working through the annual budget process.

Respectfully,

(To sign adopted version)

Jeff Good
Borough Manager

THE BUDGET AND THE BUDGET DEVELOPMENT PROCESS

The budget is the legal authority to obligate public funds. Through the budget process, the Borough Assembly provides direction to Borough Administration as well as provides a financial map for the upcoming fiscal year.

Preparation of the annual budget involves every Borough official and employee. Each Borough professional has the opportunity and responsibility to contribute suggestions for projects and processes that would improve the Borough or use the Borough's resources more efficiently. Budget development can be difficult, complex, and time-consuming, yet in the end, valuable and rewarding.

The result is a collaborative, comprehensive set of plans and policy directives for the management of the Borough's activities and resources for the coming fiscal period and beyond.

The budget provides four functions:

1.) The budget as a policy document

Budget and financial policies provide guidelines for the Borough's elected officials and hired professionals to use in making sound financial decisions. These policies help ensure that the Borough's basic functions are maintained and the Borough Assembly's vision for the community is achieved.

The City and Borough of Wrangell's budget and financial policies are intended to provide a framework for the financial planning and management of the Borough. These policies provide a level of protection for the citizens and their tax dollars by establishing financial practices that are conservative, responsible, accountable, and savings oriented. Most of these policies represent procedures and practices that are already implemented and have worked well for the Borough. These policies express the following goals:

- Preserve financial assets to meet normal operating expenses, planned future obligations and to adjust to changes in the service requirements of the community
- Take advantage of strategic opportunities as they arise
- Operate Wrangell Municipal Light & Power, Port & Harbors, Water, Sewer and Sanitation proprietary funds in a fiscally sound manner
- Maintain existing infrastructure and capital assets in good repair, working order and condition
- Provide insulation from fiscal crisis, revenue fluctuations, general economic disruption, and other contingencies
- Maintain a strong credit rating thus ensuring lower cost financing when needed. A sound credit rating also demonstrates to taxpayers that the Borough is well managed and follows financially sound business practices.

A.) Debt Management

- I. The City will strive toward net operating revenues of an enterprise fund (WML&P, Port and Harbors, Water, Sewer and Sanitation for example) at 1.25 times (or more) the annual debt service requirements (i.e., debt coverage ratio).
- II. Long-term borrowing (both general obligation and revenue) will only be used for capital improvements that cannot be financed from current revenues.
- III. The impact of proposed capital improvements on the operating budget shall be considered when deciding whether such projects are feasible.

B.) Capital Projects

Capital projects, from roads to parks to utilities, are among the core purposes of municipal government. The preservation, maintenance, and eventual replacement of the Borough's capital infrastructure must be a top priority of the Borough. ***In municipal budgeting, there is constant tension between funding operating programs and capital projects. It is vital that neither be ignored and that operating programs do not, over time, crowd out funding for the capital projects that are needed to preserve the City's core infrastructure and carry out essential functions.***

- I. Capital projects that preserve existing infrastructure should take a higher priority over acquiring or constructing new assets. Preservation and/or replacement of capital infrastructure assets should be a high priority in the Borough's annual budgeting and multi-year financial forecasting.
- II. When planning for and financing capital projects and acquisitions, ongoing maintenance and operation of new facilities should be built into the financing plan.
- III. The Borough's capital improvement plans should account for and include future growth. Growth-related capital projects should, when possible, be funded with impact fees, developer contributions, grants, and other outside sources.
- IV. The Borough should depreciate its capital assets according to generally accepted accounting principles (GAAP) and plan for capital replacements accordingly.

C.) Financial Compliance and Reporting

- I. The accounting system will maintain records on a basis consistent with generally accepted accounting standards for local government accounting.
- II. The Borough's financial policies, practices, and reporting will comply with State and Federal regulations and will be subject to an annual audit.
- III. The Borough's Finance Director will provide a quarterly financial report to the Mayor and the Borough Assembly.
- IV. On at least a monthly basis, the Finance Director and Borough Manager will review year-to-date revenues by source and expenditures by department. This monthly review will also include:
 - i. Analysis and explanations of revenue and expenditure trends and projections, including deviations from trends and projections

- ii. Identification of one-time and/or cyclical revenues and expenditures
- iii. Study and examination of economic trends on all levels (local, regional, etc.)

2.) The budget as a financial plan

Financial planning is the most basic aspect of the budget and is a requirement of state law. The budget must be adopted prior to the expenditure of any Borough funds. The budget is the legal authority to expend public monies and controls those expenditures by limiting the amount of the appropriation at either the fund or department level. Revenues and beginning fund balances are estimated to determine resources available in each fund. Borough Assembly expenditure requests, other commitments such as debt service requirements, and desired ending fund balances are balanced against available resources to determine department and fund appropriations.

3.) The budget as an operational guide

The functions and goals of each department and fund are described in the following sections, along with the objectives planned for the upcoming fiscal year to guide performance and meet those goals. The expenditures are then summarized by department, fund and for the Borough as a whole. This process assists in maintaining an understanding of the various operations of the Borough and how they relate to each other and to the attainment of the policy issues and goals of the Borough's Assembly.

4.) The budget as a communication device

The budget provides a unique opportunity to allow and encourage public review of Borough operations. The budget document describes the activities of the Borough, the reason or cause for those activities and future implications. The budget process invites individual citizens to provide direct input to the budget. Citizens are always welcome to discuss problems, desires and opportunities with the Mayor, the Assembly, and staff. These discussions frequently lead to budget objectives.

A.) Basis of the budget

- I. The budget is prepared on the modified accrual basis of accounting. This is substantially the same as the cash basis of accounting with the following significant exceptions: 1. Revenues are recognized when they are "measurable and available" which may be before they are collected; and, 2. Expenditures are recognized when the liability is incurred (i.e. when an item is purchased or a service is performed), rather than when payment is made.
- II. The Annual Comprehensive Financial Report (ACFR) of the Borough is prepared on the same basis for the governmental fund types (the general fund, special revenue funds and debt service funds). The budget can be compared to the operating reports in the ACFR for these funds.
- III. The enterprise or proprietary funds are also budgeted on a modified accrual basis, but report on the accrual basis in the annual report. Therefore, the budget

for these funds is not directly comparable to the annual report. The primary differences of the accrual basis are:

- i. Revenues are recognized when earned
- ii. Collection of assessment principal is recognized as a reduction in receivables rather than as revenue
- iii. Depreciation of capital assets is recognized as an expense
- iv. Acquisition of capital assets is recognized as an increase in assets rather than as an expenditure
- v. Payment of debt principal is recognized as a decrease in liabilities rather than as an expenditure.

- IV. While these differences may be confusing, the basis for budgeting is consistent with state law and is practical both for preparing and managing the budget. The basis for reporting is consistent with generally accepted accounting principles (GAAP) and facilitates the management of the enterprise funds as self-supporting business-like entities.

Significant Accounting & Budgeting Policies:

Accounting for the financial activities of the City and Borough of Wrangell is performed in accordance with Governmental Accounting and Financial Reporting Standards, as promulgated by the Governmental Accounting Standards Board (GASB), and applicable Federal and State of Alaska guidelines.

Significant Accounting Policies:

Specific accounting policies having an impact on this budget include the following:

- **Depreciation** - Depreciation is recorded on the straight-line basis for all fixed assets and useful lives used to calculate depreciation expenses conform, as much as possible, to industry standards.
- **Inventories** - Inventories of WML&P maintenance equipment and Nolan Center gift shop goods are accounted for under the periodic method on a first in - first out (FIFO) basis. Inventories of maintenance supplies and materials are expensed when consumed.
- **Bad Debt Expense** - Bad debt expense is accounted for under the indirect (i.e., balance sheet) method. The general fund and each of the five enterprise funds are exposed to bad debts.
- **Investments in Debt Securities** - All investments in debt securities are considered to be held until maturity and are carried at historical cost. Investments are marked to market on an annual basis separate from the accounting system and market value is reported to management monthly. Premiums and discounts on the purchase of debt securities are amortized on the effective interest methods.
- **Allocation of Investment income** - On an annual basis, all interest and investment income will be allocated to all eligible funds. An eligible fund for purposes of defining the investment income allocation process shall be any fund with a cash balance held in the central treasury. The Nolan Center and Parks and Recreation special revenue funds will be excluded from any allocation of investment income as they are primarily funded by the General Fund. Any restricted or standalone cash invested shall be allocated only to that specific fund. For example, the Permanent Fund is a special revenue fund with a restricted purpose and that investment income shall be retained by the fund year-over-year. Additionally, any certificate of deposit restricted in nature (e.g., Barnes Totem Trust) will have interest recorded directly to that asset in its designated fund (i.e., marked to market adjustment)
- **Compensated Employee Absences** - Compensated employee absences (annual leave) is expensed as accrued.
- **Grants** - Grants from state, federal and nonprofit organizations are accounted for as revenue to the appropriate fund (normally a Capital Project Fund).
- **Capital Projects** - Any capital project in excess of \$25,000 must be easily identifiable in the budget in a separate line item. Capital projects in excess of \$100,000 are normally accounted for in a Capital Project Fund (e.g., Water CIP Fund). If such projects are funded through grants, donations, or revenue generated by the project, such revenues are accounted for directly under the Capital Project Fund. If a project is funded through the

transfer of equity from the General Fund or an Enterprise Fund, the transfer is budgeted as a *Transfer-In* under the Capital Project Fund and a *Transfer-Out* under the General Fund or Enterprise Fund. All proprietary fund capital projects are closed back to the parent fund through adjusting journal entries. Uncompleted projects are shown as construction in progress and grant revenue for capital construction is accounted for as grant revenue.

- **Fixed Assets** - For accounting purposes the minimum level for fixed assets is set at \$5,000 while infrastructure is set at \$10,000.

Significant Budgeting Policies:

Specific budgeting policies having an impact on this budget include the following:

- **Presenting a Balanced Budget** - Per section 5-3 of the Borough’s Charter, the “borough manager shall prepare and submit to the assembly a proposed budget for the next fiscal year, which shall contain detailed estimates of anticipated revenues (including surplus) and proposed expenditure for the year. The total of such proposed expenditures shall not exceed the total of such anticipated revenues”. The Borough maintains a liberal interpretation of the Charter allowing for a “balanced budget” to mean that operational expenditures shall not exceed anticipated operating revenues. This interpretation means that if the Borough Assembly would like to spend down or designate a portion of the unrestricted fund balance of a fund and appropriate it to a capital project, such an appropriation would not be considered when evaluating whether the budget is balanced. A balanced budget should only be considered from an operating perspective. If fund balance is spent down to accommodate capital projects, it should be communicated to those in charge of governance in the budget work session prior to budget adoption and the change in fund balance shall be disclosed in the summary of funds within the budget.
- **Operating and Capital Budgets** - Authorized expenditures for all funds are divided into separate and distinct capital and operating budgets. Capital budgets include authorized expenditures for acquisitions of fixed assets, minor construction projects, acquisitions of and improvements to land, and direct transfers of equity to capital project funds and other funds (in particular, internal service funds). All other authorized expenditures are contained within operating budgets.
- **Lapsing of Appropriations and Reappropriations of Capital Expenditures** - All unencumbered operating budget appropriations lapse at the end of the fiscal year (June 30th). Capital expenditures do not lapse; however, for internal management purposes, capital appropriations are also assumed to lapse at the end of the fiscal year. Capital expenditures which carry forward to future years are reappropriated and are clearly shown as such in the budget. Amounts shown are estimates only. Actual remaining appropriations are reappropriated.
- **Internal Budget Redistributions** - The Borough Manager has the authority to redistribute appropriations between accounts within specific departments of the General Fund and within Enterprise Funds. Authorized expenditures may not be redistributed between operating and capital budgets. Redistributions between certain departments of the General Fund, between different funds or between operating and capital budgets of the same fund, must be approved by the City and Borough of Wrangell Assembly.

