Senior Planner Molina approached the Commissioners, stating that the applicant has submitted a Site Plan for the development of two buildings, one measuring 13,950 sq. ft. and the second building measuring 10,540 sq. ft. The Site Plan is in compliance with parking requirements. There will be 105 spaces provided with 5 of the spaces being ADA spaces. Provided will also be 20% landscaping and the plan also includes a 10" landscape buffer along Centennial Dr. The structure's exterior material consists of stone, stucco and EIFS. Both buildings are going to be required to be sprinkled as they exceed the 6,000 sq. ft. requirement. Access to the site is through a 24 ft firelane easement which was also shown as an easement on the Plat.

Senior Planner Molina stated that the Plat was reviewed by the Commission at the last meeting and is expected to go to Council on February 13, 2024. The site is zoned Commercial Corridor and is part of the Woodlake Subdivision.

The Commission discussed that the current use will be shelf space, while the site plan states its use will be medical offices, the zoning allows for multiple uses.
