Wylie City Council

AGENDA REPORT

Department: City Manager

Prepared By: Mary Bradley, TRMC

Account Code: _____

Subject

Consider, and act upon, Resolution No. 2025-13(R) of the City of Wylie, Texas suspending the July 31, 2025, effective date of Oncor Electric Delivery Company's requested rate change to permit the city time to study the request and to establish reasonable rates; approving cooperation with the Steering Committee of Cities served by Oncor to hire legal and consulting services and to negotiate with the Company and direct any necessary litigation and appeals; finding that the meeting at which this resolution is passed is open to the public as required by law; requiring notice of this resolution to the Company and legal counsel for the Steering Committee.

Recommendation

Motion to approve the Item as presented.

Discussion

On June 26, 2025, Oncor Electric Delivery Company, LLC ("Oncor" or "Company") filed an Application with cities retaining original jurisdiction seeking to increase system-wide transmission and distribution rates by about \$834 million or approximately 13 percent over present revenues. The Company asks the City to approve a 12.3 percent increase in residential rates and a 51.0 percent increase in street lighting rates. If approved, an average residential customer would see a bill increase of about \$7.90 per month.

The resolution suspends the July 31, 2025 effective date of the Company's rate increase for the maximum period permitted by law to all the City of Wylie, working in conjunction with the Steering Committee of Cities served by Oncor, to evaluate the filing, determine whether the filing complies with law, and if lawful, to determine what further strategy, including settlement, to pursue.

The law provides that a rate request made by an electric utility cannot become effective until at least 35 days following the filing of the application to change rates. The law permits the City of Wylie to suspend the rate change for 90 days after the date the rate change would otherwise be effective. If the City of Wylie fails to take some action regarding the filing before the effective date, Oncor's rate request is deemed administratively approved.

Explanation of "Be It Resolved" Paragraphs:

1. The City is authorized to suspend the rate change for 90 days after the date that the rate change would otherwise be effective for any legitimate purpose. Time to study and investigate the application is always a legitimate purpose. Please note that the resolution refers to the suspension period as "the maximum period allowed by law" rather than ending by a specific date. This is because the Company controls the effective date and can extend the deadline for final city action to increase the time that the City retains jurisdiction if necessary to reach settlement on the case. If the suspension period is not otherwise extended by the Company, the City must take final action on Oncor's request to raise rates by July 31, 2025.
2. This provision authorizes the Steering Committee, consistent with the City's resolution approving membership in the Steering Committee, to act on behalf of the City at the local level in settlement discussions, in preparation of a rate ordinance, on appeal of the rate ordinance to the PUC, and on appeal to the Courts. Negotiating clout and efficiency are enhanced by

the City cooperating with the Steering Committee in a common review and common purpose. Additionally, rate case expenses are minimized when the Steering Committee hires one set of attorneys and experts who work under the guidance and control of the Executive Committee of the Steering Committee.

3. The Company will reimburse the Steering Committee for its reasonable rate case expenses. Legal counsel and consultants approved by the Executive Committee of the Steering Committee will submit monthly invoices that will be forwarded to Oncor for reimbursement. No individual city incurs liability for payment of rate case expenses by adopting a suspension resolution.
4. This section recites that the Resolution was passed at a meeting that was open to the public and that the consideration of the Resolution was properly noticed.
5. This section provides that Oncor and Steering Committee counsel will be notified of the City's action by sending a copy of the approved and signed Resolution to certain designated individuals.

RESOLUTION NO. 2025-13(R)

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WYLIE SUSPENDING THE JULY 31, 2025, EFFECTIVE DATE OF ONCOR ELECTRIC DELIVERY COMPANY'S REQUESTED RATE CHANGE TO PERMIT THE CITY TIME TO STUDY THE REQUEST AND TO ESTABLISH REASONABLE RATES; APPROVING COOPERATION WITH THE STEERING COMMITTEE OF CITIES SERVED BY ONCOR TO HIRE LEGAL AND CONSULTING SERVICES AND TO NEGOTIATE WITH THE COMPANY AND DIRECT ANY NECESSARY LITIGATION AND APPEALS; FINDING THAT THE MEETING AT WHICH THIS RESOLUTION IS PASSED IS OPEN TO THE PUBLIC AS REQUIRED BY LAW; REQUIRING NOTICE OF THIS RESOLUTION TO THE COMPANY AND LEGAL COUNSEL FOR THE STEERING COMMITTEE

WHEREAS, on or about June 26, 2025, Oncor Electric Delivery Company (Oncor), pursuant to PURA §§ 33.001 and 36.001 filed with the City of Wylie a Statement of Intent to increase electric transmission and distribution rates in all municipalities exercising original jurisdiction within its service area effective July 31, 2025; and