- **Revenues** - For budgeting purposes, revenues for proprietary funds are assumed to be received in cash although, under accrual accounting rules, some revenues are recorded prior to the actual receipt of cash. These revenues include interest receivable, amortizations of discounts on investment securities, and utility fees billed but not yet received. The effect of these non-cash revenues is not considered to be significant enough to be material.
- **General Fund Balance Policy** - It shall be an internal finance policy that the unrestricted fund balance for the general fund should be held at no less than six months of operating expenses. In the event that the General Fund's unrestricted fund balance falls below this threshold, the Finance Director will notify the Borough Manager and host a work session of the Assembly to informally adopt a strategy to get the General Fund back to a sufficient fund balance.
- **Sales Tax Revenue Allocation Policy** - Per Ordinance 1023 of the City and Borough of Wrangell, the Borough shall allocate eighty (80) percent of sales tax revenue to the General Fund (undesignated) and twenty (20) percent to the Wrangell Public School District Local Contribution Fund for funding of operations and school maintenance. The full 20 percent is not meant to necessarily be sent to the WPSD in full year-over-year. A portion of the sales tax allocation should be saved and invested to address unforeseen liabilities and ensure the school remains fiscally sustainable for years to come. The local contribution to the school district is voted on via the Borough Assembly within 30 days of the WPSD Budget being passed.
- **Annual Borough Wide Fee and Rate Schedule Review** - Effective during the FY 2024 budget development process, the Finance Director shall meet with the Borough Assembly no less than annually before the annual budget is passed to review all enterprise fund rates and fees.
- **National Forest Receipts/Secure Rural Schools (SRS) Funds** - National Forest Receipts received from the USDA-Forest Service are issued to compensate for Forest Service land that would otherwise be charged property tax within the Borough's jurisdiction. Ninety-seven percent of the land within the City and Borough of Wrangell's municipal boundaries is part of the Tongass National Forest and owned by the Forest Service. Consistent with AS 14.17.410, this funding is eligible for contributions to the Wrangell Public School District. The funds can also be used to address road and school maintenance. SRS Funds are to be recorded and tracked separately in the SRS Special Revenue Fund.
- **Interfund Lending** - Per Ordinance 1019 of the City and Borough of Wrangell, Interfund lending is permissible, however should be infrequent in nature and follow the provisions in section 5.14 of the Wrangell Municipal Code.
- **911 Surcharge Revenue** - Effective FY 2023, all 911 surcharge revenue received from wireless and wired telephone providers shall be recorded in its own special revenue fund and restricted to 911 system maintenance and upgrades.
- **Transient Tax** - Pursuant to Section 5.06.060 of the Wrangell Municipal code, the proceeds from transient tax shall be used only to develop and implement a visitor industry program.
- **Employee Travel** - Travel by Borough employees including the Assembly will be approved during the budget process. Any unplanned travel will need Manager approval prior to the travel date.

Budget Assumptions:

Specific budgeting assumptions having an impact on this budget include the following:

○ **Sales Tax Revenue**

Since FY 2017, sale tax revenue has increased year-over-year. From FY 2020 to FY 2023, sales tax figures increased at an average growth rate of 5.63 percent year over year. FY 2023 sale tax revenue is projected to be \$3,750,000. Sales tax revenue for FY 2024 based on FY 2023 and the historical growth rate would be estimated at \$3,961,262. Conditions impacting the Wrangell economy can be summed up to the following points:

- 1) The economic outlook in the short term remains uncertain for Wrangell. The Federal Reserve’s monetary policy and consistent rate hikes have created ambiguity around whether the broader economy will face a “hard” or “soft” landing. Lending rates have increased dramatically, which in effect will reduce consumer spending.
- 2) The rate of inflation has shown signs of easing through the monetary policy implemented by the Federal Reserve. In June of 2022, Urban Alaska CPI soared to 12.4 percent y/y. Most recently, the April 2023 CPI report has shown year-over-year inflation at 3.1 percent. Most of the increase in sales tax revenue seen over the past few fiscal periods was primarily attributable to inflation as opposed to increases in underlying consumer activity.
- 3) Pre-pandemic tourism levels have been restored and should support higher spending at shops, stores, and charter companies.
- 4) The fishing industry has faced strong headwinds in the current fiscal year. The Southeast Trollers are in legal jeopardy of having their King Salmon season shut down which could have a dramatic impact on consumer spending in the Marine Service Center (impacting user revenues and sales tax). This already among uncertainty in harvest projections and speculation of low fish prices for the other fisheries have contributed to a lower sales tax forecast.

With the above points in mind, the Borough is estimating sales tax revenue to be in the range of \$3,500,000 and \$3,961,262. \$3,500,000 would be a 6.67 percent decrease from FY 2023 levels. With the heightened economic uncertainty, the Borough feels this a conservative revenue benchmark. Sales tax revenue will therefore be allocated as follows:

General Fund (80% Allocation)	\$2,800,000
WPSD Local Contribution Fund (20% Allocation)	\$700,000
Total	\$3,500,000

○ **Enterprise Fund User Revenues** - On March 28th, 2023, the Borough Assembly approved the following rate increases:

- **WML&P Fund** - \$.01/kwH across all tiers
- **Water Fund** - 10 percent increase across all rates w/ immaterial exceptions

- **Port & Harbors Fund** - 11.1 percent increase across all rates w/ immaterial exceptions
- **Sewer Fund** - 15 percent increase across all rates w/ immaterial exceptions
- **Sanitation Fund** - 5.5 percent increase across all rates with immaterial exceptions

Each of the primary user revenues assume that consumption (i.e., underlying activity) will be no less than 2.5% percent of the FY 2023 estimates. Generally, to forecast the FY 2024 enterprise fund revenues, the FY 2023 estimated value was multiplied by the adopted rate increase less 2.5% percent for a possible reduction in demand for products and services offered by the Borough's enterprise funds.

- **Insurance Assumptions:** As the renewal process timeline parallels the budget cycle, insurance figures must be projected until finalized in June. Assumptions over insurance by type are as follows. The projected insurance total for liability, property and other coverage types (excluding health) are allocated on a prorated basis using the prior year's premiums by fund and department:
 - **Health Coverage:** Through conversations with our insurance brokers, the Borough is expected to get a rate pass in FY 2024, meaning the Borough's health insurance premiums are estimated to stay the same compared to the prior year. The Borough is also enrolling in Premera Blue Cross's Optiflex program which could allow for increased savings if the sum of premiums paid is less than claims paid out to employees. Conservatively, the Borough estimates premiums to remain the same.
 - **Property:** Property insurance premiums are expected to increase fifteen percent year-over-year. All police and fire vehicles have comprehensive liability insurance while the remainder of Borough vehicles have liability insurance with exceptions of high dollar mobile equipment.
 - **Liability Coverage:** Per conversations with insurance professionals at Petersburg-Wrangell Insurance and APEI, liability coverage costs are expected to increase by ten percent.
- **Fuel Costs:** Administration is estimating that the average fuel cost will be 6 percent higher compared to the prior year. This is a conservative assumption given that the April 2023 CPI report for Urban Alaska demonstrated a 3.1 percent year-over-year increase. The Borough is confident that two times CPI is enough of a range to accurately predict fuel costs for FY 2024. The assumption is that the political climate in the energy sector will remain the same.
- **Credit Card Convenience Fee:** The credit card merchant fees will be passed onto the card user when a customer is paying any taxes (property or sales tax) with a credit card. This will not apply to utility or moorage credit card payments which are absorbed by rates.
- **Personnel Additions:** The FY 2024 Budget includes four new positions and three that are budgeted but were unfilled in FY 2023. The new positions are as follows: Borough Controller, Construction Manager, and Marketing and Community Development Coordinator, and P&R Custodian/Light Maintenance. The net impact to the Borough for the four new positions is projected to be \$407,281 for Salaries and Employer Costs combined. A police officer position, additional water/sewer operator, and a harbor maintenance and security position

are three additional unfilled but budgeted positions. These positions, if filled, have a \$318,404 impact to the Borough.

Finance Director Comments

- 1) All balances above are unaudited and are subject to change as a result of FY22 year-end audit adjustments
- 2) Enterprise Fund Net Position is shown net of investment in capital assets to underscore the balance that is unrestricted
- 3) Fund Balance or Net Position does not = cash. Fund Balance or Net Position net of investment in capital assets is the accumulated retained earnings since the beginning of the fund. It can also be thought as working capital for purposes of budgeting and modeling.

GENERAL FUND

PURPOSE STATEMENT:

The General Fund was established to account for the revenue and expenditures necessary to carry out basic governmental activities of the City and Borough of Wrangell such as fire and police protection, public works activities, streets and capital facilities maintenance, planning & zoning, library, museum, education, finance, administrative services, and other like activities. Appropriations are made from the General Fund annually.

Major funding sources of the General Fund are property taxes, sales taxes (eighty percent of all sales tax collected), state revenue sharing, federal payment in lieu of taxes, interest income, jail funding from the State of Alaska, Permanent Fund distributions, court leasing, and other miscellaneous revenues.

GENERAL FUND CAPITAL PROJECTS FUNDING ALLOCATION

COMPARISON OF GENERAL FUND CAPITAL PROJECTS BY FISCAL YEAR

GENERAL FUND: ADMINISTRATION DEPARTMENT

PURPOSE:

The Administration Department is responsible for directing and coordinating the activities of the City departments. This includes carrying out Council policies, directing day-to-day operations and communications, both internally and externally.

KEY ACCOMPLISHMENTS:

- Through direct lobbying with our local Senator and Representative, received \$4.1M towards the Water Treatment Plant that can be used as a cost share for the federal funding.
- Through direct lobbying with Senator Murkowski, Senator Sullivan, and Representative Peltola, was able to get wording to legislation that enabled us to qualify for \$1.2M in ARPA LATCF funding
- Through direct lobbying with our local Senator and Representative, received \$4.1M towards the Water Treatment Plant that can be used as a cost share for the federal funding.
- Conduct regular meetings with community stakeholders, and state, federal, tribal and non-profit organizations.
- Continued driving core infrastructure projects needed by the Wrangell Community.

LEVEL OF SERVICE AND BUDGET IMPACT:

The FY 2024 budget sufficiently funds the Administration Department.

DEPARTMENT GOALS:

- To leverage relationships with lobbyists as well as government officials to achieve more funding for our infrastructure.
- To provide housing solutions to the community of Wrangell
- To enhance existing industry and attract new businesses to set-up shop in Wrangell.

TRENDS AND FUTURE CHALLENGES:

- Personnel retention and recruitment.
- Inflation of goods and services needed to conduct operations.
- IJJA funds have clogged the market for engineering and contractor services that has slowed the pace of infrastructure capitalization.

GENERAL FUND: CLERK & ASSEMBLY DEPARTMENT

PURPOSE:

The Borough Clerk’s office aims to provide centralized services including, but not limited to records management, public information, and agenda management and assists Borough Staff, the Borough Assembly, and the citizens of Wrangell.

KEY ACCOMPLISHMENTS:

- Began the process with Laserfiche Records Management systems to completely digitize recent past, present, and future projects, Ordinances, Resolutions and Minutes.
- Continue to assist Department Heads with our Municode Meetings Agenda Management System.
- Completed the annual records destruction.
- Successfully held the 2022 Annual Borough Election.
- Worked with Staff (when necessary) to draft Ordinances.
- Maintained Registered Parliamentarian status.

LEVEL OF SERVICE & BUDGET IMPACT:

Budgeted resources are adequate to maintain the current level of service. Increases in the FY2024 budget are due to fees related to necessary services.

GOALS & NEW INTIATIVES:

- Complete the Laserfiche Records Management setup process.
- Continue to centralize public records using Laserfiche.
- Purchase and implement a Cemetery module offered through our new Caselle Accounting System.
- Utilizing the Laserfiche System to maintain the Records repository.
- Onboard pertinent Department Supervisors to utilize the Laserfiche System.
- Continuing Parliamentary education to become a Professional Registered Parliamentarian.
- Prepare for the 2023 Regular Borough Election.
- Submit intent to continue holding the Communication Director for the Alaska Association of Municipal Clerks role.

TRENDS AND FUTURE CHALLENGES:

- Onboarding the Laserfiche Records Management will be challenging because the current files metadata will need to be modified. Once this process has been completed, inputting, and maintaining records through the disposition flow should be a lot easier.

GENERAL FUND: FINANCE DEPARTMENT

PURPOSE:

To ensure the Borough's financial stability and maximize the use of its financial resources, while maintaining the highest level of public trust.

KEY ACCOMPLISHMENTS:

- Overhauled the FY 2023 budget structure and format to allow for it to be a useful tool for all financial users. This initiative was in concurrence with implementation of a new CIP fund structure to account for capital projects for government and business type activities.
- Executed the financial directives of the latest collective bargaining agreement, including conversion from monthly payroll processing to biweekly.
- Reduced audit findings from eight to three with an action plan to have zero findings in FY 2024.
- Formulated and executed a long-term investment plan for the Borough allowing for the strategic preservation of yield to help secure resources and gain investment income for future projects and operations.
- Performed the annual rate review by financially modeling all funds to address future CAPEX and become as self-sustaining as possible in the long-term.
- Established the Finance Committee where monthly meetings were held and several policy contributions were made, including: interfund lending policy, rate review methodology, and investment code revisions.
- Successfully implemented GASB-87
- Began conversion into the new accounting ERP - Caselle.
- Increased oversight of property and sales tax delinquencies and enhanced collectability of those revenue streams.
- Issued 2023 Series I GO Bonds to address deferred maintenance of the HS & MS.

