WORK SESSION

Mayor Porter convened the Council into Work Sessions at 8:08 p.m.

WS1. Discuss the currently proposed Downtown Project lane, parking, and sidewalk configuration.

Engineering Project Manager Jenneen Elkhaid addressed the Council giving a brief presentation.

Council feedback included: the majority of the Council preferred a single-lane design to align with the downtown stakeholders' feedback, and there was various feedback on whether to remove parallel parking in its entirety or to have parallel parking rather than having no parking at all.

Jacki Tobar addressed the Council asking they consider wider sidewalks to allow more room for families to walk and is in favor of a one-lane design.

Jeremy Meier addressed the Council stating improving the downtown outdoor space has been a goal for nearly 20 years.

WS2. Discuss the proposed Silverlake multi-family and commercial retail development generally located at the southeast corner of State Highway 78 and Alanis Drive.

James Delaune, representing Crestline Investors, and Levi Wild, representing Wild Land Development Consulting, LLC addressed the Council giving a brief presentation.

Council feedback included this is the same concept plan that was discussed last time and would like to see a more out-of-the-box plan, such as mixed-use or larger commercial uses, not just apartments, to ensure it meets the goals of the current Comprehensive Master Plan.

WS3. Discuss additional lighting at the Dog Park within the Municipal Complex.

Parks and Recreation Assistant Director Brent Stowers addressed the Council giving a brief presentation.

Council feedback included moving forward with purchasing 12 solar lighting features out of the 4B Fund balance at the Municipal Complex Dog Park.

RECONVENE INTO REGULAR SESSION

Mayor Porter reconvened the Council into Regular Session at 9:10 p.m.
