REGULAR AGENDA

- 1. Consider, and act upon, a Site Plan for PopShelf, a general merchandise use on 1.033 acres, located at 1948 N State Highway 78, being Lot 1 of Upwind Capital Addition.

Staff Comments

Senior Planner Molina addressed the Commissioners stating that the applicant is proposing to develop an 11,267 square foot PopShelf retail store on 1.033 acres located at 1948 N State Highway 78. Popshelf is a brand owned by Dollar General that focuses on seasonal home decor, health and beauty aids, cleaning supplies, and party and entertainment goods. The property is zoned Commercial Corridor and allows for the general merchandise store use.

The plan exceeds the required parking spaces and landscaping. Trees are proposed along the southern rear property line. Shrubs are shown along the east and west boundaries.

Access to the site is proposed from a 24' shared access driveway that connects to State Highway 78. This drive shall also serve as a fire lane. As the building is greater than 6,000 square feet, it shall be required to be sprinkled.

Board Action

A motion was made by Commissioner Gouge, and seconded by Commissioner Byrne to approve Agenda Item 1 as submitted. A vote was taken and carried 6 – 0.

- 2. Hold a Public Hearing, consider, and act upon, a recommendation to City Council regarding a change in zoning from Commercial Corridor - Special Use Permit (CC-SUP) to Planned Development - Commercial Corridor (PD-CC) on 2.02 acres located at 702 North State Highway 78 (ZC 2022-11).

Staff Comments

Planning Manager Haskins addressed the Commissioners stating that the applicant is requesting to rezone 2.02 acres located at 702 North State Highway 78. The current zoning is Commercial Corridor - Special Use Permit (CC-SUP) and the requested rezoning is to Planned Development - Commercial Corridor (PD-CC) to allow for a distillery and event center use.

The distillery is allowed by-right in accordance with State Law (Alcohol Beverage Code Chapter 14), however the applicant has applied for Planned Development zoning in order to add an events center and food truck park to the site.

The PD conditions allow the Distillery, Events Center, and Food Truck Park as uses, while setting hours of operation, screening requirements, and noise standards. Uses that are not included in the Planned Development shall be prohibited.

If approved, the applicant has proposed additions as generally depicted on the zoning exhibit. A gate will be added to the southwest corner of the property that connects to Marble. This will close the access to public use, but maintain emergency access.

Notices were mailed to 23 property owners within 200 feet as required by State Law. One response was received in favor and none in opposition of the request.

Board Discussion

Commissioners questioned the hours of operation for the food trucks. Mr. Clint Ecord, President Herman Distillery, applicant, addressed the Commissioners stating that the Food Trucks will be available only during special events and no overnight parking. Mr. Ecord also stated that the screen wall will be a board on board ten foot wooden fence. Mr. Pippin, architecture for the subject property, stated that the zoning exhibit will be changed to a wooden fence from a masonry wall.

Public Comments

Chair Rogers opened the Public Hearing for Item 2. With no one approaching the Commissioners, Chair Rogers closed the Public Hearing for Item 2 at 6:40pm.

Board Action

A motion was made by Commissioner Byrne, and seconded by Commissioner Gouge, to recommend approval to the City Council for Item 2 with conditions that Food Trucks are allowed special events and open during hours of operation as stated in the Planned Development, and Zoning Exhibit be revised to show a wooden fence in lieu of a masonry wall. A vote was taken and carried 6 – 0.

3. Hold a Public Hearing, consider, and act upon, a recommendation to City Council regarding adoption of the 2022 Envision Wylie Comprehensive Master Plan.

Staff Comments

Planning Manager Haskins addressed the Commissioners stating that staff is recommending the item to be tabled until August 2, 2022. At a work session held on June 14, 2022 several recommendations were made for changes to the draft. Council asked that the Comp Plan Advisory Committee (CPAC) review the plan once more regarding those recommendations. The Plan was therefore sent back to CPAC for amendments.

The CPAC will meet on July 7 to review the draft plan, make needed edits, and make a recommendation on adoption of the plan. As CPAC's recommendation is needed before P&Z can make its recommendation, staff is asking the Commission to table the item until the August 2, 2022 meeting to allow for CPAC to finalize the draft prior to P&Z's formal recommendation to City Council.