LEVEL OF SERVICE AND BUDGET IMPACT:

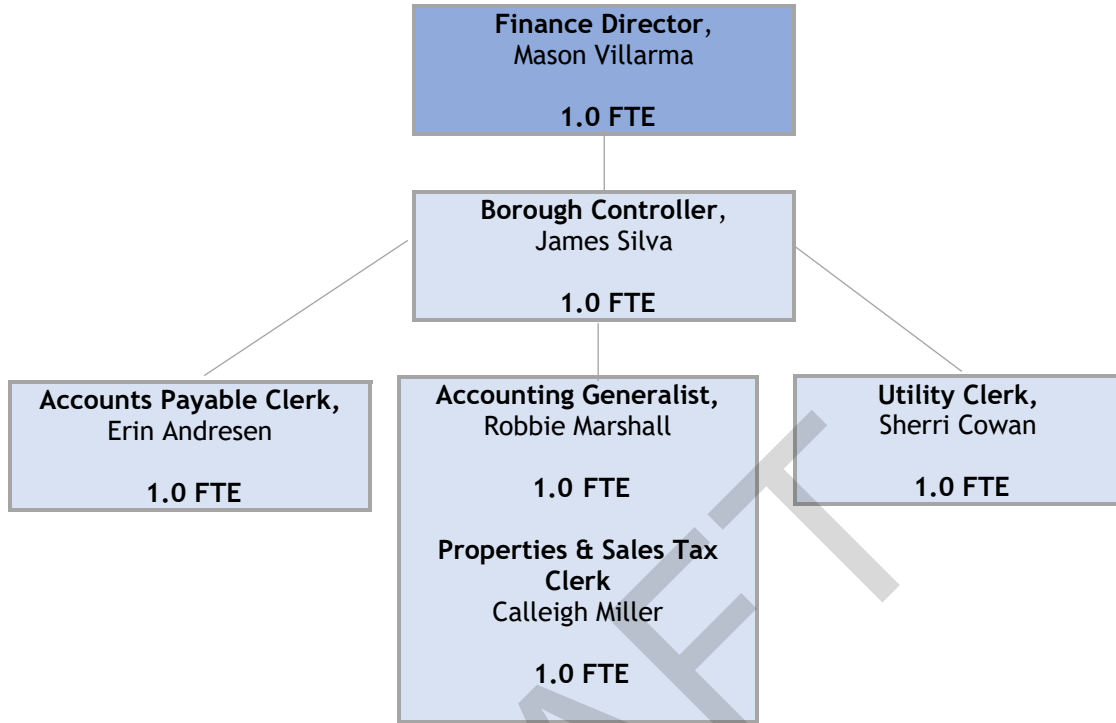

The FY 2024 budget sufficiently funds operations to meet the goals of the Finance Department.

GOALS AND NEW INITIATIVES:

- Prepare a Budget worthy of the Government Finance Officers Association (GFOA) recognition, the Distinguished Budget Presentation Award.
- Train with external auditors to bring financial statement drafting in-house to save cost and time during the audit.
- To have a clean audit by FY 2024.
- To successfully implement the Caselle accounting software by fiscal year-end.
- To have two staff members receive their CPA licensure by FY 2025 and one staff member receive their human resources training certificate.
- Work with the Capital Facilities Director and Economic Development Director to continue to formulate a strategic grant management pipeline that satisfies reporting and compliance requirements.
- Continue to develop funding packages for capital projects that are in the best interest of the Borough and the Citizens of Wrangell.

GENERAL FUND: FIRE DEPARTMENT

PURPOSE:

The mission of the Fire Department is to provide the highest level of preservation of life and property at a reasonable cost, opportunity for growth and achievement for department members, and education and service to the public.

KEY ACCOMPLISHMENTS:

- Recertified 6 EMT 1's and 10 EMT 2's
- Celebrated 50 years of service for Assistant Chief Terry Bunes, 49 years of service Fire Chief Tim Bunes and 35 years for Captain John Taylor, (All still active within the department).
- Conducted tri-annual mutual aid, community Mass Casualty Drill with DOT.
- Participated with SEARHC for a small-scale Mass Casualty Drill.
- Community relations: conducted 4th of July fireworks display for the community.

LEVEL OF SERVICE AND BUDGET IMPACT:

The current proposed FY2024 budget allows the department to remain status quo. Attention will need to be on the travel and training portion of the budget to ensure volunteers are provided appropriate training for the duties they fulfill, to meet NFPA standards, State of Alaska, and ISO requirements.

DEPARTMENT GOALS:

- Increase public education to our culturally diverse community while focusing on children, the elderly, and seasonal public safety issues.
 - To increase number of public presentations RE: Fire Prevention and Safety
- Continue to actively seek grant opportunities to offset equipment purchases.
 - Replace aging apparatus
 - Upgrade handheld power tools
- Offer up to date training by bringing instructors into Wrangell to maximize the benefits to the department.
- Review and update our Standard Operating Procedures, (ongoing).
- Implement Training Records/ Learning Management System
 - System purchased and implemented 2021-22 (Migration to the system in its entirety, still in progress).

TRENDS AND FUTURE CHALLENGES:

- Address recruitment and retention issues plaguing all volunteer organizations.
- Secure funding as costs increase exponentially for fire suppression apparatus.

PERSONNEL:

The department is currently staffed with one full-time Fire/Medic Trainer, one part-time Fire Chief, and 25 volunteer Fire and EMS providers. All may respond to any call for assistance, as we operate as an on call as available basis.

The department's run volume has remained consistent for Fire responses, averaging 35-40 calls and EMS runs varying between 280-380.

The department also responds to requests for Search and Rescue in and around Wrangell Borough. The Search and Rescue requests also vary between 15-20 calls annually.

FY 2022: 1.5 FTE

FY 2023: 1.5 FTE

FY 2024: 1.5 FTE

DRAFT

GENERAL FUND: POLICE & DISPATCH DEPARTMENTS

PURPOSE:

To protect lives and property in our community and to maintain public order. To respect and protect the rights of all people fairly, impartially, and with concern and compassion.

KEY ACCOMPLISHMENTS:

- Hiring and on boarding of two new Officers and their completion of the Fairbanks Training Academy.
- Implemented body worn cameras and Narcan programs.
- Maintained participation in SEACAD program.
- Officers attended the Yearly In-service program with Juneau Police Department.
- Achieved greater jail contract funding from the State of Alaska to enhance our community jail and public safety building overall.

LEVEL OF SERVICE AND BUDGET IMPACT:

Budgeted resources are adequate to maintain the current level of service. The clerical position in the police department has had to devote most of their time to operating the Department of Motor Vehicle as the part time position has been unfilled. Sworn staffing levels have continued to struggle to cover assigned shifts due to the department being down two Officers which are currently being replaced.

DEPARTMENT GOALS:

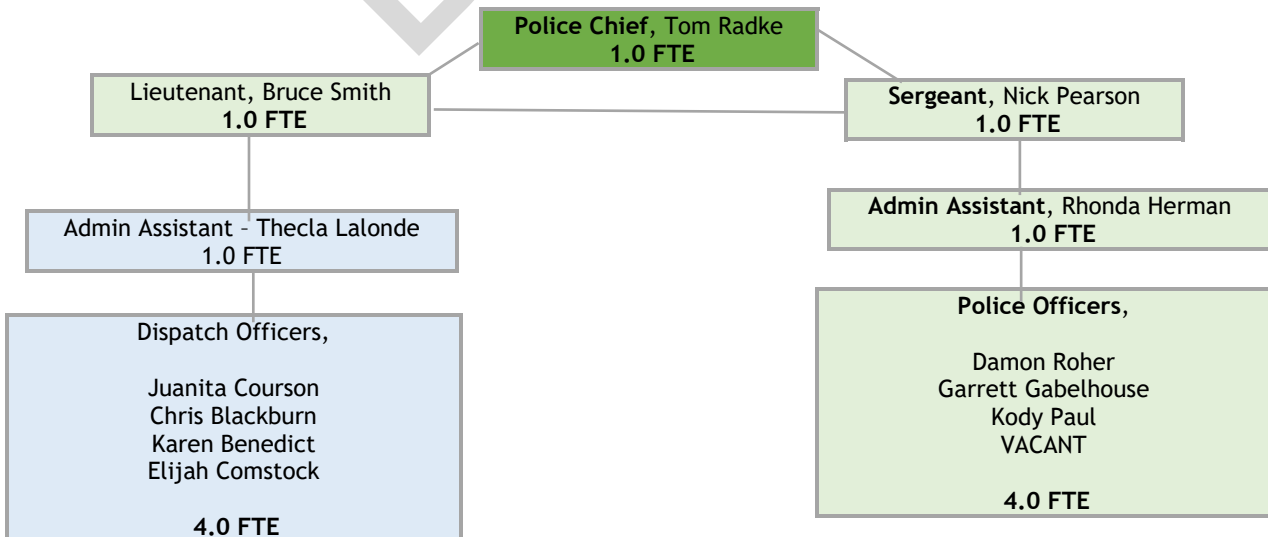

- To have the Department fully staffed.
- Conduct agency wide training on de-escalation training.
- Complete a review and destruction of old police records.
- Surplus items from the property room.

TRENDS AND FUTURE CHALLENGES:

- Code Enforcement complaints are growing and becoming more time-consuming.
- Mental health calls for service have increased and are becoming more complex.
- The Public Safety Building needs a major remodeling and updating.

GENERAL FUND: PUBLIC WORKS, STREETS, GARAGE & CEMETERY DEPARTMENTS

PURPOSE:

To provide the residents, businesses, and visitors of the Borough with high-quality, efficient, and responsive general government services, including utility support, cemetery management and road, property and building maintenance.

KEY ACCOMPLISHMENTS:

- Maintained a fully staffed department.
- Performed numerous road repairs and patches to get by until a comprehensive road project is achievable.
- Performed various safety and professional training courses, enhancing staff’s development and skill set.
- Installed and prepared the downtown bathroom area prior to the tour season.
- Plowed streets efficiently and effectively.
- Onboarded a new assistant mechanic in the city shop to aid in equipment.
- Columbarium installed at sunset gardens cemetery with phase I expansion design complete.

LEVEL OF SERVICE AND BUDGET IMPACT:

Budgeted resources are adequate to maintain the current level of service. The budgeted vacuum truck is critical to minimizing risk and continuing operations effectively.

DEPARTMENT GOALS:

- To have the Department fully staffed.
- Continue providing professional development opportunities to enhance workplace safety and skill in each of the sub departments.
- To help formulate a comprehensive road capital project plan from the perspective of using in-house labor to address underground infrastructure in concurrence with a project.
- Recapitalize the vehicle fleet and surplus items no longer needed.

TRENDS AND FUTURE CHALLENGES:

- Addressing underground collection and distribution infrastructure.
- Catching up with deferred maintenance of roads.
- Optimizing the use of current capital equipment before incurring maintenance expenses that outweigh the cost of asset replacement.

GENERAL FUND: CAPITAL FACILITIES DEPARTMENT

PURPOSE:

The mission of the Capital Facilities Department is one of multiple facets.

- The mission of the Building Official division is to provide quality service that safeguards life, health, property, and public welfare by regulating the construction of all buildings/structures within the Borough. The department is responsible for the administration of building codes.
- The mission of the Facilities Maintenance division is to provide quality maintenance and repair, to Borough-owned buildings with a commitment to ensuring safe, reliable, and sustainable facilities for employees, residents, businesses, and visitors of the Borough.
- The Capital Improvement Program (CIP) for Capital Projects division provides a planned schedule of public improvements, outlining present and future priorities which enhance the life, health, safety, and welfare of the residents of Wrangell. A capital improvement project is defined as any expenditure for buildings, infrastructure, land acquisition, plan, or project in which the cost exceeds \$25,000 and the estimated useful life is greater than one year.

