WORK SESSION

WS1. Wylie Cemetery Transition Update.

Staff Comments:

Deputy City Manager Renae' Ollie updated the board on the cemetery acquisitions. She advised that all required documents had been delivered to the Title Company; however, title insurance could not be issued due to a discrepancy found in the survey. Ms. Ollie explained that the discrepancy found by the surveyor

indicated that there was a small, older portion of the land with no deed or legal description verifying that it was a part of the Wylie cemetery. Staff is discussing with the City Attorney the best way to approach the survey discrepancy.

Ms. Ollie advised that staff is working with the Wylie Cemetery Association to decide the best method to disburse the existing cemetery funds.
