REGULAR AGENDA

1. Consider and act upon, the Public Arts Advisory Board Minutes of September 21, 2023 (Carole Ehrlich, Public Arts Advisory Board Coordinator)

Board Action

A motion was made by board member Murdock, seconded by board member Shank to approve the Public Arts Advisory Board minutes from September 21, 2023 as presented. A vote was taken and the motion passed 5-0, with board members Jones and Treadwell absent.

2. **Consider and act upon, the recommendations of the Municipal Walking Trails, Phase 2 Selection Panel for the final artist(s)** (*Carole Ehrlich, Public Arts Advisory Board Coordinator*)

Board Discussion

PAC Ehrlich reported that the Board members had watched the presentations by each of the three semi-final artists (Nubbe, Sullivan, and Wright). She asked the board for any discussion and a recommendation to the Wylie City Council for the final artist(s). She explained that the same artist did not have to be chosen for both sites. She reminded the board that the recommendation by the Trails Phase 2 Selection Panel was to recommend Yoshi Wright for both art sites.

The board discussed all three presentations with some concern with carving artist's Sullivan's pieces on site. Jeremy Zahn representing the Tribal Center of Texas commented that he believed the columns were not used by the Caddo tribes. Panel members liked the items carved on the columns as they represented the Archeological research that was performed onsite before the building were constructed and represented some of the signs and tools used by the Caddo's.

The board discussed the design by Eric Nubbe commenting that there were already two metal art pieces along the trails but liked very much the design and detail within the design.

The board finally discussed the two art proposals by Yoshi Wright. They liked the story behind the fire sculpture and also were very fond of the corresponding granite piece depicting the clay pot on one side and the Caddo ancestor on the other side; feeling safe with the fire still burning. Jeremy Zahn stated that he felt all of the story and designs represented the Caddo nation well.

Board Action

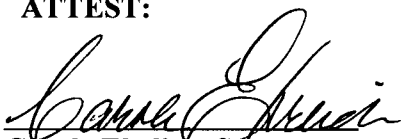

A motion was made by board member Suarez seconded by board member Shank to recommend Yoshi Wright for both art sites to the Wylie City Council. A vote was taken and the motion passed 5-0 with board members Treadwell and Jones absent.