KEY ACCOMPLISHMENTS:

- The Building Official division issued sixteen (16) building permits to date during this fiscal year.
- The Facilities Maintenance division relied on one full time maintenance staff with responsibility for nineteen (19) buildings (not including pavilions and stand-alone bathrooms for Parks and Harbors) that have a combined area of 172,000+ square feet. Our department is responsible for activities relating to the maintenance, repairs, equipment operation, construction, and improvements for the Borough's buildings. Our department continues to ensure that the buildings meet federal, state, and local requirements, for life and safety inspections and permits related to boilers, hot water heaters, pressure vessels, fire alarms, fire sprinklers, backflow devices, and elevator maintenance and testing. The addition of a second maintenance staff has significantly improved maintenance accomplishments over the past one month.
- The Capital Improvement Program (CIP) for Capital Projects division saw the completion of ten (10) capital projects during this fiscal year. Another seventeen (17) projects are in the final stages of the planning and design phase nearing the construction phase before the end of the FY2023, and another twelve (12) projects will continue into the FY2024 fiscal year through the design and construction phases.

LEVEL OF SERVICE AND BUDGET IMPACT:

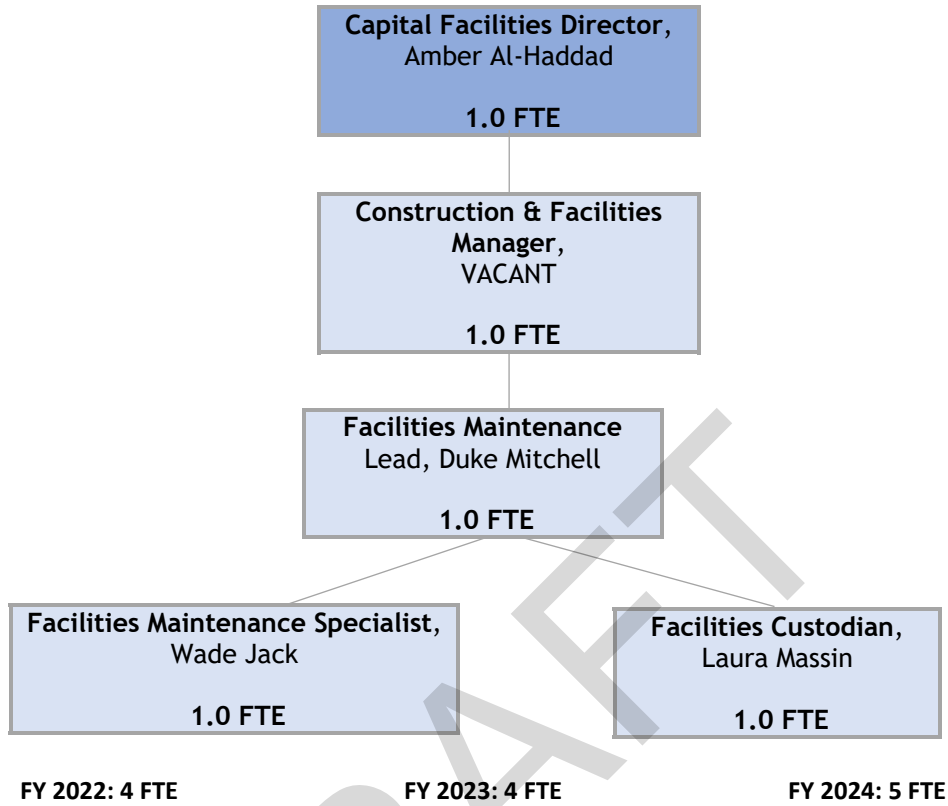

The FY2024 budget presented maintains department funding for wages and operating expenditures similar to FY23, with the exception of an increase to travel and training for building official training and additional travel as needed for pursuit of infrastructure funding and development.

GOALS AND NEW INITIATIVES:

Work with the Finance Director to build out multi-year CIP capital projects and major maintenance budgets, and continue to pursue grant-funded programs for priority projects.

- Continue to address facility preventive maintenance needs and priority deficiencies while defining lifecycle needs as a portfolio-wide capital improvement funding strategy which will provide the intelligence needed to plan and budget for the "keep-up costs" for our facilities.
- Update the building codes to align with State of Alaska standards. Obtain adequate training for building officials based on newly adopted codes.

GENERAL FUND: ECONOMIC DEVELOPMENT DEPARTMENT & CSO

PURPOSE:

Economic Development works to create a healthy, diversified economy with a stable tax base that supports good streets, public facilities, and infrastructure, and will preserve and capitalize

on its natural beauty, history, and cultural diversity. New industries are welcomed that create a diverse economic base while existing industries and small businesses shall be supported to remain strong and viable.

Planning and Zoning seeks to build a sustainable and vibrant community; facilitate public engagement; assist in strategic community, organizational and land use planning; and develop policies to support the goals and objectives of the Borough for the promotion of the interest, health, safety, comfort, convenience and welfare of the borough.

KEY ACCOMPLISHMENTS:

- Six-Mile-Deep Water Port Town Hall and Public Survey
- Approval and onboarding of the Marketing and Community Development Coordinator Position
- Established department, staff and board workplans
- Received award of the Thriving Communities Grant
- Established zones and code for the Alder Top Village Subdivision

LEVEL OF SERVICE AND BUDGET IMPACT:

Budgeted resources are adequate to meet the current level of service. Increased funds were requested to build the Borough's marketing and community development plans. To address larger projects, such as professional services to update the Boroughs Comprehensive Plan and Zoning Code and Community Addressing, additional funding will need to be secured.

GOALS AND NEW INITIATIVES:

- Encourage business development in order to diversify the economy so that Wrangell is not dependent on a single employer or industry
- Support and promote infrastructure development that enables economic growth
- Support our education system and opportunities
- Maintain communication with existing businesses and community
- Support increased transportation access to Wrangell

TRENDS AND FUTURE ISSUES:

Wrangell's economic trends and investment projects require a stable workforce and viable funding sources to combat the following challenges:

- Increased cost of goods and transportation
- Available state and federal money
- Increased infrastructure costs
- Several years of critical project construction
- Worker shortages ongoing, aging workforce and outmigration of residents

- Childcare availability
- Increased travel and tourism
- Oil price and revenue uncertainty
- Reduced funding for education

PERFORMANCE METRICS:

- To ensure community engagement and communication is successful, the department will establish a schedule for creative and educational content to be published in various media outlets. This includes storytelling through various media outlets to educate and inform the public on department functions, project construction, employee spotlights and partnership recognition.
- To ensure the Borough is strengthening agency partnerships, the department will engage stakeholder groups in planning development through private and public meetings, focus groups and general information sharing. Partners include but are not limited to, the Wrangell Cooperative Association, USFS Wrangell Ranger District, Chamber of Commerce, Wrangell Public Schools and other Borough Departments.
- To promote business and infrastructure development, the department will establish a long-range plan for the Six-Mile-Deep Water Port development with an intentional public engagement process. Another key component for diversification includes creating actionable steps to update the Boroughs Comprehensive Plan.

PERSONNEL:

- Kate Thomas, Economic Development Director (FTE)
- Matt Henson, Marketing and Community Development Coordinator (FTE)
 - The department’s coordinator position was approved in January 2023. The position was filled in March. Previously there was only one employee in the Economic Development department.

GENERAL FUND: LIBRARY DEPARTMENT

PURPOSE:

The primary mission of the Irene Ingle Public Library is to develop, maintain, and facilitate the use of and collection of books and other materials responsive to the diverse and constantly changing informational needs.

KEY ACCOMPLISHMENTS:

In FY 2023 the library was successful in achieving the following goals:

- Replacement of the library’s 4 public computers with an IMLS grant
- Completed an inventory of the library’s entire collection
- Replacement of the library’s carpet
- Transitioned back to in person toddler story time
- Successfully hosted the very popular Summer Reading Program

LEVEL OF SERVICE AND BUDGET IMPACT:

While the library has been able to operate at full capacity with fewer staff than in previous years, this has had a negative impact on the number of programs it can offer to the community. However, despite the challenges of being short-staffed, the library has continued to provide high-quality services to its patrons. This reflects the library’s commitment to serving the community of Wrangell and making sure that everyone has access to the resources they need. It’s also a reminder of the importance of libraries in our society and the incredible value they provide to our communities.

GOALS AND NEW INITIATIVES:

The library as among its goals for the upcoming year:

- Replace damaged front door hardware
- Complete painting of Library exterior
- Complete digitization of the Wrangell Sentinel from 1957 to present
- Expand teen and adult programming

TRENDS AND FUTURE ISSUES:

In a survey conducted in November 2022, the community of Wrangell indicated a desire to have the library open several mornings per week, and to increase the programming options available to both adults and children.

PERFORMANCE METRICS:

The library’s performance is measured by yearly monitoring of annual attendance, program attendance, public computer and Wi-Fi usage, the library collection totals, and circulation totals of both library and electronic materials. This data is collected both through the library’s automation system, and the manual counting of patrons and program participants. This data is compared to data from previous years to provide valuable insights into the trends and changes in the library’s performance and processes over time. This allows library staff to identify areas of improvement or decline, track progress toward goals, and make informed decisions.

SPECIAL REVENUE FUNDS

PURPOSE STATEMENT:

Governmental Accounting Standards Board (GASB) Statement 54 outlines the use of a special revenue fund by the government to resolve any ambiguities between a special revenue fund and other funds. GASB Statement 54 states that government entities should use special revenue funds to account for certain revenues from specific sources whose use is restricted to specific activities other than serving debts or capital projects.

The City and Borough of Wrangell has established several special revenue funds over time. The revenues are restricted to their original purpose, and any purpose amended by the Assembly thereafter.

Note: While subsidized by the General Fund, the Nolan Center and Parks and Recreation are deemed special revenue type funds as they each have dependency on investments that are restricted for their use only. The Nolan Center has the James & Elsie Nolan Trust and Parks, and Recreation has principal invested in the Permanent Fund. Investment income is material for both funds and therefore they are not considered General Fund departments in this budget or on the Annual Comprehensive Financial Report (ACFR).

The following are the City and Borough of Wrangell’s Special Revenue Funds:

SPECIAL REVENUE FUNDS PRESENTED

- | | |
|---------------------------|------------------------------|
| Borough Organization Fund | 911 Surcharge Revenue Fund |
| Permanent Fund | Nolan Center Fund |
| Sales Tax Fund | Parks & Recreation Fund |
| Secure Rural Schools | WPSD Local Contribution Fund |
| Transient Tax Fund | Marian Glenz Fund |
| Birdfest Fund | Economic Recovery Fund |

SPECIAL REVENUE FUND *Fund Descriptions*

- ④ **BOROUGH ORGANIZATION FUND** ***FUND #11110***
This fund will account for the one-time revenues received from the State of Alaska to transition into a borough and will also account for those expenditures that it takes to make that transition.

- ④ **911 SURCHARGE FUND** ***FUND #11130***
This fund houses all revenue earned from 911 surcharge revenue received from wireline and wireless telephone providers for support of an enhanced 911 system. The funds are limited to improving 911 system support in the Borough.

- ④ **PERMANENT FUND** ***FUND #20000***
The Permanent Fund was established after a vote of the citizens that directed the Borough to put aside five million dollars of the Economic Recovery Funds for the purpose of establishing a trust to assist in funding the General Fund. Since inception, the Permanent Fund has continued to reinvest the majority of its investment earnings. The Borough's long-term investment plan is to continue to build the Permanent Fund so sustainably higher investment income can be disbursed to the General Fund and capital projects.

- ④ **NOLAN CENTER FUND** ***FUND #21xxx***
This fund accounts for the revenues and expenditures for running the Nolan Center and its three departments: the museum, the civic center, and the theater.

- ④ **SALES TAX FUND** ***FUND #22000***
This fund accounts for sales tax revenue, which as of the third quarter of FY 2022 will be allocated eighty percent to the General Fund and twenty percent to the WPSD Local Contribution Fund.

- ④ **PARKS & RECREATION FUND** ***FUND #24xxx***
This fund accounts for the operations and maintenance of Borough parks, the community swimming pool, and the recreation center. Funded by General Fund contributions, user fees, and interest income from a one-million-dollar endowment.

- ④ **SECURE SCHOOLS FUND** ***FUND #25xxx***
This fund is established to provide for the receipt and subsequent use of National Forest Receipt monies for roads and education. In recent history, the SRS funds provided by the USDA-Forest Service have served as the majority or the entirety of the Borough's local contribution to the Wrangell Public School District.

