Ken Killian of Killian Studio of Architecture presented early-stage concepts for the proposed lots at Cooper Plaza, including connections to the existing pond, a downtown footpath, plaza, and greenspace, parking, and potential retail, office, and incubator spaces. Staff explained that the project is tied to the Downtown Historic Overlay and highlighted concerns raised by P&Z and the City Council about development along Second Street, including the need for buildings to face Second Street rather than for rear facades to face residential areas. Following the presentation, the Board and Mayor discussed the concepts and provided feedback regarding preferred design elements. *(Staff Use Only)***Subject**

Consider and act upon approval and ratification of the Property Purchase Agreement between the Wylie EDC and Costco Wholesale Corporation regarding approximately 25.473 acres located at the northwest corner of FM 544 and South Westgate Way in Wylie, Texas.

Recommendation

Motion to approve and ratify the Property Purchase Agreement between the Wylie EDC and Costco Wholesale Corporation regarding approximately 25.473 acres located at the northwest corner of FM 544 and South Westgate Way in Wylie, Texas, and to authorize the Wylie EDC Board President, or his/her designee, to execute such documents and take such actions as may be necessary to close the transaction in accordance with the terms of the Property Purchase Agreement.

WEDC has entered into a Property Purchase Agreement with Costco Wholesale Corporation for the proposed acquisition and development of the property. The agreement was executed subject to ratification and approval by the WEDC Board of Directors.