WHEREAS, the City of Wylie is a member of the Steering Committee of Cities Served by Oncor ("Steering Committee") and will cooperate with the 170 similarly situated city members and other city participants in conducting a review of the Company's application and to hire and direct legal counsel and consultants and to prepare a common response and to negotiate with the Company prior to getting reasonable rates and direct any necessary litigation; and

WHEREAS, PURA § 36.108 grants local regulatory authorities the right to suspend the effective date of proposed rate changes for ninety (90) days after the date the rate change would otherwise be effective; and

WHEREAS, PURA § 33.023 provides that costs incurred by Cities in ratemaking proceedings are to be reimbursed by the regulated utility.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WYLIE, TEXAS:

1. That the July 31, 2025 effective date of the rate request submitted by Oncor on or about June 26, 2025, be suspended for the maximum period allowed by law to permit adequate time to review the proposed changes and to establish reasonable rates.
2. As indicated in the City's resolution approving membership in the Steering Committee, the Executive Committee of Steering Committee is authorized to hire and direct legal counsel and consultants, negotiate with the Company, make recommendations regarding reasonable rates, and to intervene and direct any necessary administrative proceedings or court litigation associated with an appeal of a rate ordinance and the rate case filed with the City or Public Utility Commission.
3. That the City's reasonable rate case expenses shall be reimbursed by Oncor.
4. That it is hereby officially found and determined that the meeting at which this Resolution is passed is open to the public as required by law and the public notice of the time, place, and purpose of said meeting was given as required.

5. A copy of this Resolution shall be sent to Oncor Electric Delivery Company, LLC, 1616 Woodall Rodgers Freeway, Dallas, Texas 75202 and to Thomas Brocato, Counsel to the Steering Committee, at Lloyd Gosselink Rochelle & Townsend, P.C., P.O. Box 1725, Austin, Texas 78767-1725.

DULY PASSED AND APPROVED by the City Council of the City of Wylie, Texas on this the 8th day of July, 2025.

Prepared By: Tommy Weir

Account Code: _____

Subject

Consider, and act upon, Ordinance No. 2025-28 amending Wylie's Code of Ordinances, Ordinance No. 2021-17, as amended, Chapter 110 (Traffic and Vehicles), Article IV (Speed), Section 110-133 (School Zones), establishing a school zone for certain streets; establishing prima facie maximum speed limits during school hours in such zone; providing for the installation of signs and markings; regulating vehicular and pedestrian traffic; providing for a penalty for the violation of this ordinance, providing for repealing, savings and severability clauses; and providing for an effective date of this ordinance and for the publication of the caption hereof.

Recommendation

Motion to approve the Item as presented.

Discussion

On behalf of the City of Wylie, Lee Engineering LLC performed a site plan review for the Kreymer Elementary School (Wylie ISD) in order to establish a school zone in the area around the school. For this school, speed limit signage and flashing lights will be installed by the City of Wylie (Public Works) to provide a safe travel to and from school, as two crosswalks will be installed along Brown Street as part of this project.

Pedestrian crossing activity from nearby neighborhoods should be the primary basis for reduced speed school zones; however, irregular traffic and pedestrian movement must also be considered when children are being dropped off and picked up from school.

For the Kreymer Elementary School, 20-mph speed zones will be provided at the following locations:

- a. On Brown Street, from 300 feet west of the proposed crosswalk across Brown Street on the east leg of its intersection with Wyndham Meadows Way (east) and the Kreymer Elementary School driveway to 325 feet east of the proposed crosswalk across Brown Street on the east leg of its intersection with Springdale Way.
- b. On Springdale Way for its entire length from Brown Street to Camelot Drive.
- c. On Camelot Drive from its intersection with Inverness Drive to 165 feet east of Springdale Way.
- d. On Inverness Drive from Camelot Drive to 200 feet south of Camelot Drive.

Staff recommends approval of the proposed amendment to Chapter 110 (Traffic and Vehicles), Article IV (Speed), Section 110-133 (School Zones) of the Wylie's Code of Ordinance, that reflect recommendations from the 2025 Lee Engineering LLC Letter.