- WRANGELL PUBLIC SCHOOL DISTRICT LOCAL CONTRIBUTION FUND** **FUND #26000**
Developed in the third quarter of FY 2022, the Wrangell Public School District (WPSD) Local Contribution fund houses twenty percent of gross sales tax revenues. This fund is in conformity with ordinance 1023, which adopts a new methodology of allocating sales tax. The funds can be used as the Borough’s local contribution to schools or to address school facility maintenance.
- TRANSIENT TAX FUND** **FUND #28000**
This fund accounts for transient occupancy tax revenue, which is used to develop and implement a visitor industry program.
- COMMERCIAL PASSENGER VESSEL (CPV) FUND** **FUND #28010**
This fund accounts for Borough funds received from the State of Alaska commercial passenger vessel (CPV) tax and to ensure that expenditures of funds from that tax are only expended for authorized purposes. Authorized purposes include those purposes which are linked to the impacts of the commercial passenger vessels and the passengers who are subject to the tax.
- MARIEN GLENZ FUND** **FUND #28020**
In FY 2018, Marian Glenz donated \$50,000 as part of her estate to the City and Borough of Wrangell’s Convention & Visitors Bureau. The donation is accounted for specifically in the Marian Glenz fund that is exclusively for the promotion of Wrangell.
- BIRDFEST FUND** **FUND #28030**
The Birdfest Fund special revenue fund was created to record all USDA-Forest Service grant revenues and expenditures related to promoting and hosting the Stikine River Bird Festival.
- ECONOMIC RECOVERY FUND** **FUND #53000**
This fund accounts for the direct payments made to the City by the U.S. Department of Agriculture for the purpose of economic assistance. Included in the budget is a comprehensive accounting of all revenues and all expenditures since inception.

SPECIAL REVENUE FUNDS: NOLAN CENTER

PURPOSE:

The Nolan Center and Wrangell Museum continues to record and represent the history, heritage and people of Wrangell for the purposes of educating and informing the community and summer visitors. We also aim to provide a meeting place and venue for the people of Wrangell and other visitors to use for hosting events of any size, providing culture, entertainment, socialization, and education for the citizens of Wrangell. The Nolan Center continues to fulfill its dual mission of historical preservation and access along with its functions as the civic center of Wrangell.

KEY ACCOMPLISHMENTS:

With the COVID-19 pandemic ending, the 2022/2023 season brought visitors back! Sales of merchandise and day passes to the museum were well above previous years, signaling an end to the downturn of summertime tourists. Concurrently, the Nolan Center has aimed to exit pandemic-inhibited operations and return to full-time staffing with frequent public events.

In September 2022, the Nolan Center hosted the Southeast Alaska Native clan conference, Sharing Our Knowledge. Hundreds of visitors from around the state came to Wrangell to attend the four-day-long event featuring speakers, academic lecturers, storytellers, dancers, and more. During this conference, master carver and craftsman Steve Brown performed restoration work on the Khichadi clan's Frog Hat, a valued heirloom currently on loaned display in the museum.

The museum remains committed to preserving and displaying the history of the peoples of Wrangell, with regularly rotating displays in the lobby showcasing various aspects of the town's history. Of note is our current display of various pieces of work by local carver William "Bill" Churchill, loaned to the museum by his daughter.

The Nolan Center has also brought back the performing arts, hosting a production of the classic musical *The Sound of Music* in December of 2022. While much of the work was performed by volunteers (and of course the actors), we were proud to host the show for two sold out performances. Next month, the troupe will perform a production of *Annie*, which will hopefully be a similar success.

The Nolan Center intends to increase the tempo with which we host smaller-scale events planned and executed by the staff of the center. Recently, an anime convention was organized by Nolan Center Coordinator, Michael Bahleda. Among the attractions were group crafts and hobbies as well as the showing of several films. This event attracted over seventy paying customers at \$10 an entrance, demonstrating high demand for further events of this type.

LEVEL OF SERVICE AND BUDGET IMPACT:

The Nolan Center can operate at its current level of service given our current budgeted resources. Three staff members are sufficient to operate the facility with a wide range of hours to accommodate events at any time without incurring undue overtime expenses.

We continue to seek external revenue sources for projects outside of regular operations, particularly museum upgrades or capital improvements. Grants are our foremost source of this revenue: the museum has recently secured a Tier 1 capital improvement grant from the Rasmussen Foundation to help pay for audio/visual exhibit upgrades.

In the coming months a few other grant opportunities will become available, particularly the Alaska State Museum’s Grant-in-Aid program and round two of the MA Collections Management Fund, both of which will provide opportunities to possibly expand the museum’s array of display cases. Larger federal grants will be pursued in our continuing effort to construct a shelter for the M/V Chugach.

GOALS AND NEW INITIATIVES:

The museum currently has one large-scale collection concern, that being the M/V Chugach. Securing funding to begin construction of the planned shelter is a top priority, both to preserve it from damage and to open the boat to visitors. The Chugach project will likely be the focus of grant applications to programs with larger awards or matching-fund requirements.

TRENDS AND FUTURE ISSUES:

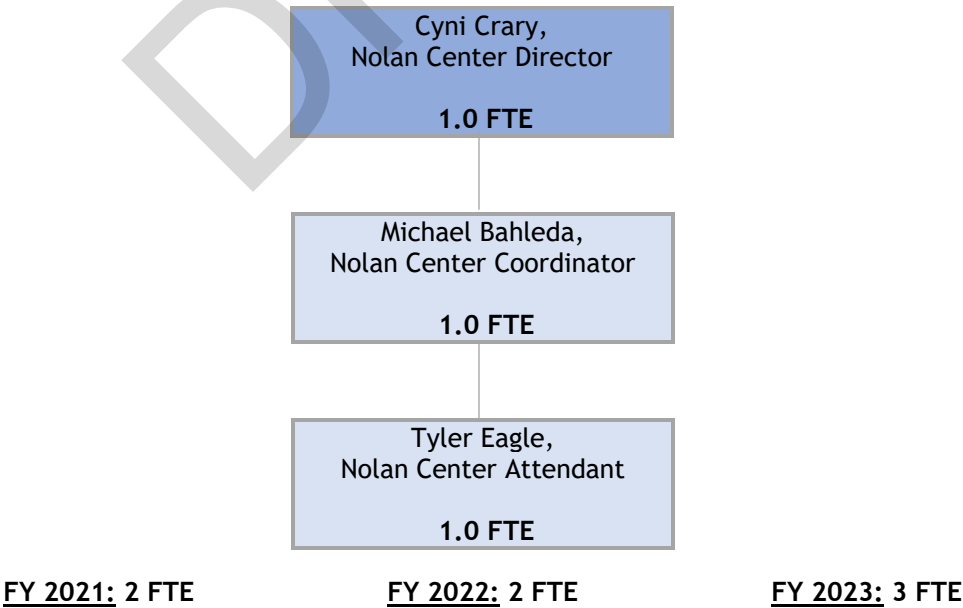

We are actively working with our Capital Facilities team on a few major projects, including fixing a roof leak and settling damage to our outer storage building. We are also replacing our theater curtains and shades in the civic center.

The addition of the new tourism coordinator position also opens new options. A possible project would be the installation of permanent museum advertisements around town to ensure all visitors are aware of the Nolan Center and museum.

PERFORMANCE METRICS:

- Number of scheduled events organized by Nolan Center staff, and revenue brought in from those events.
- Grants and external funding opportunities applied for and/or awarded.
- Number of independent visitors brought in outside of orchestrated tours.

SPECIAL REVENUE FUND: PARKS & RECREATION

PURPOSE:

To support active and healthy lifestyles by providing a variety of quality programs, activities, facilities, and parks.

KEY ACCOMPLISHMENTS:

- Approved strategic plan, creating a guideline for operations, and establishing overall goals
- Community Collaborations Clean-Up: development, planning and facilitation
- Facilitated the Jr. Lifeguard training program, working with Wrangell Public School District
- Weight room equipment update: rogue racks, plate weights dumbbells and barbells
- Increased community volunteerism, bolstering community program options
- Boosted community center programming, activities and regular hours, increasing access
- Improved branding, logo and social media presence, improving visibility
- New director and recreation & aquatics coordinator
- Developed, coordinated and facilitated two MUSIC IN THE PARKS events
- Undergoing: HVAC system replacement
- Surplus system improvements, developed to reduce excess storage, increase usable space and maintain a safe, clutter free environment

LEVEL OF SERVICE AND BUDGET IMPACT:

- Reduced temporary wages in FY 24 will potentially limit programming and activities
- Adding a full-time parks position will ensure park & facility maintenance goals are met
- Grant funding will help offset budget shortfalls, securing future programming

GOALS AND NEW INITIATIVES:

- Hire a full-time parks maintenance employee
- Explore grant funding opportunities for increased recreation & aquatics programming
- Increase community access to recreation programming and activities by expanding volunteer program
- Improve collaborative efforts within the CBW, and amongst community agencies & organizations
- Develop a volunteer program to enhance programming, increase activities and create social connection opportunities for all ages
- Create an in-house surplus system, reducing storage, improving facility access, safety and aesthetics
- Redesign employee training program, increasing efficiency, improving patron & employee safety, boosting staff morale, competency and confidence
- Bolster aquatics programming by collaborating with local swim club

TRENDS AND FUTURE ISSUES:

- High employee turn-over rate increases operating costs and strain on management

GL ACCT DESCRIPTION

- 4922 **TRANSFER FROM SALES TAX** - THE ALLOCATION OF 20% OF GROSS SALES TAX PER SECTION 5.08.070 OF THE WRANGELL MUNICIPAL CODE
- 7825 **CONTRIBUTION TO WPS-** THE AMOUNT THE BOROUGH CONTRIBUTES TO THE WRANGELL PUBLIC SCHOOL DISTRICT FOR OPERATIONS

SPECIAL REVENUE FUND: TRANSIENT TAX

PURPOSE:

To increase a healthy mix of independent travelers, cruise ship passengers, business travelers and destination visitors to Wrangell, while maintaining the small-town quality of life for residents.

KEY ACCOMPLISHMENTS:

- Collaborated with Borough Departments to develop a new bathroom site downtown.
- Completed and approved the Tourism Best Management Practices.
- Partnered with Parks and Recreation to promote stewardship through the Community Collaborations event.
- Began first steps of implementing the Travel Wrangell brand into socials and printed media.
- Collaborated with the Wrangell Sentinel to craft the 2023 Wrangell Travel Guide.

LEVEL OF SERVICE AND BUDGET IMPACT:

An increased funding package has been requested to build Wrangell's digital marketing plan and modernize systems, enabling staff to meet the goals and objectives set by the departments workplan.

GOALS AND NEW INITIATIVES:

- Build an online presence to reflect the Travel Wrangell brand and encourage more foot passengers.
- Increase community and stakeholder engagement to ensure industry growth in a manner that is economically, socially and environmentally sustainable.
- Launch the Tourism Best Management Practices and manage relationships with participants in an intentional and routine manner.
- Increase digital marketing promotions and advertisements through the efforts of the coordinator position.
- Develop an industry strategic plan that can be used as a catalyst for community economic growth.

TRENDS AND FUTURE ISSUES:

Statewide trends are showing that Alaska's tourism industry is stable and on the trajectory of growth following the pandemic. Local trends in travel and tourism are very promising. Sufficient and sustainable services, excursions and amenities are critical to the vitality of the industry.

- Tourism is the second largest employer in the state of Alaska
- Air travel passenger traffic is up from 2021
- Local growth in available beds to support independent travelers
- Wrangell's tourism industry is stable following the pandemic
- State investment in Outdoor Recreation Plans

- Federal investment in the Alaska Marine Highway System
- Local need to enhance hospitality services and excursions to sufficiently serve visitors

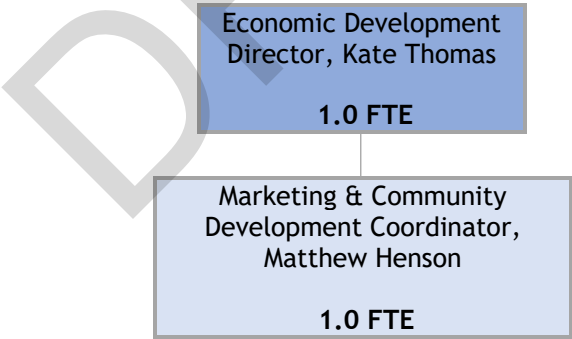

PERFORMANCE METRICS:

- To ensure a successful Tourism Management program, the department will track participation, deploy regular communication with stakeholders and seek end of the season feedback to drive improvements for the following year.
- To ensure growth in non-cruise related travel to Wrangell, the department staff will build its digital media presence and monitor travel data trends drawn from mobile application services and google analytics.
- To ensure a strategic plan is developed specific to the industry, the department will work with regional Destination Marketing Organizations to better understand how other communities are combating the challenges typical of industry growth.

