WORK SESSION – DISCUSSION ITEMS

WS1. Friends of the Library Presentation with President Allison Stowe

Allison has been a part of the Friends of the Library Board for about a year and became president this January. She stressed they are a non-advisory board and help the library by supporting programs and events the city does not have funding for.

- Bookmark Contest
- Pedal Car Race
- Murder Mystery Night
- Summer Kick-Off event
- Annual Book Sale
- Purchased Book Club books for seniors, STEAM Kits, and new furniture for the Teen Room.

Allison shared the different ways people can support the Friends of the Library and how to become a member.

- Justin requested clarification on the monthly meetings.
 - ◆ 3rd Tuesday of the month, at the library, and anyone is welcome.
- Justin asked how the public can donate books.
 - ◆ There is a donation box inside the library. Allison explained how donated books are processed.
- Roberta inquired about the pedal car.
 - ◆ Allison provided more information about the actual car and the Wylie 500 annual event.
- Roberta asked about store rewards, such as Kroger and Walmart, and if the funds donated through those systems is significant.
 - ◆ Quarterly, about \$150 is donated through those programs.
- Toshia asked if the money raised throughout the year is given to the library.
 - ◆ The funds raised are used to put on the aforementioned programs and help the library with purchases not covered by the budget such as the new Teen Room furniture.
- Toshia questioned how many individuals may be included in a family membership.
 - ◆ There is no limit; so long as they live in the same household.

Some perks of membership were discussed.

WS2. Review the monthly report

Oflia walked through the report with the Board, highlighting some of the Spring Break programs attendance numbers.

- The teen program, Ask Me Anything had about 50 in visitors.
- The Bollywood style Indian Dance program had 65 in attendance.
- Justin requested clarification concerning the statistics for the Library App.

- Justin asked if use of the app has increased the number of holds and, if so, has that had any effect on the library & staff.
 - ◆ While summer is always a challenge with the higher volume of holds placed on books; the app does not appear to be affecting those numbers. It has brought an increase of Click-and-Collect use from drive-thru visitors.
- Justin asked for more information about the Active Attacker Safety Training that occurred on 03/01/24.
 - ◆ Lisa Galletta, Safety Liaison for the library, spoke from the podium and provided a run-through of the training. Debbie Buccino, Head of Emergency Services, and Assistant Fire Chief, Brian Ritter conducted the training in which scenarios and strategies for handling difficult situations were discussed.
- Zach mentioned the Addressing the Roots of the Book Ban Crisis webinar attended by Ofilia in January and asked if she could share some highlights.
 - ◆ The webinar focused more on the legalities of censorship and presented it from a historical perspective, rather than focusing on book banning in the general sense.
