A wonderful modern library that is great for family visits. They not only have a great selection of books, but even have DVDs, Blu-rays, video games, and a room filled with 3D printers.

My family loves visiting here and it's so conveniently located just across a walkway to it and the Rec Center where there's wall climbing and exercise machines and all sorts of camps.

From Ofilia: While I was at the Library Administrators Conference in Mineral Wells last week I met a woman who happened to work as a teacher in Mineral Wells, but grew up here in Wylie. She sought me out because she wanted to meet me to say how much the library meant to her and how what we do is so important.

Libby shared the following with Ofilia: “One of our storytime kiddos gave us this handmade Monster thank you card! Their nanny says that they call storytime ‘The Show’ and they go to both the Wednesday and Thursday Big Kid Storytimes”