PERSONNEL

- Kate Thomas, Economic Development Director (FTE)
- Matt Henson, Marketing and Community Development Coordinator (FTE)
 - The department’s coordinator position was approved in January 2023. The position was filled in March. Previously there was only one employee in the Economic Development department.
- *Same staff as Economic Development

SPECIAL REVENUE FUND: COMMERCIAL PASSENGER VESSEL (CPV) FUND

PURPOSE:

Commercial Passenger Vessel (CPV) Excise Tax funds are received annually from the State of Alaska's Department of Revenue. The CPV excise tax was formally adopted by the state in December of 2006. The tax is imposed on passengers traveling on commercial passenger vessels providing overnight accommodations that anchor or moor on the state's marine waters with the intent to allow passengers to embark or disembark. The tax is only imposed on voyages in excess of 72 hours in State of Alaska waters. The current rate of CPV excise tax is \$34.50 for each passenger and the total tax is distributed to municipalities based the Department of Revenue's formula for allocation.

KEY ACCOMPLISHMENTS:

- Engaged Cruise agencies in the Tourism Best Management Practices program.
- Developed additional downtown amenities to support the visitor industry.
- Coordinated pre and post season meetings with Charter operators.

LEVEL OF SERVICE AND BUDGET IMPACT:

Budgeted resources are adequate to meet the current level of service. Capital funds from the CPV account have been earmarked to address maintenance needs of Petroglyph Beach viewing platform. The cultural site is a popular attraction for visitors and critical to operator operations and excursions.

GOALS AND NEW INITIATIVES:

- Support local business expansion to meet the demands of increased cruise ship port calls.
- Ensure all visiting cruise agencies are participants of the Wrangell Tourism Best Management Practices.
- Increase community and stakeholder engagement to ensure industry growth in a manner that is economically, socially and environmentally sustainable.

TRENDS AND FUTURE ISSUES:

- Increase in mid to large ship port calls.
- Cruise passengers are predicted to account for 90% of Wrangell's overall visitor population.
- Need to enhance local hospitality services and excursions to sufficiently serve visitors.

PERFORMANCE METRICS:

- To ensure a successful Tourism Management program, department staff will track participation, deploy regular communication with stakeholders and seek end of the season feedback to drive improvements for the following year.
- To ensure sustainable growth in the cruise sector of the travel industry, staff will develop long range strategic plans to support Wrangell’s authenticity and visitor thresholds.

PERSONNEL:

- Kate Thomas, Economic Development Director (FTE)
- Matt Henson, Marketing and Community Development Coordinator (FTE)
 - The department’s coordinator position was approved in January 2023. The position was filled in March. Previously there was only one employee in the Economic Development department.
- *Same staff as Economic Development

CONSTRUCTION FUNDS SUMMARY

OVERVIEW:

The City and Borough of Wrangell has a specific methodology for tracking and accounting for capital projects. All governmental and enterprise funds maintain their own sub-CIP fund that is consolidated at fiscal year-end. This helps identify the true activity taking place in each fund.

Aside from this structure, there are two standalone construction funds that serve a specific purpose - the Residential Construction Fund and the Industrial Construction Fund.

PURPOSE:

- **RESIDENTIAL CONSTRUCTION FUND-** The Residential Construction Fund (RCF) was established on January 14th, 1992, by Resolution 01-92-420. The fund was designed to be a revolving fund for the development for residential lands. The revenues derived from the sale of residential lots is to be put into this dedicated fund for the purpose of providing seed money for upcoming residential development.
- **INDUSTRIAL CONSTRUCTION FUND-** The Industrial Construction Fund (ICF) was established on December 10, 1991 by Resolution 12-91-418. The fund was designed to be a revolving fund for the development of industrial lands. The revenues derived from the sale of industrial lots are to be put into this dedicated fund for the purpose of providing seed money for the next industrial development.

MAJOR PROJECTS IN FY 2024:

- Alder Top (former Institute Property) Phase I Project - RCF
- 5th & 6th Avenue Road Construction - ICF
- 6-Mile Mill Site Phase I ESA - ICF
- Wilcox Environmental Assessment - ICF

DEBT SERVICE FUND SUMMARY

OVERVIEW:

Debt in a governmental entity is an effective financial management tool. Active debt management provides fiscal advantages to the City and Borough of Wrangell and its citizens. Debt can serve several different purposes.

- It is useful in matching costs to benefits of public assets.
- As an economic development tool, it allows governments to build and acquire assets that would not otherwise be able to be built or acquired. It provides for all residents, current and future, to participate in the funding of a shared asset such as a park or street.
- Debt eliminates the need for governments to build up large reserve balances to build or acquire assets.

In other words, debt is not something that should be avoided or eliminated. Rather, debt is something that should be used and managed effectively. Debt can be mismanaged, however. Overuse of debt places a burden on the financial resources of the Borough and its taxpayers. Thus, it is important to create policies and follow practices to ensure debt is used wisely. Debt management is a critical component of the City and Borough of Wrangell financial operations. The Borough takes an active role in managing its debt. This is done through a variety of means including: debt management policies, bond ratings, comprehensive planning for future bond issues, and management of existing and proposed debt levels, and legal debt margins, and debt service payments. This section of the budget provides an analysis of each of these factors.

OUTSTANDING GOVERNMENTAL DEBT:

2023 SERIES I GENERAL OBLIGATION BONDS - \$3,500,000 - The City and Borough of Wrangell issued general obligation bond debt in the amount of \$3,500,000 in February 2023. Proceeds from the bond will be leveraged as matching dollars for the successful Department of Education and Early Child Development (DEED) CIP major maintenance grant. The combined funds will be used to replace the external shell of the High School and Middle School while also addressing structural components. If the pursuit of the DEED CIP major maintenance grant fails, the Borough will reduce the scope of work commensurate to \$3,500,000.

ENTERPRISE FUNDS

PURPOSE STATEMENT:

Enterprise funds capture the business-like activities within the City and Borough of Wrangell. An enterprise fund is a separate accounting and financial reporting mechanism for which revenues and expenditures are segregated into a fund with financial statements separate from all other governmental activities. An enterprise fund identifies the total direct and indirect costs to provide the service and the sources and amounts of revenues that support the service for which a fee is charged in exchange for service. Enterprise funds should be as self-sustaining as possible and user fees and rates should absorb operational expenses and capital outlay.

The City and Borough of Wrangell has four major enterprise funds and one non-major enterprise fund:

- 70000 - Wrangell Municipal Light & Power Fund**
- 72000 - Water Fund**
- 74000 - Port & Harbors Fund**
- 76000 - Sewer/Wastewater Fund**
- 78000 - Sanitation Fund**

All enterprise funds have CIP sub-funds that house all capital project activity related to that fund. They maintain a separate reserve balance from the operating fund. The annual budget reflects both the operating and the CIP budgets for each enterprise fund. Consolidating both the operating and CIP funds, forms the consolidated enterprise fund which is reported on the City and Borough of Wrangell's Annual Comprehensive Financial Report (ACFR).

ENTERPRISE FUNDS: WRANGELL MUNICIPAL LIGHT & POWER

PURPOSE:

WML&P's mission is to safely deliver reliable and affordable electrical power to the residents and businesses of the City and Borough of Wrangell.

KEY ACCOMPLISHMENTS:

- Unit #5 Center Section Rebuild - Complete
- Unit #5 Controls System Upgrade - Complete
- EMD Generator Baseline Inspection(s) - Complete
- Purchase 3 each, 3-Megawatt Transformers
- AMI Metering Bids

LEVEL OF SERVICE AND BUDGET IMPACT:

- WML&P has been able to maintain a high level of Service to the Community of Wrangell; however, inflation and supply-chain issues have had a detrimental impact on the FY23 Budget. This has affected several budget line items, particularly our Generation - Equipment Repair line item.
- Stand-by Time

GOALS AND NEW INITIATIVES:

- Implementation of a new AMI Metering System
- Expansion of Capacity: Move from an 8-Megawatt System to a 12-Megawatt System
- Disposition of one or more of WML&P's spare generator(s)

TRENDS AND FUTURE ISSUES:

- Advent of a new Metering System
- Advent of a new accounting software - Cassel
- Inventory Challenges

PERFORMANCE METRICS:

- AMI - Establish a timeline for implementation once contract is awarded.
- Expansion of Capacity - Establish a timeline for installation of new Transformers once Transformer delivery dates are published.
- Select one generator over the other one by July 1. Work to dispose of the unit not selected by August 1

DRAFT

ENTERPRISE FUNDS: WATER FUND

PURPOSE:

The Water Department provides potable water in compliance with all state and federal regulations and ensures the system is operated economically and provides reliable service to the residents of Wrangell.

KEY ACCOMPLISHMENTS:

- The Water Department assisted the Capital Facilities Director in finishing the planning and designing phase of the Water Treatment Plant project.
- Maintained compliance with all state and federal regulatory requirements.
- Performed numerous repairs to the water distribution system.
- Expanded the plan for a phase I metering project.

LEVEL OF SERVICE AND BUDGET IMPACT:

While further financial assistance from State and Federal agencies will be required to address the deferred maintenance of the collection, treatment and distribution systems, the FY 2024 budget provides sufficient resources to achieve the goals of the department.

GOALS AND NEW INITIATIVES:

- To adequately staff the Water Department in anticipation of the new water treatment plant facility being constructed as well as prepare for retiring personnel.
- Increase personnel coverage of operations on weekends.
- New navigate and assist the Capital Facilities department in preparing for and executing the water treatment plant project.

TRENDS AND FUTURE ISSUES:

- Increased State and Federal quality standards
- Overburdened engineering firms has slowed water projects in the planning phase I
- A plan for underground infrastructure overhauls and maintenance in conjunction with material road projects must be coordinated.

PERFORMANCE METRICS:

- In FY 2024, the Water Department will track end users, the amount of commercial meters installed, and status of the Water Treatment Plant construction.

ENTERPRISE FUNDS: PORTS & HARBORS

PURPOSE:

The Harbor Department's mission is to promote safe and efficient vessel moorage and to manage and develop the Ports and Harbors of Wrangell to stimulate economic growth for the development of Wrangell, while also enhancing the quality of life in the community of Wrangell.

KEY ACCOMPLISHMENTS:

- Wrangell Ports accommodated over 75 cruise ships.
- The Marine Service Center serviced almost 300 vessels from 24' to 106' in length.
- Completed Ports T-Dock above and below water piling and dock condition assessment.
- Completed automated payment system for Harbor cranes.
- Meyers Chuck Design Started/Complete early 2024.
- Port Security camera project design complete.

LEVEL OF SERVICE AND BUDGET IMPACT:

Budgeted resources are adequate to meet the current level of service.

GOALS AND NEW INITIATIVES:

The Wrangell Ports and Harbors has among its goals for fiscal year 2024.

- Complete Meyers Chuck harbor dock replacement if state passes grant funding.
- Finish port security camera project.
- Implement auto pay options for our customers.
- Complete anode protection project for Heritage Harbor, Concrete Tee Dock and Marine Service Center Pier.
- Continue Derelict vessel disposal.

TRENDS AND FUTURE ISSUES:

- Continuing to see higher demand for transient moorage.
- Need for creating more 30' and 40' boat stalls.
- Continued growth in cruise ship industry and tourism.
- The need to relocate the barge ramp and barge companies to a less congested space.

PERFORMANCE METRICS:

- Timeframe milestones: Track progress towards the Harbor goals by setting clear timelines and milestones for each project.
- Budget tracking: Measure progress in terms of the budget/cost of each project and ensure that they are staying within their allocated amount.
- Completion percentage: Measure the percentage completion of each project, which can help the team stay focused and motivated to reach the finish line.
- Customer awareness and satisfaction: Letting harbor customers know about the auto-pay options signals progress towards completion and reduces customer-handling of invoices. Gathering feedback from customers (on the customer options for instance) can help measure progress and effectiveness.

ENTERPRISE FUNDS: SEWER/WASTEWATER FUND

PURPOSE:

The Sewer Department provides wastewater handling in compliance with all State and Federal regulations and ensures the system is operated economically and provides reliable service to the residents of Wrangell.

KEY ACCOMPLISHMENTS:

- Assisted in launching design work for the wastewater treatment plant second phase of disinfection to be required by the EPA.
- Performed numerous repairs to the sewer collection system and lift stations.
- Professionally developed personnel by participating in several safety trainings.
- Adequately adjusted rates to address future capital needs.