ORDINANCE NO. 2025-28

AN ORDINANCE OF THE CITY OF WYLIE, TEXAS, AMENDING WYLIE'S CODE OF ORDINANCES, ORDINANCE NO. 2021-17, AS AMENDED, CHAPTER 110 (TRAFFIC AND VEHICLES), ARTICLE IV (SPEED), SECTION 110-133 (SCHOOL ZONES), ESTABLISHING A SCHOOL ZONE FOR CERTAIN STREETS; ESTABLISHING PRIMA FACIE MAXIMUM SPEED LIMITS DURING SCHOOL HOURS IN SUCH ZONE; PROVIDING FOR INSTALLATION OF SIGNS AND MARKINGS; REGULATING VEHICULAR AND PEDESTRIAN TRAFFIC; PROVIDING FOR A PENALTY FOR THE VIOLATION OF THIS ORDINANCE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE; AND PROVIDING FOR THE PUBLICATION OF THE CAPTION HEREOF.

WHEREAS, §545.356 of the Texas Transportation Code provides that whenever the governing body of the municipality shall determine upon the basis of an engineering and traffic investigation that any prima facie speed therein set forth is greater or less than is reasonable or prudent under the conditions found to exist at any intersection or other place or upon any part of a street or highway within the City of Wylie, Texas ("Wylie" or "City"), taking into consideration, among other things, whether the highway is a two-lane, undivided highway, as well as the usual traffic thereon, said governing body may determine and declare reasonable and prudent maximum prima facie speed limits thereon by the passage of an ordinance, which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street or highway; and

WHEREAS, §541.302 of the Texas Transportation Code defines a "school crossing zone" as a reduced speed zone designated on a street by a local authority to facilitate safe crossing of the street by children going to or leaving a public or private elementary or secondary school during the time the reduced speed limit applies; and

WHEREAS, the City Council of the City of Wylie, Texas ("City Council") finds it necessary to amend Chapter 110 (Traffic and Vehicles), Article IV (Speed), Section 110-133 (School Zones) of the Wylie Code of Ordinances, to coordinate with the change in school attendance times and to establish maximum speed limits within the areas and at the locations named and designated in the body of this Ordinance, all within the corporate limits of the City, and in the immediate vicinity of school areas, during periods of time, which shall be set by the City's Engineer, when the schools are in session and school children are going to and from schools and playgrounds; and

WHEREAS, the City Council finds that it is necessary for the protection and safety of pedestrians crossing streets in school areas to establish maximum speed limits and to prohibit the overtaking and passing of motor vehicles within the school zone; and

WHEREAS, the City Council has investigated and determined that it would be advantageous and beneficial to the citizens of the City to amend Chapter 110 (Traffic and Vehicles), Article IV (Speed), Section 110-133 (School Zones) of the Wylie Code of Ordinances as set forth below.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WYLIE, TEXAS:

SECTION 1: Findings Incorporated. The findings set forth above are incorporated into the body of this Ordinance as if fully set forth herein.

SECTION 2: Amendment to Chapter 110 (Traffic and Vehicles), Article IV (Speed), Section 110-133 (School Zones) of Wylie's Code of Ordinances, Ordinance No. 2021-17, as amended. Chapter 110 (Traffic and Vehicles), Article IV (Speed), Section 110-133 (School Zones) of Wylie's Code of Ordinances, Ordinance No. 2021-17, as amended is hereby amended to read as follows:

As a result of the frequent changes to elementary and secondary public and private school start and end times, the appropriate hours of enforcement for school zone maximum speed limits shall be set by the City's Engineer. The maximum speed limits in a school zone shall be set in accordance with the Texas Department of Transportation recommendations, unless set forth and posted otherwise as determined by the City's Engineer. The speed limits contained in this section shall not be effective until signs giving notice of such regulations are posted upon or at the entrances to those portions of the street or highway affected as may be most appropriate in accordance with the Uniform Manual on Traffic Control Devices, as amended, promulgated by the state department of transportation. The City Manager or his duly authorized representative is authorized and directed to cause to be erected such appropriate signs.

..."

SECTION 3: Penalty Provision. Any person, firm, corporation or entity violating this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined a sum not exceeding Five Hundred Dollars (\$500.00), unless the violation relates to fire safety, zoning or public health and sanitation, including dumping and refuse, in which the fine shall not exceed the sum of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00). Each continuing day's violation or separate act under this Ordinance shall constitute a separate offense. The penal provisions imposed under this Ordinance shall not preclude Wylie from filing suit to enjoin the violation. Wylie retains all legal rights and remedies available to it pursuant to local, state and federal law.

SECTION 4: Savings/Repealing Clause. All provisions of any ordinance in conflict with this Ordinance are hereby repealed to the extent they are in conflict; but such repeal shall not abate any pending prosecution for violation of the repealed ordinance, nor shall the repeal prevent a prosecution from being commenced for any violation if occurring prior to the repeal of the ordinance. Any remaining portions of said ordinances shall remain in full force and effect.