LEVEL OF SERVICE AND BUDGET IMPACT:

While further financial assistance from State and Federal agencies will be required to address the deferred maintenance of the collection and treatment systems, the FY 2024 budget provides sufficient resources to achieve the goals of the department.

GOALS AND NEW INITIATIVES:

- To adequately staff the Sewer Department in anticipation of retiring personnel.
- Continue to plan and prepare for implementation of disinfection treatment stage at the Wastewater Treatment Plant.
- Continue to conduct smoke testing to reduce flows and better maintain the collection system.

TRENDS AND FUTURE ISSUES:

- Increased State and Federal quality standards.
- Overburdened engineering firms have slowed sewer projects in the planning phase.
- A plan for underground infrastructure overhauls and maintenance in conjunction with material road projects must be coordinated.

PERFORMANCE METRICS:

- In FY 2024, the Sewer Department will track users and progress towards a revitalized wastewater treatment system that will satisfy upcoming federal mandates.

ENTERPRISE FUNDS: SANITATION FUND

PURPOSE:

The purpose of the Sanitation Department is to provide quality collection services of garbage, solid waste, and brush disposal to Wrangell residents with a professional, courteous, and efficient staff.

KEY ACCOMPLISHMENTS:

- Operations have been adjusted to maximize bailer efficiency with current transfer station layout.
- Funding provided by unrestricted reserves and the Denali Commission has allowed the Borough to continue planning and design of the transfer station loading dock.
- Successfully onboarded a new employee at the solid waste transfer station expanding operating hours for Wrangell residents.
- Procured a new garbage truck and placed it into serve at no cost to users as a result of the Finance Department achieving funding through the Department of Community, Commerce and Economic Development’s (DCCED) Local Government Lost Revenue Grant (LGLR Grant).

LEVEL OF SERVICE AND BUDGET IMPACT:

The current budget adequately supports the Sanitation Funds operations.

GOALS AND NEW INITIATIVES:

- Begin construction of SWTS loading dock in FY 2024.
- Prepare for using a scale at the SWTS facility.
- Find a tire shredder solution to reduce the tire burden at the sanitation facility.
- Replace oldest garbage truck in fleet by the end of FY 2025.

TRENDS AND FUTURE ISSUES:

- Overburdened engineering firms have slowed project development.
- Retrofitting bailer to the new loading dock design.
- Solutions for citizens desiring less/more pick-up frequency.
- Increased cost of waste shipment and disposal.

PERFORMANCE METRICS:

- In FY 2024, the Sanitation Department will track users and progress towards a new loading dock facility and other capital equipment necessary to continue operations.

PUBLIC HEARING

The City and Borough of Wrangell conducts this public hearing to inform residents of program performance on the following project.

Community Development Block Grant (CDBG) project #20-CDBG-CV2 Recreation Center HVAC and DDC Upgrades

Members of the public are encouraged to participate in the in-person hearing to solicit public input on the achievements of the project. If you are unable to attend the meeting, written comments on any aspect of the above referenced project are invited and should be addressed to: Amber Al-Haddad, Capital Facilities Director, PO Box 531, 1064 Case Avenue, Wrangell, Alaska, or to the following email address aal-haddad@wrangell.com. The office is open 8 a.m. - 4:30 p.m. weekdays.

Overview of the Project and Program Performance

The City and Borough of Wrangell submitted a successful application to the State of Alaska in response to the 2022 Community Development Block Grant / Coronavirus (CDBG-CV) program, which requested a funding allocation in the amount of \$806,712 for the Recreation Center HVAC and DDC Upgrades project. There is no monetary contribution required as a recipient cost share.

The State of Alaska CDBG-CV Program may only be used to fund community development activities carried out to prevent, prepare for, and respond to coronavirus. By law, use of funds for any other purpose is not allowable.

Utilizing this funding allocation will provide benefit to the low-income and moderate-to-low-income residents in the City and Borough of Wrangell by improving the ventilation system, temperature, humidity, and air quality systems to reduce airborne transmission in the public Recreation Center and Swimming Pool facility.

Specifically, the project funded under the CDBG-COVID grant funding will complete the second phase of temperature control upgrades, from the existing pneumatic temperature controls to new direct digital controls. It will also replace mechanical and control devices within the HVAC system, including air supply fans that are designed to supply a mix of filtered outside air and return air into the mechanical spaces to control temperature and humidity of the space, return air dampers and louvers, air ducting that serves to moves ventilation air through the system, and insulation for the air ducting. Many of these devices had failed or exceeded their effective operational life, restricting proper ventilation and air flow, thus reducing air quality.

Two contractors were hired to complete this work. Meridian Systems is performing temperature controls upgrades, and Schmolck Mechanical is upgrading the HVAC system. Both contractors have been working on site since April. Completion is scheduled around the end of June.

Project implementation costs to date are \$597,434, consisting of the following: Contractual costs of \$563,681; Professional services cost of \$29,964; and Grant/Project Management costs of \$3,790. The level of CDBG-CV funding is such that additional scope of work for previously unknown deficiencies for air ventilation and temperature controls have been identified for further improvements.

Members of the public are encouraged to participate in the in-person hearing to solicit public input on the achievements of the project. If you are unable to attend the meeting, written comments on any aspect of the above referenced project are invited and should be addressed to: Amber Al-Haddad, Capital Facilities Director, PO Box 531, 1064 Case Avenue, Wrangell, Alaska, or to the following email address aal-haddad@wrangell.com. The office is open 8 a.m. - 4:30 p.m. weekdays.

Overview of the Project and Program Performance

The City and Borough of Wrangell submitted a successful application to the State of Alaska in response to the 2021 Community Development Block Grant (CDBG) program, which requested a funding allocation in the amount of \$494,734 for the High School and Middle School Fire Alarm System Replacement project. A minimum 25% cost share was required to be provided by the recipient, and the Borough has contributed \$318,250 to date. Total available project funding is \$812,984.

Statewide objectives for use of the funds are to provide potential for long-term positive impact and to increase community self-sufficiency; reduce threats and conditions detrimental to the health and safety of local residents; construct and improve public facilities and reduce maintenance costs; design, engineering, architectural or feasibility plans; business development; inclusion in a local community economic or capital improvement plan; use local resources in combination with CDBG funding.

Utilizing this funding allocation will provide benefit to the low-income and moderate-to-low-income residents in the City and Borough of Wrangell by replacing the existing fire alarm system in the High School and Middle School buildings to meet current codes for life and safety fire alarms in educational buildings. This project serves to increase the safety of the occupants of the existing space and to further protect the school occupied property.

The Contractor awarded the project is mobilizing to the site during the week of May 30th and will perform the replacement during the period of the scheduled school summer break. Completion is scheduled for mid-August 2023.

Project implementation costs to date total \$752,628, consisting of the following: Contractual costs of \$655,000; Professional services cost of \$87,015; and Grant/Project management costs of \$10,613. Another approximately \$60,000 is reserved for construction contingency.

RECOMMENDATION MOTION:

MAYOR PROCEDURE: Declare the Public Hearing open. The Mayor shall ask if there is any administrative report on the Public Hearing Item. Persons who signed up to talk on this item shall be called to the podium.

Once all persons have been heard, declare the Public Hearing closed and entertain a motion.

RECOMMENDATION MOTION:
Move to Approve Ordinance 1043.

SUMMARY STATEMENT:

Based on the information provided from the fire department, the exemption requirements that were stated in the ordinance for firefighters and emergency medical services personnel has been modified. The change removed the following language from 5.04.045 (A)(1):

1. To qualify for this exemption, a person must be certified as a current and active volunteer of the Wrangell Volunteer Fire Department by the Wrangell Fire Chief, and (1) if providing volunteer fire fighting services, be certified as a fire fighter by the Alaska Department of Public Safety, or (2) if providing volunteer emergency medical services, be certified under AS 18.08.082.

And replaced that language with the following:

1. To qualify for this exemption, a person must:
 - a. Attend at least 50% of fire department meetings; and
 - b. Respond to at least 10% of Fire calls or EMS calls.

The following information has not been changed since the May 23, 2023 Regular Assembly meeting: The Mayor found that as per AK State Statutes AS 29.45.050 (2)(r), we are allowed to offer an exemption of \$10,000 for qualified volunteer firefighters and EMS personnel. Unfortunately, we will not be able to apply the discount for this tax year but if this Ordinance passes, we will be able to offer the exemption starting for the 2024 tax year.

The plan is to have the Wrangell Fire Chief submit a list at the beginning of each year with the qualified firefighters and EMS personnel. The finance director (or their designee) will then compare the applications submitted by the person seeking the exemption to the list from the Fire Chief, to determine eligibility.

CITY AND BOROUGH OF WRANGELL, ALASKA
ORDINANCE NO. 1043

AN ORDINANCE OF THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, ADDING SECTION 5.04.045 – VOLUNTEER FIREFIGHTERS AND PROVIDERS OF EMERGENCY MEDICAL SERVICES (EMS) TO CHAPTER 5.04 – PROPERTY TAX, IN THE WRANGELL MUNICIPAL CODE

BE IT ORDAINED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA:

WHEREAS, AS 29.45.050 (2)(r) authorizes a municipality to grant a partial exemption from municipal property taxes to real property owned and occupied as a permanent place of abode by a volunteer fire fighter or provider of emergency medical services (EMS) in the borough; and

WHEREAS, granting such an exemption will encourage resident property owners to volunteer and to provide such services in the borough to greatly benefit all citizens, property owners, and taxpayers.

NOW, THEREFORE, THE CITY AND BOROUGH OF WRANGELL HEREBY ORDAINS:

SEC. 1. Action. The purpose of this Ordinance is to add Section 5.04.045 – Volunteer Firefighters and providers of Emergency Medical Services (EMS) exemption in order to add a partial exemption from municipal property taxes on residential property owned and occupied by certain volunteers who provide firefighting services or emergency medical services to the Borough, in the Wrangell Municipal Code as follows:

SEC. 2. Addition. Section 5.04.045 – Volunteer Firefighters and providers of Emergency Medical Services (EMS) is hereby added to Chapter 5.04 in the Wrangell Municipal Code as follows:

**Chapter 5.04
PROPERTY TAX**

Sections:

...

5.04.045 Volunteer Firefighters and providers of Emergency Medical Services (EMS) exemption.

...

5.04.045 **Volunteer Firefighters and providers of Emergency Medical Services (EMS) exemption.**

A. An exemption in the amount of \$10,000 of the assessed value of real property owned and occupied as a permanent place of abode by a resident who provides volunteer fire fighting services or volunteer emergency medical services (EMS) in the Borough of Wrangell is exempt from the real property tax imposed by this chapter.

1. To qualify for this exemption, a person must:
 - a. Attend at least 50% of fire department meetings; and
 - b. Respond to at least 10% of Fire calls or EMS calls.
2. If two or more individuals are eligible for an exemption for the same property, not more than two exemptions may be granted.
3. No exemption under this section may be granted except upon written application on a form prescribed by the City and Borough of Wrangell Finance Department. The application must be filed with the City and Borough of Wrangell Finance Department no later than March 1 of the tax year for with the exemption is sought.
4. The Finance Director or their designee shall request from the Fire Chief a list of qualified volunteers each year, to establish their eligibility for the exemption.
5. The eligibility list will be compared to the timely applications received.

SEC. 3. Severability. If any provision of this ordinance, or any application thereof to any person or circumstances is held invalid, the remainder of this ordinance and the application to all other persons or circumstances shall not be affected thereby.

SEC. 4. Classification. This ordinance is of a permanent nature and shall be codified in the Wrangell Municipal Code.

SEC. 5. Effective Date. This ordinance shall be effective upon adoption.

A RESOLUTION OF THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, LEVYING A GENERAL TAX FOR SCHOOL AND MUNICIPAL PURPOSES UPON ALL TAXABLE PROPERTY WITHIN THE BOROUGH FOR THE TAX YEAR 2023 PURSUANT TO WRANGELL MUNICIPAL CODE SECTION 5.04.010; PROVIDING FOR THE COLLECTION OF TAXES DUE IN 2023 AND PRESCRIBING PENALTIES AND INTEREST FOR DELINQUENT TAXES

WHEREAS, the Borough Assembly sitting as the Board of Equalization, has regularly assessed and equalized all real property within the City and Borough of Wrangell and has fixed a time at which the taxes levied shall be paid, and has fixed the date of delinquency, and has established that taxes remaining unpaid after the delinquent date shall be collected and have penalties and interest added thereto in accordance with law. The Borough Assembly has provided herein for payment and the date of delinquency of all taxes levied on the property assessed on the tax rolls.