SECTION 5: Severability. Should any section, subsection, sentence, clause or phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. Wylie hereby declares that it would have passed this Ordinance, and each section, subsection, clause or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, and phrases be declared unconstitutional or invalid.

SECTION 6: Effective Date. This Ordinance shall become effective from and after its adoption and publication as required by the Wylie City Charter and by law.

DULY PASSED AND APPROVED by the City Council of the City of Wylie, Texas, on this 8th day of July, 2025.

Dear Mr. Nguyen:

In conjunction with our previous analysis performed for the roadways around Kreymer Elementary School (as illustrated in Figure 1 of the draft memorandum from Lee Engineering to the City dated May 30, 2024), we are providing for the City's convenience a summary of the locations where reduced speed school zones are recommended for City Council action.

For Kreymer Elementary School, 20-mph reduced speed school zones should be provided at the following locations:

- a. On Brown Street, from 300 feet west of the proposed crosswalk across Brown Street on the east leg of its intersection with Wyndham Meadows Way (east) and the Kreymer Elementary School driveway to 325 feet east of the proposed crosswalk across Brown Street on the east leg of its intersection with Springdale Way.
- b. On Springdale Way for its entire length from Brown Street to Camelot Drive.
- c. On Camelot Drive from its intersection with Inverness Drive to 165 feet east of Springdale Way.
- d. On Inverness Drive from Camelot Drive to 200 feet south of Camelot Drive.

The reduced speed school zones at the locations listed above should not be implemented independent of other traffic control devices recommended in the May 30, 2024 draft memorandum. The traffic control devices and operations described in that document, when finalized (including signs, pavement markings, beacons and school crossing guard locations) are designed as a system and should therefore be implemented in their entirety for one of the available options described to comply with the Texas Manual on Uniform Traffic Control Devices and maximize the safety of student pedestrians.

Please don't hesitate to contact me if you have any questions.

Sincerely,

Josh Smith, P.E., PTOE

Subject

Hold a Public Hearing, consider, and act upon, the writing of an ordinance for a change in zoning from Neighborhood Services (NS) to Community Retail - Special Use Permit (CR-SUP) on 1.056 acres to allow for a motor fueling station with a convenience store and drive-thru restaurant use. Property located at 1400 Country Club Road (ZC 2025-06).

Recommendation

Motion to approve the request to table this Item to the August 26, 2025 meeting.

Discussion

OWNER: ADC Industrial LLC

APPLICANT: ADC Industrial LLC

REQUEST TO TABLE UNTIL AUGUST 26, 2025

The applicant is requesting to rezone 1.056 acres located on the northeast corner of Country Club Road and Park Blvd. at 1400 Country Club Road from Neighborhood Services to Community-Retail with a Special Use Permit (CR-SUP) to allow for a motor fueling station with a 4,000 sq. ft. convenience store and drive-thru restaurant use.

The applicant is proposing to offer the sale of beer and wine within the convenience store and allow for the sale of smoking products as required by the Smoking Zoning Ordinance amendments 2025-14. The development is also proposing to allow for a drive-thru restaurant by right.

The special conditions of the SUP allow for the sale of beer and wine and smoking products limited to cigarettes and cigars with a waiver to the 300' distance requirements from a public school due to the proximity from Dodd Elementary. The property is 299.71' from the school. The sale of e-cigarettes, vape cartridges, CBD or THC smokable or edible products shall be prohibited.

Wylie Independent School District has been contacted and has no opinion regarding the proposed development.

Hours of operation are proposed to be Sunday to Friday 5 a.m. to midnight for the convenience store and restaurant use. Saturday 5 a.m. to 1 a.m. for the convenience store and restaurant use. Fuel pumps are accessible 24 hours a day, every day.

The Zoning Exhibit shall serve as the concept plan and shows the general location of building, parking, vehicle access, and landscaping placement. If approved the development shall be required to provide a site plan and an amended plat prior to development commencing with full compliance with site design codes and regulations.

The property to the west is developed with the Wylie United Methodist Church. The property to the north is owned by the applicant and zoned Neighborhood Services. The property to the east is developed with Goddard School of Wylie and zoned Neighborhood Services. The property to the south is undeveloped and zoned Neighborhood Services. There are no completed

drive-thru restaurants within ½ mile of the subject property. The closest motor fueling station with a convenience store is located south at Country Club and Brown Street.

The site is located in the Local Commercial sector of the future land use map and is consistent with land use classification of the Comprehensive Plan.

Notices were sent to six property owners within 200 feet as required by state law. At the time of posting, one response was received in favor and one in opposition of the request. The opposition letter comes from a property that is rather large; therefore, per Section 211.006 of the Local Government Code, for a rezoning to take effect a three-fourths affirmative vote is required due to the opposition of the rezoning exceeding 20% of the notified area.