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF WRANGELL, ALASKA, THAT:

Section 1. There is hereby levied upon all taxable real property in the City and Borough of Wrangell, Alaska, as previously taxed by the City of Wrangell, except such property as is exempt by law from taxation, a mill rate of 9.75 mills for the tax year 2023, for the Wrangell Service Area, 4.0 mills for property outside the Service Area, and 4.0 mills for the tax differential zone as described in 5.04.310 (a).

Section 2. Taxes levied pursuant to this resolution shall be due and payable on or before October 13, 2023. Penalty and interest shall accrue on an unpaid installment from 5:00 p.m. on the date the payment becomes due.

Section 3. Taxes remaining unpaid after the delinquent date shall be collected and have penalties and interest added thereto in accordance with law.

Section 4. This resolution shall become effective upon its passage and adoption.

ATTACHMENTS: 1. Bid Opening Checklist and Tabulation Summary for the Ports and Harbors Surveillance System Project

RECOMMENDATION MOTION:
Move to approve a contract award to Chatham Electric in the amount of \$495,000 for the Ports and Harbors Surveillance System Project.

SUMMARY STATEMENT:

The Ports and Harbors Surveillance System project involves installing video cameras and all associated equipment in eight Port and Harbor sites throughout Wrangell. Wrangell has three harbor basins involving six facilities that span five miles, a deep-water port that accepts cargo barges, a MTSA regulated cruise ship facility, and an eight-acre boat yard for major repairs and rebuilds. The project includes installing cameras with all associated radio systems, enclosures, and miscellaneous equipment necessary for the installation of the system.

This project was elevated as a Borough priority project in 2020 and 2021. Recognized as a community priority, the Borough submitted grant applications to the State Homeland Security Program (SHSP) for this project over three grant year cycles. The SHSP has granted a total of \$836,910 for design and construction, and there is no local match required.

Following completion of the design work, the City & Borough of Wrangell issued an Invitation to Bid for the construction of the Ports and Harbors Surveillance System Project. On May 23, 2023, the CBW received three bids, according to the attached bid opening summary. Pending receipt of pre-award submittals from the contractor and approval of the procurement method from the project funding agency, State Homeland Security Program (SHSP), staff recommend awarding the procurement contract to the low bidder for the Base Bid and Additive Alternates A through G, for a total contract price of \$495,000.

Move to approve a contract award to BW Enterprises, LLC in the amount of \$91,583.60 for the Nolan Center Storage Building Settlement Repairs Project.

SUMMARY STATEMENT:

The Nolan Center storage building is experiencing foundation subsoil settlement, creating a void under the building footings and slab, and repairs are needed to maintain the structural integrity of the building. The repair project includes installing helical piles and pile jacks at the perimeter of the building to support the structure from further settlement.

The City & Borough of Wrangell issued an Invitation to Bid for the construction of the Nolan Center Storage Building Settlement Repairs, and on May 23rd, we received one bid, as reflected in the attached bid opening summary. Pending receipt of the pre-award submittal documents, staff recommend awarding the procurement contract to the low bidder, BW Enterprises, LLC in the amount of \$91,583.60.

Funding for this project is provided through the approved FY23 capital budget.

ATTACHMENTS: 1. DOWL Proposal for Engineering Services Amendment 3 dated May 1, 2023

RECOMMENDATION MOTION:
Move to approve Amendment 3 to the Professional Services Agreement with DOWL for the Water Treatment Plant Improvements Design in the amount of \$157,046.

SUMMARY STATEMENT:
DOWL (Engineers) is the engineer of record for the Water Treatment Plant Improvements Design project.

The City and Borough of Wrangell proposes to amend the contract with DOWL for engineering services for the Water Treatment Plant improvements project based on additional scope of work performed, which was not included in the original scope of work, nor in previously issued amendments. The additional scope of work includes:

- DOWL proposed a coordination fee of \$10,260 to incorporate the AWC shop drawing procurement under their contract, at the Borough's request, in order to advance the work based on efficiencies with having a contract in place with DOWL to satisfy the federal funders. There was a high level of unanticipated engagement and coordination between DOWL and AWC related to the shop drawings development to aid in the final design of the treatment system. Additional scope performed by DOWL has a value of \$82,696.
- Additional Permitting and Regulatory Efforts related to the backwash wastewater disposal discharge line and the federal requirements to add the Buy America Build America Act requirements to the construction contract. Included here is the overall scope of work of the project that required an additional 53 sheets to the engineering design drawings. Additional scope has a value of \$74,350.

Staff recommend approving Amendment 3 to the existing PSA with DOWL in the amount of \$157,046 for the Water Treatment Plant Improvements Design project. Funding is proposed to come from the State of Alaska Designated Legislative Grant the Borough was awarded for this project in the amount of \$4,100,000.

Subject: Proposal for Engineering Services- Amendment 3
City and Borough of Wrangell Water Treatment Plant Improvement Project

Dear Ms. Al-Haddad:

DOWL appreciates the opportunity to work with the City and Borough of Wrangell (CBW) on this important community project to improve the existing water treatment plant.

On February 21, 2022, DOWL and CBW entered into contract to provide Water Treatment Plant and Residuals Pipeline design services. We have twice amended our contract based on the following summarized additions:

- #1) Lift Station #6 Evaluation for Backwash Handling- September 15, 2022
- #2) AWC Shop Drawing Preparation- December 1, 2022

At the time of writing this amendment request, DOWL is very near submitting a 95% level submittal, which will be used to solicit bids.

We respectfully request our budget and scope of work be amended to address the following additions and changes to our contracted Scope of Work.

ADDITIONAL SCOPE OF WORK and CHANGES TO SCOPE OF WORK

Vendor Coordination and Shop Drawing Incorporation

Our February 21, 2022 contract assumed CBW would competitively select a vendor for the major Package Water Treatment equipment and would manage the shop drawing process. We assumed shop drawings would be available at the completion of the 35% design or near the beginning of the 65% design. The original scope of work included development of the Packaged Water Treatment Plant Procurement Specifications, and review of technical information associated with each manufacturer’s technical submittals. The original scope of work did not include an exhaustive review of multiple Package Water Treatment Plant Equipment Shop Drawings and RFIs. DOWL assisted the Borough with a procurement process that yielded one responsive bid by AWC Solutions, Inc. At that time, it was determined to keep the project moving forward, DOWL would hire AWC directly for the procurement of the shop drawings. We executed amendment #2 for DOWL to hire AWC directly in a show of good faith to keep the project on schedule. DOWL only included a total of 12 hours of time

(for one team member) and agreed to a very modest mark-up (6% instead of the industry standard of 10-15%).

AWC's shop drawing process was significantly more intensive than anticipated, as they shifted much of the construction submittal process into the design phase. The DOWL team met with AWC more than eight times, responded to roughly twenty Requests for Information and reviewed and responded to eight submittals. This has been a valuable process for optimizing owner preferences, but it is normally not undertaken until construction. This effort was not included in the February 21, 2022 contract, nor the amendments.

The finalized shop drawings are just now available, as DOWL is submitting our 95% documents; this has resulted in significant last-minute changes to instrumentation and control labeling. If shop drawings would have been available between 35% and 65%, less re-work would have been required.

Additional Permitting/Regulatory Efforts

As the project has evolved there has been additional permitting/regulatory efforts associated with the following:

- ADEC Wastewater Approval to Construct
 - Our February 21, 2022 Contract assumed we would submit a Water Approval to Construct Request only. Our team will also need to submit a Wastewater Approval to Construct request.
- ADOT&PF Utility Permit
 - DOWL will need to obtain a DOT&PF Right of Way Utility permit for making modifications to the public sewer system where the backwash discharge pipe will intercept it.
- Easement at the backwash discharge pipe
 - DOWL prepared an exhibit and legal description for an easement across private property to make the Public Sewer System backwash discharge interception possible.
- Incorporation of BABAA Requirements
 - On March 31, 2023, the funding agencies published a comprehensive list of changes (44 page bulletin) that must be made to the standard EJCDC documents. Given updated EJCDC documents with the new requirements are not publicly available, DOWL modified the standard documents.

Additional Backwash Discharge Handing Scope of Work

On September 15, 2022, DOWL and CBW executed amendment 2 to evaluate the ability of Lift Station 6 to handle the backwash assuming backwash is directed to Lift Station 6. We assumed the overall effort would conclude in two additional equivalent engineering sheets (and no stand-alone deliverable).

The overall effort has included two engineering assessment memos; 1) for the lift station 6 capacity analysis, and a separate one to evaluate the receiving sewer’s capacity. Given the constraints at lift station 6, the Scope of Work has increased to include:

- Additional back flow control structure and remote automation and control
- Slip-lining of existing 12” ductile iron water main for repurposing as the backwash main
 - Additional site manholes and site work to make conversion possible

The equivalent additional sheets have increased from 2 to 6, and there has been two stand-alone memorandum deliverables.

OVERALL SCOPE OF WORK EFFORT INCREASE

Our February 22, 2022 contract included a proposed sheet index, assuming a design effort of 138 engineering equivalent sheets (and a total sheet count of roughly 150 sheets, since some sheets like cover sheets are not equivalent sheets). Proposed sheet indexes are used in development of fees, as the engineering effort directly correlates. Our Amendment 2 acknowledged a sheet count increase of roughly two equivalent sheets.

At the 95% submittal level, it appears the total sheet count will be in the 190 equivalent engineering sheet range. Table 2 summarizes the difference between contracted effort and actual effort.

Table 2: Additional Effort Summary

Sheet Set	Anticipated Equivalent Sheet	Actual Sheet Count
General Sheets	7.25	6.75
Demolition Sheets	6.5	14

DOWL is grateful for the opportunity to work with the Borough on this important project. Before concluding, we would also like to point out the following:

- The anticipated construction cost at the 65% level was \$15 Million. This amendment would increase our total design fee as a percentage of construction cost (excluding phase 1B, 1C, and 4) to approximately 8.2%. This is well within industry standards, if not slightly lower given the project complexity.
- DOWL will continue to work with the Borough on cost saving measures for the resident inspector and construction administration, including some measures that are not in DOWL’s best interest, such as hiring a subcontractor to perform resident inspection services. This shows our commitment to making this project a success.
- We are not looking to recoup all over-run costs, or recoup costs that were incurred during a long contracting and negotiation process (16 months). Actual project costs exceed our actual amendment request.

CONCLUSION

This amendment does not change the schedule, or deliverables.

We understand time is of the essence and the DOWL team is already working on this amended scope of work. We are grateful for CBW’s perseverance in trying to make this project a reality and we stand by to be your partners in making it a success.

Please do not hesitate to contact us with questions.

RECOMMENDATION MOTION:
Move to Approve a Real Estate Broker Services Contract Award to Anchor Properties, with a 7% Commission Rate, for the Sale of Borough-Owned Property at 310 Bennett Street.

SUMMARY STATEMENT:
The CBW issued a Request for Proposal (RFP) for the Real estate Broker Services seeking a broker with the ability, resources, and experiences to assist the Borough in finding a buyer for the property on Lot A, Block 54, WMC Replat, Plat 2018-6, Parcel #02-031-351, with address 310 Bennet Street,

and known as the former Wrangell Medical Center (hospital) property, owned by the Borough, which has been vacant and unoccupied since March 2021.

The work included to be provided by the successful Proposer includes, but is not limited to, assisting the Borough in negotiating the terms and conditions for the sale of the Property, maximizing revenue from the sale, and providing an unbiased process and source of information for the Borough to be able to make the best decision regarding the sale of the Property.

In response, the Borough received and evaluated two proposals. The CBW convened a three-person committee to evaluate and rank the qualifications of the proposers based on the weighted criteria below, as outlined in the solicitation:

- Capacity to Perform and Relevant Experience of the Team	40	Points
- Methodologies, Approach, and Local Knowledge	30	Points
- Fee Schedule	<u>30</u>	Points
Total Points	100	Points

Scoring of qualifications between the two firms:

- GovDeals.com 66.60 Points
- Anchor Properties 87.40 Points

Anchor Properties drew higher weighted scores in the Capacity to Perform and the Methodologies, Approach, and Local Knowledge, and their proposal spoke to their understanding of the local economy and the social and economic challenges with which Wrangell is currently faced. Anchor Properties' proposed commission is 7% of the final sale price, paid when the broker successfully sells the property.

Staff recommend awarding Real Estate Broker Services contract to Anchor Properties for the sale of Borough-owned property at 310 Bennett Street, as depicted in blue outline in the aerial below.