In October 2020 the property owner applied for a similar zoning change that was denied by City Council with a 4-2 vote. At that time, there was opposition from the private school adjacent to this property and the City did not have the ability to limit the types of smoking products sold at a business.

P&Z Recommendation

The Commission voted 3-2 to recommend approval with the dissenting votes feeling that this property was not appropriate for a c-store, gas station, and drive-thru restaurant.

Comments

"I believe this corner location is an excellent choice for a gas station and convenience store. The surrounding neighborhood is in clear need of accessible fuel and daily essentials, and this development would fill that gap. Not only would it provide convenience to local residents, but it would also encourage further growth in the area. Additionally, the increased commercial activity would generate valuable sales tax revenue for the city, contributing to community improvements and public services. I fully support this project and believe it will be a positive step for the neighborhood and the city as a whole."

WYLIE ECONOMIC DEVELOPMENT CORPORATION

The Wylie citizens, as authorized by the Texas State Legislature, created the Wylie Economic Development Corporation (WEDC) via the passage of a half-cent sales tax increase in 1990. Funds received by the WEDC are used solely to enhance and promote economic development within the Wylie community.

The primary objectives of the WEDC are to increase local employment opportunities while enhancing and diversifying the City of Wylie's tax base. The WEDC currently employs five full-time professional staff members who report directly to the Executive Director, and the Director reports to a 5-member Board of Directors appointed by the Wylie City Council. Ex-Officio Members of the Board include the sitting Mayor and current City Manager. Meetings typically occur on the third Wednesday of each month at 7:30 a.m. and on an as-needed basis at the WEDC's office located at 250 S. Highway 78.

The Wylie City Council provides oversight of the WEDC via approval of Bylaws, appointment of Board Members, approval of annual budgets, review of monthly expenditures, and project approval. The City of Wylie Finance Department processes all financial functions of the WEDC and coordinates an annual Financial Audit by an independent, third-party firm.

Budget Overview FY 2025-2026

Department Executive Summary

Wylie EDC

FY 2026 Budget Notes

Notable increases/decreases from FY 2026 base budget:

For FY26, the WEDC estimates \$13,998,431 in available resources which includes a beginning fund balance of \$5,677,884. Staff estimates the following WEDC Revenues: \$5,389,434 in Sales Tax Receipts, \$2,898,313 in proceeds from the Sale of WEDC-owned properties, \$22,800 in Rental Income, and \$10,000 in allocated interest earnings.

Expenses for FY26 are estimated at \$10,314,213. Personnel Services increased from \$666,499 to \$776,716, and Incentives decreased from \$1,741,250 to \$1,510,000. Debt Service is projected to increase from \$1,231,998 to \$1,883,248 (with a proposed \$7MM increase to debt service at the end of FY25), and the WEDC has an additional \$1,000,000 in reserve for future land acquisition. As the City Council will recall in recent years, staff has reclassified the WEDC Expenses in Infrastructure Projects (Streets & Alleys) to Special Services. These expenses were once accounted for in Capital Outlay; however, since the WEDC does not maintain ownership of the street, alley, water, sewer, or natural gas lines, they have been moved to Special Services. The Special Services Account has been split into three sub-categories to more accurately track the taxable versus non-taxable nature of these expenses for reporting purposes, due to the Series 2022 Note in the amount of \$8.1 million.

Notable Changes:

- Personnel Services: Up from \$666,499 to \$776,716
 - Requesting one position in early FY26 for cross-training due to retirement.
- Special Services Real Estate: up from \$71,000 to \$221,000 due to site development (RBP)
- Special Services Infrastructure: down from \$9,020,667 to \$3,200,000
 - Includes Ballard/Oak/Jackson/Marble Downtown Striping/Parking, Alanis Water/Sewer improvements, RBP- Hooper/Steel Infrastructure, and Hwy 78 sidewalk from Marble to Oak.
- Engineering Services: Up from \$885,300 to \$960,300
 - Includes General Engineering, RBP Construction Plans, Downtown Parking Design, Downtown Building Civils, Downtown Building Architectural, 544 Corridor Civils, Environmental, and Misc Surveys/Concepts.
- Debt Service: Up from \$1,231,998 to \$1,883,249
 - Projected increase related to Executive Session discussions and Confidential Project.

Staff estimates the FY26 ending fund balance of \$3,684,218.

Once approved by the WEDC Board of Directors on July 16th, the budget will come back to City Council for final approval at the July 22nd City Council Meeting.
